Oh yes, you've tuned into after hours a continuing tradition on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news, interviews and music geared for gay, lesbian, bisexual and transgendered people. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after hour.

[J] Jimmy Carper 02:03

Now, actually, we have less than 10 seconds we're on the air right now actually. It's cold out there I calm what's the deal? Who left the refrigerator door open?

[S] Scott Lewis 02:15

Roy. Oh, damn, Roy, he was in the kitchen cooking and making some Cajun fajitas oops. And because like any other meal Roy ever prepares ate it he ate it before it was ever finished.

[J] Jimmy Carper 02:31

That's that's the kind of guy he is you know as he is. Damn.

S

Scott Lewis 02:36

Let me tell you, the city of Houston can annex space as quick as Roy does. What's this? They want to annex Kingwood now what is up with this? Dang would Mariela near just What do you mean bigots? Ville? Yeah, well ah grab it, go get it and take it it's just like Roy in the grocery store man. Incredible. I don't understand it

J

Jimmy Carper 02:59

while you're listening to after hours and we are your hosts Jim Carper and Miss Scott Lewis. The two co producers right here tonight

S

Scott Lewis 03:09

Miss rocky be called and and once had the day from hell her pipes bested.

J

Jimmy Carper 03:15

Is this in her house or what? Yeah.

S

Scott Lewis 03:18

Of course, certain images do flow to mind. But yeah, her pipes busted in her house. Glenda

J

Jimmy Carper 03:24

I see Glenn, strolling around here.

S

Scott Lewis 03:27

Roy, what the hell are you doing out of the kitchen? Roy's out of the kitchen? What's fine.

G

Glen Holt 03:34

Let me get my headphones on so I can hear what you're saying. Ah. Did you get my food? There we go. There. Yeah. Well,

S

Scott Lewis 03:40

hole doesn't make a Kroger run right quick. Well tell you when Roy goes Kroger and just pray to

He's gonna make a Kroger run right quick. Well tell you when Roy goes Kroger and just pray to God he uses that share card for the pride committee because they'll be able to pay for everything. Whoa, you. Anyway,

 Jimmy Carper 03:56

so what? Macro pride committee?

 Scott Lewis 04:02

How can you be mad at them? They're

 Jimmy Carper 04:03

always kissing somebody off. What's the deal this week? I just don't like the way they list us in their newsletter. What? While you just eat? You just have to help Jacqueline. That's right. That's right.

 Scott Lewis 04:17

Jack. Jack is the newsletter and he he'll take care of. You're talking to someone who's on the executive. I'm on the board of directors of the fried committee. Alright, let's fix it. That's not my department. Oh, Roy. Hey, Roy, did you know that I 45 Golf freeway outbound exit to the south of delta is closed and you have to execute that Fuqua. Oh, yeah, I didn't know that. But it's on that computer screen right in front

 Glen Holt 04:40

of speaking of computers, Scotty,

 Scott Lewis 04:43

you know, is this is this.

 Glen Holt 04:45

Is this your sexual appliance in here? This big thing?

 Scott Lewis 04:48

Yeah. Matter of fact.

 Jimmy Carper 04:50

He nails in front of it.

 Glen Holt 04:52

I'm sure he does.

 Scott Lewis 04:54

Speaking of run south belt. And Roy, we're not talking In about yours, that's the equator.

 05:03

Speaking of the South belt, I was driving down for some trade the other night. Oh, it's a trade last night before but anyway, and he made my guess and he brain stamps or something you were trading them in.

 05:14

That's what it takes. Piggly Wiggly.

 Jimmy Carper 05:18

More like those hockey walkways hanging on the street corners. Okay,

 Glen Holt 05:23

well, you know, whenever they whenever they see her coming at Kroger's, they always hide the meat.

 Jimmy Carper 05:29

No, that's right. We're not falsely we're knees and screams out as God is my witness. I'll never be hungry again.

 Scott Lewis 05:37

If I was never in a kitchen with Roy long enough. Yeah, I'm driving out on the south Delta to meet this guy and guess where I met him?

J Jimmy Carper 05:48
Viviana

S Scott Lewis 05:52
market, me and my friend Sam, you're gonna go to Vivi honest and drag and pick up Hispanic guys. I'm serious. We're gonna do it. Okay, so

J Jimmy Carper 05:59
where did you meet this guy?

S Scott Lewis 06:01
So I met this guy on my computer. Oh, no kidding. Yeah. And I didn't even know that there's this hole. It's like, we call it the computer tubs. It's kind of like the you know the bathhouse we call it the computer the computer? LilyPond You're kidding me? Yeah. And so you get on here. There's like this local board and stuff and you get on there. And yeah, you just talk to people. Let me tell you, they're all on there for sex. That's all they're all on there for. I mean, they do it on a computer then names that these guys use their names like my name on there is scooter because that's my nickname. Right? And if for some reason you don't use your real name. I don't know why I don't know what's up with that. So I go on a scooter because that's my nickname. These other people's names are stuff like I suck. You suck. Whoa. That got him daddy. Now is that terms are what?

J Jimmy Carper 06:54
Let me think about that one. Bottom daddy. Yeah, so

S Scott Lewis 06:57
speaking of which, this could be a bottom Daddy that just walked in right now. Roy, go fix him some food quick. So I hope you don't want to eat till tomorrow. So anyway, yeah. Sex. All it is is sex. And so guess what's wrong with that? There's nothing wrong with

J Jimmy Carper 07:15
it. So you're going you met one? You met one of these? Well, first of all, I

S Scott Lewis 07:18

heard about it. So I had to buy a computer. Oh, damn.

G Glen Holt 07:23

So you know if there's any sexual venue that's unexplored? I don't

J Jimmy Carper 07:27

get it. You know, a year's membership to the tubs is a hell of a lot cheaper.

S Scott Lewis 07:31

Now I got a good deal. Oh, I see. So anyway, and I don't like to

G Glen Holt 07:34

besides which if you're not picky.

J Jimmy Carper 07:39

So picky. You got to Midtown. No.

S Scott Lewis 07:44

French Quarter? No, actually, I

J Jimmy Carper 07:46

go to bulk. And I get the newsletters from both Midtown and CPC.

G Glen Holt 07:51

And what about this new place that opened up where you have to pay \$80 or whatever it is?
Oh, no.

J Jimmy Carper 07:54

That's not the tabs though. That that's that's that's. Well, it's a dungeon. a boarding

G

Glen Holt 08:00

house. A dungeon?

S

Scott Lewis 08:03

Dungeon? Yeah.

G

Glen Holt 08:04

Yeah. Well,

J

Jimmy Carper 08:06

I don't think sex goes on. It's just scenes. Scenes. Yes. Scene. What does this have to do with the piece of trade? You picked up like

S

Scott Lewis 08:14

scenes from Dynasty? What's this? Not quite. So yeah. So I met this guy from feathers is what it's called. Oh my god. That's it.

G

Glen Holt 08:22

That's it. He's already been the dungeon place. And he's already been there. Just right there. I

J

Jimmy Carper 08:27

didn't write for 27 Whitney, and we're 27 Westheimer,

G

Glen Holt 08:31

within walking distance of the radio station,

S

Scott Lewis 08:33

sit in that guy. Just go over there. And I'll just put on an album, and we'll just treat them and ask them. What's the dirt? What's the grease? It's 80 bucks an hour in there. So well, the guy told me it was like 40 bucks or whatever, whatever.

G

Glen Holt 08:45

You get a bulk discount, you know, I say and you

S

Scott Lewis 08:50

go in and you go at you pick a model. And when the guy that brought me the guy that came over, they were they were asking me to put fires out over it where I went bad. And let me tell you about these fires was kind of snack ish. It was a big old strap and muscular black man. And what do you do man black man?

J

Jimmy Carper 09:08

He was here that Howard?

S

Scott Lewis 09:11

Howard, you need to call these people I see. But uh, so he says you pick up your \$40 you pick a model, and you take them and you go into a

G

Glen Holt 09:23

room and what have you tied them up and whip them silly. Oh, what happens

S

Scott Lewis 09:27

in the room is between the two of you. How's that from a whorehouse? Yeah, doesn't sound much like it is any different to me, but I'm a young naive 24 year old

J

Jimmy Carper 09:37

is it a private club

S

Scott Lewis 09:40

\$40 to get in I would think so. But so anyway, yeah, I don't know. I think we should do I feel very Wayne Delta fino and I think undercover

G

Glen Holt 09:53

No, no, no, no, no, you don't you don't understand. What she really wants to do is a remote, remote.

S

Scott Lewis 09:59

And I think think that the radio station should finance they should give me the money to go over there

J

Jimmy Carper 10:06

thinking of giving us giving money.

S

Scott Lewis 10:09

The the

G

Glen Holt 10:12

money do we have people outside in the lobby that are manning the phones right now?

J

Jimmy Carper 10:17

We have people staffing the phones we might even have. In other words, in other words

G

Glen Holt 10:21

if I was if I was to do a to do a pitch right now and people responded by by picking up the plumbing

o

10:29

in Hollywood for a few minutes oh,

G

Glen Holt 10:31

okay

J

Jimmy Carper 10:35

all of Houston her withdrawal is going to fix the plumbing over at Hollywood.

o

o o o o o

G

Glen Holt 10:41

I forgot I thought you were bringing up somebody on the phone I forgot by that.

S

Scott Lewis 10:50

Okay, well listen if you have any pipe problems tonight if your your pipes freeze, what's that number for cubic?

J

Jimmy Carper 10:57

That's five to eight safe and safe

S

Scott Lewis 11:00

safe. And their new line about to be installed is plumber, u m d r love me. I'm glad your pipes and then and they always bring an extra on with them. So speaking

J

Jimmy Carper 11:16

of fixing pipes,

G

Glen Holt 11:18

I'm glad that they put it in in those terms and not some of the other vulgarities that we

S

Scott Lewis 11:24

know the Hollywood the Hollywood for people who've never been to the Hollywood food March. Oh, it's great. It's just imagine the clearest stop and go you could ever in your dreams and I write and there it is. You go in there they have your you can get a coke. You could get some chips. You could get some lube, you can get a gay porno movie. You can get a birthday card with a naked man on the front of it. Pick up advocate or OUT magazine. You could I mean just

J

Jimmy Carper 11:52

Yeah. Are you anything? Yeah. Are you can you could

S

Scott Lewis 11:55

pick up the guy behind the counter. I've done that. I see. Danny it's

J Jimmy Carper 12:02

great. It's just great. There's two locations on one on Montrose and one on West.

S Scott Lewis 12:10

Primer is just Nelly down. It's this one is

J Jimmy Carper 12:13

I've I was only there once and it was a long time ago and they weren't quite as as one as the one.

G Glen Holt 12:21

No, actually. It's great. It's right beside a tattoo parlors. So you get all the biker types. Ah, no, no, no, just kidding. I don't know. I've never been there. I thought I thought I'd get a rise out. Trying to go there. Now.

J Jimmy Carper 12:32

Why not? Why not a gay stop and go in the gay neighborhood? Yeah, brand new.

S Scott Lewis 12:38

300. ZX. He's making him going. Hey, well, no, speaking

G Glen Holt 12:42

of making coins, yes.

J Jimmy Carper 12:43

Nobody here drives one of those. But no, hell no.

G Glen Holt 12:47

This is KPFT pledge drive. Now you've heard me get on here and beg for money for cute patrol. And now I'm going to beg for money for KPFT. Thank you. Yes. I know that we from from previous experience, we know that we have a rather large audience at this time if we do. And

actually a good proportion of straight people do like to listen in and listen to the matters to our banter.

J Jimmy Carper 13:09

As about a year ago, the polls came in, and 75% of the single men who listened to radio Saturday night at midnight, are listening to after hours. So obviously, I don't mean, straight, it doesn't matter. Sexuality has nothing to do with it. 75% of single men who listen to the radio on Saturday night are listening to

G Glen Holt 13:35

That's right. So Ante Up, send bucks. It's 5265738.

J Jimmy Carper 13:38

If you've ever had a six KPFT if

G Glen Holt 13:43

you've ever had a kid in college, then you've gotten the letter, you know what it says? Send money. Cute. KPFT is totally listener supported. Unlike some of the other public broadcasting arrangements that we know of that have enhanced something or other yes, that really comes on off comes off an awful lot like commercials. Yes. KPFT is totally listener financed and so if you're enjoying listening to this program, it's time to ante up a couple of bucks there. Yeah. And and that

J Jimmy Carper 14:16

goes in for like about 100 bucks would be nice. Yeah. Okay, got a couple of T shirts or a CD case or our goalie. Yeah, our goal is \$500 we have the we have the highest goal for any midnight show. Wow. Yeah, it's 500.

G Glen Holt 14:34

Well, for \$35 for a \$35 pledge, you can get a bumper sticker. And for \$60 you can get a t shirt or a mousepad at KPFT mousepad. It's That's right. And for \$90 you can get two T shirts, those are the much coveted KPFT T shirts, or you can get a CD case. And at \$150 You can get a gym bag or briefcase and I've seen the the See the pictures that they've marked up of those things and they actually look rather attractive. So KPFT is is radio that's worth paying for and we invite you to pick up the phone and make the call now. Most of KPFT is programs are produced locally. However some of the programs that are offered to you here on KPFT are fed to us by

satellite and pay for those we have to pay for those like Pacific National News, Jerry Brown's We the People, Gary knows Natural Living Radio nation radio nation is popular people like to listen to that. Counter spin and Dr. Science,

J Jimmy Carper 15:35

Dr. Science good old doctor, all

G Glen Holt 15:38

these programs come to us with Dr. Science.

J Jimmy Carper 15:42

He's my lover, what do you mean?

G Glen Holt 15:44

All of these programs come to us by satellite? The satellite fee is \$6,000 per year. The large expense amounts to \$115.38 a week, so send in \$115.38 a week and we won't bug you anymore. No, actually, all we're asking is just pick up the phone and pledge \$35 Okay,

J Jimmy Carper 16:02

actually, and we have an extra incentive for \$90 on plastic. That's American Express, MasterCard, Discover, Visa, visa. Do we have visa? Yeah, and

S Scott Lewis 16:17

let's get an approval because this time because you remember what happened last time. It was not on our show, but another show. Oh, well, station.

J Jimmy Carper 16:25

Anyway. We have. We have special offers. We've got. We've got the new

S Scott Lewis 16:31

Jim Carper hair weave. Yes, it's fabulous.

16:36

romanovski until it's brand new album, let's flaunt it. It's a live album with new music on it for a \$90 pledge on plastic or nude music. New Music. Oh, new music. You know how I see Yes. Or k.d. lang's brand new album All you can eat. Oh, I see. Yeah. warfarin. Ferens new album. We have that available for after hours listeners only for a \$90 pledge on plastic.

Glen Holt 17:10

And I might also mention something about corporate funding. Oh, yeah. Got a match. Oh, you can double the impact on your support base. No. That's all that's

J Jimmy Carper 17:24

relevant. Put another crack in that thing? Oh, no, go on.

Glen Holt 17:30

You can double the impact of your support through your company, employee matching gift program if your company has won. Many public spirited communities do match their employees gifts to this radio station, dollar for dollar and sometimes even more. A few of the companies that offer this kind of support Panhandle Eastern Corporation Pennzoil Pitney Bowes Sherman Lehman Brothers and SmithKline. Beecham. So if you work for one of them good folks just mentioned to them that you'd like to support KPFT Yeah. And that you're sending in the big bucks and they'll do the same. So

J Jimmy Carper 18:03

let's go to a piece of music. Right now. A piece of music that could be yours. For a \$90 pledge on plastic. This is from k.d. lang's brand new CD, all you can eat. And I know it's something that most of you feel like out there. I want it all. To Yeah, that was garbage, with queer and that song was debuted on after hours a couple of weeks ago by Michael Crawford and I thought it was so cool. I went out and bought the the album garbage is not a gay group. But that sure is a cool song. Before that was a song that could be yours. It was k.d. lang from her brand new album All you can eat it. Then the tune was called. I want it all and you can have that CD for a \$90 pledge on plastic at 5265738. Roy and Dennis are sitting by waiting for your call. 5265738 Scott's back.

S Scott Lewis 19:17

Dennis is sitting by Roy is back. They're getting a shish kebab. Oh, I see. Okay, and they're going to be Buffalo and chicken tonight.

Glen Holt 19:28

— So that should be pretty slick Buffalo and chicken. Yeah, well, yeah.

 Scott Lewis 19:31

Well, buffalo meat that's supposed to be real healthy for you.

 Glen Holt 19:37

Except if you're a buffalo bull,

 Jimmy Carper 19:38

I see. It's so hard to get them done. Well, we try No.

 Scott Lewis 19:50

Well, you should see Roy when he's hungry though. Run into the kitchen. He looks like a buffalo.

 Jimmy Carper 19:53

So what do you what have you been up to? I want to congratulate The new king and queen of Olympus 26, who were crowned this evening at the crew of Olympus ball, held once a year, it was a grand affair. And in fact, the newly crowned king and queen Empress and emperor of the imperial court of the single star where their Ruby stone Jim Halpert got to meet them who were crowned

 Scott Lewis 20:25

head of the well, I can't think of it. So we'll go on to another Glenn's here. Kind of Well, besides using that.

 Jimmy Carper 20:37

Oh, oh, had the cokes and to try.

 Glen Holt 20:41

That wasn't coke. Oh, that

J Jimmy Carper 20:42
was coffee. Wow. Much better on coke

S Scott Lewis 20:45
and Roy's hands, which you good luck. He's here to talk about cute patrol.

J Jimmy Carper 20:52
How are the key patrol folks doing? Oh, we're doing great. Plumbing. Right. I see that.

G Glen Holt 20:57
They're finished with that. That's called inspecting. I'm loving

J Jimmy Carper 21:00
really surprised. Because it's it's so cold that you could add cold out there. You could get a crew together. Oh, yeah. Yeah,

G Glen Holt 21:07
we have some dedicated people. And that's what we need is dedicated folks. Yeah. There's been a lot of talk recently about getting out there and doing something about hate crimes. Q Patrol has already been out there for the last four years. We're going on our fifth year now. And we've been there. We are effective. We have a proven track record. It's easy to do. It's not dangerous. You don't even have to be Butch.

J Jimmy Carper 21:32
No, I do it.

G Glen Holt 21:35
And we have a we have our crews out there you get to see lots of stuff. How often in an evening. Do I say when I'm out with you? You know, when we're on patrol that if if my tongue was 10 feet long that that guy would be wet by

J Jimmy Carper 21:49
No, it's really Yeah. And how many herds do we see on a nightly basis?

G

Glen Holt 21:54

That's right, herd. Can I say it on the radio?

J

Jimmy Carper 21:57

I don't think so. Well, maybe it's after it's after midnight. Herds of dick. Yeah, we see many of them. There's a herd of Dek all around the Montrose area. It's great.

G

Glen Holt 22:08

No, that doesn't make the phone's wide up. I don't know what I'm gonna call him Dan here. Dan is our fundraiser fundraising coordinator. And he's also on our board of directors now and Dan is in mobile to tonight. Dan, how are things going out there tonight?

♂

22:27

Well, Glen, it's been quiet so far. We had a suspicious truck just as we started withdrawal. But he just kind of disappeared on us and we haven't seen hide nor hair of that one since. And otherwise it's been pretty easy going.

G

Glen Holt 22:42

Okay, well try to stay warm if you can out there

♂

22:47

Yeah, we will. We're inside of a vehicle so that's easy to do. And we can always check out the boys one Pacific street if worst comes to worst.

G

Glen Holt 22:58

Okay, thanks, Dan. Yeah, the

J

Jimmy Carper 23:01

you got it. I mean, that's this is going on right now. This is in real time.

G

Glen Holt 23:05

That's right. This is this is real. This is live. And that's that's a perfect example of how cute patrol gets its job done. You know, we spotted a vehicle that we thought really didn't belong in the Montrose it biggest honking pickup truck you ever saw in your life, and

J Jimmy Carper 23:20

48 lights on the

S Scott Lewis 23:22

roof and stuff like that.

G Glen Holt 23:23

And, you know, we spotted something like that without deserves a closer look. And we just make ourselves visible to those kinds of folks just show the colors as it were. Let them know that they are, you know, there are people out there watching and people like that if they if they intend trouble. They just Skedaddle You bet. And so it's non interventionist, you know, it's not dangerous. It's the sort of thing that anybody can do. The magic phone number is two eight, say five to eight safe I like that number. Now certainly everyone listening in on the program this evening knows about safes.

J Jimmy Carper 23:58

little rubber things you put on your Duma? falacci. Right.

G Glen Holt 24:01

Your Duma falacci. My bologna has a first name. That's all right. Anyway, the number is five to eight safe. If you absolutely feel positively that you cannot participate physically, for some reason, if you can't put some some meat to the wheel. Oh, we do accept money or sexual favors. I mean, no, we accept money, we accept money. And just just call up and say that you would like to give us some financial support. And even even if you can't do that, spread the word around amongst your friends. Call up and give us a tip. Tell us somebody else that you know is capable and willing to support Q patrol and we'd be glad to know about that.

J Jimmy Carper 24:49

You've been working on lesbian and gay voices having That's right.

G Glen Holt 24:52

I'm now I guess, a co host, a technical producer. I'm behind the board

J Jimmy Carper 24:57

your official a lot. Yeah. And that's it. Every Thursday night,

G Glen Holt 25:01

that's right, eight o'clock until 10pm. And a wide variety of music. Oh, yeah. Cuz, you know, we have the disco stuff. And then I bring in classical music. And so it's, it's, it's an interesting program to listen to we always have interesting features on there. Oh, yeah. Somebody recently asked me they say, oh, because all I hear about is women's issues or something like that. But let me assure you that, that it's not just that we cover a wide range of topics,

J Jimmy Carper 25:31

just like Dr. Oz does. And in fact, I've got some nuclear music tonight now play later on. But the reason that you listen to after hours is to hear all the square music and to hear all these queers. We we bring you leather queers.

G Glen Holt 25:47

Why is this phone ringing in here with number two is flashing? I don't know what kind of see anything

J Jimmy Carper 25:54

trans transgendered queers, and bisexual queers, all kinds of queers every week. telling their stories, giving you information, playing music, camping and carrying on.

G Glen Holt 26:10

Oh, and by the way, speaking of which, yes. If if you enjoy the video of me the apparently the players at the mining company routinely. Oh, there's one of you know, I mean that video apparently, I mean, lots of people shot video of me in New Orleans last year. Some of it for sale, by the way, which kind of Peeves me but I mean, I took I took it for granted. You know that if I was going to be walking around in the nude on the street, that people were going to take pictures, but I really didn't expect that people would be charging money for it. I mean, I felt like I got to get a chunk out of that. But I would think so. Anyway, that you stuck a chunk in? Well, something like that. Yes. Anyway. The boy that I met there, whom I'm still going with, he and I are going to celebrate our first anniversary. Nice. That's nice. Yes. So we're going to go to New Orleans together. Terrific. And and celebrate Mardi Gras again. I don't know if I'll be running around as naked this year because it's going to be a colder Mardi Gras this year. And

J Jimmy Carper 27:08
naked where are you?

G Glen Holt 27:10
Well, Mardi Gras day. I was down to a car Karnas Wow. And pair shoes course. Yeah. I mean, so many people kept saying, you know, show us your deck. Yes. That I finally decided well, hey, what? Why keep dropping the shorts. I just took them off and put them around my neck where they belong. That's right. Yeah. I just wished that I could have walked down the street. Like that. You know, I mean, I could only do that in a crowd. Right? Right. I wanted to walk from the apartment where I was staying bedded attractive

That number for your pledge of support for KPFT is 526573852 6k PFT Roy and Dennis or sitting box Ooh, yeah, vibe tribe with Metamora fires metal modifies your mind baby. That's off of new out music free CD that you might be able to get from a different light bookstores, New York City, San Francisco or West Hollywood and now I think is that you? Sky? Hello Scott is that me? Seems like

 Scott Lewis 30:18

it. Let me tell you this is I've already got my first message, Jimmy. Oh, hmm.

 Jimmy Carper 30:23

Now that you're on the computer right now, right.

 Scott Lewis 30:27

And there's, this is great because you and it's a it's called a BBS, which I think stands for a bulletin board system. Yeah, there are 45 lines. So up to 45 people can be on here. This one's called a house, which stands for Houston, alternative lifestyles. And you just go on here and you can send messages back and forth, you can get to know people. Before you can get on here, you have to fill out a biography on yourself. And so I can go in and look at anybody's biography and find out how old they are. What color hair, they have all sorts of interesting stuff. I just got a message from this guy. First, cool, high five. Now he's number 1394. On here, I've already met him, he was over at the house for a couple days last week, I see. And I'll bet he wouldn't leave. And he really should kind of check out that whole system of you know, leaving, you know, you know, leaving when it's time when it's open, and, you know, wearing your welcome out, well,

 Jimmy Carper 31:27

he wanted this thrown out or so. So anyway,

 Scott Lewis 31:30

he and my friend Mark, we were all kind of chit chatting about the possibility of a little wild activity this evening. And so he just sent me a little note saying, Can I still come over tonight? So I'm gonna send him back a little message. This just and you know what I love about your things, that you're totally free to be up what you know, you just, you're a lot more I think aggressive, you're gonna trash

 Jimmy Carper 31:52

then what's in your trash is not the term what is it?

G Glen Holt 31:59

Cyber trash,

S Scott Lewis 32:00

cyber trash? These are the computer tubs. Okay, so the subject is coming over and I'm gonna send him a little message. I'm not sure that Mark and I are up for a visit.

J Jimmy Carper 32:17

I say Are you are you telling him that we're also transmitting this over the radio right

S Scott Lewis 32:23

and I am however, in the middle of doing a radio program on KPFT. And I am introducing my listeners to gay BBs. So I'll send that to him and wait for him to respond, then you can look up there. We'll look and see who all's online. There are 32 people online right now.

J Jimmy Carper 33:00

Wow. And all talking at the same time? Well, they do a lot

S Scott Lewis 33:05

of different things. You can be in a clubhouse, which is where as you know, as few as one person or as many as everybody on here can go into a clubhouse and they can all talk to each other at the same time. Everybody on here, people for some reason don't use their real names on here. And they use some pretty wild names. Like Benny loves brown sugar. I would say he's on right now. He's gay male 38 years old five foot seven. White ecstasy in heaven. 18 year old gay male. White ecstasy and heaven. Let's send him a message. Oh, that's a nevermind already know him. Nevermind. Okay. Well, let's send him a message anyway. Okay, so here's numbers 14 ad. So we'll send him a message 14 ad. And it's going to ask us what is the subject and we'll talk next to see and we'll ask him white X to see ecstasy and heaven did let's say did you buy it there? And has it just kicked in?

J Jimmy Carper 34:24

Tacky Can you send everybody a message and tell them that we are on the air live right now in real time?

S

Scott Lewis 34:37

I would have to send them each individually. I couldn't send the whole everybody that's on here.
