SUMMARY KEYWORDS

message, ecstasy, call, kenneth, bisexual, people, beast, gay, listening, pledge, jimmy, glenn, glen, support, mail, man, talking, roy, houston, hear

00:01

I couldn't send the whole everybody that's on here. Oh, it's not. It's not that easy. What about Jimmy? We should and I just want to illustrate how easy it is to pick somebody up over this thing. Because that's the only reason really to have it. Ad looks interesting. Boy seven ad. No, we can't call boy seven ad because he and I got into a really nasty reading match last night. So the first time ever, he told me Don't you think it's kind of? He said, Isn't it kind of sad that you're having to look for Dick over computer?

00:38

And what's he doing?

00:40

Uh, thank you. Thank you. And that's exactly what I told him. And he was not amused. So and there's women on here. Amazon deviant who lives in the Asphalt Jungle is a female bisexual. 22 years old. six foot one. And she's on right now. six foot one. I know. Wow.

00:59

Let me tell Jim.

01:01

Now, we just got mail from wide ecstasy. So we'll pull that up and see what he had to say to us.

01:17

Know he says on Friday night, I asked him if his ecstasy had kicked in. At Biden haven't? He says no. But Friday night he was wearing his structure outfit. That includes just his shirt socks and boxers. So ask him.

01:34

Was there a flashlight party?

01:36

We'll ask him he could have dropped the boxers. Is this your normal attire? At heaven? We'll send that to him. And we've gotten mail from first cool hive, which I think that's the name of a song or something not real clear on that.

02:05

And what did he have to say?

02:06

Hi. So he says that he doesn't think his roommates in the mood to drive him over to my house. Do you know of any way to get me there?

02:16

So I'll send back to him where whether there is a will there is a way I am sure that a drive over to pick you up we'll be well.

02:45

We're gonna gas send that to him. And we've gotten a letter back from ecstasy. He says, Well, it was this Friday, I got more attention than the addict answers almost. And I literally got attacked by eight guys in the bathroom. It was so awesome. Okay, so now what's interesting, so he sends us this letter. And this is this is kind of what you can do is I can what's called browse him, which means I enter B and then I pull up his bio. And then it'll tell me that white ecstasy is an 18 year old gay man who is single, he's five foot eight 140 pounds. He's other that's his nationality is other and has black hair and deep brown eyes. They also ask them about their appearance. And when they asked him about his appearance, he said to ask him in chat sometime. So we'll go back in and we'll send him back a message. I literally got attacked by eight guys in the bathroom. It was so awesome. So let's ask him computer

03:54

on a Saturday night.

03:57

Exactly. So we'll ask him now. Hi, are you at home? On Saturday? Actually,

04:07

he's he's got a laptop and a modem and he's at heaven right

04:13

now, not at heaven again. Asked him also ask him. Does that mean that you are into the group thing? send that back to him. And we'll initiate it's one of the things I've noticed on here is that you have to initiate talk with people. You have to be the one to well

04:40

that's that's right up your old alley. Yeah, didn't bother me at all.

04:43

So suck me for dinner. Let's send him something. This is the name of a person. His name is suck me for dinner. Okay, he's at 45 in North airline. He's a male gay. 37 years old. All right, let's pull up his information 1340 So you could just pull up anybody's by a real easy suddenly for dinner as a 37 year old gay man that lives near 45 North and airline. He's looking for several people. He's six foot five 170 pounds while he's Caucasian. 570. Just kind of skinny. Yeah, like real skinny, six foot 570 pounds. Caucasian brown hair, baby blue eyes, says he looks pretty good. So let's send him a message subject dinner? And let's say How about a midnight snack? Question. And we'll send that to him and wait for his response. I see. And that's how you do it. And then next thing you know, you'll have all these people sending you messages.

06:03

And the next time that you log on your mail, and then next time

06:05

you log on your mailboxes for as you saw when I logged on, I have five or six messages already waiting for me. There's a Ufh student on here. I want to see his bio because he says he's 2755 he's 21. So let's pull up his bio.

06:22

This is all on how right?

06:24

This is on how what was it? 755 This is all on how it's it's a gay BBs. It's a gay BBs and it's just a hoot. You have a student is a 21 year old bisexual man from Houston. His current status is dating around. He's five foot six 140 pounds, Caucasian, brown hair and hazel eyes. He says he looks pretty good. It'll also tell you how many messages they have. So you can kind of see if they're a real horror or not. What's that got to do with anything? Oh, not really anything. I don't want them to be I say it says that he is called many times. And this is something else needed it does is it compares the questions that I answered when I signed on here at compared to those to the questions that he answered which are the same and however much that we answered a like it'll tell me right here it says that he and I match up 52% That means that he and I answered 52% of those questions the same. So Glen, let's send him a message from you.

07:24

Okay, it's 52% good or average?

07:27

I don't think you can base anything on that because just because I like Mexican food and he likes Mexican food. Yeah, and that's one of the questions What kind of food do you like? I mean, I don't

07:36

know what kind of food you like.

07:39

Okay, and so let's send him a message and see if we can get Glen some trade.

07:46

I see. Subject John you got blonde my friend Glenn.

07:54

So we will say hi. My name is Scott. And I am already live on

08:06

the air you are live on the air on KPFT Houston and ke O 's College Station

08:14

doing a radio program called excuse me after hours I am introducing my listeners to how and

08:32

actually we the people who put how on Have you been on this show but it's been years.

08:38

We should have him back on maybe that would get me six months free or something. I gotta get something out of this. Yeah, probably.

08:49

Except debt. Yeah. Yeah. Go pay. Oh, yeah. No. How well I know.

08:58

My friend Glenn, who is standing by and you said my friend Glenn. Well, he'll get it. Understanding KZ. Hi, I'm not a master typist.

09:07

Are you not good with your hands dear?

09:08

No, and is no one is a blonde master. That's a very important part of it. is standing behind me. He is a bond. Master dressed head to toe in leather dress, head to toe in leather. And he's looking for a boy. Oh, boy.

09:39

He has a fab you learn. I wish there's somebody here that could type fast. He has a fabulous voice that you could hear right now. If you tune your radio to 90 point one FM FM we'll send that to him and while we were doing that

10:08

and watching the scream and pull his hair out we got so many

10:13

so we have several we've gotten a couple letters wide ecstasy says, Well, I want to be dominated by cute men abused me and raped me are that is my fantasy cute men with hard seven to 12 and just you think I can say that word ramming? Yeah, just ramming me and

10:39

you can't say that part.

10:42

X spelling their body fluid body fluids in me gets me hot just thinking about it. I feel that I know I know what a un translator must feel like

10:58

the hole is Wider.

10:59

Wider ecstasy is 18 So we're going to send back to him a message subject you are making me

11:11

and all the listeners to the show

11:19

especially the straight men listening and they're getting caught about this

11:25

okay, you're making me hot. I should first tell you that I am online tonight on line after hours and

11:50

I slept till somebody just signed

11:52

yeah his his name is I slept till I drop he's on here a lot. Hey, Glen asked him how that plumbing problems coming let's see I am online tonight live with Maria sure after hours and I am talking my listeners about gay BB SS I just read your letter over the air over the air which was not real easy at least not as easy as you seem to be in a bathroom because you can't say some things over a year

13:04

now for people listening in wanted to try this out for themselves. The numbers are listed in the back of the Twitter.

13:09

I believe so it's you can get on and they give you like five hours free when you first get started Okay, so we just got a message back from first cool hive. Now thing you should know about first cool hive is that he let's see how old is he? He's 21 years old. And let me tell you he wears a big shoe.

13:41

I say very big shoe. Okay.

13:45

And this is the guy that's six foot tall. 48 pounds.

13:48

Yes. And he says, and this is one we've been talking back and forth about him coming over. He says well just let me know what the verdict is. Do you have my phone number here? I am tripping my ass off hardcore. It's blah, blah, blah. His phone number? Call me in two minutes. Jimmy, do you have a song? Yes, I do. So basically, what we illustrate here is

14:12

that this is a hoot. And I will sit at home.

14:20

In other words, you're addicted to this.

14:21

Oh yeah, I'm addicted. And I'll sit at home and I'll just play on this for forever, or until they get over to my house which first I see.

14:30

And of course you don't mind it when those telephone repairman come over either.

14:33

Oh, no, hell no. I'm always calling getting new lines installed. I'll bet you are Honey, did you I'm probably the only house in memoria with 35 lines. So I tell him that I'll call him in a second and we got another letter from the 18 year old. Yes, really? Well then tell them that there is a real good Mexican slash Hawaiian guy who needs a good looking Man with a hard body. Very cute looks excetera

15:04

like Hawaiians

15:07

and I was just there too.

15:09

I just did. You can hear all the insanity all night and every Saturday night,

15:23

of course was Scotty has her beeper on vibrate which she likes to do. Oh I see

15:31

on 90.1 FM so let's send this to him. And let's see who's online. Rainbow man hot Cobra Cisco kid boy Kenneth rock hardware dynamic dude white ecstasy Beastmaster kinky fly guys suck

me for dinner. First. Cool. Have you have eight students Shneur Tina and Jenny female bisexuals. Shneur is a male transgendered slow mover myself scooter Happy Jack can't pronounce that one the be charmer Tony. Amazon deviant Bo hunks, baby. Oh. Does that do something for you Bo hunks, baby. Yeah. Well, let's send him a message from you. First of all, let's find out about Bo hunks baby as a 26 year old gay man from West Houston. He's currently living with a lover then what the hell's he doing on hair? Why? He is six foot 170 pounds Caucasian brown hair and brown eyes. He says he looks pretty good. He only has one message and it's called 248 times. Most recently today at 1237. And we match up 30%. Jimmy he's like way young for you. What

16:59

are such things?

17:01

He's 26

17:02

Oh, well. Yeah. And

17:06

when this boy was being born a security check in retirement.

17:12

What a tacky pitch

17:15

so wide ecstasy has tuned in. He's listening in right now says what about me? What about you queen? The world just robbed his walls around him when they're 18 Doesn't it? So he's Hawaiian and Mexican.

17:27

That's so hot. That is I just came from I was just I just spent, you know, 12 days in Hawaii and I'm, I'm telling you, they are hot man.

17:29

17:38

What's the grease in Hawaii? About the marriage gay marriage because they say that if

17:45

it most of the Hawaiians are kind of really laid back and in for it. The most of the people that are against it, of course, are the fundamentalists and all of the preachers who have come over from the mainland. to bitch about it. If the Hawaiians are really laid back, it's like, okay, if you want to do that cool.

18:05

So send back to Him and ask Him do Mexican, Hawaiian parents.

18:13

Those Polynesian boys are really

18:18

genuinely nice. People, too. Yes. Yes. Some of the nicest people you will ever meet are Hawaiians. Woof.

18:26

Yes. So we just sent him a message asking Him do Mexican slash Hawaiian parents believe in circumcision. I like to be educated on I want to know everything. So we'll wait for rock hardware. Yes. That's kind of an interesting name. Why don't we

18:42

go to a piece of music and get a couple of more answers here.

18:45

You got it.

18:46

that mic open out in the lobby.

19:22

That's right. This is Glenn. I'm out here in the lobby now. And poor Roy. He's sitting here reading the paper. He's lonely to paper. Yeah, that's right. We've got four phones for him to answer and he could easily be talking on all of them at the same time. I know that he's like that.

19:37

Yes, he certainly is. And also we've got Dennis and we've got

19:45

See, it's very important that if you're listening to the program, and you enjoy this kind of programming, that you support KPFT with your with your big bucks, because KPFT is totally listener supported. Yeah. We do need your money. This is our winter pledge drive. We don't have any sort of enhanced underwriting or anything like that. 20:26

That's right now ours needs to raise you 100 bucks. Do you want to save Jamie's asked from a swing high?

20:31

20:37

A bumper sticker and for \$60 that T shirt or a much coveted KPFT mousepad you bet for \$90 we can send you a couple of T shirts or a CD case or Jimmy has something special. I

21:04

And they include the brand new destined more of romanovski and Phillips or the new Romanovs again, Phillips let's flaunt it or KD Lang her new one all you can eat or Ferens new album phantom center. And that magic number to call is 526-573-8526 KPFT. Now oh, wait a minute now I don't even have her on the air yet. There we go.

21:41

Back up here second. Yeah. After backup here second, because did I hear Glenn? Did you say Roy was reading the paper? Uh huh. Is he reading the food section? Ask him if he's getting any good recipes. And what's he making next? Oh, what

21:55

22:04

And it's worth supporting the people care about that's right bringing in them bringing in money send that message so give us your call for support at 5265738 And now back to Scott because we are online on how BBs

23:01

you know Samiha Monica have entered the house. What's up gear? Girl Miss Sammy, Miss Monica. Scandalous, scandalous bitches both of them. Sammy is a bigger bitch than Monica. Girl don't get me to spill your tea girl because honey, we'll all have to put on our Sam Trump. So we've gotten some more mail. Yeah, we've gotten mail from white ecstasy. We've gotten mail from the U of H students that are on a pickup. Yeah. And we've gotten mail from first cool hive. So let's check out the first letter. Yeah, Beast, we just got a message from somebody who has been listening to us and has just logged on the beast. 1473 says hi, I was listening to you all the way home. Whoa, okay. Y axis he says it depends on who's in charge. My mom says no, my dad says yes. But since my mom is the one who makes all the decisions, which is the typical, yeah, typical way that straight families work. And all the money. She said no. What the hell's he talking about

24:09

about going out tonight?

24:12

Oh, okay. Okay, make your next message more interesting. Okay. Moving right along. We'll show we'll type a message. We'll type a message back to him saying What the hell are you rambling on? About techie? And I will send that back to him and let's check and see what Glen's little boy from Ah, he just sent me a nasty message that I can't read. Okay, the U of H student says no problem. I am tuned into 90.1 now, but that's not the point.

24:53

Did he just hear the wonderful pledge and the pledge drive thing that I did? I mean, yeah.

24:57

Okay, so let's send that I just wants your money. Boy Okay, so let's send him back a message and let me just put him in line right quick. But you have evaded the main point of my male which was hooking you up with my dominant friend with the huge piece what

25:42

is right, you know, Oh,

25:44

I saw a picture

25:47

I was not one of those lucky ones into one. Okay, if you want to see now.

25:52

Pull it out. Pull it out. Glenn here put it on the table. Yeah, there you go. Put it right there. Right there. Okay. Oh, geez. Good, Lord. Okay,

26:02

we have any more mail. So,

26:04

first cool hive has sent back now this is to get the pledges rolling. This is gonna be let me tell you, if you want Glenn, for a \$90 pledge, your kitchen table, your house? Right? There it is. Glenn will be over. So first cool hive, sends back a message and he says, Okay, well call me when you get the time. And I'll give you directions because I'm gonna go pick them out, say, and then he says he's tripping on acid. He knows where to get it. Do I want some? I don't think so. Of course, I don't endorse those kinds of behaviors. Thank you, and would not be interested in the FCC. And neither does the FCC. That's completely legal. But just to illustrate some of the wild characters that are on here, of course, I would never partake in in any of those kinds of activities.

26:53

Oh, excuse me, whiskey strike.

27:01

But it kind of reminds me of that when George Bush was doing that debate with Ross Perot and Clinton. And he said, he said, This drug problem, we've got to clear it up the there's there's marijuana and there's there's cocaine, and just all these drug problems, and it's just like, did he really do that? He really did that. Funny. Okay, so let's send a message back to him. Saying the beast just sent another message that said that we're too wild and he loves the show. Hey, now we're gonna send a message to the beast in a minute because he's a beast. When you check out his bio in just a second why? 14 I need to pin 1473 Remember that? 70 So you know him

27:54

that's easy to remember.

27:56

They're 1473 Stick it in. Okay.

28:02

73 is the BC look like Margaret charter you?

28:06

Listen Hi, yah. Anyway, yes. Okay. Let's get the beasts grease spell it. Spell it. I'm getting it. He says like, I can't hear what you're saying. I know. We're getting ready to read your bio bitch. Okay. 1473 the beast. He's

28:31

in there editing it right now. Trying to make it better. Yeah,

28:33

he's like, trying to fix it. Okay, the beast is a 38 year old bisexual man a cool we so that's half your age. Jimmy. So we're getting closer.

28:43

Thank you. We have bisexuals on the show.

28:46

He's married and playing around.

28:49

What's wrong with that? I'm married. Oh, no, no, no.

28:52

Well, I don't know. One man. One man. He could be married to a woman. I don't know. It doesn't say whether or not but he is bisexual. So it could be it could be a fish. Could you pass the lemon Monica? So anyway? Fish on the air. Blah, blah. Okay, he's 511 230 pounds. He is

black and has a black hair and deep brown eyes. Oh, well, you know what that leads us to? A message and what was the point

♂ 29:27
of that disgusting display gland

♂ 29:33
let's just ask him what size

♂ 29:37
shoe do you wear?

♂ 29:40
Ready? All right. Yeah, let's see what I just did. Oh,

♂ 29:44
a big lad.

♂ 29:49
B very afraid.

♂ 29:53
What the hell is this? Quad What's it what is that quad och tmoq from the Maya Don't go. Oh, that's a Hawaiian guy. Maybe it's somebody else on acid.

♂ 30:04
No, he that's probably Hawaiian. Alright, let's find out. Is it lots of vowels and consonants and like a little apostrophe thing? And yes and like to,

♂ 30:17
of course, Scotty knows about little apostrophe things.

30:21

It's not the biggest in the world, but it's not a little apostrophe there. And he can he move. Is that how you say quoi? De Moog is a 27 year old gay man from the Mayan jungle. Oh, he's single five 725 pounds. He is black with black hair and Betty Davis Eyes. He says he looks pretty good. He has six messages. He's trash. Oh, good. Let's let's talk to him. 70% and I match up 70%

30:54

That's why scary. Wow, you're both trash.

30:57

The Beast wears a size 10 and a half shoe. Oh

31:00

my god.

31:02

The Beast. Okay, so let's sin. Let's ask the beast 1473 Because you wear a big gloves too. Let's ask the beast. Do they believe in

31:20

circumcision

31:25

in the Jones writing a book. I'm taking a survey. Yes. Get over it. Mary if you don't like it, get your own radio show. I have my own. Okay, not sure I was talking to Oh, cool. Oh, do you Moog Hey, okay. So Jimmy, let's find you somebody. Let's see. 5555 year old that's about as close as we're gonna get. I don't think there's anybody else. Living that's your age. The Beast, his youth.

32:03

You're my age bitch in

32:05

the jungle. Why wait, ecstasy says that he likes older men. Oh, we have a message from Kenneth we need to read that. Okay. Hey, this is Kenneth is listening. Yeah, they're just all listening. Everybody's listening. KENNETH just send us a message. And he says that he is listening to the program. And it's a pretty neat setup. Which of course reminds me when Madonna was doing that concert in our movie. Are you gonna be tacky? Yes. Kevin Costner went backstage and he said to her, Your show was really neat. And Madonna had him thrown out. She goes neat. Neat. He called my show neat. Get him out. Throw him out. When she doesn't love to be such a bitch and just to be so big and so powerful that Kevin Costner could just call your show. Neat and irk you. Ordering cameras? All over the place. Just get out? Yeah. Oh, I'm out. Well, that's gonna

33:03

make so let's just Krauser furnitures aren't they? Yes. Okay. Kenneth.

33:09

I forgot to tell him about the pubs. The B says. I forgot to tell him about the pubs. And I don't know what that means. So what am I going to throw you out now? KENNETH you're not here. I can't throw you out. Okay, so Kenneth is an 18 year old bisexual from Willowbrook. Go. Kenneth, do you have a car? Slash P me. Do you have a car? Slash P means that he'll send me a little message that will instantly pop up on my screen. Oh, okay. He's 18 year old bisexual from Willowbrook. KENNETH It's just a phase will be a Fagin a year. Not necessarily teasing. His current status is saying Don't you hate that? That people just think I feel bad for bisexual people? Because, like the gay community tells them Oh, yeah, hey, yeah, we're just saying that because it's more comfortable than a community. Community treats them like they're gay. This fence is pretty

33:59

darn wide and I'm not falling off. Yeah, Jim's by

34:03

his fits is pretty darn wide. So so is the air between you're gonna hold me up? Is that what you're saying? fat joke. So when they're in the air and Well, anyway, don't I'm not gonna go down that road. But I had my turn signal on I'll bet you do you know what you're listening to Miss Scott Lewis and Jimmy Carper. The only man in America older than dirt. Hey on after hours it continuing tradition on KPFT 90.1 Houston, KPFT Houston, 90.1 FM, and 89.1 a

34:42

9.1 89.1. College State College Station, Brian Scott, and I look like twins, except I'm the thin one

...12.

34:52

And I still have my own hair. And I don't have to sell my hair and everyone. Oh, Okay, so

35:06

Canada is we did Canada. I've never done 730 pounds and other black hair deep brown eyes. He says he looks pretty good. He has one message. Now

35:17

wait a minute. I know Kenneth he's been 18 years old for five years now has the hay. Age for a few years too.

35:28

Okay, so I have it on my calendar that you're all kinds of message. Okay, first Cool. Hi. KENNETH says yes. Keep on reading the bio. Okay. KENNETH has one message. And it's called most many times most recently. Today, it made 1228 40 You match up 31%. And that was at all, I guess at some point about matching up 31% He's trying to make but I'm not quite clear on it. Okay. Yes, but he already wrecked it only had it for three weeks.
