**J** Jimmy Carper 00:01

And that was tell me your name that's off of their latest CD called rainbow nation. And we're back with Scott. Scott. Well, what's going on with the hell thing?

**S** Scott Lewis 00:18

And talking with a guy, yes. Who has pulled me into chat mode? What does that mean? What that means is that he, I was in one a chat mode, which I didn't realize that I was. And what that means is if you see somebody and want to chat mode, you can just type their number in and pull them off to the side to where the two of you privately talk. Okay, and it's instant. As he types across the screen, what appears on his screen instantly appears on my screen and vice versa. And so he just typed across the screen. He's all mine, boys. Oh, he has listened to the show. And oh, Dr. Goodhead has just come online. Where did they come up with some of these names? I

**J** Jimmy Carper 01:28

don't know. I want to thank Chris for a generous pledge to after I

**S** Scott Lewis 01:33

really appreciate you know, Chris is the reason not Chris specifically. Yes, Chris, specifically, to an extent Yes. But that person and that type of person is why I come down here. That's why I stay up till three o'clock in the morning. And let me tell you, it's not easy because it I sleep late on Sunday. Oh, me too, honey. And I would be honest, I'd like to get up and go to church on Sunday, or something. You know, and I don't, I can't get up and go to MCC on Sunday morning. Because I'm just so worn out well, right. I've been up till three o'clock in the morning and stuff. And

 Jimmy Carper 02:14

that's the only that's the other unfortunate thing. We probably don't have a lot of listeners that go to MCC er, right.

 Scott Lewis 02:23

But to be able to reach out, I remember, there are a couple of stories that stick in my head about doing this show. And one of them is when I was doing a television show a couple years ago is God knows what I was hosting something. And we ran around and we were talking to kids and we talked to some people at hatch. And we were interviewing a guy one on one. And we asked him about the growing up gay and this and that. And he told us a story of how his first experience with the gay community was when he would lay in his bed on Saturday nights at midnight. And he would put his clock radio under his pillow. And he would lay his head to his pillow. And he would listen to after hours versus at your experience on the radio on the radio with his pillow over it. So that no so he knew that nobody else was hearing that but him. That's why I'm here. Chris is

 03:20

I can I can relate to that I've got a what I'm using now I've got a radio with a speaker earphone what's called a pillow speaker. And last night, I was up doing stuff around and I mean, I had that I had a wire wrapped around my head with this speaker so I would be the only one who listen to it. Yeah, that's probably why I came down here instead of picking up the phone and calling. That's that's to be honest. It's actually strange. I come down here for privacy and look at me. Don't look at me. But how many are in front of a mirror in front of a microphone?

 Jimmy Carper 03:58

Amazing, isn't it? Yeah.

 04:00

If I'm given the chance. One of these days I'll be blown that the hinges off the the closet door and

 Jimmy Carper 04:12

in your own time in my own time you're ready. I mean, and that's the whole light. You know, when we open up the show, we talk about that, you know, we're here for you no matter what if you're in the closet, it doesn't matter. I mean, I've because we know it's a process and it takes a while. I mean I've and you know some kids who live at home. You live at home I mean just you just can't always come out Yeah, I mean

04:37

I'm going in steps gradually. I've I've got a mailbox that to be honest. I call my my game, my game Amash? Sure I am on so many mailing lists. I don't lose half the people who aren't getting getting catalogs and orders from hike went out and got a checking account for that mailbox. Wow. So that and I saw I carry two sets of of of checkbooks I've gotten credit cards that I'm switching over to that mailbox, because so that way I don't have to explain because a lot of my credit cards I share with my my family and like the one time my dad was wondering why in the world my, my check my credit card bill had all these food places there's Bennigan's, and he was trying to figure out what groceries I was buying at the crossroads market. Woohoo. And when I, when I saw that he accidentally opened it, I had this, oh, god, he's gonna be sitting, he's gonna figure out where there's places drive by go. And then I found from one of my brothers that all he was at it was wondering is because there's couple Bennigan's and then here's this crossroads market. So he thought it was just a grocery store, and was wondering why the road I was spending 30 bucks at a grocery store and putting it on a credit card. And that he never asked me,

Jimmy Carper 05:58

sir, and there's a lot of that, you know, all kinds of things like that when you're in the closet, and then that's part of life.

06:06

I mean, he'd start wondering why in the world, there's \$80 bills to Lobo

Scott Lewis 06:11

for one video.

06:15

I am a cheap, cheap person. I mean,

Scott Lewis 06:20

like, you can't be as cheap as me. I go to we deliver, and I rent them. And I copy them and take them back.

06:27

I mean, my parents might ask me more ways than one.

**J** Jimmy Carper 06:33  
Why buy a new video when you can buy one that's been pre? Yeah.

**i** 06:38  
Well, unfortunately, unfortunately, the stuff I liked. They charge 60 bucks a tape for a logo.

**S** Scott Lewis 06:44  
And they got closed down in Dallas for selling it.

**i** 06:46  
Oops. Problem. Probably I see. Everything on there says there. They're old enough. That's right. That's right. It says it is and also says and this was be sold in the United States. But hey, whatever.

**J** Jimmy Carper 07:03  
So how are we doing on this computer thing here? You started scoring and we're we were kind of gradually going to phase out and go to something else. Is LuJack still here?

**S** Scott Lewis 07:18  
I'm gonna wrap this up. I've been a lot of fun. And I encourage anybody to to do it. The the Yes.

**i** 07:32  
First time he's been speechless.

**S** Scott Lewis 07:35  
I encourage it. You can. You can find out from the back of the twit. How to get on with I think it's 840 1048 I think is the number. Can we go to a song and we'll I'll wrap this up and we'll come back and just be crazy.

**J** Jimmy Carper 07:51  
Okay, k.d. lang, doing a duet with Andy Bell. And yeah, you know what it is? I don't have to tell you just sit back and enjoy it. Yeah, that was k.d. lang and Andy Bell together with enough is

enough. And we're going back to Scott. You're on girl?

S

Scott Lewis 08:25

Uh, well, you know, I'm supposed to be done with this by now. But this just keeps getting better. But you're not. Yes, better and better. So what's going on in the gay world girl?

08:37

Well, I'm a little confused because LuJack was here a little earlier. And I thought he was going to do something but he left. So I'm a little confused about that. We've been getting some wonderful pledges and I really appreciate it. We can even take some more at 5265738 We still have those CDs, to give away. With that \$90 pledge on plastic. It's your choice of Romanovsky and Phillips, k.d. lang or Ferran? All you have to do is ask when you call in your pledge of support at 5265738.

G

Glen Holt 09:16

That's right, it is our KPFT fundraising drive right now, a very important thing that we have to do because we are totally listener supported. We are not Warner Cable or Houston lighting and power. We can't keep track of the number of times that you listen to our programs, and we don't charge you every time that you tune us in. So instead, we depend on your honesty and sense of fair play, to pay for what you use. So consider how many hours every week you listen to this weird and kind of banter that we carry on with your and consider us spending a little bit of money, you know, supporting us because we can't do it without you. That's right.

J

Jimmy Carper 09:54

That's right. And we sure appreciate when you call in with those pledges of support because it lets me Management know that you think it's important enough to keep after hours on the air. We've been on the air since September of 1987. When it was first hosted by Buddy Johnston. That's why you're so old. Yeah, yeah. Actually, I didn't come along until March of 1988. So I'm celebrating I don't know. How many is that? Eight years?

G

Glen Holt 10:26

Yeah. Something like that. Eight years. This

J

Jimmy Carper 10:28

march on the Yeah, that's unbelievable. That will be one. Eight years. Gosh,

**G** Glen Holt 10:36  
eight years on the radio? Well,

**J** Jimmy Carper 10:38  
actually, no, the first six months I answered the phones. Okay. And then I became the buddy's co host,

**G** Glen Holt 10:46  
but we've certainly got phones out there. We

**J** Jimmy Carper 10:48  
do answered. We do Matt's here.

**G** Glen Holt 10:52  
Maybe they don't know the telephone number.

**J** Jimmy Carper 10:54  
526-573-8526 KP ft. Yes. So why don't we go?

**G** Glen Holt 11:05  
Let's let me let me jump in and say a word quick because I've been course following the the queue patrol traffic on the radio. Well, pretty good, except we've got a situation where we got somebody fell asleep in their car with the motor running up, which of course is a tempting thing to do, especially if you've maybe had like a few too many. Because the weather's cold, people want to keep the engine running and keep the heat on. Unfortunately, not a good idea because it's not completely unheard of, to have somebody get carbon monoxide poisoning. sitting there in a parked car even though you're outside not the garage. It still does happen. Because the exhaust system may leak whatever in it. It comes into the car and of course the car is all closed up. And guess what? You end up Dr Kevorkian dead. Oops. So please don't do that. It's also not a good idea to freeze to death. But if if you're a little bit too tanked to make it home, just let the people at the bar that you are patronizing know and they will get you a cab.

**J** Jimmy Carper 12:06  
Yes. Now let's switch gears a little bit. Go to some gay cowboy music. How about that Syd Spencer openly gay cowboy. has a great album called out and about again and he's going to tell you about all he can handle Oh yes it Spencer all I can handle and you're hearing it on after

hours square radio with attitude on KPFT Houston and ke O 's College Station Brian. And I don't know about if said Spencer's ever going to come to Houston at that would be great. I'd love to see him. He'd probably probably play at the BRB. But I do know a group that's coming to Houston it's pansy division. And they are going to be here February 22. No, they are not playing at the BRB. They're playing bits. I believe it's Fitzgerald I saw the sign at sound exchange over on Westheimer and tickets are very inexpensive we'll probably be giving some away it'll be after marathon so those of you who pledged to marathon will maybe have an in on getting some free tickets for pansy division and in case you're not familiar with their music here's one of the most requested songs that we get it's called Kiss really want to kiss you Oh, yeah, that was he let's revolt openly gay, heavy metal band doing I like Marines and you're hearing it on after hours career music for you and we'll take your requests at 5265738 as well as your pledges of support and how about a little new Boy George my favorite off of actually I've got a couple of favorites off his new album there's it's really really good hadn't sold that much but boy what a good album. And same thing in reverse. Oh, yeah, Boy George same thing in reverse off of his brand new album cheapness and beauty. Okay, it's not brand new, but it's a damn good album. You're listening to Jimmy and Matt on after hours queer radio with attitude on KPFT Houston and ke O 's College Station and we've got a couple of things to tell you about. Go boy

 15:00

 15:17

I didn't know that. I thought it was on another night. Oh, yeah. I can.

 Jimmy Carper 15:21

You can do roller skating. Yeah, I can do that. So this is gay roller skating. 830 to 1030. And where is it?

 15:29

Yeah, it's right there.

 Jimmy Carper 15:31

16:10

As a matter of fact, free lockers all day Tuesday. If you are age 18 to 22. So what does that mean? Lots of young boys and lots old man. Yeah.

16:35

Are you gonna lie about your age?

Jimmy Carper 16:38

I'll bet they check it. They do your age. Oh, okay. Yeah, that too. And hey, if you're a member, you can get half price on regular regular video rooms on Mondays and Wednesdays that's noon to midnight, or half price lockers on Thursdays and they've got dancers on Tuesdays and Thursdays Excuse me. Dancers concert dancers like with nothing on dancer. Yeah,

17:08

this concept escapes me everybody's rock walking around naked. How do dancers stand out?

Jimmy Carper 17:14

Oh, they stand out. You'll have to go and see just how far they stand out. That's Midtown spa. For men only sorry to say women there is there is no tubs in Houston for women. I don't get it. They have them in I think they haven't been la I know they haven't been New York. What do

you know? What else you got? Go figure.

17:43

Well, I've got this like interesting little flyer here. Ravens lair? It's s&m bd pagers. No, I

Jimmy Carper 17:51

don't think it's a pager.

17:53

Oh no. Okay, that's a pager number. I was looking at this and thinking how strange what do you what is it s&m vibrator do our pager? Excuse me? Oh, jumping out of my though.

Jimmy Carper 18:09

They'll do it and that you can also hear GG normally once a month, the first Saturday of the month right here on after hours. What else you got? Oh, I've got a book here. It was sent to me by the publisher because they face they figured they sent me a free book. I talk about it on the air and I of course I will. It's called campy vampy and trampy it's movie quotes 901 bitchy Barb's wicked wisecracks and lusty lampoon's and it's really kind of It's a clever book to have in your bathroom. You know, while you're sitting there, you know, let's read.

19:19

Are you saying it's a moving experience? It's

Jimmy Carper 19:21

certainly yes. Yes, it's it's just little, you know, one or two liners from different movies. Now. It just happens to be whoever put this together compiled and edited by Steve Stewart. It's his

just happens to be whoever put this together compiled and edited by Steve Stewart. It's his favorite movies and it's one liners and it's some really, you know, there's some really good ones there one of my favorites is from less than the best. And Laney Khazanah is talking to defined and Laney says and Devine says, I've been poor all my life and learning because Dan says you got that wrong, honey, you've been cheap all your life.

21:02

Yeah, anything fundraising?

21:04

Well, yes, we're about we're about fundraiser doubt because it's coming up to three o'clock and coming your way will be the sons. Now the return of the sons of musical chairs with Billy Gilbert and Elmo and Randy. But we still have a few minutes left for after hours. You're queer radio with attitude on KPFT Houston and ke O 's College Station. So we'd like to hear from you with your pledge of support. And we still have those CDs to give away for your \$90 support, pledge of support on plastic. And that is the last two Romanovsky and Philip CDs, the last the latest k.d. lang all you can eat, or the Ferren the new Ferren phantom center. So give us a call request that give us your, your plastic number, and we'll just take care of it. Just take a couple of minutes. And while you're waiting for Billy Gilbert to come your way, my favorite Jimmy Somerville song. In fact, let's start it right now. I will talk over the remake he made of that old supreme saw, someday we'll meet again.

22:29

Just remember when you make that pledge, you're not. You're not just making it for yourself with as you would do with a lot of other programs, but with after hours off, a lot of the listeners that are out there are in a position where they can't make a pledge. That's you know, that's

Jimmy Carper 22:45

right, man.

22:46

They're sitting at home, you know, and they're not out to their parents and not out to their family. And whenever you whenever you pledge your support after hours, what you're really doing is you're helping them have a forum. Yeah.

Jimmy Carper 23:02

Well, we're we've still got those open phone lines and we'll take your pledges of support. But until next week, it's Jimmy and Matt and everybody that you've heard tonight Scott and a whole host of others and keep polluting how the BS saying good night and hang in there. We'll talk to you next week.
