00:02

You know, I think sometimes they're jealous. I mean, I can see my sister going, you're

00:05

going where?

00:07

You're having people over for dinner, you know? Yeah. But I think that one of the big problems was and I will certainly come to it myself was that there's a lot of hetero phobia among gay people. And I think we rule out straight people. I mean, I think some of it is certainly justified because there's a lot of that nasty gay bashing. But I, you know, I think that in a lot of ways that we under estimate our allies. I mean, my sister gets furious about things now that I kind of, I'm no, I no longer get theories, but she calls me up care when he said, column.

00:45

Right? To get a little personal in the last few minutes that we have. I called I called you a little earlier, part of the the the queerest ah, cracy. The royal family royal families have gained them. You've been seen in the company, one of the great leaders of the lesbian and gay movement in the United States. Urvashi BOD, whom Time Magazine is last year listed as one of the most influential Americans under the age of 40. Can you talk a bit about your relationship with her washing?

01:14

Right now? It's long distance? How do you feel listening, please come out here. She is finishing her book. She's madly in rewrite. So she hasn't been able to come out here and enjoy the sunniness of California with me. It's raining right now. But anyway.

01:28

And and for our listeners, your home is in

01:31

town. And we've been together for seven years five in long distance in the last two since she's moved out of Washington, we've been living together. And it's been wonderful to have like somebody have a home base.

01:46

The demands on her boss, she's time must be enormous and trying to grab time to write your performance schedules and you're traveling around the country. How do you manage to maintain a relationship?

01:56

email, email, email, it's embarrassing. Well, we talk a lot to each other on the phone. And we're used to it because we did have a long distance relationship for a number of years. It does not substitute for, you know,

02:11

hugging and cuddling. Yeah,

02:13

but you know, it's we were brand therapy. But we went to therapy. We weren't we weren't in crisis. Isn't that a cool thing? We're so mature. I couldn't believe it. But we keep each other in line. You know, we see each other in the morning.

02:27

What was the dynamics of this relationship? How did this come about? You think?

02:30

Oh, it was one of those conference flings don't know. And it was just love. Love at first sight last? Well, no, it was last I would say pretty much and it grew into love. And it's still lustful. And boy, that's fun. Okay, good. I started tapping. Is she talking about the personal stuff? I miss her so much. Okay.

02:53

Where do things go for a boss? Yeah, at this point,

02:55

I think that she's going to make a million dollars and I will be supported in the manner that I have grown accustomed to No, I she will be out causing trouble in no time. Her book is fabulous. It's a wonderful, wonderful read and a wonderful service, I think the gay and lesbian community and she'll be touring with that. And then oh, I don't know she's got it depends on the day she's got about him. I've never seen anybody with as many ideas as she has, you know, I wake up in the morning. And she's like, well, you could do this. You could do this. We could do this. We could do this. And I'm like, Could I have a cup of coffee? Please, Jer,

03:30

before we save the world? How about you?

03:33

I am continuing to perform, which is just wonderful. And I hope to have a long and illustrious career. And I'm also writing a lot. I mean, I've been writing working on this book, which is it'll be out just just before Fran Liebowitz finishes hers because she takes smoking breaks. So minor we quicker and and I've been working on I've been writing a column for the progressive. I'm so proud of it. And so let's is happening. I'm happy. I'm gay. It's been

04:01

a real pleasure to have you here on this way. Okay. Thanks for joining us. We wish you great success and your new show and in your new book from Los Angeles. This is John boy pray.

04:12

Oh, yes, yes. That is Holly Johnson. Oh, yeah. Who the lead singer for Frankie Goes to Hollywood. Yeah, relax. Yeah, he everybody thought he was kind of dying of AIDS or something. There's a rumor going around about two years ago that he was on his deathbed, pal. Surprise, surprise. He's back with a vengeance. Do it legendary children. All of them queer. Yay. And how many of those people in there did you recognize? And before that, we had that great interview with Kate Clinton. Comedian to the stars.

04:55

Oh, yeah, that was a good yeah. Enjoyed she's she's

04:59

a Fun Fun woman. I've seen her in concert.

05:03

And it was fun. Yeah,

05:04

absolutely.

05:06

Did you do that interview?

05:07

No, no, that was on this way out. That I've saved a lot of sections of this way out when they do interviews like this, because this is really great. In fact that when was it was so it was a three parter. Over three different weeks, and I saved them all and put the tapes together to make one big interview because I thought it was much more interesting to hear it all at once. Five minutes, right,

05:30

right. Oh, yeah. I was just gonna say how do you do that? Because I'm sitting here looking at what basically looks like to me cassette tapes on movie reels. Yes. I'm like, I don't get it.

05:44

Yeah, it comes down on another tape, and then I transfer them.

05:49

Machines helped do that. Yeah. But anyway,

05:52

you're listening to after hours a continuing tradition on KPFT Houston and Krasno College

you're listening to after hours a continuing tradition on KPFT Houston and KEOU College Station, Brian. That's 90.1. D 9.1. respectively? Yes. Yes. And with you we have you have Jimmy and Stacey. Yes. Yes. And we're talking about just about any old thing tonight. But with a focus on whether because they see is a member of fist, which is females in search of trouble,

06:27

or to our close friends. Females in search of tartar sauce.

06:32

Oh, that's funny

06:34

at our color hanging array is

06:37

that you know, what? Do you know what that tells me? That tells you tells me that you have a sense of humor about yourself? Oh, yeah.

06:43

At our color hanging this past year at Pacific Street? Um, somebody's got the wild idea. And it was probably Carolyn. Oh, yeah. Yes. To all the clubs wrote down what they thought FASD would stand for. Oh, it was hilarious. A while back. Oh, yeah. Some of them we can't mention. Day to day rules. And the kids are still up. Yeah. No kidding. Yeah. They're out. Speaking of Carolyn, yeah. And voice did you notice they're in multicolor? Yeah. What's the

07:25

deal here? You know, I'm used to seeing you know, like one color like a green or a blue or red. But there's multi colors.

07:33

From the rumor mill has it this is their first multicolor issue. So they're really getting ready to move out.

07:41

That's great. That is I was I was happy to hear that and see that. Yeah.

 07:45

Yep. The other

 07:46

thing in fact, I've been you know. I don't know I've I kind of liked the look of the the voice here lately.

 07:54

They've done some from what I've heard they've done some what I've noticed

 07:57

I missed the blue pages in the middle. I say that I do miss that. But you know, hey, still have the personal? Yeah, yeah.

 08:05

They still haven't been personal. The other thing I noticed was the MCC, our Metropolitan Community Church, resurrection, is celebrating 20 years this year.

 08:20

This is yeah, this is a big time for them because two things are happening. You're celebrating 20 years and a fact the Reverend Troy Perry who originated MCC is going to be there today. Sunday. Wow. Yes. And secondly, the Reverend John Gill, who's been there for a very, very long time is retiring. Moving to, I believe, St. Petersburg, it's in Florida. Right. I thought you know, when I first heard this, I thought what's, what's this deal from going from Houston to but his parents are there and so it's kind of like a retiring thing and, you know, going home that and he started the bat church. Oh, wow. So it's kind of full circle for him. That's really, that is neat. And we're certainly going to miss him. Oh, yeah. Yeah, he's, he's been great. And

 09:15

now what is the difference between MCC and MCC are?

 09:18

Oh, I think it's the same thing. MCC it's Metropolitan Community Church of the resurrection. Okay, yeah. And if you just say MCC people might get confused that they think you're talking about the Montrose Counseling Center. Okay. Yeah. So that's that could happen. Yeah, though. I know a lot of people in the church just they leave off the are they MCC?

 09:39

Yeah, I grew up in Dallas and got used to MCC Yeah, MCC Dallas, Fort Worth. And then just before I left, we got one in Arlington. So that's why I was asking what's the i Four I don't get it,

 09:52

but it's really exciting. 20 years and that that church is so beautiful. I'm sure it's it's 1919 Decatur. It's in a very very old section of town off of Washington. Okay, and silver right in that area, a block away from that that intersection, right. And it's got this beautiful stained glass. It's all old wood. It's, you know, when it's the kind it's like a like going back in time you you walk down the aisle and it's all creaky because it's all wood. Oh,

 10:26

yeah. With the churches in Mexico are like that. Yes. That's a very beautiful tip. Gorgeous. I would love I would love in the sounds that sounds humorous coming from a Jamba Juice. But I would love to get on a tour of the Catholic churches in your role. Yeah,

 10:48

I've done oh, they're beautiful. I'm jealous. Yeah. Well, during the seven days I lived with well, my landlady was a travel agent, and we went to Europe every year. Oh, how fun. Oh, how fun. So I've seen the churches and yeah, gorgeous from some of the some of the best churches in Europe. And we're in little tiny towns. And women, you know, this church is like, looks. I mean, if you look at this tiny town, and then this church, it's just this huge built at the biggest building around

 11:23

biggest Intel. Yeah.

 11:25

And just gorgeous. Oh, yeah.

 11:28

Every when I'm the many times I've been to Mexico, every little hovel of more than, like 10 buildings, that which they call the town had a church of some sort. Yeah. And it was always one of the nicest buildings there. Yeah, everybody was very proud of it. Oh, yeah. Again, that all goes back to community spirit working together and things like that.

11:50

See if we as a gay and lesbian community, or I have to see queer community, because I GLBT gay, lesbian, bisexual, transgender.

12:01

And it can get long. Yeah.

12:03

If we had a community center, you know, we could do the same thing. Yeah.

12:07

Well, that's what MC sees, from what I know, um, have become almost like community centers.

12:14

You're absolutely right, because you know, like the bisexual group meets their MCC. And it's not that the bisexual group is religious or anything. It's just that the, the church opened its doors and said, Yeah, come on. Meet here. Right. It's

12:28

a common comfortable place to meet. Yeah, yeah.

12:32

Yeah. And that's, I guess, yeah, let's do a plug. It's every Wednesday night at seven. Good. Let's see something else going on. I wanted to there's a lot of things I want to push and talk about. The lowball the gay lesbian and bisexual group at the U of H. Yes, is sponsoring an event on April the 28th noon to midnight, at the UHS campus field on Calhoun Street. It's 12 hours of music fun and games, and it's free. Why now?

13:09

Well, we'll back up There was word in there that I thought I caught and as a jab, I might have put it in there myself, or why did I hear free?

 13:17

Yeah, okay, cool. Free Great. Global presents the perpetual Park Party say that three times without popping your and they're having local groups, including the Ugly Americans. Big mellow horshack Carolyn Wonderland and the Imperial monkey's Snidely Whiplash lock stock and barrel days and Tony Express events. April 28. noon to midnight. You have H campus field on Calhoun Street. I think that's exit number 10.

 13:55

Okay, it's Moore's a couple of more days of this and I will sell my course.

 14:02

Oh, gosh, we got we got Oh,

 14:05

this one. Oh, yeah. Let's see. Is that the Sunday? Yes. Okay. This Sunday, the MSL party, sponsored by the Montrose Counseling Center softball team is doing the imperial court presents down the tubes a night of Burlesque and bad taste. Benefiting Colt 45 Stone Soup fun. That's from sixth to eighth and it's at the gentry this? Yeah.

 14:34

Right. Royal imperial court of the single star putting on something in bad taste and those girls can do

 14:44

the night of Burlesque in bad taste. The other thing that looks like you want to get your car washed,

 14:49

we got the bowl. Oh, that was today. Oh,

 14:51

is that today? Nevermind.

 14:52

I missed it. Oh, well. It was raining anyway. Yeah. And that's speaking at the bowling thing. Oh, yeah. out here because the league starts up this week. The summer yes in fact fun sunday sunday yes the inner loop Sunday night League and that that's that's starting April 23 Six o'clock at Palace lane. No, no, no, no no no. Yeah, Palace lanes that's on Bellaire. Okay, good Bellaire. You're the native note me just hanging out there six o'clock at Palace lanes. That's right inside the loop. It's almost across the street from T's nursery. Okay, if you know where that is. And we'll be starting up the league. You in the late Yeah, I've been following for about four years. It's a lot of fun. Oh, wow. Yeah, that's a next leg on Sunday. Six o'clock tomorrow because it's signed up and then the rest of the time it's at seven. Okay, but there are two other legs. The Monday night men's league is going to start April the 24th 9pm at Palace. And I guess he get there about an hour early. Yeah. So yeah. And the Wednesday night mixers formerly the Thursday night mixers and now it's the Wednesday night mixers meeting at 630 at Palace lanes. Oh, everybody's a palace lanes that makes it convenient now. Oh, no, no, the Monday night Women's League. Okay, already started April 17. Last week, but you know, you don't have to be on the team. Okay, you can you can just kind of show up and like bowl is a substitute.

 16:40

Okay. For this because last time I did it, I had to put it down on the floor and push it with both hands.

 16:46

Oh, no, no, no, no, no, I you know, I I've been bowling for four years. My average is about 130.

 16:54

Okay, if this is anything like golf, that's like bad.

 16:57

Yeah. Okay. I both for the fun of it. Okay.

 17:01

Well, I've noticed the last the last time I did both the more drink the more beer I drink the better. I bah. Yes,

17:08

I do still have the Eric. We just finished up the winter Lake and there were like almost 2627 teams. Oh, am I Yeah, we almost had the whole bowling alley. Oh, wow. It was a lot of fun.

17:22

Oh, come on down. People will get a whole bowling alley. Yeah. Next thing.

17:26

You know, if you don't have a team, come on down. We'll put you on the team.

17:32

Or if you don't know how I'm sure they'll teach. Oh, yeah. But I'm sure first, if you want it, they'll stick a beer in your hand. We had some other things going on today that needed to be mentioned. Okay. Priscilla, Queen of what? benefi named the bearing Care Center at 730. Yes,

17:46

yes. Yes. BRB. Yeah, that's, let's say I have something else on that. Yes. Because that's by the ever fabulous Shelby St. John and Eddie Taylor. Both of them are candidates for Miss and Mr. T gra 1996. So, you'll be seeing a lot of fundraisers by Shelby St. John and Shelby St. John puts on fundraisers just about every weekend. I know that the switchboard has, has benefited from her talents. She's very beautiful and very talented. Must be so that's Sunday at 730. Just about every Sunday at 730. There's a fundraiser going on? Yeah,

18:31

yeah, BRB. They did every week, everybody Yeah, most fundraisers from what I saw either done it. From what I've noticed that venture in or BRB.

18:40

Oh, and mark your calendars here kids because on Friday, May the 12 as soon as I clear my throat, Friday, May the 12 Brian Black and his band will be at the BRB Brian black. Is Clint blacks brother. And what a hunk Hola, yes, he is. Whoa.

19:05

We, he plays.

 19:06  
He plays occasionally at the BRP

 19:09  
does he admit to his sexual preference at this point?

 19:13  
I don't know. Okay, I really don't. Okay.

 19:17  
Just trying to get a start. Why? Yeah. Wow.

 19:22  
That certainly would be the place to start. It's

 19:25  
true. Yeah, that's true. thing I wanted to mention, yeah, was done, Gil of Don Gil productions. Okay. Is going to be one of the grand marshals in the text or the Houston gay pride parade this year. Yes. Congratulations, Mr. Gill.

 19:47  
Time. Yes. And he works hard.

 19:52  
Oh, he does. He does a lot. No, wait. He has another grand marshal that we cannot Oh, Susanna Anderson. Yes. Yes, congratulations Suzanne.

 20:02  
She, to me it she is the highlight of of gay and lesbian voices that's heard it here every Friday night at six o'clock six to eight she she does the speak out, you know she gets on and rants they do hair. What do you think about that Turkey? You know she's, she's great. She's great

20:22

now they're gonna make great grand marshals. I'm looking forward to this. I am looking forward to this one.

20:27

Okay, well, let's go to give you all a breather from our chat. And of course it's another local queer group at wood and como. Yay. Do you know them? Have you ever seen them? But it sounds familiar. They're really great. Yes, Jerry Atwood does all of the electronics. Okay, and Ricky como does all the singing and look at the kinds of stuff they do. I'm doing number eight.

20:53

What is number eight? One more. One more ride on the merry go

20:57

round. This is an old Jane Oliver song. Remember Jane Oliver was a tough she was a big. She's sort of like I guess I can say it this way. She's a low rent Barbra Streisand. Ah, okay. And here lately, she's been playing in a lot of gay clubs, how she kind of found a lover and went off for a while and now she's kind of coming back. Okay. Okay, this is one of the first songs and it's it's really kind of, you know, kind of like kind of loungy type Yeah, Music

21:28

It sounds like a slice of life. I like

21:30

to do all kinds of music we've been doing you know, gay Country and Western and gay punk and, and so at would in Como, if you ever see them advertised anywhere doing shows or some Be sure to stop in and catch their act at would in Como.

22:06

chocolatiers cleaned their horns, chains and locks forged the crusade has begun. Once again flags of Christ are unfurled and the dawn and cries of soul saviors sing apocalyptic on airwaves. Citizens, good citizens all parade into voting goals and in self righteous sanctity X away our right to life. I do not believe at some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask Where will you be when they come? They will not come a mob rolling through the streets but quickly and quietly move into our

homes to remove the evil the queerness that faggotry from their myths. They will not come cold and brown and swastikas are buried and chest heavy with gleaming crosses the time and need for such Rousses are over. They will come in business suits to buy your homes and bring bodies to fill your jobs. They will come in robes to rehabilitate and white coats to subjugate. And where will you be when they come? Where will we all be when they come and they will come? They will come because we are defined as opposite perverse, and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of perversion. Every time we heard I don't mind gays. But why must they be blatant and said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the courtrooms. It was an act of perversion. Every time we let stripes make out in our bars. While we couldn't touch because of the laws. It was an act of perversion. Every time we put on the proper clothes to go to a family wedding and left our lovers at home. It was an act of perversion. Every time we heard who I go to bed with it's my personal choice. It's personal, not political and said nothing. It was an act of subversion. Every time we let straight relatives bury our dead and push our lovers away. It was an act of perversion, and they will come for the perverse and it won't matter if you're a homosexual, not a faggot, lesbian Not a dyke, gay, not queer. It won't matter if you own your own business have a good job or on SSI. It won't matter if you're a black Chicano, Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls, it won't matter if you're a bunch of them not into roles, monogamous, non monogamous. It won't matter if you're Catholic, Baptist, atheists, Jewish or MCC, they will come they will come to the cities and to the land, to your front rooms and in your closets. They will come for the perverts. And where will you be when they come?

 26:20

Music from The documentary Life and Times of Harvey Milk. And behind that was the late great Pat Parker. Poet. And she was from Houston. Wow, lesbian poet, and doing one of two of my favorites that she does. Where will you be when they come? And before that, we played music. What was that?

 26:50

It was the merry go round. Oh, yes. Yes. I called it a slice of life song. And that's what it was it is that within Camaro. Yeah, that was good. One

 26:59

more ride on the merry go round. Yes. Yes. It's one of those really robust.

 27:07

Yeah, yes, it's good to go and type things.

 27:10

So coming up in a little bit. We'll have the QM z the queer music zone, heard just about every week right here on after hours. Queer radio with

27:25

two. Gotta have attitude. You got Jimmy and Stacey tonight. That's right. Speaking of attitude, I did not know that. This lady and I use the term only because she's female is still alive. Everybody remembers way back when Anita Bryant was selling heterosexuality and orange juice. Well, she's doing it again in Florida. What is she doing? I just I grabbed an outsmart tonight while I was bar crawling.

27:59

Ah. The new outsmart the new hour just came out this week. Oh, good. Yeah, it's good. Great magazine.

28:05

I haven't read it no longer thumbed through okay. But it says she says she was summoned by God to a higher mission to lead a crusade in Dade County, Florida, to repeal a new ordinance banning discrimination against homosexuals, to administers to admirers of The Voice of America had wandered off key. She says if God had meant to have homosexuals and needed, declares he would have created Adam and Bruce. But he did. Yeah.

28:43

Oh, my God. Don't make no junk, baby.

28:45

That's right. That's right. Yeah, she

28:47

must be why 87 Now Oh, god.

28:49

Yeah. Oh, yes. She spared him. Yeah, she's scary. That's as far as I got in the article and went as she's at it again, I

28:58

can't believe that people are actually listening to her.

29:02

Well, in a sense, what we do talk about her doesn't help. That's true. Because here we are promoting. Yeah. But again, it has to be out and people have to know about it. You know, that was

29:13

kind of one of the first great nationwide gay boycotts, the orange juice, and at the same time, Coors beer. Yes, I remember those. And it was very, very successful. It showed that people sat up and took notice, because it's like, oh, gosh, well, we can't do what we want here two

29:37

years. That's right. It's just like, the poem said, they're not going to be coming in white sheets and swastik now, they're coming in business suits, and they're coming in robes under the guidance of one church or another. You bet. You bet. And that's all that's all fanatical.

29:58

Yes, that's all for

29:59

now. cause this is not. I don't believe that these attitudes are mainstream. Oh, no, no, no, that's all fringe.

30:08

And the more people get educated, you know, I don't like all the daytime shows, you know, it's just becoming ridiculous. Oh, yeah. But people are realizing that they know gay, lesbian, bisexual transgender people. And, and once once you know about something, it's not so much of a bugaboo when it's right, you know, they try and be mainstream America, Heartland Americans discovering that they, Oh, my god, yeah, I do no gain was me. You know, my cousin or my nephew or my son or my daughter?

30:47

Yep. That's it. And also a lot of them don't care. It doesn't affect their money immediately,

right? It doesn't affect their lives immediately, unless it's an immediate family member, but that's different. And it doesn't directly affect them. So they're in a sense, like, oh, well, okay, fine. They don't care.

31:08

But when you notice, it's no big deal. Right? Once you know,

31:11

once, you know, how do I how have I explained this in the past? Once you know the person doesn't matter what their color is, it doesn't matter what their religion is, doesn't matter what their sexual preference is. You bet. And it doesn't matter what their sex is. What matters is whether you'll have the personalities to get along and whether you like each other. And that's all about people.

31:35

Yeah, that's right. Oh, I did want to say that. I am taking requests for queer music and the queer music sound. Oh, wait. Yeah, so give us a call at 5265738 We've got Stacey number two. In the lobby. Phones tonight.

31:57

We denoted that as Stacey with the eats

31:58

they see with the E Okay. Okay.

32:01

Yeah, Stacy's answering the phone. What else we got here? We

32:04

got all kinds of Oh, yeah, here's something. Oh, another queer group luscious Jackson is coming to town. See, Kate, Schellenberg of luscious Jackson is having a relationship with and I can't remember her name from the breeders. So queerness reigned supreme. Yeah. Anyway, luscious Jackson is coming to town with the Luna chicks is okay group you may not have heard of, but they're coming to the abyss on the seventh of May. Ooh, to the abyss. 5913 Washington Avenue. So get your tickets at Ticketmaster for luscious Jackson and Luna checks which like luscious Jackson and the fact I'll probably play a luscious Jackson song and the QM Z.

33:00

Good and lunatics be sure it's all your buddy. Oh, yeah. The head banging.

33:06

It's amazing these days, you know, just five, four or five years ago. I waited months for for a gay entertainer to come out with a new piece of music and new CD or something. And now it's everywhere. You know that? The queer core? The punk scene, right? Opening up? It's like nobody, nobody is minds coming out of the closet in the queer punk genre, you know, from pansy division on down, right? Again, it's all part of that exhibits. And nowadays, it's like, I don't have enough time to play all the queer music I

33:50

know, to catch all the queer groups.

33:53

I can't afford to buy it all. Oh, I know. It's amazing.

33:57

I'm one of these people that loves to read.

34:00

Oh, that's the other thing.

34:02

I first came out. When I first came out, you had to pick one author, and you just had to wait for her to produce or him to produce something. That's right. And you can only go to one specific store to get it. Which for me living in Arlington, that was way out in Dallas. I'm seeing them in all the major bookstores. They have the gay and lesbian studies or gay and lesbian fiction area and I'm like, Oh, wow.

34:28

It's just amazing. It's amazing. It's almost like you can't avoid it anymore. All bookstores have gay and lesbian sexual.

34:34

Yeah. And it's not just the gay and lesbian studies, the nonfiction, which a lot of people love. I'm I have to deal with nonfiction every day. So my reading is fiction. It's to escape. I can understand that. Yeah. So they're now adding fiction centers areas instead of the study.

34:52

Yes. Yeah. So yeah, you're getting you're getting the study stuff plus, then there's the other section for gay and lesbian literature or fashion? Yes,

35:01

yeah. Wonderful escape artists.

35:04

And it's amazing. It was like, not more than 678 years ago, this town did not have a gay and lesbian bookstore. He's got three and now we've got three. Yeah. And they are do all doing fine. So, either we've got a whole lot more queers down, or they're really reading a whole lot. I think it's that they're really reading a whole lot more be both. It could be because there's been a big explosion of literature. And it's like, every, every major book company now has gay and lesbian literature. Right.

35:42

And also gay and lesbians are walking into the mainstream theater. Mm hmm. There's bar girls

35:48

there. Yes. Yeah. Later on East. Yeah. We've got a little interview about bar girls

35:54

coming up who's on the interview? See,

35:58

I don't know. Forget.

36:01

You know why I'm asking. Oh, yes. Oh, yeah. Let's see. I saw the movie

36:05

bar girls bar girls. This is another piece from this way out. Because they I'm doing two pieces here. They're talking about the The Dinah Shore golf tournament. Yeah, you told me about that earlier. And then they sample audience reaction at the Palm Springs world premiere of bar girls and talk to the film's lead actors, Nancy Alison Wolf. Who plays Loretta Yeah. LISA dragon. Dragons. Denio. Who plays Rachel and Kay

36:38

Camilla gray. Yes, yes. Yes. Plays J R R. Yes. She is such a wonderful southern dialect that she even tips that hat. Oh, I loved it. I loved it. They had to pry me out of mine.

36:52

That'll be that'll be coming up in the two o'clock hour.

36:56

Okay, great. The priest is a mainstream. Yeah. Have you seen that yet? No, I haven't. I want to see that. There was another one just recently released here a while ago. That was yes.

37:11

The some of us. Yes. That was a stage play a couple of years ago. That was one of the first things that Theatre Lab ever did. And it's a very disturbing piece. Because it's not a happy ending. Those are scary. Yes. But it's a real life ending. Okay. And it's like, no, I don't want this guy is so nice. I want good things to happen to this right. But not good things happen to this guy. It's it's more of a real life type thing.

37:42

Do not take the children right. Yeah, right, right. Yeah, let's get a babysitter. What else is coming out in the mainstream? Oh, let's see. Let's see. Let's see.
