That means recognizing who you are standing up for yourself and your rights. And being proud of who you are. We understand that this might not be possible due to age job or frame of mind. But remember, we are here especially for you. So kick back and relax and get ready for this week's edition of after hours. Hello, Houston, and Galveston and the world. And welcome to the December 11 edition of after hours queer radio with attitude. I'm Jimmy Carper, and I'll be your co executive producer for the evening.

C Chris Harrison 02:33

And I'm Chris Harrison.

J Jimmy Carper 02:34

The other one he certainly is. And he's the one pushing the buttons tonight. Although he pushed his buttons every week around here,

Chris Harrison 02:43

you were too busy salivating. And I was when I was I was afraid we get in trouble for shorting out the board. Well, you

Jimmy Carper 02:49

know, it's not often a man in velvet tights, walks in. And leather. Bar makes you nervous anyway,

Chris Harrison 03:02

I thought you were gonna get a transfusion of blood. Yes,

Jimmy Carper 03:04

I know. I know. I know. I'm a bad boy. Anyway, we started the show out with some Hanukkah music. I had to tell Stanley this year when Hanukkah was he never remembers.

Chris Harrison 03:17

I got I got to figure out what it was because I was ever at my parents house on Friday. And my mother and sisters in law had to watch the rerun of all my children who are on the soap net. Yeah. And they took the Oh in soap and they put a dreidel. No. So the whole first time I looked over there I go. They've got a dreidel in the middle of their logo. tacky. Yeah,

Jimmy Carper 03:46

well, and Stanley and I were talking about that he thinks the whole idea of an electric menorah is just horrifying. You know why? It's so easy. You just screw in another light bulb each night. Hey,

Chris Harrison 04:01

you know Stanley Stanley remembers the original Hanukkah story. He was there he was there

Jimmy Carper 04:05

he was. Well, I know that he was there anyway.

C Chris Harrison 04:09
Oh, come on. How many other people can you make age jokes about it? That's

J Jimmy Carper 04:12
true. There's not too many people take the chance when you can. Yeah. Yeah, that's my problems. Yeah, like older men and there's so few around these days, you know.

C Chris Harrison 04:23
Accused crews the funerals. Hey, it

J Jimmy Carper 04:26
works. It works. I went to a great show tonight benefit show for the Colt 40 fives it was their annual Christmas show. And they had oh gosh. Not just the show. They had food or raffle items and, and they were auctioning off Christmas trees that were made by different groups and individuals. I saw the big men's tree it was very, very nice.

C Chris Harrison 04:53
Well, Dominic will be glad to hear that. I unfortunately didn't even get chance over there. Competing socials. Yeah, social Butterfly that I am

J Jimmy Carper 05:01
Judy. And I went it went in and made one. Oh, yes. All in pink. No actually, it wasn't it was one of those fiber optic trees.

C Chris Harrison 05:14
Oh, you went and bought your own? Well, yeah.

J Jimmy Carper 05:16
Oh, well, I didn't know that the Colt 40 fives actually gave you the trees to decorate.

C Chris Harrison 05:23
It looks so funny a bunch of people walking out of Mary's carrying these

J Jimmy Carper 05:27

trees. Yeah. Anyway, there was just an incredible array raised a lot of money the I thought the most incredible one was the one with all the bears. It was like a three by three foot plywood platform. The tree was on one corner of it. And the rest of it was like a mountain of teddy bears higher than the tree

C Chris Harrison 05:55

could Great. Oh, by the way, if you're the person out there who who won the big men's club one Yeah, it's a hat. We didn't know that. Yeah, we like I said unfortunately we had our social the times. Our president dropped and ran. He was planning on wanting to go back there when I told him what starts at 11 o'clock PJs but

J Jimmy Carper 06:15

there was there were trees with feathers there was trees with lights and like I said fiber optics and glitter

C Chris Harrison 06:22

and your whole flock and going on to yes there

J Jimmy Carper 06:25

was there were leather trees and Harley Davidson trees and and there's one odd little tree it was kind of neat though. It's like shoelaces all around it. There's garland and then there were tiny little close pins. And then then little St Andrews crosses, little miniature St Andrews crosses.

C Chris Harrison 06:52

Hanging out it is really clever. Have yourself a meat rat Christmas

J Jimmy Carper 06:55

you got it. You got it. So anyway, to continue that vein because December is the month of fundraisers and always for good causes. Co 45 provide all the money raised by co 40 fives goes to direct aids to people, people with AIDS and people affected with AIDS. They take the total number of people and divide that into money they risk that the whole like charities springs in and they write checks to these people to do with what they want. Now all of these people are on SSI spend you know it's usually one of these Gee do I pay the rent or do I like to buy groceries this month? So

C Chris Harrison 08:45

they can have a nice Christmas dinner they can yes buy a loved one again little a little something

J Jimmy Carper 08:52

you have this is very very important. So even if you cannot stay for the show drop by drop off a check. If I know Don Gill he'll he'll be there who looks they accept MasterCard, Visa American Express just dropped by make the donation to help help out people this Christmas? Ah, let's see. Did you know that the new movie Kinsey is playing at the River Oaks? Yes, I am wanting to see that one because that that man just stood America on its ear in the 1950s. And that's when they first America first found out about homosexuals.

C Chris Harrison 09:38

Well, they must never have before because enough of them said yeah. And check the little box on there that said Well, yes,

J Jimmy Carper 09:43

but it wasn't talked about. That's the point.

C Chris Harrison 09:47

Are they gonna show the part isn't he the wants to the one who you know, they send out postcards to people to man and they're supposed to mark off how far how long they got on the postcard? How was that different sector?

J Jimmy Carper 09:58

No, no, no. There's all kinds tons of different things

C Chris Harrison 10:00

 Chris Harrison 10:00

they I wonder if they're gonna show that soon. Guys check it filling on that that I don't know that filling in that box on the host I'm sorry I don't need a postcard. Some people use the postcard Some people use the stamp some people sent in poster board.

 Jimmy Carper 10:19

Yeah, well, you know, and okay, so that was that. And of course right now over EJ is that's where the Colt 40 fives show is. There are boys onstage taking their clothes off for your entertainment pleasure, but you'd rather to listen to us, wouldn't you? Yes, you would. Okay.

 Chris Harrison 10:41

If that's the case, hey, people here this show would be Hey, you know what to say? If you were to pledge in our last drive, what was it \$450 I'll give you a little radio. You could be listening to the show while watching the dancers. You love it. The best of both worlds.

 Jimmy Carper 11:00

There's another show going on. Christmas drag show extravaganza going on at martinis. That's Jill Jordans show and that will be special guests and former whose Houstonian Houston resident Miss sweet Savage is in town and doors open at 11pm That's 1318 Westheimer. Martinis. Okay, so what do you got? didn't give me any papers. Damn, I got into it all.

 Chris Harrison 12:02

First time for everything. And yeah, I didn't know is

 Jimmy Carper 12:06

it too early to talk about New Year's Eve and people are going to be going everywhere. One of the places you can go is South Beach. They always have the Big East thing going on.

 Chris Harrison 12:18

All the Charles Armstrong clubs are oh, they do

 Jimmy Carper 12:20

they do. But they have JD Arnold who is going to be playing than to be spinning out there for New Year's Eve. Which is really kind of cool.

C Chris Harrison 12:31

And you're actually going to be working New

J Jimmy Carper 12:34

Years Yes. Yes. I'll be right here. I will be right here and you

C Chris Harrison 12:38

don't get the you're not gonna be the on at the time though. No, no, you're gonna be as esoteric that will be dead air so Yeah, cuz we've got we've got Christmas night for this show. And New Year's Day Night New Year's Day Night yes one of these days you know it'd be interesting getting new year's eve Yeah.

J Jimmy Carper 12:57

I don't recall New Year's Eve. Here my well you know, I think that when no there was a time when it was New Year's Eve but we were not on at midnight. Oh, we were still on it before during the four Yeah, that's the original slot the show had it was before my time It certainly was before just about everybody's time up there in the lobby tonight. I noticed the show was older than at least two of the people who were going to be here later on well, are you keep looking over these you're gonna put something in this

C Chris Harrison 13:42

Well, the one I want to play you keep telling me I can't

J Jimmy Carper 13:43

not yet later on please. Just like dirty words in that one. The think there is yeah. Let's start out slow and then you know, kick him in the ass later.

C Chris Harrison 14:01

I guess we need to play something clean and we've got to find a Gay Men's Chorus

J Jimmy Carper 14:09

it doesn't have to be a Gay Men's Chorus.

C Chris Harrison 14:11

I was breaking down and that's gonna play a woman. I mean, my God. I mean, you know for me, I mean Oh my mind. Okay, let's, let's

J Jimmy Carper 14:30

let's see.

C Chris Harrison 14:34

Once again. We'll do that one late. Okay, I know what I know. Hopefully she's usually I hope

J Jimmy Carper 14:38

so. But you know, we need to do well, you know, while he's doing

C Chris Harrison 14:43

it, why don't you tell him what what we heard at the beginning of the show.

J Jimmy Carper 14:47

I thought we did that. Seattle Men's Chorus and it's my grandfather would say which was the spoken word. Part and. And then after that was music of Hanukkah. And after that was do you talk slower No, no, no, no. I have other things to do. The Boston Gay Men's Chorus. Yeah, no, but you can't do him on air freedom merriment and the Gameboy. Watch. Watch me bitch. And we have tickets to give away. Oh, yeah, we do have tickets to give away. Where are they? Yes. Now I know that. Some people want them and we've passed and I've been a lazy ass and haven't sent them out yet, but you will get them these are tickets. And we've got like two pair each for Christmas. And I buy you an evening of holiday spirit with our wet. This is the Eastern pride band, folks. I know. See? They were going to be here tonight. But then But then I got ill. So he's had to cancel everything like tonight. And now I know it really sucks because we had such a good time. When he was here last

C Chris Harrison 15:54

asked what happens when you don't clean your spit valve out?

J Jimmy Carper 15:56

At resurrection MCC or MCC church 2025 West 11th Street, it's very easy to get to from the Montrose you know, you just take any street toward the heights and then turn left on the 11th you know, and just keep going until you hit it hit this fabulous 1950s architecture church on your left hand side.

C Chris Harrison 16:34

Kind of an A frame style chair. Yeah, it's great. It's great.

J Jimmy Carper 16:37

So I've got lots of tickets to give away and I just I'm raring to do it. And I know David is out there waiting to hear from you. At 71352657387135 to 6k P F T, we're gonna give away all the tickets we have tonight, even if it takes all night. So we will be talking about that again. Houston pride band tickets. It's a great show. And they have special guest vocal ease, which is a group from the Gay Men's Chorus of Houston. So, you know, it's it's kind of a little bit of instrumental and some vocal and you're gonna have a good time. I know I went to the last concert and I was blown away. These people are good. So that's Thursday night. December the 16th The number is 71352657385265738. So how about a little music? Okay, I don't see a transgender person anywhere around you know, certainly not there.

C Chris Harrison 17:53

C Chris Harrison 21:19
Yeah. Then we did a couple in honor of the show that been awake

J Jimmy Carper 21:24
for hours. That's three hours sleep last night. I had to take Stanley to the airport today. So he called me early enough to do esoteric adventures last night alone. So we went back to Washington. Stanley is in back in Seattle. And Jamie is out on the prowl until the seventh of January.

C Chris Harrison 21:44
When it comes to sweep you off your feet

J Jimmy Carper 21:47

C Chris Harrison 21:48
And she's beaming and gleaming? Yes, yes.

J Jimmy Carper 21:51
I may be here one weekend in January, by the way.

C Chris Harrison 21:56
The first one well?

J Jimmy Carper 21:59

Yeah, that's about it.

 Chris Harrison 22:02

Okay, in honor of the segment that's normally at this time. Yes. Oops. We played cross dressing for Christmas by Robert Wolf. And God,

 Jimmy Carper 22:14

what a lovely person he is to. There's a picture of him using

 Chris Harrison 22:20

Yeah, if you thought that guy selling the wedding dress on eBay was a scary sight. This one was a beauty pageant. Yeah, that was a beauty pageant. And then vandals playing my first Christmas as a woman. Yeah, I like that one. Queen with Thank God it's Christmas temptress with the Grinch song. Ruth Hall singing I saw daddy kissing Santa Claus. And then we did a double shot of the 12 days of Christmas. So one for the ladies. And that was Venus and V. And then the gogo boys did it for the man with the 12 Gay Days of Christmas. And that was the one with the five big cock rings. Yes, yes. Yes. It was early enough. I could play that one.

 23:07

So nine really tied to

 Jimmy Carper 23:10

one tight guy really tight jeans. Yes. No, no,

 Chris Harrison 23:13

the jeans were tidy. Wasn't tight. Oh,

 23:16

ouch. Three Frenchmen. Yes, jeans are tight. They never are in six body builders.

 Chris Harrison 23:24

We play some more from that one there. We've got played one of the songs last week that wasn't pink highlighted. Oh,

J Jimmy Carper 23:31
and I bet you're sorry. You did?

C Chris Harrison 23:33
No. Well, we didn't honor somebody who didn't show up.

J Jimmy Carper 23:38
Speaking of not showing up. Well, you know,

C Chris Harrison 23:41
no, not here. Okay. Was that there was Travis we played chicken Hawk come into town.

J Jimmy Carper 23:48
Oh, you see he's legal now. Right? Yeah. I didn't have enough time. Yeah. He's not gonna be available for months.

C Chris Harrison 23:59
Yeah, we were a little short on time.

J Jimmy Carper 24:00
I was gonna deal with these glazed eyes, you know, thing going, you know? Something? You got to leave. Okay. Yes, that's a winner. We're doing that roundtable.

C Chris Harrison 24:18
I don't know about three classes. Stacy's

J Jimmy Carper 24:20
here. We've got a couple of folks in the lobby. And Ivan and James will be back and we're going to be talking about what it's like to be gay brothers. Real brothers who are gay? Yeah.

Chris Harrison 24:33

Not the kind of brothers you see in the videos. No, no, no. They really are. Hey, there's some Christian Jordan videos with real twins. Oh, yeah.

Jimmy Carper 24:40

I've seen the Christian bill and stuff.

Chris Harrison 24:42

Yeah, but then you get these other guys where you know they're cousins. And then you know, the then the tweet and then is to brothers and the cousin arrives and then you know, I just don't trust that. Yeah, okay.

Jimmy Carper 24:52

Don't blame you. Don't blame me. Stacy. What have you been up to? Get out

24:59

on my Cutting hair cutting hair

Jimmy Carper 25:03

better than cut and shoot. He's on to it doesn't matter what stay saying. Hey.

Chris Harrison 25:12

Okay, now you're on there.

Jimmy Carper 25:15

So what's been going on that you've been getting letters? Yeah. Like, one week books? Yeah, you're getting more popular than the entire show?

Chris Harrison 25:27

Well, because he writes back, oh, I've only written back twice. I

.. - - - -

J Jimmy Carper 25:31

see. And it's been the same one. Hey, but you know, so how's he doing?

C Chris Harrison 25:39

Good. We're looking at maybe a year or so hopefully. Hi, RJ isn't high early, actually. You know, I have the 110 page bug,

J Jimmy Carper 25:50

you know, this stuff pays off. Last week, when, when I was here, I got a call from Paul who had been who just got out and had had been in for many, many years and listened to the show faithfully. And not only was he really, really an avid listener of after hours, but he was one of those these kinds of guys that, you know, when we talked about letters, he would write, write and say, Yeah, I heard you talking about so and so watch out for this guy, because he plays games, you know, that type of thing. And I always liked that he called he had some problems with a friend of his who's transgendered and trying to get hormones and things. So we got her hooked up with Sarah dipalma. And

C Chris Harrison 26:40

that's what this shows about. Yeah, right. Anyway, so I was mistaken. The first letter I got this week from RJ is 12 pages. On the 12 page from from RJ. We're gonna try and go there. Come on, honey. Go there. Go there. You say that's all the boys. Yeah. Most of them. Well, you know, somebody who got it. Somebody's got to handle the overflow in the city. Oh, Steve. I don't know. I'm sorry. You know, I don't have any better playing phone tag. So okay.

J Jimmy Carper 27:14

I just, you know, I just just seems like a really nice guy. And

C Chris Harrison 27:21

yeah, he has this moment. Oh, we all No, no, no, I mean, like, you know, he's a great he's got some issues, but you know, who doesn't?

J Jimmy Carper 27:32

Exactly that that is the point that people,

C Chris Harrison 27:36

but unpack your baggage slowly, Honey, don't dump it out in the middle of my living room

floor. I've already got the mess. You know, I've already got my own mess to clean. And

J Jimmy Carper 27:45

one of the problems that we have in relationships is that everybody has baggage, and maybe we throw it out on the floor too soon.

C Chris Harrison 27:53

You know? Well, it's weird when it comes as a surprise. And it's not really a surprise, but it's like I'm not ready for this baggage. Oh, let's see what's behind door number one. Door number one was great. Door number two was really good too. However, that joined number three and door number four, we even played it then it was like five and six. That got a little scary. It's what came in the little box on the corner there. I don't know if it came in a box. Probably a baggie, but so he's still seeking some help. And I haven't had time to like, marry it is like, you get sober and every clean in the world that wants to like, latch onto your skirt tails is like, oh, no, no, it's ridiculous. That's

J Jimmy Carper 28:41

got to be tough, especially to stay clean and sober. And now

C Chris Harrison 28:46

it helps let's go in again, just going through it with other people is like it helps hanging around this crew makes me want to start. Well, you know, there have been nights when I have left here thinking I really need a stiff attorney. But and then then I have a letter from Harvey and Harvey hardly sorry. Harley. I do remember getting a letter from you. I do not remember getting a picture from you. So I have to go back through the archive of my letters and find that and he sticks them off on his wall. Among other places. He doesn't use pins, but he sticks them up on this wall. You know, I have them tagged and labeled by release lead. But I found a website why can meet up all I want. Really? Oh yes. If you do a search for Texas prisoner contact info on Google. Yes. The it comes up with all these different little. There are actually some that are written as like personal ads. And then there are some that has just contact information. And some of them have pictures. Yes. Yeah. Not that I would discriminate.

J Jimmy Carper 29:58

No. No You know, they're like the magazine RFD always has a page for for ads on prisoner from prisoners. Yeah. And BBs.

C Chris Harrison 30:12

Actually there's another one that has they've been a while since I've read it that has a

tremendous amount of prisoner contacts looking for it and that's hand jobs.

J Jimmy Carper 30:24
Hey jobs. It's what?

C Chris Harrison 30:27
That it's a mag O. Magazine. Okay what kind of magazine is this? What do you do you buy labor this way if you go to Hollywood, okay, go through the rainbow curtain. Okay, now which Hollywood are we talking about? Alabama deny? The the Hollywood superstore on Fairview

J Jimmy Carper 30:48
yeah the warehouse. Yeah. Big. Big warehouse thing. Yeah. Now that that magazine reborn. Isn't that the one that's like the size of a TV guy? Yeah,

C Chris Harrison 30:56
it's a digest style. And they've got stories and yeah, in the back. They have personal life. Oh, I didn't know. I find it so hard to read with the pages jumping around.

J Jimmy Carper 31:07
Yeah. I like to do it on computer. Yeah, read read them. I mean,

C Chris Harrison 31:13
Oh, definitely. No cybersex for Jimmy.

J Jimmy Carper 31:16
No, absolutely. No, I

C Chris Harrison 31:18
tried. I just tried having normal chat with him one time instant messaging. And he's like, after a while he goes and people have sex this way.

J Jimmy Carper 31:25

I know. It's like, I hate i am's I hate them.

C Chris Harrison 31:29
Are you not a typist?

J Jimmy Carper 31:31
I am a very good typist. It's just that you have to use your fingers and your tongue. No, no, no, no, no,

C Chris Harrison 31:37
he was trying to use two hands on the keyboard.

J Jimmy Carper 31:39
You know, it just takes so long to type it out and then send it and you're then you have

C Chris Harrison 31:46
to learn the lingo. You have to learn that the I am abbreviation lingo thing. Yeah,

J Jimmy Carper 31:51
I know. But then the other person has to read it and then type something and you're, you know, okay.

C Chris Harrison 31:57
Are you still on dial up, honey? No, no, no, no, no, no, no, no, I didn't take that long. But still, please, I have Yes. You aren't DSL, by the way. He needs a webcam and you know the. Okay, well. You've never heard DSL.

J Jimmy Carper 32:15
I've heard lots of things that were DSL but what's your particular one?

C Chris Harrison 32:19
What's your particular one?

Chaining second lips.

- J** Jimmy Carper 32:25
Why thank you. I didn't get these lips from sucking lemons, honey.
- C** Chris Harrison 32:33
As buddy used to say, sucking on something that rhymes with rock. Like a lollipop.
- J** Jimmy Carper 32:41
Yeah, he used to do a lot of that. Yeah. Haven't heard from him in a while. You know,
- C** Chris Harrison 32:46
Mary, where is he right now. And that would be a nice Christmas call in
- J** Jimmy Carper 32:51
San Francisco. He's
- C** Chris Harrison 32:52
there. He's working in the labs have never been this like gay.net
- J** Jimmy Carper 32:56
or something. He works that. I think it's
- C** Chris Harrison 33:00
not working for the San Francisco Police Department. No.
- J** Jimmy Carper 33:03
Didn't even apply. That's such a disappointment. I know. Because he would have been one of their best and Queen of dispatch. Yep. Yep. Yep. I don't know why.

- C** Chris Harrison 33:13
There's a couple of dispatchers that come in the salon and I go, Oh, then you have to know the cleaner dispatch and they're like, Oh, buddy.
- J** Jimmy Carper 33:19
Yeah, exactly. Yeah, yeah.
- C** Chris Harrison 33:24
I don't know. Mary Mary. He
- J** Jimmy Carper 33:26
has a different life now. Boyfriend and boyfriend living in the Castro boyfriend? Yes. Yes. Boy for an elusive. Wow, buddy. Firstly, I have a boyfriend.
- C** Chris Harrison 33:41
I was like monogamy. Somebody seemed twice
- J** Jimmy Carper 33:44
not going to keep him from going to the tubs or to
- C** Chris Harrison 33:48
San Francisco. sex clubs, to San Francisco
- J** Jimmy Carper 33:51
jacks or whatever. Yeah,
- C** Chris Harrison 33:53
but they have some really nice baths. I think I may actually have bows that are there that aren't necessarily for cruising either.
- J** Jimmy Carper 34:02
Well, you know, if you stay on the first floor of club Houston, did you have you seen all the

well, you know, if you stay on the first floor of Club Houston did you have you seen all the equipment they have there? Yeah, it's incredible. Who uses

C Chris Harrison 34:14

it? During the day, it's incredible because it's Heartland fresh out of the box. Exactly. The second year of equipment never been touched. Well, that's kind of like the one time I went I went to Midtown. I saw someone actually lifting weights like

J Jimmy Carper 34:32

oh, we're seeing that a lot over at Midtown.

C Chris Harrison 34:35

Are you new here?

J Jimmy Carper 34:38

No, I have I have I really have.

C Chris Harrison 34:40

Okay, what's a lot.

J Jimmy Carper 34:44

Now I have not been five or six tubs in several years. But I would say eight out of 10 times that I went there somebody would be working out at least one person

C Chris Harrison 34:58

working out I ever saw was the mall walkers doing laps around in the may well

J Jimmy Carper 35:02

then you didn't go the same time so I went. Yeah,

C Chris Harrison 35:06

well what time is geriatric night? Hey I'm sorry, no offense to me. I think we'd both be scared

out of our wits if we if we ran into one there.

J Jimmy Carper 35:18

No. You know, I used to amaze me because I I've always gone to, to the tubs I've always gone to I went to the French Quarter. I wasn't the first one that ever went to it. But honey, I remember you were there the day it opened? Well, not today it opened but certainly the week it opened. I remember members when the floors were claimed. I remember on Sunday mornings when they would have coffee and doughnuts. Were at the French Quarter, the French Quarter. Yeah, wow, hospitality.

C Chris Harrison 35:48

I went in there one day, and I was like, Oh my God, this building's gonna fall down on my head, I have to go.

J Jimmy Carper 35:53

And I saw people I knew that these places all the time, and they would look at me, and they'd have this horrified look, and then I wouldn't see them again at that place. You know, just make a beeline for the door. And it's like, what is the problem? You know, this is an adult play space. We're here. Well,

C Chris Harrison 36:14

people that go usually, like, in my experience aren't out to bust. Anybody else. It's there either. I mean, well, I know.

J Jimmy Carper 36:21

Can you be filled with that much guilt?

C Chris Harrison 36:25

I don't know. It's more shame. It's more shame. Like I've never

J Jimmy Carper 36:28

felt guilty and I never felt shaved.

C Chris Harrison 36:32

There were a few moments where it was like, Oh, I didn't necessarily want to run into you. But there's like a gay Destiny when it ended up working out to my advantage. So of course, you know, totally. Well, you know, it helped like that. I learned about the BAS right as I turned 18 So I was like, I had to pick up a letter. Kana. Oh, yeah. That was like, well, totally. I mean, how many blue haired 13 piercings on the face tattooed? skinny little white boys at 18 We're running around back then. That's true not a lot now clubs Houston's you know. And it looks like hostesses opened up shop. Twinkies with all the cream feeling I see

J Jimmy Carper 37:13
my my mind. Yes. And how hose hose

C Chris Harrison 37:18
and a couple of ding dongs. There might even be a snowball or two

J Jimmy Carper 37:26
you didn't know I wanted to talk about the meat rack. We're, we're just skirting right around this issue. You know, we're talking about sex clubs we're talking about. We're talking about, you know. And, you know, it seems as though from what I have been hearing is that the press has has calmed down a bit.

C Chris Harrison 37:53
Yeah, cuz it's December and they don't need to. It's not sweeps month.

J Jimmy Carper 37:57
Yeah, exactly. That may be yet.

C Chris Harrison 37:59
Well, nobody wants to pick up a holiday sex scandal either.

J Jimmy Carper 38:03
But yeah, but somebody had written in one of the chat lines talking about how one of the news stations had gone inside the club with a hidden camera.

C Chris Harrison 38:16

Oh, no, that's hot.

J Jimmy Carper 38:19

So, uh, you know, I don't know that they they probably didn't have that much on the air.

C Chris Harrison 38:26

But what could they have possibly put? Yeah, no, I mean, unless they were where do you put the camera? That's well, you know, but some people keep their clothing on.

J Jimmy Carper 38:35

Yeah. The meat rack is very different than the tub. Okay. Yeah. Some

C Chris Harrison 38:39

people keep their clothing on there too.

J Jimmy Carper 38:41

Yes, well, not very many. Yeah, I don't trust them. No, no, I wouldn't either.

C Chris Harrison 38:46

Usually the hustlers you know, they're not even gave you a free peek.

J Jimmy Carper 38:50

I have never run across a hustler is in the back.

C Chris Harrison 38:54

I have. Really Oh, yeah. One of my favorites. Actually, two of my favorite three at the same night. No, but there was one who was like working it. Well. There was one who was a porn star. Yeah. Oh, that used to be around years ago. That's actually back out somewhere. He's probably back in jail again. But last time I saw him staggering across the street. But yeah. But no, I mean, like the one time I was there, there was a guy walking around and it was wearing white bikini briefs under his towel. So and he just kept walking around kept readjusting his

- J** Jimmy Carper 39:31
you know, I notice a lot of the black guys wear underwear.
- C** Chris Harrison 39:36
This was this was a muscle muscle man. We're learning something college boy. And you know, Baby please just shy now because he was trying to show off there but you it was just a brief glance, he made a mistake that I was able to see he was wearing something underneath, but he spent the whole time walking around adjusting that towel. So between him and the guy was walking around in a jockstrap was the boy in the jock strap key
- J** Jimmy Carper 40:03
yeah I've just never had a but for jock strap
- C** Chris Harrison 40:08
yeah but that you know they make almost any but look better didn't make any the Wonder strap you know and we're gonna help lift and celebrate
- J** Jimmy Carper 40:14
a little too big and no I don't have one so the straps with just hang
- C** Chris Harrison 40:23
they can implant it now dear
- J** Jimmy Carper 40:24
yeah oh I see not very successfully on softballs Yeah, yeah or they put one big piece in and then it really looks funny because you can see all the edges yeah yeah anyway what does that have to do with the meat rack?
- C** Chris Harrison 40:41
I don't know anyway walking around with cameras and
- J** Jimmy Carper 40:44
things are dying off but the the even the citizens group even though they've been really hostile

and not quite truthful you know they're complaining in the no matter what what gets said to them they complain about something else. And so I don't know how they're gonna go about that but I am it is my fervent hope and the hopes of many of the people on the list that meat rack will open again and if it does, I will be there I've never been before but I will go what what night would you like to go on? So that you know and not go that night? What?

C Chris Harrison 41:29

No, no, I'm just curious. What would be your particular flavor?

J Jimmy Carper 41:32

I have no idea.

C Chris Harrison 41:35

It doesn't matter. He's going to be dust. They have rainmakers when Thursday night they have Red Flags Over Texas.

J Jimmy Carper 41:43

Well that those are a lot of those are private parties. But you

C Chris Harrison 41:46

don't have to be ya know,

J Jimmy Carper 41:48

you can get in on the go. Have fun night for for positive guys.

C Chris Harrison 41:53

There's supposed to be actually a big event coming here next month. Oh, the Golden Bears. out of Dallas. We're going to be hosting an event here in Houston. Is that bears who were in the water sports? Oh, and they were supposed to supposed to come down here for an event. So they were gonna host Well, some of the activity was gonna be there. Some of the other heavy was going to be at the ripcord Go figure. Oh, I

J Jimmy Carper 42:25

remember seeing something about that. Yeah, I got an invitation actually.

C Chris Harrison 42:31
Are you golden? Are you a bear?

J Jimmy Carper 42:36
I think it was sent out to you know, like, different list

C Chris Harrison 42:40
of different groups. They're trying to see if I still got that. Email.

J Jimmy Carper 42:47
Oh, here's the thing about the the the undercover thing. Yeah, complete with hidden cam.

C Chris Harrison 42:58
So what did they show? Did anybody see this? He doesn't

J Jimmy Carper 43:01
say what they showed. It got to the news. And the report was done, which they did illegal undercover. Undercover videotapes. And I honestly think he should sue for that the owner, along with the neighborhood association for her harrassment. But the guy who wrote in didn't say what they put on that particular station.

C Chris Harrison 43:22
Yeah, they may have just said, you know, we went in with undercover. They may not even have it. You know, to be honest with you, if the thing about, you know, not have about recording in their undercover. That's a bit of a cop out. You know, it's kind of like when the one news station went and showed how easily they could walk into any elementary or junior high school and have lunch with anybody's kid. Yeah. And they went in with hidden cameras and the one school districts the first reaction was, you're not allowed to videotape bring a camera into school. It's like, you know, we're showing that we walked in and we sat down with someone else's kid, and I ate lunch with them. And you're worried about me videotaping something? That's that's kind of a kind of a cop out. I really, I mean, on?

J Jimmy Carper 44:12

Well, we're, we're led to believe that they that the owners of the meat rack are still working on it, and they are looking forward to reopening. And that

C

Chris Harrison 44:22

so it's not even in its old space anymore.

J

Jimmy Carper 44:24

No, no, that space has been closed even though it has been closed for quite a while. And then Evidently, the neighborhood group didn't realize that and made complaints about the property. It's like hey, you know, it's it's fenced off. It's chained. It's

C

Chris Harrison 44:43

part of it. See that was going to remain open from from the reports until they move to the new space, adventure, the old venture in space, but due to certain threats and comments that were made for safety and security reasons, they shut down on early. So, you know, during that time where they could have continued to, to make a little bit of money and all that they had to shut down right beforehand, because of

J

Jimmy Carper 45:11

now it's a possibility that they may move somewhere else. Yeah. But it's not going to be because of the landlord, the landlord, who owns the space of the old venture and watched him there.

C

Chris Harrison 45:24

He was on there and he's even getting harassed now. Yeah, the the watch. Yeah, the watch shop that the cops showed up there a couple of days ago. Yeah. Interested, the landlord had a visit from the city, to checking all of his permits and stuff, which is something they usually don't do unless they have a complaint. But then again, the cops were also hitting a couple of other spots. You know, something

J

Jimmy Carper 45:51

interesting is the landlord had a visit from the city recently to check his permits in things. And they almost never do that without a complaint. And it was noticed the other day that the main street improv had a red tag from the city because they didn't have an occupancy permit. That building is owned by someone else. It looks like this neighborhood group is trying to cover their asses and harrassing everyone on the block to divert attention from the anti anti gay thing, but I think we all know the truth.

 Chris Harrison 46:28
You know you can save a tree.

 Jimmy Carper 46:31
Yes, well yes, but

 Chris Harrison 46:34
save save Stanley the cost of buying you more toner.

 Jimmy Carper 46:39
My hair is naturally Gray. Thank you. I don't use toner on it. That went right over her head in it though. I got it. Thank you anyway, it's blue. There's a lot of of controversy surrounding the whole situation. And I hope it's over with soon as the internet controversy

 Chris Harrison 47:08
walking in the door. Yeah,

 Jimmy Carper 47:10
that's Robert now and I'm just hoping that it just goes over and we can get on with it.

 Chris Harrison 47:19
And get on with what a blow okay, we see two Freudian slips that sign here. We hope it all blows over so we can get on with it.

 47:28
Those were your words.

 Chris Harrison 47:32
I'm pretty sure your friend from the French Quarter will be writing about that.

J Jimmy Carper 47:38
I'm sure he will. Anyway.

C Chris Harrison 47:40
Yeah, I loved reading all the stories in that group. They're about you and your old days on the French Quarter floor.

J Jimmy Carper 47:46
What did I miss something?

C Chris Harrison 47:49
Oh, your discussion read on discussing of baskets and the French Quarter and your trip down memory lane?

J Jimmy Carper 47:59
Yeah. I'm proud of it.

C Chris Harrison 48:02
I need to see better. She better be taping this and an emery is gonna go one day. Soon. I do miss that one.

J Jimmy Carper 48:12
Gosh, if we even have tickets recently.

C Chris Harrison 48:15
I don't think anyone's call the phone calls requesting those ticked. Oh, really? Well call. Did I delete that? There

J Jimmy Carper 48:21
was one. There was one good thing. It's about time for Dean Becker to Colin.

Chris Harrison 48:24

Hi, Dean. Yes. Hey, why don't we just have a clean sweep and let's go for the hat trick. Dean. Don't even bother calling in with no one call. No one shows up. Oh.

Jimmy Carper 48:34

Oh. I saved up. Yeah, thank you. Yeah, you

Chris Harrison 48:40

can't pick up your mail. Well, you know, okay, we can't read that story. On the meat rack. Why come on? Is it too dingy? No.

Jimmy Carper 48:50

What do you mean by that? No, there

48:52

was a

Chris Harrison 48:55

covered in feed feel. Just the language of trying to find that one. That dictionary story that was on there.

Jimmy Carper 49:04

The dictionary story?

Chris Harrison 49:06

You've probably printed it off. Yes, I have. It was it was an interesting point that somebody had made on

Jimmy Carper 49:12

Scott, did you also put it on? Oh no. This is the story about the guy from the University of Texas. Oh, yeah.

C Chris Harrison 49:19
No. What guy from the University of Texas. I'm sorry, I'll say that. I don't understand a word of that one. A couple a couple of Scott's postings. Yeah. I kind of got lost in the middle. I'll be honest with okay. Now that one of he that he did have the dictionary posting somebody wrote in 18th century or 19th century dictionary it

J Jimmy Carper 49:52
was okay Scott call in 713526538. If you call us about the dictionary thing. Oh Oh Where was it? What whatever's going on so that is either Dean Becker on the line or we'll see

C Chris Harrison 50:13
as I find it first and we hang out

J Jimmy Carper 50:14
I'm just I just want to see a Houston business continue in business because a lot of people really liked the place a lot I've been reading on the web on the on the list how so many of them feel they have no other place to go now because they made it their their their only source for sexual outlet. So

C Chris Harrison 50:42
getting computer is here. Okay, Jamie wanna push the magic button? de rigueur? Good

D Dean Becker 50:54
evening. Good evening. How's everybody lovely? How

J Jimmy Carper 50:56
are you doing? D

D Dean Becker 50:57
I'm, well, I'm well, I have to admit, once again, I'm away from my computer. And I'm a little thin on news. But a couple of things. I do want to relay this fine evening. But my main concern, I'd like folks to know that we're having a normal fundraiser national organization for the Reform of Marijuana Laws. That's no RML. Indeed it is. And it's tomorrow evening. Wow. It's early. It's a kind of a get together, but we will have some great music. We're going to have guys Schwartz and the new jack hippies, op Hendricks and Tom the folk singer. He's a local guy and does

some pretty neat folk stuff. And there's going to be speakers are going to be prizes giveaways, and we're going to have some discussions on how we can all band together how we can focus our efforts next year and and bring marijuana law to the state of Texas. In that regard, my guest for this coming week, Dr. Richard Evans, he's head of the Texas Cancer Center here in Houston. And he will be speaking to our Texas legislature this coming session, that on that same regard to try to talk about, you know, putting American medical marijuana law on the books for the state of Texas. I think you've probably heard or we've talked about, we've talked about the fact that the Texas Medical Association has now come out in favor of medical marijuana, the ability of patients and doctors to discuss it, so forth. We'll have another guest. His name is Frank Smith. He's 80 years old. He's the oldest reformer I know. And he will we're going to talk about the changes he's seen over the years in particular in regards to marijuana. And we're also going to talk about the fact that a week from today, December 17, makes 90 years of drug war for the United States. That's the anniversary of the Harrison narcotics act. And it's important that we realize how much
