C

Let's go with the international news.

P

Peter 22:12

The international news is first now this is from the Saturday Free Press in Winnipeg while the boat cruise through the Alaskan passage. You know Connie loves to cruise through passages- I'm not gonna say anymore but-.

S

Speaker 1 22:25

Thank you.

J

Jimmy Carper 22:26

Yes you will-.

P

Peter 22:27

Yes I will. The man- there's this gigantic pictures I'm looking at of a manitoban and bovine that may lose that love and feeling is winter cold has taken a bite out of the local bowl sperm count now we're looking at- Jimmy look at this.

C

Connie 22:45

It's huge.

P

Peter 22:47

Look at that gigantic gigantic bowl thing and the quote I cannot believe they print these newspapers- God let's all go to Canada. Frosty bull testicles threatened local stocks. I thought I was gonna have a miscarriage and I read this. The coldest winter in 100 years as Manitoba

cattle industry worried about the breeding stock for years to come. Baby while Jack Frost was nipping at most people's noses-.

C Connie 23:17

I always knew Jack Ross was gay. Oh I don't-.

P Peter 23:21

Get the wrong thing if he's nipping at somebody's nose. The provincial Agriculture Department is concerned it has also caused some damage over the little over the little lower on the Manitoba boa population. snowbound scrotum have resulted in some frozen testes that could result in the production problems for the Manitoba and cattle producers this summer- now baby I need to tell you what else thank God we live down here in this lovely I wish this show went up to that warm northern lamp because child I mean we are sitting down here in AD and none of us have no scrotum problems and I'm not going to freeze my testes anyway but they're all worried about the future cattle and they're this veterinarian is telling these people in this article that goes on for forever about how to go out and make sure your bulls are gonna be ready for some girls in the springtime is going to be low sperm count and knowing I'm no more worried about if it's gonna take my beef away I'm threatening-.

C Connie 24:16

It gives new meaning to that word snowball mean what's really going on up there.

P Peter 24:23

Connie you were there to Alaskan passage?

C Connie 24:25

It was cold.

P Peter 24:26

Was it?

C Connie 24:27

Which is-.

P

Peter 24:30

Did you get weather alerts?

C

Connie 24:32

Absolutely.

P

Peter 24:33

You did? With those bodacious thought that's just standing there screaming.

C

Connie 24:38

They were well attended to thank you.

P

Peter 24:40

Really? You took that woman on that boat again?

C

Connie 24:43

Absolutely.

P

Peter 24:44

Child, they know you're doing that.

C

Connie 24:47

Well.

P

Peter 24:47

You can still do those aerobic exercises and be Miss Thing running all over that boat doing wonderful things.

C

Connie 24:52

Well, well, we were working out in the cabin.

P Peter 24:54

Were we? Is that like- I think there were a few problems on that cruise. Okay, we have some other funny things now you know we've done wild things on this radio station but we have never done this. A radio station just got themselves into a world of stuff to do do honey and here it comes. This is from Albany, New York from AB press. The ugliest bride Sue's radio station. I mean, I can't believe it these people did. A woman who was selected in the WPYXS ugliest bride contest is suing the radio station for \$300,000.

C Connie 25:38

What did they do?

P Peter 25:40

Connie, darling? You know what they did they, as part of the contest two radio hosts look through the newspaper wedding announcements and selected the bride. they deemed the ugly.

C Connie 25:51

No, they didn't.

P Peter 25:52

They did girl they did. And the caller's one by guessing which photo was chosen. Now wait, we know we've all done this. Have you ever looked in that Sunday section and said oh, god-.

C Connie 26:09

Oh god. How did she ever get a man?

P Peter 26:12

-Meet her husband? I'll take her to Lala honey I can do- Oh, and we've all looked at Sunday's section went. Oh-.

K Kirk Keevert 26:20

Don't do it over the airwaves.

P

Peter 26:21

Well, they did. And these two fools got on the air. And I mean, I've said words on the air but I've never done anything like this. Got this thing going. John has filed a lawsuit.

C

Connie 26:33

Now we have pushed the envelope of good taste, but we just can't condone this kind of thing.

P

Peter 26:38

Oh, I don't know.

C

Connie 26:42

Because there are some ugly.

P

Peter 26:46

Oh, honey, let's get that Sunday thing and found those photos and we may do this. In a lawsuit by last month.

J

Jimmy Carper 26:54

I think she's straight because she'd never get a girlfriend right.

P

Peter 26:57

This poor lady they named her by Miss Annette Esposito Hildur of Schenectady accused WPX intentionally of inflicting emotional distress. Anyway, after they did this, and they they named the woman on the air and did all that. Now the real kicker is now you know why this happened. She works for another competing radio show. After big bucks, girl.

C

Connie 27:23

Drama, drama. Now if somebody called me out as ugly over the radio, I don't think I will go and get it in all the newspapers and have my name printed and ooh, she's just creating more mayhem for herself.

P

Peter 27:37

But she's back-.

Connie 27:38

Get a paper bag and call it a day.

Peter 27:41

I'll tell you what, we have some other stuff here. While Connie Lingus was on this Alaskan voyage. They went through Portland, Oregon-

C

Connie 27:51

Beautiful city.

Peter 27:52

A beautiful city. They went to Portland, Oregon, and they did this little thing. They're up there in Portland, Oregon, and I couldn't believe this. I mean, Oh, honey, I just can't believe it. The title of this article is called breast checkups. Join auto tuneups-.

C

Connie 28:10

What's really going on?

P

Peter 28:13

In Portland a better place known for lubes and oil changes offering free mammograms. You can tune up your body while you're having your car tuned up says Chris Baudisch who station in Lake Oswego plans to offer the tests.

C

Connie 28:31

Now is the same guy who's like working on your car gonna examine your breasts for you. A Grease Monkey guy gonna feel like your breasts?

Peter 28:39

Is he gonna clean his fingernails first?

C

Connie 28:42

I thank you what's going on? I know those HMOs as a new thing but my goodness.

P Peter 28:47

This has taken HMOs to an all time low-.

C Connie 28:50

Really?

P Peter 28:50

Now if Bill Clinton is listening tonight please when you redo this Medicare Medicaid health insurance thing please don't make me drive my car into in this is a Chevron gas station which I hate to tell you but it is into a gas station and oil and lube then well somebody say, listen, buddy, I'm gonna plug this thing into your exhaust tube now could you turn your head and cough twice?

C Connie 29:15

Gonna fill up and a feel up at the same time.

P Peter 29:19

Connie, I couldn't have said that better myself. I fill up and fill up while you stand there and do your thing. I tell you now I was thinking maybe that Chevron station over there in the corner of Montrose and Alabama would be a good place to start.

C Connie 29:35

Absolutely.

P Peter 29:36

Oh my God is there just no in we have more news clippings. We have a couple of things that are just going to knock your socks off. I mean to tell you we have some stuff that is going to just wipe you out. In fact, our comedy man we're going to give him all this stuff and I'll lay you money when he reads a couple of these articles. He is going to be able to do a show with just these articles. I mean, there's some hot stuff here like anybody, like I said, you know?

C Connie 30:03

Absolutely.

P Peter 30:04

When you hook you know my exhaust muffler up and then when I feel I said oh no cough twice? I don't think so. So it is to fun. So we have in our studio our first celebrity has arrived. Hey, hey.

J Jason Stuart 30:18

Hi, how are you? Thanks for having me on.

P Peter 30:20

Hey, we couldn't be happier.

J Jason Stuart 30:22

I can't believe how radio is. And I'm actually here.

P Peter 30:25

Just alive and well.

J Jason Stuart 30:28

Yes, I am. I'm alive. Mom. I'm in Houston. I just finished two shows tonight. We had like this weekend we had four sold out shows at the last stop and we have still some I'm I do I know who I am and everything.

P Peter 30:40

Jason Stewart.

J Jason Stuart 30:42

Openly gay stand up comic I've been. This is probably my fourth time doing my being here during my out show. I've been working in Austin for like 10 years doing stand up. And I would love more gay people to come more and more and more.

J Jimmy Carper 30:59

What seemed to be the best kept secret?

J Jason Stuart 31:03

Well, I think just the press was a little slow about getting to us for some reason. Yeah, we tried.

P Peter 31:09

Really?

J Jason Stuart 31:09

Told them.

P Peter 31:10

I saw your picture. In some publications somewhere.

J Jason Stuart 31:14

Then why did you come to the show for guys?

P Peter 31:18

I have been working my nipples off getting this show together.

J Jason Stuart 31:20

I don't care. You have to show you can come to support you what are your brothers? For God's sakes.

C Connie 31:24

Read Jason, read.

P Peter 31:26

Why don't you give me a ticket and I'll come.

J Jason Stuart 31:28

Oh, only once he doesn't want to pay to come in wants to come for free.

P Peter 31:32

I'm a celebrity to these two people. No, you know what? I? Well, I have this major thing that I do. And I've been really up and I'll tell you what I do after the show and then you will understand exactly why. But I have pushed some people your way. Literally serious because you're right around the corner from me.

J Jason Stuart 31:48

Oh, right around the corner you still couldn't come. I don't even want to talk about it anymore.

P Peter 31:54

Now listen, Connie.

J Jason Stuart 31:55

I just don't want to talk about it.

C Connie 31:57

Don't bring me into this argument.

J Jason Stuart 31:59

Now, Connie, who are you honey?

C Connie 32:01

Well, I think it's all in the name Connie Lingus-.

J Jason Stuart 32:04

Well tell me about yourself. I don't know about you guys.

C Connie 32:06

Well, what do you want to know?

J Jason Stuart 32:07

Anything you want to tell me what do I need to know? Your Connie and who's the other guy?

P Peter 32:11

It's Peter and Connie Lingus show.

J Jason Stuart 32:13

Peter and Connie Lingus.

P Peter 32:15

Yes, it's a take off on Regis and Kathie Lee.

J Jason Stuart 32:17

Its Regis and Kathie Lee. How frightening do you talk about some pathetic child?

P Peter 32:21

Yeah. Well, Connie has gotten out of running those portable midgets down in Mexico through the mills and now she's you know, back on a good ship Lollipop doing aerobics with her bodacious tatas and trying to work off those pounders from around her hip.

C Connie 32:35

Oh, right, girl. Give back.

P Peter 32:38

Anyway, and so when she comes in from port from these good ship, Lollipop, we come and do the show.

J Jason Stuart 32:44

You work on a ship, Connie.

P Peter 32:46

Yes. You know, Connie, Lingus does that Carousel cruise line.

J Jason Stuart 32:49

Oh, I didn't know that.

P Peter 32:50

You know, Kathie Lee does that well, Connie Lingus is-.

J Jason Stuart 32:53

Does the lather and cruise line?

P Peter 32:54

Yeah, so as being cruise line, you know.

J Jason Stuart 32:56

C Connie 32:57

Something like that.

P Peter 32:58

Something like that. Yeah.

J Jason Stuart 32:59

Oh, really?

P Peter 33:00

Want to see the big tongue she got in the mail.

J Jason Stuart 33:02

P Peter 33:04

J Jason Stuart 33:10

C Connie 33:22

Cool.

J Jason Stuart 33:22

Really? We take calls here?

P Peter 33:24

Yeah. And I'll tell you what, we will trade the giveaway that we were giving. We asked a question like what did the Pilgrims bring to the first Thanksgiving dinner? And instead of giving away a safe sex kit from AFH we will give two tickets-.

J Jason Stuart 33:40

Right I have 10 sets of tickets to get out tonight but maybe 10 sets-.

J Jimmy Carper 39:43

Look we don't want to talk about it

Kirk Keevert 40:26

Connie 40:27

We hope it comes from-.

Peter 40:29

When he was asked me questions-.

Jason Stuart 40:30

Here's what I want to here's what I want to know. Here's what I want to know. It's my turn. Okay, this is a cute little boy that came to the show. Yeah, Mikey before they came to the show except you kept flirting with the guy on the front row was just horrible. Jealous. How do you know that? Already knows my show.

Peter 40:48

She's a lesbian. She knows everything.

Jason Stuart 40:50

Have you seen me on something?

 Connie 40:52

I haven't.

 Jason Stuart 40:52

How do you know the jealous thing? She was just asking me if I was jealous because you didn't?

 Connie 40:56

Because-.

 Jason Stuart 40:56

Oh, that's my thing. It's that's my that's my my trademark.

 Connie 41:00

Yeah. Oh, is it?

 Jason Stuart 41:02

I'm not jealous. I have a lot of little tag lines that have happened in my show. Like jealous. And now it's we have the power. And before that it was let's just move on. And I will do things people come to the show. But the jealous thing has stuck with me go ahead ask the question.

 Kirk Keevert 41:16

So listen, so you So you started as as a straight comic basic.

 Jason Stuart 41:21

Well, I started 13 years ago in May of 93.

 Kirk Keevert 41:25

Oh my god, you were 12-.

J Jason Stuart 41:27

Yeah, I was no I was I was in my 20s and I started 13 years ago. And I you know, was not out in my life. So I was certainly not out of my act. It was it was the probably one of the scariest things to do as a gay person is to stand on stage and try to be funny to basically straight people. Because there were no gay audiences then right? Anyway, anywhere. And it was really sort of how I knew that if I started comedy the back of my mind that people would know that I was gay.

C Connie 41:56

How would they know?

J Jason Stuart 41:58

Well, because I think your sense of humor comes from your pain.

K Kirk Keevert 42:01

Exactly.

J Jason Stuart 42:01

And who you are comes out that way.

K Kirk Keevert 42:04

And you could say and you could you felt comfortable saying you were Jewish, but-.

J Jason Stuart 42:08

I would never say I was gay. You know rather you drag me on Ventura Boulevard naked having sex with Rock Hudson.

K Kirk Keevert 42:14

You would rather be dragged, naked having sex with-.

P Peter 42:17

Yeah, by just saying that was rock. Already dead?

K Kirk Keevert 42:19

Well, there was 83 was still-.

P Peter 42:21

Wow. Well, that's what he was saying. Oh, no, we didn't know that. We didn't.

K Kirk Keevert 42:27

Lady Ford. Doing that-. You made it onto Star Search.

J Jason Stuart 42:31

Oh, no. I was on Star Search before I was on Star Search in 19-. Oh, yeah. No, I was in Star Search. The Jason Stewart story in terms of comedy. I was on Star Search. The first talk show I ever did was in 1983. I did the Merv Griffin Show the last year was on-.

K Kirk Keevert 42:43

Really?

J Jason Stuart 42:44

Yes. And I got on Peters even interested in this. Diet Coke now for this garbage. It was on The Merv Griffin Show. That was the first talk show I ever did. And the reason I got on that talk was because I was known amongst you know, your defensive driving stuff here that you have in a comedy driving school. I started that in Los Angeles.

C Connie 43:03

Wow.

J Jason Stuart 43:04

I was the first comedian to teach people how to drive.

C Connie 43:06

Were you funny, because some of those guys they're just not.

J Jason Stuart 43:09

Honey, I've always been funny. What do you think?

C Connie 43:13

All right. I'm sorry.

J Jason Stuart 43:15

Miss. Cunnilingus?

K Kirk Keevert 43:18

You just did.

J Jason Stuart 43:19

Can you say it?

K Kirk Keevert 43:20

It's after 12?

J Jason Stuart 43:21

Okay.

K Kirk Keevert 43:21

You didn't say dick if you want to-. Can you. I just-.

C Connie 43:24

But please don't.

K Kirk Keevert 43:25

Jimmy hates that. But he's not in here.

 Connie 43:29

So how-.

 Jason Stuart 43:31

I did Star Search in 1986.

 Connie 43:33

A lot of gay comics have gone through there, you know Rosie?

 Jason Stuart 43:35

Rosie O'Donnell. Is she gay? I didn't know. She's never announced that she's been outed though in the tabloids.

 Connie 43:41

Right.

 Jason Stuart 43:42

But I mean, she's known as gay. But she did say she did come from Lebanon. Right.

 Connie 43:46

So gaydar was like-.

 Jason Stuart 43:48

I sent her a note.

 Connie 43:49

Did you-?

 Jason Stuart 43:50

When she did it, yeah, I know her from years and years ago.

C Connie 43:52

Well, that's cool.

J Jason Stuart 43:53

We used to work together, the [INAUDIBLE] is occasionally. And we used to go to the movies all the time together. Oh, cool, and not on purpose. Now that we've run into it. Well, I remember it was 1990. And I was in the universal theater. There's a theater in Los Angeles called the Universal. It's a Universal lot. There's a big movie theater. And we were both in line to go see Madonna's film Blonde with a [INAUDIBLE]. And this is before she did a league of their own. It was 1990. And, you know, we were both excited to see Madonna's movie and she said, Well, why don't you sit with me we both get together and we just started chatting. We-.

C Connie 44:26

Fabulous.

J Jason Stuart 44:26

So we there's been a couple of times that that happened.

K Kirk Keevert 44:30

Did you ever did you ever do her do her show?

J Jason Stuart 44:32

No. Spotlight I've sent her. Oh no, I never didn't, No, no reason ever did.

K Kirk Keevert 44:36

So So you want a couple of times on Star Search?

J Jason Stuart 44:40

Yeah, cause 1986 I lost to Martin Lawrence finally. And I stepped my foot and I walked off the first person and the last person in history to ever step my foot and walk on Star Search. Lawrence, you know his career. He's got movies and television and our careers have gone

parallel. I wish I wish you're a black heterosexual man right now.

K Kirk Keevert 45:05

Yeah, he's doing movies, television and you're doing like not gay radio. In Houston.

J Jason Stuart 45:12

No, I'm doing some movies but not as big parts as him.

K Kirk Keevert 45:15

That's right you you've got a part in the upcoming vacation film.

J Jason Stuart 45:19

I've got a part in the film called National Lampoon's Vegas vacation with Chevy Chase and Randy Quaid and Beverly D'Angelo I just did that. She has large breasts. Sherry, is I believe, is underrated. I didn't work with her, but I know her socially. We have a lot of leeches. I've met each other several times. Randy Quaid I've met you know.

C Connie 45:40

You know, he's from Houston, brother.

K Kirk Keevert 45:42

Oh, yeah. Dennis. Oh, so what?

C Connie 45:44

I thought I'd throw a little something in.

J Jason Stuart 45:48

That's lovely. Lovely to be back.

[Together] 45:54

No, I think I never people always say oh, he's from here. Oh, yeah. Great. And then never know what to say after you congratulate. Like we know over something like you know like we

What to say after you congratulated like we know over something like you know, like, like, we created this. This happening.

K Kirk Keevert 46:05

The- actually the coolest thing. My favorite part of of coming here on Saturday nights. Is that right here where the street ends? Like one block over there's this big gate? There's this big fence?

J Jason Stuart 46:15

Yeah-.

K Kirk Keevert 46:15

That neighborhood right over there. That's what they feel in terms of [INAUDIBLE].

J Jason Stuart 46:18

Really?

K Kirk Keevert 46:19

Yeah, just like one block away.

C Connie 46:20

But there's a big fence around it. It's not like they want us to come in and walk around.

J Jason Stuart 46:24

No tours. They film the surface equal there too.

K Kirk Keevert 46:26

No, the coolest thing I read this in Entertainment Weekly this this month. Okay, the reading okay, that-.

J Jason Stuart 46:37

Just left he so far he's so bored with me. I can't tell you how.

C Connie 46:41

Maybe it's me-.

K Kirk Keevert 46:43

We're looking around Houston for another house because apparently this woman didn't want her house used again. And all the all the media attention and all that crap. So they're looking around they find why-.

P Peter 46:51

It's been 13 years. I think she would have gotten over it. You would think so. I guess we build a bridge. Have you ever had anybody come to your house and have something she's right it is it they just I'm sure it's a pain in the ass?

K Kirk Keevert 47:01

I'm sure they just take over.

P Peter 47:04

Yeah, it's very difficult.

K Kirk Keevert 47:05

So they found this other house over by Rice University and knock on the woman's door and they're telling her you know that and it's a perfect the house looks exactly. Looks pretty much damned exactly like the other the other one oh god, that woman. The woman starts laughing while she's talking to them. And they say what's so funny, she says the last time use my mother's house.
