So they found this other house over by Rice University and knocked on the woman's door and they're telling her you know that and it's a perfect the house looks exact her looks pretty much damned exactly like the other one. Oh God, the woman the woman starts laughing while she's talking to them. And they say What's so funny she says the last time use my mother's house.

**C** Connie 00:22  
Get out.

**K** Kirk Keevert 00:23  
You know Shirley love that.,

**J** Jason Stuart 00:26  
Oh, yeah, cuz surely thought of course there was some so why. Exactly. I love what a career this woman has had. You know, I'm really hoping I think there's a lot of older women her age, but Debbie Reynolds is having a resurgence, right. She's doing our books movie mother, and she's also in a Calvin Klein movie. It's with a gay sort of thing to it. She's she's in that awesome-.

 Kirk Keevert 00:47  
Calvin Klein movie?

 Jason Stuart 00:48  
There's a Calvin Klein, Kevin Kline, thank you. It's called something to something I forgot.

 Kirk Keevert 00:53  
Oh, yeah. And he's like a. He's like-.

 Jason Stuart 00:58  
No, he pretends to be gay for some reason. It's an interesting story about today people like to do about us because they're so obsessed with our lives.

 Kirk Keevert 01:06  
Peter, did you say We have another call? We were hoping for other calls.

 Jason Stuart 01:09  
Oh, yeah, we are. Yeah, 5265738 [INAUDIBLE] with like some tickets. We have 10 sets of tickets to give away please call in by [INAUDIBLE]. What does that mean?

 Kirk Keevert 01:18  
Um Roy's talking.

 Jason Stuart 01:20  
Oh, tell Roy to get off the phone

 Connie 01:21  
Get off the phone Roy.

 Kirk Keevert 01:22  
We want to talk, Roy.

 Peter 01:24  
Roy, we need to we need-.

 Kirk Keevert 01:25  
[INAUDIBLE] another one.

 Peter 01:26  
We need an answer to the question. What did the first pilgrims bring to the first Thanksgiving dinner?

 Jason Stuart 01:31  
Oh, giveaway crap.

 Peter 01:32  
It's free tickets for you, honey. That's what it sounds-.

 Jason Stuart 01:34  
Tell them to call. We'll give the tickets anyway.

 Peter 01:36  
Oh my god. You heard that right here.

 Connie 01:40  
Peter and Connie will be there.

 Peter 01:41  
So you know Peter and Connie-.

 Jason Stuart 01:43

Oh, yes. Peter and Connie will be there. So that'd be fun. Yes.

Kirk Keevert 01:46

So- someone's calling Look number two.

Connie 01:48

Can we talk to them?

Kirk Keevert 01:49

We got at screen first.

Jimmy Carper 01:51

We got to screen for screen them.

Jason Stuart 01:52

I think it so much more fun not to screen them.

Jimmy Carper 01:55

Well, but yeah but we gotta understand-.

Peter 01:56

We got calls from Pasadena.

Jason Stuart 01:58

Who's what's in Pasadena, old people?

Peter 02:00

Oh, no, no [INAUDIBLE]. Homophobics.

Jason Stuart 02:05

 Jason Stuart 02:05  
Oh, really.

 Connie 02:06  
And not just for Halloween.

 Peter 02:07  
We got to be careful that-.

 Kirk Keevert 02:09  
Our responsibility-.

 Peter 02:10  
What they say? Well, kind of how well we don't want our audience to be subjected subjected to this. You know, eight, nine, we've had a couple of call from down there and that we're just really, you know, kind of rude. And so we kind of screen calls and make sure that the people that are calling are, you know, not gonna lie.

 Jason Stuart 02:28  
I was I lived in Dallas, two months last year. And I co starred in a film called Gay TV, the movie. And it was produced by Pamela Buchmeier and directed by John Paul Buchmeier. And Judge Buchmeier is their father. I don't know if you know, he is is a famous judge here in Texas, who has done a lot of things with sodomy laws and things and he's been very supportive of the gay community.

 Kirk Keevert 02:51  
Really?

 Jason Stuart 02:51  
Yeah. And it was as an independent film. It's about this gay brother and straight sisters start the first gay cable network-.

 Connie 02:58  
Is that something we can rent?

- J** Jason Stuart 03:00  
It's probably going to be easier to read that will be to see it's gonna be doing the festival circuit this year. And it'll probably be released small releasing through video. Yeah, so it's-.
- C** Connie 03:10  
Cool.
- J** Jason Stuart 03:11  
I have first spelling. It's the first time I've ever had-.
- C** Connie 03:13  
Wow.
- K** Kirk Keevert 03:14  
Starring Jason Stuart.
- J** Jason Stuart 03:16  
Great, great starring in it, but I'm the most famous person. Which is pretty sad, you know? But it's a very cute.
- P** Peter 03:24  
Jason. When we come tomorrow night. What can we expect?
- J** Jason Stuart 03:27  
A funny show?
- P** Peter 03:29  
Like-.

 Jason Stuart 03:29  
Sexy guy.

 Peter 03:30  
That's true. I'm sitting here.

 Connie 03:32  
You have a costar? Just kidding. He's quite a handsome guy.

 Peter 03:38  
No thats not true.

 Jason Stuart 03:43  
No, that's not what I hear from you.

 Connie 03:44  
No he is a cutie.

 Jason Stuart 03:46  
Okay, what did he said that?

 Connie 03:48  
I read back on the same guy? Get over it.

 Jason Stuart 03:50  
Well, he did. He didn't. He told me.

 Peter 03:54  
I just can't take it. Anyway. No, you're really-.

 Jason Stuart 03:57  
Well, well, how did my name come up is what I'd like to know.

 Jason Stuart 04:05  
Oh, he called you up?

 Peter 04:06  
No, no, no, no.

 Jason Stuart 04:07  
He said I slept with me. He said that.

 Connie 04:10  
I'm guessing I'm not a part of this conversation at all.

 Jason Stuart 04:12  
We never s-, we never slept together.

 Peter 04:14  
I never said that either.

 Connie 04:16  
Well, maybe there wasn't exactly sleeping going on.

 Peter 04:21  
Leave it to Connie Lingus to keep it right on track.

 Jason Stuart 04:23  
Is your real name Connie Lingus?

 Connie 04:26  
Hell no.

 Jason Stuart 04:28

 Connie 04:30

Yeah, well, what are you kidding?

**K** Kirk Keevert 05:09  
I'm a Comedy Central freak

**J** Jason Stuart 05:10  
Well, then you obviously didn't see that show because you would have remembered me, I'm sure.

**P** Peter 05:13  
Really?

**J** Jason Stuart 05:14  
Well, we're announcing that on the air.

**K** Kirk Keevert 05:16  
I'm sorry. Well, you know, you know, I see what happened. I do I hear I get paid a ton for this. You know, I thought as much as we want. I do remember is the is the guy is the guy at the end who did Grover because I just thought-.

**C** Connie 05:30  
Well, he's not on the show is he?

 Peter 05:32

 Jason Stuart 05:42  
Do you have a goatee that I do now?

 Peter 05:44

 Connie 06:14  
You've been around-.

 Jason Stuart 06:15  
And if you were in New York, a month or so ago, I was the host I got to host the the Glamour awards. I was the host of the reason I was host because they couldn't get Rosie O'Donnell because she was on Lebanon.

 Peter 06:29  
And then attending the ball.

 Jason Stuart 06:30

 Connie 06:33  
[INAUDIBLE].

 Jason Stuart 06:34

 Peter 06:40

 Jason Stuart 06:49  
Men do I like?

 Peter 06:50  
-basic topic? Topics that you may do in your show? Like-.

 Jason Stuart 06:53  
I talk about? What I laugh, I cry, it's better than Cats. You know, I talk about my family. I talk about coming out. I talk about what else do I talk about politics, gay marriage, gay movie shows, TV things, TV shows that wreck my life. I do my tribute to the Brady Bunch and how it wrecked my life. I do my impression of the Star Search singer.

 Kirk Keevert 07:16  
Yes, you do. And that was lovely. Yeah, great. A Star Search singer. Yes. The Star Search singer.

 Jason Stuart 07:22  
The one who set the trend.

 Peter 07:24  
Well, this sounds really really cool.

 Connie 07:25

- J** Jason Stuart 08:09  
Oh, what did he say in the letter?
- P** Peter 08:10  
He said wonderful things letter, but it was what he-
- C** Connie 08:13  
He sent a picture-.

**P** Peter 08:14  
Lived. He said this is actual I'm just hoping that-.

**K** Kirk Keevert 08:18  
Oh, I hope I'm in Tom of Finland.

**P** Peter 08:20  
Hey, honey, I will wait for someone -.Yes, like that. You could only dream in your wildest imaginations that that could happen to you, baby. Anyway, so please come tomorrow night to the Laugh Stop.

**J** Jason Stuart 08:32  
Laugh Stop. Well, last time I was the first openly gay comedian to headline that club. But since then, season one snapper has been there Georgia Ragsdale, Via de Leiria, Scott Kennedy and his lover Kevin May, with a gay Comedy Jam, Bob Smith, Rob Nash. I mean, everybody has been there, they've been very, very homosexual friendly. And I think that you guys should support the club. And I mean, that's amazing that I mean, basically all the top openly gay comedians in the country have played this club, which is really rare. Usually, I'm the only one that's played there. It's good.

**K** Kirk Keevert 09:08  
How hard-. How hard is that to? I mean, the crowds this week, and I'm guessing they'd been mostly straight crowds.

**J** Jason Stuart 09:16  
More straight. Yeah, the gay people have not been able to win over the straight there's been more straight and gay most of the time-.

**P** Peter 09:24  
How- how do you tell?

**J** Jason Stuart 09:27  
Because he asked my people-.

**C** Connie 09:29  
They're all busy right.

**J** Jason Stuart 09:31  
Now you can tell about what they laugh at and stuff sometimes. But I mean, I could be wrong, but I think that it seems, though, that you can do more gay people. Right. And we had one other show that was very gay. When I Sunday will be very gay. Yeah.

**C** Connie 09:47  
Absolutely.

**P** Peter 09:48  
Oh, yeah. Any address where the last application y'all the know where it is? It's right on West Gray at total 1952 West Gray.

**J** Jason Stuart 09:54  
Oh more calls, cool and we don't get to talk to any of them.

**C** Connie 09:57  
We're gonna talk to somebody.

**P** Peter 09:59  
If somebody well- If somebody would let me out and let our producer and punch numbers and do things we probably talked to them.

**K** Kirk Keevert 10:06  
Go, go go. Go screen. I want to talk. Thanks for stopping by. I do want to point out while we're thinking about it that you are listening to KPFT 90.1 FM in Houston and KEOS 89.1 in College Station, this is After Hours. Gay and Lesbian radio with an attitude that gay lesbian, bisexual or whatever.

**C** Connie 10:28

Transgender, transgender.

P

Peter 10:29

Yes. And we're just into it to be, you know, too crazy for words. We're gonna run on with some we have some wonderful little news things that we were in the middle of rolling on. Like I said, I'll give you these clippings. Jason, you probably could do a show on some of this stuff. I can't believe the stuff that comes up in the paper. Like I told you, we just did this thing on, right literally right out of the newspaper from Portland, Oregon. While Connie was doing her Alaskan passage. She loves to go through passages and things. You know how she is. Anyway, they did this thing right out of the news. I mean, we have clippings -.

J

Jason Stuart 11:02

Tell us what it is already?

P

Peter 11:03

Well, we did. This is a little recap, in Portland, Oregon, breast checkups and join auto tuneups. So a better place known for lubes. And oil changes now offering free mammograms and whatever and the quote is, you can tune up your body while you're having your car tuned as well. And oh, Chuck Boatish, who was stationed in Lake Oswego, or someplace like that plans to offer. Now can you imagine going into the Chevron station down here at West Alabama and Montrose and having somebody say, let me stick this thing on your exhaust pipe. And then if you could just turn your head and cough for me, please.

J

Jason Stuart 11:40

I stick your breast into a clamp.

P

Peter 11:43

I just got-.

J

Jason Stuart 11:45

Do we have a call?

J

Jimmy Carper 11:46

**J** Jason Stuart 12:12  
Well, thank you for having me on. And anytime we'll try to earlier so much. And now that my publicist knows you maybe I'll answer the phone when he calls.

**P** Peter 12:19  
Absolutely, Jason.

**K** Kirk Keevert 12:20  
we really appreciate you coming by. And we know you've done two shows tonight, and we

we really appreciate you coming by. And we know you've done two shows tonight, and we really appreciate it.

**J** Jimmy Carper 12:28  
Thank you so much now.

**P** Peter 12:30  
Jason, really? I'm sitting here in live broadcasts. He's gorgeous. He's in black jeans, a little black fast, cute white t shirt. Great little gold earring and a little mustachio-.

**C** Connie 12:41  
Cute and funny.

**P** Peter 12:43  
Funny cute little hair part down the middle. It's just too sweet. So I thought after doing for cocktail, if you can stay up late nothing go with me baby. Oh, we're gonna we're gonna go to rascals for After Hours so much.

**J** Jimmy Carper 12:53

J Jimmy Carper 14:47

P Peter 14:48  
I have got a joke for you. That's gonna knock your socks off. Now this. This has been the high point of our show so far. And little I've heard little comments here and there about my jokes but I have this fabulous joke for you.

J Jimmy Carper 14:59  
Well, I You're gonna have to do something to top the Klondike joke.

P Peter 15:05  
Klondike Joe. Duh.

C Connie 15:07  
You were sitting right next to me Peter- an Alaskan Eskimo.

P Peter 15:14  
Are you ready for this? This guy dies.

J Jimmy Carper 15:17  
Yes.

C Connie 15:18  
And well that's not funny.

P Peter 15:20  
Well, it isn't funny yet but it's gonna be this guy dies and goes to hell and he's made he's met by Satan. And he says, So hey, so here I am and Satan says oh, you're gonna love it. So I'm gonna like it here he goes, Oh, yeah, yeah, yeah, you worked hard to get here and you're gonna love it. He says why and I can so what happened to us well he said do you smoke that because yeah, he said I smoke he says great on Monday we smoke and smoke and smoking

C Connie 16:29

Oh, that is funny.

P Peter 16:31

Okay, Houston radio land and college statton. In all prisons we know and listening distance. You're gonna hate when to bitch. Hey, listen, guess what? When Jason was talking about Calvin Klein, or I'm not sure what he was doing. I think this is too damn funny for words. In our paper here locally. More than you ask him more than we made one. No. It's just what did the fashion designer Calvin Klein chat about with Princess Diane when they swirled around the dance floor at the fundraiser in DC last week?

C Connie 17:11

What were they talking about?

P Peter 17:12

We discussed my underwear. He said she wears it.

C Connie 17:17

Oh, that's what's wrong with the Royals. Diane is wearing boxer shorts.

P Peter 17:23

Wondering if the prince was wearing your bras and maybe that's why that marriage didn't quite make it you suppose. God I don't know. But I think-.

C Connie 17:32

Gosh, dressing in the palace

P Peter 17:39  
Hey, listen, guess what?

C Connie 17:40  
What?

P Peter 17:41  
Do you know from the X Files comes this little piece of news.

C Connie 17:46  
Tell us.

P Peter 17:47  
A secret to a great divorce. Get a great prenup. Revenge is also an option. Anyway, they list all these divorces in this tabloid like Sasha Stallone reported that she got 12 million from Sylvester for only 10 months for 10 years. He also shelled out 6 million to a second wife Bridget Nelson for 17 months. Julianne Phillips to 20 million from Bruce Springsteen for three years and three months honey, much of my life. Cindy Costner got 40 million from Kevin Custom for 16 years and nine months.

C Connie 18:23  
I pretend to be straightforward that kind of-.

P Peter 18:26  
I'd be straight and RP for that kind of money. Any. Or Amy Irving got a whopping 112.5 million from Steven Spielberg work three years and five months. Honey. Can you believe those kinds of divorce figures?

C Connie 18:42  
Well, actually Peter, have you heard about the new Barbie that's out for the holidays? What it's divorce Barbie she comes with all Ken's stuff ah rush out and get that one.

P Peter 18:57

We are going out and rise out and get our new Barbie baby. Does that bark? Does that Barbie have as big with them as you did?

C

Connie 19:06

Nobody does.

P

Peter 19:08

I know the candy for her. Anyway, did you know that in Sterling Heights Michigan a dream ends loudly and painfully-.

C

Connie 19:17

Now what's going on?

P

Peter 19:18

Oh honey, you know how that gun laws have all been you know we can carry guns now here and all that and this state of Texas stuff. I think it's real scary being the fact that people shooting each other which I think is really stupid. But anyway, you're not going to believe this in the paper from Sterling Heights Michigan. A 24 year old man needed 16 stitches on his penis Oh after shooting himself with a semi automatic pistol while it sleep.

C

Connie 19:45

Ouch. What was he doing with it?

P

Peter 19:47

Honey? I don't have a clue.

C

Connie 19:49

Get this man a woamn.

J

Jimmy Carper 19:51

[INAUDIBLE] has penis.

P

Peter 19:52

But well, they didn't say put 16 stitches in a pistol. This is another reason to get gun control. The identified Detroit man was sleeping with a loaded pistol when the gun went off early Saturday said Lieutenant Al's Linsky a little bullish up there. Of the Sterling Heights police department he heard a loud noise when he discovered that he shot-.

C

Connie 20:18

Get this man a girlfriend. There is no reason to be-.

P

Peter 20:22

I like sleeping alone with a loaded gun I'd like to sleep with a loaded gun and would be Hispanic, anyway you can't believe you believe another reason that good gun control.

J

Jimmy Carper 20:33

Very good reason-.

P

Peter 20:34

We have we have now- I think Jim really done confidentially. We have done politically things we have talked about gun control and idiocy that goes on. We've talked about our HMO things-,

C

Connie 20:44

Don't forget the snowballs-.

P

Peter 20:45

The snowball. I mean good reason for for these eight oh honey. But now we all know that what we're dealing with here in Houston is probably something far worse than gun control and far worse than everything else in our town. We have this new VIP this new area code Area Code-.

J

Jimmy Carper 21:06

Area code thing-.

P

Peter 21:08

Dreaded area code-.

**C** Connie 21:10  
281-.

**P** Peter 21:11  
People are having to like reprint stationery carry on something for his cost gas bill.

**J** Jimmy Carper 21:15  
That's what they get for going outside the loop.

**C** Connie 21:18  
Really? I mean, it doesn't we couldn't give a damn because we just did in our little community. And we just have to die a little seven digit.

**P** Peter 21:26  
We only get nosebleeds when we go outside to these people. But you know what? I read this in the Houston Chronicle and I thought I was gonna pass out now this is public information. I'm showing you this article as we speak. Am I not?

**J** Jimmy Carper 21:39  
Yes, you are.

**P** Peter 21:41  
It says there's a new code in our town. Now what is so funny about this article I have captioned is a river in Egypt. What is that about? The Nile Nile, but the denial right the river in Egypt. I mean, I've never read anything so absolutely hysterical in my life. Southwestern Bell begins introducing Houston's new 281 area code November 2, as everyone already knows, quote, I'm in denial, said Roberta Cohen, a cycle therapist with a small mental health practice and five offices, four of which will be in the 281 area code. Cohen, baby had just ordered all this stationery for \$70. Now that's a load of money and left the 713 letterhead. All of our business cards are wrong, she said and all of her nine employees will have to wait all the supplies went out before they can get new ones. But now this is the classic honey. And then there's the fancy new voicemail system that has to be redone and et cetera, et cetera, et cetera. The Club. One of the lines in this article says quote it's an overwhelming thought. And the way that I usually deal with overwhelming thoughts is not to think about it.

**C** Connie 23:01  
Is that the advice against or-.

**P** Peter 23:05  
Is a used and psychotherapist the queen of denial. She is talking about the way she deals with reality is just not think I just would not think I had the over. If not-.

**J** Jimmy Carper 23:17  
I think she has patients for years and years.

**P** Peter 23:21  
I've been she may have not another patient in their life after this article is read. I'd them. Oh my Jesus can you believe this. In Chronicle what? Oh my God and our business guys. Screw the \$70 stationary cheat me that shit. I mean to tell you. It's rollin.

**C** Connie 23:48  
Well, Peter-.

**P** Peter 23:49  
Yes.

**C** Connie 23:50  
In one of the cruises recently.

**P** Peter 23:52  
Yeah.

**C** Connie 23:52  
One of our California cruises. I picked up this little.

---

P

Peter 23:56

You went to California without me you-.

C

Connie 23:58

I'm sorry. You used up all the suntan lotion last time I took you.

P

Peter 24:02

Just because I have a large body is no reason to go into how much suntan lotion I use.

C

Connie 24:07

All right. Well, I got this little article from the LA Times and I'd like to share it with our listeners.

P

Peter 24:12

This is really an LA Times article.

C

Connie 24:14

Absolutely. And I-

P

Peter 24:15

We love this. We have a research department that is absolutely astronomical.

C

C

Connie 24:23

You're gonna want to hear this story. And it's educational. Go for it. Here we go. Here's an it's an excerpt from the LA Times. In retrospect, lighting the match was my big mistake. But I was only trying to retrieve the gerbil Eric Tomaszewski told doctors in the severe burn unit of the

Salt Lake City Utah hospital. Thomas is homosexual partner Andrew 'Kik'i Farnham had been admitted for emergency treatment after a felching session had gone seriously wrong-.

**P** Peter 24:51  
A what with-.

**C** Connie 24:52  
A felching- and if you don't know what that is, look it up in the dictionary right now because you won't be able to get the rest of the story with I have it.

**J** Jimmy Carper 25:00  
I know-.

**P** Peter 25:04  
We could get away to think somebody knew what that was. Do you believe this? Connie had to tell me what it felting session was.

**C** Connie 25:14  
Alright, let me finish. I pitched a cardboard tube at his rectum and slipped ragged our gerbil in, he explained. As usual Kiki, Kiki shouted out 'Armageddon'. My cue that he'd had enough. I tried to retrieve Raggout but he wouldn't come out again. Ragged is the- Gerbil the gerbil, so I peered into the tube and struck a match, thinking the light might attract him. As press conference, a hospital spokesperson described-.

**P** Peter 25:39  
A hospital spokesperson.

**C** Connie 25:43  
Described what happened next. The magic nodded a pocket of intestinal gas and flame shot out of the tube igniting Mr. Tomaszewski's hair and severely burning his face. It also set fire to the gerbil is fur and whiskers which in turn ignited a larger pocket of gas further up the intestine. Propelling the gerbil out like I cannonball. Tomaszewski is suffering to second degree burns and a broken nose from the impact of the gerbil while bottom suffered first and second degree burns to his anus and lower intestinal tract. And that time we affectionately titled that little article Fire in the hole.

J Jimmy Carper 26:26  
Did you yeah.

C Connie 26:27

J Jimmy Carper 26:43  
A mental- the intestines are about the consistency of what toilet paper.

P Peter 26:49  
Not anymore get a mental picture of that. I hope you all out here in radioland heard that article and I get this here's Eric and Kiki. Farnham going to an emergency room after showing a cardboard tube and putting a gerbil in there-.
