**J** Jimmy Carper 01:24  
Yeah, yeah, I saw it in the in the zine somewhere. It was advertised and I sent off for it didn't know what it was gonna be like. And it turned out to be pretty good.

It's got like some prose and poetry and-.

J Jimmy Carper 01:35  
Yeha, all kinds of different stuff. Some avant guard a lot of stuff. We can't play on the air.

But you know, that was one of the first thing she ever told me when Richard Greer got caught with his little gerbil expedition. And I didn't believe it at that point. And now I see it printed in the L A times.

**C** Connie 03:05

C Connie 03:22  
I mean, I'm all for doing what you want to do in the privacy of your own home but let's not subject innocent animals. I mean, do we have to involve them?

P Peter 03:31  
Now it's down to an animal thing, Connie?

C Connie 03:33  
I mean come on. Well, I don't want to pass judgment on people but leave the animals alone.

C Connie 16:10

If they got their stuff together?

J Jimmy Carper 16:11

Well it goes to show you daytime TV kills brain cells.

P Peter 16:16

It was the most disgusting show I've ever seen. Oh.

C Connie 16:21

And all those years Jimmy I thought it was the marijuana.

J Jimmy Carper 16:24

No, daytime TV turn your brain into jelly.

P Peter 16:34

You know something else that's turning our youth into jello jelly jelly lalal a little you know what? What? Another little thing out of the paper is absolutely whatever?

C Connie 16:46

Now what does come out like the little kids section.

P

Peter 16:48

This is the little kids section on Saturday you know how they have that little things kids section dddd you know and this was in there and I thought this was just we're entitled is Hooked on Phonics. Yes. Yes, we did. We didn't and it's but it's for all ages. Oh Jesus. There is a picture now this is that glowing section with loads of colors. Green and yellow and whatever, whatever. And is it art or what is their title? We call it Hooked on Phonics. There is a picture of Michael Jackson-.

J

Jimmy Carper 17:19

That's appropriate the kids section.

C

Connie 17:21

Scaring children now. Can I tell him about Michael Jackson?

P

Peter 17:30

Go for it.

J

Jimmy Carper 17:31

No. Is it sick?

P

Peter 17:33

Is he sick? Give me a break-.

C

Connie 17:35

Consider the topic. What do you Michael Jackson and Kmart have in common?

P

Peter 17:42

What got me love-.

C

Connie 17:44

Little boys pants half off. Sorry.

P

Peter 17:57

Honey, and he married this woman that he artificially I don't know what this is going on in his life but he I guess he thinks he's been married. Anyway Anyway Michael Jackson Hooked on Phonics now you can see this article through the window I'm we're in studio yeah, there it really is. It's live. in the kids section now they're trying to teach a lesson. I mean, this is this is the thing.

J

Jimmy Carper 18:18

Stay away from this my-.

P

Peter 18:19

Quote. Plastic surgery is a kind of controversial. In parentheses, it says controversial spelling the word out for you. This is the big lesson teaching of them find the word, the things they're describing controversial. That means different people think different things about the same thing and talk about it a lot. This is a picture of the singer dancing star Michael Jackson. It was taken before he had a dimple installed in the middle of his chin.

C

Connie 18:55

Are they trying to say that that's all the man?

P

Peter 18:59

No way we're getting there.

C

Connie 19:01

Can he breathe out of that thing he calls a nose.

P

Peter 19:03

No. The dimple on his chin is really his navel. So many times. This is a picture of Michael Jackson. It was taken before he had the demo zone. It is a good example of controversy. Hello. So we're getting there. I know that whoever wrote this as a real tongue in cheek, one side says it's too self centered and weird to be changing yourself with more than one operation.

C

Connie 19:30

One operation is okay. But more than one-.

P Peter 19:34

That we should be pleased with ourselves the way we are. Another side says people should look the way they want to. And if they want dimples in their chins they should have it. As with all controversies, it's up to you to decide what's right. Now, I thought to myself, when I looked at this article and saw this I nearly had a stroke. I said what in the world they're trying to teach kids about controversy they put Michael Jackson-. Why use the word controversy for is a million lessons in this thing and controversy isn't one of them if you want to talk teach kids something and when Michael Jackson in there, honey, let's talk about who's queer who's not let's talk about a billion thing but controversy give me a rest Myrna, Baby Cakes. I could do a job on this article let's talk about Dimple and his chin my aunt's Why does he look like Diana Ross? Is the White Why does he put a little boy see anything? Why is the baby there was reasons I may have been married. I mean, let's talk about controversial we're gonna lose the dimple chin-.

C Connie 20:44

He was so cute before with the Afro and the big nose. He was cute. No, yes. The reason why is it sleeping that damn oxygen tank is because he can't breathe out of that nose.

J Jimmy Carper 20:57

He has attained what he wanted. No one in the world looks like him.

C Connie 21:02

Or would want to.

P Peter 21:03

Except Diana Ross.

C Connie 21:07

I don't think Diana [INAUDIBLE].

**P** Peter 22:28  
Psychotica.

**J** Jimmy Carper 22:28  
It's actually a heavy metal group. However, the lead singer, like heavy metal James Pat Briggs, oh, is openly gay.

**C** Connie 22:37  
Heavy metal and gay.

**J** Jimmy Carper 22:39  
Yeah, yeah.

**C** Connie 22:40  
Yeah. Wow. Like, that's a strange guy.

**J** Jimmy Carper 22:43  
And they played Lollapalooza this year. Yeah. Yes. This is their first album Psychotica. And they've got, well, they've got a lot of heavy metal stuff. And they've got a lot of stuff we can't even play over the year, but they've got one kind of almost ballad type song. It's called, Little Prints.

**C** Connie 23:01  
Let's hear that one.

**P** Peter 23:02  
Let's hear that one.

**J** Jimmy Carper 23:15  
Oh, yes. Psychotica with Little Prints, and you're hearing it on After Hours queer radio with attitude on KPFT Houston and KEOS College Station. We are back in the studio with Peter and Connie Lingus, and we're gonna get a little serious here. Tom Richards and Rainbow are joining us.

**P** Peter 23:36

Peter 23:30

Hello, Tom Richards.

T

Tom Richards 23:37

Hello. Yeah. Jimmy, first of all, last week, I made the statement that, that, that there were words that that were compatible with each other and I use gay and good. And then I said Baptists and bigot. Then I had a call and and somebody that was a Baptist said, no, they were not prejudiced. And I and so I do want to offer my apologies to him. But it's more or less. What's more or less? Oh, by the way, you better put a disclaimer here when it's more or less along the same line as the pope bless the Nazis and the Nazis killed the Jews, you know.

P

Peter 24:22

So we all just have to get along. You know what though Tommy-.

T

Tom Richards 24:28

But, but really what I want to bring out is is is Jacob and Jew Don Boney and I want to talk

J

Jimmy Carper 24:37

Boy, they don't go together.

T

Tom Richards 24:41

If the politicians that that have come and asked us and begged for our vote, did half as much as what Jack obviously has done. They will be heroes, right? You know, Jackson Lee has done very little for community And we get we went up Paul Hall, Jackson Lee. Jack obviously, has not only said this is what I do for you, but the Jack see, sees us as part of the he doesn't we he doesn't say you're any better than anybody else. You're not in your seat. I'm not gonna treat you any better. But I've been through I've gone through Jr. in worship, I'm gonna treat you like I would anybody else.

C

Connie 25:25

And that's all we're looking for it. Yep. Yeah, that's all we have ever we don't want special rights just equal rights.

T

Tom Richards 25:31

Right. Right. And, and so I wanted to bring this out that that Jack said and, and I, I worked a little bit with Jack on his last campaign. And, and he was very adamant for gay people that that they should be treated. And I talked to him. I talked to him face to face. Looking around on

they should be treated. And I talked to him, I talked to him race to race, looking squarely on and, and he told me he said, he said I won't tolerate the deputy being prejudiced toward anyone in this community. Wow, gay people or anybody else. And he was quite serious about that. Good.

R

Roy McCarthy 26:12

You know, we had a recent Democratic town meeting here in Montrose. And I had a chance to meet face to face with Jack Abbacy At that time, and I walked up to him, and I said, Mr. Abbacy, as I just want us as a gay man, I just want to say thank you, for your efforts here in this. We have the community here, because we are a lot safer with you. And he thanked me for for that. And he said that he had already instructed his his officers that if he sees they see suspicious vehicles that they were to take down to run the license plate on and if the person was from, not from around here to find out what they're doing if they were from their license plates from somewhere like Kingwood or Friendswood, or someplace like that. And in Pasadena is right. And he also told me that if gay bashing and attacks against the gay community happened again, he says, he'll just tighten the screws even tighter. And just thing was last night. He was on the on the TV. And he's increasing the patrols. He's increasing the patrols because of an increase in robberies. And we've had a homicide last. Last Thursday, I believe it was all by riches. And so this is a guy who really means what he says and believe me, he says what he means. So if you're out there and you're listening from Pasadena, or from Kingwood, or Friendswood are from any of those other areas and you think you're gonna come down here into the Montrose area and start causing trouble. Well, we got a surprise for you.

C

Connie 28:09

Which if you're from those areas, you're probably not listening to the Peter and Connie show.

P

Peter 28:14

Really, we're gonna say that's gonna be an audience's-.

R

Roy McCarthy 28:17

Oh, don't be don't be surprised. Don't be surprised. The majority of our listeners are not from the Montrose the majority of our listeners are from outside the loop and I do get calls. I do get calls every week. This is big Roy talking, incidentally. And I do get calls.

C

Connie 28:34

Thanks for clarifying there big Roy.

R

Roy McCarthy 28:35

Well the listeners may not-

well, the listeners may not.

**C** Connie 28:38  
It is radio. And I'm just messing with you.

**R** Roy McCarthy 28:45  
Lost my thought there. She lost it. I want to she never had it to lose. Anyways, got more to lose than you do. But anyways, last from where I get calls, I do get calls every week. You know from places like Friendswood and Kingwood. Pasadena Baytown, I get calls from-.

**P** Peter 29:03  
You get this call that you handed me that says the caller says talk about something different.

**R** Roy McCarthy 29:07  
Yeah, and I told the call. We'll keep listening we will we will as this is a very different show.

**P** Peter 29:12  
But do you know what I would have told the listener?

**R** Roy McCarthy 29:14  
What?

**P** Peter 29:14  
Turn the damn station if you don't like what we're talking about? There's a million of them out there. Listen to what you want to know like this show. Click. It's in your hand.

**R** Roy McCarthy 29:23  
Nah, I want them to keep listening. Now.

**T** Tom Richards 29:26  
I want to say something I think we need to be very careful not to stereotype a lot of these -.

**C** Connie 29:31  
Right?

**T** Tom Richards 29:32  
Because I have a lot of people that live in Pasadena I know a lot of gay people live in and and Woodlands I've entertained in all these areas. And they're very nice people and I have had and I grew up there in a tutu and entertain them all the time. I have to stop at gas stations that stopped at restaurants. I have no problem with it's not everybody but it was just up to you and a few others was that bad apples can't and they could be coming from Montrose.

**R** Roy McCarthy 29:59  
And that's why to say that if you think you're going to come down here to cause trouble-.

**T** Tom Richards 30:02  
If you're going to cause trouble that's something else. But I don't want people to think that-.

**P** Peter 30:06  
Got a bad rap because all those guys came down and beat that them up that was the woodlands got a bad rap for all that?

**T** Tom Richards 30:12  
Well, I live in. I live in Alpine and there's some nice people in my neighborhood. They all know what I am. They know I'm the queen of the park. I live in a mobile home park. And they all treat me very nice, but you just got to be very careful not to stereotype all of them

**R** Roy McCarthy 30:25  
But you know, it really has gotten my it's really gotten my half Cuban and half Irish blood boiling to-.

**P** Peter 30:34  
Ain't that the truth, Cuban and Irish, potatoes and tacos.

**C** Connie 30:39  
You don't want to mess with-

**R** Roy McCarthy 30:40  
I'll tell you what, no, we had a Jew Don Boney come in here. And before he got on the air he was he was out on the he was out in the foyer area where I'm at. And I was pre interviewing him and everything. And I'll tell you what, you know, he was begging he would pleading he was cajoling for our votes. And he was going to be the councilman for everybody in his district, and nobody was going to be left. You know, I'll tell you what, this guy hasn't done. This guy has not done diddly squat for this community, except insult us at every chance he gets.

**T** Tom Richards 31:20  
Well. Well, first of all, let me leave this to you on stereotype a years ago, one of our leaders spent and and nobody knows who you are. You've been around for years. went to one of the TV stations here for an interview. Before they were on the air. The interviewer said to him, Are you or have you ever molested children? And no. Are you or have you ever molested little boys? And he said just sir when was the last time that you molested little girls. Okay?

**P** Peter 31:59  
Here's me. I don't even want to go there.

**T** Tom Richards 32:01  
You know, it is what he was saying. If you want to stereotype me as molesting boys, I want to stereotype you as raping little girls. You know, that's where he was going. And I thought that was very good. But later on Jew Don Boney. Oh, my God. There is when not we're going Tuesday morning at 9:30.

**P** Peter 32:26  
Where are you going? Tuesday morning at nine.

**T** Tom Richards 32:28  
Council?

**P** Peter 32:29  
City council what for?

T Tom Richards 32:30

And we are going to raise hell about the map the hate crimes here and City Council's lack of doing anything about now we have done this before. And when we did when we got up to talk Jew Don Boney left the room?

R Roy McCarthy 32:45

Well what do you want city council to do?

T Tom Richards 32:46

We want them? Well first of all, we want them to take action. We want them to do something. They do nothing we want. We want them to put their support behind people at checkout see you we want them to tell the police you got to do something the police aren't doing anything but sitting on your ass in a substation up here. Okay, we went when I was stabbed about three years ago, Randy fields with us was with me and Jimmy tell you the same thing. They police made me and Randy Fields now I will stamp twice and they make me and Randy fields put our hand on the front of the car. They could have cared less about the back the individual that stabbed me and before he stabbed me. He said he said I'm looking for some fags. Okay. And and I got stabbed twice. Okay. And they made Randy Field and me now I'm bleeding from being said put our hands on the front of the car produce identification and and said nothing about well, who did this? Why did they do this? They could care less.

R Roy McCarthy 33:57

How long ago?

T Tom Richards 33:57

About was that three years ago.

P Peter 34:00

That's fairly recent. You'd think they got there next day.

T Tom Richards 34:05

Oh, you got to be kidding.

P Peter 34:08

Thank God there's a little fun there's a little mini coffee shop right there though. [INAUDIBLE]  
Oh, well, thank God. There's little cops out there because if they weren't there, they'd be over at donut house way down the street. We never see him.

T Tom Richards 34:18

Oh, well, they got their coffee pot in there. Now don't they.

P Peter 34:24

Keep bringing them Shipley's. Shipley so they don't have to go out.

T Tom Richards 34:29

But anyway, but Jew Don Boney has done nothing for this community has absolutely no matter of fact, he made the statement. Well, I didn't care that much of Montrose so so I don't really care that was that much. Well, let me tell you, Mr. Jew Don Boneyt he reason you didn't care a whole lot more-.

P Peter 34:51

as if he's listed-.

T Tom Richards 34:52

Because think no, I seriously doubt but I hope somebody but anyway, the reason why is because people didn't trust you you understand? They didn't trust you then. And instead of working to try to get those people for this time, he worked very diligently to try to brush away those of us who did vote for him.

R Roy McCarthy 35:16

And the funny thing was that when the the Houston Gay and Lesbian Political Caucus endorsed Jew Don Boney, there was a lot of flack that they caught. They really stuck their neck the the political leaders in the community here really stuck their neck way out on the chopping block for Jew Don Boney. And Mr. Boney has just kicked him in the teeth.

T Tom Richards 35:39

Well, everybody thought he was against you know, he always he never said one kind word about the police.

R Roy McCarthy 35:44  
Really.

T Tom Richards 35:45  
On TV, you know, he never said-.

R Roy McCarthy 35:48  
This is the same guy who was supposedly this the same guy who supposedly was framed by the police. On a crack cocaine possession charge which is still going on. You know, this is the same Jew Don Boney who stood before City Council when [INAUDIBLE] Delaney got shot and killed that he ranted and raved over that this is the same as the same Jew Don Boney when Brian Gilliam was shot and killed by another racist HPD officer.

T Tom Richards 36:22  
And whereas Jew Don Boney when the dome incident happened like a week ago with the secretary he now the police officer that molested the secretary at the dome -. And expose himself why isn't Jew Don Bney speaking now because he why is this dude on bony speaking whenever there are cops that are at a rave disco for children, the children are in there, after hours on a school night and on a school night and they're doing drugs and you got cops, city police cops up front doing this. Why don't ya doing security where is Jew Don Boni. I mean, and then he comes in you will not believe this. I was in City Hall. Yeah, demanded the HPD for such a good job, good job on bringing information about SOB's. But you know what? He also asked, he said that one of these days that the entertainers and the patrons that have been arrested in the past will get their time to speak. We're gonna get that time it's gonna be like one of those three minutes sessions. We're not gonna get the same time, same same amount of time as the HPD. Who has put us down and all that.

R Roy McCarthy 36:33  
Yeah. Oh, well, I'll tell you so. But as far as the adult entertainment and the sob. This is something that has gone before the courts before.

T Tom Richards 37:40  
Larry Flynt with the hustler, you're on fire. I'll tell you what to worry about that at the end of December.

R Roy McCarthy 37:45  
Δ it has gone before the Supreme Court before time and time and time again even before

It has gone before the Supreme Court before time and time and time again, even before conservative civil Supreme Courts, as well as liberal Supreme Courts. And it has been shot down. I mean-

**T** Tom Richards 37:58

What did Jew Don Boney say last week, and I looked at Ray Hill when he said he said, we've had a pretty good record on to paraphrase the First Amendment rights type thing. You know what we're doing? We have a pretty good record. I looked at Ray Hill, I thought, Where does he get his facts? He doesn't. He doesn't. So next the I will say something about the SOB's because the SOB's are now.

**P** Peter 38:25

Sending me for-

**T** Tom Richards 38:29

Say this about the SOB who

**P** Peter 38:30

Who in this room you're talking about SOB.

**T** Tom Richards 38:32

SOB says oh the sexual
