SPEAKERS

Peter, Tom Richards, Jimmy Carper, Kirk Keevert, [Together], Roy McCarthy, [Music], Speaker 1, Connie, Tom

P Peter 00:03
I say this about the SOB who in this room you're talking about SOB.

T Tom Richards 00:07
Oh- says oh, the sexual oriented businesses. Well, you know what, when I call City Hall and ask him what time the sessions are going to be all the speakers and all that time when, when they, I said, when's the next SOB meeting? And I know people at city hall that operate the phones don't even know what I was talking about.

J Jimmy Carper 00:27
They are not.

P Peter 00:30
I gotta keep on the studio.

R Roy McCarthy 00:32
I gotta, I gotta share this with you. I sent a very angry letter to Jesse, Senator Jesse Helms in Washington and I addressed it. Jesse Helm, the SOB in Washington, Eddie got it. You know why? Because the ESA because the post office knows that in Washington, DC SOB is the Senate- I wasn't really. So I wrote. I couldn't resist it. I wrote Jesse Helms I had to do it.

T

Tom Richards 01:06

To get back with the SOB they are going before the attorneys and they're drafting up this thing and everything. And that's why Jew Don Boney committed all those people. And if you got to hear about it, the next month, they're gonna draft it. They want it done before Christmas before the New Year. I think the reason why they're planning this is political, because of the holy season and all that stuff. But I think they're gonna get surprised because I'm gonna write write a nice little letter to the Chronicle letter to the editor. And then from there, it's snowballs.

R

Roy McCarthy 01:35

And I'll tell you some, Mr. Boney hasn't done diddly squat. For people out in the Third Ward. They're, they're upset with him too.

T

Tom Richards 01:44

I am going to close out my part here by simply saying this. Those who wish may come to the city council. Next Tuesday morning 9:30. If you like to talk, I would encourage you to call it a Monday. Okay, and make arrangements for that. Or, or if you can't do that, write letters to the Chronicle about the record of Jew Don Boney. And also to make it known within our community, write letters to to the Houston voice to twit and even the triangle.

P

Peter 02:22

I think it also right the council members come in, right.

R

Roy McCarthy 02:24

Sure. I mean, all of them.

J

Jimmy Carper 02:26

Yeah.

P

Peter 02:27

It's a war. It is really going to be a war in December.

R

Roy McCarthy 02:31

But it is.

- T** Tom Richards 02:32
But I encourage you at least to do something. Okay. And, and if you can't come to city council, that's all right.
- P** Peter 02:41
You're talking about the 9:30 session?
- S** Speaker 1 02:42
Do a hell of a lot.
- P** Peter 02:43
Are they having a 9:30? Session?
- R** Roy McCarthy 02:45
Yes.
- S** Speaker 1 02:46
Okay. That's because of the holidays. It's not going to the protests is not going to be outside. It's just gonna be like a city council meeting where we have three minutes speech or something. Okay.
- R** Roy McCarthy 02:57
Yes. And we like to have as many as we can. And Rainbow the clown would love to have removed the clown in there.
- S** Speaker 1 03:04
I hope I don't have anything going on. I'm so used to being dragged Monday morning. Although they've seen me in srag in City Hall.
- R** Roy McCarthy 03:12
Scott Lewis, Ray Hill, myself, will definitely be there. And we're hoping to together several others. I need to I need to try. I've been unable to get hold of some of them. But I haven't given up on it. And we'll try it tomorrow.

S

Speaker 1 03:27

Well, you know, James Park, our vans will probably be there.

R

Roy McCarthy 03:30

I'll say this. Is anybody listening that's a that's a good friend of Mr. Boney? Better let him know that the people who go to those SOPs, I mean, yes, it's going to affect the gay community, but it's going to affect the straight community even harder. Well, because the peak the kind of people who go to that to those clubs, where they have like \$20, cover charges, and drinks cost astronomical. Those are the same money, people that finance political campaigns. Well, Mr. Boney, you're going to shoot yourself in the butt.

S

Speaker 1 04:03

Let me tell you another thing he talked about. He talked about amortization. He says, Well, these people can really, you know that we want to amortize them because we don't want to grandfather because advertising, they can always afford it. They can just move anywhere they want.

T

Tom Richards 04:15

Well, let me say this. SOBs are important. That's true. But I believe that, that people are coming into Montrose robbing, beating and murdering our people. I don't really give a damn about SOB. I do give a damn about the life of our people.

R

Roy McCarthy 04:35

You don't care about me.

T

Tom Richards 04:36

And so so, so that is going to be my concern.

C

Connie 04:42

That's priority.

R

Roy McCarthy 04:43

Yeah, that is number one priority. And if you want to put it on the list, SOB be way down on life.

 **Speaker 1 04:50**
Well I'm talking about first amendment-.

 **Roy McCarthy 04:52**
Bout the equal equal rights of gay people. And I please don't tell And if anybody's going call me tonight. Don't mention anything about special because I never said anything about special rights. It's what I said was equal rights. Okay. And, and I think that that is first and number one. And one thing is that Jew Don Boney is not respecting that has not has lied to us about it time and time and time again. And and our brothers and our sisters are first and foremost in anything that we do. And that's where we have to come from.

 **Connie 05:35**
Well, eloquently put.

 **Speaker 1 05:37**
Well the SOB isn't isn't important situation on first amendment rights? That's what the whole situation is about is not just the sexual oriented business about First Amendment rights. There's freedom of speech.

 **Tom Richards 05:56**
Well, I gave up my membership to French Quarter a long time ago.

 **05:59**
Well-.

 **Roy McCarthy 06:02**
Tom, Tom, your nose is growing. Tom, your nose is going

 **Tom Richards 06:07**
French Quarter my wallet no more. But, but really, we need to think about our brothers and sisters. And we need to think number one, we need to put people in city council that represent our community. And that means people that we have qualified people within our community.

I'm talking about we have gay and lesbian people who are qualified. I mean, absolutely qualified to be members of city council

R

Roy McCarthy 06:42

More qualified than most of the members that are on there right now.

T

Tom Richards 06:45

And we need to consider about putting our support behind them and putting them on city council and one in particular I'm talking about Ray Hill. Ray Hill has been around the city who knows the politics now Ray and I have had serious arguments and we've had them out in the open but Ray Hill I believe it supports our community and and would best help our community. Not only that, but but they will Dale Carpenter is another one that would be good. And I hope that they will consider so that run and and with that. I'm gonna say goodbye good night and [INAUDIBLE]

P

Peter 07:26

We didn't care. Thank you Tommy way to go. So Tuesday, y'all can dash on down there to city council and make your voices known. And it's it's a deal it just needs to happen. You're gonna do some music-.

J

P Peter 09:46

Bad to-.

J Jimmy Carper 09:47

Arbiters of bad taste.

P Peter 09:49

Yeah. Oh, really? You know, if anybody was offended, we're terribly sorry. But you know, was it because they love Michael Jackson or what was the issue?

C Connie 09:58

I'm just confused about why the gerbil thing is okay.

J Jimmy Carper 10:03
Michael Jackson-.

S Speaker 1 10:05
Someone did call and they want to know when this gerbil thing happened they would like to know what paper you got that from.

P Peter 10:10
We got that from the LA Times excerpt from the LA Times and-.

C Connie 10:15

Oh my God. You know, I forgot the big the big deal on I mean, I had a flyer and everything but I figured she was gonna be here why do you need the flat one.

C

So it's going to be at the Shamrock the old Shamrock. Yeah, hotel.

P

I don't know what it's called right now. But whatever it's called. But it's really cool. And I heard there's gonna be like lots of service agencies. So somebody could come in and check out things they mean may need to know about stuff coming up like housing and this and that, and certain

counseling and all these places, like Montrose Counseling Center and all different kinds of places, maybe PTB coalition, maybe FH all these places will have tables and booths where they can hand out information people can get what they need. Plus, there will be speakers on various topics throughout the day, that you'll be able to play into and get some good solid info. Plus, there'll be things for the kids to do. So if mom needs to catch up on stuff. There'll be you know, face painting and this and that and kids games and things to keep them occupied and busy. While the adults listen to something that they may need to hear about and get some information.

C Connie 12:53

if they have on there. Because I often listen to the show as I

J Jimmy Carper 14:54
Wank your way home-.

P Peter 14:55
Wank my way home. After closing down Rascals-.

J Jimmy Carper 14:58
I see.

S Speaker 1 15:00
That is the English word for masturbation?

J Jimmy Carper 15:03
Is that what that is?

P Peter 15:03
Yeah. Maybe wrangling or wangling.

C Connie 15:09
And that's our vocabulary lesson for the day.

P Peter 15:11
That's like controversy, but we're not going back to my waking-.

C Connie 15:14
Wanking, controversial and felching. Oh, words to add to your vocabulary.

P Peter 15:19

Connie had to tell me what that was. Anyway, we're not telling you out there. No, we're not. You have to look that one up for yourself big time. Anyway, since people were probably in the bars having such a good time, they may have missed my joke of the week.

C Connie 15:34
Well, come on.

P Peter 15:35
Well, I'll just tell him one more time, okay. This guy dies and goes to hell. And Satan, you know, meets in there and he goes, Hey, you know, Welcome to hell. The guy said he sure I'm gonna like it here. And he goes, You worked hard to get here. I bet you're gonna love it. He says, Do you smoke and the guy goes, well, yeah, I smoke. He goes, You're gonna love it. On Mondays we smoke and smoke and smoke and smoking, smoking, smoking, smoke, we smoke, smoke, smoke, we can hardly stand that we smoked. We never want another cigarette. Right? And he goes, Do you drink? Again? Because do I drink? And he goes, Well, you're gonna love it. He said on Tuesday. We drink and drink and drink and drink and drink and drink the weekend stand up and we puke we drink the more. We drink a drink a drink we made throughout the past. We drink till we absolutely say cheaters have been drinking. And that's it. It goes right in he goes, Are you homosexual? And the guy goes, I am not a homosexual he goes oh, you're gonna hate Wednesdays.

C Connie 16:43
Peter is turning red.

C Connie 17:26
We both dig women.

P Peter 17:29
We both dig you. And whoever way you and Wayne are arrayed. Hey, listen. Anyway, we just so you'll know we have that. And we have many more other little wonderful things here that our research department has got that will kind of hold them till our next show. And by that time, we'll probably have billions of more fun and new things like some of these articles we read tonight. If you get ever if we could ever top a top 10 list after this fire in the whole thing. I don't know what else we can do-. Me and our favorite counselor who therapist in this city published on the front page, the guy who said when it's overwhelming thought the way I usually deal with those thoughts is not to think about after that. And you other wonderful things about the things that kind of got up in the northern lands. We just have had a million wonderful things.

J Jimmy Carper 18:16
Yeah, that's a good time really packed show.

 Peter 18:19
Pet pack.

 Jimmy Carper 18:19
We didn't have time for your guests to show up. No, we really didn't. And we have and Stacy and John are going to be here next week. They got their weeks mixed up, which is probably a good thing because-.

 Peter 18:31
We were so low. Yeah. We will have we will have those sorts of things. We'll save those for next time. When are we on next?

 Jimmy Carper 18:41
You're at on the fourth Saturday of every month. Well fourth Saturday.

 Peter 18:48

 Connie 18:55

P Peter 19:01
Say it isn't so. What if I'm out of town?

C Connie 19:03

Well, we are packing up and I mean to tell you, it has been just an absolute treasure to be with Jimmy Carper again, and all of our wonderful guests Jason and all of our people and I mean everybody.

J Jimmy Carper 20:22

P Peter 20:36
Can I call me darling?

J Jimmy Carper 20:45
Ooh, Gym Queen.

K Kirk Keevert 20:48
That was festive.

J Jimmy Carper 20:48
Was that festive by Eric Mars, and that's on the Sibilliance album that we talked about earlier.

K Kirk Keevert 20:53

And I'm what I need to do that I need to subscribe to that. How did where did you hear about that?

J

Jimmy Carper 20:57

K

Kirk Keevert 21:01

A zine you're so cool.

J

J

Jimmy Carper 21:16

K

Kirk Keevert 21:17

J

K Kirk Keevert 21:20

T Tom Richards 21:35
What all does it contain?

J Jimmy Carper 21:37
It's all gay and lesbian. Just music soundscape. poetry and prose. rantings babble and life. It's just a little bit of everything. Sort of like this show sort of like this show. That's right. From from Vanguard to. There's a country in Western news. One on here.

T Tom Richards 21:57
Oh, by the way, the rodeo is going to be in Houston next year.

J Jimmy Carper 22:01
Rodeo. The gay rodeo will be in Houston. Next year. That is good to hear. Because I went to the last-.

K Kirk Keevert 22:07
How long have you been? It's been a while-.

J Jimmy Carper 22:09
It's been years. Buddy and I went-.

K Kirk Keevert 22:11
Yeah, yeah-.

—

J Jimmy Carper 22:12
Seven, seven years.

T Tom Richards 22:14
So yeah. We got pride in June and we got a gay rodeo in November probably.

J Jimmy Carper 22:19
So you know, going through the the Houston Voice, which is like the best newspaper ever. And I'm sorry to hear that Deborah Bell has, has resigned.

K Kirk Keevert 22:34
Now you were talking about that earlier.

J Jimmy Carper 22:35
I heard I heard that on Lesbian and Gay Voices Thursday night. And I don't know anything about it. I don't know why or how or where. But I'm really sorry to see that because under her tutelage. I mean it's gone from from a bar rag to really a good good newspaper. Yeah. Sherry Cohan guard, dark bones. I mean, started the trend. And Deborah continued it.

K Kirk Keevert 23:06
The one comment I am so I went to go get tickets for we open it up and I see Tap Dogs. I want to go get tickets for Tap Dogs Friday. And they said you need to call Ticketmaster. And the reason they were saying that was because all the seats they had left were obstructed view and I'm sorry. Wow, I ain't paying, paying 40 bucks to go see these hot fine, buffed up Australian men and work boots and not be able to see him. All of them. Every last inch.

J Jimmy Carper 23:41
Oh, the Gay Men's Chorus of Houston is doing their holiday concert. Saturday and Sunday, December 14 and 15th. At the First Unitarian Church tickets are like 10 bucks. Like 10 bucks. Yeah, I mean, you know what to do that's on Main Street. Yeah. You can pick up tickets at Crossroads, Inklings or Lobo that's cool.

K Kirk Keevert 24:11
Yeah.

 Jimmy Carper 24:15
Tom's there.

 Tom Richards 24:16
Jimmy. Did you hear about I think it's in Wisconsin did the was you had the board that was that was harassed for being gay in high school.

 [Together] 24:27
Yeah. And he suing Yeah, he won. It was almost a million. Yeah. Yeah.

 Kirk Keevert 24:36
Which, which was really cool. I think I think that that-.

 Jimmy Carper 24:39
He was beaten up. almost on a daily basis.

 Tom Richards 24:42
Yeah.

 Jimmy Carper 24:43
Harassed. And and the principal said, Oh, well, you know, what do you expect you're openly gay? Excuse me.

 Kirk Keevert 24:51
It wasn't so much the beatings, the harassment that he took that he was yeah, he was fighting but the The the apathy. Yeah. He didn't say-.

 Tom Richards 25:03
Any attempt-.

 Tom Richards 25:04

S Speaker 1 25:04

That didn't deny it. He didn't deny he was he didn't say he was like kiss it don't tell you how to talk to them. Right. I was like, yeah, the military thing he really didn't say he was he never denied it. You know-.

T Tom Richards 25:16

That was extraordinary when we ought to encourage our kids or gay kids to decide. Yeah, yeah, this is going to this going to be a big thing. I think-.

J Jimmy Carper 25:27

One thing that a couple of things I want to I want to point out, we have like 10 minutes to go. And this is Thanksgiving, we have a lot to be thankful thankful for as Esperanza Lavender Jazz Pass mentioned in her wonderful article in Voice this week. And I say that because she mentioned us.

K Kirk Keevert 25:50

She did.

J Jimmy Carper 25:51

She has this whole article about things that she's thankful for, from from little things to very big things. And she talks about I'm grateful that Outpost and Pet Patrol and After Hours on KPFT, radio 90.1 FM midnight to 3am are staffed primarily by volunteers because we could never pay people enough money to encourage them to inspire us like they do. A wonderful thing. Yes.

K Kirk Keevert 26:22

Very nice to hear.

J Jimmy Carper 26:23

Pick up a copy of the voice if you can-.

K Kirk Keevert 26:26

Find that puppy.

J Jimmy Carper 26:27

Oh, read this article. Yeah, it's wonderful.

T

Tom Richards 26:31

Gay and Lesbian voices. Which one that at nine o'clock on Thursday, eight o'clock on Thursday, eight o'clock. I'm sorry. It is a very good show. And if you had a chance, do tune into it. But But galas been voices and After Hours are really two sides of the same coin. One is more but one side is a little bit more diplomatic. While the other side is more freestyle.

J

Jimmy Carper 26:59

You notice that? Yeah.

T

Tom Richards 27:01

And you can hear more radical ideas here.

J

Jimmy Carper 27:07

Oh, yeah.

T

Tom Richards 27:08

Then what gay and lesbian voices will put on.

J

Jimmy Carper 27:11

The other thing. The other thing I want to get in before we run out of time is that Thanksgiving coming up and many of our bars are serving complimentary Thanksgiving dinners. Great for those of you who don't have any, you know, don't have family here or your family has kicked you out or something. Gentry's is one Thanksgiving Day. Complimentary turkey dinners are going to be served at four o'clock at Gentries over on Richmond Avenue. Oh God that's hosted by Jerel. McNeal candidate for RSI si es Royal Sovereign and imperial court of the single star and for the 13th and Shawn Carter, Mr. Gay Houston, all American. So that's another thing the court is doing for the community.

T

Tom Richards 28:01

Yeah, that's another good thing that I love about being in Houston and being gay is that you have you have a group of people here and large group people who are very sensitive and very loving.

 Jimmy Carper 28:17

 Kirk Keevert 30:02

Speaking of sharing, I'm gonna be I'm gonna be, I'm gonna be sharing the Thanksgiving Day for the first time in several years with my family. Oh, and mom asked me the other day what I was gonna make. Oh, making and bring.

 Jimmy Carper 30:19

K Kirk Keevert 30:22
