He Oh. In the Heat of the Night we have blues 4.1 KPFT Houston, Texas 4am

00:26

Oh 976 Number

00:30

No girl that's blues for you.

00:32

Yeah, coming up at four. Kathleen and Terry

00:37

that was pretty well yeah like the car did you hear Kathleen screaming and yelling when that Christian call

00:47

now I did. Even through my earphones I could hear her out and that Why were you so upset?

00:55

It was just it was just real stupid.

01:03

Why do we have to put up with that kind of garbage?

01:06

Well, for one thing, there's a little something a little bit about someone who has nothing else to do in life but wonder what somebody likes in the sack, okay. I mean, right off the bat, you know, this man has a definite problem. And they forgot the most important verse in the Bible at all, which is why Judge not lest ye be judged.

01:29

They always forget that.

01:30

Now somebody forgot to tell him. Well, I told him.

01:36

Hey, we talked about this last week, but your son's over in Korea. Oh, yeah. Have you heard from him? Yeah, I

01:45

talked to him on the telephone. Oh, really? Yeah. \$30 for six minutes. Are you serious? Yeah. But it's worth it. I'm sure it is. To hear His voice and, and I just, I just wish all the soldier boys and girls were at home.

02:02

Yeah, it's pretty scary.

02:05

Yeah, particularly in the Gulf. It's real horrifying. Real horrifying deal. And I'm just gonna keep playing blues and praying for peace.

02:15

There you go. Okay, baby blues for you coming up at 401 As Kathleen and Terry had some

really good stuff.

02:23

He does have some good stuff. I saw what she had some of the stuff she had lined up Janis Joplin. Yeah,

02:30

this is not a gay group. But I really do enjoy this music. It's from the album world party. I turn the album good by jumbo by World party. Yeah. And it's a song called Take it up. I've bought a copy of this last week at Half Price Books. No. Yeah, yeah, I just saw it. And this is the the copy they sent to me but they're the boys. I

02:53

have seen that first time. I would own it. Do you have I don't know. I don't

02:56

know girl. I'll give you one as well. Okay, I'll give you that cop. Thank you can't have this one.

03:00

No, I know. That's a special one. Yeah, well, anyway, this

03:03

is called take it out man. It's world party. But listen to the words didn't have anything to do with being gay. I just want to play the song. Okay, okay. All right. We'll be back in a minute hang on

03:26

I'll see girl humor like that. When I learned that group I'll turn to that world party for Yeah. I've got their their original first album and it's really really good to not on a CD is no it is and it's only on vinyl. That's

03:41

world party. And their latest release. I read a review of this album in something I don't remember what it was talking about how it's nice to have an album with lyrics again. Yeah, song that says something other than just you know. Yeah, beat it, beat it you know, just the

same old thing over and over

04:06

and it's really is nice to have intelligent lyrics every now and then.

04:11

Wow. Okay here we are. Do we have any pretzels?

04:20

Please? Not again. We've done pretzels.

04:23

I just wondered what we could do for the next hour i for the next 45 minutes or so. Watching the blues broads in their pulling record. They're getting ready. I do want to tell you though, that Frank is doing a hell of a job with the news and it's so much work. It is a lot of work. And if you would like to help him, please, you know, send him news and ideas for things and you can write us after hours and care KPFT Houston for 19 lavet Boulevard 77006 And someone

04:57

that's another important thing to to talk about because just a little while ago, we had someone call in and wanted to give us some information about an event going on

05:09

make announcement that we can't do that. Now we can't, unless it's on stationery or letterhead from your group. Because we want to know who's who's senator to Well, yeah, I mean, you know,

05:21

worse. If we give out information over the air, we got to know that Yeah, we don't want to have some strange person calling in saying, Okay, everybody, go. Go to City Hall. Next Friday, and, and demonstrate or something when actually nobody's putting on a group.

05:42

If you have something to announce, you can send to us, especially if it's if it's a group and you

really want to get it announced, we'll be glad to do it on your stationery or your letterhead so that we know it's from you. And if your group is really doing something special, and you want to share that with this, you're more than invited to or you're more than welcome to invite yourself down and be on the show with us. We have guests in the studio with us every week, or we tried to around 1230 Tonight we talked with this with this way out tonight we talked with the right way currently people

06:19

co chairs and Felix and Annabelle and they were delightful and we're really looking forward to the parade next

06:24

week. We're going to be talking to hog you bet Houston outdoor group and they're going to be telling us about the great things their groups doing. And then on December the eighth, eighth, we're going to be talking to

06:36

Patrick vest Shaw, who is he is a psychologist who's going to be talking about Christmas blues.

06:43

And we all get those. Yeah, speaking of blues, it was real weird. This is the first Thanksgiving we've had without my dad. Although I've had lots of Thanksgiving without my dad so I don't know what the big deal

06:57

a lot of different things.

06:59

You know what I mean? Yeah, owned by myself for a while you

07:02

kind of a different Thanksgiving. This year, didn't you? Because you worked.

07:07

I worked. I enjoyed spending my Thanksgiving time at work. But it was so busy. Oh, well, it was very busy.

07:16

Did you do anything special after that?

07:19

I went home and went to bed. No. Anyway, by myself so depressing. I'd like to get in bed and make mad passionate love

07:29

when you're not jumping in bed with anybody either. So when

07:36

we sat down,

07:38

thinking of jumping in bed, if you'd like to jump in bed with me, no.

07:44

contests, that's what we'll do

07:45

for the next hour. I have a contest. I'm thinking about going to New York and standing in Times Square on New Year's Eve. No kidding. I don't know what I want to do something different. You know, I've

07:56

never done that. Well, let's go. You want to know, well,

08:00

.....

stay here. I'm thinking I want to do something special for New Year's. So if you want to take me to New York and stand with me and Anita in Times Square.

08:10

That's the contest. You're the first caller.

08:13

I can afford to do.

08:17

Yes. And the phones are just ringing off the hook. They are we

08:19

have so many calls. We can't answer them.

08:23

That would be fun, though. No, no, just don't take your wallet with you. Why is that? Well, because it's like the subway at Times Square. It's just packed back backpack packed with people.

08:35

I just want to do something different this year. Because I'm really kind of sorta kind of trying to get my life together. And that we've talked about that last week, it means not giving every second to this show, because I can't do that either. So we'll give it from midnight to four, maybe we can sacrifice that if homosexual police officer would come up to me and want to be converted to a gay police officer. Because there is a big difference there. Sure. Being a homosexual and being gay. So you're almost gay because you listen every week and you're really buying into what we're telling you. But there are new homosexual converts who are tuning in and just don't know where to go with it and when telling you but if there's a gay or homosexual policeman who would like to cross the line, I'd be glad to give you lessons. If you're short and hairy.

09:30

I saw that cute is this is a new community.

09:34

I saw the cutest copy of the day with Harry's little Chester. Yeah, it was so scary.

09:40

This is a new community because all of these words we're talking about are new for this, or just the latter part of the last century. What's that the word homosexual was just coined in the last century. Gay was pretty much this century. Lesbian has been around a while. But of course in the Victorian age, I didn't believe it existed. So we're creating our own community. And you can be a part of it.

10:12

Yeah. We're also going to get involved in Pride Week. I'd love to go to those meetings, but they're having them on Tuesday night. Well, I can cover maybe a Tuesday night don't work out. They'll move on to Sunday. Who knows?

10:24

Who knows? But anyway, Thursday's a pretty good night, but they did not have a lot of people there really? And let me tell you, that's when the decisions are being made. So when they pick a logo, you don't like

10:41

it. What's the theme? Did they say that? Yeah, they did.

10:47

Yes. It's a two word theme.

10:51

Be that you can

10:53

now now. Boy, I feel terrible. I didn't bring my notes from the meeting. It's Oh, really? Well, let's play the tape back from when they were here.

...

11:03

We can do that. Now we've got 45 minutes to kill.

11:09

I see.

11:12

Five to six 4000. I guess somebody's got something to say because they're calling us. I want to play this

11:18

shit. Somebody is going to tell us what the Pride Week theme is?

11:23

Well, if not, should we give something away?

11:25

You know, we've got a lot to give away. i Quiet. We've got Jimmy Somerville tapes. We've got Theresa Monae tapes. We've got

11:40

my latest. My latest cassette.

11:42

Yeah. All right. I really like that when it's Tell me about a week.

11:46

I gave that to you last Sunday. You

11:48

bet. And it's called on my mind today, and it's music that you've heard on this show over the past year or so. Yeah, that's not on any previous cassettes that we've made, you know, like

past year or so. Yeah, that's not on any previous cassettes that we've made, you know, like this. Yeah. Well, well, that's really not true. I think Michael Callen might have been on some other tape, but that's about it, because you've got a myriad of stuff. You've got some Louis Armstrong and you've got of course RNP and some fun things thrown in there. That little Looney Tunes theme and a little Rocky Horror trailer and some show music like from Steel Magnolias and driving on a stage. Just a lot of fun. I really, really enjoy it's very mellow.

12:45

Who's calling out there? Do you have any? No

12:46

I don't

12:48

see. I can do this. Oh

12:57

hey, Richard.

12:59

Richard, hello.

13:03

Richard, can you pick up the phone pick up the phone out there. Richard. Are you there? Hello, Richard. Control room to Richard. Richard who is up there?

13:23

Well, I don't know. Let me try to ring him again. Okay. Richard Richard

13:41

pick up the phone Mary.

13:43

13:45

Can you pick up the phone? Who's doing all that talk? Man you need to go out in the lobby and see what's going on. I do I do need to say that sounds awful. Jimmy's gonna go out there and see what's going on. We're trying to find out what the calls are about Hello, Jimmy, anybody

14:12

you know what? There's nobody in the lobby. I don't know what's going on out there

14:28

we're just waiting on Jimmy to come back. Tell us what's happened. Boom, boom, boom, boom.

14:37

Well, I don't know how to pick it up.

14:39

What was going on?

14:41

There's a bunch of people out there talking and what do they call calling for? While they're on the phone? I

14:47

had some good call. A Terrence. Just call them tell us how wonderful we are here. And cuckold Terrence did what he wants to tell us how much the show means to him and oh, and how he's getting people to listen. And really, it's gonna say, Isn't it right to you and just everything else?

15:10

Great. That's nice to hear every now and that

15:13

means an awful lot. And it's what makes it all worthwhile, like, what should we do for the next 40 minutes? Maybe they can call in and ask us to play stuff, or should we give away something? You're the one that answered the phone? So what should we do to give something

away? Well, it could be a certain color number. Or we can play name that turn. How about that? If they can call a name that 10 Okay, we haven't done that in a while. So to the 10th caller that calls in and identifies this song properly will win. How's that? Do they mean they win that or will they win? No, you'll win your choice of the Jimmy Somerville or the What else we

15:55

got to rescind on a or the new tape I

15:57

made. Okay. Got all kinds of stuff.

16:00

Okay. Well, Richard, okay, because you're gonna start raining girl.

16:04

The tape caller? Okay, the 10th Caller at five to six 4005 to six KPFT that can identify this song. How's that?

16:13

Great.

16:13

Okay, here we go?

17:38

Request you don't have to play your best radio and you see like a friend to me. That was

17:59

awful. That was awful girl.

18:03

I can't believe we use radio time for that thing KPFT Oh yeah A minute What was it? Gina?

I can't believe we use radio time for that thing. Not for, Oh, yeah. A minute. What was it. Oh.

18:16

Yeah. Did you know Boy, that was awful.

18:20

It was awful, wasn't it? So where are you calling from? Thailand? Thailand. Yeah, Whoa, hang on a minute. Okay. Okay. Hang on just a second. Oh, jingle bells, the barking dogs. Isn't that awful. Dr. Demento. Now, Jimmy left. I'm here all alone. So I would suggest now that we turn down the lights and just have a homosexual experience you want to? Well, well, what?

19:01

Hello there. I am going to probably destroy that CD. So we never have to put up with that number again. Why wasn't that fun? No. Girl? Yes. And we also have two winners. Oh, that's fine. Okay. Big. Richards was out in the lobby taking the information from the winner when you pick when you answered the phone. Yeah. So we have two winners. And if the man from Highlands will hang on, Richard will be with him in a moment. What you have to do is figure out what you want the Jimmy Somerville tape that Theresa Teresa Monae tape or

19:51

buddies tape. Yeah, my tapes the best.

19:56

Oh, well actually it kind of is.

19:59

Well, I remember Like it well, what else can we give away? We need to play a song for Michelle.

20:08

We do.

20:11

Which one? This one?

20:13

Oh, you bet on that one. No, no art song. No, no, no, no, not that one. This one. Yeah. Okay, that's more along the lines of what she wants to say.

20:24

I also want to play this for Mike. What's his name? Harville Well, whatever his name is girl 1234. And if you're listening, I need to talk to you, but I don't have your number. Oh, because I didn't bring it with me said call, but I don't have any way to call. Anyway, we've got about 25 minutes to go. And we're gonna to take your request. Oh, great. I like five to six 4005 to six KPFT let's do that. On a shell to cash shell. Yeah. And Michelle, this is just for you. It's Chris McKay. And we hope that you enjoy it. This is my cassette.

21:08

Oh, that yeah, that's yours.

21:12

This is after hours on KPFT Houston radio celebrating live from the heart of Montrose. We're here at work where we certainly are.

21:21

This is ever unique

21:31

ly

21:40

God Roseberry shout. Gay is good and gays are.

22:36

April 119 87 My friend Mike died passed on, went somewhere else. I don't see him anymore. He left no arms, no legs left to walk beside me. Pass dogs concrete and trees. Why did he leave me? I wanted to smile the way you touch your hair that glimmer in your eye. I want you and whole body. I want you not to die.

23:35

April the 11th 1987 passing through the pain missing you. I keep hoping that you will walk in and tell me about a great new song. Or maybe we'll talk about the international politics of AIDS. The killings of gay men, while they're murderers walk free. We were from the same class. We were gentle together. But you had to go. Leave pass on. You just died. I wanted to be with you work with you have one last good time. But you didn't stay you left past and died. I take your death one day at a time. I think dying is like reading a book. It will end the pain will end and the joy of it all will become clear. We will remember your love the beauty of your spirit. The lessons of how to live your humanity, your quest for life. After the pain the last page in the book. We will all know what you have left

25:00

As your friend he taught you April the 11th 1987 to 30 am one of my all time

25:18

favorites. Haven't played them a long time, Tom, he's back 123 weekdays. Now one to three on Thursdays.

25:26

Is she Thursday now? Is it Wednesday was doing Wednesday until she got back into the groove and then she was taking over Thursday, so I don't know. Well, listen both days.

25:37

Listen, we'll get your program got and you can figure it out. I got a special request from the Rocky Horror vault. Just a second, but we had winners.

25:46

We had winners. Okay. Two winners because we got confused. So they both get it. What do they get Melinda and Lonnie? What do they want? They're gonna get Jimmy Somerville. Oh, yeah.

25:59

So nobody wanted Mike said Frank wanted to hear sweet transvestite from Rocky Horror. And I didn't bring it I didn't either. Sorry, baby, but I do have something that you probably have never heard. If you're a Rocky Horror fan, and we are and we are I have watched that video. It's almost worn out.

26:21

I know.

26:22

Then you will. You will recognize the voice of Little Nell. She's the one that's all decked out and jumps up on that jukebox.

26:31

Yeah, haven't trips. Anyway, I want to play

26:33

this for someone who will remain anonymous. Oh, now you know who you are Mary. And it's called this is little nail and this is a special CD that was recently released by Rhino Records. It's a collection of music that has never been released before. Tim Curry singing baby love Rocky Horror videos and Rocky Horror audio trailers from the movie I liked that one trailer and shock treatment cast seeing a couple of songs sung by Tim great called biting my nails and one song that Tim Curry does called we went as far as we felt like going and little nail sings beauty queen and a couple other things. But this is one of my favorites. And I'll play this just for my special friend. You know who you are. It's called C round like a record. Oh, Frank, this is just for you

27:39

Well, I kind of like that that

27:47

that was like cut from the movie or something because it know, the background music sounds very much like a lot of the other music at Rocky Horror.

27:59

I don't know if it was something that was written for the movie that didn't make it or I seriously doubt that baby love was written for them.

28:08

No, no, no. Is that the same? David? Is that the Supremes, baby love.

28:12

Well, Tim Curry, yeah, sing sweet transvestite. Here girl. Number two on this CD. Give me a shot. Give you a sample of it

28:40

I have this vision, you know, Tim Curry and full face makeup and he also in the Merry Widow, you know crooning into the microphone.

28:48

I honestly think they did the songs it was aghast when they were doing Yeah, I

28:51

think so too.

28:53

We were talking about new music earlier from romanovski and Philip. Yeah, this album feeding the flame has got one of our favorite people on it. Singing a brand new song. Yeah, played that yet.

29:07

Now we want we have well, you know, you can always only play so much new music at a time.

29:14

Well, somebody called him wanted to hear something from Michael Collins Purple Heart album. We play all that stuff all the time, we thought we'd share something brand new with you. How's that? Good. So this is brand new from the album, feeding the flame songs by men to end AIDS and insomnia flying fish records. And this is a brand new release from Michael Callen, which hopefully tells us that maybe he's working on a new album. And the song's called crazy world. Okay about that. I'm ready. Okay, let's listen to this.

29:58

Crazy

30:13

music From

30:13

Michael Cowan. Boy that's pretty really laid back stuff. Yeah, no.

30:18

We said, I was hoping the Pride Week people didn't really flip out when I started yelling and screaming at that Bible beater. Yeah. Wow. It made me mad though, because we were invited calls about Pride Week and then this jerk had to call up and read the Bible to us. Yeah, he was swinging through on his way to ksbj. Yeah. And then what made me crazy was he wouldn't shut up and let me talk.

30:44

Turn him off. He didn't want to hear your he just wanted to. He just wanted to be on the air to tell everybody that He loved us. Well, I even even I didn't say anything obscene. Did I know girl? I was hot though. I was hot. Rude, but not obscene. Was I rude to him? Well, no, not my way of thinking. I mean, he was. He was one who was rude because we were taking calls for Pride Week. Not to hear him spout off about what he wanted to talk about. And it's not like we don't take calls. At other times, you know? I just thought it was rude. on his part. And the thing of it is, you know, Kathleen had been talking to him earlier. Oh, really? Yeah. Oh, I didn't know that. Yeah, yes. Yes. Yes. Yes. I'm looking for she'd read him the riot act. You're looking for a ratio.

31:48

And while here it is.

31:52

I just put my copy back.

31:54

I was looking for a ratio. And while

31:58

well, you've got it right there in your hand.

32:01

And I thought that while we were just chatting, we would play this

32:05

piano song. Yeah. That's pretty, pretty pretty. It's a ratio though. Yeah. It's very different. I think for for them, but it's a very, very pretty piece.

32:21

Can you imagine baby, it's going to be Christmas.

32:23

I know. So soon. I wasn't ready for Thanksgiving.

32:29

I hated Thanksgiving. I mean, I have a lot to be thankful for.

32:34

Yes.

32:37

I just hated it. I even hated it. Because I had a Thanksgiving message on my machine. Uh huh. It's the time Yeah. I wonder if that's on. Now, I don't want to call it okay. But it was talking about how you supposed to be spending Thanksgiving with the family.

32:57

Depending on who and what your family is,

33:01

I know you wrote that on that car.

33:03

Yeah. Given with two different families hired my extended family and my extended extended family. Those are the ones that mean the most to me. Next week is going to be fun. Be because because we're going to be talking about bar alternatives.

33:26

Houston outdoor group, better known as hog going plays for like a minute.

33:34

Oh, I thought you were I thought you meant piano song, which is like, is that environmental? No, it isn't. So this is instrument Oh, okay. But it's only like instead, outdoor group an alternative to the bars. Because they do all kinds of interesting and fun things. Whatever you can do outdoors. They do it. How's that?

33:57

And well, and then December the eighth

34:00

to talking to Patrick vest shawl.

34:02

What are we doing on the 15th? Again,

34:05

we're going to do the buddy and Jimmy show.

34:07

Oh yeah. But you should set your calendar for that day. Because I have music of me playing in the band when I was a senior in high school. I can hardly wait. And I also have tape of my very first radio broadcasts when I was a junior in high school.

---

34:26

You're kidding

34:26

no, girl.

34:29

I'm not surprised that you have it. You should see this boy's house. I mean, there are tapes from one end of the place to the reticle

34:37

well if you'd like to see this boy's house No, no, no, no, no, no. Oh, I hear that music. Does that mean we can go

34:48

that's you? What's you the music? That's the name of it.

34:52

Speaking of you, girl. Did

34:53

you get these records ordered now and I'm sorry I brought it up. She asked me that every week. Now you see I'm waiting on a new credit card to come in. I filled up all the old ones. Oh, really? Yeah. I hope Stanley doesn't hear a copy of this day.

35:14

She's sending you yet another credit card.

35:16

Yeah, well, I applied for it. Overall. Yeah. In my name. They're all in my name. Oh, really? He just has no idea how much I owe. He doesn't want to know. How much do you incredible amount?

35:35

Oh, well, this is after hours radio celebrating life

35:38

for the heartland. I could buy a small house on what I owe. We're here and we're very clear.  
And we're leaving.

35:44

Oh, next week, Houston outdoor group will be here. And if you want to find out what's going on,  
again, lesbian community

35:51

called the gay and lesbian switchboard at five to 930 to 11. And we'll be bringing you the local  
news now with Frank. We're very excited about that and updates on what's happening in the  
community.

36:11

Okay, man who's gonna help me carry all this stuff in the house? Because Roger is sick. He's  
not here tonight.

36:16

Oh. What are you trying to tell me?

36:20

I'm trying to tell you that if somebody didn't help me carry this and I'm not going to be here.  
Oh, she

36:25

needs a pack horse. Well, I say Richard just put his hand up.

36:30
