---

00:00

Yeah,

00:00

so he's he's www.myspace.com tattooed love boy.

00:07

Oh, okay, so any?

00:11

No, that's hot.

00:12

Oh, sorry. Yeah. It's all this good stuff. And he, he's, and he said something about trying to get this all into one letter because he was like, I guess it was like God 30 At night when he was writing Oh, yeah. And so yeah. Anyhow, I guess the general ideas, you know, much love and, and he's got like, tons of stuff in here. There's just there's way too much to like cover. Oh, wow. Okay, well anyhow, that's his letter and thanks for the stuff and he brought he sent clippings of the marriage amendment stuff oh Michigan deadlocked on gay marriage. Lesbian the something about a lesbian child support case Oh thing which is probably

01:09

that would be an interesting angle for the gay marriage debate. Yeah, so it's kind of Yeah, of course.

01:18

And I don't know what that one's about. Okay. Yeah, there's he sent a bunch of clipping and Oh, and of course, another thing about the gay party members of the GOP IQ won't want their they want their differences recognized in the GOP platform. Yeah, that'll happen.

01:41

That Rick Wario Why don't you get in line behind me Greevil all

01:47

I have to say. And darlin, all I have to say about that is, you know, for all those people who consider themselves gay and Republican

01:56

will start in brain cells. You

02:00

cannot change a party from the inside if they don't let you inside. Yeah, that's

02:05

true.

Chris 02:09

I can guarantee okay, we've got one listener out there. Who is gay Republican and a Labour leader leader. Wow. Oh, I'm sure we

02:17

probably that's hot very high.

02:19

02.12

But can you roleplay that and

02:22

I don't know. He's invited over to my house. Who wins sounds like

02:27

a d&d character to me.

02:30

I'll play Republican versus Democrat

c 02:32

any day. Okay, Steve, So you hear that you've got an offer with the 20 Maybe all I'm

02:39

saying is gay Republicans are like blacks clans members that just shouldn't happen

02:48

we're gonna get letters to do takers letter last. Okay. I have a letter from DD initials. Yes. And he said fabulous artwork for those of you haven't seen them. Danna whiting it now.

03:08

To then give you the tools to airbrush in when you're

03:13

in Double D It's really impressive. And it really resembles two tattoos that I have. No. So I'm impressed with it. And I know what objects I'm gonna save this one might end up somewhere on my body. And this is a really short one. Hello again. It's a little old me sending my Irish love. Sunny, funny song you sent out to me last week. You had me rolling with laughs But before before the record I've before the record I've never had a sexy Sally. Just the opposite. Congratulations regarding your 17 year anniversary on the air and respect some sending you all an art something or another. Yeah, I did it. There will be. Be more to come in the future. I

gotta get back in practice. Keep up the attitudes. Love God boss USA. PS I should have another photo coming soon. How do I get photos of you all? There's an interesting photo of the after hours crew honey that I'm telling you it's faces made for radio.

 Chris 04:28

We have had one done before. And to be honest with you. Yeah, I mean, about half of that crew doesn't come in regularly if at all. And now

 04:38

I have hair. Some and some of us have hair colors that don't change

 04:44

for you and haven't changed it weekly. Hey, this

 04:47

hair color has not changed in about four or five months now.

 Chris 04:52

So the silver is natural. Yep, yes.

 04:55

Guess what this I would I've had for several years. yours thank you very much or thank you very little Hey, I earned you spend four years with my ex and not earned this gray hair

 Chris 05:13

I've spent seven years with Roy and I don't use color it is a wick because all been pulled out. Next letter.

 05:25

I told you it gets

 05:26

well we actually are Travis found something in Oh, one okay.

05:33

This is the Houston voice we're just talking about gay Republicans and yes how they need to quit whining. Seriously, they're whiners I'm tired of it here we go. This is Bob Knight of the conservative like culture Family Institute. Please know me Yeah, I'm just a little twink I don't care here we go. If there's any doubt whether the Log Cabin Republicans belong in the GOP big tent it was revolved it was resolved this week. They don't Bob Knight is right. Come join my side

c Chris 06:10

the old Bob Smith joke about what's the definition of gay Republican white squares with pink triangles?

06:19

Oh my God

06:23

changed my life.

06:26

Letter wonderful.

06:28

You know there were so many letters. How did we did we there's

06:31

another wind Scott sleeping on her job. Smiling. He is awake up sweetheart.

06:37

I know smiling. The current events and quotes and shit. Stuff stuff.

06:45

You have been here long enough.

06:50

Anyway, leading into something a little bit more. I

Chris 06:53

know you're still getting used to doing the radio on tweaked. So I know. It'll take a little bit of time.

07:00

We have a new set up. We have a new frame of mind. Timers is apparently contagious. Jimmy get away. Oh

07:21

Jimmy did you TiVo? Swell?

07:27

He doesn't know what TiVo is.

07:30

Jimmy did math in TiVo.

07:31

That's not true. I watched X in the city. He didn't know what TiVo

07:38

TiVo learned but he slept with learns. When he was a teenager any one

07:45

would you ever get all those bottles out?

07:49

Somebody had bubble

07:53

stains alone. I am forever blowing bubbles.

08:01

To be bubbles when I was like 14

08:05

That was two years ago.

08:08

Okay, right. 13 sorry. Two

08:10

years ago. Max Leger

08:14

are here. Smiley, who seems to be in a very, very good mood. Yay, smiley. Smiley, how's it hanging? It can hang directions that

08:29

actually addresses that question in the letter. Oh,

08:31

no. Other letters? No, it's not sticking to anything so thanks. So let's see says every day is a good reason to write Jimmy. extra lines, Chris you're an extra large lovable teddy bear. Bobby Stephen Scott ray and the other eccentric flim Oh, and the over eccentric flamboyant Stacy.

09:02

Do you think he meant to say ever eccentric but hey, what? Because you're there's no such thing as

09:11

Tracy thinks she's a top.

09:14

Have you ever been in my bed?

09:19

Daddy, because he likes

09:21

to be over the top now.

09:26

I am 110% versatile. I can dish out everything I take. Oh, sorry. Get her no you're not old enough to find out. Yeah. I share kids my age.

09:44

I saw her trick with this one. And I can tell you she can take that when she can take plenty and I

09:49

can give it back. Okay.

09:53

Please continue with going on with the letter.

Chris 09:57

Save that discussion for the After Show. We have the video cameras rolling so right back

10:02  
on the Smiley's letter

c 10:11  
Chris 10:11  
back on the Smiley's post

10:14  
we were just talking about

10:16  
it's about the size of the microphone

10:21  
will get through this show as well back in the jail cell all the negative news on our war for equal rights I have yet not heard nothing positive. Thanks.

10:37  
See, that heard nothing.

10:41  
Wouldn't surprise me if they found an open gay American for Bush to speak at the Republican Convention. You know, I bet hustlers are cleaning up in that town

10:54  
like a true working boy.

10:57  
There, they're cleaning up cleaning up with a moist towelette for six,

11:06

let's see most of it is just sort of smiley drooling over the day that he gets out. He's not the only one drooling, right. I'm not sure which excites me more a chance to actually eat it. Check in the box are all the sex of course, seeing all my friends and loved ones is high on the list. I do have my priorities, you know? Well, we can just knock out two birds with one I'll just have sex with the fried boy while eating a sourdough cheeseburger.

11:36

Ladies and gentlemen, that is the American dream. Right there. You just heard it right here.

Chris 11:43

When you go to that there's gonna be a totally different antenna ball you get on that? Actually, you see, there used to be a Venus schnitzel out by my house and I wanted to get the Venus schnitzel and two of the jack balls. But unfortunately, my car doesn't have an antenna.

12:05

Mounting one.

12:07

There was someone working at the jack in the box right by my school who was a male to female. And one day my mother was in there. And she asked for a jack ball she bought it and the lady working behind the counter couldn't find them. And looking down under the counter said Now where did my balls go?

12:42

And I'm just like indeed.

Chris 12:46

Oh my God, I hope Sara's not listening. She probably okay, let's Stacy's letter. A lot of it's just sort of smiling, smiling. partially addressed.

13:06

I thought I saw a letter from our new boy. The one who called the new the Yeah, the new beat from last week.

13:14

I thought I saw a letter from I haven't been here in a while. How many letters that we

13:18

have is just something on top of the monitor there. Yes.

13:23

It's another novel. Oh, this

13:25

is triggered. Okay, take her and then we play some music. Okay,

13:29

tears when the music's for Yeah, Okay, gotta fall. Which one photos? Okay,

13:35

and a graduation gown? I think JB no stare at it. I think this TV or something? I don't know if this is in the right envelope.

13:46

I should have prepared any skim read this earlier. I love the handwriting taker.

13:51

He has look lovely handwriting.

13:56

legible as mine. Oh, yeah, but

13:59

at least your hands study or these days. Okay. That's true.

 Chris 14:02

You gotta remember the rule of the MBBS while you do not criticize handwriting unless you send them a sample back. Okay, that's the rule. You want to make fun of handwriting let's see a sample of yours going back to them.

 14:17

I was making fun of his handwriting. No, not is

 Chris 14:23

okay, do we need time to I do know Supposedly there's a request for music in there. So what will happen we play the music first and that far down and everybody keeps interrupting Okay, here's what we're gonna do then we know that go to music are requested son of a preacher man by Jeff Crasner. So we're gonna play that and then we'll do Tigger's letter and supposedly someone else's requested a song that I've got queued up. Very high. One of those songs that Jimmy kinda loves. am I actually going to play this one? Yes. Clue.

 14:54

Play. Before he comes back in the studio. We'll be right back.

 14:57

And this is producers

 14:58

right? I mean it's already too late.

 Chris 15:03

You know, I've been a good boy you know, I stared at that Ethel Merman CD for a good 30 seconds earlier. No

 15:13

get a copy of Ethel Merman on The Muppet Show though pleased to have it's one of my all time favorite ever Ethel Merman moments fo merman and Miss Piggy singing together it's fabulous

FAVORITE EVER EACH MICHMAN MORNINGS TO MICHMAN AND MISS PIGGY SINGING TOGETHER IT'S TABOOUS.  
God

c Chris 15:27

apart all right, it's after hours and let's go to Jeff crasner son of a preacher ma'am

15:53

Billy Ray was the preacher's son and when his daddy would be sad come along when they gather around and started talking, that's when Julie would take me walking in the backyard we'd go walk in then he'd look into my lord knows to my surprise the only one who could ever reach me was the son of a preacher man the only boy who could ever teach me was a son of a preacher man he was he was

16:34

what isn't always easy no matter how rich or momentary everything is tell me now everything is all right Can we get away again tonight the only one that ever was ever was a man

17:11

remember that was in he is stealing from me all the time to challenge each other.

18:09

Man and

c Chris 18:24

what's up that was Jeff crasner, son of a preacher man, and that goes out to Tigger by request. And while we're still going over Tigres letter we've got one other song with my request. Dirty love the one who's given us all those paper cuts on our tongues tonight. We've got a apparently you know after seeing his sketch here, I got a feeling the song maybe the artists maybe an inspiration to dirty love. So to dirty love a little song about dirty love Jeff Stryker pop you in the proper

19:46

strength last grade, but you ought to try some new cows. You guys find a place to Todd and unlock for me take a look. I gotta want to drop on your loan and die. Off deliveries and the rear so funny let's play while the wife's way let me get you another view and Cooper buddy and can

I hear you we even heard the First Battle Pass and then you see how good it feels with these styles to get on your calls and turn around and do pop you and pooper Let's see how good that

20:37

ready now Lone Star to plow and fertilize your field your farm is rich taken Oh you bet we're gonna see what crops CPU for a guy who's straight man your bud feels great Don't worry I'll never tell and when we meet next time maybe you'll trap mine but for now let's hear you you you and Cooper buddy and Eli I hear you squeal hurts at first that a pass and then you'll see it's no big deal I'll get on your calls and turn around and new view and pooper buddy Don't you see how good that feels?

21:49

You in Cooper buddy and till I hear you but hurt first and past Dan you'll see it's no big deal. Without a doubt get out your phone and turn around in a few view and see how good that pooper baby now you know how great that be

Chris 22:32

don't know if that makes you want to go Yee ha or ride on cowboy

22:37

saying the horse and ride the cowboy. Now say he

22:43

has a country song now that that's out right now that's called you know, save a horse ride a cowboy.

Chris 22:52

Of course that was Jeff Stryker, who's usually known for such lyrics. Oh, but he

23:02

can't say him on the

23:03

air. That's what he's reading from cue cards. Yeah, exactly.

c

Chris 23:06

But that's pop you in the pooper that goes out to dirty love. And before that was Jeff crasner son of a preacher man which was for Tigger. Three finished reading Yes. Yeah, so Scott has finished his homework. Okay. Was the favor enough to keep you after school and put you in detention?

♂

23:26

That depends on who's proctoring

♂

23:30

proctor choice Do you know

♂

23:35

proctor logical decision

♂

23:44

nicely done

♂

23:49

to the final letter to your congratulates on 17 year anniversary Okay, enjoyed the discussion of the film festival and extended Round Table session very much. literally laughed out loud all through the Cletus to my soulmate thinks I'm sexy. Yeah. He's sending a picture for us. Yeah, which is a self portrait of him in a graduation gown to commemorate his recent graduation, oh, congrats, Tigger. No. The next next time someone without the Gam

♂

24:40

tassel against the tassel.

♂

24:46

Yeah, but hanging off your ears. AD or something to him?

24:54

says his sexy man Steve made copies so he could send the photos to us. Great. And see? No have him give all of you and Ray Hill. A big hug for me sometime. Yeah. See? Where else was there? Yes. The other morning he spent a few minutes a few hours listening to the Walton and Johnson show. Yeah, same reaction here. I miss Stevens, myself,

c Chris 25:37

Walters and Johnson is the knuckleheads, they got to replace the genius Stevens and Stevens and Pruitt over on K lawns. Howard

25:47

Stern out of their studios for being a little overly arrogant and full of himself. Well, I've

c Chris 25:54

had to listen to those two guys. And you know, it's an amazing thing for morning talk. You know, I haven't heard some so much right wing on a talk show on a morning show. That wasn't am broadcast and was an I mean, this is an FM station and these guys you know, they had their head so far bushes rear, you know, it's clear channel. Yeah. For

26:20

its Sinclair channel and get me a nice banter that they actually have to practice to get well. I

c Chris 26:25

mean, the thing is, you know, what you really need to do is, you know, here on KPFT during that same time, we've got the BBC News, we've got Democracy Now. intelligent discussion program. Yeah. You get that rather than you know, top 40 the occasional top 40 song and in between your

26:43

feelings about that show says he doesn't like it when they talk politics. That's how they told but the other day one of the guys didn't know what the BRB was at least not the type of gay club it was he couldn't help but wonder how anyone playing a character of a gay man in the Houston in Houston who supposedly yeah they heavily involved in supportive of the community not know about the BRB wonder to one of the members of the Walton Johnson show yeah,

c Chris 27:18

one of their their sidekicks though is maybe one of the eyes or putting on what he thinks is a gay voice you know, they wanted the characters that supposedly gay one of those supposedly black really

27:28

sounds more transgendered than gay. The voice you know, it's

c 27:34

it's unfortunate what these idiots want to put on. And it sounds

27:38

like a man who's been on you know, hormone treatments, the way that the voice kind of softens, and

27:45

Jimmy's dirty pictures.

27:48

Thanks, Jamie. So

c 27:51

that's just part of the crap they can get away with over there. You know, I mean, Steven, that they at least did some good for the community. For I mean, they had a they had a kid's Ranch, you know, they helped horses that were they raised money for children's organizations. Abused horses. Yeah. Now he's one of those out there, peddling guns and out west. But

28:12

whatever. peddling guns and see, magazines have become an important part of his life, likes to keep connected through the magazines. Says for now, he's getting details GQ and gore may, for example, corn now however, he's going through debate and wants to know we think about the advocate versus out if we had to pick one or the other, which one would we choose? Probably the advocate. That's what I would pick to out usually tends to be a little bit more pop culture fluff, whereas the advocate really is more about what's going on in the political angles.

So kind of depends on what you want. I don't like politics for now, though. Doesn't have any room on his magazine roster because he just renewed his his subscription to Cosmo points for the shirtless torso shot every month. Hey, it's always pretty

29:13

good. The sex hips aren't bad either.

29:18

Really, if anybody cares what you look like at that point in time to kick them if you

29:22

try all the stuff that they can they say in those magazines, you don't have to be pretty, it doesn't matter.

29:28

What I don't understand is how every every issue is the sex issue. Yeah. sex tips are there out there because they've got like five of them.

29:36

Have you ever had to listen to heterosexual women talk about their sexual problems? She is yes. I need they need lots of help.

29:47

To help. Well, that's what they get.

29:51

Problem with women is that, you know, be there if you've ever read any of their sex tips,

Chris 29:55

I see that they're trying to get sexually satisfied by straight men and you know, that's their first crop. Okay,

30:00

well, women there is a book, sex tips for a straight woman from a gay man. Yeah, I highly recommend it.

c Chris 30:09

We can do a whole other topic on you know,

30:11

that'll keep more of your men on your side of the fence. I'm sure a lot of it is concerns oral sex.

30:18

Yeah. Not necessarily where the women are thinking of your grade.

c Chris 30:26

Yes, they will report is as mandatory

30:29

can be read from behind.

c Chris 30:33

We'll be having, we'll be having a wonderful discussion on the disappointments of having sex with straight men. Roy will be our lecture on that in the following weeks.

30:42

And then I got the straight man's back on how good it really can be.

30:48

Straight man's back in general after we finished the

30:51

four minutes left, and he and he managed to get a ROI shot into that. Pot shot at ROI into this

conversation

31:03

is the time for shout outs. And shout

Chris 31:06

outs closing thoughts. final moments.

31:09

Thoughts.

31:12

Anyone? Shout out Saul. I hope you're listening. Anyway, hope to see you up here

Chris 31:19

soon. And down there. So now i Dad, Brad. Brad.

31:27

My parents keeps threatening to listen though.

31:28

Oh, yeah. And, and all of you over in my apartment complex that are that are trying to call me right now. Go to bed or haven't had a drink. I'll be home in a minute.

31:39

And all I have to say is yeah, we have mentioned and talked about Travis's thing and outsmart and everything. There is another person in the outsmart who I haven't seen in years because he moved out of out of the city. But I knew him when me and demon spawn were together. And if that picture is a recent one, he is still the finest man on the planet as far as I'm concerned. Yeah. Not that I expect that he's listening to this show or anything. But

Chris 32:08

I still remember how much your head turned when you walked in and saw one of the guys from the show beforehand. Yeah, how I hadn't seen him his next snap around that

♂ 32:16

quick since you know first and could cripple themselves.

♂ 32:20

Alright, so wait a minute. Oh, stop too late.

♂ 32:26

Is that how it happened? Yeah.

♂ 32:29

You got one. Well, the doctor was really cute when I was born apparently. So.

c Chris 32:34

All right. Thank you guys.

♂ 32:38

Everybody gets a shout out. Did you shout? Yeah, say hi to all together Republicans.

c Chris 32:43
