things in their life. So what does the switchboard provide socially for its members?

o

00:08

Well, I'm glad you asked that. Usually, and it is this scheduled for this. This training course also week after, or sometime after we tried to have a bar tour. The reason for that is to get the new volunteers who may not be familiar with the community or maybe with the bars, because a large part of the calls that we receive are referrals. DeMars oftentimes, there are men and women who come in for the weekend, or come in for a few days, and they wouldn't know where they can go with, they wouldn't know where they can have some coffee, they want to know where they can go to a bar and just have a drink with guys running.

J

Jimmy Carper 00:45

And people wondering, well, what does it look like inside? What kind of people go there? Exactly. And if it's, you know, if I take that call, and it's a woman, I don't know that. I don't go to bars anyway. But I certainly don't go to women's bars that often. So I don't know. And this

o

01:02

is, yeah, this opportunities for us to be diversified and go to at least four different bars that we try to and during the evening, it's usually one night, Saturday, we try to mix it up, whether it be ethnic as in African American, or Latin, or lesbian leather, drag something like that we try to do a mix. So that way at the end, all of us or some of us will at least be able to have some personal experience that they can convey back to the caller if they if they're asked,

J Jimmy Carper 01:36

and are you not the social director? I know what I know, you're the guy who puts together all these bar tours and deals with all the bars to get us in. And

01:49

I think I am yeah, unofficial director of this. I'm pretty much getting a lot of pleasure out of this and meeting the owners and, and they're very good. As far as welcoming us and announcing our presence and working with us. By all means like because they usually waive our fee to enter yes. Very nice. Like I said, Yeah. And then this way they they're able to see our faces and we can see their face and see their their business.

J Jimmy Carper 02:19

How does the switchboard get money? Well, we

02:22

get our money through grants. So again, through donations. Lately, we've been getting getting them through donations. As far as fundraising events, we had three fundraising events scheduled for this month. Gosh, like I said, the grants, we haven't been successful, as far as having a staff there has been able to dedicate the time to fill out the forms and the applications and then meet the deadlines. So we've been pretty much getting buys on the fundraising. Yes.

J Jimmy Carper 02:51

And I have to put in a plug there for the crew of Olympus, who has designated us this year, and we will be getting money. I think about the end of this month, there's gonna be something going on, they have to do. And it's probably in the 1500 to \$2,000 range, which I have to say this I went through some old records from the early 80s, you know, about 8485. And there was a presentation written down. And they were talking about how the monthly budget for the switchboard was \$500 a month that was in like that 1984 1985 Because all we have is rent phone, electricity. The monthly budget for the gay and lesbian switchboard in 1999 is \$500 a month,

03:48

which is very good compared to other organizations. I wasn't born at that time. You're right, it still takes funds to operate

J Jimmy Carper 04:01

the brand. And we find that people like the court that Royal Sovereign and imperial court of the single star will have a fundraiser even without our knowledge. And just send us a check.

Exactly. It's the most amazing thing. Wonderful to how people do remember us. Because we seem to be a group that it's not really out there. You know, we're kind of introverted, almost that we'd like to sit and sit in, in an office on the phone talking. We're not out in the you know, screaming give me money. You know, we're not that tight.

04:38

Until now until now.

Jimmy Carper 04:40

Aveline came along.

04:41

Yeah. But like you had mentioned as far as the funding, I believe someone in the past and I don't know how long ago you have probably more better knowledge than I did. I had actually in there will someone unfortunately passed away but when they passed away, they had remembered the switchboard and made a donation or put Uh, as far as in their wills, yes, inheritance over \$11,000.

Jimmy Carper 05:03

And I know that because Evelyn and I just went to bank, you, the new branch, the Montrose branch, with this incredibly gay friendly, parallel, held shoots, shoots, the managers, openly gay man. And we bought a \$10,000 CD. Wonderful. And we will be renewing it at that bank and doing our business there. And we're glad to have him in the neighborhood.

05:30

That's great to give back to the community. Well,

Jimmy Carper 05:32

you know, the thing of it is the interest on a year in a year, on \$10,000, we'll pay our bills for a month. And hey, you know, that's it. We're on our way to self sufficiency, maybe. Now, we need people. So let's reiterate that training class again.

05:54

Well, let me give you the numbers once more. But what we're also asking as far as information to leave, not just your phone number, I guess a convenient time for us to call you back. Sure is the email address. We're trying to reach people by email as Yes, because lots of times we reach

recordings of people we're not, we're not for some reason or another, able to reach them personally. So this is another channel that we can use as a reminder, because I'm guilty as far as making commitments, and then making plans above those are now on top of there. And then I usually, you know, probably switchboard might be the second choice that I make. So that's why we're trying to use any other channels and the email, if you call if you're interested, please, if you have an address, please give it along with your phone number. Okay,

 J Jimmy Carper 06:46

I'm very quickly. I'm going to put you on the spot. Do you remember where the fundraisers are this month?

 06:52

I know the fundraiser that I'm partly responsible for. And that is the latter part of the month this month, which is 28th. Sunday from 4pm to 7pm. And that's going to be at Picasa.

 J Jimmy Carper 07:05

Oh, what a nice place. Yeah.

 07:08

And there's just gonna be two more that my friend said and he's not even a member. And he knows photographic memory is gonna be one of them is going to be at the outpost and the other is going to be a lazy j which one is going to be at the outpost? Do you know what states photographic memory

 07:26

lazy Jas on nothing a Tuesday, and the next week is going to be num started. The output says first and lazy J.

 07:32

That's pretty much one every week. So

 J Jimmy Carper 07:34

there's one happening. St. Patrick's Day, St. Patrick's Day, which which is the 17 and then which bar is going to be at Outpost outpost.

07:45

For more information, please, that we're gonna give you to volunteer with. And we will welcome the community.

J Jimmy Carper 07:53

Yes, dude. Thank you. Thank you and friends. Thank you. Hope to see you soon on the phones. And coming up is going to be the after hours news interviews with big Roy and somebody. It's one of those. One of those nights, folks, we'll be right back Whoa, okay. This is after hours, news and views. Hello, big Roy.

R Roy McCarthy 08:30

Hello, Jimmy. How you doing?

08:31

I'm fine. What's up?

R Roy McCarthy 08:32

Okay, well, I'm gonna set up the news with

J Jimmy Carper 08:36

Wait a minute. Where's Michelle?

R Roy McCarthy 08:37

I have I guess he's under the weather today. Well, she

J Jimmy Carper 08:41

needs a spanking or

R Roy McCarthy 08:43

the. Anyways, of course, we're gonna lead off the news with the equality because Oh, you betcha. And that begins on Saturday, March 20. continues on Sunday, March 21. And continues again on Monday, March 22. Wow. Saturday, March 20 is going to be the youth rally, which is

going to take place on the south steps of the Capitol Building in Austin.

J

Jimmy Carper 09:09

Yes. And

R

Roy McCarthy 09:13

you. Young people today are recognizing their sexual orientation at an earlier age. I've noticed that than ever before. And also, young people, unfortunately, are the victims of discrimination, hate crimes, prejudice, and God knows what else in school out in the streets and many other places. And so they're going to have that rally. And later on in the evening, there's going to be a black tie reception, which is being hosted by the Lesbian Gay rights lobby. And it's good. That one's going to be at the green pastures restaurant at 811 West Live Oak State Representative Juana Dukes of Austin will be honored for her work on behalf of gays and lesbians at that event. That's cool. Then on Sunday is going to be the mark for our family. This is the biggie, folks, this is a, this is a real biggie. Everyone is encouraged to bring their friends and family as well as your signs and your postcards and your banners and parade down Congress Avenue right up to the rallying point at the Capitol South steps. And the assembly area is going to be at the Palmer auditorium, which is located at the corner of South First Street on Riverside Drive, just south of town lake. And organizers are saying that the marks will be about family and will differ greatly from traditional gay pride parades. And at the Capitol, there's going to be a panel of distinguished speakers who will speak out on the reasons why laws against gay adoptions are wrong and their view and talking about that. I want to say that this past Wednesday, yes, the Houston Chronicle came out with an editorial not a letter to the editor, but an official editorial that really slammed the anti gay adoption, the anti gay foster parenting bill. Wow. And they came up very strong. And there's, they said it in ways that I could only have dreamed of being able to say it. And anybody. That's

J

Jimmy Carper 11:33

incredible. Yeah.

R

Roy McCarthy 11:34

Wish you right? Well,

J

Jimmy Carper 11:36

it's the right thing to do. I don't know why we should think that's incredible, that, that straight America is reacting in a positive way, because it's the right thing to do. And we are gay and lesbian, and bi and transgendered parents.

R

Roy McCarthy 11:53

Roy McCarthy 11:55

And then we're going to wrap the whole shebang up on Monday, which is the lobbying day, we're going to march down Congress, you know, the marching down Congress. Like I said, No, that's that's not enough. Your right to stop this legislation, which would affect our rights. And so the Lesbian Gay rights lobby will host a meeting to discuss how we can personally contact our representative and let them know how, you know, to oppose this anti gay legislation. Now, if you'd like to contact somebody here locally ahead of time, you can reach Clarence Bagley, which is the who's a board member of the National Gay Lesbian Task Force, you can contact him at area code 713-861-8238. That's 713-861-8238. And you can also contact Tracy Canady, who is the Communications Director at 1-800-757-6476. And holiday

J Jimmy Carper 13:00

equality begins at home is a big deal, folks, because it's happening in every fifth all 50 states plus Puerto Rico and DC.

R Roy McCarthy 13:11

And I just want to say that the up there, that the the social and religious conservatives do not have the market cornered on family values.

J Jimmy Carper 13:24

Of course not.

R Roy McCarthy 13:25

We do value our family, we our families, you know, I'm talking about our physical family, our families of choice, as well as our families of choice, and that's very important to us.

J Jimmy Carper 13:37

Yes, it is a neighborhood. Yes. And

R Rainbo de Clown 13:40

we all don't live in Montrose. Yes. Okay.

R Roy McCarthy 13:44

All right. Moving right along. Yes. I'd like to remind everyone that no one has to wait for health fair to get the care that they need, especially women. You know, this past week, we lost a dear friend in the rock and roll thing. Miss dusty springs,

J Jimmy Carper 14:00

the Springfield we did. We did a tribute to her at the very beginning of the show,

R Roy McCarthy 14:05

you know, she died of breast cancer. Yes. And there's a lesbian health project which is sponsored by the Montrose Counseling Center. And it's located there at the Montrose clinic. They have different programs on how to do a breast self exam. Remember, folks, early detection does save lives it certainly and incidentally, women are not the only ones who can get breasts. True.

J Jimmy Carper 14:35

That's very true. But there's a wonderful Women's Health section in the Montrose clinic that's like in the 200 block of Westheimer. Correct. It's a wonderful building. It's a wonderful staff dropped by just to see what they've got going.

R Roy McCarthy 14:53

It's at 215 West High. There you go. And you can call them at area code 71383 03 1000 That's 713-830-3000 you

J Jimmy Carper 15:06

don't have to be gay or lesbian or bi or trans to take advantage of this.

R Roy McCarthy 15:11

Also, I want to mention now that they do have a therapy group for women that are dealing with cancer and other life challenging illnesses in a group that that their partners in or caregivers can attend. Again, it's right there at the Montrose Counseling Center. And you can call the Latos Counseling Center at area code 713529. Double Oh, three seven. That's it. And when I when I have here,

J Jimmy Carper 15:40

well, I have something so hold on. Okay, this is something new. I got it over the internet. It's a new list for kids of trans people. What right? T Yes, parents are private email lists for transsexuals with children is proud to announce the formation of dial up a private email list for children with a transsexual parent. This is very important. This is really needed. Yes. Although

we welcome the parent to participate in TLS parents. By no means is it a requirement for the child to be able to sign up for dial up. For more information concerning dial up and details on signing up. Contact Julie Gilkey. I can't read that. Okay. It's Chris. Can you decode that for me?

 Chris 16:44

It's Julie GJ U L. I e, g. tilde A. That's little funny Mark atop the end in Spanish language. J K. MNI x.com.

 Jimmy Carper 17:01

See, see what I mean.

 Chris 17:04

Hold on here. I want to guess instead of a tilde that's supposed to be an axon. So try Julie G.

 Jimmy Carper 17:12

We'll try to get some more information on that for

 Chris 17:15

JK mn. Because there needs to be an at sign in there somewhere.

 Jimmy Carper 17:19

That's what I thought. Okay, well, I'll

 Chris 17:22

see if I can figure it out. Okay.

 Roy McCarthy 17:26

This is live, folks.

 Jimmy Carper 17:27

This is live radio, folks. That's right. Lord Douglas Phillips returns to Houston. Oh, he does. Well, no it's not a he. It's a group of three women

R Roy McCarthy 17:40

What are they? Chi.

J Jimmy Carper 17:46

They're performing group. Lord Douglas Phillips. The trio from Austin is performing in Houston on Friday, March the 12th. And that's like next week. And there you go. The group is composed of respected music veterans Gretchen Phillips on guitar. She has formally two nice girls remember that? That song I spent my last \$10 on birth control and beer. She did that. Among many many other things. Darcy Douglas on bass and Terry Lord on drums. That's where you get the Lord Douglas Phillips Oh, their last names. Gretchen has toured several continents with her ground breaking group to nice girls. And let's say for a night of fun Come camaraderie and celebration come out to club extreme. That's where they're going to be playing. Okay, that's it. 11,006 70 Southwest Freeway at Willow crest. Friday, March the 12th. Admission is like three bucks, folks. Yeah, are you kidding? for live music with Gretchen Phillips of all people be there next Friday night.

R Roy McCarthy 19:06

Okay, now I got this memo here from Susan Guerrero. Oh, Hardy girl.

J Jimmy Carper 19:13

I saw her Monday night at the TV Montrose when your anniversary party

R Roy McCarthy 19:18

and this girl says that she needs help. Die

J Jimmy Carper 19:21

you know that girl needs out.

R Roy McCarthy 19:24

There your children. Where are you with the bunnies on the Bayou? I'll bet she has contributions chairperson ah. Now this is something new to her. And she's still losing the overwhelm stage wouldn't be, which is why she's chosen, why she was chosen. But hey, those who can and serve and the rest of us supply encouragement. Now many of you may be familiar with bunnies on the Bayou. But if you're not, here's a little background information for you.

Bunnies on the Bayou is a local nonprofit 501 C three volunteer organization. which provides much needed support to various community service groups. And most of their fundraising is achieved through a single annual event, the infamous bunnies on the Bayou Easter party, and 1999. This year marks their 20th anniversary. And last year over \$41,000 was raised at that one event alone, and every penny of which was given to support our local community in the areas of education, medical care, payment of health insurance premiums for those who are ill. Food Pantry stockings, count counselling support for crime victims, which really care about residential care to AIDS and HIV support organizations and they're really proud and they really should be Yeah, Spence's that they're organised. Or, you know, all these different groups that their organization gives to and this individual, as well as the individual and corporate sponsors. This year, the bunny expects over 2500 guests to attend it. Whoo, that's a big crowd. Yes, right. And since the bunnies was founded, the hosts have been committed to ensuring that 100% of the donations at this event go directly to charitable causes, and that cool, none of the funds are withheld for expenses. And we do not, they do not intend to change this part policy. And by the news cover, approximately 1/3 of the party costs during the remaining two thirds are done by under underwriters. And Susan really does need your help. Previously, there have been four levels of sponsorship available. But this year, she wanted to expand the opportunities a little more and add a touch of fun. So if you can participate in any of these levels, check out their new comfort, their new comfort level the Faberge if you're really wealthy, you can give \$1,000 or more. You know there's a banner event VIP admissions one and two and a bunch of others then they also have a comfort for all at that event. Which sponsors a comfort station that the Porta Potty

J Jimmy Carper 22:26

Oh joy for

R Roy McCarthy 22:29

any banners with your name or organization in our business will be printed and displayed over one of their many conference stations. Now

J Jimmy Carper 22:38

wait a minute, let me for 50 bucks I can have my name put on an outhouse

R Rainbo de Clown 22:48

come on who was the runner up for Miss Texas last year? I don't miss out house. Oh, yeah, she's from Dallas area.

R Roy McCarthy 22:57

Anyways. Good you know anyway, the battery's gonna read this covered station sponsored by so and so. Okay. So at an event of this size, you know, and durations, not to mention the

amount of people being consumed comfort stations are in a need place to education

amount of liquids being consumed. Corridor stations are in a good place to advertise. Contributions can be mailed to bunnies on the Bayou at PO Box 66832 Houston, Texas. That's bunnies on the Bayou post box 66832, Houston, Texas 77266. And the bunnies are also looking for volunteers to help on the day of the event. And if you want to volunteer, you can call them at that number as well. Yes, anyway, yes. Jim, did you know that Gelston is going to have a gay Hotel?

J Jimmy Carper 23:56

That they have one it's opened already and everybody and no, you know, there's some religious idiots who are just all pissed off over it.

R Roy McCarthy 24:03

And this is the this is located at the seawall Boulevard at 13 I believe it's a 2121 room in and it's called Hollywood accounts. Yeah,

J Jimmy Carper 24:16

I don't know. I don't know what the big deal is. And these idiots should be happy that we want to go somewhere else.

R Rainbo de Clown 24:25

Question for you. Where do you think we go when we go to different hotels when we visit other cities? Like softball teams go to Los Angeles. Nashville, we go to a hotel. What do you think it'd be a gay one but we got a hotel.

J Jimmy Carper 24:40

Where do you think South Beach is? Hello?

R Roy McCarthy 24:43

Hello. Now if

J Jimmy Carper 24:45

I'm sorry, just you know.

R Roy McCarthy 24:49

Yeah, well, you know, if these religious right people and that's the that's what we're talking about. If they had their way we wouldn't have a job. We wouldn't have a place to live, we wouldn't get medical attention. You know, we wouldn't even be allowed to breathe the air.

J Jimmy Carper 25:07

Well, screw him because we're we are do and we're gonna Hello,

R Roy McCarthy 25:13

thank you. We're here we're Kerr was used to it

R Rainbo de Clown 25:17

what's the name of that suites hotel and every other suite is called

R Roy McCarthy 25:22

C suites

R Rainbo de Clown 25:23

Embassy Suites let me tell you a bunch of us gay guys went on to play softball up in Dallas during a big tournament guess where we stayed at C suites so if we don't go to a gay hotel, guess what we're going to go to the beta right

R Roy McCarthy 25:40

That's Area code 713-651-9990. Now, Jimmy, I found out about the hysterical stuff. I told you. I didn't know anything about it when you first gave it to

J Jimmy Carper 26:48

me. Yes. And Derek studs. Yeah,

R

Roy McCarthy 26:52

that's there. Yes. It says so hysterical the way I say these is anyways, get her. Maggie Walsh saw a gap in the market and she knew how to fill it as simple as in a trade papers, and they poured a sea of torsos gleaming into testosterone mist, ready for the mold. And they came up with hysterical studs, which follows the fate of four boys plucked from obscurity and groom for Superdome. superstardom. They are popsters for the millennium, a comic, a tongue in cheek, look at the boys band's flesh and fantasy chair and sperm donations. This is from the theater lab Houston. And good because

J

Jimmy Carper 27:39

I have no idea what you just said. I guess that's part of what what's going on in the play? Did they get naked?

R

Roy McCarthy 27:47

Doesn't say one of the I can't count all these exes.

J

Jimmy Carper 27:53

Okay, theater laugh. That's a great, great place. It's off of Washington.

R

Roy McCarthy 27:57

Anyways,

J

Jimmy Carper 27:58

when's it running?

R

Roy McCarthy 28:00

Okay. It runs on Fridays and Saturday nights. Yeah. Every week. However, next week, there's gonna be Friday, Saturday, Friday night, no show Saturday Night, but on Sunday night as well. It's Data Lab. Just give them a call phone. Right and 713-868-7516. That's cool. Also, yeah, stars are bright, deep in the heart of Texas. Rainbow D cloud. And Nancy Ford.

J

Jimmy Carper 28:29

Wow. Oh, Bo D. Cloud. And Nancy, Florida at 7pm.

R Roy McCarthy 28:32

On March 28th. Sunday at EJ is on Ralph Westheimer. And they're putting on a show there and it's gonna benefit the Gay Pride Week. Oh, good. And it's a variety show. And they want certain people to be in drag.

R Rainbo de Clown 28:47

You know, we don't just want

J Jimmy Carper 28:49

they want in drag.

R Rainbo de Clown 28:52

I'm here since I'm not okay. Come on. I'm looking for anybody out there that would like to entertain. I'm looking for a variety of people. And I did mention this at the gay Political Caucus. And board member Yes. And I got a few guys that I think might be in the show. Yeah. I don't want to give them out until they commit themselves you know what be committed. Yeah. But it says a variety show. I'm not just looking for you know, diva. Pretty Pretty Pretty queens. But although I'd like to have some, I'm looking for comedy. I'm looking for all kinds of entertainment. You don't even have to do drag if you sing or whatever. Some type of talent. And it's from seven on and all my shows that I've ever tried to do that I've ever done. I always try to be on time. I don't believe in being dragged late. And I believe in starting at seven o'clock and if we don't if you're not, that's how I say it. You think I'm gonna be late? No. The people aren't there. Do you have a half hour of Bette Midler.

J Jimmy Carper 29:55

Oh my god. Okay, so, witnesses again, seven o'clock.

R Rainbo de Clown 29:59

On March 28, that's a Sunday and I understand there's another show somewhere else and there's two other shows and all this stuff and ours is at seven so you just travel around a little bit Bar Hop and bring your money I'd like to have we'd like to raise some money with the court

J Jimmy Carper 30:15

as we blink the court is doing a show that night at eight o'clock to somewhere real Shawn Carter.

R Rainbo de Clown 30:23

So but I'm trying to get different people that would like to entertain I think I've got some people from the Gay Pride committee that belong that our apartment or members what

J Jimmy Carper 30:33

makes you think big Roy and drag would be entertaining. Oh

R Rainbo de Clown 30:40

you know what? Sometimes you don't know what to expect when you see someone that either you think oh, yeah, put them in a dress, put some makeup, but let me tell you sometimes they look really good. Well,

R Roy McCarthy 30:52

rainbows. I will say this though. If Jager who could do. A good excuse. Not everybody should be addressed. Yes,

J Jimmy Carper 31:01

I know. And speaking of TV, Montrose. Oh, we were if you weren't at Picasso's Monday night. You missed a really fun evening. It was the TV Montrose one year anniversary. Steve Baker presented a terrific show. He had different segments that they have done throughout the whole year, put together and it was just for that just for that evening. It was wonderful. It was really really wonderful turnout for that. From where I was there was a lot of people great yeah, he's also announced that he's in I don't know what can in cahoots you know he's he's joined forces to start a segment in Dallas Oak Lawn that TV Oaklawn

R Roy McCarthy 32:01

negotiations? Well, no, I

J Jimmy Carper 32:02

think they're I mean, they're the guy from Dallas was there and was talking about how great it's gonna be. And then yeah, it's a done deal, and they're gonna do it and it's fabulous. That is, this is TV Moncho you should be proud of this folks. One year anniversary. And it is I believe, the only the only gay lesbian bisexual and transgendered focused show. In the United States commercials that's commercial. Now everyone else is on access, but this is commercial with commercials and

R Roy McCarthy 32:37

just great bloopers and everything. Oh, the

J Jimmy Carper 32:40

bloopers are fabulous. Yes, I just love it. And that's on every Monday night at eight o'clock. On Warner Cable. Unfortunately, for those of you who don't have it, it's Warner Cable Channel 74 or or you can see it at the Lobo Tyria or you can see that Jr's

R Rainbo de Clown 33:03

oh you can see it at Picasso's yes rerun on

J Jimmy Carper 33:10

Lobos that has the RE one three

R Rainbo de Clown 33:14

riches has it too don't they?

R Roy McCarthy 35:43

You know, we really are when it comes to when it comes to gay lesbian music. We are making news.

J Jimmy Carper 35:50

Oh my god, it's that is because it's becoming overwhelming. I don't have I can't even bring enough I don't have enough time to bring it all to the air.

R Roy McCarthy 35:59

And not only that, but when, incidentally, folks, I do want to remind you that there's a gay themed movie for the first time in the history of the Academy Awards. Of the Oscars. Yeah, Academy Awards. Is there a gay themed movie Up? been nominated for three Oscars?

R Roy McCarthy 36:22

correct. So folks, we really are doing it.

♂ 36:28

Okay

♂ 36:35

okay, I'm trying to get everything straightened out. So you thought

C Chris 36:39

Okay, welcome to the show, formerly known as hatch music now allegedly, possibly after hours who next

36:47

generation we don't know what's going on? Who knows where sometimes we do sometimes we don't?

c Chris 36:51

Well, sometimes we're gonna say that we can remember it.

36:54

Oh, leave me alone about last time. But we

c Chris 36:57

are here we're going to be playing something different this week. You'll be hearing Glama music

37:02

the the as well as my music. Whether you like it or not, did you bar the door to keep Jimmy but my CDs are in there. So somebody's gonna run in there. Get them? Yes, the

c Chris 37:11

glamour Awards, the only award show they still do not put on the only the only award show that is not broadcast on television, which is kind of surprising. And Jason is ignoring our we do have some guests in the studio here.

37:25

Yes. And I believe they're on mics. Four and five. Let's see. Hello, I don't know. Am I Oh, actually, let's turn them all on. Well, I hear pussycats voice.

37:38

Says Robert.

37:41

Yes, we have pussycat and Robert returning. They are with evolve. And they are pushing or they were they are celebrating what is their next event?

they were they are celebrating what is their next event.

37:51

Delicious on Thursdays at because So yes, we want to be delicious.

37:59

And I would have been there actually, but I fell asleep last Thursday. And I

38:04

it was really good. It was really good. It's actually as

38:07

a matter of fact, I did hear from several people that I missed quite a good show at the cost. So by not being there. I

38:14

think it's gonna be a really good weekly. I mean, the place is really nice. They did a great job. And it's just something new, something just fun, you know, for Thursday night. Just you know. We're really, really excited. We are really, really excited about it. We want to do a lot of fun things and nasty things and sweet things and sexually deviant, naturally deviant, deviant things.

38:40

Well, whatever evolves, involved, we expect the little club kids and stuff. So therefore deviant things are going to happen. It's great. It's fabulous. That's why we show up.

38:50

I hope so. I hope so. Yeah. Well, you know, we just want to continue having a good time. Because ultimately, that is what everything is about. Just having a good time just being beautiful.

39:02

Yeah, I really are everywhere I've gone that has been represented by y'all has involved it really has involved a good time think he's involved. I mean, I loved fuel when y'all weren't Rich's. You know, I never got a chance to go to AWS because I'm only 20. But, you know, really y'all do

KNOW, I NEVER GOT A CHANCE TO GO TO AWS BECAUSE I'M ONLY 20. BUT, YOU KNOW, I REALLY, Y ALL YOU  
bring a good time y'all. Y'all are there to I guess free the spirit and let everybody you know,  
there's there really is a large harmony among people that are there and everybody kind of  
grew straight and gay by whatever it doesn't matter. We just all there to have a good time and  
we usually do.

39:42

Yeah, that's what we're you know, that's just it is that I love. I love every community because I  
feel like I identify with everyone. I really do. Like I love the gay community. I love like the BI  
community, the black community, the white community, the raver community, you know, the  
gay community I love it. I mean, I already said it. He said I love the gay community. I love the  
gay community because, you know, being open and being who you are is not easy. And you  
know, when you can go somewhere and feel totally supported, you know? That's cool. Yeah. It's  
wonderful. That's important. So, you're doing technical work over there? distracting me. Well,  
you're not interested. I won't talk anymore. Well, no, I'm just kidding.

Chris 40:30

It's the fun thing about live radio, especially around here. That you're you're not gonna find a  
professional in here.

40:36

Oh, no, I don't I don't get paid any money. I wish I

40:39

did. But see, that's good. That means that you love it. You know, that means that you love what  
you do. And that's what we are trying to say means I'm

40:45

a media queen.

40:47

God are we most of us are.

40:50

I have yet to find somebody that even if a camera was put in their face, unless they're about to  
go to jail, like pushes it out of their face.

40:57

I get really really shy though. Like right on camera, like on the spot. Like I'm pretty open and I'm pretty crazy, but like right on the spot. I just, I get really stupid. Like don't talk to me. I larval, right,

c Chris 41:11

that's the great thing about radio. I would hate it if I ever got on television. But I can sit behind this microphone and

41:18

somebody's not picking up the phone. And I can sit behind her and hi

c Chris 41:21

and no one knows who I am. And it's a secure way

41:25

it feels like all four of us are just sitting here in the studio talking to each other but we haven't have a mic and yes

41:30

but at the same time we know that we're talking to everyone in the community that's listening and we do love everyone and we do love everybody and that's why you're here you're doing it because you love it you rushed over here just to be when

41:40

I said yes I did rush I ran from the door riches to the parking lot of McGowan ran literally actually printed and probably made myself look like a fool. But no, not at all. But I randomly here. But you know, my first exposure to the media was when I was 13 or 14 I remember I was going from my Eagle Scout and Boy Scouts of course I might get a lawsuit What about that because
