The crew of After Hours is ready to bring you news, interviews and music geared for gay, lesbian, bisexual and transgendered people. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of After Hours.

### Jimmy Carper 02:06

Hello, Houston and welcome to After Hours queer radio with attitude on KPFT Houston, and KEOS College Station. I'm Jimmy Carper. And this is not exactly the Peter and Connie Lingus show tonight, as we had advertised because Oh, where is that tramp?

### Speaker 1 02:31

Well, wait, is this mic on? Yes, it is. Well, you know what? Connie was changed dates to be here. Yes. And yes. Carnival Cruise Lines called and Connie had to take off on a holiday fun trip. The little. Yeah. There's certain words we really can't say but everybody knows there's a big one that begins with a V. Anyway. So Miss thing with her bodacious tatas And who's that guy that does those crazy exercises. Oh, the queer one Bremen's Miss Simmons, and Connie are cruising off on Carnival line. Christmas tour. Anyway, now, the bottom line is she is going to spend Christmas with Mama now she moved the show up because she was gonna leave on Saturday mama buys the ticket mama buys the ticket and the hazard leave at four o'clock today today and calls me and says oh guess what? We're non refundable. non negotiable non Vult and I said you woman are in deep doo doo. No. So she's off on Caravelle cruise lines out of New Orleans.

J Jimmy Carper 03:39  
New Orleans

S Speaker 1 03:39

Yes. Well, you know she cannot stand to be two minutes away from those midnight buffet table.  
I

J Jimmy Carper 03:45

You know how she you know.

S Speaker 1 03:47

Girl- a friend of mine told me that the only reason she went now is because they had a special  
on air cargo freight. Or sheets. She's a big girl. Big girl. She's a big girl. Oh child so she got a  
special on airfreight and headed for Carnival Cruise. Oh, there is just no end to this.

S Speaker 2 04:09

So we're gonna have to Peter show.

S Speaker 1 04:11

Well, we're gonna have Peter.

S Speaker 2 04:13

We got lots of Peter tonight.

S Speaker 3 04:14

We have a lot of Peter. Yeah. Well Peter wishes we had a lot of anyway. I would love to have a  
lot more Peter than getting however. Yes. However. Peters evening was just made because  
Peter comes to the station and then receives mail as he gets here and received in the mail.  
From Oh, Baby Cakes.

J Jimmy Carper 04:39  
Oh, Paul, baby.

S

Speaker 1 04:41

Oh Paul.

S

Speaker 3 04:42

Honey, we've gotten letter number two. And believe me, it has been a week from hell in my other life. I do things keep me more occupied than you'll ever know. Certainly, it was Grant time and it was like not ready. So we were up to our nipples in grants all week to--

J

Jimmy Carper 04:58

Head up a nonprofit.

S

Speaker 4 04:59

Yeah. So we do.

J

Jimmy Carper 05:00

Yeah.

S

Speaker 4 05:01

In our other life.

J

Jimmy Carper 05:01

Yeah.

S

Speaker 3 05:02

And so the bottom line was we've just been but-. But Paul, believe me, write you and I need to find out some major things like yeah-.

J

Jimmy Carper 05:12

I really did. I mean, I like

S

Speaker 3 05:15

This is-. I love the other one, but this one is just too cute. Extra stuff. And I noticed now something I didn't notice on the other one.

J

Jimmy Carper 05:23

It's it's uncut.

S

Speaker 3 05:24

It's what I noticed that I opened in it. Yeah, yes. I said, Oh, God.

J

Jimmy Carper 05:31

So anyway-.

S

Speaker 3 05:32

More like kiss, I'm sure. And you know what, Paul, you are so sweet. We absolutely love this letter. I think Jimmy and I both like cried as we read it. Yeah. And you know what, Paul, that was really cool. Because Jimmy does deserve a hell of a hand for all that he does a hard job. And he would deserve something for one either or both. And for being here and doing and being committed to After Hours and being committed to everything that this radio stands for.

J

Jimmy Carper 05:58

Yeah, or that all right.

S

Speaker 3 06:01

Committed common data. So one of those keywords anyway, maybe no. Anyway, but he does and he really loved that little part too. And I wasn't gonna take this card home and treasure it forever. When do you get out that's all I want to know. Oh my god. So we still have this silly silly craziness that we've always got. We've got little news items things we got our top 10 We've got a clever article on all you people that are boat owners and like to float on water and stuff even though it's a little nippy it has been around for a while. And so we've got some things like that we've got music we've got Jimmy we got it we got-.

J

Jimmy Carper 06:40

This is Christmas music night.

S

Speaker 3 06:41

It's Christmas music night-.

J

Jimmy Carper 06:43

So I've got good stuff. I've got serious stuff. I've got funny stuff. Oh, that's new funny stuff. It's-.

S

Speaker 3 06:51

Brand new funny. So if there's one thing we love is brand new funny stuff

J

Jimmy Carper 06:54

Has never been aired on station.

S

Speaker 3 06:57

Oh, we sent all the the exercise tapes with Connie on her cruise. Yeah, well, I'm gonna send love that big bodacious tata thing needs to get her whatever. And by the way, Connie had also received a letter from her admirer who evidently somewhere close in the same areas, Pablo, obviously. And listen, I'll tell you I had some jokes for tonight. But after checking Connie and I read mail before she departed on whatever she departed on the Carnival Cruise Line with the specialty on the midnight buffet. She received this wonderful letter from Wayne and I mean to tell you she just died when I don't know if one night last week when you're talking about Peter if that's me or not, but I certainly found that terribly amusing. And I need to tell you that I have this is the funniest joke. I think I've read in ages. That one about how do you know that God's a man?

J

Jimmy Carper 07:58

Yes.

S

Speaker 3 08:00

Because of God were woman either make birthdays like chocolate. Right. I can hardly wait to spread that all over. Happy town.

S

Speaker 5 08:11

Oh my god. I think we just did.

S

Speaker 2 08:13

I think we did.

S

Speaker 5 08:14

Oh, I'm falling out of my chair.

S

Speaker 2 08:17

Oh, my God. I'm choosing Connie is having trouble with her. Isn't her bodacious thing. He's falling out of her an

S

Speaker 3 08:25

-overflowing chair too far.

J

Jimmy Carper 08:27

and there's no stopping it. Oh, honey,

S

Speaker 3 08:29

She's the gone girl. She leans over to its thing in motion.

J

Jimmy Carper 08:34

I know it. Later on the show. Yes. Garrett. Gigi is here. And she's here. Gigi is here. Yes. Yes. Oh, Gigi. And because today is a special day.

S

Speaker 3 08:48

Today is a special day.

J

Jimmy Carper 08:49

Today is the winter solstice. Today's the winter solstice is the short shortest day of the year. And it's a celebration-.

S

Speaker 3 08:58

Well by God. You're right.

J

Jimmy Carper 08:59

It's a celebration of spring because from now on the days get progressively longer and I have a feeling that Gigi is going to do some sort of kind of pagan Solstice ritual thing right here on the air because I'm looking at a wooden double headed dildo here.

S

Speaker 2 09:15

Oh, how come I can't see that?

S

Speaker 5 09:17

Gigi.

S

Speaker 2 09:18

Oh my Jesus mercy. It is an absolute they'll do

J

Jimmy Carper 09:23

Oh, obviously its for fertility.

S

Speaker 3 09:25

So obviously, Connie never should have left on Carnival Cruise Line for tonight. She should be here. You know where that thing would be done?

J

Jimmy Carper 09:34

Yeah. Oh yes, yes.

S

Speaker 3 09:39

Oh. Oh, honey, don't even go there. Never go there. Please don't ever go.

J

Jimmy Carper 09:42

J Jimmy Carper 09:46

She's on.

S Speaker 6 09:47

J Jimmy Carper 09:50

Oh, Tom's here. He has worked his fingers to the bone. making all kinds of Christmas goodies. It's a party out in the lobby. I mean, there's a-.

S Speaker 6 09:59

Oh, I saw.

J Jimmy Carper 10:00

Just cake and cookies and brownies with whipped cream cheese frosting. Don't go there. Check you want to just kneel down and tongue something.

S Speaker 3 10:12

Where's Tommy when we need her by God? You bet Oh cow high and dry I'll never I told her I was gonna dish you're on the air. I told her I was gonna dish her-. I'd. J Jimmy Carper 10:35

They are beyond not.

 Speaker 3 10:37

Not even EVs

 Jimmy Carper 10:39

Beyond bodacious.

 Speaker 3 10:42

Not talking about her thunder sighs, that's next on our list.

 Jimmy Carper 10:47

Oh, she's gonna love this thing.

 Speaker 2 10:48

Oh, when she gets this thing. Oh, yes. Oh, Connie, you and-.

 Speaker 3 10:52

You know what she promised to do?

 Jimmy Carper 10:53

What?

 Speaker 3 10:54

She promised she had some stuff at her office in whatever that she was going to fax me over. Needless to say, never show.

 Jimmy Carper 11:04

She is in the coup house now.

 Speaker 3 11:06

Oh, girl, there's an S list and the girls right at the top. Big ass list right at the top. Miss Ling Guna. And I said where's this Caravelle, cruise stop and girl you know, I mean, we-

J Jimmy Carper 11:20

You know she's doing the midnight buffet.

S Speaker 2 11:22

As we speak the child's downtown improv sedans suck them down like they're used that big ol ham bones.

S Speaker 3 11:36

I don't know what her wife's gonna do while she's away.

J Jimmy Carper 11:38

But well, let's go to a piece of music and come back and do stuff.

S Speaker 6 11:42

Oooh, what kind of stuff.

S Speaker 3 11:46

Oh, Gigi, get that low pointed thing out of your mouth. It's not a toothpick.

S Speaker 6 11:51

Oh, it's not my mouth girlfriend.

S Speaker 3 11:54

Don't even go there. Paul, come and save me baby. Please come save. [INAUDIBLE] Oh God, if you only knew.

S Speaker 6 12:05

J Jimmy Carper 12:10

Well, how about something for the women?

S Speaker 3 12:12

For the women?

J Jimmy Carper 12:14

A piece of music that we play every year. It's kind of a traditional thing.

S Speaker 6 12:18

Oh, and Jimmy.

J Jimmy Carper 12:19

Oh God, we love traditions. It's Christmas. And we made to that? Yes.

S Speaker 6 12:23

Well, I did bring something special tonight.

S Speaker 3 12:27

S Speaker 6 12:32

I brought a poem to read.

J Jimmy Carper 12:34

Oh, okay.

S Speaker 6 12:36

Yeah, from rebels.

J Jimmy Carper 12:37

Oh, okay. I'm talking about the rebels.

S Speaker 6 12:40

Yeah.

J Jimmy Carper 12:41

How wonderful that was.

S Speaker 6 12:42

Oh, wasn't it girl. And those dancers? I'm still having dreams.

S Speaker 3 12:49

Did I miss something?

o 12:50

Yeah.

S Speaker 6 12:50

It's very primitive boys with almost nothing on dancing. Very tribal dances.

J Jimmy Carper 12:57

Oh, that I saw the write up on that.

S Speaker 1 12:59

 Jimmy Carper 13:36

Okay, so we'll be doing that in the second half of the show. Yeah, okay.

 Speaker 3 13:39

Oh, and we're gonna be doing other jokes out of our wonderful little Paul are well known that Paul we're doing Wayne's where he jokes the sentence that we will be happy to.

 Jimmy Carper 13:48

And of course the top 10 lists.

 Speaker 3 13:49

And we'll only have our top 10 list and we have other news and but right now we've got music.

J Jimmy Carper 13:54

We've got Jan Barlow with something that I don't it was probably on record to begin with. And that's to you just because I don't know what the original This is old, old kind of Christmasy music and we we kind of start off with something like this every year. S Speaker 3 15:36

Well, I know everybody out there is waiting with bated breath on that. Could you give us a little

rundown on what they may hear later?

J Jimmy Carper 15:44

Let's see a Christmas wish from the goddess a little thing by Judy Tenuto.

S Speaker 3 15:48

Oh, Judy.

J Jimmy Carper 15:49

Judy tells us what she thinks of Jesse Helms.

S Speaker 3 15:53

I just happen to have a joke here about Jesse Helms, the [INAUDIBLE].

J Jimmy Carper 15:57

S Speaker 3 17:09

I mean, it makes me more than nervous. I showed that last card to somebody I thought they're gonna come unglued. Don't even go for that, man.

J Jimmy Carper 17:17

That's right.

S Speaker 3 17:18

Oh, and you know what? This that wild thing that writes to miss Connie of the bodacious Tatas lingers. Who is often the Caravelle cruiselines Yes, fat cow.

J Jimmy Carper 17:31

Oh, that woman left me either. I'm gonna kill her.

S Speaker 3 17:33

Anyway.

J Jimmy Carper 17:34

No Christmas gifts these for her.

S Speaker 3 17:35

I see.

J Jimmy Carper 17:37

The straight guy way.

S Speaker 3 17:39

Well, yes, the he is he does really good lesbian jokes. Anyway-.

J Jimmy Carper 17:43

Smart lesbian. He likes women.

S Speaker 3 17:47

That's true. I love the one where he said we call a lesbian with big fingers.

J Jimmy Carper 17:53

Well hung.

S Speaker 3 17:53

That's it. That's it.

J

Jimmy Carper 17:56

it. We're gonna get calls folk we're gonna talk about the number

S

Speaker 3 18:01

One night he tells he tells her list. I know he knows. One night last week, Peter decided to surprise one of his new lovers. He invited the guy over for dinner. And after dinner, Peter went into the bedroom stripped down to bare men's brief undies that were opened in the back like crotch and fanny-.

J

Jimmy Carper 18:17

Opened in the back?

S

Speaker 3 18:18

[INAUDIBLE] Then he called his friend into the bedroom and when the friend walked through the bedroom door he was greeted with the side of Peter bent over the end of the bed. But Punnett skyward and Peter just smiled as care for some of this. And the guy looks at a gaping hole in the underwear and said if it's eaten all in your underwear I don't [INAUDIBLE]

J

Jimmy Carper 18:41

I can imagine.

S

Speaker 3 18:42

But I did not do that. Not this one. Oh no.

J

Jimmy Carper 18:45

Think you for being you didn't pass?

S

Speaker 3 18:47

When I'm saving myself for Paul. And another guy who Peter picks up in the bar I don't understand it. Had his hand down the back of the panties. sampling the wares when Peter complain take your ring off it's pretty. Peter wasn't wearing ring he was wearing a wristwatch. Oh, who is this person? I think Oh my I'm thinking about this way for a while but I spend most of my time thinking about Paul. But anyway. Oh, shall I-.

J

Jimmy Carper 19:14

Do we have news items?

S

Speaker 3 19:15

We do. We have news items. Honey, I've got some news items here that are just gonna like too much.

J

Jimmy Carper 19:22

Okay.

S

Speaker 3 19:22

One of them. I'm looking for this really. Oh, this latest one. Do you realize now that we have just gone beyond the limit. Now you know how we always push for using safe sex and condoms. Do you know now that they now have out on the market musical condom?

J

Jimmy Carper 19:42

What?

S

Speaker 3 19:43

Yes child. I have searched long and hard our Resource Committee with beyond their normal time to find this one musical condom. As you can see, this is a real life. It is from real life paper, a newspaper in Hungary. Of course we couldn't do it here. The country that gave the world composers like lists and Bartok has a new contribution the musical condom invented by a novelty shop owner, the condom works musical greeting cards with a melody playing as the condom unrolls. Currently I love this. The condom comes with two with one of two Hungarian tunes? Well, as you unroll this condom it plays it's a little song and the two tunes that they decided to use are You Sweet Little Dumbbell or a Riset Worker? It is in print I swear with you know who is my maker? Oh, no. Musical condom? Yes, indeed. I'm buying you one for Christmas.

J

Jimmy Carper 20:56

Thank you.

S

Speaker 3 20:57

Speaker 3 20:57

I know you'll-.

Jimmy Carper 20:58

I hate to be bored you know it gets a boring rolling the things.

Speaker 2 21:03

Musical interlude.

Speaker 3 21:07

Yeah, you know what you see when the Pillsbury boy bends over? Doughnuts. Just a little piece of stupidity for them. I love to just bang those in on Jimmy let him watch him go. Well, it's the holiday baking season. I just thought I'd throw that in. Of course you know that. I was waiting to give that to Connie because you know how that child loves to chow girls. Anything with bacon cheese there. Oh, and get this I thought I was gonna wet when I read this. As you can see, again, another piece of real live stuff out of newsprint. It's called No Sex, Please. Laura Kate Van Holkaby t-shirt proclaims that she is a sexless in Seattle and proud of it. The 26 year old landscape gardener became a Born Again virgin. Why?

Speaker 2 22:06

How do you become a?

Speaker 3 22:08

Anyways she's a Born Again virgin child on February 15. After a series 1996 after a series of unfulfilling sexual relationships and now she has started a Born Again virgins of America club. It's simple premise is no marriage certificate and no sex up.

Speaker 2 22:32

Born Again virgin Give me break.

Speaker 3 22:36

When you're gone it's-.

Jimmy Carper 22:38

I've had some people try to pull that crap on me.

 Speaker 2 22:41

Oh, I've never done this before.

 Jimmy Carper 22:42

Yeah, right. Heck, I'm falling in.

 Speaker 3 22:51

[INAUDIBLE] Honey, I mean to tell you I read that I said, A born again virgin. Oh, there's hope first of all. And I found another little interesting tidbit. Now this this is a tid biddle hibbity. Here we go. is titled as [INAUDIBLE]. Called Bottoms Up.

 Jimmy Carper 23:13

Oh, here we go.

 Speaker 3 23:15

The marketing firm Euro Monitor says folks in Thailand, this little world we gotta get beyond the [INAUDIBLE] folks in Thailand are on the low end when it comes to toilet paper use.

 Jimmy Carper 23:30

Yuck.

 Speaker 3 23:31

At just under a kilogram per person per year. Now, who in the world you think uses more toilet paper than anybody else?

 Jimmy Carper 23:40

America.

 Speaker 3 23:41

Accordina to-. Oh. no. no. Oh. no. We are. Now you know. Peter and Connie Linaus show brinas

you world renowned. We have a research staff that succeeds. Oh, uhm, broaden our spectrum beyond USA whom do you think may use more toilet paper than the.

J Jimmy Carper 24:08

The French?

S Speaker 3 24:09

No that wasn't a hint. I just threw you off. It works. And we read here following Israeli.

J Jimmy Carper 24:17

Israeli.

S Speaker 3 24:18

Guns. When you look at the bottom line, using an average of nine kilograms each year.

J Jimmy Carper 24:25

I always knew they were pulling.

S Speaker 3 24:26

Oh, wait, here we go. Moving right along. Yes indeed. My whatever next line. Oh, I love you. Anyway. Okay, let's see. Oh, ah.

J Jimmy Carper 24:45

It's incredible.

S Speaker 3 24:47

Did you hear about the gal that city this room when Connie took off on that damn plane. Last thing I said to her the big fat cow. And she those both days just talked to us, tucked appropriately in the upper scoop arguments. I don't know if she took them off or put them on amateur. Anyway, what she said was, are you ready for this?

J Jimmy Carper 25:08

 Jimmy Carper 25:00

Yes.

 Speaker 3 25:08

Did I do something?

 Jimmy Carper 25:09

No.

 Speaker 3 25:09

Oh, good. Anyway, there's this there was a gal sitting in first class. And the stewardess came up to her and said, Listen, ma'am, she says, I'm sorry to put in the wrong seat. Oh, that your ticket is for coach. And they said, I'm blonde. I'm beautiful. And I'm going to the Bahamas and I'm not moving. [INAUDIBLE] said, But and I don't care this has nothing to do. So this new stewardess went and got the head, stewardi or whatever. And the other guy coming through and said, Ma'am, I'm sorry. He said, Listen, you're in the first class teachers ticket says you need to go to coach, please move back to the back of the cabin, blah, blah, blah. She says I'm blonde. I'm beautiful. And I'm going to the Bahamas and I'm not going to move. Well, of course, people are waiting to put their overheads up. Well, yeah, anyway, this stewardess were just not being able to do anything goes to get the pilot. Pilot comes down. And he says, ma'am, I'm sorry. I'm so [INAUDIBLE] here. But the bottom line is, you need to be back a few rows. And that's it. She says, I'm blonde. I'm beautiful. I'm going to the Bahamas and I don't intend to leave. So he reached out and he whispered something in her ear, grabbed all of her stuff, got up and ran back to the coach and gotten her seat.

 Jimmy Carper 26:23

Whoa.

 Speaker 3 26:24

And the stewardi came and he said, What did you say to that woman? He says I reached over and said to her that this half of the plane isn't going to the Bahamas.

 Jimmy Carper 26:35

Well, she certainly is blonde.

 Speaker 3 26:37

Open the transcript in a new tab to read along with the video

Oh, blonde and beautiful. And and Connie got her seat of course.

J Jimmy Carper 26:45

So-.

S Speaker 3 26:47

Half of the plane isn't going to the Bahamas after-.

S Speaker 2 26:49

The plane wasn't going to the Bahama's and the blonde babe moved. Here we are. Cruising right on down the highway of life. In high gear.

J Jimmy Carper 26:59

I see.

S Speaker 2 27:01

Dude, is there anything exciting?

S Speaker 3 27:04

Oh-. There must be now this is exciting.

S Speaker 2 27:08

Okay.

S Speaker 3 27:09

Are you ready for this? Now you can see this is a large portion of a major-.

J Jimmy Carper 27:14

Yeah.

S

Speaker 3 27:14

Occasion with its comics on the back. Yes, indeed. This is out of no less the Chicago Tribune.

J

Jimmy Carper 27:22

Ah.

S

Speaker 3 27:23

Yes, indeed.

J

Jimmy Carper 27:24

I know where that came from.

S

Speaker 3 27:25

Well, indeed, right out of our local Houston Chronicle. Ah, you may get high reading old books.

J

Jimmy Carper 27:31

What?

S

Speaker 3 27:33

In the child, y'all running out that library and I can see you getting your library cards never going away. It's never been away in the old book section. Anyway, it says here, this is documented. I'm not just you know, getting high on great literature is taking on a whole new meaning. I see. He said the blind man as he picked up a Xamarin. So it turns out that if you spend enough time around old books, and decaying manuscripts, and dank archives, you can start to hallucinate.

J

Jimmy Carper 28:04

Now I can imagine.

S

Speaker 3 28:06

We're not taught we're not taught we're not taught here, but we're not talking psychedelia, Lucy in the Sky with diamond stuff here. But maybe only a step or two away from that experts on the various fungi that feed on the pages. And on the covers of books are increasingly

convinced that you can get high or at least a little wacky by sniffing old books. Fungus on the books, they say is likely source of a hallucinogenic spore. No say it isn't. So give me my library card. The story of the strangeness in the stacks. Strange this in the stacks, you know, in the library, I see a lot of things going on. The strange things in the stacks, first started making its way through the usual state antiquarian book community late last year with the publication of a paper in the British Medical Journal, *The Lancet*. Indeed, so those are now-.

J Jimmy Carper 29:07

This is real stuff.

S Speaker 3 29:08

This is real life stuff.

J Jimmy Carper 29:09

Everybody's gonna be hanging around in the basements of libraries. Sniffing the corners

S Speaker 3 29:16

[INAUDIBLE] what they say, as the article goes on which I will not bore you with all the graphic facts. However, they say a quick walk through the ancient books section will not get you that way. You must spend a decent amount of time poring over oh yeah, yes, but they have had. There are kinds of symptoms they talk about in here. They're not fully understood, but they people smelling things that aren't there hearing sounds that aren't there. And you see paranoia too seeing little green men is only a step away from these things. Other symptoms she lists is irritability and inappropriate anger. I think I would have inappropriate anger if I spent that amount of time trying to get high the book stacks.

J Jimmy Carper 29:57

Well, no kidding. But you know, in the bookstores I go to Oh, wait. We don't have an antiquated book section.

S Speaker 2 30:04

Now you just get STD's.

J Jimmy Carper 30:07

Well, what can I say? No.

S

Speaker 3 30:09

Now, honestly, in all truth.

J

Jimmy Carper 30:11

Yes.

S

Speaker 3 30:13

Peter has never been to a bookstore.

J

Jimmy Carper 30:15

You're kidding me.

S

Speaker 3 30:16

No. I'm not kidding you. Why I just don't do bookstores.

J

Jimmy Carper 30:22

I've done them all.

S

Speaker 2 30:24

How do we know? And in our top 10 List tonight?

J

Jimmy Carper 30:26

Yeah. We have a little something for you then if you've done them all.

S

Speaker 3 30:29

Oh my god. I don't know. I just never did. I don't know what to do. I know. But I mean, like, I don't know the jargon. I mean, in a bar.

J

Jimmy Carper 30:38

You don't talk? There's no jargon.

S Speaker 2 30:40

Let's see, that's the problem. You're a talker. Yeah, you know.

J Jimmy Carper 30:45

You'd like to talk him into it.

S Speaker 3 30:47

Talk me into it

Jimmy Carter 30:48

They're ready for it.

S Speaker 3 30:49

Well, I know but I'd like to you know, chat. I mean, it's you know, I just I don't know it's one of the things never did it never did a bathhouse.

J Jimmy Carper 30:58

Oh my gosh, you're kidding.

S Speaker 3 31:02

Aren't we a quaint little thing-

Jimmy Carper 31:04

When they- first in line when they were opening their doors for the first time.

S Speaker 3 31:11

You thought as a whole from hell did you well, but we see how-.

S

Speaker 2 31:15

J

Jimmy Carper 31:21

S

Speaker 3 31:24

She don't know books. She don't know bad but she know how. Girls you know, Wow. Whoa. looking over my shoulder scares me. Oh, so anyway, we just have found all these fab articles about this. Absolutely. Just crazy and inane and stupid things. And another one I found you're not gonna believe this some guy in Sterling Heights, Michigan. It said the dream ends loudly and painfully. Yeah, really? This is from Rutgers news and Sir, a 24 year old man needed 16 stitches on his penis after shooting himself with a semi automatic pistol while asleep. God. According to police file.

J

Jimmy Carper 32:11

Now that was some dream.

S

Speaker 3 32:15

I've had dreams any but I've never [INAUDIBLE] up at 16 and identified Detroit man was sleeping with a loaded pistol when the gun went off early Saturday, said Lieutenant Owl Wolinsky. When you know he's from Detroit, the Sterling Heights Police Department, he heard a loud noise when he awoke and discovered that he had shot himself in the penis. If you don't got nothing better to do sleep with a gun. Oh, maybe I'm telling you, it just you don't have to go anywhere for humor. It's all right. It's all right here, I just look and laugh and carry on. And oh my god.

J

Jimmy Carper 32:54

You know what I think we should do?

S

Speaker 3 32:56

Well, I thought-.

J

Jimmy Carper 32:57

Let's do a little piece of music. And then I'm going to come back with this fabulous thing about these boat people. Just die for. We've got our top ten list.

S

Speaker 3 33:05
