found stockings and garter belts and paddles and an old man who liked to dress up in women's clothing. But they didn't find the [INAUDIBLE] This child is being arrested, held and carrying on for somethin fierce. With found out it's going to clear to the Supreme Court of Canada. And it's just another little Canadian woman trying to do her thing she said she's not a creep or a witch or prostitute or an activist. But she said she handled 1000 clients a year, works 12 to 24 hours a day netting on 100,000 a year for paddling people.

J Jimmy Carper 00:34

Whoa.

P Peter 00:35

Girl, Are we in the wrong business? Or why don't we open up a little shop and just take people in and beat thier ass? What am I doing and that's me. There's something that right there I'm telling you.

J Jimmy Carper 00:51

There's some bad boys out there that need to be punished.

P Peter 00:53

Oh, some bad boys and girls out there that need to be punished. And if you come to my house, well, you make you better, better, better, better. Did you and then the other thing at this time a year with everybody doing holiday baking and all these little homey things and all these queens

have in fake designer tags all over there living toom. 16 trees and more lights than you can count. Martha Stewart comes to mind.

J Jimmy Carper 01:18

Yo we move home economics.

P Peter 01:23

And whatever else.

J Jimmy Carper 01:25

She got her startat Kmart. I mean what is this.

P Peter 01:27

Where she got her damn start, but she is in trouble again.

J Jimmy Carper 01:32

What happened?

P Peter 01:32

Oh, Martha Stewart, the homemaker from heaven, who has now got dirty hands. To her little dirty hands. Martha Stewart is battling her ex gardener in Bridgeport, Connecticut court. Oh, yes. Over overtime.

J Jimmy Carper 01:47

Oh.

P Peter 01:48

And we thought she was good. Ronaldo says that he is do 30,000 And overdyed 30,000. For doing such non gardening chores. At her Turkey Hill Farm in Westport, Connecticut is woodworking helping in the kitchen washing her cars doing but the domestic dominatrix counters that he's a mere agricultural worker and she and tax exempt and she doesn't know

anything. So Stewart and she paid him 56,094. And he submitted a ton of money money due. Oh child, I think she's got that boy doing more than making sure- ones are but did the follow up-.

J Jimmy Carper 02:41

Oh Ronaldo, got a job for you honey.

P Peter 02:46

Come and check my [INAUDIBLE] nevermind [INAUDIBLE]. Did you know there have you seen this article? This was too funny. It's called What's Cooking. And I said for all the folks who resent the incessantly tasteful infuriating April Martha Stewart.

J Jimmy Carper 03:09

That bitch can do anything.

P Peter 03:13

Jim Gardner doing that for work that we found out.

J Jimmy Carper 03:15

Yeah.

P Peter 03:16

Oh my god. We have got a cookbook for you. Martha Stewart's better than you are at entertaining a parody by Tom Connor and Jim Downey Oh, Harper Collins for 14 bucks recently hit the shelves. This little delight contains entertaining but useless recipes for holiday guides for the whole calendar year including Mother's Day homestyle dinner and payback, circumcision day, Homecoming and more. This has got to be but that [INAUDIBLE] read.

J Jimmy Carper 03:55

Every time you turn around you're being invited to a circumcision party.

P Peter 03:58

Everytime.

J Jimmy Carper 04:01

Oh, Paul, please don't ever do it.

P Peter 04:02

Anyway.

J Jimmy Carper 04:04

That's right Paul. Everything you got.

P Peter 04:09

Anyway in this book was this insane. I mean that this is silly. ass recipes, but it said Salsbury steak croquettes. Mother could stretch a little meat in a question I'll bet of questionable pedigree into an intriguing meal almost any day of the week.

J Jimmy Carper 04:27

I've had lots of mystery meat in my day yes indeed.

P Peter 04:30

And don't even go there a little more information overload. A one pound dog or cat or other food meat. Three pounds of breadcrumbs a tablespoon a solid pound a lard bunch of parsley and a bale of potatoes and other tubers in a bucket. Combine all the ingredients at once and set it on the floor using a business end of a 32 ounce Louisville Slugger pound the mixture to New Orleans. Check us in front of the dog if he growls cowers whimpers tuck ears and tail and runs off it's ready. Shape into croquettes with a short slip viciously into the bat, melt lard and a cast iron skillet until it pops a foot higher more on the stove tossing the croquettes and fry until save to eat six hours. Covere with ketchup sir with a snack of airy white bread and a quart bottle of dark soda. Probably sounds like some of the meals they're serving with our friends out and away. yeah help although needing that should if they throw to come home. I'm gonna make up.

J Jimmy Carper 05:39

My to pro crap. Didn't they outlaw that they have some-.

P Peter 05:43

Serious stuff about that. I mean, there's some lawsuits, but those poor boys are not that is not right.

J Jimmy Carper 05:48

No, that is not.

P Peter 05:49

Maybe some investigation or-.

J Jimmy Carper 05:50

Ray hill just screams Oh rains and screamed about that for a long time and-.

P Peter 05:55

Oh, I've heard about it.

J Jimmy Carper 05:57

Yeah. Speaking of Ray Hill.

P Peter 06:00

Speaking of.

J Jimmy Carper 06:02

He was supposed to be here last week. Didn't work.

P Peter 06:05

Didn't make it.

J Jimmy Carper 06:06

Well, he's because he's running for city council.

P

Peter 06:09

He is. When is that election?

J

Jimmy Carper 06:10

That is- I think it's the 18th anywhere. I have to I have to vote absentee.

P

Peter 06:17

Well, you can vote absentee in there, but not in the sovereign and Imperial Court is a single star no election, however.

J

Jimmy Carper 06:23

But you can do that for city council. And this is very important. They expect it to be a runoff because I think there's 133 people running for the seat. I think I don't know 1012. I don't know how many people running seat

P

Peter 06:41

Ray's done this before though.

J

Jimmy Carper 06:42

Yes, yes. But he's also running on the platform of ALF. Adults for legal freedom. It's the anti Jew Don Boney Helen Huey. Close all of the you know, they're on this campaign to close all of the adult adult businesses.

P

Peter 07:01

We got good, you know, it's all the adult business.

J

Jimmy Carper 07:04

Yeah, it's it's crazy. They've got this new rolling, they want any sexually oriented business and they they say what the sexual oriented business is, whether it be a gay bar or a dance hall or whatever. They want to 1500 feet away from any church or school or anything like that. He knows City Council just just passed a ruling about you know, all these warehouses that have all of these combustible they store all these things. radioactive stuff and combustible stuff. Yeah, city council just just voted to have those. And in any new one of those 1000 feet away from any church or school.

P Peter 07:48

Let them go when everybody's in.

J Jimmy Carper 07:52

So that now they want sexually oriented businesses 1500 feet away. I mean, something's not right here.

P Peter 07:59

No, no.

J Jimmy Carper 08:00

These people are just so far out of it, that they don't know what's going on to the real world. We need somebody like Ray in there.

P Peter 08:08

What leads to cause confusion, stir the pot and make things come around. I mean, why put a combustible thing in the 1000 feet from and then well, at least we're on the other side of it maybe the window below the runway and we'll all be in there stuff and dollars down somebody's pants and we won't get hurt at all.

J Jimmy Carper 08:25

See, well see. Going going after the topless the female topless bars now in the straight community, and you know what happens once they do that, then they're gonna go for for the gay bars and the dancing boys and all of that kind of stuff. And, and where will it end?

P Peter 08:52

Oh, well.

J Jimmy Carper 08:54

This is all First Amendment stuff. You know,

P Peter 08:57

It'll all end with us holding hands and the first pew of the second Baptist church.

J Jimmy Carper 09:01

You know, we've been through this all this first amendment stuff over and over and over from the 60s on, you know, when they had the zipper lab lounge showing porno film, you know, there was the big court things there. And you know, it was overrun, and it's like it this is adult entertainment. People are not forced to view it. If you want to view it, then you can you know, and if you don't want to you don't have to that's that's the way down here. So don't go there. So don't go there. Yeah, it's very easy.

P Peter 09:32

And if it's 1000 miles, or 15 feet or whatever, from your home, I mean, what it's not going to bother you.

J Jimmy Carper 09:38

No.

P Peter 09:39

They're not going to be 10,000 cars jam in your driveway to make things happen.

J Jimmy Carper 09:44

I just don't think it's drives me crazy. It just drives me crazy.

P Peter 09:47

It's just like this show people call them wonder who's that one guy that called in about two three months ago and said I don't like what you're doing. What's your problem right now hopped up [INAUDIBLE] be all guys they owe you in the blonde are going to the Bahamas and you're not gonna move.

J Jimmy Carper 10:05

This is the only radio station in this town that would have this show on. So I mean Your choices are limitless, nearly.

P Peter 10:14

nearly limitless this at hour of night.

J Jimmy Carper 10:16

Other one, you don't like what's on this one?

P Peter 10:20

God knows and but we just have this fabulous following who does like-.

J Jimmy Carper 10:23

Yes, yeah, that's what I really liked. The Arbitron ratings came out, you know, a few months ago.

P Peter 10:25

That is. Oh, really.

J Jimmy Carper 10:29

And there was this, they only go to one o'clock in the morning. So, you know, they only ratings for the show. Were for midnight to one. But there's that nice big spike. You know, people like this show this. After Hours is the most popular midnight show at KPFT.

P Peter 10:47

Yay, team, I mean to tell you, Oh, Lord,

J Jimmy Carper 10:52

Now, you know, there's gonna be some some I know now that Pat and Rosie are on it. Sunday night at midnight. There's got to be competition.

P Peter 11:01

Well, Peter will have to drag Connie off that damn cruise ship and get our duty together and get a big one going here. [INAUDIBLE].

J Jimmy Carper 11:10

J Jimmy Carper 11:10  
So do you have anything else?

P Peter 11:12  
Well, well, let's see. No, I mean, nothing really major. Nothing. I couldn't wait until next time we've done our top 10 We've. Let's see. Was there any other little joke gets in that?

J Jimmy Carper 11:23  
Yeah, but I don't think we can. We can say we set off the Queen ones. And those were really fence riders.

P Peter 11:32  
What's another term for lesbian?

J Jimmy Carper 11:35  
Oh.

P Peter 11:36  
Vegetarian.

J Jimmy Carper 11:40  
Oh, the phones are lighting up.

P Peter 11:41  
Oh, they're lighting. Here we go. I see blinking. But that was from our little friend Wayne, Connie's secret admirer. Oh, and when she gets back, she's gonna be so sad that she missed all this craziness.

J Jimmy Carper 11:54  
Well, before you go, let's let's talk to Roy he's online.

P Peter 11:58

Oh. Let's talk to on line one.

J Jimmy Carper 12:00

Yeah.

P Peter 12:01

You ready? You got it.

J Jimmy Carper 12:04

Yeah, go ahead.

P Peter 12:05

Hello, Roy.

R Roy McCarthy 12:06

Hey.

J Jimmy Carper 12:06

Hey, big Roy.

R Roy McCarthy 12:08

Isn't this the Connie Lingus show?

P Peter 12:09

Well, yeah, that damn Connie is often some cruise tour for the holidays. Had to be the promo hostess and prepare all the midnight snack ads.

J Jimmy Carper 12:20

And Roy. Tom wants you to know that he's saving some goodies for you.

R Roy McCarthy 12:24

Alright.

J Jimmy Carper 12:25

We have a lobby full of homemade goodies out there.

P Peter 12:29

And are they fab. Connie is going to be so upset that she missed the show. Well, they needed her for they needed her for floatation device. That's bodacious dot all the ship up.

J Jimmy Carper 12:44

Big Roy? What are you up to?

R Roy McCarthy 12:45

Oh, you know, just the same thing,

J Jimmy Carper 12:47

You're working right?

R Roy McCarthy 12:49

Right.

J Jimmy Carper 12:50

We miss you.

R Roy McCarthy 12:51

Oh, I miss being out there. Believe me. I miss it. I miss all my friends out there.

P Peter 12:55

Well, we miss you too. Honey. Boy, was too bad. You're not here because boy, we just have the most wonderful food here. honey.

R

Roy McCarthy 13:03

Oh, boy, I tell you something. Hey, you know, I was listening in on what y'all was talking about our paperwork with that FOB ordinance. There's nothing in it and in that order new ordinance to stop new or churches or new school from being built or whatnot.

J

Jimmy Carper 13:26

Yeah, I don't know how that works is that you know, if they if a church builds, does that mean that the business has to go?

R

Roy McCarthy 13:34

Yeah.

J

Jimmy Carper 13:34

Or do they can they grandfather that.

R

Roy McCarthy 13:36

Depend on the municipal chat channel. And Jew Don says that was what their intention is. So a church wants to open up a storefront church. Right?

J

Jimmy Carper 13:49

Yeah.

R

Roy McCarthy 13:51

Then they'll be able to.

J

Jimmy Carper 13:53

That really sucks.

P

Peter 13:54

Right. And then everybody else has gotta go. That's right. Well, won't that be cute when they

...open up a storefront church on Pacific Street and then blow out about

open up a storefront church on Pacific Street and then blow out about-.

J Jimmy Carper 14:02

Yeah.

P Peter 14:03

About 16 bars.

J Jimmy Carper 14:04

And this is Jude Don Boney who wanted courted the gay vote because he was our friend.

R Roy McCarthy 14:09

Right.

J Jimmy Carper 14:10

And that-.

P Peter 14:10

Oh, yeah. Right.

J Jimmy Carper 14:11

And now this is what he's doing.

P Peter 14:13

I feel it. It hurts. Yeah, that's like the kiss before you get screwed.

J Jimmy Carper 14:16

Yeah.

P Peter 14:17

— Oh, dear.

R Roy McCarthy 14:18

You know, I think a lot of these newer churches and church schools are abusing are subjecting the children to psychological and sexual abuse, especially when they teach out of the Bible because the Bible is very sexually explicit and very violent.

J Jimmy Carper 14:35

They can be.

R Roy McCarthy 14:36

You know, and so I've been wondering if maybe the there might be some, you know, child abuse being perpetrated by the churches through preaching to the Bible. Now they want to get down and dirty I can get real just as dirt.

J Jimmy Carper 14:52

Oh, don't even go there. Big Roy.

P Peter 14:55

Honey, don't even run down that alley.

J Jimmy Carper 14:58

Let's not do that.

P Peter 14:59

Oh, let's don't even and go there.

J Jimmy Carper 15:00

Well, because there are a lot of queers out there. Who are Christians.

P Peter 15:08

—

very-.

J Jimmy Carper 15:08

What I mean by Christian is, is have the Christian ethic.

P Peter 15:12

Yes. Yeah, they're really gospel-y.

J Jimmy Carper 15:14

Yeah. What we're talking about here-.

P Peter 15:16

They live what they preach.

J Jimmy Carper 15:17

Yeah. Or the extremist fundamentals and, and and, actually, they're very small minority. They're just, they're just vocal. Yeah.

P Peter 15:29

And we're not even gonna go there. And some wrongs never make a right.

J Jimmy Carper 15:33

And so many people rely on their spirituality. Whatever it may be, whether it's Christianity and Judaism, something so-.

P Peter 15:40

Anything.

J Jimmy Carper 15:41

And this is the holiday season. Deck the halls with [INAUDIBLE]

R Roy McCarthy 15:46  
[INAUDIBLE]

J Jimmy Carper 15:49  
I know.

P Peter 15:51  
I know.

J Jimmy Carper 15:51  
What do you want for Christmas, Big Roy?

R Roy McCarthy 15:53  
What I want what I'm gonna get.

J Jimmy Carper 15:55  
Well, what do you want? Honey, we know what you're gonna get? Well, it's cold and you're talking bullshit.

R Roy McCarthy 16:00  
[INAUDIBLE]- about 27. Blonde hair.

P Peter 16:04  
Hang on, girl. We know the Santa live that can whip one of them.

J Jimmy Carper 16:09  
We know better because you already have your man.

R Roy McCarthy 16:12  
Ain't that the truth? Oh, eagle feathers flying all over the -.

J Jimmy Carper 16:17

Oh, yes.

P Peter 16:19

Well, listen, I'll take the federal 27 thing comes down in your stocking. Just bring it out over thank God. No, man child. ain't happening here. Well, baby Roy.

R Roy McCarthy 16:30

What's happening over there at your place?

P Peter 16:33

Whose place, child.

R Roy McCarthy 16:35

Christopher house. Where are we calling?

P Peter 16:36

Oh, no, dear. No. That ain't what it's called. We don't even want to go there. Oh, no. We're gonna go to do some music, Roy. You come back and see us real real soon. Okay, okay, on Happy Merry, Merry Christmas. Happy holidays, Hanukkah and everything else. Yeah, you too. Bye. Bye, baby. Get it and eat this food up. Big Roy.

J Jimmy Carper 17:00

Okay, so we got Gigi in here.

P Peter 17:03

We're gonna bring in here Gigi in with her double end ended dildo thing that I can't believe that that look at that thing. I wish this was real live video radio.

J Jimmy Carper 17:12

I know honey hits us too. But we're gonna do a little Christmas music.

P Peter 17:14

We're gonna do some Christmas music.

J Jimmy Carper 17:17

That's cool. And actually, I want to start it off with a little Hanukkah music because-. Yeah, well, not exact.

P Peter 17:25

Okay.

J Jimmy Carper 17:25

But Hanukkah was during the first week and second week of December. It's already over with so but still.

P Peter 17:35

That's okay. It's a so it's that's a seasonal thing.

J Jimmy Carper 17:38

That's right. And the there's a new Christmas album out this year by the Gay Men's Chorus. Seattle Men's Chorus. It's a live holiday concert. And they they do something really touching about Hanukkah. First, there's a guy who talks about his grandfather and Hanukkah tradition. And then they do a little song. So we're going to do that for you right now. So-.

P Peter 18:08

And-.

J Jimmy Carper 18:09

Thank you Peter.

P Peter 18:10

Well you're welcome. And we will see you hopefully like the fourth. You're gonna be back for

Even you're welcome and we will see you hopefully like the fourth. You're gonna be back for the fourth.

J Jimmy Carper 18:16

Oh, yeah. I'll be here for it.

P Peter 18:17

So because I don't want to do this without your baby.

J Jimmy Carper 18:20

The fourth Saturday of January you'll-. Yeah, I think so. Honey.

P Peter 18:24

Yeah, unless Miss thing takes off and another cruise.

J Jimmy Carper 18:27

We're just gonna have to laugh she doesn't again.

P Peter 18:29

Well, really?

J Jimmy Carper 18:30

Gigi is getting ready for a pagan ritual.

P Peter 18:32

A pagan ritual. I see light candles. I see double ended. Oh, geez.

J Jimmy Carper 18:37

Alright, now, a little something to tell you about.

P Peter 18:40

Peter 18:42

Houston.

[Music] 18:45

I have the honor to tell you about. When I was young, my grandfather told me the story of Hannukkah. How about a band of back hippies rose up against the oppressors who had desecrated the Holy Temple of Israel. And when they returned to re consecrate the temple, they found one little bottle of oil and they burnt it. And it burned for eight days instead of for one. And I said to my grandfather, can that be true? And he said of course it's true. It's a miracle. And I was very, very proud. When I was a child. I believe that the miracle of Hannukkah was about the oil burning for eight days instead of for one. But it's not. The miracle is about a small band of believers rising up against the repressors. Like Stonewall, when I was a child, I realized that I was different. First because I was Jewish, and I do not celebrate Christmas. Later, I realized I was different again, because I'm a homosexual. My gay and lesbian friends say to me sometimes they feel very unconnected to their families of origin at this time of year. And I'm very sad because I am very close to my family. But sometimes at Christmas time, because I am Jewish and don't celebrate the holiday, I feel like I am missing something. But I'm not. I am proud of who I am as a Jew, and as a homosexual. And my grandfather would say to each and every one of you be proud of who you are, and celebrate your differences. I hope you had a happy-.

Kirk Keevert 20:40

You're listening to After Hours queer radio. Four for Houston. And we're on the air with Gigi.

Gigi 20:48

Hello.

Kirk Keevert 20:49

Gigi's got her lovely little ass here this evening.

Gigi 20:52

Oh, yes.

Kirk Keevert 20:53

I'm, I'm Kirk Keevert. If there were any question at all. Gigi what'd you come in here for tonight?

Gigi 21:02

Gigi 21:02

Oh, tonight we're gonna do some pagan stuff. And-

Kirk Keevert 21:05

Cool.

Gigi 21:06

Talk a little bit about rebels.

Kirk Keevert 21:07

It's Solstice time.

Gigi 21:09

Oh, yes, today is the winter solstice.

Kirk Keevert 21:11

It is December 21. It's my grandmother's birthday.

Gigi 21:15

Ah, okay. So shortest day of the year. It's the day that has inspired mythology throughout all time. Today that's kinda celebration, or you know, a lot of people think of the Winter Solstice as a day where it's kind of bleak. But actually, in pagan terms, it's a day where of celebration because it's the day that the Sun dies. And the next day the sun is reborn. And the whole your tradition is to well, with a lot of cultures say celebrate by lighting fires, the winter solstice to help the sun be reborn the next morning. And then the next morning when the sun comes up there's a big celebration.

Kirk Keevert 22:10

Cool.

Gigi 22:11

The day starts, the sun starts gaining strength again and coming back.

Kirk Keevert 22:15

And what sort of celebration do you have planned for in the morning?

Gigi 22:18

Oh, I'm probably going to-.

Kirk Keevert 22:21

Sleep in.

Gigi 22:24

No, actually. I've got a lot of doing tomorrow I'm gonna be making a bunch of stuff. Candles and some other fun things.

Kirk Keevert 22:36

Okay. We'll leave it at that some other fun things?

Gigi 22:39

Oh, yes. Without getting too graphic that-. I did bring a poem-.

Kirk Keevert 22:43

You did?

Gigi 22:44

And this poem comes from a play we are involved in each year. It's called Rebels. Each year, they pick a different culture and do a lot of research into the mythology of that culture and into the paganism and some of the early Christianity that comes about through many other cultures. And this year was Mesoamerican rebels, meaning they went back into Aztec mythology brought up a whole bunch of stuff. Last year was the North ones. And I brought the script up because I wanted to read part of it because it deals so much with the winter solstice.

Kirk Keevert 23:39

Oh, cool.

G

Gigi 23:40

So I'm gonna read part of that a little later. But for now and to read the Shortest Day, the Shortest ay, and it's by Susan Cooper. So the shortest day came in the year died. And everywhere down the centuries came people shouting, singing, to drive the dark away. They hang the house with mistletoe and burn the seaching fires to keep the sun alive. And when the day blazed awake, they shouted what raveling through all the long years, you can hear them echoing behind us. Listen, all the long nights to bring the same request the shortest day as light wakes in the sleeping moore. They laugh, sing, give thanks. And dare say- Oh, I'm sorry. And dearly love their friends and pray for peace. And so do you. And so do we are here now this year and every year. Welcome you all.

K

Kirk Keevert 24:55

Right that's just lovely.

G

Gigi 24:58

It's just lovely.

K

Kirk Keevert 25:00

And that's included in this year's-.

G

Gigi 25:02

Oh, it's in every Rebels.

K

Kirk Keevert 25:03

Oh is it.

G

Gigi 25:04

This poem appear somewhere in the program and everywhere else.

K

Kirk Keevert 25:10

Let's talk a little bit about Rebels and where where is that going on?

**G** Gigi 25:14

Okay, it's just finished.

**K** Kirk Keevert 25:16

Oh, okay, so we don't have to talk about that.

**G** Gigi 25:20

But it happens at Rice University every year. And it's good to get tickets early because usually they do sell out.

**K** Kirk Keevert 25:30

Oh really?

**G** Gigi 25:31

Yeah. This year, we went to six performances, so we didn't quite sell out. But the next year, they're doing only six again and they probably will sell out. It's a chair where you get a little bit more of a following.

**K** Kirk Keevert 25:43

Yeah. When I was when I was living in Atlanta, my therapist, a gay man in therapy with a therapist, who knew? Well, it was a it was a group and he he was a gay men's group. And he was he was pagan. And I always thought it was kind of a shame that that you know, you weren't supposed to get in, you know, get personally involved with your therapist, because he sounded like he had the coolest parties.

**G** Gigi 26:19

Oh, absolutely. Certainly they-.

**K** Kirk Keevert 26:22

I know you do. I've heard all about your Oh, yeah. It's not all about frankly, I think that's okay. But um, but yeah, I, I always kind of wanted to to get more to learn more about all that. And I sent him I sent about, I didn't send him a Christmas card. I sent him a solstice card. Oh, it's very politically correct.

G

Gigi 26:46

Well, the other thing about Rebels and Jamie can attest to this. Every year is just awesome. Some of the male dancers in scantily clad outfits.

K

Kirk Keevert 26:59

You got me at that.

G

Gigi 27:00

[INAUDIBLE] more so than others? Baby-.

K

Kirk Keevert 27:03

Well, I'm sure. I'm sure they do. Sure. They were fully dressed.

G

Gigi 27:07

It was loin cloth.

K

Kirk Keevert 27:10

Why don't people tell me about these things beforehand. I hear about all this stuff afterward.

G

Gigi 27:15

But it's really festive. And in German, German Canons saw it.

K

Kirk Keevert 27:20

Did they, I just want you to tell me.

G

Gigi 27:24

I guess not. But anyway, before I get into the play, and reading a little bit of it. Earlier, they had talked a little bit about bisexuality. And I kind of want to go into a little bit of clarification. Oh, but before we do that-.

K

Kirk Keevert 27:45

If you want to, if you want to do that first. It's your world. Baby I'm just in it.

 Gigi 27:49

Oh, it's cool. Why don't we go to a bit of music. I got a call earlier tonight from Scott. And so I wanted to dedicate a song to him. He's such a sweetheart. And so I forgot the name of it But Jimmy lined up at its Christmas.

 Kirk Keevert 28:11

Roaches.

 Gigi 28:13

Wonderland.

 Kirk Keevert 28:14

It's. It's Winter Wonderland.

 Gigi 28:19

So Scott, here's Winter Wonderland.

 Kirk Keevert 28:31

The Roaches with their the Brooklyn version. When the one the land was for Scott from Gigi. Now you were about to you got to just go off girl.

 Gigi 28:45

Oh, I know.

 Kirk Keevert 28:46

About about the whole bisexual thing. Yeah what a shock. She's gonna go off about the bisexual.

 Gigi 28:53

Oh, always go off about that girlfriend. Earlier, they mentioned that, you know, they got to talking about my sexuality. And you know, one thing that just kind of instantly jumped in my mind is that a lot of times people place bisexuals is something in between gay and straight. And I kind of wanted to clarify and say you know, it's really is a third sexual orientation. I'm not gay when I'm sleeping with a man and straight when I'm sleeping with a woman you know, just I like both always been attracted to both. I've gotten a little bit both in me. I mean, there's a lot of different types of bisexuals. But I think the one thing we all have in common is that it is a third orientation.

 Kirk Keevert 29:44

Yeah. The one thing that that I remember really bringing that home for me was when I was with the gay and lesbian community center in Denver, and they were real good about about bringing people in to talk to the phone staff and, and, and expanding their, their horizons and all that. And we had some, some people from the bisexual group in Denver come in. And one of the things that they that they really, one of the things that I had always said was yes, sex is a part of it. But I think I think my being gay is more I'm never gonna fall in love with a woman. I don't see myself falling in love with a woman. And and I can always see myself falling in love with a man. Well, bisexual people. The, to me, in my mind, it's, well, they've just got to they just got to complete the more open mind about it. It's, it's, well see and see, again, it sounds it sounds kind of it sounds kind of like I'm like, I'm trying to be liberal- it and include them include them in gay. Which, which I'm not trying to do.

 Gigi 30:10

Well, I feel included in gay because I'm definitely not straight. Well, you know, I'm part of the queer community, right. And I think part of bisexuality is that it's, you know, for me, from the time I ever became aware of anything between the legs, has attracted to both.

 Kirk Keevert 31:25

Yeah.

 Gigi 31:26

I mean, watching people run around the track, that boy jiggles in the girl jiggles got it poking up just as hard as either. But to me, sexuality is not just a physical thing. It's also a spiritual thing.

 Kirk Keevert 31:45

Well, yeah.

And, you know, we all have a different kind of energy. Some people in, you know, regardless of what gender you have, you have a mix of male energy and female energy.

 Kirk Keevert 31:59

Right.

 Gigi 31:59

Everybody does, right. But you know, most males have a little bit more the male energy and most females are more of a female, right? But um, you know, it gets really, I mean, when you start looking at gender, and you always have to bring up Kate Bernstein's book, The Outlaw, Gender Outlaw.

 Kirk Keevert 32:21

Right.

 Gigi 32:22

Because she's so good about, you know, getting into the fuzziness of what is it to be a male.

 Kirk Keevert 32:28

Right.

 Gigi 32:29

You know, because we really aren't very clear in the waters get really muddled.

 Kirk Keevert 32:35

Yeah.

 Gigi 32:36

So before we can even talk about sexual orientation, you know, we've kind of got to get an idea of what it is to be a man or a woman, you know, and what is it? You know, is there something in between that and, and can you be, you know, I consider myself being androgynous. You know, a little bit about more on the rare people here in Houston, I think probably in this country. Identify as not as a crossdresser but as an androgynous person.

K

Kirk Keevert 33:08

Yeah.

G

Gigi 33:09

You know, I don't really cross dress I-.

K

Kirk Keevert 33:12

You just get dressed.

G

Gigi 33:13

I just get dressed. Yeah. And I have a little bit of male and I have a little bit of female. I mean, I'm wearing a fuzzy face and in a dress-.

K

Kirk Keevert 33:21

And a skirt tonight.

G

Gigi 33:22

Yeah. And I, you know, it's rare that wear falsies anymore, and I'm like, my own chest. Even when I'm in the dress, now, sometimes I'll put them on just for the fun of it. But part of that is that, you know, I'm not trying to dress like a woman.

K

Kirk Keevert 33:40

Yeah.

G

Gigi 33:41

You know. And that kind of ties over to bisexuality in a strange sort of way because not only am I identify as having both genders me very strongly, but also identify with being attracted to both genders equally. Yeah. And so it's, for me, you know, I'm probably one of the rare exceptions in the bisexual community because the waters get really muddy and my-.

K

Kirk Keevert 34:09

Ain't no water. It's all just mud.

G Gigi 34:10

-Just so confused.

K Kirk Keevert 34:13

It's all just mud at this point, it's just, it looks like lava just pouring down the river. That's all it is.

G Gigi 34:17

And I've got so many people tell me why you just need to make up your mind. Be a boy or girl. Boy or be attracted to a girl. But you know. And, you know, that's but that's the key issue. And I think that's important to bring out is that, you know, bisexuality isn't about the one or the other.

K Kirk Keevert 34:39

Yeah.

G Gigi 34:39

It's being both.

K Kirk Keevert 34:41

Yeah. The I just shown it, are we showing the chart one time and I'm going to be stupid here and try to describe a chart on the radio. Solid, solid pink solid blue line on either end, and then and then several bars in between And then those bars were divided by a diagonal line. And the blue was on top, and the pink was on bottom. So so so the bar all the way to the left was solid blue. The next bar was mostly blue had a little bit of pink. And the next bar was still mostly blue and had some more pink, and all the way up until it was a solid pink line. Everybody falls in there somewhere. Everybody falls into one of those places, as thier attracted to? Well, no, I mean, you probably fall just square in the middle as to who you're attracted to how you identify yourself.

G Gigi 35:35

But once again, I don't think that's quite square in the middle. Because, you know, I've met a lot of gay men that had relations with women, because of society structure. Got something out of the experience, but they were gay. Then where does that put them on this chart?

K

Kirk Keevert 36:00

I mean, I I've done that.

G

Gigi 36:03

Yeah.

K

Kirk Keevert 36:05

I've eaten fish before. But I'm sorry, Jimmy. I have- one of these I says. Yeah. Well, one of the things to say when I did my stand up act was was that there's nothing that all gay men have in common. I mean, we don't all dress in leather. We don't all wear dresses. We don't all love Barbra Streisand. Okay, that was a lie. But no. Oh, are you the one? Are you the one gay man that doesn't like Barbra Streisand.

J

Jimmy Carper 36:36

Talk to a lot of lot of gay men under 20. Oh, yeah. not know who she is. But they don't like her.

K

Kirk Keevert 36:42

Yeah. And that's really kinda sad.

J

Jimmy Carper 36:45

Well, they have their icons. It's a new generation.

K

Kirk Keevert 36:50

Come with us, anyway. But but the other the other thing that I said was, that was true about all gay men was that whenever I told them that, that I'd perform kind of cunnilingus, they all went ewwww. Just standard thing that I'll just leave it alone now.

G

Gigi 37:12

But anyway, the the thing I'm the point I'm kind of bringing out here is a very fine distinction of more of a spiritual level, I think, than the physical. Yeah. And it's real hard to get kind of a grasp of this. I mean, I've talked on the show a lot of times, and we've even had some people in

here that go, I just don't quite get it. You like how can a bisexual be in a monogamous relationship? And I go, it's easy. You know, it's the same premises that someone who's never ever a virgin whereas they might be can be gay.

 Kirk Keevert 37:51

Yeah.

 Gigi 37:52

You know?

 Kirk Keevert 37:52

Yeah. And they are rare.

 Gigi 37:54

They're rare.

 Kirk Keevert 37:54

But yeah. There are-.

 Gigi 37:57

You don't have to do something sexually, to be gay, or be straight or be bi.

 Kirk Keevert 38:04

[INAUDIBLE] there are because I know we have a lot of a lot of high school kids that listen to the show, and that this is maybe their one outlet a week to do that.

 Gigi 38:14

Yeah.

 Kirk Keevert 38:15

To identify.

G

Gigi 38:17

And I'm when I was in high school, I just wanted to show like this boy, I had to find the hard way. And that was hard.

K

Kirk Keevert 38:26

But I'm sure there are people in high school that that identify themselves as gay that know that that's what they're attracted to. But but haven't had an outlet to figure that out?

G

Gigi 38:39

Yeah. And that's the spirit more of a spiritual.

K

Kirk Keevert 38:42

Yeah.

G

Gigi 38:43

It's, it's who you daydream about. Yeah, it turns your head when they're walking down the street.

K

Kirk Keevert 38:48

Yeah.

G

Gigi 38:48

You know, it's like, it's, it's not anything physically tangible that you can put a finger on, but some people will turn your head and some people won't. And that gets on that spiritual level. And that's what I'm kind of talking about. Boys and girls, some boys and girls turn my head. Yeah. Others- get back. But um, but basically, you know, it's, it's, and that's why I try to say, you know, bisexuality isn't something that falls in between gay and straight.

K

Kirk Keevert 39:27

Yeah.

G

Gigi 39:27

Gigi 39:27

You know, it's not something in the middle.

Kirk Keevert 39:32

Yeah. Let's, let's get back to Rebels a little bit. You bought some stuff from from last year?

Gigi 39:39

Oh, yes. And this is really it's a little bit on the long side that I think it's worth doing. And forgive me my pronunciations of some of this. It's been a year now since I've heard some of these names. So I will do my best
