There was a crippling disease that no amount of medical research can cure. No amount of fundraising by telephones can prevent a disease most often transmitted from parent to child, and unchecked in its early stages can be fatal. The disease is called racism. Its early symptom is the belief that one's racial group is somehow superior to others. In advanced stages, the symptoms of racism are violence, death and destruction. A cure however, exists. It's a nonsurgical change of heart. It takes time, effort and understanding compassion, forgiveness, respect. Let us agree today that in our homes, in our hearts and in our lives, we will all promote and encourage racial harmony, unity and understanding this message in support of racial unity was brought to you by the behind fate. Hi, this is Craig Washington, reminding you that none of us are free until all of us have free. So keep listening to after hours. KPFT Houston 90.1 FM

02:18

we must destroy them Swanson cross shatter them, we must continue to speak out. And most importantly, most importantly, every gay person must come out you must tell your immediate family, you must tell your relatives, you must tell your friends if indeed they are your friends, you must tell your neighbors you must tell the people you work with. You must tell the people the stories you shopping once they realize that we are indeed their children, and we are indeed everywhere, every myth, every lie, every innuendo will be destroyed once and run. Once you do, you will feel so much better. Already have a few words for KPFA come on out. Join us. Bring your friends. What do you think? Well, it's never enough. Never enough. And I asked I asked people all over this country to do one thing

Jimmy Carper 07:03

what was he doing? Good morning. He was he was reaching into my pocket for something he needed

Buddy Johnston 07:08

to tell his wife was reaching for my

Jimmy Carper 07:11

keys he needed to move my car. Oh, you don't have the parking is here some night especially.

Buddy Johnston 07:17

And you're gonna let this straight guy move your car. I let him reach into

J Jimmy Carper 07:21
my pocket.

 07:25
Good morning.

B Buddy Johnston 07:28

09:01

work at all. I'd cool around

Buddy Johnston 09:14

hang on a minute, girl. What? We can't play that yet.

Jimmy Carper 09:17

Why? It's after midnight. We all want a man. We have and we got our first pledge though. Oh, that's right. Do the show. First pledge.

Buddy Johnston 09:26

526-573-8526 KPFT. That's the number to call.

Jimmy Carper 09:32

Do I hear Rogers dulcet tones coming from the lobby? Yes, you

Buddy Johnston 09:36

did there. It really must be marathon. It's it's marathon. If I'm in the lobby. That's the reason we said we can't start yet. We have to wait till we get our first play. We got to tell you that this morning. We got some great stuff. We've got that Nancy Griffith CD. Yeah, that Ben and Matt gave us last week. In fact, I have it with me. And there's only one of those and we've got At several of the other things that we've had in the past that are good and there's like only one or two of those

Roger 10:07

Ron Paul collection in the

B Buddy Johnston 10:09
entire collection of Ron Paul's music or three albums thing, they

J Jimmy Carper 10:13
have record we have

B Buddy Johnston 10:14
okay girl, what do we have? We have one copy of Torch Song Trilogy, the LP, LP, and we've got one copy of flip up the album, which we're going to play something about on that later. And we do have five copies of the Yazz album.

J Jimmy Carper 10:34
Or we have five of those. Yeah,

B Buddy Johnston 10:35
so for \$40 you can get a yes album and all the other goodies that come with that. And we have five copies of the Harvey Milk highlights tape that we did last year. Uh huh.

J Jimmy Carper 10:44
We've got well we've got some after hours stuff that we put together, the after hours highlights salute to Stonewall 90 minutes. That's a good tell to your faves that you you've heard on the show. Plus, a 60 minute tape of gay music faves that have been played on the show. Completely different than the first tape. We've got five each of those. And we have one copy of the names project book stories from the quilt, which is beautiful. It's uh, yeah, it's being sold right now for \$25. But this one is a first edition.

B Buddy Johnston 11:24
Okay, five to six. 4000 is our number. If you have comments, the pledge line, of course, get your pencil because we're gonna go through this one more time is 526573852526 KPFT. For a pledge of \$40. You can pick up one of the Yazz LPS wanted which contains stands to stand up for your love rights. You can get the KPFT milkyway t shirt which glows in the dark and the program guide for a year. Now there are only five of those so the first five that call in a pledge of \$40. That's what you're gonna get. We also have the Harvey Milk's highlight tape. And what was the other tapes we had?

Jimmy Carper 12:01

We have the after our highlights salute to Stonewall and the game music Fe

Buddy Johnston 12:06

there are five of those right? Yeah, five H Okay. So there's there's five lucky people that can get in on that. And let's see, we've got the Ron Paul collection. Unfortunately, there's only one copy of those. All three albums. So when that's gone, it's gone. And we have the bullpup album, which contains the song man, man, man that we

Jimmy Carper 12:28

play along that one that that one Oh, it's the one that the woman said. Yeah, that God Damn man

Buddy Johnston 12:34

will play that in a second. And we've also got one copy of the soundtrack to recording from Torch Song Trilogy. Yeah. So 526-573-8526 KPFT. Call us up and let us know what you want. And let us know where you want to start. And we'll start wheeling and dealing and we want to raise a deal. We want to raise some money this morning. And we want to do it quickly.

Jimmy Carper 12:57

Right, right, right. Have we had the first pledge yet?

Roger 13:01

No, we haven't had

Buddy Johnston 13:04

15 minutes after 12. And we need to raise Oh, I don't know probably \$100. We can raise like 1500. Or more than that. Yeah, we need to. So we're waiting on you to go to the phone. You know why you tune in and you know why you listen, you know why you enjoy hearing the things that you don't hear on other radio stations. We've played everything from the March on Washington for gay and lesbian rights back back in 87, which we broadcast five hours of that. We broadcast the gay and lesbian Pride Week parade to you every year. We bring you gay and lesbian music that you're never going to hear on any other radio station unless they just accidentally go crazy and put on the wrong record. But anyway, crazy. They're not going to play Ron and Paul's give me a homosexual on the show. No. So you can forget that. 526-573-

8526 KPFT waiting on our first pledge of support. Hopefully you can grab one of these goodies. What about this Ron Paul thing? Do you have to do something special? Like maybe join the 90.1 Club?

 Jimmy Carper 14:01
I think he's right.

 14:03
We'll write that next three albums.

 Jimmy Carper 14:05
And not only that they're really hard to get what else do you get with

 Buddy Johnston 14:09
90.1 club you get the program guide for a year the Milky Way t shirt is the clock, the 20th anniversary acrylic clock, the KPFT colonial t shirt that we said that and you get the membership club to the 90.1 Club which the membership card, which entitles you to discounts and businesses and merchants and all kinds of goodies. Oh, all over the city. So if you're the first one to call in join the 90.1 club. You will also get as a bonus from after hours. The Ron Paul collection which contains all three of their albums. So that's a goodie right off the bat. Yeah, and if you want to join the \$40 level, we'll give you the program guide for a year that glow in the dark t shirt which really looks great that's gonna be a keeper. And we've only got five years albums and we'll throw in something what we're gonna throw in Mary

 Jimmy Carper 14:58
Well, how about some of These since we have five each of those,

 Buddy Johnston 15:03
okay? So if you if you join at the \$40 level we'll give you the your choice of either the Harvey Milk's highlight tape, the after hours game music faves or the after hours highlights tape, that's 290 minute cassettes and 160 minute cassette. So you can get a t shirt Annika set at the \$40 level. If you join at the 90.1 club level and get the 90.1 club membership, and you'll you'll get all three cassettes. How's that? Yeah. Okay. And if you do if you join at the 90.1 club level now, in the next few few minutes while we're taking those calls, at 526-573-8526 KPFT. And you want the Ron Paul collection, we'll even throw in the whip up album or the Torch Song Trilogy album, your choice if you make that pledge on a credit card. Okay, money's here with us right away. That's

J Jimmy Carper 15:54
a good deal.

B Buddy Johnston 15:55
So five to 65738526 KPFT. We need your money, we need your pledges and support, we need to know that you stand behind us and that you're going to back us up. And most of what all we do here every week, we know you don't always agree with what we say. But we do try very, very hard to bring you the truth because that's important. The truth and as it affects gay and lesbian people will not be broadcast on very many radio stations in the Houston area. So that's one reason you tune in, we've got Greg Gordon and Lucia Chappelle with this way out coming up at 130. Ron is here from the switchboard, our very second first guest. I know I'm really excited about really gonna be fun because he was here three years ago, as a second guest on the show, and we were just brand new. Although then it was two in the morning and he wasn't awake. He's awake now. And it's 18 minutes after 12. And it's gonna be fun. So I'm going to be talking about the switchboard here in a few minutes, we waiting on your call of support 526-573-8526 KPFT. That's the number to call it.

R Roger 16:58
You know, if you want to call and pledge and you're worried about having your name announced, or anything like that, you can pledge anonymous. Oh, yeah, our greatest supporters here KPFT.

J Jimmy Carper 17:13
And I'm waiting on that first call, because I am anxious. We've got new music we've got I don't have a pledge on the line. We've got some music from Mariah Carey, and it is not the one you've been hearing visions of love. It's a new one that you probably won't hear oh, five

B Buddy Johnston 17:29
to 65738526 KPFT. This is about probably the only time that you can pick up if you're going to grab something like the Ron Paul collection, which is their three albums set, or something like the Torch Song Trilogy or the bullpup album because there aren't any of those out there. But just one one here and one there and one there. And well not only

J Jimmy Carper 17:49
that, but you know, Inklings carries Ron and Paul but it's very seldom I've been there and seen all three of the albums available. So

-  **Buddy Johnston** 17:58
what we need to write down here is a CDL. So what I have written down the flirtations.
-  **Jimmy Carper** 18:05
Oh, that's right, the new flirtations that you can't hardly find anywhere yeah, it's really tough to get and that's got that one that's got the gay version of surfing USA.
-  **Buddy Johnston** 18:17
Okay, let's write that down. Plus, because we only have one of those two,
-  **Jimmy Carper** 18:20
yeah, plus the the great number that we play a lot is something inside so strong.
-  **Buddy Johnston** 18:25
Okay, the flirtations and then learn T A T. So we got one of those. Wow, what a shame. I know because this has got some great stuff on it. This is we saying Michael Collins new group, but it's not really Michael Collins new group, Michael Collins, the name that we know. Yes. Because of the Purple Heart album that he did. So 526-573-8526 KPFT. Are we going anywhere? Roger?
-  **Roger** 18:51
Yes, I've got to. Thank you. Ah, gray. Go ahead. Yes, I'd like to thank Mark, who's in town from San Francisco and listening to us, and he made a pledge on a credit card. And I would like to thank anonymous for calling in and supporting after hours.
-  **Buddy Johnston** 19:12
Great. So has anyone picked up any of these goodies we've got? Or do we still have goodies to go?
-  19:17
We've still got goodies to go.
-  **Buddy Johnston** 19:19
Okay, how much money do we have and where we go on because now we can play? We've got

\$50 so far. Sounds great.

 Jimmy Carper 19:25

Okay, that's a start now five,

 Buddy Johnston 19:27

to 657385 to six KPFT. If you're listening and you're young and mom and dad are sleeping down the hall, don't worry baby, the rest of us will pick up the slack. That's

 Jimmy Carper 19:39

the idea because there'll be a time when you're old enough. You're you'll be out on your own. And you can pick up that slack for someone your age now.

 Buddy Johnston 19:50

Yeah, right. Yeah. Hi, Annie. Favorite ladies just walked in five to 657385 to six KPFT that's the number to call. Right Right Okay, here we go we'll be back in just a second

 20:23

I think that's Robin Pilar on the stage for lover for live we're not going back

 20:31

to the national Washington DC for gay and lesbian rights and

 20:58

want you to savor this next moment the proud task of telling you that the official count of the LSVT and gay rights march.

 21:58

We parents want to persuade society that our gay children are not acting out of defiance or self indulgence. They're being true to their own nature. Our children are fine men and women. And we say to society, that the parents and friends of lesbians and gay men will support their children.

22:43

And Washington, Kevin, we

Harvey Milk 22:54

already have a few words for KPFA. Come on out. Join us. Bring your friends. What do you think about the turnout? Well, it's

23:03

never enough, never enough.

Buddy Johnston 23:08

And the number is 526-573-8526 KPFT. Because as Harvey Milk says every week, it is never enough, right? Never enough. Never enough. And we know that you're spending your money on things like things like what? Well, the thing is like we all spend our money. Sure. But we want to remind you that this is very, very important. And KP KPFT exists only because it's listener sponsored radio. We don't get any support from anybody else, especially on a gay and lesbian program. Are you kidding? isn't anybody like the big coal company or the big jeans company here? The big automobile manufacturers would support this kind of stuff. Wrong. So when you hear Harvey Milk, say something, it's coming from the heart and it's coming because you're a supporter, and you're the one that picked up the tab to pay to play this for that hour. So as Harvey Milk says this, please go to the phone and call us at 526-573-8526 KPFT This is the greatest part of the show for me. When Harvey Milk comes on every Saturday and says

Harvey Milk 24:17

hi radio a few words for KPFA come on out. Join us. Bring your friend. What do you think about the turnouts? Well, it's never enough.

24:26

Never enough. Never enough.

Harvey Milk 24:29

We must destroy the myth Swanson draw shatter them. We must continue to speak out. And most importantly, most importantly, every gay person must come out. As difficult as it is, you must tell your immediate family. You must tell your relatives. You must tell your friends if indeed they are your friends. You must tell your neighbors You must tell the people you work

with, you must tell the people in the stories you shopping once they realize that we are indeed the children and we are indeed everywhere, every myth, every lie, every innuendo will be destroyed once and for all. And runs. Once you do, you will feel so much better.

26:22

I ask

Harvey Milk 26:22

people all over this country to do one thing. Come out,

26:27

come out America come out.

Buddy Johnston 26:33

Yeah. And if you can't come out, you can get your checkbook out of the closet. And you can support things not only like KPFT, but the gay and lesbian switchboard and the AIDS Foundation and stone soup. Because there are times when the switchboard don't have money to pay the rent, and stone soup don't have no cans on the shelves to give to hungry people. So this morning, we're asking you to get your checkbook out of the closet and send a check to support us. We've been here for three years, saying we're here and work here. And it's not easy boys and girls, especially when it comes time to do marathon because a lot of our audience is young and unable to pick up the phone and call. So please make a pledge of support this morning. 52657385 to six KPFT. Roger, anything else going on?

Roger 27:30

I've got a pledge just about to be handed to me here.

Buddy Johnston 27:33

526-573-8526 KPFT Remember, we only got one copy of the Ron Paul collection for pledging \$90 That can be yours. We've got one copy of the flirtation CD, which contains something inside so strong. We've got one copy of the hip hop album one copy of the Torch Song Trilogy album. And several copies of the highlights tapes that we've done the after hours highlight the Harvey Milk highlights. The yes album, we've only got five of those left. So now's the time to call 526-573-8526 KPFT. So what's going on? Roger?

Roger 28:12

I've got a thank you. Yes. Yes, I'd like to thank anonymous.

 **Buddy Johnston** 28:23
Yeah, thank you. Knocking a

 28:25
credit card pledge.

 **Buddy Johnston** 28:27
Oh, see, that's great. Because anonymous can use your credit card. You don't have to, you're not gonna get a bill in the mail from the station that says I gave to the gate program. You're gonna get a bill in the mail. That just says thank you for supporting KPFT radio. Doesn't make any reference to what happened while you were listening. 526-573-8526 Kate p f t. That's the number to call.

 29:02
WOMAN ON

 **Buddy Johnston** 29:08
526-573-8526 KPFT. Chicken with Roger. Because we get to keep track of these one time offers, right? It's right.

 **Roger** 29:18
I haven't had anybody picked up on any of the special offers yet. Okay, so still got them all here waiting.

 **Buddy Johnston** 29:25
Remember, for the \$40 for the \$40 pledge. You get the program guide for a year and the Milky Way t shirt and a copy of the jazz album. Plus, we'll throw in your choice of one of the highlight tapes. Either the Harvey Milk tape, the after hours highlights or the 60 minute game music tape which we broadcast all in the past which I really like. So where are we financially?

 29:52
We're moving right along where we were.

 **Buddy Johnston** 29:55
So we're at what 50 \$50 Okay, five to six, five set 138526 KPFT waiting on your call.

 **Jimmy Carper** 30:06
You bet.

 **Harvey Milk** 30:08

 **Jimmy Carper** 30:11
I was just taking care of something

 **Roger** 30:12
I just saw striking through the

 **Jimmy Carper** 30:15
last one. I was not striking. Okay. Something ran

 **Buddy Johnston** 30:20
by all those laughs in the lobby. Have you got a lot of people?

 30:24
got loads of people out here.

 **Jimmy Carper** 30:27
Oh, yeah.

 **Roger** 30:28
.....

What are they all doing? And they're waiting to take your pledge by calling 52657385 to six KPFT it's right here tonight,

 **Buddy Johnston** 30:42

okay. 526-573-8526 KPFT. We got a lot of special things if you didn't hear what all the specials were call us up and we'll go over those for you. Because I want you to be sure and get some goodies this morning. You betcha. 526-573-8526 KPFT Ron with the switchboard is standing by and he'll be here in just a second. So hang on to your hats.

 31:04

When you see the quilt, you understand how it began with one name, sewn with love, and grew to 1000s of players. Stitch with memories, surrounded by favorite things. Each name is a proud inscription with all of them together make a national monument to those who died of AIDS. A monument that says remember me?

 **Buddy Johnston** 31:27

Didn't you say there's a new names project store somewhere? Is there? No, that's what you were telling.

 **Jimmy Carper** 31:32

Yes. The new quilt store.

 **Buddy Johnston** 31:34

Is there. Some I slap her? Oh,

 **Jimmy Carper** 31:38

thank you. Okay, where is it? It's downtown at the park. It's in a storefront on the third floor of the shopping mall. Right across from OSH men's.

 **Buddy Johnston** 31:50

And they're displaying quilt panels.

 **Jimmy Carper** 31:52

All the walls are covered with panels. He's done panels. And there's books and little pins and

videos and all that kind of good stuff available T shirts available. And information about the quilt when it's coming in October 6 seventh and eighth. Yes. And we set that up today. So it's gonna be fun. It was I've got a story about that later. Thinking of it is a lot of fun

 Buddy Johnston 32:23

and I'm gonna be there the rodeos coming. When's that going to be here November

 Jimmy Carper 32:28

9 10th. And 11th

 Buddy Johnston 32:30

B Buddy Johnston 34:03
Which gives you all kinds of goodies, which include what Roger?

R Roger 34:08
Are you with us? I was busy filling out a pledge here. Oh, do I have someone to thank I've got a couple thank yous phones, but really been kind of ran here. Good. That's what we like to hear. And I'd like to say thank you to Steven. Thank you, Steven. And thank you to Julia. Thank you, Julia. Anyone else for nothing right now. Okay, so

B Buddy Johnston 34:31
where do we stand financially?

R Roger 34:34
Right now we're at \$170

B Buddy Johnston 34:37
Okay, sounds great. And we're gonna raise as much money as possible, because we've got the money in our pockets. It's really kind of sad. I think being clear because I don't have any kids to go home to. But one thing it Jimmy you're playing you shaking your head. No, you don't like kids.

J Jimmy Carper 34:56
I'd like someone else's kid now. Now.

B Buddy Johnston 34:58
Let's face it. Want to get old and gray? It would be nice to have somebody to bring their children but it's a dude bug you and I think it really would I think it would be

J Jimmy Carper 35:07
never in my life if I ever wanted children.

—

- B** Buddy Johnston 35:11
I have, because I would love to take them to Disneyland and to the zoo and to the Disney on Ice thing. And I can't do that. Because I don't have any kids.
- J** Jimmy Carper 35:22
But you enjoy those things.
- B** Buddy Johnston 35:24
Yeah, I do. But it would be much more fun if you had a lovely little six year old kid that was your son to take and enjoy it with you. Oh, I think it would be okay. But anyway, five to 65738526 KPFT.
- J** Jimmy Carper 35:39
Right, say and we don't always agree, do we?
- B** Buddy Johnston 35:43
On what? Anything? Or do you agree on anything at all?
- J** Jimmy Carper 35:47
That's why we're here celebrating our diversity.
- B** Buddy Johnston 35:52
Speaking of not agreeing,
- J** Jimmy Carper 35:55
oh, by now what?
- B** Buddy Johnston 35:57

- R** Roger 36:02

Buddy Johnston 36:10

Buddy Johnston 36:24

Jimmy Carper 36:29

holds a very large distinction was that? Well, we'll talk about that later.

Buddy Johnston 36:36

What are you talking about? He's sitting out there listening. I don't want to

Jimmy Carper 36:40

say what happened. He He's a writer. And the way I phrased that.

Buddy Johnston 36:48

Let me go look and see why.

Jimmy Carper 36:56

H

Harvey Milk 37:53

I get the phone call I do. I'd visually get confused. When was from a 17 year old child in a small town in Minnesota. And the boy is handicapped. And the boy's parents found out he's gay. And they want to put him in a sentence. That boy needs help. In the gay mood is about the letter I got from Southwest Africa, when he read about a gay person getting elected here. And that person has hope. And that 17 year old kid in Minnesota has hope. And we have gay leaders not understanding that and are more worried about their own personal power. They're not elite. Is they offensive?

B

Buddy Johnston 38:42

Okay, yeah, I was cueing that up. Oh, 526-573-8526 KPFT. And checking one more time with Roger in the lobby.
