L

Lucy Chappelle 02:58

My name is Lucy Chapelle. And I'm Greg Gordon. And we produce this way out the international lesbian and gay radio magazine.

♂

03:04

It's very important to support this kind of radio station because this kind of radio station is the only kind of radio station that's going to provide programming for a significant audience. Like gay men and lesbians

L

Lucy Chappelle 03:16

commercial stations would be afraid to lose their listeners if they didn't apologize for the gay lesbian lifestyle and not just report on it.

♂

03:23

Unlike commercial stations, community radio does not depend upon advertising to support itself to pay the bills to keep the transmitter going to pay the light bills. It's you the listener at home. And that's why periodically community radio stations all over the country go on the air and ask you to support the station by pledging to support the station with your dollars.

L

Lucy Chappelle 03:42

Community Radio In short, it's just a real valuable resource for you and for me, so take advantage of it and support it.

B

Buddy Johnston 03:53

H

Harvey Milk 05:33

I talked with the game movements about after I got elected, I got the phone call, I knew I'd venture to get quite a few of them. One was from a 17 year old child in a small town in Minnesota. And the boy is handicapped. And the boy's parents found out that he's gay, and they want to put him in an insane asylum. That boy needs help. In the gay Moon is about the letter I got from Southwest Africa, when he read about a gay person getting elected here. And that person has hope. And that 17 year old kid in Minnesota has hope. And we have gay leaders not understanding that and are more worried about their own personal power. They're not Elite is offensive. We must destroy the myth Swanson for shatter them. We must continue to speak out. And most importantly, most importantly, every gay person must come out. difficult as it is, you must tell your immediate family. You must tell your relatives you must tell your friends if indeed they are your friends. You must tell your neighbors you must tell the people you work with you must tell the people to the stories you shopping once they realize that we are indeed their children and we are indeed everywhere. Every myth every lie every innuendo will be destroyed once and once you do you will feel so much better.

07:34

J Jimmy Carper 16:01

B Buddy Johnston 16:05

Now, we need to check with Roger and see if we are anywhere other than where we were the last time we communicated with him. Well, okay, fine. 526-573-8526 KPFT. It's marathon. It's time that you pick up the phone and call and say Yes, I believe in what you do every week. I'm glad you've been there for the last three years. And I look forward to being part of the family. And I want to pledge my support right now. Here's my visa American Express MasterCard, our optimum number. And it takes a few seconds and we'd get some great stuff to give you for doing it. 526-573-8526 KPFT. Roger, where do we stand? Yes, we're at \$460 \$460. We've had 12 pledges in in two hours and 25 minutes, and I've gotten to 12 people that have called to pledging. Okay. And we have another Thank you. Yes. Okay. Well, Mike, thank you, Elliot, who picked up on the book and 90.1 ELLIOT right.

J Jimmy Carper 17:08

Thanks, Elliot very

B Buddy Johnston 17:10

much five to 6573852 6k p f t. Now then let's get together what do we got girl for for Pledge? Well, we've

J Jimmy Carper 17:21

got the 90 Minute Harvey Milk highlight. We've got the 90 minute after hours highlight tape all those fun things that you hear every week or you may not have heard in a while but it's it's the best of after hours right here. And the after hours gave music faves that's kind of buddy and I did that tape last year and it was like our our favorite game music.

B Buddy Johnston 17:49

I put that on when I get discouraged. Yeah, that word because it's got so much up stuff on it. Yeah 526-573-8526 KPFT and we will deal for those baby and if you make the \$40 pledge to get the program God for a year and the KPFT milkyway t shirt. We will let you have your choice of either one of those cassettes Ah okay, or you can pick up the Torch Song Trilogy album The whip up album or the Yazz album with your pledge of \$40 Okay, either one or or. And if you call at the \$90 level, you will get the 90.1 club membership package which includes everything the t shirt the night the 90.1 acrylic clock, the KPFT milkyway t shirt which glows in the dark plus the program guide for a year along with all three of the cassettes plus your choice of either the Torch Song who will vote for the yes that's for the \$90 pledge okay if you want to go whole hog and put all that on a credit card you there just about anything we got. Buddy? No Oh no, not unless you're short and hairy. Yeah,

J Jimmy Carper 19:06

well never get any money from what

B

Buddy Johnston 19:07

happened Well, money than Stanley does. Please don't tell Stanley I said that. Right. I love Stanley on his checkbook. 265738526

J

Jimmy Carper 19:20

Keep my lever out of this which you

B

Buddy Johnston 19:22

were waiting on your call we can do with you. Well, he never hears this anyway. We can talk about about him. We talked about about people that don't listen to us. 265738526 KPFT. Then after they start listening, we don't say anything about them. Yeah. 5265738526 6k PF T that's the number to call waiting for your pledge of support. And again, the reason we're asking for your money is that listener sponsored radio means that we don't get grants from universities. We don't get big grants from commercial enterprise people such as cola companies or jeans can bunnies are car companies or oil companies. You know, we come on the air with something that those people wouldn't sponsor anyway. Yes. And we ask for your support. It's been happening for over 40 years. It's a vision called Pacifica. And it's something very wonderful. And for the gay and lesbian community, it's a goldmine. Because no one else has bothered to record Harvey Milk. No one else is bothered to record the Stonewall riots. No one else has bothered to broadcast the gay and lesbian pride parades across this country. No one bothered to bring you the March on Washington in 1987 Pacific Bracci. Five hours of that. Five hours of march from Washington DC. When 750,000 gay and lesbian people stood together on the Capitol Mall. No other commercial network, no radio station, no television station, none of them. CNN, CBS, ABC, NBC, none of them were there. When the quilt was laying on the lawn at Washington. None of those major news firms were there. Pacifica was there. Pacifica will be there in Houston. When Houston joins with Atlanta and Chicago and Washington DC and Los Angeles in in October, or is it October October bring you the quilt display. So it's really important that you understand just what a gold mine we have here. And then you call and pledge your support. 526-573-8526 KPFT. One of the album's that we play a lot. That is one of my favorites is from an old old musical recorded back in the 50s. Called football written by fewer and Martin it's a fabulous little musical. But it's got one of my favorite songs on it sung by Susan Johnson. And she talks about one of my favorite subjects, man, oh 526-573-8526 KPFT if you make your pledge of support now, at the \$40 level, just while the song is playing, you can get a copy of the t shirt and the only copy of this album we have if it's on a credit card. Listen to all those F's I know it it's only \$40 That's only you know 11 cents a day for a year that's really nothing five to 65738526 KPFT you can get the only copy of flip up that we have along with the KPFT Milky Way t shirt in the program guide for a year 526-573-8526 KPFT and you can hear Susan Johnson saying all about man it goes something like

Ω

22:30

that no good shipping with shame as low down shipping Jason drugstore in the important me while he's playing house with some snake tip Jas about that fear of Belton toothpick and palm it had a dog base called Ivan his dishrag, doormat and kings listen long enough of all the

In my opinion, let me tell you about men, the Almighty gave them just enough brains to make fools of themselves men, most of them have nothing oh everybody and leave the rest to charity men. There's only one thing in the world worse than a man and that his father met with a woman alive as a last resort with a man it's first day men. The worst advice you can give a man is to tell him to be himself. Men. The only promises men can keep our promises they never make sure tell him how good they are. They'll listen for hours. Tell him the truth. They're often a cloud of dust. Men. They're fed by cattle clothed by sheep protected by dogs and imitated by monkeys. The way I see it they have to follow everything they say and everything they do. No Man is Man handling me I'm laying down the law. Verse man who dare show his face I'm showing in the door. Yes, sir. Men are the most horrible creatures honey, they will ruin your life. You mark my words. Men are the most horrible creatures honey, they will ruin your life. You mark my word.

25:47

God damn man

Buddy Johnston 25:54

five to six KPFT Of course it doesn't fry 526-573-8526 KPFT. We're getting down to the critical

part now because we've only got an hour and 19 minutes to raise five or \$600

J Jimmy Carper 26:13

to open the begging and pleading line. No, we're

B Buddy Johnston 26:15

not going to do that. Not yet. Okay, buddy. Five to 65738526 KPFT. Yes,

J Jimmy Carper 26:20

dear.

B Buddy Johnston 26:21

I'm sorry. Go ahead. Got a thank you. Oh, good. Let's thank Richard. And that brings us up to \$500 even great. We're at \$500. So I need what? Yeah, yay. They don't sound too excited. We need how much \$1 \$700 An hour and 20 minutes.

J Jimmy Carper 26:42

We got to happen. Wow.

♀ 26:46

We Wow.

B Buddy Johnston 26:52

Just kidding. We're not in Kansas anymore. That's right. And what do you say we gotta watch? Five to 6573852. So

J Jimmy Carper 27:03

like a Wednesday is hump day that, like you're in the middle of it. And you know,

B Buddy Johnston 27:09

I really need to start pushing. Yeah. 526573852 6k PF t. And what are the regular premiums Roger, let's start at the bottom and go up to the top. Okay, at the bottom at the \$20 level is the

premium as the programming guide for a year at \$40 is the Milky Way glow in the dark t shirt. It's a glow in the dark mode either way, with KPFT. You're here on a blue background. And you could take your pen and write in your hair and I'm queer. I thought about that the other day when I saw that shirt. And at the \$70 level, there's the t shirt and the KPFT quartz clock. And at the \$90 level, there's the and these are all include the program guide for a year, the t shirt, the clock and the 90.1 club card. which entitles you to discounts had a growing number of area businesses. It's going to be quite a few. And at the \$144 level

 Jimmy Carper 28:20

144 Yes. Have we talked about that? There's \$144 level?

 Buddy Johnston 28:25

Yes, there is \$144 level. Oh, okay. What do you get there program guide for a year. The T shirt. Seen glow in the dark? We're going now.

 Jimmy Carper 28:39

The glow in the dark?

 Buddy Johnston 28:41

Yes it glows in the dark.

 Jimmy Carper 28:44

Show me.

 Buddy Johnston 28:46

Oh please. App the lights off. It's glowing. 526-573-8526 KPFT plus you in the dark. And umbrella.

 Jimmy Carper 28:57

Wait a minute. What?

 Buddy Johnston 28:58

An umbrella.

J

Jimmy Carper 28:59

Oh, what kind of umbrella?

B

Buddy Johnston 29:01

It's a KPFT 21 year anniversary umbrella. Really, really wide. It's actually be really nice. It'd be really handy about now you can theater you can carry it to or to a Jesse Helms. It's either real hot out with the sun or not on Yeah, these past few weeks. And there are this umbrella there are streets that you could walk down and they would probably beat you silly with that umbrella. And it would be red, white and blue. No, well how Patriot patriotic I was just thinking about some of my friends here in the mantras, oh, five to 65738526 KPIT. That's the number call. And we laugh and crack and have a lot of fun about what we're doing here. But it's really very, very serious. And the reason that it's serious is because we're here for four hours a week to tell you that it's going to be okay. And during the other. I think there are 168 hours in a week. So during the 164 hours that we're not here. You get to hear people like Pat Robinson on a cloud Broadcasting Network. I mean, the Christian Broadcasting Network and people like this maniac got in North Carolina, South Carolina. What's his name? Jesse. Jesse something Helms? Have you heard the latest? I'm ready from North Carolina. They're going to export millions of cigarettes to the Soviet Union because there's a cigarette shortage. So Jesse Helms is going to get lots of more lots more money to preach his hate against us.

J

Jimmy Carper 30:41

That if Harvey Gant gets elected

B

Buddy Johnston 30:45

five to six speaking of Harvey Gant, they're having a fundraiser is that this weekend? Or did they already this week

J

Jimmy Carper 30:50

weekend on Pacific Street? Yes, today and well yesterday and today? It's a carnival

B

Buddy Johnston 30:55

like carnival. You gotta go I didn't get to go because I

J

Jimmy Carper 30:59

had to work now. I was I was I was at the quilt thing.

B Buddy Johnston 31:03

So I read in the this week in Texas that All proceeds go to benefit the Harvey Gantt campaign. So it's at Pacific Street which is while the mining company and Jr's and Heaven Heaven are all there you know where that corner is? Fabulous fundraiser right and Miss kitties? Yes. Kitty is extremely well there are several bars over there. They don't exactly on that corner. Oh, but I think it's

J Jimmy Carper 31:29

put on by the HGL PC.

B Buddy Johnston 31:32

I'm not really sure is it? I believe their spot it's gonna be fabulous. And it's right over there on Pacific street. So you need to check that out. You can call the switchboard well, maybe by the time it happens tomorrow it'll be too late to call the switchboard Yeah, well

J Jimmy Carper 31:44

what's going on today Sunday,

B Buddy Johnston 31:47

but it'll be great. Please check it out and help donate money so that we can get rid of

J Jimmy Carper 31:51

robbing Yes, that's the whole thing.

B Buddy Johnston 31:53

I know boycotting all those things is really not going to help because they own well.

J Jimmy Carper 31:57

They've already spent the money on it. So everything, the whole idea is getting rid of hell. The whole thing is to vote that that homophobic

B Buddy Johnston 32:09

office, this get rid of him completely. So we're where are we? We were marathoning Yeah, five to six times. Six KPFT we were talking about all of the hours that you hear those people preach their hate, and all of the money that they have available to them, and how hard we have to work and this is kind of the stuff we're fighting

32:30

practicing homosexual is far more dangerous to society than a person who commits a murder per se.

32:39

If employed as a one I have homosexual employees I think he ought to have that right. If you want to say I'm bigoted against a bunch of coolers, rubbing flutter, I can burn. You can't be a fake alive, be family oriented. That's a contradiction in terms. You guys are guys who have just never mature sexually retarded totally repulsive through the gay community. Who cares, right?

33:08

Yes, I just wanted to agree with the guy will not call him the airport negative but I think all y'all gays and lesbians hobby stood up against the brick wall and shot or not the gas chambers long with the Vietnamese and half an Aries and half Mexican and screaming and people were out of the world they

33:32

want to care for us poor folks.

33:36

You, Queen.

Buddy Johnston 33:40

That's what we have to fight every day. And I'm sure that you get some of those lovely calls at the switchboard too. Well, yes. We usually just cut them out and hang up on them but

Jimmy Carper 33:53

can't cut them out. What kind of calls are they just like stuff like terrorism or direct

B

Buddy Johnston 34:01

sometimes 55265738526 KPFT waiting on your pledges support we need to put together some goodies. We've got all kinds of wonderful things to give you got the Nanci Griffith one Summer's Eve CD, donated by Matt and Ben. Yeah, got the Ron Paul collection. We've got after hours, cassettes and singles that you can't get anywhere else. The Torch Song Trilogy. Well you can get the Torch Song Trilogy, you probably can't find the bullpup album anywhere. We do have one copy of the flirtation CD. So 526-573-8526 KPFT. That's the number to call. Where we at Roger? We're at \$500 We're still stuck getting that phone ring 526-573-8526 KPFT. Marathon marathon is at \$83,523. That's good to hear that is very good. That's more than two thirds of the way 526-573-8526 KPFT. It's really important to understand too, that there are only a dozen or so people that have called as of yet to pledge to after hours. And we know that in a city the size of Houston, there are four to 500,000 game lesbian people running around. So you're the one we're talking to, you're the one that just left the club that had a great time. You're the one that needs to pick up the phone and call us and say Yeah, after I leave the bars, I always turn the radio on to see what's going on.

J

Jimmy Carper 35:43

And we would be you know, we would be just as happy to have 2030 45 or \$10 pledges if, if that's all you can spare right now

B

Buddy Johnston 35:53

think of every gay and lesbian person in Harris County gave us \$1. For a \$500, we

J

Jimmy Carper 36:00

wouldn't have to have another marathon for a year would weigh

B

Buddy Johnston 36:04

five to 657385 to six KPFT. Give us a call and pledge what you can we'll put it on plastic, you can make payments. It's very important that you call now because this is your last opportunity to pledge for after hours. We only come to you four times three times three times is that right?

J

Jimmy Carper 36:23

52 weeks a year, we only spend six shows marathoning. So all the other times we're just Yeah, and it's not like whatever just we do. We do lots of fun stuff on the marathon show 252-657-3852 6k

B Buddy Johnston 36:36

lot of stuff that's broadcast on KPFT that you can't get anywhere else. But the gay and lesbian stuff. You're not going to hear anywhere else. So we really shouldn't have to really hardly pitch as hard as we do.

J Jimmy Carper 39:34
