 Buddy Johnston 00:01

Where's KPFT Houston 90.1 FM

 Jimmy Carper 00:04

or we can continue to celebrate

 Buddy Johnston 00:08

from the heart of Montrose celebrate what life for the heart lion Montrose in the heart of Montrose 526573852 6k P F T. That's

 00:21

the you know, you don't have to be living in Montrose to celebrate from the heart of Montrose, because our Montrose is just a

 Buddy Johnston 00:29

just an expression. We came up with a feeling a feeling period because when Ray Ray was doing the poster, he said, What do you want it to say? I said, Well, I want it to be full of life. We came up with the word life and I want it to be a celebration. So celebrating. I said we're from Montrose Montrose in Houston means gay and lesbian. So we came up with celebrating life, from the heart of Montrose and that's exactly what we do. And five to 65738526 KPFT you know, we got some great stuff here, just like the flirtations, CD, Griffith CD. I can't believe we

haven't got a call on that yet. Or the complete works of Romanovsky Phillips, I know they're gonna be here in November, November the second 526-573-8526 KPFT. What were you gonna say? Roger, I've

01:22

got a thank you. Say thank you to Cindy for pledging.

J Jimmy Carper 01:27

Thanks, Andy, for hours.

B Buddy Johnston 01:30

APFT did she pick up any

01:33

of the goodies? No, she hasn't. Okay, where

B Buddy Johnston 01:35

are we at now? financially? We're

01:37

at \$540 \$540.

B Buddy Johnston 01:38

Okay, \$40. She got the t shirt. Right? That's right. Get the Yazoo album, she didn't want that. She wanted that. Well, that's nice. You can call and not get all the goodies. I mean, you don't have to take them once. You may already have it. That's true, too. But you know, the marathon and the premiums are really not the reason to pledge anyway. No, it's because just makes you feel good. And we give you all the extras to kind of entice you to call 526-573-8526 KPFT. We've only got about 53 minutes, it'll be time for the blues ladies to come in. They've got some great blues for you. I get to watch Kathleen every morning about this time on Sunday, go in and pull records. And that's what she's doing well as, as a matter of fact, be some good stuff. As a matter of fact,

J Jimmy Carper 02:30

speaking of kind of blues, we've got, I've got one of my favorites from Bonnie Raitt. Coming up here, and I can't, I mean, this is for everybody. This is for men, this is for women. It's a real, nice bluesy little number called Whoa, Barney, raising the rates, let me like a man

 **Buddy Johnston 02:57**

526-573-8526 KPFT, waiting on your pledge of support. And you know, it takes a lot of money and a lot of energy. And a lot of effort to do this, this way out comes to us from the satellite. And the tape has to be put on the machine and the machine has to be paid for. And it's just like, we would like to go out and record things for you. But we don't have the little \$300 recorder that it takes to do it. We don't get to do that. I mean, you can't just use a cassette recorder like you get from Target or RadioShack, or Kmart or any of those other

 **Jimmy Carper 03:33**

because a number one is running the station, which cost about 40 bucks an hour, and

 **Buddy Johnston 03:37**

you need special equipment. And we don't have that we have equipment that belongs to the station, and 200 volunteers that are trying to use it. So a lot of times we don't always get to do the things that we want to do for Yeah. And you know, there's so much that we could do, but it just takes money in the money doesn't come from big business. It doesn't come from the government, it comes from you. And you enjoy us and you listen to us. And research shows that very few people call ever and pledged to anything. You know, big telephones, little telethons. But it just bothers me that we have to pitch so hard for something that's so important to us because Pacific is really a diamond in the rough and for KPFT to broadcast gay and lesbian information. And as much of it as we broadcast we should be really fortunate there is no Pacifica station in this country and there are only five out of the five stations there is not one Pacifica station that broadcasts as much information for the gay lesbian community as KPFT does. There's Wildenstein on Mondays and it's been on forever. Oh, Mondays from nine until 10 with Jack and Deborah and breakthrough on Fridays. He's willing to begin his journey maker Yeah, because Gail has been people We'll have lots of money. And they really break out the bucks and support what happens on breakthrough

 **Jimmy Carper 05:06**

there on from eight in the morning till 11 in the morning,

 **Buddy Johnston 05:10**

and we know that you're there and you listen to us, and you support us. And this is the time that you can call in and make that pledge of support something financial, something that the station can depend on. And like Jimmy said, it takes \$40 an hour to keep us running. That's just for the airtime. Oh, yeah, it's phones. And that's bare bones. It is there's not a lot of

extravaganzas around here now in this building. 526-573-8526 que Pft. Checking out in the lobby. I don't hear the phone's ringing. So that's rather quiet time for the volunteers. There are a lot of great people out there from delta lambda phi. Yeah. Given their time to come down and talk with you and take your pledge.

 Jimmy Carper 05:58

And you remember that from the show that we had delta lambda phi is the gay fraternity located of Texas there. I mean, that's the only one located right here at U of H. Oh, Roger, you were saying I'm sorry.

 06:16

Well, we did get a call for Kathleen. That's the last call with God.

 Buddy Johnston 06:22

Five to 6573852 6k P

 Jimmy Carper 06:28

F. T, it would be nice if we could just, you know on marathon, just open up the show and say okay, this is marathon, please call him with your pledge. And then everybody call in and we wouldn't have to say anything more about it and play that you want to hear. But no, it doesn't happen like that, unfortunately,

 Buddy Johnston 06:47

five to 657385 to six KPFT. That's the number to call. Just imagine a world without KPFT and Pacific. And after hours. You would have a world full of Jesse Helms the world for love. Dr. Steven Holt sees a world full of Pat Robinson's and Jimmy Swaggart, it's a world full of people telling you what you could do and when you could do it, and how you could do it. 526-573-8526 KPFT after hours we really need your help. It's not worth getting blown

 07:48

away here.

 Buddy Johnston 07:49

We've got \$540 and we're kind of stuck.

J Jimmy Carper 07:54

Yeah.

B Buddy Johnston 07:56

It's up to you to get us unstuck. And what I don't understand as we got all these great things yes albums the flotation CD. Nanci Griffith, CD, after hours cassettes. 5265738 that

J Jimmy Carper 08:15

Nancy Griffin KPFT was recorded live here at Anderson fair, and has her version of from a distance. One of the songs that you hear regularly on after hours done by Heartsong.

B Buddy Johnston 08:30

Yeah, it's also got trouble in the fields, which is my favorite plus the wing in the wheel. Five to 6573852 6k P F T. That's the number to call and make your pledge of support now. As we wait for Jesse Helms and all those hateful Christians to come down here and take us off the air. That's what they want to do. Five to 65738526 NKP ft. We heard the phone ringing out there. Roger.

⌚ 09:14

was just a crank phone call.

J Jimmy Carper 09:16

What are you playing? By the way? It sounds like Wagner on drugs.

B Buddy Johnston 09:20

Music From the thing. Oh, it is Wagner on drugs. It's that thing? Carolina that's trying to put us all in ovens. 526-573-8526 KPFT okay. What are we going to do now?

J Jimmy Carper 09:47

Well

B Buddy Johnston 09:50

526-573-8526 KPFT Yeah

J Jimmy Carper 09:54

I really expected more phone calls.

B Buddy Johnston 10:00

Well, if we weren't here, what would you hear?

J Jimmy Carper 10:06

You'd hear

B Buddy Johnston 10:07

nothing. Or something? Who Okay, what do we do Jimmy? We say we say we know that you listened. And we know how important it is. And we know how special it is that it's broadcast. And we want you to pledge for someone that is here that can't pledge, or maybe someone that you've cared about that has left us and gone to wherever it is we go when we leave.

J Jimmy Carper 10:43

Oh, yeah. A lot of that today.

B Buddy Johnston 10:46

That's right, because you were working at the names project.

J Jimmy Carper 10:49

Yeah, I've got. I've got stories about that. Do you worry stories like why? Well, I didn't really know what to expect. But I walked in and the first person I met was a woman named Dolores. Dolores and her husband Jerry, who? I've met them. Yeah, the McCall's right. They buried there stung a couple of years ago, Jerry Jr. Dolores is the our send Jerry both have been working with the names project continuously. And there was kind of a quiet moment in the afternoon after we kind of got things together. And she was she could tell me stories about almost any panel there. It was amazing. But the best story of all, she told was about her own son. She said, you know, a mother knows. And I said, Yeah, I kind of guess she said, but I was, you know, I kind of knew Jerry was gay. But I never knew what his father thought. So, you know, once, when, when Jerry Jr. was growing up, his dad came and asked me said do you think Jerry is and she lied and said, Oh, no, no, no, no. So when Jerry Jr was stricken with AIDS, he didn't really have it hit him all at once he got PCP. That's how we found out himself. So from his hospital room, he called

his mother. And she was telling me this, and I said, Oh, you got the double whammy. Hmm. And she said, You know, that's just what the doctor said, When first you find out that your son is gay. And second, when you find out that your son has AIDS. She said that the news about him being gay, didn't surprise me at all, but about him having AIDS did. And I was really worried about how Jerry SR would handle it. So I told Jerry Jr. He'd have to call and tell his own father. And when the call came in, and Jerry senior took it. He talked with his son and hung up the phone. She said and then he just stopped around the room. He was furious. And then he just kind of stopped and looked at her and said, Okay, hon, let's go to the hospital. Our son needs us. And yeah, it affected me the same way. And I told her, I said, you know, it's amazing for every set of parents like you. There are 10 who are just the opposite. And she said, Well, you know, I found that out. Mrs. McCall made a triple panel. It's kind of one panel the size of three. And it's, it's a navy black background, covered with red hearts all over the place. And in the middle is her son, Jerry Jr. Which was there was a was a beautiful young man. And 27 of his friends or people that she he met in the hospital that she knew she's been through that in the last couple of years. And she said you know when I made that panel, it it was really hard to give up. But this is what it's all about. And that's part of what it's all about when you see the quilt all the love that goes into it. It hit me right away. As a matter of fact, when I walked into the office this morning because The first thing I saw was this hot pink panel. And it was a name that I had not seen in years and years and years, is a man I worked with 20 years ago, and had kind of lost track of. And there was looking me in the face. It's somewhat difficult to deal with these things, but it's, it's good to deal with them.

 B Buddy Johnston 15:31

Five to 657385 to 6k. That's right. I don't know what to do, Roger.

 15:44

I don't know we've offered them fantastic deals.

 B Buddy Johnston 15:50

Fabulous deals,

 15:51

I guess it needs to come from in the heart.

 B Buddy Johnston 15:59

It's very discouraging

 16:00

for me five to 65738526 KPFT

B

Buddy Johnston 16:05

526-573-8526 KPFT. I wish I could say that it's not discouraging, because it is discouraging. It's discouraging to be involved in something as beautiful as the quilt and see hunky gay men working out at the parkway Athletic Club, while people with AIDS carry the programs. And for the damn quilt. These men were all pumping iron so that they could go out and get laid and probably not even remember the name of who they were with. It seems like there's a better way. And you can feel it that close. But to see gay and lesbian people's faces as they leave the clubs in the bath houses in the bookstores. They're not happy people focus. We're just a little bit closer because we know, we know there's a better way. And I wish you could be with me every week. And know the times that I've told Jimmy I'm just never going to do it again. Not worth it. given three years, can you imagine to stop for a second, I imagine giving up three years of your life every Saturday night to do something for free. That you're not going to get paid for that. Number one, you're going to have to worry about what you say on the radio because the FCC and morons like Jesse Helms are waiting to snatch you off the air. Number two, worrying about whether you should tell something that's the truth because you might offend somebody down the street. Or you should confront them and say, Wait a minute, that's really not the way things are. All the problems we had with the Pride Week, people when we fought them, and they don't understand that they're not the enemy. We're not the enemy. The enemy is the ignorance of the injustice that we face as gay and lesbian people. And we carry that around with us and try to stab each other in the back. Why even care? Who cares if there's a gay program on in the middle of the night? I shouldn't care I should be out chasing men on Saturday nights. We shouldn't care so much. But we do why why do we why do we care? We've got great premiums for you. Great, great things to give you for pledging support. I don't understand I've if I've done anything over the last three years, I've tried to be honest with you that doing that now I'm telling you that this is a lot of work. And the only satisfaction we get are the few letters that we get from you. And the calls of support that we get at Marathon you know I read in the paper in June it Pride Week that one of the local bars here that was mentioned in the paper paid \$400,000 in liquor tax last year. That's \$1 from every gay and lesbian person in Harris County. Actually it's less than that because we believe there for 500,000 of us and we're trying to raise a couple \$1,000 In the middle of the night. You listen and you believe us and you want to be a part of but you're not and I can't understand why. We shouldn't have to work as hard to get you go to the phone and pick it up and call us it's it's something wonderful happening here. and you feel really wonderful when you become a part of it. We need to raise What \$700 \$750.30 minutes, buddy? Yeah, I've got a thank you. Great. I'd like to thank anonymous for pledging to after hours and KPFT. And that brings us up to \$560. And that means we need to raise \$640 in 29 minutes. That's five people joining the \$144 level. That's how many people joining the 90.1 Club

♂

20:45

about seven.

B

Buddy Johnston 20:47

What do we do now? Jimmy? Yes, what I want to do girl is go home. Say, Well, there's nobody

listening. Well, nobody cares. So let's just pack it up and go to the house. Maybe next week, we can only stay for two hours. If nobody's listening at this hour, and nobody really cares. Why stay online?

 Jimmy Carper 21:11

I'd like to play another new piece of music. No, let's not do that. Well, okay, we'll save it for next week.

 Buddy Johnston 21:20

Because nobody, if they want to hear music, they can turn on the other station. If they want to hear see that's

 Jimmy Carper 21:27

the thing, the truth, the music that we that we play here and bring to us music don't hear anywhere else. One of the nicest compliments I've ever received. You know, I'm the music freak anyway, is a man came by the station and thanked me for introducing the Chris McKay song let's while that he too. Yeah, in fact, he said he listened. He doesn't normally stay up as late as we're on. But he listened all the way to the end of the show. To hear the Chris McKay song that we that we played one night and went out and bought the album and loves everything on it.

 Buddy Johnston 22:10

526-573-8526 KPFT. If you're a regular listener, and we're doing something wrong, call us right now at 526 4000 and let us know what we're doing. So we will talk to you on the air and figure out what we're doing wrong. Because we need to raise about \$700.27 minutes 526-573-8526 KPFT that's the number to call. Tell Richard that if we do get calls from people that want to talk to us to let us know right away. Okay, we've got the flirtations, CD. We've got the Ron Paul collection all three of their albums. We've got yes albums, we've got the whip up album, we've got the Torch Song Trilogy soundtrack. We've got cassettes coming out your Yazoo. Oh, and we will work a deal with you now. 526-573-8526 KPFT. If you're a regular listener, and you know what we're doing wrong, call us because we need to get some money in here. And we need to do it quick. Because we have to leave it for may leave sooner than that. The blows ladies

 23:23

are here.

 Buddy Johnston 23:26

I'm sorry, I'm coughing, I have a rough it's already getting five to 65738526 KPFT. That's the

number to call. We've got lots of goodies to give you. We shouldn't be pitching this hard. It's not that it's not that hard to understand what a wonderful game was being radio is it's not that hard to understand how important the information that you hear every week on this way out is. It's not hard to understand that the people that listen to us don't go to the clubs and the bars and the bookstores and pick up the This week I'm Texas magazine or this monstrous boy

J Jimmy Carper 24:13

and let me tell you, I have traveled a lot of cities. And each day almost each state has a state type magazine for what's going on that week, a sort of a this way in whatever state you want to say and the this way in Texas magazine, which tells you what's going on in the bars and give some new stories is by far the best free one that I have ever seen in any state in the union. Of course, you know, like New York, you have to pay for it. Nothing's free in New York. But Chicago in California Fornia Seattle, Washington, DC, any of these places? We have the best right here in Texas?

B Buddy Johnston 25:14

Where are we at 526-573-8526 KPFT. And if your regular and you know what we're not doing right to get those phones to ring call us up because we need your help. We've only got about 28 minutes to raise quite a bit of money. And we'll do just about anything right now,

o 25:32

buddy. Well, yes. I've got to thank you. Good. I would like to thank Eva. Thank you, Eva. He picked excellency Griffith out. Oh,

B Buddy Johnston 25:42

hey, now we're rolling.

J Jimmy Carper 25:45

Okay. So we know that's gone, you bet. And I will be sending that 1-526-573-8526

B Buddy Johnston 25:50

KPFT 526 4000. If you're a regular listener, you know what we're not doing right.

J Jimmy Carper 25:59

In fact, I need to run out to the lobby and get some more information about that.

26:04

Okay, down for you.

Buddy Johnston 26:06

526-573-8526 KPFT, this is about the time I start loading everything up, because the blues ladies are here and they're getting ready to roll and rock and roll you with the blue some good stuff. 52657385526 KPFT, that's the number to call five to six 4000 If you know what's happening that we're not doing right. Roger telling you what to get the program premiums, the premiums that you get from the station.

26:44

At the \$40 level, you get the program got for a year and the glow in the dark Milky Way t shirt. I have to have one of those. At \$70, you get the t shirt, the program guide and a quartz clock with the 20th anniversary logo on it. And at the \$90 level, you get the t shirt, the clock and mighty point one club card, which gives you discounts at lots and lots of places all over the city. I mean, the list here is two full pages front and back plus the front of another page. It's about five pages worth of businesses who offer discount Gosh, and that's really grown hasn't really grown because the first list was like one

J Jimmy Carper 27:34

Yeah, I remember that.

27:37

And \$144 level, you get the program guide the t shirt, the clock, the 90.1 club card, and a KPFT 20th anniversary umbrella

B Buddy Johnston 27:48

526-573-8526 KPFT. And no one's called yet to give us advice either. All of our listeners know not Yeah. Well. Well. Maybe we should go home and let the blues ladies come on in. Should we do that?

J Jimmy Carper 28:05

I don't think they're quite ready yet.

B Buddy Johnston 28:07

B

Buddy Jonnston 28:0/

They can be ready in a matter of moments. Oh. 526-573-8526 KPFT we only got about 22 minutes.

J

Jimmy Carper 28:23

And we do want to thank Eva Eva picked up on the Nanci Griffith. We're really excited and happy. And so as Matt Ben Matt did call her Oh, really? Yeah. He he was ill this week. Oh, no. Yeah, he had a cyst on his eye. So he was out of work for a few days. Yeah, sounds good. No, well, he's he's okay, now and back to work. And he was saying, gee, I'm kind of sorry. I was looking forward to coming up there. But after being off for a few days, I need ya back to the old job. So

B

Buddy Johnston 29:05

I can understand that.

J

Jimmy Carper 29:05

He's over there frying them up. Or what However, they do that

B

Buddy Johnston 29:10

I know what's crazy to marry. I'm ready. They just at the police department because I work for HPD they just opened a shift there. And I have enough seniority. I can go days. Why would you want to do that? Because I want to be off at two o'clock in the afternoon, girl.

J

Jimmy Carper 29:26

Oh, yeah. But you have to go with it. Like, some ungodly hours be

B

Buddy Johnston 29:31

there at 530 in the morning. Oh, I'm so sure she'd get off it to Mary and you've got all night to run around and do things. But I did that though and did the show and gave up the job and I mean, give up the show and go day. Enough of this, but maybe

∅

29:49

buddy yeah, I've got kind of a challenge to someone. Well, I've got someone who's willing to add \$40 to the next pledge we get oh,

Buddy Johnston 30:00

Really. So that means if we get a \$90 pledge, it becomes

30:04

\$130 pledge

Jimmy Carper 30:06

Hey. So you can kind of use that and hear what is there on a string. I mean, somebody called in and said I will add \$40 to someone dropped by the station and said, I will add \$40 to the next pledge. Yes, gosh,

30:25

okay, five to six already pledged by

Buddy Johnston 30:27

73026 keep

30:31

their pledge, they're challenging someone to call on someone else to call it okay.

Buddy Johnston 30:38

I'll give you a chance to pick up either the as the whip up or the Torch Song album for \$40.

Jimmy Carper 30:45

And just then

30:46

see how that \$40 pledge become an \$80 play. Yeah, he pledged \$50 You can become a member of the 90.1 Club.

Buddy Johnston 30:53

And if you pledge 144, and get all the KPFT stuff, and we give us \$180 in pledges, plus, you would get your copy of either one of those albums plus the Ron and Paul stuff.

31:06

So that's a dry thrown another t shirt.

Buddy Johnston 31:09

Well, this is a time to call 52657385 to seven, stick 526-573-8526 KPFT if you're one of the regulars call us up and listen to what we're doing and we're not doing right. Because we're kind of stuck boys and girls.

32:12

If an employer doesn't want to have homosexual employees I think he ought to have that right. If you want to sell on bigoted against a bunch of cleaners robbing each other I think it's as quick as anything can be. You can't be a fake ally be family oriented. That's a contradiction in terms. Queen homosexual is far more dangerous to society than a person who commits a murder per se if an employer doesn't want to have a sexual wife

34:43

Buddy Johnston 34:52

community poor folks because there are a lot of people out there who just hate us. And they're not going to stop until we're dead. It's real funny. They don't want you to go away. They want to kill you. Because they know what a threat you are to their children. They don't understand that. We are their children. We're their brothers and sisters and mothers and fathers. We are their teachers, and ministers and co workers. And until we follow Harvey Milk's advice and

come out of the closet and stand up, they're going to continue to treat us like garbage. If you're happy with that, go ahead and sit there and their vomit and choked to death and die. I'm happy because that is all you have to look forward to. If you're sick and tired of it, fight back. You can do things other than call make a pledge to KPFT you can help with the names project. You can help with the switchboard. You can help stone soup. There are those who have money that never helped. That's fine. When they cart is a way for being who we are and proud of what we are. At least we can say we try. We put up a fight. All may have taken me off the radio but by God for three years. I told you the truth. And I tried I gave it my best shot.

J Jimmy Carper 36:34

Baby when they come and take us away all the money that you have isn't going to save you

B Buddy Johnston 36:41

526-573-8526 KPFT we've only got about 12 minutes. And as Jimmy Somerville says money is what we need. Not complacency. 526-573-8526 KPFT mean, if you would rather listen to those wonderful folks, Dr. Paul Cameron, and Dr. Steven Holt see, and Pat Robinson and Jimmy Swaggart and all those other liars well just lay back and and enjoy it. Oh, Clayton Williams. I don't want to forget him.

J Jimmy Carper 37:27

No, not at all.

B Buddy Johnston 37:29

526-573-8526 KPFT we've only got about 11 minutes. I feel like I did the morning that we had a listener call and say I want an album on your show for five weeks ago and the next day my boss called me in and fired me for promoting homosexuality in the workplace. That's how angry I am now. Not at his boss and not at him and not at you because your mom and dad sleeping down the hall and you can't call a mad at you because you got the money to do it and he won't get off your butt and call in you're gonna let is homophobic bastards win What do you mean verified Do you think this is good? Do you think this is good marry? We do we want to announce that 526-573-8526 KPFT hang on to that for just about

J Jimmy Carper 38:53

nine minutes. Yeah.

B Buddy Johnston 38:59

It just it makes me crazy. I don't give a damn whether we do another after our show or not anymore. Because I know that you're listening and I know you got the money if you can't come

out of the closet mean to hell with the fact that I worked for the police department and openly gay and because I went to city council and said thank you for having the courage to hire an openly gay person. That people that I work with said why don't you be the president of our union? And now I'm openly gay and president of the Houston Police support union. Screw that. What about your own damn life? Don't you care about anything? Can't you get mad and do something about it? Are you just gonna let people like Jerry Falwell and and Jesse him screw your life up? Good grief, baby. What do we have to do come out there and grab you and shake you to make you understand what's going on? Who cares? I care and Jimmy cares. And God dammit we know you care. Or you wouldn't listen to I'm not begging you or pleading with you. I'm telling you get off your fanny. Go to the phone and call us at 5265738 and say I'm mad as hell and I'm not going to take it anymore. You're right. Get my checkbook out of the closet. Here's some money. Five to 65738526 KPFT glenworth Are you listen to us and call every week and tell us what a great show? It is? I haven't seen your name yet.  **Jimmy Carper 40:52**

It's close to that time. Eight minutes.

 **Buddy Johnston 40:56**

Here. Here's Greg. Here's Greg Gordon and Lucia Chapelle.

 **Lucy Chappelle 41:04**

My name is Lucy Chapelle.

 **41:06**

And I'm Greg Gordon.

 **Lucy Chappelle 41:07**

And we produce this way out the international lesbian and gay radio magazine.

 **41:11**

It's very important to support this kind of radio station because this kind of radio station is the only kind of radio station that's going to provide programming for a significant audience. Like gay men and lesbians commercial

 **Lucy Chappelle 41:23**

Lucy Chappelle 41:24

stations would be afraid to lose their listeners if they didn't apologize for the gay lesbian lifestyle and not just report on it.

41:30

Unlike commercial stations, community radio does not depend upon advertising to support itself to pay the bills to keep the transmitter going to pay the light bills. It's you the listener at home. And that's why periodically community radio stations all over the country go on the air and ask you to support the station by pledging to support the station with your dollars.

Lucy Chappelle 41:49

Community Radio in short, is just a real valuable resource for you and for me, so take advantage of it and support it.

Buddy Johnston 42:05

Would you go Jimmy? He's there. Where's Roger at? See you're going Oh, well. They're ready to go. So I'm ready. I am ready to go. I'm telling you. I'm here 526-573-8526 KPFT. We've got about six minutes to raise lots of money and you know if you don't call Well, okay. It's just what do we have to do boys and girls? It's just so serious. It's so important. Don't you understand that there are those at the police department just waiting for me to screw up so they can fire the faggot Don't you understand? There are those Christians that listen to us every week with their tape recorders humming they probably have better recordings of this show than we do. Just waiting to send the tapes to Jesse Helms let's get that clear off the radio. They're not gonna win as long as we continue to fight as long as we stay mad enough not to let them win. Yeah, that's okay. Jimmy and I will continue to let our health go to hell. And we'll continue to work ourselves to the grave and when you tune in some Saturday night you might hear something you might hear something other than us. When you do please remember that we were here and please remember that we cried and that we tried and we worked real hard for you. Please remember how good you felt when you called and made a pledge and made a difference in this show. Remember that life is so precious and so short and since it's over so quickly. She'd really like jump on the bandwagon while you can. We only got about six minutes, five minutes. And then we're leaving 526573852 6k PFT
