I'll be back soon expect to be in something else. But you know, I don't know. I

 Chris Harrison 10:48

don't know if I've been good enough. You haven't been and of course very found that place with food. He was able to sniff that out my nose

 11:07

 Chris Harrison 11:11

you know there's so much eye candy in here. I'm using insulin provides him in the morning.

 11:15

You know, there there is there's just so much I'm so glad we picked this set up by the restroom because everybody's got to go to this restroom to go to the bathroom. And you see everybody like just now Ken long owner of oh, just walked by. Everybody's gotta go to the bathroom around here. So I've seen quite a bit of VIPs walking around this place tonight. A lot of Easter candy. Very important peeing. Yeah, totally. So I'm gonna see there's a lot of people leaving I guess they're headed over to the spoil boys after hours.

 Chris Harrison 11:41

12:24

Oh, we got a coarser and then we've got plenty of time to do that. So we can thank our partners for all the help that they've done. They've been great. So yeah, we've got plenty of time for that, everybody. Okay, because I'm only gonna be gone. Well, I don't know. I will be back to help tear down. I do know that. But um, yeah, let's go ahead and go ahead and wrap up with our report with our partners and stuff like that the

Chris Harrison 12:47

end. Okay. Yeah. Do you want to do you want to do and do it now? Well, I just want to make sure because you actually know the list because

12:54

Chris Harrison 12:57

thank the people then we've got a lot of people help sponsors. To get us there. Get us here and

13:02

It's a great service to get gay and lesbian book. Yeah, you look in the gay and lesbian Yellow Pages, give them a call. So only KPFT sent you over, man. They're hooked. They'll hook you up. Really good people. They gave us a free limo ride over here. That's how community oriented this event is. You know, we gave them a call said hey, you know, this is a community radio station. Can we get a

community limo ride over to a community event? And you know what? Ron was so great. He said, hey, you know what, I'm gonna do it. Absolutely. For free. We're not gonna charge you guys at all. And he gave us a ride. And so that was wonderful. I loved the inside of it. Yeah, it was a limo. Nice. Oh,

 Chris Harrison 13:45

yes. Very nice. It was my first time in the limo. So and did you enjoy it? Well, unfortunately, I sat next to Roy. So

 13:54

that is just absolutely that just ruin the limo ride next to Dan rather hear

 14:00

the other side, I'd make sure I get away. Okay.

 14:02

And BCBC thanks for they need to be thanks very much for allowing us to come out. And basically the boys club of course, Verizon Center Clear Channel, believe it or not, you know, they kind of help us out. You know, they they went they you know, as all the bad stuff you hear about them. They really went and we really went to work to get us here, you know. And Michael Collins, president of BCBC he really helped out there. There was so much pull so much work that went into this for hours. I mean, I've done I've done some other events and I'm doing a lot of work. But I was so shocked at how much work we had to put into doing this. And od he was great. KPFT thanks for supporting us and everything. Now that now the great guys are bringing on the Baixada leaving the breaking on. The strippers have been great. The San Diego guys have been just absolutely fine. Wow, I'm hungry. Thanks HPD for Brian the security thanks to the bathroom people for giving me the show. Lifetime. 15:57

And if y'all if y'all have an event that we have just so happens we met him miss that. You want us to come in promo app man, you know, and it's something good and it supports the community. Yeah, we're we're a community supported station. So we're there for our community. You didn't have to be gay. Doesn't have to be it doesn't have to be straight and have to be white and heavy black don't have to be Asian will be there. Because we support all types black, white, any ethnic, religion, religion, whatever,

c Chris Harrison 16:20

you know, we don't even discriminate on the amount of you. You can

16:23

c Chris Harrison 16:41

Yes. The food is hitting the spot, but the queue guys walking around is also helping doing that. Okay, guys, we've got we've got about a half hour left here. Now how much now you guys went out? YouTube there, Kendrick and Devin. You guys were out there playing you. You work the crowd. What sort of vibe did you get from out? What was it? What's the atmosphere in there? Those?

17:11

Yeah, there was a lot of energy out there. I I had fun. I was out there dancing like crazy. Having all kinds of fun.

c Chris Harrison 17:23

I think you're on now. Now

17:33

now is my Okay. Okay. The atmosphere was absolutely friendly. It was wonderful. To see in fact, got my swim taken off. I was like, okay.

c

Chris Harrison 17:52

Yeah, I mean, you're riding around happening and

o

17:53

you took off your jacket. My jacket, my undershirt monitor shirt, I have my cut off sleeve shirt on.

c

Chris Harrison 18:01

Brett's running around here. happening, it

o

18:04

just gets so hot that you just had to take

c

Chris Harrison 18:06

it. You were fortunately around the area where you get a little bit of a breeze coming through. So there were the doors opening up there because it was a little chilly out. But they're

o

18:15

out there. Like crazy. You just had to take it off.

o

18:20

Well, I mean, they were I mean, they were really, really, I mean, it was just packed the energy was just so so awesome in there. You know, I believe it is I hate to pull the plug in for next year. But yeah, this is worth coming next year if it's like this. Yeah, this is I mean, this.

c

Chris Harrison 18:38

One thing is this, you know, we were called when you think about these events and solid pictures and all that, you know, you thought it was all the pretty people. We thought it was the we would there was there was a lot of really gorgeous guys here. But the fact is, this isn't a lot of the there's a lot of older people here a lot of different domains, different generations, different different ages, different races. I mean, it was it was not. It wasn't a really big mix. I will admit that. But there was a mix. There's a lot of women in here. I think there's even some straight couples

19:14

in here. Right? And that was surprising for me.

c Chris Harrison 19:17

Yeah, it's easy to find the straight straight couples in here because the guys are holding on to their woman's hand for dear life. If I let go of this hand, I'm getting someone's getting a toaster oven. Okay. So I mean, there's some of the women's outfits. I mean, you know, the tribal theme we saw a lot of feathers, a lot of leopard. Leopard, a lot of leopard print. I mean, these people are doing a great time and right now they're just they're all starting to settle down and and get the mix on so people are heading over towards bokeh in the after the after party and all that for another enjoying what's left in the VIP room. It's been brought down here to give a world level

19:59

and I've given it away. I don't attack it quite a bit. And we've got

c Chris Harrison 20:03

guys walking around with monkeys on their shoulders. So when he's asked when that guy comes out of the bathroom told me that his monkey tell the guy you want to get his monkey when it comes back out.

20:15

He wants to play off monkey.

c Chris Harrison 20:17

Do you want to catch his monkey

20:26

they ran away so he's not listening.

c Chris Harrison 20:29

Oh my god, I think we killed Ron. Now dauntless here taking our pictures again there. I was

20:35

gonna I was gonna spank him.

c Chris Harrison 20:39

So why don't you guys go out and try and recruit some people in Africa to find some more. Hey, guys. Okay, Michael is coming into us. Yeah, go ahead. Yeah,

20:48

I'm just walking up if I can actually get my headphones to work. And there we go. I just is raining cats and dogs and you should see the people lined up out here to get into the mercury room. Bocce Ball, I'm soaking wet. And I hope I don't get shocked by all this equipment I've got on me and my guys. So we're we're lined up here at the mercury room Boca bar, and I've got a girl with me. Her name is Vanessa. How are you doing? Doing fine. And where are you from tonight? Sounds good. You're from South Beach. South Beach. Southeast Florida. Miami. Okay. So tell me what made you come out to the spoil boys party?

21:20

It gets out of control. It's out of control. Yeah, I have to be out here if you're not and you're missing out missing out in action. Well,

21:26

that's great. So tell me what are you going to do with your makeup? It's starting to smear honey. Nobody's worried about it. Okay, let me see. Let's find another person here. Okay, wait a minute. This guy here. He's this guy here is totally gorgeous young. If y'all could see him y'all would not go would just die off the Gelsomina guys here and wait till y'all hear where he's from. Hey, what's your name? Chris.

21:47

I'm from Omaha, Nebraska.

21:51

Nebraska.

21:52

Can you believe that? So what brought you to Houston? I

21:55

was just looking on the internet. And I was doing a Google search and I came across 90.1 KPFT and they had a link for this Verizon Wireless theater this jungle party and for both of our after hours and I was like hey, what's going on? Let's see. So there I go booking my flight and here I am in Texas to Houston loving it loving it. So

c Chris Harrison 22:17

KPFT brought the farm the corn fed farm boy down here to the big city

22:22

do you believe all the way from Omaha Nebraska wow I cannot believe that that is just absolutely amazing. Okay guys back to you guys up there. And that's it I guess that's it from for the spoiled boys here at Boca bar back to you guys.

c Chris Harrison 22:37

All right. Okay, Michaels up there. Okay, Kendrick.

22:40

Oh yeah, I was just thinking about that. I was looking around and seeing all this eye candy that we have right here that all sudden I was like, stop that. Stop that. Stop that. I gotta be somewhere it's Sunday morning at 10 o'clock. Stop. That's not that bad kids repechage.

c Chris Harrison 22:58

Okay, all of a sudden I was just gonna do is stay up a little later have someone to keep you awake and write keep you stimulated till 6am till 10am. Okay, yeah,

23:12

keep me keep me, you know, keep me awake until 10am. And then I'll be okay. Because I'll be standing up for about for about most of the most of the Easter Sunday. I

c Chris Harrison 23:21

kind of feel like that Mel Brooks Film History of the World. Sitting there going? Yes, yes, yes. No. Yes. Yes. Yes. The nose usually we're running across the women here.

23:35

But you know, you know, Chris, the funny thing is, is that, you know, as speaking, I guess, you can say from from, I guess you can say someone who's trying to, you know, keep the balance of you know, of course, you know, knowing that fully that I'm gay. Yeah. You know, and at the same time, you know, you know, having a religious belief, you know, Christianity the balance between the two is settled for me. I mean, you know, I know, you know, I know about you know, I know who I am, and I'm happy with it. Hopefully, I can be here and all this lovely loveliness with of course, the proceeds going through a worthy cause. Oh, yeah. And at the same time at 10 o'clock Sunday morning, I'm gonna be up there to praise the worship team. So it's all good for me. Well,

c Chris Harrison 24:19

no, I mean, I I pray religiously on Sunday night, Sunday mornings. I'm at St Celia the posturepedic. Every Sunday Yes, I do not miss services there. But yeah, there's a couple of boys here that you know, I'm a good Catholic boy. So we know okay, we know how to kneel and give thanks and

24:40

okay and say you're here Mary's that's all right.

c Chris Harrison 24:45

I mean, come on. Was that training for?

24:49

All I gotta say is God saw it and it was good.

c Chris Harrison 24:55

If he didn't like it smite me now.

24:58

So I'm good. But thanks already I've given thanks all read D

c Chris Harrison 25:05

Yeah here here we are blabbering on the holiest weekend and this is how we celebrate our

team, here here we are blaspheming on the honest weekend and this is how we celebrate our group

25:12

I don't be personally I don't consider that to be I mean I'm like okay it's good it's

Chris Harrison 25:18

a trust me there's gonna be a lot of boys out there tonight they're going oh god oh god thrown out so I mean, this is a great old time here that oh this is fun the party it's kind of moved. I think it's moved that way from the dance floor out here to the to the lobby area so we get all the wonderful Why can't you know

25:42

I'm walking in the door here is a lot is a walk from Mercury room but it's a good close walk. I'm walking in. I'm seeing all these guys in the lobby. I guess they're watching our show. I guess it must be that interest. I guess. So. I'm gonna give away some CDs and stuff, I guess. All right. This guy right here. He looks kind of interesting. Hey, what's your name? Chris. Where are you from? Chris? Originally Michigan, but I live here in Houston. Well, that's absolutely great. So is this your first jungle party? No, my third. And you are enjoying yourself with that. Kevin, why don't you be careful this rope and turn around here and talk to these guys right here in this microphone. Come over here. Step over the rope.

Chris Harrison 26:45

He's busy stuffing his face. Yes, I

26:47

I know. But look. What? Okay, so talking to that microphone. It's on right. So go tell me who you

KNOW. BUT LOOK. WHAT OKAY, SO TALKING TO THAT MICROPHONE. IT'S ON RIGHT. SO SO TELL ME ARE YOU FROM HOUSTON? Yeah. And what made you any shaves his chest he was in a great

26:58

26:59

And he has the cutest body on his back.

27:02

Yeah, turn around. Turn around. He doesn't see he doesn't mind showing that off. That's what I'm talking about.

c Chris Harrison 27:07

So Kendrick is talking about the tattoo. The tattoo where the

27:12

tattoo does upper back.

27:13

Oh, what does that tattoo mean? I don't know. You just had it put on your back. He's got a tattoo in His ear too. Really? Yeah. And he's got 123455 get any more tattoos that we can see. Yeah, where's that? Oh, my legs. You got a tattoo on your leg? I have to. Oh, okay. Well, how about piercings though just the ones you can see. There's the ones I can see. Think about that for too long. You did out of the in somebody's calling you i hear you on the radio. Okay, here's your CD. We actually don't want to you don't want to hear Kermit ruff. c Chris Harrison 27:58

The whole you know, we haven't talked anything here lately about Melissa. Melissa Etheridge

28:04

may 15 and 16th at the numbers venue and Montrose are on Westheimer Believe it or not

Monday, actually, we're so next Saturday, we'll have the real thrill information. So let's just kind of skip over this. Okay, I won't even talk about this and I saw your opportunity. I've never even heard anything about Melissa Etheridge may 15 or

c

Chris Harrison 28:24

16th. I only said Melissa, you can stretch it for something else.

o

28:27

Yeah, well, everything gets confirmed on Monday. I'm waiting on that. So we'll we'll talk all about the Melissa Etheridge. I do want to break some news also. And I don't know I might get in trouble for this later down the road. Boy George Houston, Texas riches, it's gonna be quite an event. I talked to the owner the other day, I had dinner with him over at Hollywood cafe. And the scene was telling me that he's bringing in Boy George and his entourage. Few movie stars as well. I believe he said that's the last weekend in April. So that's something we're looking into as well as if we want to be involved in that or not. I don't know I know we can't if we want to be looking Boy George would be interesting. So boy, George, it'll be very interesting. Yeah, totally interesting. Oh,

c

Chris Harrison 29:06

we're getting the juices getting on these kinds of circuit trips that some of the big name stars are coming here to Houston and I mean we're talking about the name brand ones name brand you know, I mean, we get Pansy Division in here but unless you listen to after hours you don't know who Pansy Division is. That's true. That's totally sure we're talking about the other artists that the name the mainstream one there. We've got Melissa coming Well, Boy George coming and who knows what's coming down the line here. Who

o

29:33

knows? And who knows, you never know who's gonna stop using that to these two guys are rubbing on each other.

o

29:41

There's a guy running around here with a number nine on the back of his shirt. Uh, What? What? It's black and gray shirt with the number nine on it.

c

Chris Harrison 29:50

If somebody was waiting, right there, you just

29:52

walk past you. You just right? You don't want that. Trust me under that, sir. Is an absolute About

30:00

what's under this. Oh, that somebody was wearing a hula. Wow, this is kind of nice over here. Y'all just follow me with the mics. We're gonna go talk to this one right over here. Okay? There's two guys standing right here. There probably are y'all a couple? No, they're not. They're just very good friends. So what's your name? Steve. Steve. Izzy. Are you from Houston? Austin. Austin, we got another Austin guy in the house. So tell me Is this your first time in jungle? Did you enjoy it? Yeah. Okay, and who's your friend here? What's your name? Scott. Scott. Are you from Houston? San Marcos, San Marcos, Texas. Okay, and this is your first time at jungle? No, no. Well, he he's very talkative tonight. Okay, well, I've got a CD for you. It's Kermit ruffles really good. If you want to carry it if you don't want it, you know, we can take it back and just crunch it up and run over our car with it. And here you go. This is Roxy Music live pretty good stuff. And thanks. And wait a minute. Wait a minute. Speaking of the same Joseph we got we got the owner of riches right here. I just caught him. How are you doing the same? I'm fine. How are you? Good. Are you know I just I don't know if I was supposed to spill the dirt earlier about Boy George. I was telling. I was telling I was telling everybody that's listening. That riches is bringing boy George's Why don't you tell me a little bit about Boy George. April

31:15

30. He'll be here. And what's he gonna do? He's gonna DJ but he's got his whole entourage with the stores from Party Monster.

31:24

Oh, he don't want to tell anymore. Okay, well, this is we're right here. We're live at Verizon. We've got the owner of Rich's Nazim thanks for joining us, man. Have a good night. Are you going to after hours party over at boca? Yes, Michael. Okay, I'll see you there. Okay, bye, bye. Yeah,

Chris Harrison 31:39

that's that's one thing. One thing I can say about here. I mean, we've seen a lot of people who are employees and owners and managers at the different clubs here in Houston. And they're all here at this event. You know, when you talk about some of the legit rivalries in the basin, with some of the clubs, you know, here they are one room. One one of them, of course, helping raising money. The fact you've got the preliminary events we went from, they went from Meteor to South Beach, to riches. I mean,

32:07

he he closed riches tonight for this event that he you know, he said, you know, this is a community event. And he closed the club tonight. He put a sign on the door said you know, in in, in regards to jungle party, we're close tonight. You know,

C

Chris Harrison 32:21

that's that's, you know, a lot of the bar owners can get a bad rap. Of course, you know, especially the ones in the Montrose in Nashville, Montrose area, you get a bad rap from their neighbors. And we've got here's a bar owner, and he's not in the Montrose. He's far off there in downtown St. San Jacinto. Yeah, but you know, this is how you support your community, of course, people can sit there and you know, do things once a year. But here, he did it, he closed down his business. Yeah, you know, so people would come here to this event, and enjoy it and be a part of the community. And that's the important thing. And that's one of the things we do with this radio station is is great, especially with this radio show. We're a community radio station, we're a community based show, we're all volunteer, we come out here to have to enjoy ourselves, and to entertain and inform the community. And, you know, it's great seeing these other places is other people stepping up here, because we know about, we see all the reports on the news of, you know, state budgets, federal budgets, are, are running into the red. And one of the first things of course, with the fact that we've got a very conservative government out there, when it comes time to cutting money, they're gonna cut on fag programs. And that's what they look at, they look at cutting A's and look at cutting all sorts of these social services than

O

33:47

you know, and you know, everybody that's tuning in, if you want to know more about our station, you can tune in, or you can log on to our website@www.kpft.org that's the best place you can find out how to become a member of KPFT. Learn more about our LS LSP. Board, our board or board of directors, anything you want to know about the Pacifica foundation, you can log on there. And that's the best thing to do. And I advise you to do that, then just give so much information, so much community support is on there. And you know, it's just helpful. I mean, when I and I and I do a lot of work with KPFT. And I think sometimes why don't notice and that's the best place I go is is kpft.org because it helps me out. There's so many different links to so many different places on there. So I know that that that's where I go that's kind of like my black book or information.

C

Chris Harrison 34:31

We're talking about, you know, this show, here's where we're going on 16 years of programming, and where else are you going to find programming that's for openly gay people. And it's a positive show. We don't have you know, other stations, they may cover carry more hours of programming, because usually anti Queer programming and we're here trying to give everyone a voice and appearance. You know, this is what this is what a lot of people see in our community, they, they look at anything, oh, circuit parties, and all that all the negative parts of what goes with that. But basically, a bunch of people got here got together here. They had a great time. And they raised a whole lot of money for AIDS organizations here in Houston. And

this money that's being that's being put together here in Houston is going to be used here in Houston. And it's all going through it. It's not they're not going to large overhead. It's not going to fat cat CEOs. I mean, this is Michael Michaels dragging someone else in here. Do y'all

35:46

know who this is? Is this face ring a bell? Take his hat off? Does this guy look familiar to any of you guys?

35:51

My future husband? Your future husband?

35:55

Remember him do what are we gonna give you a hint? Oh no, you guys still silence? This guy right here took well I'm not gonna tell you what he did. But he was very generous to our guys that Oh, you don't remember that? Nobody remembers that. Tell me what's your name is James. J. His name is James.

Chris Harrison 36:12

We were the wider the or the black phone or in

36:16

the wider the black the homeless? He wasn't in a thong. That one. No, he wasn't one of the two strippers. He's one of the guys I brought in and he took Jimmy gave me money to take his fans off. Oh, okay. He doesn't remember. Do you remember? I

36:33

took my shirt off. I

36:34

remember. Oh, he did. It was just a shirt. Well, okay, I've had I'm just thinking a shirt. And so I'm just thinking ahead. So anyway, James and I were gonna go party over a bulk of our Mercury weird a little bit, guys. Okay, so I invite everybody to come hang out with us too. Good looking. Hi, guys, because we're both single and we're both looking. Right? I'm not saying oh, well, he will. He's looking to hang out with good friends. Right? Yeah, yeah.

37:00

Okay, y'all back y'all. Okay.

Chris Harrison 37:02

Step aside. It was a guy with drooping pants. Boy in need of a belt there. Yeah, good belt. Okay, we are. We're back. We're just wrapping up here. Coming to the end. Roy has found the food once again. Unfortunately, he can't hear him make fun of himself starting the yes, he's guarded him about fading. He does so well. So you got here late, but what did you think?

37:29

Oh, it's a blast. I've been out on the dance floor. I can't hear very well, so that's probably why I'm yelling. But I had a blast actually got out there and dance. Which isn't normal for me.

Chris Harrison 37:43

Now did you get half naked like the rest of the group did?

37:45

No, I didn't. I didn't scare everybody off the dance floor lover.

Chris Harrison 37:50

Boy, boy boy was up there shaking a soft house. I guess but boys got bigger balls than I do.

37:58

That sounded bad.

Chris Harrison 38:02

I wouldn't want to know how you found that portion. I don't

38:07

want to know either.

 Chris Harrison 38:11

Trying to find see if so pressive Kendrick was over there. What about you? Joseph?

 38:20

Isaac, Isaac Joseph. He

 Chris Harrison 38:23

dressed like Isaac from the Bible there are how have you enjoyed tonight?

 38:28

Oh it's been a blast been a lot of people have been doing a lot of dancing getting really sweaty and stuff. Seen a lot of cute guys without their shirts. Wow. It's been enjoyable. I

 Chris Harrison 38:38

mean between all the shirtless guys and the pant I mean this kid pants are just you know I don't see that much flesh on the Showtime skin flick. It's going lower and lower and just we may have some full frontal nudity. Pretty soon. It's getting close there.

 38:59

He does. Well he works at a local pet store on Sheppard. I've seen him he's over there in the fish section. He's really cute.

 Chris Harrison 39:06

So I need to get to the aquarium. So we've got one of guys here as hopefully Michael is going to be

 39:16

I'm looking I see all these guys just piling out here

 Chris Harrison 39:19

with the droopy pants.

39:21

Chris Harrison 39:27

39:31

39:33

Am I right? No, not him who

Chris Harrison 39:38

are gonna go take three steps forward

39:39

three steps 123 Yes. Pause on

39:42

his chest. Pause on his chin. I don't see anybody from

Chris Harrison 39:46

39:47

39:49

I got the spiky hair right here. Yeah.

39:53

This girl? No, no, no, no, y'all don't want to talk to that. Maybe you do. Hey, what's your same step over here to our studio. So we talked to you okay, I only got a God, my God has one fish. Step Across that net right there and go to that microphone. He's very friendly. So, tell me where are you from? Houston. Houston. Is this your first jungle party? Yes. Okay, so are you having fun?

40:22

40:23
