 Chris Harrison 00:00

Q Patrol wouldn't be here right now if it wasn't for Charles. Well, that's

 00:02

true. I know that he's really put himself out there for Q Patrol.

 Chris Harrison 00:09

Bobby's the one that laughed on that.

 00:13

Sorry, is the phrase coding out and I was sorry.

 Chris Harrison 00:17

And also a little bit of kudos there if you hadn't seen in the Texas triangle the I don't know what they call their year end. Best of categories and that KPFT was voted best GLBT radio show and most most friendly, gay friendly radio station. Yes. So we got two awards

 00:39

this time. Two to two minutes and one so

C

Chris Harrison 00:43

that was very good to see that we've done that. Oh, guys, read the rest of those. Read the

O

00:51

cut down. Come on, Joseph. You can read Oh,

M

Merlin 00:54

no, he can't read. Hey, you've already said you've already spoken on the air once Yeah, come on.

C

Chris Harrison 01:03

Yeah, sure. Either speaker strip one or the other.

O

01:08

away from him.

C

Chris Harrison 01:14

God I love this show. Just just depends on how far it goes their

M

Merlin 01:29

Salvation Army thing. Apparently the Salvation Army is being like, non it's being like, anti gay. Well,

O

01:39

you see, because the Salvation Army is a quasi religious organization. They do not hire gays, gay gays or lesbians or bisexual or transgendered people.

M

Merlin 01:54

Yeah. Yeah. Okay. I was looking at this and I'm like what on earth? That Yeah, apparently something about a Washington Post front page expos a two years ago that revealed the salvation offering army.

02:11

Tried to me, didn't you? Yeah. Yeah. Having a Jerry Lewis attack that

c Chris Harrison 02:22

we just need to send you a nice lady.

02:25

Lady. Lady any breeze once a year is once a year.

M Merlin 02:32

Yeah, right. The poor man has been really sick the last year so yes. Anyhow, but revealed that the Salvation Army tried to broker backroom deal with the Bush administration. Oh, gee, here's a shock to overrule state and local laws banning anti gay discrimination in the workplace. Wow. Yeah. Members of the Bush administration in the power group. You imagine imagine that that's positively frightening. And yet not so they talking about to your familiars that oh, here's a cute story. Man stuck with his German husband.

03:15

I love that. Talking about marriages, all kinds of ins and outs and you got to think about this stuff. Oh, this is

M Merlin 03:25

priceless chi man stuck with his German husband, Reuters newser, Berlin. A Thai man who masqueraded as a woman to wed a German man has failed to get the marriage annulled and now seems settled with his husband. The German court dismissed the ties request for an annulment because same sex marriages are not recognized in Germany, therefore it cannot be reversed.

03:56

Got married in Sweden, I

M Merlin 03:58

believe. Yeah, it's it says here the Yep. The 42 year old time and married man in Denmark under a false name in 1994. And when was later granted German residency? That's too funny. And

04:17

since Yeah,

Merlin 04:19

this and Earl it and you want to talk about words you can't pronounce? According to a man named a spokesman for the court. Or alrik Score, score, bliss score bliss.

Chris Harrison 04:36

Don't worry, he's not here to marry

04:38

anybody with that and yeah,

Merlin 04:40

I don't care when he is a spokesman for the court. I don't know why they got married, whether it was love or the desire for resin or just the desire for a residence permit. Like they must have been the sex you know, those Asian guy Yeah, I can vouch for that. Yeah. Yeah. If it did,

Chris Harrison 05:05

Joseph had demonstrated earlier. Yeah. Whoa, I

05:08

thought that was only for lunch

05:11

cream of some young guy.

Chris Harrison 05:16

He got taken out on his takeout. Okay, is it a buffet full? Let's just continue with the analogy. Wait

M

Merlin 05:25

a minute. Here's here's a segment on. Just look what the Bible says really says about marriage. Yes, this is a good this is cute. Since this is the beginning of Marriage Protection Week, this might be a good time to see what the Bible really says about marriage. One, marriage shall consist of a of a union between one man and one or more women. It's in Genesis.

C

Chris Harrison 05:55

Didn't Samuel polygamy not just for Mormons anymore anymore?

M

Merlin 05:58

Marriage shall not impede a man's right to take concubines in addition to his wife or wives. That's in Sam to Samuel, one kings and two Chronicles. Wow.

♂

06:15

Cool is enough for me. Yeah. Right.

M

Merlin 06:18

Which, which, for anybody who doesn't get it? Or oh, yes, and the bribe. But

♂

06:22

I mean, this is for all these fundamentalists that want to, you know, take marriage, marriage of Bible. You

M

Merlin 06:27

want to take it back to the Bible, then, you know, an awful lot of men are going to be real happy when they're when they're allowed to take that second and third wife. Yeah, keep on. Oh, here's a good one for for the year. 2003. A marriage shall not be considered valid shall be considered valid. Only if the wife is a virgin. And if the wife is not a virgin, she shall be executed like that. Yeah, that's gonna happen in this day and age. You keep

C

Chris Harrison 06:57

that up. We won't have any women when I mean girls in high school graduation

07:01

will never make it to graduation. Are you kidding?

c Chris Harrison 07:04

They'll just be a bunch of homely girls walking across the stage.

07:09

And what do you mean high school?

c Chris Harrison 07:12

Okay, all right, the kindergarten graduation ceremonies would be very bad. College marriage

M Merlin 07:17

of a believer and a non believer shall be forbidden then those folks I knew in college who were what a Jewish boy and a Southern Baptist girl got married. Who boy they skirt Yeah.

c Chris Harrison 07:35

Yeah, your wish and yeah, they're in Baptist. Yeah.

M Merlin 07:37

But one family was okay with it. The other one went I got a buddy you guess which was a wedding day, they couldn't even agree on the, on the music for the wedding, they finally decided that, that the wedding the official husband and wife wedding song would be the old, a Maria. The if a married man dies without children, his brother shall marry the widow. If the brothers gay boy is she screwed. If he, if he refuses to marry his brother's widow or deliberately does not give her children, he shall pay a fine of one shoe and be otherwise punished. And a manner determined by law. Feed him to the Queer. So

08:29

don't you think a shoe is enough?

c Chris Harrison 08:36

Is that when you hear that sort of thing? You have that part? You have many cultures that still practice that that aren't Christian or, or do not believe in the Bible part. And unfortunately, it's part of one of the large reasons why in Africa, the large AIDS crisis is the fact you have man dies. Brother has to marry the wife. So a man dies of AIDS gives HIV to his wife. Then she gives it to his brother. It just circulates through it that way. So there's one of the wonderful things you get out of the Bible for

09:08

the family. Right? Somebody wants to do this. Happy little.

c Chris Harrison 09:12

But see. 19 8316 years after the Supreme Court struck down interracial marriage laws in Loving versus Virginia. Only 43% of Americans approved of interracial marriage. Right now. 39% of Americans support legalizing gay marriage 49% support civil unions and 59% a support extending life benefits benefits like health care and social security to the same sex couples. So and that's all courtesy of the HRC but then we still

09:48

he's doing with his hands.

c Chris Harrison 09:50

You want an acrobat to come in there. Chinese

M Merlin 09:53

acrobats of Canton, but Jimmy's

c Chris Harrison 09:56

giving us the wrap up so you say books signal say No gesture

10:03

you don't start listening to that gesture I got another one for

M Merlin 10:06

Hey, I got one more thing here that you ought to be interested because I think you've talked

about this before a book coming out soon called from our own lips. Yes, the book of GLBT quotations I believe someone near and dear to our heart is actually quoted in that

10:22

as a matter of fact I am. Yeah, yes. Thank

Merlin 10:24

you. So your that'll be coming out soon. It has already co it's already out. Very cool. All kinds of boy. You're up there with Boy George. Hey, you go. Boy George.

10:39

between two people you never heard or

Chris Harrison 10:42

what a coincidence. People the people in front of behind you said

10:48

you've been listening to with that attitude on KPFT Houston. 90.1 FM and Pacifica station. And 89.5 and Galveston. This has been the roundtable

Chris Harrison 11:05

see what happens when you show up the chairman? Yes. Can you imagine what happens when you're not here?

Merlin 11:12

But it's kinda crescent shaped.

11:14

It's really better when I don't know

Chris Harrison 11:17

I mean it was so it was so bad last week that somebody even cut the cables on the on the

I mean it was so it was so you last week that somebody even cut the cables off the off the tower No, you couldn't have heard that was the problem.

11:27

Right called and left a mess. Up was some kind of doing because he did it all the way in from the lounge. Oh, okay. We are going out with Kiki and her doing very bad lounge music to Frosty the Snowman. Is

Chris Harrison 11:42

there anything other type of lounge music?

11:46

second night, Gracie, good night. Good. Grazie. Wherever you are
