Let's see. That was a even even better article in the voice was about these lesbians up in Chicago who decided they didn't want to see a king and a joker in the deck of cards so they've read on the 52 cards to leave Joker's and kings out. Jokers are left out Queens Hi queens are the high then there's a lady in waiting and what about Jax? Jax. I think Jax are gone to Jax are gone chills. And this was invented by a lesbian poker club in Chicago who got tired of playing with Jackson kings. Here it is have have vanished queen now rules highest ranking face card followed by the lady in waiting and the maiden. That's it. So it's Queen lady meeting mate lady in waiting and a main deck of cards when you like to have one of those. What's the name of this? It's called the dike deck. And you can get a dike deck for 750. Oops, for nominal charge. Plus, plus a little bit of postage and handling very little bit. postage and handling. If you want I can give you the address if you run and get a pencil. I'll give it again later. from Queens rule poker club, peal box 268383 Dash GP, Chicago, Illinois 606 to six and I'll give that a little bit later for any dogs out there who would like a dike deck for yourself or for your favorite dike. Like to deck a die I wondered how long that would take. Jimmy would come up with that actually Becca die. But I thought that was really neat and no longer kings and jacks and a deck of cards we have to it says here that that they've talked about it on his program that's out of out of Canada. Oh no, it was written up in a program out of Canada. So a national national Canada Canadian program. And they were talking about the National Public Radio and in the United States is talking about it and that's us. So if you want to you can write these dikes who have this new dike deck and and ask request one for yourself and your favorite favorite sister. Okay, not a prediction. Did I tell you that I think the Super Bowl will be won by the Oilers. Hey, it could happen in the last three minutes. It's possible. Yeah. Hey, that was a good game, though, wasn't it? I know I turned it off. Yeah, didn't everybody, we had to watch the last three minutes, we can see in the news on their highlights. With fragments of the game, it was part the one next time I'm only going to watch the last three minutes all that other stuff. Well, I know you all are out there sleeping. Looks like mad is bad. twiddling his thumbs in there. He's saying he's handled all these calls. Now he wants some more if you were free, we have an open line if you want to talk to Matt or one of us, and we'd be glad to draw with you a minute and look up any requests you have. And that's right.

03:16

And you can call in your prediction for 1993 and the number is 5265738. And while you are dialing that number, you can listen to this.

03:54

Definition

03:55

lesbian Oh, some of the gals in the cul de sac are less materion it's one of your you know, good Protestant faiths. Of course, I'm a Lutheran so I don't know you know what actually goes on inside the church but it's pretty much like mine

04:15

it is it's very like hers. I love those we're gonna have to get more of those. And you know what we could you know what we could do we could do our own our own after hours, definitions done by their lovable after hours hosts and just go through the Gay Lesbian dictionary and just just don't give out all this kind of wonderful tongue in cheek definitions. I love that stuff. Let's see where were we you are gonna You are are you lining up for something? Yeah. k.d. lang,

04:51

we're gonna do some straight artists first good straight artists who have done music for the gay and lesbian community. And I had it narrowed down to three but I can't do that. It has to be four. So we're going to start out with Tracy Chapman. Hey doing freedom now Oh yeah. Oh yeah, that was Garth Brooks doing we shall be free from his the chase album talks directly to the gay and lesbian community in many other communities. Before that we had one of my all time favorites, Chris McKay from her what love endures, doing if ever you need me, we were sitting here talking, Matt and I say, that is a great song as a theme song for the gay and lesbian switchboard because it's saying, Hey, I can't solve your problems. But I can I can sit here and help you along with them. But you have to live your own life before that Curtis staggers doing a song that really for all kinds of communities people like us PL us as Jewel says Sit down here woman.

06:20

Yeah, appeal us. Are you

06:22

starting that out with? Of course. Tracy Chapman, freedom now, all music by straight artist that directly impact and affect the game was being community and songs that we played here throughout the year? Because they talk to us and they say something to us. You speak to us

06:48

with dignity.

06:49

Yes, absolutely. That that's exactly what I was looking for. You always come up with a good phrases. Well, I've

06:56

been around. Yeah, I've been liking a lot of the music lately has been more tolerant and more talking, like the rap song, the rap group we were talking about earlier. Yeah. That does the song

07:12

disposable heroes of hip hop or sad. Language?

07:15

Violence, right? Yes. You know, a lot of that's coming out where people are, you know, talking about tolerance. And, and if you know, we don't want to deny someone their hate, we just want to deny their we want to deny them the right to, you know, push it on the people that you can hate in your own living room all by yourself. And I don't have any problem with it. But when you get out in the streets and you start hating me, as I'm walking down the street doing my thing, then I have a problem where you teach your children. Exactly, exactly. There's worse, that's really worse. Have you heard that there's a case now pending, where they're trying to take a child away from a parent who they call it's the parent is they say the parent is being abusive? By teaching this intolerance and hate to this child really, that the parent goes out of his way that it's a father has gone out of his way to teach hate to the child. And it has caused a child problems in elementary school and they're trying to take the child away from the Father, because they call it abuse. And I think that that could be a real landmark case if it went through.

08:22

We were just talking about that song that could be the theme song for the switchboard and somebody said, Hey, what's called instead? What's the number? Matt's running to the phone right now? And we'll announce it over the air because the number for the gay lesbian switchboard, which you can find in your phone directory, under gay or under lesbian is 5293211.

08:46

I believe it's even listed, if I'm not mistaken, in the helpful numbers in the front of the government Pages book.

08:54

Oh, was it? I believe it is I trying to think if I looked for I looked for it and found it in the Yellow Pages under Services or something like

09:04

I believe it's in the helpful numbers in the beginning of the book, which is a nice little you know that people are in their city are acknowledging the diversity and the need for diverse crisis places.

09:19

Well, speaking of diverse let's hear another little definition, okay.

09:25

Definition mutual orgasm.

09:28

My husband and I just choose not to have it. We have always been with Allstate. We think it's a good company. Oh, those mutual of orgasm people we don't like them. Their show is way too violent that what's it called? Wild Kingdom. With Marlon Perkins. He and Jim are always wrestling most animals to the ground. We just believe we're in good hands with that other company. Another guy that other crap And I

10:02

wouldn't have to do some of those. I'd love to do some of that.

10:05

I want to do one more because we want to go to boy, an all time favorite song for women at this radio station. And it's k.d. lang, the k.d. lang and as a matter of fact that I've found the baby Kate as the baby. I found a CD that was put out in 1984 that I'm going to be doing I'm gonna be playing a lot of in 1993. And that Scott k.d. on it and she's wearing a dress and it's just really weird. And does a number called bebop a lulu? And if you didn't know she was a

lesbian from that song. Whoa, I don't know what. And hey, that's nice to hear. Caller called in and says thanks for the show. Thank you, Greg for calling and letting us know that. Yeah, Greg. Yeah. So one more definition and we're gonna go to k.d. lang. Okay. Okay.

11:13

Definition. Masturbation. Oh, ah. Oh. Oh.

11:20

Oh, sure. i That's the when they put that. No, no, that's not it. Oh, I know what I Oh, shoot. A rings a bell, but I can't quite put my finger on it.

11:42

12:39
