 Speaker 6 00:00

That's it's really great. Thank you so much, sweethear.

 Speaker 2 00:05

Hello?

 Speaker 12 00:06

Hello?

 Speaker 2 00:06

Yeah.

 Speaker 12 00:07

Hello. Hello.

 Speaker 2 00:08

Yeah.

 Speaker 12 00:09

Speaker 12 00:09

Can you hear me?

Speaker 2 00:10

Yes.

Speaker 12 00:10

Okay. I can I can hear you. Listen, I don't know which is more stimulating, your conversation about coffee or coffee itself?

Speaker 2 00:18

Thank you.

Speaker 12 00:19

I got a little tidbit about the coffee house situation in Houston. I've been to majority of them. And Brasil is one of my favorites. I haven't been there in a while.

Speaker 7 00:30

And what do you think about the black men there?

Speaker 12 00:32

The fact that I'm also a black man. I've heard-- I need to call more often.

Speaker 6 00:46

You do need to call more often darling. We'd love to hear from you.

Speaker 12 00:50

A tidbit about the history of Brasil. Yeah, I've spoken to the owner, I know Daniel, he's a pretty guy, but the way it got its name is basically Daniel's an architect by trade. He was working as a as a toy. Something something for a toy company, I believe was in California who had a friend and they decided to leave that and take a trip around the world in a boat. And he--

 Speaker 7 01:17

Are you listening Brian?

 Speaker 12 01:17

By the way, that he didn't like this guy very much. Until the guy dropped him off at Brasil where he hung out and he met his now wife. And so--

 Speaker 6 01:26

She's a fabulous woman. She's a fabulous woman and a sharp dresser.

 Speaker 12 01:33

She is rather incredible. But that's one reason why the coffee out spread.

 Speaker 2 01:40

Okay, then how did La Madeleine get its name?

 Speaker 12 01:42

I have no-- je nais se quois who knows why.

 Speaker 7 01:45

It doesn't matter because--

 Speaker 5 01:46

No, they're trying to say a french name to try to be cultural because everyone assumes that the French are so cultural, but--

 Speaker 6 01:53

They are.

 Speaker 5 01:54

They're not.

S

Speaker 2 01:56

So do you. Okay, what do you what do you get from your culture, Cafe Society?

S

Speaker 12 02:02

Layers of cafe. It's about social interaction. That's why most people go to different cafes.

S

Speaker 7 02:09

That's right.

S

Speaker 12 02:10

As far as Brasil is concerned, it's a more artistic hang out where a more eclectic group of artists and people that like to hang around artists and just be rather, hip and bohemian. All those sort of things. Most of the things you've said are true. No matter where, it's sort of in middle class.

S

Speaker 7 02:33

Yeah, totally. That's a very awesome place.

S

Speaker 5 02:40

With a black lab is another good thank you fish and chips. But it can be

S

Speaker 6 02:50

Wait at a minute.

S

Speaker 2 02:52

That's a whole nother thing.

S

Speaker 12 02:55

I mean, this is a coffee spot.

...

S

Speaker 2 02:56

So there can only be more right. There can only be more like when you're in Seattle and every block. There's a coffee house.

S

Speaker 12 03:04

Seattle for coffee shops.

S

Speaker 2 03:06

Right? We even have coffee from Texas now at Deep Texas. Yeah.

S

Speaker 12 03:14

Society is an interesting thing and Houston get into it a bit late, but's rather progressive and gone beyond.

S

Speaker 2 03:22

Okay, thank you for calling.

S

Speaker 7 03:24

Great insight dude.

S

Speaker 6 03:25

Good night, sweetheart.

S

Speaker 2 03:26

Okay, we have three minutes and we're gonna get our final. Final thingies, I know you're raring to go. Really? What are you gonna say?

S

Speaker 7 03:35

I have a thingy. Okay. Brasil is the deal.

S

Speaker 2 03:39

That's it. That's the only place you go for coffee? You don't sometimes go to House of Pies? No

THAT'S IT. THAT'S THE ONLY PLACE YOU GO FOR COFFEE. YOU DON'T SOMETIMES GO TO HOUSE OF PIES? NO. What about--?

 S Speaker 7 03:46

No, I mean, no. Like, after I eat a meal at a restaurant. I might have coffee and cheesecake or something, but if I'm going just to have coffee, I go to Brasil.

 S Speaker 6 03:55

Okay, it doesn't matter whether it's Ruchi's. You know what I'm talking about Ruchi's. Hello? Ruchi's or cafe Brazil, or any little shishi bought around you have coffee. You enjoy it. You talk it's coffee talk. It's all quality.

 S Speaker 2 04:11

And you know, we haven't even talked about Starbucks, the most famous coffee of them all. Starbucks in LA. Okay, anyway, so

 S Speaker 5 04:22

I just think I think that it's not all coffee. It has to do with the atmosphere. And if you have, like, what's his face said, about art. If you like to hang out with those kind of people, then Brasil is the place to be. But it really does have to do, I mean, Houston's a hard place to meet people and, you know, Brasil is a great place to meet that certain kind of person. You know, Cyrano's was great, you know, Denny's, if that's your kind of people. You know, go for it. I mean, La Madeleine, if you drive a BMW go, you know.

 S Speaker 6 04:56

La Madeleine is not a BMW and shishi--

 S Speaker 5 05:00

--it's Volvo Volkswagen also I'm sorry.

 S Speaker 6 05:03

Thank you give the other cars a chance.

 S Speaker 2 05:05

~ ~ ~ ~ ~

Okay, so we're not talking cars, we're talking coffee.

 Speaker 5 05:08

I wanna talk pornography.

 Speaker 2 05:10

All right next week. That's a whole week. Not next week. Next month we'll be having a discussion on pornography. Our guest will be Aaron. You're booked for January. And your co host Michael Crawford. Hi, Michael. And so let's go back to music. You think? Yeah, let's go back to music.

 Speaker 9 05:36

I love strictly Hip Hop when de la solos tune to it and a strictly a hip hop show when the Mad mat in Houston is tuned to de la Sol. So listen in, and we'll do the right play music politics and the underground culture. It's all there in a bag of chips when you tune it Steve Bob, the political Hip Hop magazine for the radio every Thursday morning at 1am hosted and produced by the renegade tribe collective. On KPFT 90.1 FM World Radio.

 Speaker 3 06:19

You're listening in the KPFT Houston. What song was that?

 Speaker 2 06:30

That was lemme by who? That was by the gay band U2 from which album? The Christy Turlington album, Zooropa. Cool.

 Speaker 3 06:41

Um, what we're going to talk about now is American Airlines has done it again. I mean, you would think these that it's concerning the fact that they're probably worth hundreds of millions of dollars, they could afford to hire public relations people. But um, I don't know they did it again. First, it was like at them after the March on Washington. Ordering that the airplane be cleaned after us. Some gay activists were on the plane, I guess they were afraid that little AIDS cooties were going to be left everywhere. And that puts a lot of queer people off and hey, we started calling bitching at American Airlines about that. Then, of course, they did the whole stupid thing with the stewardesses and forced the flight attendants to go on strike, which was a dumbass thing to do. Now they've done it again. According to well, newspapers all over the place, American Airlines, let's see, at O'Hare Airport in Chicago, flight attendants had a 33 year old PWA arrested and drug off the airplane. Because according to them, he looked sick. American Airlines claims that this person, Timothy Hollis had open sores and so on and so forth

on his face, and that he was kind of grossing out to customers and they were afraid that he would transmit whatever he had to the other customers. Now according to eyewitnesses, all he had was KS lesions on his face, which we all know are not contagious and quite frankly, don't drain or leak or anything. But American Airlines got really pissed off, they dragged this person off the airplane, okay, and I didn't just drag them off the way you know, they dragged me off when I go to jail for something they drag this person face down. I mean, it's it's really really bad because the guy had a catheter in his chest. So they're dragging him across the ground. And he weighs what about 100 pounds? And he's like screaming No, no, no, please don't do that. And of course all the other all the other people who are flying in the plane are really concerned and are angry and stuff so now it's time that we bitch at American Airlines again that we boycott their sorry ass yet again. And the number I want you to call to scream at American Airlines about being AIDS-phobic, homophobic, and anti worker. 1-800-443-7300 Oh, that's it. Okay. 1-800-443-7300. What are you reading? Tell us about the article, you're reading.

 Speaker 2 09:20

This article?

 Speaker 3 09:21

Yes.

 Speaker 2 09:23

How to get and give a better orgasm.

 Speaker 3 09:28

Okay, and I want you to explain to ask how to weight weight first, we need to give it a few, first we need to give a few facts. Such as where was it? So this one I found kind of hysterical. Okay. It says the average guy takes only two or three minutes to go from penetration to orgasm.

 Speaker 4 09:48

That's not true.

 Speaker 3 09:51

Hello, the average okay. And that the average woman comes after about eight can we say comes?

 Speaker 1 09:58

Yeah you can say comes. But we I have to interrupt you because you gave a phone number for American Airlines and it was incorrect.

 Michael Crawford 10:09

You know you pick up the Texas triangle and you think that's that's what the number would be.

 Speaker 1 10:14

I've got Polo holding.

 Michael Crawford 10:16

Okay can we do we want to put Polo in the air? Okay, let's see if we can do this.

 Speaker 1 10:22

Okay.

 Michael Crawford 10:30

No? I still don't get him oh wait. Now? Hello? Still don't get him. Yeah number eight's on.

 Speaker 1 10:50

Hello turn up your radio.

 Speaker 2 10:53

Yeah, there he is. He's in the Metro.

 Michael Crawford 11:00

Yes?

 Speaker 1 11:09

Okay.

M Michael Crawford 11:24

Really, yeah. Okay. Okay, is there anything else going on we should know about? Oh, I don't know you seem to be involved in everything I mean, sure. Right.

S Speaker 13 12:17

I think that people need to know that and we're encouraging everyone not to, to fly American and there's a lot of stuff that sticks in it come out about American with their treatment of employees that have tested HIV positive, and how Americans use it as a pre existing condition as an end as canceling their health insurance coverage. And it's just one real big mess and that we're assisting some flight attendants in Los Angeles, we're getting the class action suit against American Airlines going.

S Speaker 3 12:53

Can you give that number one more time?

S Speaker 13 12:55

Just their general res number is 1-800-433-7300. But if someone wants to call our office Monday through Friday we have, we can give out names of the corporate bigwigs that you could call at the AMR Corporation.

M Michael Crawford 13:13

Okay, and what's the number for your office?

S Speaker 13 13:16

They can call 7890278 and then they can we'll get back with a Monday morning.

S Speaker 3 13:21

Okay. Thanks a lot.

S Speaker 13 13:23

You're very welcome.

M Michael Crawford 13:24

Take care. Sure, let's let's go Hello. You're on the air.

 **Speaker 14 13:38**

This is Adam. I have my friend Brian. And what you're talking about is total garbage.

 **Michael Crawford 13:45**

That's for you. Okay, that number again for American Airlines reservation 1-800-433-7300.

 **Speaker 3 14:01**

Okay, hello. While we were talking about orgasm, but this is not exactly an orgasm inducing situation right now. Okay. Okay. Hi, Jimmy.

 **Speaker 1 14:19**

Hello. How you doing?

 **Speaker 2 14:21**

Meanwhile, back at the radio considering--

 **Michael Crawford 14:22**

Considering the fact that fighting for the rights of PWA is considered garbage. Well, hey, that's what our caller just said.

 **Speaker 2 14:30**

He was referring to something else.

 **Speaker 1 14:32**

I hope so.

 **Michael Crawford 14:33**

Well, he was one of the callers that called in during your earlier segment, so you never know. Hurry back. Okay. We were talking about orgasms.

S

Speaker 2 14:47

Men. Women have an eight minute orgasm.

M

Michael Crawford 14:50

Yeah, the average woman takes eight minutes to come. The average man two to three minutes. One though not an eight. No.

S

Speaker 2 14:58

Sting can have sex for eight hours.

M

Michael Crawford 15:01

And if you do that, that that tantric sex thing that from San Francisco that usually comes, you've heard about it, right? Yeah. Yeah. Then apparently you can just have it for hours and hours on end. But um, okay. Tell us about the article.

S

Speaker 3 15:16

This article tells you about how to increase your experience during an orgasm. And they, Mr. Kenneth Davidson Sr. who I guess is pretty senior, has concluded that all several things which are obviously, which obviously must be true, because--

S

Speaker 2 15:48

Is this any affiliation with the Kinsey report?

S

Speaker 3 15:53

No.

S

Speaker 2 15:56

What is, what publication is this from?

M

Michael Crawford 15:58

This? Good question? What is the penile squeeze?

S

Speaker 2 16:02

What is the penile squeeze?

M

Michael Crawford 16:04

Okay, it's a little point where you're trying to postpone orgasm. So you take you or your partner squeezes the head of the penis. No, it doesn't--

S

Speaker 2 16:13

Remember what we're talking about? And ejaculation. Remember?

M

Michael Crawford 16:19

How they did it in LA? Yeah. Yeah, like that? Well, I don't know. Because I've never experienced ejaculation.

S

Speaker 2 16:25

So there's a penile squeeze.

M

Michael Crawford 16:27

Do we have a caller?

S

Speaker 1 16:28

Well, it's about the what we talked about before with the American Airlines thing, if you want to talk about that one more time and interrupt your orgasm.

M

Michael Crawford 16:39

Well, it's a good thing. We're learning how to postpone our orgasms because we are. Let's see. Hello.

S

Speaker 15 16:48

Yeah. I don't understand how you can be talking about orgasms when there's much greater topic you had at hand about the people that were kicked off the plane. Did you say that they

were HIV positive?

 Michael Crawford 17:01

Yeah, they were PWA's.

 Speaker 15 17:02

Okay. Because I just want, I just wanted to make sure. I mean, cuz that would give an idiot. I mean, he would think he would have a little more reason. You know, I was just thinking that it was bigotry, because of the way that they were dressed or something, you know?

 Michael Crawford 17:16

No, no, no, it's because they had, because the person had AIDS.

 Speaker 15 17:22

And that's, which airline is this?

 Michael Crawford 17:25

American Airlines.

 Speaker 15 17:26

They shouldn't fly that airline and we should boycott it.

 Speaker 3 17:29

Yes, we must. Definitely should boycott it. And we should call and talk about reservation lines.

 Speaker 15 17:33

I think. I think that we should fly Continental Airlines because of my homeboy Heath is.

 Michael Crawford 17:40

Well, I don't think that's really a good reason to fly Continental. I mean, to somebody mom's flights are coming. I mean, why sportswear? We don't know those people. So thank you for calling.

S

Speaker 2 17:52

It was sweet, though.

M

Michael Crawford 17:55

Wasn't sweet. It was dumb. All right. Okay, now we're finally going to figure out what the penile squeez is.

S

Speaker 2 18:08

Well, you claim that it's that it's not painful at all?

M

Michael Crawford 18:11

Well, I mean, basically, you just squeeze the head of the penis to prevent the semen from spreading out.

S

Speaker 2 18:17

Then either you or your partner gives the head of your penis a good hard squeeze. Yeah, coursing the blood out of it.

M

Michael Crawford 18:25

Right. Well, I mean, it's not going to hurt like someone kicks you there.

S

Speaker 1 18:29

Um, we I just talked with with Jim my straight friend who you know, and he tried this, this method. And he said, not only did it hurt, but the delaying was very painful.

S

Speaker 2 18:44

Delaying?

S

Speaker 1 18:45

Yes, the delaying action because he was because he was ready to ejaculate, and he stopped

that that part for him was painful.

 **Speaker 3 18:55**

But he also said that it took him longer than three minutes to ejaculate true, so he's not average. Okay. Okay, they did offer a couple of other methods. Let's see where was number two.

 **Speaker 2 19:09**

The stop-start method Yeah.

 **Michael Crawford 19:12**

Was I guess it's kind of lame and kind of self explanatory

 **Speaker 1 19:15**

On the contrary. Do you know why because we're doing a lot more foreplay.

 **Michael Crawford 19:22**

Who's we?

 **Speaker 1 19:24**

The two people involved when you do the stop start when you stop you do other things, there's cuddling and kissing and caressing and all of that going on.

 **Speaker 2 19:36**

The article, he knows that, this caller knows the correct procedure. He's saying you are talking about ejaculation and that you need to, the posturing is different.

 **Michael Crawford 19:46**

Okay, and caller, I want to warn you we can't we can only use like surgically correct terms, atomically correct terms, no blank, blank, blank blank or any of that. Okay, let's see. Hello. Oh, yeah, you had something to say about ejaculation.

 Speaker 16 20:01

Yeah, the correct way to do it is to squeeze your penis below the scrotum

 Speaker 2 20:09

That's holding your--

 Speaker 16 20:12

--that's what holds it in.

 Michael Crawford 20:13

Okay, okay, because that's kind of like follows with it with the third thing that's adjusted, but they suggested pulling on the testicles.

 Speaker 2 20:22

Yeah, well, that's what will definitely, I've done that.

 Speaker 1 20:27

Ouch.

 Speaker 2 20:27

What's this article?

 Speaker 16 20:28

I didn't read an article. It's just something I knew because this do.

 Michael Crawford 20:33

Yeah, GQ. Okay, any other suggestions on how to postpone orgasms?

 Speaker 2 20:37

You get a bunch of straight men?

S

Speaker 16 20:39

Go slow.

S

Speaker 3 20:41

Okay. Okay. Thanks. Okay. That's one way to do it.

S

Speaker 2 20:50

Okay. Awesome. GQ this month? Yeah.

S

Speaker 1 20:56

So, what is this about half information articles in GQ. What? Well, we just found out from somebody else, different ways or better ways that weren't in this article.

M

Michael Crawford 21:10

Well, I think part of the problem is GQ is aimed at heterosexual men. And they are clueless about--

S

Speaker 2 21:16

Since the 70s now.

S

Speaker 1 21:19

Say they'd like to think they are.

S

Speaker 2 21:21

When they got over the heyday of being disco and gay oriented. Yeah. 78 went over.

M

Michael Crawford 21:31

Okay, well, this isn't going where I'd hoped it would go.

S

Speaker 1 21:34

Okay, where did you hope it was gonna go?

M

Michael Crawford 21:36

I don't know. But it ain't.

S

Speaker 1 21:37

Gotcha. Let's go on to something else then.

M

Michael Crawford 21:40

Okay, well, I want to actually want it to go to a song is that okay?

S

Speaker 1 21:43

Hey, yeah, okay. Right, and it's time for another edition of The QMZ, queer music zone. Hi, I'm Jimmy, and welcome to the q-- mu-- queer music zone, featuring music by openly gay, lesbian, bisexual, and transgender artists. Just for you. We're gonna starting off tonight with Marc Almond. We haven't played him in a while and I just picked this up. It's not exactly new, but it's something that you haven't heard on After Hours before, so I want to dedicate it to all the folks hanging out there in front of the Atrium.
