S

Stacey 00:02

So the Log Cabin Republicans have set up a booth out just outside the main area, which is great. It's fabulous that they're still doing that. But what irks me is, you know, that doesn't make me really happy. Now, there is no way that politically I am going to vote for the other candidate. Just not pleased with them, and that's where it stands. And now I'm kind of iffy about Bob Dole rocker.

J

Jimmy Carper 00:35

Let's put this in perspective. Yeah. Okay. Go ahead. I think no matter what I think of Dale carpenter and Log Cabin Republicans right now, I think he's one of the bravest men. Yes, yes. It takes a lot of guts to go into a group that does not want you. Exactly. You know, I was also listening to an interview with a nice Parker last week on lesbian and gay voices. And she talked about being a delegate to the Democratic state convention. 1980. Yes. And she said, back then, the room, the Delta, the Democratic Party did not want gays either. And it was a long struggle for acceptance. So we did it in the Democratic Party, and now it'll happen. It's gonna take some time. But But those people who were the first step in are really, really brave.

S

Stacey 01:32

Yes, they really are. And I commend them and I'm not downing either party. No, I'm just saying on my personal conviction. It it kind of didn't make me feel so great when I heard it this week, but but-.

J

Jimmy Carper 01:45

We have to face facts that there are a lot of gay Republican.

Stacey 01:49

Yes. Oh, yeah. Oh, yeah. And I think a lot of that is based on monitor money, and how the government money should be spent, and not necessarily on emotional issues, such as abortion and gay rights and things like that.

Jimmy Carper 02:03

I think it's very, very dangerous if we don't have Dale Carpenter. Oh, yeah.

Stacey 02:09

Oh, yeah. It's just something I wanted to bring up because it kind of bothered me.

John Benoveve 02:15

So well, they were there. Yeah, that's true.

Stacey 02:19

They're there. They were there. Yeah. I commend them.

Jimmy Carper 02:21

Over the news broadcasts about the state convention. They showed gay Republicans handing out flyers to the masses. Good. And since the state Republican convention now is so far to the Christian, right. That's really a brave thing to be.

John Benoveve 02:43

Since you said, you said that. Just recently, we were when I went up to judge the Gulf Coast drum drummer contest that Don won-.

Stacey 02:55

And made you a sash-.

John Benoveve 02:58

One of the contestants and man by the name of Robert good from San Antonio was asked, and the question answer portion of the contest, what he felt as a community, we could learn from the Christian coalition. Wow. And the man's answer was unbelievable. It was four words

the Christian coalition. Wow. And the man's answer was unbelievable. It was four words, bigotry, hatred, racism. And what was the fourth word homophobia, homophobia?

S

Stacey 03:31

That about sums it up? Wow.

J

John Benoveve 03:33

And like, what she was just saying, hear, in order to change those views of us. We've got to get people there. Yeah. Even if we don't necessarily agree with what their, what their main goals are, the only way we're going to change those is to get in there and do something about it.

J

Jimmy Carper 03:50

Right. We should know, as a diverse community here, that many times different portions of our community have to agree to disagree. Oh, yeah. Oh, yeah.

J

John Benoveve 04:03

Any good relationship works.

S

Stacey 04:05

That's true. That's true. It's all part of the negotiation that goes.

J

Jimmy Carper 04:11

Oh, yeah, remember that? Saved my last trip to Hawaii?

S

Stacey 04:16

Yes. Do you need to do some music or can we go on and gossip

J

Jimmy Carper 04:19

whatever you'd like to do?

S

Stacey 04:21

Oh, honey, I got tons of stuff here to gossip gossip.

**J** John Benoveve 04:24  
I don't know if you made it to Angels over Montrose?

**J** Jimmy Carper 04:30  
No.

**J** John Benoveve 04:31  
But if you read in the voice and in the in the twit, you will know that Don Gill raise an unbelievable amount of money. Mr. Every \$100 \$43,300.

**S** Stacey 04:44  
One way to go Don. Yeah.

**J** John Benoveve 04:46  
No is always unbelievable. And if you weren't familiar with who that was for that was for the Montrose Counseling Center for Mental Health good, which is again, wonderful. And they had a nice little right after In that somewhere and talk and-.

**J** Jimmy Carper 05:04  
Listen to both, I have to say this the voice and the Texas triangle this week are real copies. Those are additions you want to save and go through because they're real pride, pride additions and, and a big to the twit. Because there's nothing about Pride Week in the twit. Except for some mentioned in bar ads. Give me a break. Huh?

**S** Stacey 05:33  
Does not seem like-.

**J** John Benoveve 05:34  
Yoy want to sit back and ask the question. What does pride mean to you?

**S** Stacey 05:38

Yes. Oh, yeah. Oh, yeah. I don't know as I said this last month when I was on the air, but the lesbian magazine denude is being sued by actress Catherine Denude for claiming to take her name. Well, they did. Ah. Okay. I'll take your word for it. I don't know. I mean, did they? Well, I don't think it was intentional. Probably not.

**J** John Benoveve 06:06

But you know whether it's intentional or not, it happened it. Yeah.

**J** Jimmy Carper 06:10

I think it was probably named the nerve to get to get that kind of that that kind of slick. Beauty. Classic. Yeah. All the things that she is yes. They wanted to use that as as a focus on their magazine.

**S** Stacey 06:30

Here's something I thought was neat. In England. A 20 year old 28 year old businessman is opening the world's first gay shopping mall. Wow. He says the 49 million Phoenix center will be the world's first gay shopping center when it opens when it opened this past April. On Easter Sunday. Well, what's the girl Maria? The girl Lauria? Cute.

**J** John Benoveve 06:58

In all honesty, you have to you have to know that. Malls were invented for gay.

**S** Stacey 07:04

Oh, yeah. Lesbians and lipstick lesbians?

**J** John Benoveve 07:07

Well, you know, you can do all the shopping you want and not have to worry about going outside and having your hair.

**S** Stacey 07:20

Since we're moving on to a lighter topic, John and I were talking on the phone the other day.

**J** John Benoveve 07:26

Oh. this is funnnv. I'm gonna sit back and listen.

Oh, and is family I'm gonna sit back and listen.

S

Stacey 07:29

Oh, yeah, we have seen what four revisions, at least that I know of. Then go the hanky code. Yes, the hanky code. And from what John was telling me, the latest version is what two pages long about that? Okay, it's two pages long. I have an old version. But what I think is amazing is the men's version is two pages long. The women's version is not even a quarter page.

J

John Benoveve 07:57

Anyway, but the thing about it is some of the women I know. Oh, yeah. Oh, yeah.

S

Stacey 08:03

Oh, yeah. But there was so much diversity in it.

J

John Benoveve 08:08

Yeah, we found out that it ranges depending on where you are in the country, man. Yep. And it can be dangerous. Everybody should get one of these. Because it can save you a lot of trouble.

J

Jimmy Carper 08:23

Where are we get it?

J

John Benoveve 08:24

Help you find him into-.

S

Stacey 08:26

And I came up with some colors that are not in the hankie code that we think ought to be and some of the cutest names and we wrote I wrote some things down and some things that I think ought to go with it. And if y'all want to jump in at any time, go for it. I picked up peach, just because it sounds like a good name. And it my lover came up with butt cheeks or butt fondling.

**J** John Benoveve 11:20  
What? Right What? Right cowboy left Indian?

**S** Stacey 11:23  
I don't know you figure it out. Okay, the most, most straight people know this. But since it's not in here, and we have to be equal sky blue for the Mile High Club. Make sense? Then they remember. I don't recall what-.

**J** John Benoveve 11:48  
I guess. It doesn't count if you do it and-.

**S** Stacey 11:56  
I have people listening to this show that I would rather not know. Okay, then we got into envelopes. Just a plain white envelope. You're in the post office sent.

**J** John Benoveve 12:08

Okay, sure. Step licking-.

**J** Jimmy Carper 12:11

**J** John Benoveve 12:16

Would that be like a sponge? Okay. Okay. Next one is stethoscope and that's into medical scenes or playing doctor? Yeah, I can do that without a stethoscope. And the last one you got here.

**S** Stacey 12:32

I know. This is second to the last one, the tool belt. For those of us that watch a lot of TV ads if you're in the home improvement scenes. Or Yep. Then something we were sitting there thinking about everybody wears a beeper, a pager? So we added beepers to this for those people who can't be reached. No, it's for people who want to be beeped anytime. Oh.

**J** John Benoveve 12:59

I guess that's gonna depend on whether they were there. Yeah, right.

**S** Stacey 13:03

Now, these are just colors we came up with that we could put something with. I got some other colors in here that I have no idea. So I was gonna let you guys help me with this. There's apricot.

 Stacey 13:43  
Like-.

 John Benoveve 13:45  
That kind of speaks for itself.

 Stacey 13:46  
Okay, this is Jim's color. We're gonna get a hankie just for you.

 John Benoveve 13:50  
What color melon like is it a watermelon-.

 Jimmy Carper 13:56

**J** John Benoveve 14:20  
Do you know what Orange means? What is orange mean? Orange is anything anytime, anywhere, anywhere?

**J** Jimmy Carper 14:28  
And I resemble that.

**S** Stacey 14:31  
I bet you do. I bet you do. So I've heard. Of course. The person sitting next to you is not saying a word but He's blushing really nicely. I've noticed Yeah. Then we came up came up with one called bitter sweet. Any ideas? I was thinking candy. Butterscotch chocolate.

it's a pinkish purple. Yeah. Scottish thistle. Yeah. Yeah. That's the color of the flower. It's it's real spiky.

**J** John Benoveve 15:29

Yeah, maybe that's someone someone that's into putting something in your drink. Well, or like thorns. That was roses. Roses. Roses.

**S** Stacey 15:40

Okay, so if you were this soul color here in the roses. We came up with corn flour.

**J** John Benoveve 15:49

That said cauliflower.

**S** Stacey 15:54

Oh, turquoise was another fun color. Another color.

**J** Jimmy Carper 16:00

**J** John Benoveve 16:16

Isn't that yellow?

**S** Stacey 16:17

Yeah. Is that yellow?

**J** Jimmy Carper 16:18

But you can make wine out of dandelions.

J John Benoveve 16:22  
Okay, no, you know what you get?

J Jimmy Carper 16:24  
Oh, yeah. And then you can have an enema with that.

J John Benoveve 16:33  
See these other colors like Cadet blue, and brick red. They do have meaning.

J Jimmy Carper 16:38  
Oh, yeah.

S Stacey 16:40  
Blue is not there.

J John Benoveve 16:42  
Isn't that a very dark blue?

S Stacey 16:46  
No, it's not as dark as navy or midnight.

J John Benoveve 16:49  
So did it set in there? Oh, my question is running the bar. I mean, you have to carry a flashlight to determine what color Yes, things are anyways. And now we are making like, a 30 page book on Yes. On color. So.

S Stacey 17:01  
Right. Right. I thought I just thought the fun thing would be is like, you know, there's three pages like you said of these colors. How are people supposed to know? Yeah, yeah, you can't do this. The-.

**J** John Benoveve 17:14  
how do people have pockets big enough to hold all these-.

**S** Stacey 17:17  
Colors? Right. That is the main thing. I guess we're getting to on all of this is communication. That is the biggest thing. You have to talk to people. It doesn't matter whether you wear a specific color or specific side. If you're involved in this lifestyle. You got to negotiate. You got to talk well,

**J** John Benoveve 17:41  
I mean that just like on the sheet there, there's quite Oh, yeah. And then there's cream now. Yes. I'm sorry. Even in the day, like a lot of times, how are you going to tell this? Right, unless you actually talk to the person? How about lavender and pink? Ah, that's undecided too.

**S** Stacey 18:00  
Yeah. I mean, how are you going to tell the difference? Especially in the dark, right. Dark blue and light blue. Please give me a break. It's, you know, midnight, you've had a few the bar is dark.

**J** John Benoveve 18:12  
It's accessories. Yeah, that's what it's about. Most people that I know that are that are into or have a certain fetish. don't necessarily have to advertise it. Right. Right. Right.

**S** Stacey 18:25  
Welcome to the SM shopping channel.

**J** Jimmy Carper 18:29

 Stacey 19:31  
Yeah, peach and brown

 Jimmy Carper 19:34  
Burnt Sienna, honey.

 John Benoveve 19:35  
I think that might fall under navy blue. We can't say what that means.

 Rainbow de Clown 19:44  
Well, I'm just getting everything finished up on my end. Yeah. You know I went to the store the Walmart so the 24 hour one. Got some plastic drop cloth just to be-. Good idea. All right. It's why I change the radio station.

 Jimmy Carper 20:03  
What do you mean? You change-.

 Rainbow de Clown 20:05  
The KPFT in the way they sell radios?

 Jimmy Carper 20:12  
So they're getting queer programming over here in their 24 hour. Walmart.

 John Benoveve 20:22  
Well, let's say hi to everybody at Walmart.

 Jimmy Carper 20:27  
Sounds like something you would do rainbow did you leave? Oh, yes. Oh yes, I would every year every year every year.

 Rainbow de Clown 20:41  
We usually you can plan a picnic around our parade because it never rains.

 Jimmy Carper 20:45

 Jimmy Carper 20:54  
No, no. I know. And so we got our fingers crossed that way. I know I started this show out by playing Don't Rain on My Parade.

 Stacey 20:55  
How cute. Yeah.

 Jimmy Carper 20:57  
So, so we'll see you out there tomorrow. Rainbow.

 Rainbow de Clown 21:01  
Rain or shine. I think the parade goes on.

 Stacey 21:09  
Bye Rainbow.

 Jimmy Carper 21:11  
Okay. Hit number two.

 Stacey 21:14  
We don't have any numbers to hit. Hey. We have-.

 Jimmy Carper 21:18  
Scott. Why Hi, honey. Girl. Scott Lewis is online too.

 Stacey 21:25  
Hey, Scott, what's going on?

 Scott Lewis 21:27  
I'm ready for this whole parade stuff to be over?

Jimmy Carper 21:30

Well, he's been on the board of pride.

Scott Lewis 21:32

We get together and run in about four committees.

Jimmy Carper 21:36

And yes, that's right. And you hosted the successful Jags thing last night. They were-.

Scott Lewis 21:43

Very successful. I ran into some bitter claim tonight that had seen I guess I was on a lot of the news channels. And I want to say I went to biolay tonight to the bar lay and now it's the Latino Pride event. Yeah, well, still by Yeah, same different people. But anyway, so I went through that and some bitter clean said clean. I saw you all over the news last night. In that same outfit, I believe. Live in Queens-.

Jimmy Carper 22:13

Well, if I was you, I'd wear that same damn thing tomorrow too.

Scott Lewis 22:16

go it's silk. And if it wasn't so hot, I probably will announce some exciting news. Yes. Why tomorrow at the parade of courses at five o'clock after the parade, the big pride fest with CC penicillin and oh, yeah, a lot of local talent. But it will be emceed it will feature the reunion of after our zone. Howard Big Daddy McHale and Scott Latino lover, Louis.

Jimmy Carper 22:45

Oh my God, what diplomat got those two together?

Scott Lewis 22:53

Henry Kissinger

Jimmy Carper 22:56

Had to have had to-.

had to have had to .

**S** Scott Lewis 22:58

Yes. And so Howard and I reunite to we'll be emceeing that tomorrow.

**J** Jimmy Carper 23:02

Oh, how? I'm so good. I'm so glad. I hope that carries over.

**S** Scott Lewis 23:10

We've talked about it. Okay. I call because I said you know, I think tonight might have been my show.

**J** Jimmy Carper 23:18

Last week there. Well, I missed it whenever it was. So that was Howard show.

**S** Scott Lewis 23:23

Well, I know Howard's very diligently work because you know, Howard is the co chair of the pride committee this year. And he's been working.

**J** Jimmy Carper 23:29

Right. I didn't really expect him to be here.

**J** John Benoveve 23:31

Well, I have to say that I honestly believe you. You people do a wonderful job. I'm also very excited about some news. I heard about a nighttime parade.

**J** Jimmy Carper 23:42

Yes. Next year. Yeah.

**S** Stacey 23:44

What's the news? Oh nine.

**J** John Benoveve 23:45  
a lit parade. That just sounds wonderful.

**S** Scott Lewis 23:48  
Yeah, the parade next year because of the concerns of the heat. And I don't know if he'll have discussed how the committee has addressed the heat this year. But this year, the committee has addressed concerns of heat, especially for those who are HIV and AIDS affected by adding tents along the parade route that are in some way air conditioned to allow those people to come in out of the heat and get some relief and still be able to attend the parade. But we further address the parade. Heat issue next year as we move it to 9pm on Saturday night.

**J** Jimmy Carper 24:23  
Wow. That's great. Great.

**J** John Benoveve 24:25  
A lot more people can attend that.

**S** Scott Lewis 24:27  
A lot more out of town people. Yeah.

**J** John Benoveve 24:29  
Well, I think the one thing is we're doing something different. Something that is going to attract nationwide recognition as being one of the first the thing first Yes, gay pride parade that is going to be done at night. So I think it's amazing.

**S** Stacey 24:45  
I mean, it's gonna be Gala.

**S** Scott Lewis 24:48  
It's gonna bring us a lot of national attention tomorrow is the fact that Candice Gingrich will be riding in our parade, right speaking at our festival and I had the opportunity to spend a lot of time with Candace last night. and just commend her on the incredible job that she's done and,

and laugh about as an activist myself years ago, saying you didn't, you didn't realize what you were getting into when you came in and said, Wait a minute, I have to say something you have no idea did you know I had no clue. But it's a little late and how to turn back.

**J** Jimmy Carper 25:20

She's incredibly articulate. I heard the interview on lesbian and gay voices. They did a phone interview of incredibly articulate and just well, you know, I kind of I kind of thought of her as like, okay, somebody who's whose brother is in the limelight. So she's getting some limelight. No honey, she can she can hold her own.

**S** Scott Lewis 25:44

You want to hear something funny? And if you've ever seen, if you've seen Candace on the news and so forth, you know, that she does. And this is probably playing into a stereotype that might get me into trouble. But she's a very What do you like the lesbian kind of butch lesbian dress? Yes. And so she came to pumped up on our last night, which was a semi formal event in jeans and a kind of a T shirt in a kind of an old jacket. And, and just, I mean, she was very lesbian. And we, the she and I were photographed for the fashion section of the Chronicle, which will come out on Tuesday. So that should be interesting. A bag and a olive green silk suit with is that so she could she said, the fashion section they want me. Everybody has their day. Look for that on Tuesday. Okay, well, we I see y'all are near out of time. Yeah, we're getting close. I hope everybody tomorrow Pride Parade five o'clock, when time and Montrose is the best spot in the festival. Yeah, with a lot of Kansas. Gingrich will be speaking CC penicillin. And of course, Bronski beat for an After Hours Favorite.

**J** John Benoveve 26:59

So we want to thank you for all the work y'all do, y'all. Y'all do a lot of work during the year. And it's not just like the week before y'all work all your loan.

**J** Jimmy Carper 27:07

That's right. And I know, I know, it's a lot of work and, and plus, you get a lot of crap.

**J** John Benoveve 27:13

Just did a whole bunch of it. Yeah. And well,

**J** Jimmy Carper 27:18

It's the first continuous mainstream comic series featuring a gay superhero hero gogo boy includes characters like the invisible lesbian and, and Ron Lee, who was gogo boys boyfriend. The comic hasn't been picked up by a major comics distributor and is currently available through alternative sources.

 Jimmy Carper 31:11

**J** John Benoveve 32:22  
I want to elaborate a little bit more on this. This pink. Hey, I was gonna say no, I wanna I want to talk about okay, go ahead. My other half. Yeah, that's great. Let's bring out some very dark paths. Many, many years ago work at dirty Sally's and he was in charge of entertainment on Tuesday night oldies night. Oh. So every time he would have to come up with something different. Well, this time he came up with you know, I think he called a friend that was supposed to meet him hadn't seen him in a while. But I needed her to come over to 3237 30 Sally's and my other half is standing on the bar in a poodle skirt with pink boots on. I don't know if he had a wig on but I know he had a hair a faceful a hair. These boots are made for walk on the bar. I had taken a pair of combat boots and painted them the hottest pink I could find. And I had asked this friend of mine who I hadn't seen in about four years to come down and visit me. She knew I was gay. And I said come down about 10 o'clock because I knew the show was over by then. And lo and behold, she did show up early and down the bar and I looked down and she just looks at me up at me with these eyes of I can't believe that's you. So you know it takes it that's what it takes. That's exactly when it was all done in fun. So that's right. That's right.

**S** Stacey 33:54  
Well, in case you haven't gathered, we are sitting here. Yeah, we are sitting here with Don. Mr. Gulf Coast drummer 96. Yeah, we're still in that year. Yes. He is the other half to my co host, John. So it's John and don our yay. And since we put Tiffany, not Tiffany. By the way speaking of Jenny, speaking of Tiffany, sweetie. Hope you're feeling better if we missed you tonight. Since we put Jenny on the grill, it's now your turn.

**J** John Benoveve 34:29  
So I wonder why this chair was going a little warm. Uh huh. Yeah.

**S** Stacey 34:35  
Let's start with your title. Which comes out not often enough. Let's start with just the general question. What do you plan to do with the title?

**J** John Benoveve 34:47  
As much as I can? Okay, great.

**S** Stacey 34:50  
That was a quick interview.

**J** Jimmy Carper 34:55  
Only have two minutes.

**J** John Benoveve 34:58  
before I went off coast And we're of course, I was Texas drummer and being Texas drummer, I traveled quite a bit. I met a lot of fantastic people saw a lot of fantastic things. And I want that to carry on, I want to keep. That's what a lot of this is about getting to meet and no new people. And that's, it's just fantastic to, to see the different things, get to know what other people are doing, and how their communities are working. It's a lot of fun and bring that back to our community. Good. So good. So you got to remember that you are a diplomat from a an area of our country. And it's important for you to get out and communicate the messages that we're trying to send out in the Gulf Coast area, right.

**S** Stacey 35:55  
Yep. Do you have plans to travel to some of the remote areas?

**J** John Benoveve 36:03  
That all depends on what's going on. If there is something going on that is of interest. Yeah, I would love to go to different places. I know that John and and Margo are planning on doing the Texas leather contest that in itself will take us to remote areas. Oh, yeah. Oh, yeah. Waco and such so. I mean, because not that bad. It's my hometown. Oh, I never said it was bad.

**S** Stacey 36:37

No, it's just small. Um, let's see, we asked John because I asked him because he's done a lot of traveling of all the different places you've been in all the different SM leather fetish kink lifestyle communities, you've been involved. You've seen, you've seen what is the difference?

**J** John Benoveve 37:00

versus our community? Yeah. They're, they're just so many different aspects. And until you go and, and experience and it's, I don't know, everybody has a little different right side of themselves. And some things that might interest me may not interest other people. So it's kind of hard to I don't know if he answered that question. So we're going to ask you another time at another show because GM is over here going cut your head off. Right.

**J** Jimmy Carper 37:36

We're out of time. Right.

**S** Stacey 37:38

Thank you for coming out. Thank you for driving him around. And you've been listening to KPFT Houston, 90.1 KEOS College Station 89.1. After hours, query radio with attitude
