SPEAKERS

Roy McCarthy, Jimmy Carper, Chris

C Chris 00:05

What's the music sounds funny this week? You got a different cut off, but that's okay. It still sounds good. How are you on? Yes, everyone is on I just can't hear him. You know, it's, I think Pat Robertson is right, we are going to hell and it's right here in the studio. No, I

R Roy McCarthy 00:20

just walk into the broadcast booth and I'm just like all of a sudden turning into a big puddle of water here.

C Chris 00:27

And I just because of the studio, you're turning, okay, now I can hear. I can hear myself. Music.

R Roy McCarthy 00:33

There is a female deuce, deuce.

J Jimmy Carper 00:37

I am gonna come in there. And

R Roy McCarthy 00:41

it's the heat, folks. It's the heat. And the humidity. I mean, the humidity. Well, let's welcome everyone to this week's edition of a very special edition of after hours news and views with Chris and Jim. I'm big Roy

J Jimmy Carper 00:55

why the hell is it so special?

R Roy McCarthy 00:57

Because it's one before pride we pride parade.

C Chris 01:02

And I'm just glad it didn't walk patrol before coming in.

J Jimmy Carper 01:05

Yeah, it's the air conditioning is out in the building.

C Chris 01:09

I guess the close I'm gonna get to get into a steam room here.

R Roy McCarthy 01:12

Shout out to

J Jimmy Carper 01:14

Randy. Michael, you know, and everybody and everybody and Terry. And

R Roy McCarthy 01:21

guess what, folks? What, this year, the gay pride parade this year. Not just here in Houston. But all over. This is a very special year because this is the very first time where a sitting president of the United States issued an official proclamation proclaiming Gay Pride Month and

J Jimmy Carper 01:44

we are dead. And then he's taken a lot of heat for the Southern

C

Chris 01:47

Baptist I believe passed a resolution condemning him for being a human being. I can't hear anything on my left ear,

J

Jimmy Carper 01:56

because it only works in one ear. Yes.

C

Chris 02:01

You said that before having to

R

Roy McCarthy 02:03

stick it in your ear. The right one.

C

Chris 02:06

Oh, it's good. That means to not listen to Roy he's got to pull the one headphone off.

R

Roy McCarthy 02:11

Anyways, let's start off with this week's edition with an event that both Jimmy Carter and myself attended and many other people and many, many, many, many, many other people. Even though we were in the cheap seats. No, no,

J

Jimmy Carper 02:26

no, no, no, no, no, they weren't cheap. Actually. We were at the word them.

R

Roy McCarthy 02:31

Yes for the column theater at word them center

J

Jimmy Carper 02:34

for it happened in the theater. And that was a presentation by the Gay Men's Chorus if you sin,

R

Roy McCarthy 02:42

and in there, they also had the New Orleans Gay Men's Chorus. They had the tribe of Judah from the Maranatha fellowship here and they had the Fort Worth the Fort Worth Men's Chorus and they were just they were fantastic. They brought the house tacky on her. And then then we found that that couldn't be topped the Encore, which is a group of the Turtle Creek Chorale. The women know Encore is a small group of the Turtle Creek Chorale. Yes, yes, yes, yes. Because the Colin theatre at Wharton Center is not big enough to hold the entire Turtle Creek characters through anyways. And then they had the women's section the mosaic they called Mosaic. And were they fabulous. They had these sparkly rhinestone sparkly

J Jimmy Carper 03:31

music I O was great, just great. Then Then they had intermission

R Roy McCarthy 03:37

and then there was the capital Men's Chorus from from Austin, right who who based their a lot of their stuff on the Turtle Creek chorale because they said that they were very impressed by them. And then we also had the MCC, our sanctuary choir. And then the gay men finally the Gay Men's Chorus of Houston. And then there was everybody then there was all the Men's Chorus together then there was all the women's chorus and then there was all the men's and women's chorus together. And it was just a fabulous time it was really

J Jimmy Carper 04:06

really really good and four hours of music three hours of music three

R Roy McCarthy 04:12

and a half hours. We were we were gonna be able to make it we thought we were gonna have to know cut out earlier something but

J Jimmy Carper 04:20

it would have been worth it. Didn't want to miss any of it. But I'll tell you folks, if you hear Fort Worth Men's Chorus or having a concert, you know drive up there it would be worth it

R Roy McCarthy 04:34

or the Gay Men's Chorus of us.

J Jimmy Carper 04:36

Of course Gay Men's Chorus of Houston Yeah, they did. They did a couple of oldies, you know

of course Gay Men's Chorus of Houston team, they did the, did a couple of cities, you know they did the the season for lovers, which few years ago won the the chorus concert of his that was written for for the course by the man John Michael Albert, who used to be He the conductor of the Gay Men's Chorus, if he's right, yeah.

R Roy McCarthy 05:03

And they also did that one. So they hope they open up their performance with this song diversity. Yes,

J Jimmy Carper 05:07

yes. Which is what they open up their album with. And it was

R Roy McCarthy 05:11

then Colorado, Colorado. You can't take the color out of Colorado.

J Jimmy Carper 05:15

That's right. Yeah. And we played that many times from when pigs fly.

R Roy McCarthy 05:20

And I tell you something, maybe you could scrounge it up out of your thing there. And we could put here

J Jimmy Carper 05:28

so what else do we have?

R Roy McCarthy 05:30

We've got going on. Anyways,

J Jimmy Carper 05:32

I say Chris, you're filing his nails.

R Roy McCarthy 05:34

Yeah. And Chris, what's. What's this tea you got on our?

 Chris 05:39

It's this. It's time now ladies and gentlemen, for shameless self promotion.

 Jimmy Carper 05:43

Oh, must be

 Chris 05:44

to patrol. Now the other one. I'd like to find out who this host is carp.

 Jimmy Carper 05:51

I am just gonna have to slap you silly. I know. I know whether it is. It's the article in the voice, which was done by Rick air in shyt. Chair. I

 Chris 06:04

you have to click your heels when you say that last name is Aaron. Aaron shields.

 Jimmy Carper 06:08

Thank you. Yes. Yes. Rick was here last week with a member of the voice who took pictures. And then he also

 Chris 06:17

lifelike in this picture.

 Jimmy Carper 06:18

Thank you. Yes. I had an extra layer of wax.

 Chris 06:25

It's good. It shows.

J Jimmy Carper 06:27

He did a really nice, really, really nice article in the voice this week. I was I was incredibly pleased.

C Chris 06:36

Just talking about and just talking about the diversity of the radio state as the radio show and how it's progressed in the last 10 years. I thought you've been on for longer,

J Jimmy Carper 06:46

actually, in September, it'll be 12 years. But see, I have been with the show just Well, okay. 10 years, we were talking, we did a lot of talk and we talked all afternoon.

C Chris 06:57

Because I've always teach you that in a couple of years. Your your listeners are going to be the same age as the show. And you're looking at me like, I'm going to have to hurt you. Like, look you're giving me right now. Yes. It's a good thing. I think television is gonna be a TV ma look at an eight for the reasons we want it to be.

J Jimmy Carper 07:15

And Rick is in a performance of the last session, which is going on at the Little Theatre downstairs over on Bissonnette. Right on every Friday and Saturday night. Yes, yes. But it's a who was it that who was it? I guess it was Scott and David who had seen it and said it was absolutely

R Roy McCarthy 07:43

those kinds of images. Yeah. It was said

J Jimmy Carper 07:50

yeah, really worth going. Yeah, I'm gonna see it next Friday.

R Roy McCarthy 07:54

Anyways,

J Jimmy Carper 07:56

anything more you can get you can continue to promote promote.

C Chris 08:07

Just looking down here, we're Carper if somebody equates himself with Pat Robertson, why carpet is evangelistic in his approach evangelistic or is that evangelist? Evangelist? This show is not solely for those of the inner loop Montrose area, which we've talked about, I mean, oh, yeah. I'm prime example. I come in here. I come in here from the boondocks. And a couple years ago, I was kidding around. We need to have a gay pride parade down Highway six. We've got so many of us out there. My work here we've got three of us see. And it's like, out in the suburbs where it's we're just waiting for the city of Houston, come out and then access.

J Jimmy Carper 08:44

We're we're everywhere. And don't worry, we'll get around. I've been saying that for 11 and a half years. We're everywhere. We're everywhere.

C Chris 08:54

So we just need to get our own little bar out there. Save me all the gas mileage.

J Jimmy Carper 08:59

Go on.

C Chris 09:00

Well, I've picked the spot. I have these wild fantasies. I've got this Disco, disco club and all sorts of interesting things that probably illegal in the state but

J Jimmy Carper 09:10

I'm sure about the interesting things. Go on.

C Chris 09:15

I can't shame was so good. I stopped shamelessly promoting and we move on.

R Roy McCarthy 09:18

Yeah, we move on to the park. Which happens tomorrow. Today. Well, yeah, today and AstroWorld. Well, the tickets you can still get some tickets I guess over at Lobos for 20 bucks. All this money goes to the pride committee. And if you don't get it there you need you can get it over at the afterworld itself too late to try to mail in for request.

 Chris 09:47

Trial mail in like the mail and I had us laugh. Yeah.

 Roy McCarthy 09:53

Anyways, I picked him up and we're Lobos 3939 Montrose Boulevard or at basic brothers and 1232 A Westheimer road and you could also pick them up at AstroWorld that 10am which is located at nine double O one Kirby at 610

 Chris 10:14

Throw the fun rides are

 Roy McCarthy 10:15

that look for the look for all the little kids screaming at the top of their lungs and you'll find them Oh, just

 Chris 10:22

follow the picketers

 Roy McCarthy 10:24

now we got a very important thing coming up here, Chris So rollerball. What do you got on that?

 Chris 10:28

Oh, that's where I skipped down to a rollerball. Okay, Wednesday, June 23, rollerball 99 great music door prizes and games. It's going to be one of the party's biggest events, one of the prides. I read as it says, and it says birdies.

 Roy McCarthy 10:50

That was a that was a typo. Yeah.

 Chris 10:53

So I was carved. But hey, we pointed that out that way. Remember, I demand a level of excellence and other people that I don't demand and myself. It is sponsored by the lambda Roller Skating Club. Or you said lambda,

 Roy McCarthy 11:11

you got to be like a Jack Kennedy and Overlander? Yeah, a squeegee. Well, for Cuber and Africa, we were looking around the match for that for like six months. And he couldn't find

 Chris 11:23

it still. It's \$5 admission \$1.50 Skate rental, it's from 8pm to 11pm at Zenith skating rink, 8075 Cooke road at beach not for more information 281-933-5818. Or the website is missing some letters. Well try this HTTP colon slash last Neo soft.com/~a, R, C, S, tilde tilde

 Roy McCarthy 11:59

tilde A tilde she gets around the novel doesn't shrink as much as you do now, by the way, does he have free testing for HIV over at the community center on Pride Saturday, next Saturday.

 Chris 12:12

And that's the painless kind that they're derived.

 Roy McCarthy 12:14

I believe that they call it the or assure HIV testing. And like I said, it's free test, you know, it's a free HIV test without the needle. results results will be available in one week. And folks, please do go back to get your results, do not be afraid to get the results. According to the CDC, a third of the people with HIV do not know they have it. The reason being is that they get tested, they do not go back to get the results.

 Chris 12:47

I can understand that I recently saw a show on HBO, one of their little documentaries, they followed a couple of criminals around and they used drugs quite heavily intravenously. And the one guy was not sure. He really was unsure about going back to get the HIV test because he lost so many friends to HIV. And he was afraid to go back and get the result ready to go back. And not only did he go back, but he took the camera crew with him. And he allowed them to film it and be a part of the HBO documentary when they when he found out his test results. And

they came back that he was exposed. And he was still it was it was interesting seeing a person's reaction. And it I mean, being told something like this, this was from several years ago where it was a good it's not as manageable as it is nowadays, especially since he was indigent. All his money goes to support his crack habit. But it was just seeing this person struggling with this and somewhat managing with it. Unfortunately, instead of taking the drugs he needed, he took the drugs he didn't need and didn't help him much that way. So anything cheery to talk about now,

R

Roy McCarthy 14:08

let me say that there's the free testing. He's going to begin next Saturday at the the Houston gate lesbian gay community center, which is located at 803 Hawthorne, it's going to start at 5pm. And it's going to last until 8pm. Sharp at 8pm sharp they will shut the door on that because people want to get out to the prayers

C

Chris 14:30

at nine o'clock. Get this latest job and nine o'clock sharp on the.is When you gotta be walking up, that block up there to the parade

R

Roy McCarthy 14:41

going right along with the HIV testing and people that are positive. Yes, you have a positive parade party,

C

Chris 14:50

the positively proud free Pride Parade. You got it take to the positively proud Prix. Pride Parade party for positive men say that three times as a jury. You know what they really want to do they go here at the end positive gay men and lesbians. They should have changed it to people. So whoever was reading this would have to go positively proud. Free Pride Parade party for positive people. Thank God I was on patrolling up drinking. Where are we? It'll be he was he was actually allowed here that someone else driving his car. If you're out there, hurry.

R

Roy McCarthy 15:35

Already feeling good.

C

Chris 15:37

Now he wasn't he was actually in. I guess you could say not good spirits.

R

Koy McCarty 15:42

For Jimmy. We have a we have a contest for you, Jimmy. Yeah,

J

Jimmy Carper 15:46

go ahead. Weren't you talking about Jason? Oh, yeah.

C

Chris 15:50

We had this little tongue twister. I said it's a good thing. I went on patrol tonight. And I went out to a set of a bar. Yes. I would not have been able to say about the positively proud pre Pride Parade party for positive people.

J

Jimmy Carper 16:01

where's that going to be?

C

Chris 16:03

Another piece. Have some carrots. For

J

Jimmy Carper 16:08

when you can't take a pee.

C

Chris 16:13

The P party will be at 6pm to 9pm at the Center for AIDS. 1407 Hawthorne. Ah, that's going to be Saturday, June 26. What's it it's a pre parade party. So it's before the parade. Hey, yeah. Phone number is 713-527-8219 or you can email at Arden AR d n at Center for aids.org. So I'm gonna hand this back to you now. Well, the

J

Jimmy Carper 16:46

latest on Jason is that he's got a dead battery. Somebody's coming to pick him up.

C

Chris 16:53

Oh, number we assess. Oh, I gotta handle that paper now. Okay. I don't know he had a live one in the car when I saw him earlier. I

17:01

see.

Chris 17:02

Anyways docking battery. Yeah,

Jimmy Carper 17:04

but not maybe that's why it's batteries run down.

Chris 17:09

Well, that's right. Since it became an adult. I mean, the juice just doesn't flow as easily. The hell it down. Yeah, say something.

Roy McCarthy 17:21

Y'all missed it this past week. We did. Next Wednesday Chaly. PBS, eds.

Jimmy Carper 17:30

UHD. TV. Okay,

Roy McCarthy 17:32

we'll be airing the television show after Stonewall from the riots to the millennium. And then we're just going to go from eight to 9:30pm and then from 930 to 11pm they're gonna air before Stonewall. So they're gonna go after Stonewall to be forced on after states. I have no idea but that's the order PBS

Jimmy Carper 17:55

it doesn't matter because

Chris 17:56

because they believe in SSA it's something backwards

J Jimmy Carper 17:59

because the no because the after Stonewall is the new film, the old the before stone Stonewall is the film they made but back in 85 or something

R Roy McCarthy 18:16

so you know again it's going to be this coming Wednesday at from eight o'clock to 11

J Jimmy Carper 18:24

Okay, so set your recorders folks because this is good stuff now

R Roy McCarthy 18:29

we're getting down to the real meat of the stuff that I really am excited about how we're going to AJs and know Aj is coming to us and

C Chris 18:37

talking to them what about I left there last night with too much money so we're not talking about this

R Roy McCarthy 18:45

What's this what you got some more detailed information on the disco ball that see next next Saturday this next story we're just really gonna have a real ball

J Jimmy Carper 18:56

yes well as I've been talking about that damn ball for about four or five weeks now

C Chris 19:04

I know the deal I mean ever since we heard we we got a little outside information before it became official. Yeah so we got a little bit of dirt when we started talking about now now mattress Mac is coming along and hey, we've he's a title sponsor I guess next year it's we're gonna have it's gonna be included in the name of the parade. I don't know isn't gay lesbian bisexual transgender parade isn't long enough we'll put in gallery furniture.com

J Jimmy Carper 19:29

Hey, you know but it won't be

C Chris 19:32

able to sell the tank top T shirts there will be enough room there

J Jimmy Carper 19:34

he made a point you know he's doing this for our community and you know I'm in the market for a sofa bed hell I'm gonna go and look over Gallery Furniture you know, why not? It's a

C Chris 19:45

private because I've seen his ads in our in our publications. For about a year now. Yeah. And it's amazing for you what you consider this small town that'd be this small value kind of place. From what I've seen, considering the fact that his original clientele from what he made his money off of was wrestling fans there you go to turn around and here 15 years later, being the title sponsor for the gay pride parade.

J Jimmy Carper 20:14

I love it. I love it.

C Chris 20:16

So and bringing Miss Martha Washington,

J Jimmy Carper 20:19

Martha wash on his Wizard of Oz. Flo Thank you very much.

C Chris 20:22

Oh, I didn't hear the theme of it. Wizard of

J Jimmy Carper 20:25

Oz. Now the window that she ate no, Dorothy, honey.

R Roy McCarthy 20:30

Let me get into the description going on this on this disco. 10 foot. 10 foot Oh, seven, four.

 Chris 20:38

It says Tam.

 Jimmy Carper 20:41

It's between seven and 10 feet.

 Chris 20:43

Like anything in the Montrose will stretch it.

 Jimmy Carper 20:47

Men are about the size. Yeah.

 Chris 20:49

Well, that's why the lubricant company is also a sponsor. I see. It's a 70s Flashback. fantasy sequence. Oh, good anymore. No,

 Jimmy Carper 20:58

they haven't been. They haven't been the riches lately. I mean, there's disco balls are everywhere. What do you mean?

 Chris 21:05

I've heard there's a lot of balls for

 Jimmy Carper 21:08

a friend of mine. That's what he wanted for Christmas and got one

 Chris 21:11

a disco ball. Yeah. And I feel embarrassed. I got a lava lamp. Okay, a couple years ago. I turned it on for special occasions. So pretty much sister called No, no, not

J Jimmy Carper 21:22

a movie just recently with a lava lamp in it.

R Roy McCarthy 21:27

Not to say that the people who do the power of Houston, lightning spectacular. Their mattress man has enlisted their help on this. And they're going to be lighting up that disco ball with colors of the rainbow. So it's going to reflect out into the sky. Oh, that's fabulous. So if it rains earlier in the day, like it almost always does. We by the time of the parade, we'll have a little bit of a fine mist in the air. That'll be great. So the coat so it really it should really enhance those colors. And

J Jimmy Carper 22:07

I can't wait to see that because I will be walking down West timer. I will well

C Chris 22:12

you get a you get a preset. You get a little sampling of it. They are going to be doing a test rehearsal. Yeah. 9pm on next Friday, June 25. Oh my god, the place will be Ma It will be hoisted up and they will check it out and make sure the lights and the angles are all right. There is going to be a no doesn't say how high it's going to be up in the air. But as 100 foot crane is going to be hoisting this. This mirrored wall up

J Jimmy Carper 22:37

that's a 10 storey building. Oh, yeah, well, gallery furniture.com

C Chris 22:41

is gonna be on the side of it. So I mean, it's gonna be a long crane to fit that name on. Can we put another plug in? The not that kind of log boys?

J Jimmy Carper 22:52

That's right. You left with too much money last night.

C Chris 22:55

The disco ball was going to be on next Saturday. It's going to be elevated up at 7pm. Yeah, so

the streets usually closed about half hour. An hour before the parades about eight o'clock. Yeah, so hurry. So you can say you drove under the ball for that last hour.

R Roy McCarthy 23:12

Bring your cameras phone. Bring your

C Chris 23:13

bring your camera. Yeah. And it's going to be lit up at 845. And now here's the funniest line. Well, I've heard of the entire thing. The parade will begin at 9pm sharp

J Jimmy Carper 23:24

and the pride parade always starts exactly on time. Exactly. Yeah, right. It does. Absolutely. It starts exactly on top. So if you are the first one you start at nine o'clock.

C Chris 23:40

Well Jimmy, you're saying you're in the fray? What number is your continue to

J Jimmy Carper 23:43

drive? No, we're back there with your at the end of the parade toward the end of the break with with rainbow.

C Chris 23:49

Oh, well, I found out that if I if I decide to walk in and be a part of the parade, my Q patrol is going to be there and we are number 81.

J Jimmy Carper 24:01

Oh, well, there's 115 entries that I know of.

C Chris 24:06

So we're going to have a look at also.

R Roy McCarthy 24:08

Oh, Jason's in his in his in his risk or shirt? This goes shirt flashing red or whatever? Sire.

♀ 24:18

It's my Dorothy Ruby Red Special.

R Roy McCarthy 24:20

Oh, Dorothy versity ruby red.

♀ 24:24

All right, folks, she's

R Roy McCarthy 24:25

sober tonight. I wish

C Chris 24:31

alert pat robertson there that's the reason so hotter and hell in here.

J Jimmy Carper 24:37

Which is only about half done here.

C Chris 24:39

Hold on like another shameless plug. We're gonna do it because

J Jimmy Carper 24:41

it's being done by two half baked people.

R Roy McCarthy 24:47

Everybody can hear this.

C Chris 24:49

CHRIS 24:40

Jimmy? Why is clocks still says 1207 So

J

Jimmy Carper 24:51

I got your 1207 There you go. Are we talking time?

C

Chris 24:56

Are we talking to you? Are we talking metric over there? Yeah. Uh, what else do we have to talk about? Okay, shameless plugging in here for Q patrol. We are starting a membership drive and fundraising drive. When did you ever stop? Well, we're desperate. We need them both. Take a look for our recruitment posters out some of your favorite watering holes and bookstores. You can also pick up a cute page you patrols t shirt, our new slogan of BL lifesaver. They're on sale for a \$15 donation out at the Lobo. Yeah, and when I heard was it 3939 West timer. I called my contrast during that. Hey, if I got the 3939 Right, forgive me for that much.

J

Jimmy Carper 25:42

It's in that shopping center with general Joe's and all of them.

C

Chris 25:46

Yes. And we've got the black shirts and we've got the black T shirt and the what they call athletic cut. I've always prefer to call the wife beater. What's a tank tank tank top? It's referred to as a wife beater. So whenever you watch cops, you're kidding me. Oh, because whenever you watch cops, you see the guy who's out there with the Clorox bottle hitting his wife is usually wearing one of those tank tops T shirts.

W

26:09

No wonder she's a bleach blonde.

C

Chris 26:14

We can really use the help. We really like it's a fun tour to go out there and see the neighborhood and see the people it is we were out tonight we had a table out do a little bit of fun raising and

J

Jimmy Carper 26:25

didn't weren't you marching? Were we weren't you in cahoots with the Political Caucus or so.

C

Chris 26:33

That was last night. Oops, that last night with the Political Caucus. Okay. was with us. We had a very, very small contingency. Oh, well. Enough to damn enough to qualify as a control as a patrol. Yeah. We really need people to come out. Yes,

J

Jimmy Carper 26:53

you know, it's hard because especially your during the month of June because there's so much stuff going on. But hey, come July. Yeah, let's let's get out there, folks.

C

Chris 27:04

And let people say we don't have the hate crimes if we don't have a problem with hate crimes. What? Hello, because it's working. We haven't had assaults. We haven't had cars. Well, that's the whole idea. We haven't we haven't had that because people know we're here. Yeah, the last time we had a major incident was over a year and a half, almost two years ago. And the people who were involved in it, saw the Q patrol was there and monitor and was was we can't intervene, intervene. Right. But so while we were there that we were reporting it, they stopped and left the personal loan. It didn't get serious, the person was able to the victim was able to get up and walk away. Because we were at least there and the people said, Hey, Q patrol is there. And they backed off.

R

Roy McCarthy 27:48

And I can guarantee you that if today comes the cube patrol is no longer out in the streets than those that hate crime will skyrocket. Right? Then we

C

Chris 27:57

have problems, folks, and we need to get we want to get stopped there. And we're a unique organization. We don't have a lot of that when I went to San Francisco a year and a half ago. They said they said that. They only mobilize something like that. After something happens. Oh, go out for a couple of weeks. Nothing happens. They go away. We're one of the longest running organizations for our citizens on patrol group.

J

Jimmy Carper 28:21

Yes, I think you're the oldest in the nation.

C

Chris 28:24

We're still running after seven years. July 4 marks the event that caused eight years ago that

caused us to be started. And to be going on for this amount of time any citizens on patrol group is amazing. And we really need the people to come out and help help and join us. We asked for one one night a month. Come out, walk ride rollerblade bicycle pogo stick skateboard. If your skate will take a skateboarder here we definitely will care for I'm sorry, my my chin, this this is sweat. It's not Dural. If you with an organization, come on out, we'll be glad to walk with a group. You can hand out your materials you can wear your colors, do recruiting for your organization. We just want a presence out there to be walking billboards and let people know that we're out there and we're keeping an eye on those who don't. And that number is 713528 safe. That's 7233 Or you can send an email to q patrol@aol.com. Great.

R

Roy McCarthy 29:33

Okay, and that just about wraps it up for this week's edition of after hours news and views. Jimmy big ROI got Jason out there, chomping at the bit. He's got a great show for you.

C

Chris 29:45

Now hold on. This time is Roy you're jumping in? We don't know. This is traditionally the hatch show. Oh, it is but the hatchlings were all out gussied up in their tuxes.

J

Jimmy Carper 29:54

Oh yeah, this was the hatch prom.

C

Chris 29:55

Prom Night. I drove by under the hatch banner out in front of the love it in it And, and so the hatchlings we figured you're gonna be a little under the weather or doing whatever you normally do after a prom screw. No. Oh,

J

Jimmy Carper 30:10

excuse me.

C

Chris 30:11

I don't know I didn't get different prom. I didn't go to a prom. I whatever. I know one of my brothers rented a Winnebago and went down with a bunch of people to Galveston. Nothing happened. It was a good boy.

J

Jimmy Carper 30:22

I've got a couple of things. The guy who was blocking James Horner mills.

what's his name and in her way, in a way no, not the annual in no way. I N H O FeO in half and half. Okay, in half. The Republican Yes, he was all upset. And you know, and he was President Clinton has shown contempt for Congress and the Constitution. He has treated the Senate confirmation process as little more than a nuisance, which he can circumvent whenever he wants to impose his will on the country. Well, two things. First of all, when when we sat down and kind of added things up, Clinton has made 58 recessed appointments compared to 78 for President Bush in his only four years, and 239 for President Reagan. Hello. And then there's this little thing about some porno on his computer. Oh, yes. So he kind of backed off on that. And something else that I don't know if you you talked about one of the events that's going on for for gay pride? Probably not what? It's the annual grand marshals reception. Oh, did you happen to mention that? Anything about it See, see because it came in late. It's happening at the lazy J which is located at 312 to Elm Street. And it's happening Monday, June the 21st 630 to 930. It's put on by the Royal Sovereign imperial court of the single star it says that without a from the law, see and it's on honoring all of the grand marshals, Nancy Ford, female Shawn Carter male and the colt 45 The organizational Grand Marshal so that's gonna be fun. They, you know, they usually have a nice spread and, you know, go in there and what? Sorry, no, no, no, no, no, it's food. There you go. You know, kind of nibble on stuff.

C

Chris 32:33

I was thinking nibbling on the other spread. I was.

J

Jimmy Carper 32:35

See, okay. Anything else for the news? No. Do it. Jason's gonna be here in a minute. But I want to close close out with a sock. And I'm doing kind of older stuff. You know, and this is one that is jewels very best favorite song by Meg Christian. And came out long time ago and a lot of older lesbians really, really identify with this song.

R

Roy McCarthy 33:10

That's right. You know tonight when you and I went to that gaming's cars that was the first time I was ever called a thespian? Michael off yes, I will. Sure.

C

Chris 33:23

The first time you do a station identification.

J

Jimmy Carper 33:25

I'm going to do that. Yes.

and Chris is just staring off into space. I'm Jason

C

Chris 34:35

dammit you're doing it to me again.

34:37

Okay, now you shouldn't be on.

c Chris 34:38

I don't believe this. You can talk now. The last time I was on the air with you. You did the same damn thing to me.

34:46

So are you what's your name is Chris. And as

c Chris 34:50

I switch to the colder to the cooler section of the studio,

34:53

and since tonight is the hatch prom. We are doing our show once again this month.

c Chris 35:01

Yes, as you know, after the prom, everyone goes home and

35:05

goes to sleep like good little boys,

c Chris 35:07

a little Bible study and then goes to sleep and thinks pure thoughts. Of course, always actually would be fun. I don't be arresting now I didn't go

35:17

I don't know if I want to hear this, but I didn't go to

c Chris 35:19

Chris 35:25

my prom. But I went to the after prom party. And I don't know if you've ever if they have them here in the in,

35:25

or they've got after broke. There's also there's this program and probe from for after graduation and after prom, but

Chris 35:32

go on. Yeah, but I mean, where you have a lock in sort of situation where you can't leave after a certain time. That would be I don't know what especially with would you enjoy that with

35:43

the hatch prom,

Chris 35:44

I think would be the strangest thing since they have the adults also, since it's open to all ages. It would be interesting trying to tell this older couple that no, I'm sorry. You have to stay at the prom all the teenagers because we've locked the doors.

35:57

And I'm also sure you wouldn't run into any legal situations with that.

Chris 36:02

Maybe one or two.

36:04

But the thing that really impresses me about the hatch prom being a former hatchling is the fact that my high school prom, I of course, took a girl went to school out lay leave. I was the typical jock big old redneck and had boots belt buckle cowboy hat all the time. Yeah, shut up. So I kind of followed through on that. My prom, Kentucky girl. And like couple months later, came hatch prom. So I was able to take somebody that I had met not too long, actually not too long. Probably maybe a week maybe a week before the hatch problem. I met this guy. And I told him you know, hey, I'm involved with hashed out another DA would you like to go to well, we call it the hatch prom, but it's, you know, a dance, little fun chindi whatever. And I was able to take my first same sex date out to a dance. And that's just one of the best memories in my

life. And ever since I had every house prom that I ever went to. I've gone to three of them. And I had three different nights because I always get dumped. But you know every time we go though, it's
