P Pokey Anderson 00:20 Hi, this is pokey Anderson.

C Cherry Wolf 00:22 And I'm Cherry Wolf.

P Pokey Anderson 00:23 And we have a quick quiz for you. What's a feminist? A, someone who hates men. Be someone with no sense of humor, and no bra. See? Well, gee,

∅ 00:40 come on, you can come up with something.

∅ 00:43 It just takes too long. You can't say it real quickly.

00:47

Well, if you really want to know tune in, to break through

00:51

Friday mornings from eight to 11am on KPFT Houston.

J Jimmy Carper 00:57

So he just called back Oh, really? Answer the

B Buddy Johnston 00:59

phone KPFT. And he said, tell the faggot cops something. Child. I'm not a cop. I'm a dispatcher. But don't HPD since 1984. And you're such a big man to call up and threaten us on the phone. You won't even talk to me.

01:12

Please. heard much about AIDS lately.

01:14

It asked me if I've heard about anything else.

01:17

Really? So your friends talk about AIDS?

01:19

No, no one does.

01:23

But you said you haven't heard anything else.

01:25

That's because it's in the paper and on TV all the time

01:29

of AIDS is so important. Why don't you friends talk about it?

01:33

I guess they're embarrassed.

01:36

Are you embarrassed?

01:38

AIDS isn't exactly what you'd call party conversation.

01:42

It's no party. But how are we ever going to prevent AIDS? If we can't even talk about it? But how do you talk to someone about AIDS? Just like this.

01:57

Talk about AIDS, because talking will help you understand. If you'd like more information, call your local aids hotline or call one 803 428 This has been a message from the US Centers for Disease Control.

Buddy Johnston 02:12

Say he just called back I wanted some more obscenities. Why is he even bothering listening? He knows it's a gay program to come out of the closet there

Jimmy Carper 02:20

you go closet. If he were really straight, he'd have something else to do.

02:26

That's true. I remember an incident four years ago and I was walking through an amusement park holding hands with my lover and was called queer by a child six years old. And from that

...holding hands with my lover and was called queer by a young boy, years old. And from that day forward, I've been all too aware of who the child molesters in this society are. These are gay and lesbian people singing out here what's your reaction to that? I have a little boy and I would hate for my little boy to be like that those are animals I think it's terrible had a rocket

02:54

all the queers want equal rights by the way God made us do and your mother father less linear. And he was.

03:04

To hear the sounds of the waves brushed up against the sand where he's written both of your names with a heart around it. You were looking at the sky burning red with a sunset. Quickly a car drives up alongside of you you stop for red light. Suddenly the car is surrounded they circle your blanket coming in closer bottles are thrown out of car windows, the sound of glass breaking baseball bats against metal hand grabs your hair glasses, your feet in your face in your eyes, a fist across your face again and again. I queer tell them.

03:40

Homophobia can kill. Education is the only lasting weapon against bigotry. Which is why as a lesbian and gay public awareness project wanted you to hear and think about this message. For more information write us at Post Office Box 65603 Los Angeles, California 90065.

Buddy Johnston 04:01

That was him again. Oh, really? Yeah. He called up and said kill them, kill them kill them. And he also called up and said God made Adam and Eve not Adam and Steve.

J Jimmy Carper 04:10

Oh, boy. That's an old one.

B Buddy Johnston 04:12

He won't talk to me though. He's so frustrated. Frustrated a little boy.

J Jimmy Carper 04:18

That's what happens when you're in the closet.

B Buddy Johnston 04:22

He's not gay. Marry.

J Jimmy Carper 04:23

Oh, no.

B Buddy Johnston 04:25

He's just listening to gay radio. The middle of the night? Yeah. You're just not lot. He's just not what would you say baby? said he wasn't gonna get traced. You know what? He has never heard of modern technology. Honey. You know what happens when you want to get your phone tapped? You really want to know Jimmy? No, I don't know. Well, yeah. And since I work for the police department out Tell you what happens, what you just call Southwestern Bell. And you say someone's threatening me. Yeah harassing me just like this poor little boy. And they go well, thank you very much sir. And they give you a form to fill out. And all you do is when some jerk calls you in the middle of the night, you say thank you for calling. And you write down the phone number or you write down the time that they call, not the phone number, because we don't know what the phone number is. And then you go to the phone company, and you give them your little list. And the phone company gets into their little computer. Yeah, cuz you know how computers are everywhere now. And they just run out a printout of all of the phone calls that came into your number. And then they take that little list over to homicide because homicides the one that handles threats, yes. And the homicide division sends you a nice little letter saying you better be a nice little boy. Are we going to put you in jail and come take away your phone? And that's exactly what happens. So you don't have to call in and hang up, baby. It doesn't make any difference. You see what I mean? Hello, KPFT I'll really hang on a second. Okay. KPFT Hi. Oh, we've got some guy calling and threatening us. Can you can you hang on one second? Yes. What would you say now?

👤

07:00

Mr. safesite?

B Buddy Johnston 07:05

There you go. The phone wasn't one we wanted to put you on the air baby. You said he was the one that probably assaulted Steven little. But he did. Why do you think this kid has to call up here and harass us and hearing us like this? I

👤

07:18

think he's a dangerous closet case. Yeah.

 Buddy Johnston 07:22

That's sad, isn't it?

 07:24

Certainly as I was having breakfast when the gentleman from Boots was on. I want to ask him this question. Why is it that a lot of the leather regalia that we see in the venture in and record and marries specifically, what type of Regalia the caps? Yeah. Why is it that they seem to resemble Nazi SS? Gestapo type officer caps?

 Buddy Johnston 07:57

That's a good question. But unfortunately, Boots isn't here.

 Jimmy Carper 07:59

No. And I don't have an answer.

 Buddy Johnston 08:01

I don't think anybody here has been

 Jimmy Carper 08:03

I don't know if it's a it's a throwback to that more as to the biker type or gal either

 Buddy Johnston 08:09

biker or military because most military apps all look the same.

 08:13

Even the biker caps, they seem to resemble those Nazi SS hats with the skull and crossbones.

 Jimmy Carper 08:20

I don't know if that's done intentionally or if they they both come from different places, and they just resemble each other. To tell you the truth. I don't know that.

 Buddy Johnston 08:31

Buddy Johnston 08:04

We'll try to find out for you. Okay, listen, thanks for calling

08:35

for one more advice. Not this show, but the two shows prior one. I think it was Steven Liddell was on. He mentioned that we should all get clubs. And there was

Jimmy Carper 08:51

Well, now that was his opinion, right?

08:55

There was another woman

Jimmy Carper 08:58

last Saturday who were boys. Yeah,

09:01

right. I think she recommended that we get

Jimmy Carper 09:04

well, not guns, particularly she had the stun gun.

Buddy Johnston 09:09

See? Yeah. You know why that scares me so much. And I even said the same thing when Steven Liddell was here, because I worked for the police department. And do you know how many people we get that call the police that say I've been shot? Because a burglar broke into my house and took my gun away from me and shot me. Do you see what I mean? That's what I'm afraid of.

09:29

Wow. Wow. And so we're all going to have to turn the Montrose into an armed camp, you know, so

B

Buddy Johnston 09:35

maybe just the Montrose . It's all over the country, baby.

♂

09:39

Well, I mean, I just I love I love my community. And I think we should just more or less turn it into an arm camp so nobody from Pasadena or galena Park will harass us.

B

Buddy Johnston 09:49

What about all the gay people in Pasadena than galena park that listen to us? Well, there's a lot we there's a lot of them out. We

J

Jimmy Carper 09:56

have a lot of listeners.

♂

09:59

I have difficult time imagining that gay people live in such an oppressive areas.

B

Buddy Johnston 10:06

Well, they do believe it or not, yeah. And Roger and I went to breakfast three or four weeks ago, just outside just bet Kirby and Richmond on a Saturday morning and it was the scariest thing I've ever been involved in. Because we had all these straight people with all their kids hanging around. And it was just like, oh, girl, let me out of here.

♂

10:24

Well, anyway,

J

Jimmy Carper 10:26

well, you don't have to be gay for that. You just have to be an adult without children. Tell them not to that can kind of scare you in the morning. You know? You're not used to that. Yeah.

B

Buddy Johnston 10:37

Listen, dear. Thanks for calling. Thanks. Bye. KPFT. Hi.

J Jimmy Carper 10:44

Well, we're taking calls right here.

B Buddy Johnston 10:46

Hang on just a second. Okay. You're on line three and KPFT. Yeah, not much. Yeah. Someone's asking me, of course, I'm afraid to put you on the air. Child. But what did you say? Yeah. Do I get harassed by the police officers harassed for what? For being a faggot? No, I don't get harassed. Why don't you call down there and ask them? Do you need the number? Excuse me, boys and girls want to talk to this young man? There's a huge gay community here in Houston. Why would they harass me? Because I'm a freak. You can't get pulled over mommy baby. I'm a dispatcher dispatchers don't pull people over. I'm sure there are gay people out there working in the field. I don't know if that was our caller or not. Of course, I'm scared to death to put them on the air because of the FCC. Hello. Oh, she's gone. That was a young lady that on line three that call it said she was in Pasadena.

J Jimmy Carper 12:15

Yeah. There are a lot of lots of calls from people in Pasadena Deer Park galena Park.

B Buddy Johnston 12:21

Yeah. I see. I would like to put this guy on the air that's calling up and shouting obscenities at us but I can't because of the

J Jimmy Carper 12:28

FCC. Right? I wouldn't want to listen to it anyway. I don't mind listen

B Buddy Johnston 12:33

to it might get the gay people that are listening angry enough to call in and say something? Oh, that's part of what we were talking. I

J Jimmy Carper 12:43

realize. Of course there are gay people working on the police and he thinks that there was an article on a minute okay, there was an article out in the last advocate, I believe talking about people in the military and that the military itself has determined that there is are as many gay and lesbian people in the service as there are in the general population

B

Buddy Johnston 13:11

that's what he just said Are there any gay people working at are there any gay cops well of course there are no gay cops no there aren't baby you know they're nothing really so serious officers

J

Jimmy Carper 13:20

yeah right. Do to do one rating

B

Buddy Johnston 13:37

to believe they haven't answered the phone. Yeah,

J

Jimmy Carper 13:40

I know. Was that three rings for

B

Buddy Johnston 13:46

this police department Emergency Communications Division. Are you kidding? Work? Yep.

⑧

13:57

Houston believes the phone is busy.

B

Buddy Johnston 14:02

Oh, that's right. It's 214 That nines are busy.

J

Jimmy Carper 14:05

That's right. The bar crowd is just leaving all over the city. They are busy

⑧

14:17

Hi there Miss Sanchez. How are you? Fine. I

⑧

14:19

can barely hear you.

 **Buddy Johnston 14:20**

Yeah, I'm sorry. This is buddy from my evening shift.

 14:22

Hey, buddy.

 **Buddy Johnston 14:23**

What's going on down there child's doing just too Is this the last so last how are you? I'm doing my little radio show. Okay. Hey, is is Can you ring Carol but don't say the extension. Can you just Ring Central? I want to ask her what's going on in the Montrose I've been busy,

 14:42

tired, busy, busy, not the word.

 14:46

Okay.

 14:48

We're talking to we're talking to HPD the Houston Police Department trying to find out what's going on in

 **Buddy Johnston 14:58**

this body. I just want to What was happening in in Montrose as a client this morning? Yeah. Is it still quiet? Yeah. Because when I left you at 10 o'clock, but nothing's really going on. What was it? Just add a couple of breweries and artists are required to district. Was it busy when I left you? I'm gonna study that not that bad activity is going to be revisited. I listen to we don't have a union meeting till July. Right. We don't have a union meeting till July. Right. A union meeting?

 15:28

Yeah. Not to the first of July.

B

Buddy Johnston 15:30

Okay. I couldn't remember. We're just keep us safe. Just keep us safe out there. Okay. So just keep us safe. Oh, I'll talk to you later. I'll be back to work on Tuesday. Tomorrow night. Do you think you can work for me next Saturday? There's something I need to do.

∅

15:52

No, not next minute.

∅

15:53

I don't mind can say, okay. Just let me know.

B

Buddy Johnston 16:01

Okay, thanks. I'm sorry, boys and girls. I was calling my coworkers. That was real, wasn't it? What do you mean it was real chomp?

J

Jimmy Carper 16:10

Who do you think I was calling target? Oh, of course. It was real. The police. So it's pretty quiet in the Montrose. It always is that's why

B

Buddy Johnston 16:19

I like to dispatch for Montrose. I wish that town would call back that said he or that young man said he just moved here from Colorado. Yeah. Yeah. I'm sorry. I'm so distracted now. Because I'm just like, why are we doing that's

J

Jimmy Carper 16:35

pretty interesting. What is well, hearing the dispatchers and all of that. I hear it every day for eight hours a day. Yeah, but you see, I don't

B

Buddy Johnston 16:45

see we put people in jail.

∅

16:48

I got it gets boring. Trust me. I see who this is. KPFT

 Buddy Johnston 16:54

Oh, hang on one second. Okay. Don't hang up. Okay.

 16:58

KPFT Yes, sir.

 Buddy Johnston 17:06

Why? Why do you want to apologize? Okay, I know you disagree with my lifestyle. But why do you have to be so rude to us? Yeah, but don't Don't you believe this and baby. Seriously? Okay. Don't you LIS tell your friend in the background to quit giving you directions unless he wants to get on the phone. Don't you believe that I work for the police department. Don't you believe? But don't you believe that people really work for the police department that are gay and that they're gay people everywhere. But they are out there enforcing the law. I'm sorry. I'm sorry. They are. But gay people don't act just don't act real girlish.

 18:04

You're gay?

 18:05

How do you know they're gay? Because they act like a girl.

 Buddy Johnston 18:09

Not all gay people act like girls. Do you sound like a girl on the phone? Well, I'm sorry.

 18:14

They think I am sometimes

 18:17

called you up and I was calling HPD.

 10.21

10.21

I would think I was talking

18:23

to a female

**B** Buddy Johnston 18:23

when you call HPE HPD. You don't talk to me because I'm dispatching police cars. I'm so busy spinning around with cops. I don't have time to talk to you. Dispatch as the person that say I called 911? No, do you call phone you call you call 911. And that's a separate system. When you call the Houston Police. Someone answers the phone and gets the information. They entered into computer and then it comes to my screen and I dispatch the police. I'm the one that says one out of 12 see the man it's such an such address. There's been an accident

18:57

of big majority of gays,

**B** Buddy Johnston 19:00

of course, department, of course. And they're hidden and they're scared and they're afraid. So they

19:06

when they're making their application for the police department. They do not say they're gay, do they? Of course not. They're not asked what they won't get hired if

**B** Buddy Johnston 19:15

they won't get hired if they say they are.

19:20

So you have the black committee, you know, for for a police officers. And you have the Hispanic committee committee for police officers. You don't have to gay?

**B** Buddy Johnston 19:32

No, they're not because gay people are scared gay people don't come out gay people are

afraid. Why? I don't know why. Listen, I've been doing this. What's bad.

19:43

It's sad.

19:46

It's sad that you can't stand up for yourself and you have to

Buddy Johnston 19:50

listen. But listen, I don't think it's sad.

19:56

You mean you think it's sad being gay?

19:59

Yeah. Do I think you all right now?

20:03

You think we're all gonna run? I'm sorry. I

20:06

do. I just think that that's the way God didn't plan for God's build guys.

20:11

How do you know what God planned?

20:15

Listen down and talk with me. I know. I've read the Bible.

Buddy Johnston 20:19

Buddy Johnston 20:25

So what makes you think that your writing were wrong? I don't understand.

♂

20:25

I have no right to judge anybody

B

Buddy Johnston 20:28

exactly what you're doing. But you know, calling someone and it may not be you I don't know who's calling the radio station harassing us.

♂

20:35

Did you know that's illegal? What? harassment? I'm not.

♂

20:40

I call back to apologize.

B

Buddy Johnston 20:41

But yeah, but do you know that that's illegal? What he says you've got so many people there coaching you.

♂

20:50

You're right. You're right.

B

Buddy Johnston 20:54

I know. I know that that people don't understand. I don't understand.

♂

20:58

I don't understand. If I had

♂

21:00

understand I can understand it. Listen, it the whole thing makes me gross out. Okay,

Buddy Johnston 21:05

I'm sorry, it does. But I can't let that feeling of you're grossing out oil my life. And I can't be something that I'm not. I have to be what I am and what I am as a gay man that's proud of himself. I'm proud of the fact that I work for the police department, you

21:23

let it be known that you're gay crowd, the police department. But there's no way getting around that

Buddy Johnston 21:28

I've been doing. I've been doing this program for almost three years. How can I hide that from people? No one really cares who you're sleeping with.

21:35

Nobody cares.

Buddy Johnston 21:37

I'm sure they don't like it. But what can they do

21:40

to you when you go in the locker room? Or whatever?

Buddy Johnston 21:44

Because they're grownups.

21:47

Well, I wouldn't want some guy looking at me that was getting turned on.

Buddy Johnston 21:54

I wish I had an answer for you.

21:56

Well, you know what I mean? Yeah, I

Buddy Johnston 21:58

do. Sorry. I wish I had an answer for you. All right. I'll see you later. He's still with me. You're from you said you just moved here from Colorado. So what do you think about our little show? Love it.

22:15

I've it's a wonderful stuff. Usually

Buddy Johnston 22:16

we have a lot of fun, but I'm just like real. It's really

Jimmy Carper 22:19

different to my Yeah, well,

22:21

I didn't say that. Why would you get why would you be looking at him if you were in the shower

Buddy Johnston 22:25

anyway? I mean, I don't understand that because they think that all most straight people think that all gay men want to jump them.

Jimmy Carper 22:32

Yeah, that's that's the thing we've talked about are paranoid.

Buddy Johnston 22:35

There's you know, there are some gay men that think all gay men want to jump them to I've got news

22:40

that all we wanted to have sex. Yeah. But our mental attitude

J Jimmy Carper 22:44

towards the well, the other thing about it is they're not used to that it's kind of a macho attitude that they're not used to they can they feel it's all right to stare at women and mentally undress them, but when it happens to them, then that kind of makes them paranoid. Plus, of course, the other fact that no matter how ugly a straight man might be, he's afraid that if he lets down his guard for more than 30 seconds, 25 gay men are going to attack.

B Buddy Johnston 23:19

Where did you move here from Denver? Denver? They don't have gay radio in Denver. No, not like this.

J Jimmy Carper 23:28

Denver is a fun town.

B Buddy Johnston 23:30

Well, part of the city do you live in Sharpstown Welcome to Houston. You're gonna go to the parade next week, right?

23:37

Yeah, I just picked up a flyer tonight.

B Buddy Johnston 23:38

We will be we will be there throwing beads so we'll be handing we will be handing beads I may be throwing. Thanks for calling. Thank you. Bye. Bye. That was kind of fun. KPFT Hang on. Okay. You're on line three. KPFT

J Jimmy Carper 24:06

This is very different. Can

B Buddy Johnston 24:07

you hang on a second, please? And you're on line number two?

24:11

KPFT.

B Buddy Johnston 24:18

Yeah, hang on just a second. Okay, you're on line number four. Hold on, boys and girls are lining them up. KPFT I'm confused. Yeah. Hang on just a second. Okay. Five to six 4005 to six KPFT you can get on if you can get in lines five to six 4005 to six KPFT. You with me? Okay, what do you say dear?

24:43

I'm about to apologize because great people are listening out there because they are open minded. They want to stay that way.

B Buddy Johnston 24:49

There are a lot of straight people that understand right? And that's

24:52

definitely listened. And he said You sound like a girl. I think you should wait till he gets out of puberty when his voice starts cracking And then he won't sound like the girl either.

B Buddy Johnston 25:02

I just I'm amazed by people that think that there are no gay people anywhere.

25:07

Kind of ignorance. Reason for the way they act. Totally.

B Buddy Johnston 25:11

Oh, well, what part of the city are you calling from? suburbia? suburbia. I used to live in suburbia. I hated it, because there was a very nice looking man and his wife across the street, always get in trouble. Well, thanks for listening. Thank you. But Roger,

25:30

buddy, going, going back to the being watched in the showers? Yeah, well, what about what do they do about all the gay men who aren't in the showers who are not? Obviously gay are openly gay, who they don't know are

J Jimmy Carper 25:45

gay? Well, that's the thing when you don't know what those are? Yeah,

25:48

they're only about hey, you know, they're only openly gay.

B Buddy Johnston 25:52

You know, what kills me about that thought. Mark Timmers, who, who is who was a police officer for HPD and was gay was on our show last year. And Mark's been trying to get his job back with HPD. And Mark said that one of the biggest questions they had was if he came back and went through the academy, where would he shower? Oh, ple and I wanted to share before where did the gate where have the gay men been showering at the police academy for the last 150 years? Yeah. KPFT

26:22

reference to that mentally twisted, young man and puberty. Yeah. Calling gays girls and ladies. Come on down to the venture in Mary's because a lot of big five Harley Davidsons. Experts controlled construction workers would just love to make a little lady out of it. calls back, Dad Sure. Like to have him for my

J Jimmy Carper 26:50

we know what you're talking. Thank you.

B Buddy Johnston 26:53

KPFT.

26:54

Hello,

26:56

this for me? Yeah. Oh, I'm just wondering how you say, you know how you say? You don't know how if it's like, if God was meant for gay people to be gay? I mean, the answer to that question is obvious. I mean,

J Jimmy Carper 27:19

we're here, you know?

B Buddy Johnston 27:22

Well, you know what I like to say to that,

27:25

well, if it's like, if God men for men to like, have sex with men, then I mean, they'd be crapping out babies, you know?

B Buddy Johnston 27:39

Not necessarily. But here's the deal. When people when people talk about the Bible, Jesus was asked by the disciples, what are the greatest commandments. And if you read the Bible, Jesus said, The greatest commandment is Hear, O Israel, the LORD our God is one Lord. And he said, the second greatest commandment is that thou shalt love thy neighbor as thyself. And I would wonder if those people who say today are Christians are really doing that. It also says things like Judge not lest ye be judged. And also says he without sin cast the first stone, saying that it's not true what I just said, I'm saying that the Bible was written and translated by human beings, the King James Version translated by scholars for King James. And if you were a scholar, translating something for the king, and you knew the king didn't like certain things, you certainly wouldn't put things in there, the king didn't like, what I'm saying is that if you can get the Lord Himself to come in here, we'll be glad to ask him why gay people are gay, why Black people are black. Why women have miscarriages. Why babies are born with birth defects. Why people in certain countries like Africa and Asia are dying from starvation. Yes, you get the Lord down here. I have a lot of questions to ask him baby. And none of them do. None of them deal with why men sleep with men. It doesn't doesn't doesn't have anything to do with having babies. It doesn't have anything to do with sleeping with people for procreation. And a lot of gay people are under the impression that the only reason that straight people have sex is to have babies and that that's not true if straight people if you follow the Bible, you know, Roger, what does the Bible talk about about women and your wife is your property and you can beat your wife and

29:33

well in the Bible. Hand on just a wife is a husband's property, and so are the children. And that

Well in the Bible it says on just a wife is a husband's property, and so are the children. And that if you love your wife too much, you're committing a sin. It's, it's you're not supposed to love your wife too much. You're supposed to love your wife like you do your cow. You're there for is for procreation, I suppose to have babies and nothing more. And you just happen to get somebody cook for you on the side but you aren't supposed to really overly love her? Because it's because she's only there think about what she is there

30:08

to do think about what everybody that calls you to make fun of you or whatever. Yeah, that they're so rude. And I mean, you you won't even let me get a word and let me

**Buddy Johnston 30:17**

know why. Because I'm afraid you might shot some obscenities and get us in trouble with the FCC obscenities. So what's your point?

30:24

I'm saying? Let's say Adam and Eve were like,

**Buddy Johnston 30:28**

gay. Adam and Eve were not gay. Well, let's

30:32

say they were everybody was meant to be gay. I mean, where would we be?

**Buddy Johnston 30:38**

I mean, we want to say here, we're different than anything. What difference does it make? Why do we have to preach so much hate? Hate? Yes. Because it's disgusting. It may be disgusting to you. But why do you have to be so angry at me?

30:55

Why can't? Why can't you just

30:57

let me get one word and you won't let you keep just blabbing on every time. I tried to say

B

Buddy Johnston 31:02

something. Why can't we get one word? And why can't you? Why can't you just let me live my life? If it offends you? Why don't you turn

♂

31:10

to live your life? I mean, I can't do nothing about that. Why don't

B

Buddy Johnston 31:13

you just turn to another radio station? If you don't like what we're doing here? Why do you even have to listen? I don't listen,

♂

31:21

I just know what you mean. You don't listen to what the schedule is. And I don't listen to this

B

Buddy Johnston 31:26

show. Why are you here then?

♂

31:29

Because I'm wondering some things why you guys like. I mean, it was just something stupid to say whenever you whenever you're on the air with like, what's his name? I don't know the guy that was shouting obscenities to you. And you're like, Well, how do you know that God didn't mean for it to be like,

B

Buddy Johnston 31:53

the Bible talks about doing things that are unnatural.

♂

31:57

Yeah, well, that is unnatural.

B

Buddy Johnston 32:00

That's unnatural to you. That's not unnatural, the Bible that

32:03

says no feminists will enter into heaven. That doesn't

B

Buddy Johnston 32:07

say that. It doesn't say that. I'm sorry, person, but it doesn't say that. It doesn't say the Bible doesn't say that. All these preachers and all this garbage that the preachers doesn't say that baby Sodom and Gomorrah was destroyed because the city was not nice. Sodom and Gomorrah was destroyed was destroyed because the people were not hospitable to strangers. Sodom and Gomorrah was not destroyed because people were homosexual. And we have all this garbage free tribal

32:47

that that no feminist will no doesn't say that it does to

B

Buddy Johnston 32:51

them. And it's okay. If it says that get me the verse and the chapter that it says that in so that we can look it up. Get a Bible and get me the chapter and the verse where it says that and we will read it and I will I will say yes, it does.

33:06

Read the Bible all the way through.

B

Buddy Johnston 33:08

Okay, get me the chapter and the verse where it says that and I'll put that on the radio. It doesn't say that. The Bible doesn't say that. If the Bible says it. Get me the chapter and the verse. Get your Bible, get the chapter and the verse, you can't, because it doesn't say that. I'll give you the chapter and the verse. It doesn't say that. It doesn't say that. Get the chapter and the verse get you that. Thank you very much. KPFT iboating. Hi, Dave. Hi, Dave. How y'all doing tonight? Just getting

J

Jimmy Carper 33:49

very different tonight.

-- --

33:50

I just want to tell you a couple of quick things. Yeah. Last Sunday, the Houston Mission Church had its second anniversary. And the special guest was Chuck Lawson was here. I don't know if y'all remember. But back in 1981, he came to Houston to be the minister of the Metropolitan Community Church of restaurants. And he told us that he had just come down here when Harvey Milk got shot. And they let him go from Houston here back to San Francisco. And he had said he had just got after the memorial, and he had felt real bad about that. And came back after after that to Houston and he said this was like his honeymoon here when he was here in Houston at MCC. And it was really nice to see Chuck again. Yeah, and also until you couldn't get any machines to wash out the complex here in Montrose. So I went over to the We're staring over here on Stanford and a half on. Oh, yes. And they have an alleyway in the back. It even extends back at the radio station. Yes, they hadn't nice team from Houston proud out. Nice. Cleaning up, you know, brush and debris. Monkey hairy guy. Oh, wait, am I

Buddy Johnston 35:24

really hot. Listen, David. Thanks for calling. Thank you, baby. Bye bye. Okay. She's gone. That's okay. KPFT Hello. Hello. Yes. Hi, radio. Yes.

35:40

Okay. I'm heterosexual. Okay. Okay. And I want to say is this, I'm from a small town the first time I ever heard anything like this on the radio. And I tell you what, you guys are seriously wrong about everything you're saying? Granted, you have your own sexual preference. Okay.

Buddy Johnston 36:13

Selection, sexual orientation. That's what we say. But go ahead.

36:16

Okay. Anyway, it says, In the Bible, you're quoting the Bible. It says in the Bible, that no man shall lay down with another man and commit unnatural acts. And what you're doing is an unnatural act for you.

Buddy Johnston 36:33

It's an unnatural act.

36:38

You were talking about Sodom and Gomorrah? Sodom and Gomorrah was destroyed? No. They were practicing anal sex.

 Buddy Johnston 36:47

That doesn't say that. The Bible doesn't say that in the Bible. It doesn't say that in the Bible. No, I'm sorry. It does. In the Bible. What chapter and verse.

 36:57

I have no idea. Okay. I could tell you that, but I can't. I need

 Buddy Johnston 37:01

chapter and verse. They can't come up with the database because it's not there.

 37:08

Yes, it is the only reason they were able to run it. That's why they call it

 Buddy Johnston 37:13

No, Sodom and Gomorrah was destroyed because the people were not hospitable. Oh, that's Oh, I'm sorry. We gotta go. Because you can't shout obscenities on the radio. That's not my rule. That's the Federal Communications Commission. Sorry, ma'am. KPFT. Sure,

 37:33

I mean, it's Mark. Mark was the nurse. And I was listening. tended by accident, I guess. And I heard something about discrimination and police department. Yeah, I was never, I was never discriminated over again, a couple of times by a couple of doctors I work with. And normally when he sees me, my parents that I'm the girl. But then I was told by other nurses, dad, most doctors, they come and go and see me, you know, a number of male doctors. And I know personally that I was discriminated by a couple of by a couple of male doctors. But it was not a really big deal. For a professional person at work. At all, I think on top of my goddess, that little girl situation. Yes. Don't try to.

 Buddy Johnston 38:19

But if you even if you're not gay, and you're a little bit of feminine, you can get in trouble.

 38:24

But I am gay. And I don't show the record. I can help the way I look my face and my features, you know, and my hair. I tried to cut my hair several times and I have a natural girl walk. I call

my Marilyn Monroe. Malama Wawa. Yeah. But my supervisor and everybody else open me they don't do anything about it. He just, you know, ignore it, I guess.

 Jimmy Carper 38:46

Because they're interested in the job you do. Yeah, I'm

38:48

very efficient. Like I said, there you go. But But I have to work with the doctors, you know, close, close contact. And they seem to like me, most of them like me, but you know, they always talk about me. I think about me, that kind of thing. But there's always gonna be a couple. I know. I've had a couple of doctors. I've heard negative things about me. But

Buddy Johnston 39:09

listen, they're always going to be people that like you and don't know at that point, but you know what I mean?

Jimmy Carper 39:13

Just hang in there, baby. Thanks for people who know you count.

Buddy Johnston 39:17

Thanks for listening.

39:18

Okay, thank you.

Buddy Johnston 39:19

Sure. Kpf oops, that must have been my mother. Caller. Oh, my. Why did people have to get so angry? Jimmy?

Jimmy Carper 39:26

Well, because the idea there is when it comes to matters of faith. But we're not even talking about what Archie Bunker says when it comes to faith. Faith is something that no man in his right mind would believe. And that's exactly it. I just have to remind you that people pick and

choose what they want from the Bible. That's chapter and verse. There are other passages. I mean, you're not supposed to eat pork. What if you know that?

 Buddy Johnston 39:58

Yes, I do know that. But that's Jewish and Jews. No, no, no, no, no, no, no,

 Jimmy Carper 40:03

that's in the Bible. I

 Buddy Johnston 40:04

know. But the do not eat pork, the so called Christians would say that's a those are the same. I don't eat

 Jimmy Carper 40:10

pork, but any animal with the cloven hoof what you mean like deer, anything like that. These are

 Buddy Johnston 40:17

the same people who used to use the Bible to say that blacks were not allowed to do so absolutely, that women were not allowed to do certain things. You know what I'm saying? You can use that. Look what the church did during the Inquisition and the 1000s and 1000s of people that were murdered in the name of Jesus in the name of Jesus. Yeah, sure. KPFT. I just

 40:42

wanted to say one thing about the Bible.

 Jimmy Carper 40:45

Church, not that you be not you shall be made,

 40:52

it shall meet you again.

 Buddy Johnston 40:54

Are you reading that from the Bible?

 40:55

Now? It's something I learned a long time ago. Say hardwired?

 Buddy Johnston 40:59

Chapter and verse. No, and that's probably they don't want to hear that. Judge not lest ye be judged. That's right. Because I'm not doing anything wrong in their eyes. It's just I am right, and you are wrong. And that's the way it is. KPFT Hi, good

 41:15

morning. Hi. Um, I want to make a comment about, you know, hate and stuff like that. Yes. And I was just sitting here listening. I was wondering, you know, if, if being gay were supposed to be expelled from entering into heaven, wondering how God was sailed if, if I was straight and had a wife and was abusive to her. And my, my children,

 Jimmy Carper 41:44

like, so many Americans straight men. Farming, like so many Americans? Yeah, exactly.

 Buddy Johnston 41:50

I mean, you know, I thought about one time I could have gotten married and had a family, but what kind of life would that have been to been living a lie with a woman and have children and not be the father that those children should be? Yeah, exactly. What kind of life I think God would have hated me more.

 42:06

Yeah. Because I mean, if you know, I've lived you know, 27 years of my life loving you know, people and and I can see where God would will expel me from from heaven because I've share a bed with with someone of my own sex. You know,

 Buddy Johnston 42:25

if God wants to throw me out because I'm gay. That's he's the one that did this. Not me. Because if I did this, I wouldn't have a world full of so much hate. Yeah, you know what I mean?

42:36

Concentrate on on the you know, on the on what one believes instead of looking at the whole,

B

Buddy Johnston 42:42

I just think there's there's so much hate in the world. Why make it even any worse. Listen, thanks for calling. KPI. KPI. KPI. Wow. Okay, well so much for that. Listen, girl.

J

Jimmy Carper 42:58

We hear some music. You know some of this. It's called

43:01

for the straight folks who don't mind gays, but wish they weren't so blatant.

43:13

You know, some people got a lot of nerves. Sometimes I don't believe that things I see and hear. Have you met the woman who shocked by two women kissing and in the same breath tells you that she's pregnant. But gays shouldn't be blinded. Or the straight couple sits next to you in a movie. And he can't hear the dialogue because of the sound effects. But gays shouldn't be blatant. And the woman in your office, spend your whole lunch hour talking about her new bikini drawers, and how much her husband likes them. But gays shouldn't be blamed. Or the hip check in your class. rattling a mile a minute while you're trying to get stoned in the John about the camping trip she took with her musician boyfriend. But gays shouldn't be blatant. You go in a public bathroom and all over the walls. There's John loves very jealous digs. Richard Pepe loves the Loris, etc. But gays shouldn't be flaky. Or you go to an amusement park. And there's a tunnel of love and pictures. The streets painted on the front and grinning couples coming in and out. But gays shouldn't be blatant. Fact is blatant Heterosexuals are all over the place. Supermarkets, movies, at work in church, in books on television every day and night. Every place even in gay bars. And they want gay men and women to go hide in the closets. So do you straight folks? I say Sure. I'll go if you go to but I'm polite. So after you

44:56

go there's began with a routine police raid on a homosexual bars Stonewall on Christopher Street in the heart of the West Village

45:24

want you to savor this next moment Tascam deci official count of the LSVT

45:48

we must destroy the Miss ones and drawers shatter them we must continue to speak out and most importantly most importantly every gay person must come out

46:26

Now

47:12

you may come our

47:22

boots are being polished, trumpeters clean their horns, chains and locks forged the crusade has begun. Once again flags of Christ are unfurled and the dawn and cries of soul saviors sing apocalyptic on airwaves. Citizens good citizens all parade into voting booths and in self righteous sanctity X away our right to life. I do not believe that some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask Where will you be when they come? They will not come a mob rolling through the streets but quickly and quietly move into our homes to remove the evil the queerness that faggotry from their myths. They will not come clothed and brown and swastikas are buried and chest heavy with gleaming process. The time and need for such Rousses are over. They will come in business suits to buy your homes and bring bodies to fill your jobs. They will come in robes to rehabilitate and white coats to subjugate and where will you be when they come? Plan will we all be when they come and they will come? They will come because we are defined as opposite perverse, and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of subversion. Every time we heard I don't mind gays, but why must they be blatant? And said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the court rooms. It was an act of perversion. Every time we let stripes made out in our bars by we couldn't touch because of the laws. It was an act of perversion. Every time we put on the proper clothes to go to the family weddings and left our lovers at home. It was an act of perversion. Every time we heard who I go to bed with it's my personal choice. It's personal, not political and said nothing. It was an act of perversion. Every time we let straight through relatives bury our dead and push our lovers away. It was an act of perversion, and they will come for the pervert. And it won't matter if you're a homosexual, not a faggot, lesbians, not a dime, gay, not queer. It won't matter if you own your own business have a good job or an SSI. It won't matter if you're a black Chicano, Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls. It won't matter if you're rich or not into roles monogamous, non monogamous. It won't matter if you're a Catholic, Baptist, atheist, Jewish or MCC, they will come they will come to the cities and to the land to your front rooms and in your closets. They will come for the perverts and where will you be when they come?

52:18

As President as President of the Board of Supervisors, it's my duty to make this announcement.  
Both Mayor Moscone

52:32

and supervisor Harvey Milk

52:34

have been shot and

52:41

we're not in Kansas.

53:33

We must destroy the shattered we must continue to speak out. And most importantly, most importantly, every gay person must come out to KPFA come on out.

54:12

You must tell your immediate family you must tell your relatives you must tell your friends if indeed they are your friends, you must tell your neighbors you must tell the people you work with. You must tell the people in the stores and shopping

54:40

realized that we are indeed dead children and we are everywhere. Every every lie every new window will be destroyed once

54:53

and I asked

54:55

people to do one thing Come out, come out America.

**B** Buddy Johnston 55:06

Yes. What's the matter? Girl? You

**J** Jimmy Carper 55:08

look like you have a blank look on your face. Well, it's been an interesting evening. And it all goes to show that there is not separation of church and state in this country. There has to be separation of church and state in this country not according to all these phone calls we're getting people are trying to run their lives by religion.

**B** Buddy Johnston 55:27

But wait a minute, this country was built on the Constitution. Oh, and the Constitution guarantees us the right of separation of church and state.

**J** Jimmy Carper 55:37

So where is it? Where is what the separation? People are calling in and talking about religion, their religion, a religion? Well,

**B** Buddy Johnston 55:46

that's the we had one call First Corinthians, chapters six, verse nine. So if you have your Bibles, that's where you need to look. First Corinthians chapter six, verse nine,

**J** Jimmy Carper 56:00

what if you don't run your life by a Bible?

**B** Buddy Johnston 56:03

Then you're gonna go to hell marry. Your laughing?

**J** Jimmy Carper 56:09

The Bible is not the only religion in the world. And it is, by far, not not the biggest either.

**B** Buddy Johnston 56:17

Well, that's what some people think people like Jerry Falwell and Pat Robertson and the rest of

Well, that's what some people think people like Jerry Falwell, and Pat Robertson and the rest of us are gonna go to hell. So what we say doesn't matter anyway. So

J Jimmy Carper 56:26

if I don't believe in the Bible, I'm gonna go to hell no matter what. So being gay is just secondary.

B Buddy Johnston 56:32

So that yes, you're screwed before we even get started?

J Jimmy Carper 56:38

Well, that's quite amusing. And that said, we should get some calls on that. You're going to hell. I see.

B Buddy Johnston 56:46

And if you don't believe me, if you want to see how come with me to HPD tomorrow as

J Jimmy Carper 56:50

well, if people run their lives by the Bible, then women should be property. We shouldn't be eating bacon, and pork or deer meat or anything like that, plus any number of things that I've heard about because I have not read the Bible.

B Buddy Johnston 57:07

People are not living their lives by the Bible, people are extracting the parts that they like, and not reading the parts. They

J Jimmy Carper 57:15

don't. I see. And that's, so if you liked the part, then you can use that. But if you don't like the part, you can kind of discard it,

B Buddy Johnston 57:23

take that Bible up and throw it at somebody. They don't like he just hit him over the head with it. Well, isn't

J Jimmy Carper 57:27

that a good way to do it?

B Buddy Johnston 57:30

But there was one gentleman that called who was very nice, it said he was a truck driver. And he said, What about all this stuff that's written on the bathroom walls, but gay people don't write all that stuff on the walls. I said, and he said, You're right. Tell your people not to do it. I said, Well, who's going to tell your people not to do it? Yeah. I mean,

∅ 57:49

the people we arrest

B Buddy Johnston 57:52

for child molestation in this country, are usually family members, fathers, brothers, uncles, sisters, uncles. Yeah. of the children that are molested, right? Gay people don't have children. So we don't have them in the home to abuse. Yet we get blamed for the child abuse.

J Jimmy Carper 58:11

And by far, the child abusers are straight married man. Sorry. But that's the facts.

B Buddy Johnston 58:19

You can go down to the Houston Police Department or the FBI. And they have statistics on child abuse. Yes. Gay people do not abuse their wives because we don't have any. We don't go around beating up each other. The majority of those arrests are heterosexual. It's just like I say, he said, Well, what about taking your kids to the park? I don't want to take my niece to the park and see two men making out

J Jimmy Carper 58:45

I don't want my niece to the park and see a man and a woman making out a that's true.

B Buddy Johnston 58:50

But if a police officer drove into Memorial Park right now and found two men making out they would go to jail. If he found a boy and a girl making out they would probably laugh them out of the park and send them on their way. Yeah, that's the difference because he would exercise his

prejudice in deciding how to handle that situation. And that's what's not right. But thank God the Constitution if you do believe in God or not, is there and those decisions are made by the court, and not by Jerry Falwell and Pat Robinson. Are we would all be screwed? Anyway, it's 30 seconds before three o'clock in the morning you're listening to after hours. 90.1 FM KPFT Houston. We'll be back in just a second with a whole lot more music and possibly some more phone calls if we're up to it. So stay with us, please. Hey.
