Jimmy Carper 14:37

Great song for the gay and lesbian bisexual and transgender community free to be by RuPaul and that song is featured in Wake stock. Go see it. It's a lot of fun. And speaking of men and dresses or female impersonators or drag queens or what you know, whatever you want to call yourself or themselves? This is a song for Richard. He's been wanting to find out the name and the album and all of that kind of stuff. In fact, he stopped by just to get that information tonight. It's Mark Almond from the album 12 years of tears. And if you haven't seen a local entertainer Leash Ardon if you haven't seen him do this number. You haven't seen female impersonation. It'll blow you away. Lee short on doing what makes a man I'd like to say my song for those who dare to be different for those who have the conviction to be different in the face of adversity there's a lot of air around as well. Mark Allman what makes a man and now I'm gonna give you whiplash because although I'm staying on the same subject, I'm we're gonna go a little on the punk side. Yes, Edgar should be here, but he isn't. But my favorite local group is called boy girl. And they've got to tape out with neat stuff. And I haven't heard from him.
