And before that motorcycle but by special head that's on a new compilation called this way out. Before that we had a couple of tunes from pansy division that was for Richard also smells like queer spirit. And before that was real man, and started that set out with tune from boy girl called faggot. You're listening to a special three hour musical version of after hours. And I'm Jimmy Carper. It's it's a three hour QM Z queer music zone where we feature music by openly gay, lesbian, and bisexual and transgendered artists. And we still have time to get in your favorite queer music, give us a call at 526-573-8526 KPFT and request your favorite queer music. No, I don't have Bobby Short with me tonight. I do have Bobby Short but I just didn't bring it. So we're going to continue a little bit along the same route a little on the punk side and maybe kind of even it out up towards the the three o'clock mark and at three o'clock is Billy Gilbert show. Musical Chairs, musical chairs, it's moved from some strange time during the week to three o'clock Saturday night. Sunday morning, whatever. And it will be coming your way right at three. And until then we're still going to do lots of queer music for you. And this is a group called rumors of the big wave. It's a song that I played on lesbian and gay voices Thursday night. Yes, they're on at a new time 9pm to 11 and I kind of guessed engineered I guess you'd call it and got to play a couple of things. This is a song that I really like because it talks about a subject nobody in the queer community is talking about transmission of AIDS by by needle name of this group like I said is rumors of the big wave name of the song is needle full of dreams and one more from boy girl it's called punk rock boy Oh yeah Faith No More with we care a lot. And this is Jimmy Carper bringing you the best in queer music. Yes, Faith No More is well writing bottoms came out of the closet so we can include him on after hours with pride. And before that was local group boy girl doing punk rock boy now and a new one off of Jimmy Somerville is brand new album. It's called. Well the album is called dare to love and that's a pretty good song too. But this is a really nice pretty ha song for lovers.
