SPEAKERS

Peter, Glenn Holt, Michael Crawford

00:01

are going through these cathartic events in their early 20s as they look to become independent, responsible gay men who feel good about themselves and who feel that they can actually make a difference in their own community and not feel like they're just associated. And they'll do like they're and they're very isolated individuals who have no connection to the greater to the greater good. Well, you don't want that to happen.

Peter 00:21

No, I and why did you call it boys that worked in as opposed because you've used the word men a lot in trying to make him connected again?

Michael Crawford 00:31

Okay. fader fader fader fader, Pierre, we chose that name because we like it. We chose that name because we'd like

00:43

him boys,

Michael Crawford 00:43

you know, whatever. And it totally fits what we're trying to do. I mean, we're not trying to do something like, I don't know, some aid service organization that has to be serious and focus and have this big serious name like AIDS Foundation, Houston, we're trying to what we're

engaged in is community building. We're about bringing guys together to have a good time to share in love and sexual empowerment and the whole thing. Because I mean, it's also about a sense of fun. Yeah. And about enjoyment and simply being together as gay men.

01:13

Yes, I understand exactly what you're saying. Because that that type of thing scares off people. It really does. It really honestly does. And if they think they're gonna come and have fun and talk about it and maybe see a PAP or so you're doing okay, yay, hello.

01:36

Well, let's face it, why did act up in its original form, have so many people go to meetings, because there were so many hot boys and girls there because they thought they could speak up, the word was out, you could get a date their ACT UP meeting,

Michael Crawford 01:52

hello. And it was different from a lot of what was going on. I mean, that's why I originally got involved when I was, what 21 years old in political organizing, because it was fun, because it was exciting, because they were allowed out proud queers running around screaming and fighting for their lives.

02:10

You're older than you told me. 30

02:14

Because it wasn't providing the opportunity to do it was providing the opportunity to be empowered and to actually be a part of the process to manage change, to build community

02:22

for what's right. And I wish you all the luck and and the only thing I can tell you as an ancient person, you're not ancient, ancient and we

Michael Crawford 02:37

Oh, come on, you

02:38

know, I love you is that some people have to learn the experience on the road. There's some insurance you can't teach. Right? Right now you can teach this experience to a lot of people. But not, not every

02:50

No, but you're right. But but but the thing is, is that we're providing a space for people to provide to, they're going to make their own choices. But we at least one have want them to have the opportunity to be in a space for a forum where they can learn and listen to other gay men and make their own choices and talk about it and talk about their experiences. So this is very now

03:08

what we want to say is if you if you want to have a good opportunity of getting a date, be at the community center.

Michael Crawford 03:19

We want to say if you want to have a good opportunity to talk about other men about sex and what kind of sex we're having and possibly meet other hot boys. It's marketing,

03:27

honey, it's mark exactly.

Michael Crawford 03:30

We also want to I want to, like give a false impression of what we're trying to do. Well, I know.

03:36

Just one last one last thing is

Michael Crawford 03:37

once again, bareback sex and HIV prevention Monday, nine o'clock at the community

03:42

center Alex you got that serious look?

SECRET: ALSO, YOU GOT THAT SERIOUS LOOK.

03:45

No, no muscle. No, I'm also on the board of the Lesbian Gay community center. And I just want to know that I want I want people who haven't stopped by to you to really stop by and understand what this community stands for. It's about everybody. And we want we're, you know, we're really open to feedback into finding out what we can do what we can provide to the community. And it's a great resource in the fact that we were at a point in time where we actually we have we're collaborating with other agencies, and other foundations to continue providing services to the community. It's just it's a wonderful organization. I just, I would like people to have the opportunity to stop by it's 803 Hawthorne. And you know, and volunteer. As

04:27

a matter of fact, I was there last night, quality began at home had had their big round up, it was just a kind of a social thing. I played music for four hours, queer music for four hours at the community center. It was a lot of fun.

04:43

It is I mean, you know, it's I really implore the people you know, gays and lesbians out there, bisexual, transgender and transgendered to come out there and utilize the the community center because it is for everybody. Yeah, right.

04:55

Okay. Thank you guys.

04:58

Thanks. Yeah. Thanks, guys. Who?

Michael Crawford 05:01

Aren't we fabulous? Yes.

05:02

I'm gonna have to bring you on with Peter a lot more often.

Peter 05:07

Here to discuss, relax.

05:12

Okay, one more time. Monday night Monday night

M Michael Crawford 05:15

P Peter 05:39

Thanks, guys.

05:40

You can come back anytime you know

05:41

that's right. Especially when they're party

P Peter 05:48

Yeah, especially when they're hot and God knows we love it man. It's such a fun night tonight. The clown is running around taking orders for

06:01

wearing a pink tutu

P Peter 06:05

feathers crowd and I just gave her an order for our for our burger. The side order.

06:13

Actually, gonna have some lovely banana bread out there.

Peter 06:17

Yeah, well, I'm not gonna go there. But anyway,

06:19

why not?

06:21

Banana was it? Here?

Peter 06:24

We go. We got it. We've where do I want to start first? Hi. Well, I've got a couple of really hot ones for you. Well, I

06:32

could use one well, I'm gonna give you give me

Peter 06:37

those my Irish joke and I missed it. Oh. Now we can take those girls out of the loud studio. into the other room. Children are gonna yell and scream. Go eat the banana bread with boy. And in our little lounge.

06:58

We are having too much fun here in the studio.

07:01

It is always awkward word inside order.

P Peter 07:05

Anyway, get this. This is my Irish look. I've been waiting to tell you this. I wanted to take the father family. Oh, you're sitting in the confessional listening to confessions. And then comes a little, little little Tommy. And he says Bless me father for I have sinned. Don't you know it's been almost two months since been asked confession. And she's Robbie. That utami I don't see over there at all father tears. It's me. He's a military family. What have you done? He said, Well, Father is a diver. I've heard some gay sex in the last couple times. He said Oh, really? Now Tommy? Who was that with? Oh, no, father, I'm not going to tell you. It's anatomy. Was it with Shawn or OKC? No, no farther towards the Toronto Casey. They said well, no, it was it was it with was it was Tommy Odell. Is it on on or off other it wasn't with Tommy. And he goes on as I was with Patrick O'Brien. And he said no, no for that one. So he's one I admire your time if you're not telling me who it was with, but he said now, for your penance you need to be saying former fathers and for him as it is now. So go out there and be out in the churches kneel down same as firefighters fellas, buddy comes over to me. He goes, what did you get? He said, Well, I got for our fathers and forehead. Oh man. Reason three good leads

08:22

chose right up your alley.

08:23

That's my little Irish need to go to Confession more often.

P Peter 08:30

Arch Catholics. And this little boy goes and asked his daddy, what's the difference between the words potentially and realistically are? When the father is dead? Go ask your mom. she'd sleep with Robert Redford for million bucks. And he said then ask your sister if she'd sleep bad Brad Pitt for a million bucks. And then come back and tell me what you learned. So okay, goes off. He goes, Hey, man, would you sleep with Robert Redford for me? And of course, I would never pass up an opportunity like that. syllabi goes to sleep with bad Brad Pitt for a million dollars to grip like, Oh, my God, I'd love to do that. I would be nuts to pass up this opportunity. So laboy goes off for about two or three days. He thinks about this and he goes back to his father. And his dad says well, to find out the difference between potential and realistic. Or plus Yep. So potentially we're sitting on \$2 million. Realistically we're living with a couple of slots quick wins I had to get in there.

09:38

Fighting

P

Peter 09:42

standard Oh, and it says it's getting close to Easter. Yeah, just thought this one last religious job job guys. Well, last week, God and His Son and the Pope and Moses and the messenger Gabriel. They all got together for a very important meeting. I thought it was a card. Well, it well, right after cards and orders. Anyway they were they were troubled by President United States inappropriate behavior. So they decided that the only viable course of action left was to create an 11th commandment to get their message out. Yes. So the problem was faced and how the new commandment was going to be worded. So and that to be equal to all the other commandments and style and inspiration and after great meditation and discussion, they concluded that the 11th commandment should read. Thou shalt not comfort by rod with high staff. Wham Bam, yeah. Oh,

O

10:44

yeah. That was loud. That was that was. That was really loud.

O

10:47

I need to remind people that they are listening to after hours on KPFT Houston and ke O 's College Station. We are the sound of Texas.

P

Peter 10:57

We are we are a big word. We are all now I plan. I promised that before we got to long line to this thing that I would respond back to the baba. Oh, yes. Yes, yeah. Okay. So I told this joke about the bubbles in case y'all didn't hear it. And it was it was about logic and whatever. The bubbles go to school and, and they sign up for college. And so, to recap, one of them is taking logic and this guy's trying to explain what logic is a counselor and he says you own a weed eater. And of course, he said, Yeah, and then logically, he says, okay, he has a yard and a house and a wife finally comes to the fact he says in logic tell me you're heterosexual. And yet by him, I don't want this class. So it goes out and we asked his fellow Baba what he's taken. He said, Well, I'm taking English and history and logic, and he explains it. Yes, this Oh, Baba, are you on? You know, do you wanna waiting? And he goes, No. And then he calls him a faggot. Right? So that's great. So this person sent me they thought that was so funny. So speaking of assholes. That's how it starts. I said the bad word. Did you hear about about the baba? Well, Baba met a tragic death. And his two best buddies were called to the hospital to identify his remains. Well, the nurse called in the first buddy, and he looked at the body and said, Well, I can't tell. He said, Could you show me his bat? So they rolled Bub over and the buddy said, nope, nope, not him. So they called him the other buddy. And he said, Hmm, I'm not sure. Could you show me his band? And puzzle, the nurse said, Well, you know, I'm curious. How do you know it's Bubba by looking at this button? Well, so the first guy, he said, this guy only has one. And he said even more puzzled. The nurse said, well, most people do. He said, Yeah, the second buddy says, but but not Baba, everywhere we went with him. People would say Look, there goes Baba between those two. I'll let you fill in. That was for one of our fun listeners who said we like Bob.

13:08

Thank you. Thank you. Yes.

Peter 13:12

So and what do you like to talk about Mr. J? Oh, not

13:15

Peter 13:23

That's because he would stay home and get well I know,

13:27

I know. But I do have one or two little things. Okay. This is kind of a riddle. You have two

Peter 13:31

little things. It's a bunch of little things. You have

13:35

to fix. You have to guess. I'm gonna give you some clues. And you guess what I'm talking about? Okay. I'm spread before I'm eaten. Your tongue gets me off. People sometime. Look my nuts. What am I a bagel?

13:56

Peanut butter? Yes.

14:04

All day long. It's in and out. Day in and out. I discharged loads from my shaft. And both men and women go down on me. What am I

She leads him over to the side pool, lays him down in a towel pulls in eagerly down on her and lets him have his way with her. Wow. Well, Bob continues to explore the facilities. And he's looking at the golf course and here and there. And whenever he decides to go in for a sauna, so he goes in for assignment, and sits down and just just relaxing and just cuts this big fart. And within a few moments, within a few moments, this huge, horribly corpulent, very airy with a very large, firm erection comes tumbling out of the steam and says, Did you call me? No, no. waiting. Little, little swimming thing somewhere in you know, waiting to be come out. Speaking of waiting, waiting and coming out and yeah, doing whatever and swimming and whatever. And we found these wonderful little things these answers to from these very incredible kinds of people from all around the country. Okay. About why did the chicken cross the road? Oh, yes. Yes, yes. I've been wanting to age old answer about why did the chicken cross the road? Well, Pat Buchanan, of course, had an answer

∅ 34:35

that I heard they know what to say to

P Peter 34:38

him. Well, he has an answer and it was heavy Kevin's answer is why did the chicken cross the road to steal a job from a decent, hardworking American, rather. And Colonel Sanders response was yes, I missed one. Oh, isn't that the truth and Bill Gates's response to Why did the chicken cross the road? Was it Just released chicken coop 98 which will not only cross the road, but will lay eggs, file your important documents, balance your checkbook and then explore with an explicable part of an operating system. Way back in history Einstein answer the question Why did the chicken cross the road to the chicken really crossed the road? Or did the road move beneath a chicken? And Bill Clinton? His response was by your definition, I did not cross the road with any chicken. The chicken would mean to not cross the road so you see because the chicken did cross the road I was not a chicken and that means I have nothing to hide whatsoever. However, I did ask Vernon Jordan to find the chicken at job in New York. The LA Police Department's response to Why did the chicken cross the road is give us five minutes will that chicken and we'll find out?

∅ 35:55

Yeah, am sure they would find out? Yeah, they would.

P Peter 35:58

Richard Nixon's response was the chicken did not cross the road. I repeat the chicken did not cross any chickens. I've never known any chickens. And Ernest Hemingway. Everybody knows that. Way. His response to this is probably my all time favorite. Yeah. Why did the chicken cross the road? To Die In The Rain alone?

∅ 36:26

very earnest.

P

Peter 36:28

And when you ask your grandpa why the chicken cross the road? Yeah. He says in my day, we didn't ask why the chicken cross the road. Someone told us that the chicken cross the road and that was good enough for us. And if he asked Saddam Hussein it was an unprovoked act of rebellion and we are quite justified in dropping 50 pounds of nerve gas on that damn ticket. If you ask Ronald Reagan Yes. Oh my favorite Ronnie. Why did the chicken cross the road? His responses what chicken? Yeah, chicken here. And if you ask Captain Kirk filet chicken, Captain Kirk Yes, Captain James T.

∅

37:16

Kirk. You bet.

P

Peter 37:18

Why did the chicken cross the road? To Boldly Go?

∅

I had spring concert I write the songs over at the Jewish Community Center. You now let me tell you I wanted to go to welfare. Take the ticket. Sad 5601 Brace would know. So you know, there's North brides word and southbridge. I saw this little section that said just brace wood. And so I ran up one side and down the other and 45 minutes later. It's now five after eight. And I'm saying I don't know where this is. And so I finally look it

up in the phonebook. And it's 5601 South braise wood, which is right around Chimney Rock. That's where it is folks in case you know, you don't want to go there. Don't make my mistake. I just travel I put 50 miles on my car. Anyway, it was it was great. It was just wonderful. And they're having another performance tomorrow afternoon. Last week and the week before we gave out tickets. So those lucky people are getting to go for free. Tomorrow at 3pm at the Jewish Community Center, Kaplan theatre, Gay Men's Chorus of Houston. There was just a few seats left tonight. Wow, that's great. Yeah, they they pretty faint. They pretty well failed. And they start off with kind of classical songs from mostly gay composers. That was the whole idea. You know, like Franz Schubert. Well, yes, yes,

P

Peter 39:26

♂

39:29

And our Mr. Prime choice Yes, laser candidate is doing something they would we say tomorrow I'd be are no bad. Briarpatch. And I think on the second. Yes. The second at night. Haha. Yes. Yes. There's something and then there's something else on Saturday somewhere that I was in my book. I had an I forgot what it was. But it was something on Saturday, like a couple of three different things that we're all supposed to know about the Saturday. There's something on Saturday, I forgot what that was. I remember. Oh, no. But I was telling them the Who was I telling? I was telling somebody something. The people that are going to do the update on the news? Yeah, never. Yes. I had gotten some invites to the bunnies of the buyer thing, but I don't know that it got published. That. There. You can get a shuttle from Richard.

41:42

That's what the afterglow party. They've been doing the shuttle for quite some time. The afterglow parties

Peter 41:47

are riches. So when they're done, everybody goes to Rich's and dances like crazy because it's nice and cool. And yeah. And you can park your car there and then take downs. Fabulous and then come back there and there. Yeah. Saves you fighting the traffic downtime.

42:03

Yeah, like try. When you think you know, there's gonna be 4000 people going downtown, and they're going to be parking everywhere. Right. That sounds like a wonderful idea. Good plan. Yeah. And

42:13

they usually have party favors on the bus on the shuttle. Yeah.

42:22

Oh, those kinds of party paper. Yeah. Okay. Chicken.

42:31

Around, please do comment. Thank

42:32

you very much. We're running late.

Peter 42:34

Well, we'll always running. We had a long discussion from our wings is. So that means we'll have to save all of these wonderful things that we have on the new federal regulations that are going to be going on beer bottles. Oh, yes. Wonderful thing. We'll have to wait and save that for April. I guess that's April bear next month. And I want to make sure the big boy gets this little piece of glorious information right here. I'm pleased for you
