It's always good to end the show with a little bit of applause at the end there. This is the end of the after hours extended mix. Extended Cut I don't know what I've been calling it for the past hour and a half but it was nonetheless songs we played here did triple shot from Mark Allen Smith of the rainbow connection halfbreed and Hello Dolly and wrap that all up with a ratio Lemoore thanks to David Robert misters Eaton for sticking around with me and we're gonna turn it over and get the blues started a little earlier here today. Now it's been a while since I think after hours crew pass it off here to Big Daddy J. Kind of back you're back home here following up immediately. So it's time for the blues boys and girls
