08:29

That's like a lot of

08:32

Whoa, only 10 bucks.

Peter 08:34

I've spent more than that on no. Look, he just you missed it. He just showed us his tan line honey Christmas

08:40

08:54

And they do. Yeah.

08:56

Did you see? Did you see very many lays out there.

Peter 09:00

Ah, Justice husband. He said that was a marvelous trip. It was great. It was just a whole time can you believe this? We'd love it. After 20 years of marital bliss

09:15

I don't like to go across big bodies of water

09:19

he doesn't like to go across big bodies of water well if you're gonna go to Hawaii

Peter 09:24

you ain't got no choice road that goes that would almost that would almost keep you from going to Key West

09:38

okay well, I

09:42

don't like I despise flying. You know, I pop Dramamine like crazy. I cannot you know, and I cannot read and I do my best to sleep as much as possible. I hate flying. I despise it.

09:58

Oh yeah, well

10:01

You gotta you're gonna be on a blade longer than he was.

10:05

I get, you know, motion sickness really, really bad.

Peter 10:10

10:54 10:54

Really suffer from any of that I have a couple of cocktails and first time I flew to Rome I was sat next to this person has he ever done this before? And went now and they said, here's how you do it. First time the cart comes by get a cup of cocktails. Yeah. Then dinner comes along a little while later get two wines. After dinner when the cart comes by you get a brandy. You wake up in Rome, and you just don't you're just fine. And it works worked. It worked it worked it worked, saw a little bit of the movie and woke up in Rome and ran the day like it was after I got there baby. Other news in other news,

10:54

and then there is other news there is what I want to I know it's already happened but I'm just back and I want to give my heartfelt congratulations to Empress 14 Jennifer Ellsworth and Emperor 14 Buddy Thompson

11:10

that's the region after yeah region ever region,

11:14

the Royal Sovereign and imperial court of the single star. In fact, I saw I saw Buddy the other day

11:19

I was at the coronation. Did you see I even got the walk. I got a hint. Stepping down pin. Oh God, stepping down pin when the Emperor and Empress are finishing their reign. Yeah. Everyone in the community belongs to organizations that everything come in and pay their respects to the emperor and empress who were stepping down. And I went there and represented to patrol fantastic little pin

11:48

Neato. Yeah, that was a great year with Empress 13 and eight a man and Emperor 13 Jerel. McNeal, yes, they had a wonderful year. And I'm looking forward to another great year with Empress Jennifer and Emperor buddy region emperor. And region Emperor is because it was he was achieved Barney. It wasn't appointed because

12:14

it's appointed position because Giovanni passed away. Just before the election, right?

12:20

Everybody's a good worker.

12:22

Oh, buddy is fantastic. Yes.

12:25

Oh, the court does an awful lot for the community and providing

12:29

hundreds of 1000s of dollars over the years are incredible. In fact, last year, it was \$30,000 \$30,000. And this is mainly from shows done on weekends. You know, a couple of 100 here a couple of 100 there before you know, bucks,

12:50

gave a special award to Barbara Walker. Bobby's his second person to receive an award for rating on her shows. Over \$5,000 Whoa, okay, good. That's the second person to have ever received that award. Wonderful. Oh, great. It was it was really it was a very long carnation though that Oh,

Peter 13:14

I heard it took till people brought lunches and cots in the morning. Oh,

13:19

because I didn't have anything to eat.

13:22

And it's a lot shorter than it used to be. Oh, yeah.

13:25

Oh, I heard this was turn. It used to run two days. Well, I can believe Yeah, they thought this was from what I heard.

13:33

Ah, well, you know, everybody wants to get them to get involved in a wonderful organization. Just great. They are incredible.

13:40

I went to an awards banquet and the coronation. Two events. Eight days apart.

13:49

Yeah, that's right. Because it's one weekend and the next weekend.

13:51

Really? We have a lot of organizations out there. Yep.

13:56

It's just not racist. Well

14:03

I know they get mad at me but I call them the recipies

Peter 14:08

villian and it'd be fine fact coming up one of the groups it's just absolutely totally, absolutely incredible. We will see you next have their big ball coming up. Yes. Seven, seven their big ball by invitation only the crew of Olympus ball by invitation. And then you've got Knight Knight in black leather coming in let's see. Oh I want to say Louise come into but this is gonna be like March 14 is night black leather. I think well Lily weekend and Louise coming up, which is the 24th of March there's just loads of things.

14:54

So many and they all raise money basically.

14:57

Bunnies is coming because Easter is coming

⌚ 14:59
out. Yeah,

⌚ 15:00
on a sad

⌚ 15:02
on the sad note Yes.

⌚ 15:03
Eight Glynn Inklings is closing.

P Peter 15:07
Inklings is closed. Actually they're. They're moving. Big difference in closing and moving.

⌚ 15:13
Yeah, but they're moving to Salt Lake City

⌚ 15:15
that's in Utah.

⌚ 15:17
Well, they may just as well be closing

⌚ 15:20
Missionaries of the gay community.

⌚ 15:22

Well, it's been two women from Houston, who now live in Salt Lake City bought the store. And they're moving it to Salt Lake City because salt lake city does not have an alternative bookstore at all. Well,

15:39

I would guess not.

15:40

Yes, at but the community they're Mormon is very excited about getting one. And so I'm sure we're sorry to say we're really sorry to say Inklings close because it has always been more than a bookstore. Oh, yes. It has been an institution. It has been a lifeline for many women just coming out of the closet, or our women who don't go to bars because of because of the alcohol or the smoke, or it's just it can't be replaced actually, like

16:13

a franchise in other cities.

16:18

This never can tell.

16:20

You never know what's happening in the future. I talked with Pokey and she's looking forward to taking a couple of months off. And from there, who knows what kind of trouble she she'll get? Pokey hat is a longtime gay activist here in Houston. I mean, she was part of like the first gay pride parade. I mean, she was there at the beginning. So I don't think she's going to go away. See the back door is moving. None of the employees are moving.

Peter 16:52

Ah, yes. Well, then hope springs eternal. Absolutely.

16:56

All your

16:57

Christmas tapes.

J

Jimmy Carper 16:59

I know it that's the thing because they really have music there and music that any other store does not carry so it's gonna be a little tough.

♂

17:10

Speaking of same,

♂

17:12

speaking of music, I've got new music JD

♂

17:16

new music. Yes. And we're

♂

17:19

finally playing it Steve Cohen off his album silent too long. This is a very very good album. I've been listening to it at home and really enjoy it and I've got several favorites but this happens to be the big one. And you're listening to it on after hours on KPFT Houston and ke O 's College Station our number is And while you're

P

Peter 17:45

listening. Yeah, you can call in your pledges to 526-573-8526 KPFT and it's membership weekend kids we need your memberships and your money.

♂

17:56

And how big is it as I said it was a big one

♂

18:01

it is big as yes I better go to that CD

♂

18:07

right right do it. Oh, I didn't even I didn't put it in I

18:11

said but I did. program the machine.

Peter 18:15

Well, we're not going to go to it if we don't do well we're stretching as far as we can stretch your little thing he will make it

18:23

bigger.

18:24

The red button is on

18:26

your way go

18:32

there we went there we are.

18:38

That is hot music. That is good. And I say that because at my age this guy really reminds me of early Jackson Browne. Oh, yeah, you know, he's got a voice and really that kind of message and his music. Which I really really like. Really, in fact, I had been thinking about even though Jackson Browne has strayed. I've been thinking I had been thinking about playing some old Jackson Browne because of the wonderful messages and a lot of his early music. And here comes Stephen Cohen you know, to fill the bill

19:17

just in time

19:18

I know so we'll be playing more of him

19:22

in the future today or what well Oh,

19:25

it depends on how much money we get in.

19:28

Oh wow.

19:31

Not that I'm holding anyone hostage not

Peter 19:33

that we're holding you hostage but if you don't give us the money pretty soon we're not going to blend in things are too good. Well, you know, I got this little piece. I'm sure well, I wish I would have gotten a little piece I didn't get a little piece after. I'd love to have a little burrito but it just didn't happen

19:55

to that I want to talk about so A marathon stuff? Because Michelle Meyers Michelle Meyers, is who does the news with Roy? And who also is vice president of Q patrol and trans transgender leader in the community? And, and, and and has something to say?

Peter 20:26

Yeah, hi, my name is Michelle. And I'd like to take this opportunity to help you be and make a difference in the life of our community. That's now membership drive time on KPFT 90.1. FM, and this is f ours queer radio with editing. The question I'm sure you're asking is, how in the world can me joining KPFT as a member make any real difference? Well, what I'd like to do is try to explain to you how that's the case. Let's put it in perspective. Let's look at what it takes to run this radio station. one year's operating budget could be handled by the money that it takes to run 15 seconds of Superbowl commercial. Whoa, think about that. So in my opinion, the community radio that you're listening to now on KPFT, which is part of the Pacific network,

is the best value in town for the dollar, when compared to any other form of media. Where else can you hear such diversity of opinion, viewpoint and reporting? Overall, it's the least expensive and most inclusive expression of the media that we have here in Houston. But you're probably still asking how can my few dollars really go and make a big difference? Well, the thing to remember is that we sign people on here, one new member at a time, we don't get tons and tons of calls just one new member, there are around 90,000 People who listened to KPFT during the week, only 4500 of them are members of KPFT. That's just 5% of the listeners here and after hours, we're just trying to sign up a couple dozen new members. Already, you can begin to see that you can be a much larger percentage of this. And yes, I'll say select Group. But I really don't know how much my \$35 or my \$60 membership is all that significant, might be what you're thinking now. Well, then this is where my challenge comes into effect. If you join and become a member of KPFT in support of after hours tonight, I will personally add \$25 to what you are contributing. In addition, the company that I work for is one of those that matches employee donations to such causes KPFT. They match at one for one. So that's another \$25 for a total of \$50 in matching fund. So here's an opportunity that you should not pass up, you take your \$35 membership, and we can make it swell to 85. Tonight, for KPFT. If you're joining at the sixty.org level, that'll bring it to 110. That's money to KPFT in the name of after hours, you really can't beat that for value. So just call Eric code 713-526-5738. That's 526 KPFA. This is my challenge to you to be and make a difference in our community. Just call area code 713-526-5738. That's 526 KPFT and join the membership of KPFT. It supports after our radio with attitude.

24:07

Thank you, Michelle. That is fabulous. That is incredible. We'll make a lot of money.

Peter 24:12

This radio station you can make a difference. Yes, absolutely. You can you we walk we work in here. We come in here. Everyone has a voice. If you don't like what goes on in KPFT you can change it. Yes, you can send in money you can become a member you can come and work at this radio station. This is where you can make a difference. That's what you did. Michelle. Thank you.

24:38

Now we've got our holding online one. We've got the buddy Johnston, who just happens to be the originator of this show. He's calling from San Francisco and if I don't screw things up, we'll have him on the line in just a second. Okay, are you on The air Hi there it's the way things work around here. Oh girl. Hey, what's up?

25:10

Oh, San Francisco is San Francisco. How's things in Houston?

25:13

Wonderful. Well, a little chilly.

25:15

But I was checking my calendar and I figured it was time for marathon.

25:19

It is it's exactly right. It started a couple of days ago.

25:23

You know, the second program we did, and we started this show on September the sixth. That's an 87. That's right. Second program we did was a it was a marathon show. The very second and our guest that the guys from the game was mean switchboard.

25:39

Yes. Yes. Ron and Kevin. Yeah, yeah.

25:44

So Are things going? Great. How much money do we have to raise?

25:47

We have to raise only 300 bucks or 300? Isn't that incredible? Hello, I know, I will do more than that. And always in 15 minutes. We've already got almost half of that.

26:00

And I can't believe the show's going strong after over 10

26:04

over 10 years, you know, and it's it started out and it's just evolved it. And I think maybe that's why it has has been here for 10 years, because it's changed with the times that

26:15

25:15

have to change. Yeah. And one of the reasons I'm calling it is I'm in San Francisco. I live here now. And this is an incredible city. And I'm getting ready to do some independent radio work. So hopefully, you'll be hearing some things from me. I'm gonna be working with Greg Gordon and Lucia Chapelle

26:30

from Yeah, from this way out. Oh,

26:32

yeah. And you don't know when I might pop up on the air why? So the Okay, that you're listening and that you appreciate what you're hearing, pick up the phone and call? Because when we started this program, 10 years ago, we had no idea where we would go, or what would happen. That's right. And what's happened is, you have an A openly lesbian lady down there in City Hall now in form of a nice park. You betcha. A niece was on the air a long time ago trying to get elected. And I guess the folks at Houston finally got the message and put her in the office. Nice to know bad and things aren't changing. They're moving along there in Houston.

27:10

And on election night, she came by the station to thank all of the listeners who voted for

27:18

well, it's just real important. And this program is real important. And it's really important that you pledge because you're the one that can call, you're the one that can make a difference for this program. There are so many young people that listen to this show. And I know because I've got boxes and boxes of letters to prove it. That can't pick the phone up, and they can't call right now. And it's important for you to support those kids. And it just has to be done.

27:44

Maybe you haven't lost the your touch at all

27:46

right? And when we're asking for money, we're not talking to your neighbors or the people down the street. We're talking to you. So please do us a favor. Do me a favor and let me know that the name buddy still means a little bit of something. You bet you bet. Go to the phone and pick it up and make a pledge for me right now. It's 5265738 Or five to six KPFT in the station takes Visa Mastercard Discover. They'll work it out for you. I don't know what kind of premiums Jimmy's got special tonight. But I know he's got something great.

28:15

Now we've got movie tickets. Hey,

28:17

let me Yeah, movie are we gonna see?

28:20

It's called Happy Together? Oh, that sounds it's a story of two men who are lovers, Chinese men, and they traveled to Buenos Aires to mend the relationship?

28:30

Well, they don't have to tell you, you have to turn the TV on the scene. But the country is in sort of a troubled times. It always has been. And it always will be. But because of people like you and your support, things like this program, that means so much to so many people will continue. And it's only going to continue because of people like you.

28:50

And for about 90% of the people who are listening right now they know the name buddy Johnston. But there's 10% Who don't

28:57

nobody that knows me, please go to the phone and pick it up and call and make a pledge for me at 5265738 or 526 KPFT. This came to San Francisco to do work not to help San Francisco because we're on top of the food chain out here. Pretty much kids even back in Houston and outside of Houston and outside of Galveston outside of Aliev outside of college station, all those folks that look at you in the Montrose and want to be there. This is like some folks look at San Francisco and want to be here no matter where you are. Or no matter who you are. Tonight, you can make a difference in someone's life. Simply by picking up the phone and calling in a pledge and making this station buzz and keep it on the air. And that's what it takes people like you. So please give us a call at 526-573-8526 KPFT. I want to know that somebody made a pledge from me, Jim. Okay. And I want you to play some peppy music I'm in fact I'm on the internet. Right Right now talking to folks in Houston. And one of the guys said to play some peppy music, so I don't know what you have there. Well,

30:09

.....

Rainbow Decleor is in the station

30:13

\$300 is not that much money. And I know that the gay and lesbian community in Houston can come up with a whole lot more than \$300 Oh, yeah, in the message to the staff and the management folks there at the station. We used to do it every marathon. But please go to the phone and pick it up and call and support Jimmy and all the folks that keep the show going. It means a lot to me. And I know it means a lot to Jimmy. And you'll be you'll be doing a lot for the for the young kids that can't do it. Five to 657385 to six KPFT. That's the number to call.

30:46

Thanks, buddy.

30:47

Sure. play me a song.

30:49

I will do it right now.

30:50

I'll talk to you later. Stay tuned and keep calling the station keep making those pledges. To me, as soon as I get the recorders going with Lucien Greg, you'll be getting tape. Oh, who knows what's going to happen? There's a lot of wonderful things. Getting ready happened just in San Francisco last November, we put up a 73 foot flagpole at the Harvey Milk station here at the muni station when the underground runs at Harvey Milk Plaza to commemorate the election of Harvey Milk is the first openly gay person elected to public office here. And as
