SUMMARY KEYWORDS

day, hawaii, theater, year, happen, michelle, movie tickets, written, god, che, chinese, cents, arkansas, nomination, give, good, buddy, involved, woman, play

SPEAKERS

Peter, Michelle Meyers, Jimmy Carper

 Jimmy Carper 00:00

My point is, who cares? Where somebody puts their penis? What? What does?

 Peter 00:08

Who cares? Or how many times get a home job or? I mean, it's like

 Jimmy Carper 00:12

does that have to do with governing? Well, the

 Peter 00:15

bottom line is if the economy is the best shape it's been in and he is unemployment is down. Yes, prices are down. Gas prices are down. Yeah. I mean, everything is cool. And so all of a sudden, we've got to find something. So I really don't give a damn where he sticks his thing, or who's stuck on it. Or whatever is going down how many times now we got a little problem if you've if you've asked people to lie under oath. I could see where people could get a little crazy on that but the rest of this shit, let him run the country. And you know, if you had a Wi Fi killer, you'd probably have no way did you hear about the heat? These guys got this new dog.

 Jimmy Carper 00:50

Yes, buddy, buddy. Here we go. Here we go. Guard was

 Peter 00:54

standing the guard was standing at one of those official White House guards was standing there and buddy in the president come by and and the guard says nice dog. And presses. Yeah. He said his name's buddy goes nice name. And he goes yeah, he says I got it for Hillary nice trade. But being the fact that the President was from Arkansas, I figured I just had to do a little Arkansas piece. Have you heard this?

J Jimmy Carper 01:30

Probably not.

P Peter 01:31

Well, this is a letter that could have been written from any mother in Arkansas. Oh, okay. So written. It's written to her son. A mother's writing. An Arkansas mother, okay is writing to her son. Okay. And it says I'm writing this real slow because I know you can't read real fine. We don't live where we did when you left. Your daddy read in the newspaper that most accidents happen within 20 miles of home so we moved. I won't be able to send you the address because the last Arkansas family that lived here took the numbers off the house with them for their next house so they wouldn't have to change their address. The place has a washing machine. The first day I put in four shirts and pull the chain and I ain't seen him saying it only rained twice this week, three days the first time and for the second. You know the coat that you wanted me to send you well, Aunt Sue said it'd be too heavy if we send it in the mail with him heavy buttons on so we cut them off and put them in the pocket. We got a letter from the funeral home they said if we don't make the last payment on grandma's funeral bill up she comes. Your sister had a baby this morning. And I heard whether it's a boy or girl so I don't know if you're an uncle or an aunt. Your uncle John fell in a whiskey valves. A man tried to pull him out but he fought him off so he drowned. We had him cremated and he burned for three days. Three your friends went off the bridge in a pickup. One the one was driving and the two was in the back. Driver got out. He rolled down the wind and swam to safety. The two in the back drown they couldn't get the tailgate down. Now much new here. Nothing much is happening. Love your mama. Pay yes I would have sent money but I already sealed the envelope. I love Arkansas humor in honor of our president who's going through a lot of tough times keeping his zipper up.

03:48

For the president for oral sex you do not send a dress you always send jewelry. Give jewelry. Never address.

P Peter 03:57

Draft never a rainbow no this to always, always give jewelry.

J Jimmy Carper 04:05

Maybe that's why I have so much of it. Jewelry.

P

Peter 04:11

She's still licking your \$10 bill. Oh, thank God we're not on video radio. Oh, dear Jesus. We have seen in the studio tonight. Ladies and gentlemen. We thought that Dan line from the friend Mr. Jimmy and his trip to Hawaii. And we're now seeing the front of this change. Oh, it's playing at the landmark Greenway theater from Friday, January 30. through Thursday, February 5. Short engagement short engagement. Happy Together is the story of two men who are lovers Hopko wing and lie you pay. Oh, you're Chinese and their travels to Buenos Aires to try to mend the relationship? Which I think I'm in Hong Kong.

P

Peter 08:28

Why didn't they go to Philippines? I don't know why he could have been. Well, it's Chinese.

J

Jimmy Carper 08:37

Take them out of

P

Peter 08:38

their out of their environment. I gotcha.

J

Jimmy Carper 08:40

They have a quarrel on one of their trips and breakups seemingly indefinitely. So lives continue to intersect between Hong Kong and Buenos Aires and to descend along unusual paths. The film is stylishly shot and is in Spanish and Chinese with English subtitles. That must be very confusing.

P

Peter 09:01

J

I really like that stuff. I like her. Yeah, it's kind of hokey, but it's you know, it's snappy. It's not you know,

o

13:08

J

J

P

Peter 14:14

I was invited to make that I was out doing with a cake

J

Jimmy Carper 14:17

Okay, yeah, I'm reading 10 ways you know you're getting older you know you are getting a little Hey little older there baby. Well,

J

Jimmy Carper 15:18

I will admit, I'm I'm not ashamed of my age. This was the big one.

J

Jimmy Carper 16:47

P

Peter 16:48

Oh don't why the first three days I went when I thought I was gonna throw up every time I move my head

J

P

Peter 16:58

J Jimmy Carper 17:01

P Peter 17:02
Oh no there was no corners on anything I and you turn or look at a part of that were used were guys and see part of it and there would be it would wave and go oh yeah. He knows Jen.

Ω 17:38

P Peter 17:43
Anyway anyways, so we that's when you get your head held high because you're trying to use your bifocals you turn the lights out for economic reasons rather than romantic ones

J Jimmy Carper 17:55
actually turn brighter

P Peter 18:02
Well, some of us look better in the dark that's the truth. You regret all those mistakes you regret all those mistakes resisting temptations

J Jimmy Carper 18:14
Oh yes. Oh I've always written yeah

P Peter 18:19
I and a fortune teller offers to read your face Oh, that's cruel. And finally the number one way you know you're growing old is when you're back goes out more than you do. That was our little

J Jimmy Carper 18:39

birthday wish for thank you so much

P Peter 18:43

had written that is freshly found each and every one of those priceless little dumb

J Jimmy Carper 18:47

what's hateful is that some of those are true

P Peter 18:51

Hey, listen Been there done that already the fun and games that the big make Yeah. So anyway, you know I wonder how our little Colin things are doing and where we are. I

J Jimmy Carper 19:06

have no idea. I haven't talked to the lobby at all

P Peter 19:09

we need we need to get a report here. From from somebody telling us where we are.

J Jimmy Carper 19:16

No, we're not getting phone calls. We aren't we're not getting

P Peter 19:20

any phone calls. Now. It's too damn cold out for everybody to be out so that everybody's gotta be okay. So till we got nobody to take take up on the tickets either for the movie.

J Jimmy Carper 19:30

Anybody calling for movie tickets? Now they're afraid that we're gonna ask them for money.

P Peter 19:35

Listen, now this is a freebie kids free movie tickets to Jimmy RIGHT? Explain the movie. Don't have to give it a nation. This is a little gift because he loves you. Five to 65738526 KPFT Well, I

J

Jimmy Carper 19:49

want Michelle to explain again, just what she is doing tonight.

P

Peter 19:54

Well she's doing this matching thing but if we could get these collars to do The second call, we'll just do that, and we'll give them these movie tickets. thing and then maybe other kindness and generosity, their heart who knows other people may call in and want to donate a little bit of the things in the Michelle can match my hero phone ring. Dear Jesus, thank you for breaking five

J

Jimmy Carper 20:16

to 65738. So what's going on Michelle?

M

Michelle Meyers 20:21

Well, I haven't had to answer any of the phones yet tonight. And I'm Ooh, surprise. Anyway, let me repeat, if you join at the \$35 level, that's basic membership. I will put in 25, the company that that I work for, we'll match that with another 25 to 35 becomes \$85 to KPFT. In the name of after hours. That's fantastic.

P

Peter 20:50

Which we definitely need because we're already partway through the show. We haven't

J

Jimmy Carper 20:54

made anything. Wow. Now we've got a couple.

P

Peter 20:58

We got the \$10. You sucked out of that. Oh, nevermind.

J

Jimmy Carper 21:01

Go on. Michelle. If

M

Michelle Meyers 21:02

MICHELLE MEYERS 21:02

and if you contribute at the \$60 level, that 60 plus 50 is 110 to KPFT. Right? That's a way to really make it count. So do we have there's a little note can come in? Yes. Go okay. So I clean oh my god, we're gonna remember this. This is the way that you can make a difference. This is the way that you can become a member of KPFT Contribute to your community contribute to the diversity to views from different standpoints. That's right, different reporting.

Jimmy Carper 21:41

This show you heard buddy Johnston in the beginning of the show, if you've been listening for any length of time, and when buddy is first started this show, it was pretty basically a gay male show. And then we got some lesbians involved. And then buddy left. And we pretty much had different people involved on a monthly basis. They come in once a month, and we would have gays gay men, and we have we have lesbians coming in and doing things. And then about three and a half years ago, we got transgenders, and Eric apama came on and bisexuals involved.

Michelle Meyers 22:23

Jane, right. With BiNet.

Jimmy Carper 22:26

We have leather people involved. We have teens involved, the hatch

Michelle Meyers 22:31

catcher is fantastic. Yes. So else can where else can kids come in and talk about the way they feel? The way they're being treated? How to Have Fun. Everything under the sun. Right. Right now, affecting the young community today.

Jimmy Carper 22:48

Yes, because it's very different from when we were there. Oh, yes. It's very different from when anyone who's in their 20s was a teenager?

Michelle Meyers 22:57

Yeah, I mean,

Peter 22:58

here. You're 50 It's even. I had to bring that up. Where you told us you came out when you

were forced this thing, how different it is, some 46 years ago, when you decided at four years old? It's a big difference. And people are going for Yeah, he told us the story. Yes. To fund for word.

J Jimmy Carper 23:15

I was playing with a little four year old guy down the block. And every year after you know, it was our mothers caught us. And then we couldn't see each other anymore. But then I started to kindergarten. And every year I fell in love with some boy in my class every year.

P Peter 23:33

And I bet you it's some of that might be the same today. But this many years later, but

J Jimmy Carper 23:39

back then there was no information, no books, no bookstores, no radio program. Nobody would dare nobody was out on TV. Oh, nobody talked about it. And so when I was 15 years old, and I had been practicing for very, yes. Yeah, since I was four, actually. Somebody sat me down and said, Well, you know, there's this thing about homosexuality and guys like guys and women like women. And it was like this revelation, I knew what I was, I knew where I belonged. And it's different. You don't have to wait till you're 1516 years old to know about gay life, or about transgendered life or about being bisexual,

P Peter 24:30

or leathers are all kinds of things. And I think it's so wonder why this is a forum where people can hear real life game people talk about and play music and talk about things and just have fun, and chit chat and do whatever and you can do that you can be a simple \$35 member and get the bonus from the company and from Michelle all for not think that'd be 99 cents. A day. Yeah, if you're new to 30, find out the nine cents a day. But you can't buy a damn thing for nine cents. I mean, you don't sell penny candy for nine cents anymore. So I mean, what the hell are you going to do with your nine cents? Yeah.

J Jimmy Carper 25:14

So you know, 35. So take

P Peter 25:17

nine cents a day st and \$35 membership plus another 25 plus another 25. Boom,

J Jimmy Carper 25:23

J Jimmy Carper 25:25

or enroll if you'd like. Because with \$60, you get a t shirt, or a mousepad or a mug for four \$90. You get two T shirts, or a CD case? And when you get up to that level, you know,

P Peter 25:41

150 get a briefcase. Yeah. Oh, and

∅ 25:46

a letter from the KPFT with a income tax statement that I can send to my income tax right to do that. Right?

J Jimmy Carper 25:55

Yes, because it is times got to do that it is tax deductible. And when you get up to the higher, you know, 90 \$150, you may want to do that on electronic funds transfer, right. And that can happen where they you know, they take five or \$10 or however it works out out of your checking account each month, just automatically. It's, you know, people do that all the time now with with light bills and phone bills, and, you know, it's just, it's just an automatic thing, you don't have to worry about it. And, you know, five, \$10 You never even miss it. You're doing a lot for the station, plus

M Michelle Meyers 26:34

and yourself. Plus, I mean, the station isn't anything, it's part of the community. This is community radio. That's right. And we're part of that community.

J Jimmy Carper 26:44

And whatever, you know, whatever you you pledge, Michelle's gonna match that with her \$25 and her company's \$25. So you know, it's like, whatever you whatever you have, it's like 50 bucks more now. That's pretty damn good.

P Peter 27:02

I think so. Yeah. Let's give the number 526-573-8526 KPFT. And did we have a winner?

J Jimmy Carper 27:11

We have a winner for Yes. For one of the movie tickets. Movie tickets. Gary's gonna get those. I'll send them out Monday. Gary, yes. All right. And we'll see you know, if you want to call in for I've got other pairs at 5265738 or your pledge of support at 526-573-8526 que PFT

P

Peter 27:37

and is the orange little piece anything that we have to talk about the little orange piece of papers are something that we need to chat about. Pen and paper Oh, that the boy. And everybody was going to do the news in a while they said everybody, they're going to give you all kinds of important information. So you need to have your pens and papers ready to write stuff down. And that kind of important.

o

28:07

Labor transfer works you know, how do we how do we call that transfer

J

Jimmy Carper 28:12

where the electronic funds or funds transferred what

o

28:16

they do is they just automatically warm they send you a form to your to your home, and then you fill out two checks. I think they're both voided or something like that. And that's how it works. You send it back to the KPFT and they take care of

P

Peter 28:30

automatically comes right out just there it is not too bad.

o

28:36

It only involves two checks and I think they're both voided but they just automatically come
Yeah, they just

J

Jimmy Carper 28:41

they just

P

Peter 28:43

they just need that for numbers and then every every last month it's just a gone then girl don't even know it you can you have bank charges to be more expensive than nine cents a day.

J Jimmy Carper 28:56

Really my daughter but really it's incredible. Really

♀ 29:01

I'm doing that with a lot of things my insurance everything if I don't have to write a check and I get my cable TV everything is

P Peter 29:10

auto automatic yeah set to make sure you put something in

♀ 29:19

That's right baby. It's funny how that way things are changing anymore you know pretty soon you won't even need a checkbook you won't need this your use your fingerprints you go the store just dropped you know.

P Peter 29:32

scary thought. We're worried about Billy's wiener. I'm worried your ATM card down is but that is a good story. Oh, you should have seen him going on down at Hallo Kahuna Hoonah. We just got a post evidently oh the postcard the mailman just brought the postcard for From Hawaii that Jimmy's sent while he was there for his 12 Day tan line special

J Jimmy Carper 30:06

what's on the front? I forgot?

P Peter 30:09

Who know Whoa, yeah, why?

J Jimmy Carper 30:14

A little long cloth and a big ole around his neck. Oh,

P Peter 30:18

but then I got them. I was just like any Hispanic man, I'd love to be well,

J Jimmy Carper 30:23

you see, the thing about is that boys clubs, you know, the interesting thing about a why there is no majority of people. No, no one, no one. race of people isn't a majority. Everyone is a minority in Hawaii. You've got the Hawaiians, and you've got you've got Filipinos, you've got Chinese, you've got Japanese, you've got you've got white people. And then you've got mixtures of everybody, because there's been all kinds of intermarriage. So there is no majority, that's probably why the, the the marriage thing may work over there. Because these are people who have all their life. They've learned how to get along with each other. Now, it makes good sense. Now, you know, it on the outside, we're saying they all get along. Now, you know, some people have problems with other people. And you know, that's going to happen throughout life. For the most part, it's a live and let live situation over there. That's cool. That's probably a problem. And about the only people who are up in arms against the marriage are religious organizations.

P Peter 31:43

Well, now, how did we know that that would ever happen? Wow. Now let's see, you know, oh, God,

J Jimmy Carper 31:54

because like the last poll that was taken that 44% of the people in Hawaii favored same sex marriage. And it's a high percentage, there's something like 2020 some percent of the people just weren't sure because I didn't have all the facts. A very small percentage are against it. It's a wonderful place.

P Peter 32:19

Well, I think we should all go back and do the show. From there. just nail it in once a week. Actually,

J Jimmy Carper 32:24

they have a weekly cable access show. Two of them as a matter of fact. They've got five access cable access stations.

⌚ 32:37

Gay cable access. No, no, no. Just cable access.

J Jimmy Carper 32:41

Yes, five in Hawaii. And they also have less population in all of the islands, then the city has.

P Peter 32:54

Well, we should just go mail in the show once a week. Do our membership legend. Drink funny little drinks with umbrellas and shit. Just let it go. Just gotta have to slap her. Please, please, please do the only side.

J Jimmy Carper 33:14

Five to 60738 You're listening to after hours on KPFT Houston and KEOS college station

P Peter 33:21

out there. And for all you in radio land. New flash. We're having a hot flash. I I'm all too but if it's too cold out for those. This is we have a review. Just just saw teridax tiles. pterodactyl it's a new play that opened at the masquerade theater on West 11. Oh, yeah. Just just just just east of Shepherd just a few blocks east a shepherd masquerade theater. incredible new play opened last night called tear ductile. What's it fabulous. It's God, I'd be really hard pressed to. I don't want that's a great show. But I can't tell you well, all right, I can. Wow. All right. I just happened to have the playbill here in my very grubby

J Jimmy Carper 34:15

little pony and now

P Peter 34:18

it's playing the 23rd which was last night through February 28. It's only has like about five people in the whole play. I'm sure that a number of them are community and members of the club I see and it's really kind of a an it's, it's so funny. It's a family situation. A mom a dad, a brother's sister. And another guy who's going to be the fiancee, the sister but ends up falling in love with the brother. Wow. And, oh, it's a fabric and some of the lines in it are just absolutely hysterical. I mean, the audience was just rolling. I mean, rollin, there was just some incredible things. And some of it is so close to home, that it's also very serious. And it deals with some aids issues. It deals with a lot of stuff like that. Yeah. And some very serious heavy stuff. But it's so fast and so furious that it's, it's just funny, funny, funny. And maybe I said, The woman in this thing is she's wonderful. The mother and she's, they're all excellent. And this really played their parts. Well. God reminded me that I said I could went to the show tonight. Just say bringing my mother down. Because it was like, Oh, my God, John, it was like, well, it was it was really, really good. And the guy that it's it's pre Broadway, I think it's going to two Broadway, Broadway. Oh, really? Yeah. Yeah. It really is good. And Chris Jemison, who was? Oh, yeah, he's the director. And he were asked for

J Jimmy Carper 36:18

many years at at the Montrose clinic.

P Peter 36:23

Yes. And I think now as chair of the board, if I'm not mistaken, I'm not sure. I think about that true. And he was in the recent production of Torch Song Trilogy that they did at the same theater, which really, really was fabulous. That was excellent. And this play is really, really good. So I can't tell you any big theater. Now, masquerade is not a big theater at all. None No, no, it's a very, I mean, small theater is

J Jimmy Carper 36:49

about the size of theater lab or

P Peter 36:54

Yeah, I'd say a little bigger than theater lab. Okay, just a bit. There's three sides. three sides, three rows, four rows, Max. Okay, so longer. But yo, very intimate theater, very intimate theater and very, very fun. And you can bring your cocktails and beverages into the theater with you. I mean that your bring them in from the outside, but they have them there for you to buy and you can take them inside, have coffee, or wine or whatever they happen to be selling their cookies in. And it's really, and the play is very good. And teridax which you know, is a core big dinosaur thing.

J Jimmy Carper 37:37

There's a flying one.

P Peter 37:38

Yes. As a matter of fact, that was it the beginning of the second act I was going What in God's earth does this dinosaur thing have to do with anything outside of the beginning there? They're given this guy has given us a rap about dinosaurs, and it's all screwed up. It's really funny. But I'm thinking where is this going? And by the end of the play right toward the end, boy, it just bam, right? That's right in the eyes. And then it's about the dinosaurs dying off and how that may have happened. And this whole family in you know, having their it's a very parallel kind of thing. So it really is. I thought it was just wonderful. I just thought it was wonderful. That's great. That's great. Everybody needs to run up to man that's great theater between now and when I say February they gotta hold mine. Yeah. Oh, it's good. Really good. Cool. high acclaim you got anything else? Oh, that's one of the things I had let's see.

I will nominations are accepted from I'm reading from a glowing with pride the quarterly published newsletter by the Houston Lesbian and Gay Pride committee. Nominations are accepted from the community at large. Each nomination must be submitted in writing and should contain a summary of the nominees qualifications. Each person person nominating an individual or group will be asked to give a short speech of their non nominees qualifications or the written nomination may be read aloud. Nominees must be aware and have and accept the nomination in person at a general meeting or in writing submitted to the committee. That's all it has to be and a male and female or even group so I was surprised and a group because the crew of Olympus was true that was last Yes.

 43:08

 43:38
