And long enough of all the creatures that walk on the earth, fly in the sky and swim in the sea, from Texas to Japan, and Korea to Cheyenne, lowest in my opinion. Let me tell you about men, the Almighty gave them just enough brains to make fools of themselves men. Most of them have nothing oh everybody and leave the rest to charity men. There's only one thing in the world worse than a man and that's his father met with a woman alive as a last resort with a man it's first day men are the only animals that eat when they're not hungry. Drink when they're not thirsty and are ready to you know what, any hour of the day or night men the more I think about him the more I like dogs girls, the best way to vitamins with your hat, rabbit and run. Do you hear do your hair up to hear it I hear men. They were born to lie and women were born to believe them men. They were invented to give women an enemy men. The worst advice you can give a man is to tell him to be himself men. The only promises men can keep our promises they never make sure tell him how good they are. They'll listen for hours. Tell him the truth. They're often a cloud of dust. Men. They're fed by cattle close by sheep protected by dogs and imitated by monkeys. The way I see it they have to fault everything they say and everything they do. No Man is Man handling me I'm laying down the law. First Man Who dare show his face I'm showing him the door. Yes sir. This girl is sleeping single she's through with men. She knows exactly what she can do with men. No thumb and boots is lacing up my life. To think I once thought if these dumb fellas wife, I'd rather eat with hog I'd rather sleep with skunks. I'd sooner kiss a rattlesnake than any man

- B** Buddy Johnston 13:06
Remember the next time you hear Weezer Boudreau, what did she say? She said, What did she say? I mean of the most hateful.
- J** Jimmy Carper 13:14

- B** Buddy Johnston 13:34
Did you see Steel Magnolias? Yes, I did. That's where we got this from anyway, but it's the funniest movie.
- J** Jimmy Carper 13:40
I have some other great lines too.
- B** Buddy Johnston 13:43
And a friend of mine just moved here from Beaumont a very different and he rented an

apartment here in the Montrose and he had track lighting.

 Jimmy Carper 13:52

Now all he has to do is get a roommate named Steve just

 Buddy Johnston 13:54

put in he better not get any room. Oh, anyway, it was put in by Mark because Steve, aha men are the most that is a funny movie. That

 Jimmy Carper 14:05

is funny. I like the other line too. Which one? He is evil and must be destroyed. He is evil and he must be destroyed. It's so applicable to so many people that I

 Buddy Johnston 14:16

know that I will not mention the names some of whom will never man

 Jimmy Carper 14:24

we're gonna say Great play another song

 14:26

Okay. States of America. People, the United States of America. The people of the United States of America. People. In Hollywood dogs are 21 and older people then police out their cars to people coming into clubs, and they still arrested us for performing in front of adults. Whether you did it This is not America. This is not China. This is not Russia. This is not the place where they brought down the wall. This is America, we have the right to say what we want to say we have the right to do what we want to do and what I do in my house, you might not do in your house. So what I do in my house is my business. And the simple fact of it all is that we are bonded by the First Amendment, we have the freedom of expression, we have the freedom of choice, and Chinese black green, purple Jews have the right to listen to whoever you want to even to laugh to laugh you right wing us left wing bigots communists there is a place for you in this world because this is the land of the free the home of the brain and to live as what we are.

 Buddy Johnston 16:15

Oh, yes. Oh, I love that to live Korea. Maybe they was banned in the USA Well, at least in Florida can imagine. You know,

J Jimmy Carper 16:24
that's where they recorded that album to this not that the original as nasty as they wanted.

B Buddy Johnston 16:30
Yeah. But he's right. He recorded two versions one nasty as they want to be in one just man here it is just

J Jimmy Carper 16:36
the clean version. Yeah. Till band dance with incredible accuracy here. I

B Buddy Johnston 16:41
think it's incredible that Oh, well. It is incredible. And you know, they want to ban us.

J Jimmy Carper 16:46
But but this is this band in the USA is one of the finest examples for free speech. I've heard in a long time.

B Buddy Johnston 16:55
Incredible stuff. Yeah. Speaking of incredible stuff. And now a review of our commitment. Oh, girl. No, Rogers got it. We don't have this way out. I'm sorry. Yeah. Tape. just screwed up. When we got is with the feed we didn't get from LA. But that's another story. Yeah. We'll make it up to you. I'll sing the national anthem as bad as Roseanne Barr did.

J Jimmy Carper 17:21
Are we going to do the other thing she did too? What did she do? Scratch your crotch and spit? Did she? know Oh, good. Did she do that? She really did that. After she did that. Yeah. She had planned on doing that. Oh, no, John. Yeah.

B Buddy Johnston 17:44
Wow. But anyway, we said earlier that we've been doing this for three days. Three days, three weeks? Three months. Three years? Oh, my God. Three years? Yeah. And it's all volunteer. Yeah, we don't get paid. We just pull ourselves out on the griddle every day. We get paid maybe every time I get a letter from you. It's payment. No, that's right. Every time I see your

smile on the parade is walking down Westheimer payment in full. You retire time you call me and say would you play a record? For me? It's payment in full. Every time we say you're the 10th caller and the phones light up just like they did a few minutes ago. It's payment in full. So anyway, you're paid up for another year, but in the 90s We're gonna go places. One of the places we're gonna go is coast to coast. Wow. And I don't know how that's gonna happen yet, but I know it's gonna happen. So you just stay tuned for that. But we're gonna be kicking off our third year anniversary celebration in September. On September the first and we're going to be playing a lot of the stuff that we played over the last three years it's gotten us in trouble. Like those named project and I'm not mean project that is Pride Week promo. Oh, yeah. I remember that goes out and dusted them had them buried in the backyard.

 Jimmy Carper 19:12

In a tin can. Coffee can Rafi can.

 Buddy Johnston 19:16

What? Well, I

 Jimmy Carper 19:17

wanted to say before that on the 25th of August. Yes, we were having a first here. We're having delta lambda phi on the show. If you don't know what that is, that happens to be the first and only gay fraternity in Texas located right at U of H Ooh. And what's even What's even more stunning than than any other group is that a fraternity in a college is a way of life. So these guys are really openly saying, Hey, we're gay. And we're proud. We're living it. proud that we're I'm real sited about being able to get those guys

 Buddy Johnston 20:04

proud. We have subliminal messages in this show. Be proud of who you are. It just comes out at everyone. I mean, you can just be listened to Wilson Phillips, or anybody else that we play, and you get subliminal messages like Harvey Milk and

 20:24

we must destroy the myths once and for all shatter them. We must continue to speak out. And most importantly, most importantly, every gay person must come out.

 Buddy Johnston 20:39

See, we listen to piano music and you hear subliminal messages from Harvey Milk's. We got some great things happening though. Roger is gonna read continuation of the man with the pink triangles this morning. But in September, we're going to kick off our month long

celebration of after hours by looking back on the first and a lot of things that we've done over the past three years. And then on September the eighth, we're gonna have big daddy Ray Hill.

J Jimmy Carper 21:05

Hey, daddy. Yeah, he's gonna come on, coincide with the beginning of Marathon.

B Buddy Johnston 21:11

And then our second guest, I did listen to this, get your pencil and write some of this down because some of this may win you some stuff later on.

J Jimmy Carper 21:18

Yeah, on the 15th. I'm really excited. Because the second show you ever did, right? You had a guy named Ron from the gay and lesbian switchboard, right. And Ron holds a special distinction that we'll talk about when he comes back on the show on the 15th on the second anniversary of the third year. But that makes sense. Sort of sort of. Then on the 22nd, we've got loaf, which is lesbians over age 50

B Buddy Johnston 21:54

Lesbians over age 50. And we got to tell you about love the first time we saw them in the parade three years ago, and invited them to come down they went no was telling the closet

J Jimmy Carper 22:03

sort of yeah, that that was their first year in the parade. As a

B Buddy Johnston 22:08

matter of fact, and now girl, they just can't wait to get on the show.

J Jimmy Carper 22:11

Well, not only that they just did live TV up in Dallas. Oh again, network so lesbians

B Buddy Johnston 22:16

over age 50 On September 22.

J Jimmy Carper 22:21

And on the 29th Ooh, this will be a toughy. Yeah, the names project quilt.

B Buddy Johnston 22:26

Now the names project is something that started out of the love of a friend, Cleve Jones, who had lost a friend of his to AIDS, made a panel that was three foot wide and six foot long, and decorated it and colored it and added all kinds of things that reminded me that reminded him of his friend. What happened was, there's a lot of other folks that had a lot of other friends and brothers and sisters, and mothers and dads and lovers. And just folks that they didn't know but they knew had died of AIDS that also made panels and we started sticking all these together. And now it's so big, we can't even lay it all down in one place. So on Columbus Day weekend, in October, on the sixth through the eighth, we're going to lay 19 120 panels of the names project quilt down in Houston. They were also African, it's significant because in March or in October of 1987, when we went to Washington, DC for the second march on Washington for gay and lesbian rights, we laid down 19 120 panels on the Capitol Mall. So we're gonna lay down 19 120 panels in the George R brown Convention Center, and you will come down and see it. So just mark it down on your calendar. I don't want to have to come out into the woodlands and get you and drag you down here kicking you in the rear end to see the damn quilt because you will come see it. So just write it down. In your calendar child, you're coming to see it. But the reason this is special this time is because there will also be 19 120 panels lying on the ground in Atlanta, and Chicago, and Los Angeles and Washington DC. This particular weekend, we're going to do something that we've never done with the quilt before it will be on view in five cities at the same time. And each of the five cities will be connected via satellite. And monitors will be set up, for example in the Brown Center, so that we can see what's going on with the quilt in Washington and Chicago and Atlanta and Los Angeles.

J Jimmy Carper 24:45

Isn't that amazing?

B Buddy Johnston 24:46

And it's going to be very beautiful. And Scott Paul pull our guts out, but we'll manage to get through it. So on the 29th We'll start preparing you for the weekend to come and talk about the names project quilt And then in October, the weekend of the quilt, some of our favorite folks are going to be here. Absolutely. Parents and Friends of Lesbians and Gays, he flag, a group that I wished my mother and dad could have belonged to. I just lost my father in April. And I know how you feel when you fear the loss of your family. My father's physical death was April the fifth of this year. But our relationship died. 15 years ago, when he found out he had a faggot for a son. So PFLAG is very important to our community, and they're going to come back to share some wonderful things with us. And then on the 13th,

J Jimmy Carper 25:45

we're going to have gay and lesbian students association of Houston with John Borgo

B

Buddy Johnston 25:51

who Johnny Boy, yeah, John is, is an energetic bullet for having gay and lesbian community in Houston. I talked with him this evening. And he's got some wonderful things to share with us about what's going on at U of H. And what he's been involved in on the coasts. Do you

J

Jimmy Carper 26:09

know what John has been doing at U of H, no, organizing a student act app to MIDI,

B

Buddy Johnston 26:15

you're kidding. Yeah. That man is into more stuff.

J

Jimmy Carper 26:21

Isn't that amazing? Yep. And he's been telling me about some of the things they've already done out there. So I'm real excited about talking to him again.

B

Buddy Johnston 26:30

And then on the 20th,

J

Jimmy Carper 26:34

yap, we have good old G LPC,

B

Buddy Johnston 26:38

the gay and lesbian Political Caucus of Houston and

J

Jimmy Carper 26:42

Dennis is going to be back and they will be coming

B

Buddy Johnston 26:46

up in November. What is coming up in November? Well,

J Jimmy Carper 26:48
we're gonna have elections and things like that, and he's gonna let us know what GL PC has been up to in that. So I'm pretty excited about that. Then on the 27th, baby is right, we've got to gra

B Buddy Johnston 27:05
27. Those carts.

J Jimmy Carper 27:09
Good old Texas gay Rodeo Association, Texas gay

B Buddy Johnston 27:12
Rodeo Association is coming. And have they got a rodeo for you.

J Jimmy Carper 27:17
Yeah, because the rodeos coming here to Houston, November 9 10th, and 11th. This is the Texas gay rodeo. And it's a real one. We talked about this last year, when the rodeo was in Fort Worth. And I'm real excited that it's in Texas. So

B Buddy Johnston 27:36
it's gonna be fun. Yeah, the rodeo is going to be the ongoing it's going to be at the Albert Thomas Convention Center. He will have a sandbox full of cow manure that if you never grew up in the country, you'll be able to take his shoes off and walk around in it. Well, isn't that fun? And see what I'm kidding. That's all I remember about growing up in the country.

J Jimmy Carper 28:00
But anyway, I'm all in I'm glad I'm a city boy.

B Buddy Johnston 28:03
All those wonderful things are going to be happening. Now. This

J Jimmy Carper 28:06

 Jimmy Carper 28:17
is a real rodeo. I mean, this is not a road around. And so no

 Buddy Johnston 28:09
these these guys take this rodeo but tgr is coming. And in the meantime, we're just going to keep raising hell and kicking ass and all that.

 Jimmy Carper 28:20
There you go the after hours way.

 Buddy Johnston 28:24
You know why? Why? Well, here's Tom Robinson. He'll tell you okay. It's about 16 minutes until to get some good stuff coming your way. So stay tuned. It's after hours. Radios celebrating life from the heart of tross on KPFT 9.1 F il baby

 28:51
theory

 Jimmy Carper 28:58
after hours what Well, I've been trying these new cigarettes. Oh, God, girl. What do you know we can't smoke Marlboro anymore.

 Buddy Johnston 29:08
Send in your coupons and we'll get this queen and iron lung.

 Jimmy Carper 29:12
No, Marlboro Marlboros are out so you know, I've been trying different brands. So what did you find? I found this great brand from Walmart you know, it's a no name brand. I don't go to Walmart and it's like it's got this little this thing on the package is great. It says GPC approved.

 Buddy Johnston 29:31
I don't go to Walmart because he won't. He pulls certain records out of his store.

 Jimmy Carper 29:36
Oh really? Yeah. Oh, no. That's great. He

 Buddy Johnston 29:39
censors the records before they get to the buyer.

 Jimmy Carper 29:41
You're kidding. Like what?

 Buddy Johnston 29:44
What do you admit you don't have to live crew?

 Jimmy Carper 29:48
Well, not too many people do

 Buddy Johnston 29:50
anyway. When you hear wheezing, Boudreau? What was it? She said again? I've met her the most awful thing. Yes, you call Lesson you'll win okay, just hang on

 Jimmy Carper 30:02
to number 10

 Buddy Johnston 30:02
yeah

 30:10
here it is become butcher Nelly in less than a day simply by taking the little pink pill, there's no need to recruit, seduce or rely on environmental conditions anymore. The little pink pill does it all. Just one tap up before breakfast breaks the cycle of heterosexuality for a full 24 hours. For years, heteros have been asking gays if they would take a pill if it would make them straight.

Well, last quieres Bell Labs have responded to this dilemma by giving heteros a taste of their own medicine. Yes, the little pink pill does it all the boring cliched life of a heterosexual can vanish in one gulp. Mrs. Betty Morgan of Gresham, Oregon talks about the little pink pill.

30:45

My life was a mess, bridge clubs, gross husband, alcoholism, you name it. Then one morning I got my act together and took the little pink pill. In an instant my sexual orientation change, as did my desire to be married. Well, within a week I ditched my old man met a terrific woman and got joint custody of my children. All this without why retention headaches or loss of appetite. Thanks little pink pill. You made a new woman out of me.

31:15

Results may vary but don't consult a physician. The little pink pill it does it all

Buddy Johnston 31:26

Okay, girl, where is he?

Jimmy Carper 31:27

Where's who?

Buddy Johnston 31:28

Well, I push the button. He's supposed to be on there.

Jimmy Carper 31:30

Well, how come he isn't? Where did he go? Why has he done this to us? Just like a man. You know? leaves you in the lurch. Just when you need it the most.

Buddy Johnston 31:43

Is not there. You just have to go somewhere else.

Jimmy Carper 31:45

Oh, by the way, the names project has a new number finally. Oh real Brett. They're 1410 Fairview address so that you can reach them just about any time. And it's really easy. It's five to names five

Buddy Johnston 32:00

to name. Yeah, write that down.

Jimmy Carper 32:03

Okay, they could use your help. Okay.

32:05

Hello. Do you know me? I have appeared in hundreds of Warner Brother cartoons with that squirrely wabbit who always does drag you out whenever I travel. Homophobic troublemakers are always telling me that there's no wombs and no hotels, no available seats in the West Juan's and no cause to wind. It gets downright frustrating. At first I wanted to cry. What's my sexual orientation got to do with my being a good customer. Then I got a gay man who can express cod. Now I use it everywhere. From crepes and flats to tropical foods and Hannah woowoo to picking up chicks in Australia. Make American Express card does it all
