SPEAKERS

Buddy Johnston, Jimmy Carper

J Jimmy Carper 00:00
This is how he stands on the sodomy law. Don't we?

B Buddy Johnston 00:04
Speaking of governors of Texas.

J Jimmy Carper 00:06
Yeah,

B Buddy Johnston 00:06
we have the worst oil spill in the Gulf of Galveston that ever happened to our state.

J Jimmy Carper 00:12
Yeah, no, go what's all Governor doofus doing?

B Buddy Johnston 00:15
Oh, go for? It gets in a helicopter and he's flying over Galveston Bay. And he's the governor said to me, he goes back to Austin. Yeah, don't look all that bad. Well, Governor, tell that to your grandchildren. Because when the fish are all dead, and the seater and everything's dead, because they can't live on oil, your grandchildren are going to have a filthier golf than we got now.

J Jimmy Carper 00:45
And they're badly possible.

B Buddy Johnston 00:47
And the Republicans wouldn't spend a dime to help nobody. We all know that. So Clayton Williams,

J Jimmy Carper 00:55
yes, he did. He got on TV and said, well, it doesn't look all that bad. That's it. And that was about a week later, wasn't it?

B Buddy Johnston 01:04
They should have got him some field glasses or got out and let him stomped around in it. But I just couldn't believe it. And I wasn't going to say we shouldn't vote for Clayton Williams. But I got to because Clayton Williams said, Well, I don't know if we should vote, you should vote for whoever you think is right.

J Jimmy Carper 01:20
But remember, the Clady is the one who wants to keep the sodomy laws intact.

B Buddy Johnston 01:26
Can you imagine? He wants to keep the sodomy laws on the books.

J Jimmy Carper 01:31
You know, it's unbelievable that he would come out and actually say that, listen, if he was if he was against the sodomy laws, if he wanted to keep them intact, he should have just not said anything but fool that he is, gets out there and tells people

B Buddy Johnston 01:50
playing what Clayton Williams doesn't understand is that there are 1000s of gay and lesbian people across the state who are just like me, I'm nothing special. Who are openly gay on the job. I do work for the Houston Police Department as a dispatcher been down this is not an 83

Give or take a couple of years and but Clayton Williams wake up Mary, this is 1990 Honey, not 1950

 Jimmy Carper 02:17

Buddy Johnston 05:33

His daddy's in Vancouver with the band. Yeah. So don't worry, baby

Jimmy Carper 05:42

Buddy Johnston 05:49

Tell him that Matt tell him to come on the show and talk about what happened in Vancouver. Yeah,

Jimmy Carper 05:54

that's a pretty town. Pretty pretty town. And it's a pretty area up there would especially be nice this time of year. I love Houston but I think August is the time to if you're going to go on vacation. August is a good time. I like Houston in January when I'm thinking about all the brothers and sisters fighting that snow up north. But it is a little hot around August next we have I love it. She's just staring staring into her CD case they're just letting me ramble. I just kind of keeping up the patter.

Buddy Johnston 06:51

What do you got? Richard come here. A young lady wants to know the name and artist.

Jimmy Carper 06:57

It's Leah's Akari Liz Akari Yeah, Z Lea Lea H and

Buddy Johnston 07:04

Jimmy Carper 07:07

 Jimmy Carper 07:56

No, no, no, no. See, I see a R i and she her tape is available late. Yeah. Available with fresh fruit. This same company that romanovski and Phillips Ave. and believe most of the time you can pick up her her stuff at Inklings they carry it or they can order it for you our good friends over there Inklings 1846 Richmond Avenue at hazard that's it. Oh, that's all just you know, giving information. You know, it's so rare. It's not that it's just it's hard to find gay and lesbian music. No one carries it.

 Buddy Johnston 07:57

Oh again, was good friends. Inklings are good friend. Inklings and Lobo because they got all kinds of gay and lesbian stuff through and tell you about some good friends that are going to be singing this morning. Yes, this is something we did. Oh, remember. And now a review about coming in. That's kind of nice. Yeah. And then and then and then you're always

 Jimmy Carper 08:30

finding these little things. Putting them on carts for us to play. I really liked that. What really gives a lot of variety to the show. All this little stuff that you do and it takes a lot of time.

 Buddy Johnston 08:45

Does I'd like to find a big thing to play with. Oh. I like the radio. I love it. You got it. Quiet numbskulls. I'm broadcasting Yeah, we're broadcasting every Saturday night at midnight from after after our midnight to four. Speaking of coming attractions. Wildenstein is moving? They sure are. They are going to be on before my show on Mondays. Am I looking forward to Sunday nights at nine so get your pens and paper out and write that down? Yeah, Bernstein is moving to a new time. Not Tuesday anymore. Monday night at nine o'clock.

 Jimmy Carper 09:25

Y'all need to know that because marathons coming up. So so

 Buddy Johnston 09:29

you can tune in and listen to Jack and Deborah on Wildenstein and get all that great gay and lesbian information that they put out every week. And then you can hear my bird sounds for two

 Jimmy Carper 09:40

it's not heard sounds you

 Buddy Johnston 09:42
well that's what somebody

 Jimmy Carper 09:44
do with New Age show.

 Buddy Johnston 09:46
All you do is play those birds sound.

 Jimmy Carper 09:48
Now sometimes you play running water it's it's so fun show I

 Buddy Johnston 09:55
changed my mind. I'm gonna scratch your name out of the program.

 Jimmy Carper 09:59
You I have a lot of diverse things actually. You play a lot of you played some stuff that you play on after hours, but you, you mix it. It's a real soothing type show. It is yeah. Oh, it is. It really is. It's

 Buddy Johnston 10:15
we have a lot of fun with it. And this Monday night, though, at nine o'clock Wilden signs moving to a new time slot. So you want to write that down on your calendar and circle it and be sure and catch them. It'll be some good stuff. i There is PFLAG going to be on this week.

 Jimmy Carper 10:29
No, because I can't Oh, yes. PFLAG is on Wildenstein this way. So

 Buddy Johnston 10:34
see? Yeah, it's gonna be some good stuff. Uh huh. But Wildenstein once again moving to

 Jimmy Carper 10:40

J Jimmy Carper 10:40

where it was not moving. They're still on Friday. Monday night, huh? What was that? Well, that was Lynn she's not supposed to know, but she couldn't wake up girl. Haven't heard Lynn Laughner in a while. I didn't. I didn't get a chance to play her. Oh, really? Yeah. And I really liked her. I was playing everybody else. Girl all this talent. Yeah. Well, there was a great write up for alto, that I saw that they stole the show. It was also

B Buddy Johnston 11:09

a picture of them in the beauty this week. So what you're talking about? Uh huh. Okay,

J Jimmy Carper 11:14

those that's the group that was here and did a live performance. And we're gonna get him back in the studio, too. I missed that. I mean, I missed that. Yeah, it was great.

B Buddy Johnston 11:25

Third quarter to three at three o'clock. Roger is gonna be reading from

J Jimmy Carper 11:29

men with a pink triangle. Yep. Chapter Four, chapter four.

B Buddy Johnston 11:34

And it's getting better and better and better. And what else is going on? What are we doing next week? Anything special?

J Jimmy Carper 11:43

Do you have no guests planned? No, just I can

B Buddy Johnston 11:48

be here. We need to we could do something. We could play Jerry Falwell tape backwards.

J Jimmy Carper 11:54

No, we can't do that. And you say things.

B Buddy Johnston 12:03

I get mad and say thing.

J Jimmy Carper 12:05

We play yeah. And when we talk about what's his name that Senator? I get mad? Yes. So maybe we shouldn't talk about either one of those two. Just see how we both get mad and start saying things that we probably should just see how Oh, please. Just like I said last last week, I cannot force myself to say that name and that title in the in the same sentence Jesse,

B Buddy Johnston 12:38

Jesse Helms. Can I play a song for Jesse him? Please do? No, really? Yeah, sure. I mean, seriously, it's

J Jimmy Carper 12:46

a lot more than song. We'll edit

B Buddy Johnston 12:48

this out and send it to him. Okay, Jesse. This is just for you. On after hours the queer radio show lungi sunshine. He can't even run his own light. You know, I can play that for a whole list of people. Oh, who I will not start naming names. Ah, oh, anyway, Roger is gonna take gold and run out of things. Roger is going to be reading from way of love when we already read it. Yes. This is me reading from one teenager in 10. No, he's going. Oh, that's next month? Yes.

J Jimmy Carper 13:26

The man with the pink triangles. Oh, yeah. That's what we're doing now. So

B Buddy Johnston 13:30

do you think happened today in this day in history? History No, but

J Jimmy Carper 13:36

nothing that nothing has ever happened on this day ever. But on the second, two days ago, that was James Baldwin's birthday. Yeah, the James ball wonderful black writer who is wonderful decided to live in Paris because

B Buddy Johnston 13:57
this country it stinks. Well, yeah.

J Jimmy Carper 13:59
They couldn't put up with his lifestyle.

B Buddy Johnston 14:04
He was just a screaming queen. In a way speaking of screaming queens to run out, you know that Jesse Helms is just on the griddle in Congress. Oh, yeah. Didn't you see not Jesse Helms? I'm sorry. Barney Frank, Jesse Helms on my mind, Barney. Thank God Jesse Helms is not gay. Barney Frank.

J Jimmy Carper 14:23
Oh, he'd be so lonely if he was have you seen his face? With

B Buddy Johnston 14:29
a dog? No. The Advocate put makeup on him and it's still in hell. Barney Frank, our good friend from Massachusetts. Yes, was in trouble. And he had lied about some memos or something he had sent to someone. But I read an article in the Montrose voice today that said that he did all that before he was openly gay. So he sort of lied to protect himself which all of us have done

J Jimmy Carper 14:59
and That's why he was being raked over the coals had nothing to do with Steve Goby, and any of that stuff, or about his lifestyle. It was it was the fact that he had lied in that memo. Right. And that's the point. Yeah. And that's a wonderful point. He was not real proud of doing that, too. But it was only because that moment memo was done before he was out of the closet, which is why he did it. But there was no problem with his lifestyle in Congress.

B Buddy Johnston 15:38
No, in fact, they made sure that a lot of Republicans who were screaming foul because they wanted to exploit the fact that he was homosexual. Understand that nobody really cares. He keeps getting elected over and over and over and over. And apparently the people that trust him and and vote for him will continue to do so. I think there's a there's a story there some

J Jimmy Carper 16:00

big message may be true.

B

Buddy Johnston 16:03

Yeah. Anyway. What else it's like giving a clemency.

J

Jimmy Carper 16:09

Here's a man who's his lifestyle does not matter. He still keeps getting elected. He was getting elected when people thought he was straight. And when he came out, it didn't make one iota difference. Because Oh, excuse

B

Buddy Johnston 16:27

me, keep talking about Congress and all I can think of is just the hymns and the oh please puts me to sleep. Like to put her to sleep.

J

Jimmy Carper 16:39

Well, if we keep talking about him, I'm gonna have to start talking about not smoking cigarettes and all that kind

B

Buddy Johnston 16:44

of we could get into that but maybe by that just can't go on and on if we don't support Marlboro and and that then we got to not support Coca Cola and I know that's the problem. No, it Nabisco and all that other stuff. So we're just like, it just goes on and on and on. What we need to do is honestly answer you vote out people like Jesse Helms and vote people like Craig Washington, no, there you go. Who aren't going to put up with this crap. There's a big article in People Magazine this week about National Endowment of the Arts cutting off funding for three or four different artists, two of whom happen to be homosexual. Well, how cute they got cut off, surprise, surprise. That's the answer. We can't boycott everything, but we can vote in and politicians who feel the way that we feel or at least feel some of the way that we feel. I mean, it's real funny. President Bush's has nominated this gentleman for the justice the Supreme Court to replace Justice Brennan Yes, I can't even think of his name matter. Yes, to solder solder. Solder water to whoever he starts with an S but he lives in his mother's house he's a bachelor for 50 years and one of the Republicans kind of mentioned out loud I want to he always lived by himself and has never been married. Who cares but that girl you know what he was trying not to say? Maybe he's a queen and yeah, well hopefully he

J

Jimmy Carper 18:14

is and that's that's the thing the way that many Republicans do that they insinuate that something is bad something is not right. Something is not a Oh. give it un girl

something is bad something is not right something is not a Oh, give it up girl.

B Buddy Johnston 18:28
who's Republican?

J Jimmy Carper 18:30
We will demand do a good job or what I mean that's what we're looking at.

B Buddy Johnston 18:34
That's it. Same old thing at the police department everywhere else. It's just a bunch of lewd boys. Big ideas. Yeah. Anyway, Roger is getting ready to read from a way of love a way of life wrong.

J Jimmy Carper 18:48
The men with a pink triangle

B Buddy Johnston 18:50
and teenager in 10 No,

J Jimmy Carper 18:54
no, no, no, no. The men with the pink triangle Okay, that's

B Buddy Johnston 18:58
right chapter four. And it for speaking for the blues ladies will be here.

J Jimmy Carper 19:04
That barefoot blues broads will be here. Terry and

B Buddy Johnston 19:09
Kathleen Kathleen Luca summerleaze for you baby. Right here on your Pacific istation KPFT Houston 9.1 FM. And I was just handed a note that says please play Wind Beneath My Wings by Bette Midler, but it doesn't say for who Wow. And who else we got a couple other calls for live

music that we didn't have. But we'll make it up for you. It's amazing. I brought a lot with Mike up in north northwest Houston's listening. Really? Yep. Hi, Mike. Girl. Anyway,

Jimmy Carper 19:54

right he must have he may have been a a visitor to my love nest

Buddy Johnston 19:59

rod. just getting ready to read three and we had a hell of a fight which that midnight before we went on or 11 because I was trying to edit that tape and she kept chattering and I said girl Hush. But that's what friends are for. Yeah. But Roger is somebody real special. So I'll play this song for you to kind of make up for yelling at you earlier, just because I was tired and got a lot on my mind. But Roger is special because he's the only person that's been around the station on Saturday nights for the last three years other than myself. And for some reason, he's hung in there just as much as I have. And he really has more than once been the wind beneath my wings. A lot of times you wonder God, I just can't do it. Since he's there pushing me and yelling at me when I needed to be yelled at. That's what
