Ray Hill 01:58

Hello, Houston

Peter 02:15

Peter and Connie Lingus.

J

Jimmy Carper 02:17

The Peter and Connie Lingus Show Yes. With special guests.

R

Ray Hill 02:23

Ray Hill.

o

02:25

Right.

o

02:26

Hey, Ray. Hey, Bobby.

R

Ray Hill 02:29

Like that combo name.

P

Peter 02:31

Peter and Connie. Linga. Honey baby.

R

Ray Hill 02:33

What a radio image to project after midnight on KPFT. In Houston, the mighty voice of Pacifica and the upper Texas Gulf go.

P

Peter 02:41

Oh, dear G there.

o

02:43

He might have done this before. I

P

Peter 02:45

.....

think I was listening to him just last night as a matter of fact.

J Jimmy Carper 02:50

While he was on Thursday night to

P Peter 02:52

Oh, my God is being a gay voice that was I was out hanging.

R Ray Hill 02:58

I don't know if John Devlin will ever show up.

J Jimmy Carper 03:01

I know. You took 10 years off of her life.

R Ray Hill 03:06

And you know that's the same because Because John and I'm a real fan of John. John has been a real fan of mine for good many years. We get along really well. And I didn't mean to tell that nasty, old dirty story about that sometimes the devil makes me do saying well, what happens to us heathen?

P Peter 03:25

Right, you ought to stick around and I because there's gonna be more than just one of those honey. Peter and Connie Linka we do we do a joke a week and did knock your socks off. And maybe I got one tonight for our lovely friends listening to us and college station. You also have your top 10 list. Oh, and we have a top 10 List tonight to die for child

J Jimmy Carper 03:44

what kind of top 10 was tonight? Well,

P Peter 03:46

you know the gay pride parades coming up.

J Jimmy Carper 03:47

I don't I

P Peter 03:50

mean, the fact is it sound as bad in my headphones as it does on the radio or what I mean, it's like really major, well pull

J Jimmy Carper 03:59

it closer to your mouth.

P Peter 04:02

Never asked me to do that twice. Oh, hey. So anyway, the deal is we are getting ready for gay pride. And so we decided that our top 10 List ought to be the things that you really need to do to get your little float ready. Sort of things like that you know about these electrical connections and all

R Ray Hill 04:23

we got is a nighttime parade so it is going to be little twinkle twinkle

P Peter 04:28

twinkle little star and maybe later on be gay glitter and lights and cameras and action is to

R Ray Hill 04:35

dry grain from foot words who glitter and be gay should be.

P Peter 04:43

So we got a top 10 list that reflects those special things you should consider before entering your little electrical light flow. And we've got a few crazy articles that we found in that our research department you know, we have 1000s of research people working for us Night and Day Night and day the Peter can county lingos employ many many people. Plus we're going to have some people from AFH talking about Mr.

J Jimmy Carper 05:09

Hand out at grocery stores and read those those rans isn't that What?

P Peter 05:13

What? No, no, no

R Ray Hill 05:15

let's don't hang on. Are you squeezed the fruit at disco Kroger

J Jimmy Carper 05:22

you could be there for hours.

P Peter 05:24

Well, we were we, you know, we had to top 10 lists tonight Jimmy we were thinking about doing you know, we got looking through everything that's going on in this town and there's not a damn thing cooking tonight in Houston. I mean, it is so I mean, except for this show and and the things going on at TWA. That's

J Jimmy Carper 05:45

TWA,

♂ 05:46

me. Yes. Enlighten us.

P Peter 05:49

Oh, twits are toddlers, whatever your T is, with attitude. Oh, there's a big long line outside of heaven. We don't know why. But anyway, but there's nothing everything's going on in San Antonio for the big you know, whatever. Next week. Next week is flat. I mean, there's like Houston is like dead meat in the water. You couldn't find a big huge you know, what if you were looking for it, and so we were going to do what to do when you can't find a damn thing going on Houston. But then as we as we went down through the list, we decided an urgency with this there was an urgency with this parade thing now we've been reading Gay Pride stuff saying you know, come you know there's all these things that you have to do and so we've got a list of that. Plus we've got Gary gay know coming in from Montrose softball league to do a little stick we got Ray Hill to do a little stick here quickie and we got just loads of fun and games for you people out there in red video land tonight. So baby what's cooking should we do? Mr. Race? Poor son of a gun can get back home?

R

Ray Hill 06:54

Well past my bedtime I've got warm milk waiting for me. Well in Fairy to even you have you got to what fairy? What? A brown skin fairy. I mean, could you find I have found Northside it saves me a fortune and making trips to Harlingen. But what it's all about is and I really ordinarily wouldn't bother you folks at this late hour but next Monday. There's going to be a reception for a couple of at large candidates for Houston city council, both of whom Incidentally, I support but the guest of honor is going of honors going to be Jude on phony. I mean, phony you don Boni

P

Peter 07:36

and I was at a council meeting with

R

Ray Hill 07:40

Councilman Isaiah to his face. And I've got I've got a real attitude about jus Don, because I went way out on the limb supporting him very vigorously and very heavily in his election. Because Jr, Don and I had spent a lot of time on picket line. Yes. But boy than white folks money went to his mind in a heartbeat. He is absolutely turncoat. So we're making posters. And we're going to laminate because we're going to use them a lot of times. Wherever he goes, we're going to be and one of them is a circle slash turncoat. Coat and circle slash phony bony. And so we're going to go after that in a really, really big way. And the first demonstration, please come get your very own placard. If you want to make one make one if you want to borrow one, we should have several. We're going to carry placards. The event is begins at 5:15pm. Monday, very next Monday. 5000 Montrose. That's a very nice high rise apartment. Yeah, actually, for Charles lives Charles Armstrong. Oh, yeah, he's got a nice apartment. It's

P

Peter 08:47

nice to announce his address.

R

Ray Hill 08:53

And so we're just gonna gather on the sidewalk. And we're going to carry placards and do a little chanting and make an appearance. We're going to be a mixed racial group and hopefully a mixed gender group. What's the deal call our attention to Judo and Bunny is one of the most pro censorship men's members of city council. Absolutely. And we think that folks like after hours and folks like progressive women and folks like gay men are who they really want to shut up. So if you're pro censorship, now he's building this as a coalition of progressive candidates. And I think he's doing this with a nice and the other candidate trying to get votes from lesbian and gay community. And that can happen, but I don't think he can bring any votes to the table because his knife is in the folks back over at Allen Parkway village. His knife is in the back of

folks like ADA Edwards and the people that have been calling for police review committee for a long time. And so what we just decided that we would express our opinion if you want to join us,

J Jimmy Carper 10:01

yeah, he's one of the originators of the new SOP ordinances, close all the bookstores. That'd be thrilling and then work its way to it can really work its way to the bars after that.

R Ray Hill 10:15

And also, you know, if you've ruined your car on the speed bumps that he put in a neighborhood lately, he's responsible for all of that. Speaking of that, and they're fixing to close. Hawthorne down completely.

J Jimmy Carper 10:30

That's right. I got a call from Rainbow declared tonight about in there because the street fest that's gonna go on here next weekend, right, three, three and four. The neighborhood people in the neighborhood I don't know who's doing this, get together. And all of a sudden for those two days, I had put up no parking on street everything.

10:54

They all rise to do

R Ray Hill 10:56

they it's the neighborhood Nazis trying to and they want to shut Hawthorne street permanently. I want to make Hawthorne street, a one way street, going from Montrose to the freeway. In other words, you will not be able to enter the community at all. From Main Street on Holman Kume. Hawthorne street, I mean, there's a notice up on my apartment complex and I'm organizing my apartment to notify city planning department. So I know that's not going to work. You know

J Jimmy Carper 11:29

that. An earlier in the century Hawthorne not only was a major thoroughfare, but it had a trolley running.

R Ray Hill 11:37

Absolutely sure do. So what is the state and so the deal the deal is, is that the near town and

the near town people the neighborhood Nazis who have tried to shove zoning down that would close down every gay and lesbian business in Houston. By making it possible they're working on a parking ordinance which will accomplish exactly the same thing because any bar must have accommodations equal to one car for every two seats. They have an imagine what that's going to do to heavens Jr, the mine and Pacific street down there. I mean, this is the attempt to zone or regulate our community businesses out of existence. And now and now they want to isolate. You know what it is? It's really those neighborhood associations and all those yuppies that moved into Montrose after we cleaned it up and fixed it. And now they want to get the queers out of the town because they think they could improve their property back. Well guess it fixed them up. And so we were there before they were all of those. There's Nellie hammer marks on everyone who were handled by women.

P Peter 12:50

Give a lesbian and hammer

J Jimmy Carper 12:52

me that if you live on any of those streets close to Westheimer where the festival is taking place and you want to know if your street is the one that's going to be closed down. You can find out from the guy over at the tire place. Yeah, he's got a whole list this dog bagger. Yes, buy back at and also if you don't agree with that, you can sign a petition against it.

R Ray Hill 13:14

Would you know what we did one year why we gave a homeless person a ratchet with just the right size, a socket on it. And he went around and removed all of the no barking. I don't think that's a bad plan. I think that's whatever, you know, and he was gonna they were gonna infringe upon his cruising territory in Yeah, that's right. And they make those signs out of aluminum and you know how much demand aluminum

13:44

those people just need to move back to the suburbs.

R Ray Hill 13:47

Absolutely. You know, you don't have a hint of what it's like to live in a real free city now. Can I remind people Monday night 515 At 5000 Montrose 515 In the afternoon ers 5000 5000 Montrose were a sign we're all there to to advise gay and lesbian politicians that they ought not be forming coalition's with people who are hostile to our community and our rights and freedom

J Jimmy Carper 14:15

right down the street from the Contemporary Arts Museum. For more information

R Ray Hill 14:19

call Ray hill at 52369 or six nine or our number to forget how did you ever get that number check? It was read pises number before it was mine and I'm not going to give it up. Listen, I love your dogs here at after hours all party down.

J Jimmy Carper 14:35

Before you leave. We got to talk about one more protest going on go yes,

R Ray Hill 14:39

yes. Yes. windy. Windy. windy. Windy. Windy. Matt Loughlin. Dear My dear friend of ours is organizing. I that is May The first is the 30th Wednesday the third windy days of 30. Wind days because that's alum day that Ellen Ellen Knight is Ellen's going to be coming out for us all And we're going to be turning out at Wednesday, Wendy's, which is the Montrose business that we can demonstrate at that it withdrawn their advertisement because of not only Elland coming out, but the person who plays out on coming out. Yeah. And so the whole idea is though no Friday to focus, and it was just like Randall Jenner, we boycotted Randles for a year until the open up in the store. And then we had a nice little demonstration when they were in their neighborhood. And we won that incident. Yes, yes, yes, Randall homestead came and brought Robert OMSA and came and brought the Soward I think they surrendered to the EPA. But this is making a difference. They surrendered to us in one form or

J Jimmy Carper 15:40

another. Well, that that way everybody's makeup was match.

R Ray Hill 15:43

Matching makeup.

P Peter 15:44

What time is this? Is this gathering gathering it Wednesday, seven o'clock.

R Ray Hill 15:50

1515 by five, beginning of five teams can be over seven o'clock. Yeah. Well, it

15:54

has to be ever before this.

J Jimmy Carper 15:56

Right, right, right. 515 We're meeting at the parking lot of Hollywood Video

R Ray Hill 16:02

got tried to find some place to park on the street. If the anti Westheimer festival people haven't put up signs everywhere to prevent you from parking anywhere on the planet. Because the folks that Hollywood or just wondered, you know, they've opened up again, lesbian. Oh,

J Jimmy Carper 16:18

every time I go when it expands, it's getting bigger. Yes. Those are those are good neighbors. And you

R Ray Hill 16:23

know, you notice the people behind the counter just seemed to glow a little more. Hello, Mr. Hale, how you do? Would you like to look at the section? What do you mean, you want an action movie? I mean, I thought you represent those people. All that kind of action, not that other kind of action.

P Peter 16:39

Oh, Mr. Hill, they've got you down.

R Ray Hill 16:44

Don't have any of those for me. Let me let me take it yo, yo, look, you know, I get a lot of criticism for supporting the First Amendment. Maybe let me tell you when we lose the First Amendment, the major thing is we will never know when we lose the rest of that right. The First Amendment is what is the is actually the grease that makes the oil I mean, the the wheels of liberty turned and protected. So if I seem a little strange during these first amendment trips, and it is not liberal or progressive, to try to censor anybody, no, no, somebody will try to tell you that. And I am really I support a nice Parker's being elected to City Council because it by God, it's time we have a seat at that table. And I don't care how we get in there. We need to do that. But you friends have a nice Parker. I love her too. And I've told her I think it'd be a good idea. If you tell her. It's not a good idea to be running around with sensors. That's right, trying to get to public office. She and her campaign need to be healed of that. I'm gonna vote for anyway. But I think that is a mistake that they're making.

P Peter 17:47

Okay, well, thank you, Minister. Read

R Ray Hill 17:49

you all. I'll be on the picket line this week. 515 on

P Peter 17:54

the 30 that Wendy's and 515 on the verse first at 5000 5000 Montrose.

J Jimmy Carper 18:01

No on Monday, Monday, Monday, Monday.

P Peter 18:04

Oh, Monday, Monday early. Oh. Okay. 1,001st Wendy second. We got it.

o 18:10

Thanks, right.

J Jimmy Carper 18:12

Why don't we go to a piece of music and calm down?

P Peter 18:16

Do you have something really exciting? Something new, you know, I

J Jimmy Carper 18:19

know you do. Okay, good. David Brown new gay artist. Oh, CD, splendid wings as it's brand new and well maybe not all that brand new but yes. Last year came out 1996 brand new does. And since we're talking about all of this protesting and all of that he's got a song called every kiss is a revolution. Baby are hearing it on after hours square radio with attitude on KPFT Houston and KEOS College Station. We'll be right back

19:03

with Gabby new Claire, it's a little bit tight but I'm glad that I live there.

J Jimmy Carper 19:10

We kept with Gabby. Well, that is a nice song. But it's not the one I told you. I was going to play I'm gonna play that one later. That's Kathy and Claire and that is that is a terrific song about a gay man living with two lesbians who are having a baby terrific, but this is

19:33

Ooh,

J Jimmy Carper 19:33

good song but he does kind of go on with every kisses revolution. Okay, girl. You said it.

P Peter 19:40

We got it. We got the message. What was

19:43

it again?

J Jimmy Carper 19:46

Her for me?

P Peter 19:48

I just hit her bodacious Tata Oh my that's a lot of Oh, Miss Connie. She hasn't been on a cruise in too long. And we love it when she's home bound. Oh, yes. We can just see these bodacious talk all the time. I have

J Jimmy Carper 20:03

another song that kind of fits in with your kind of show later on Jane County, who was a transsexual punk rock singer has a song called Texas Chainsaw manicurist later on.

20:18

I just got my nails done.

Peter 20:22

Oh, they look just beauties

Jimmy Carper 20:25

are a bottom, aren't you?

Peter 20:28

I'm not gonna go there. We are not gonna go there. Let's don't even go there. Hey, you know what? Why? I have? Ah, I have got a job tonight for all of our listeners in in college stage. Oh, yeah. I mean, I've researched and I we really needed to include them. And so I've got this fabulous job coming up later. Okay, for our wonderful listeners in Bryan College Station

Jimmy Carper 20:56

is gonna get me in trouble.

Peter 20:58

No, no, no, no, no, no, I don't think so.

21:01

Jimmy, our mission

Peter 21:02

is to keep you in the hot seat, big boy. And we've done pretty good job. Oh, baby. We're gonna talk about that a little later to I think if I'm not mistaken on this protease

Jimmy Carper 21:15

inhibitors and my doctor just gave me some testosterone shot. Why?

P

Peter 21:20

Oh, look out Houston. out on the streets just dragging them in. Houston, Amazon testo.

o

21:28

Walking with this special kind of strength tonight. My finger on it.

P

Peter 21:33

Don't you dare put your finger. Connie, don't you put your finger on that. That's my job. You got a lot of things. Put your fingers on that. Amen, girl. So early, and did you hear about did you hear about the guy that went into the bar and win the bar and he put down the briefcase and he opened it up. And inside this briefcase was this little 12 inch man playing this piano? Honest to God drew the attention of the whole damn bar. Little 1212 inch man playing Beethoven, Mozart, all the stuff in this little piano just give something up. Martin Morris says My God, he said that families have Where did you get that? He said, Well, he said I found this lamp. And I made this wish and it's a gene. No kidding. So can I have a wish? Guy said well, I only got a couple of years left, but go right ahead. So it gave him the lamp. And the guy. Bartender grabbed that Lamborghini. And he said, Ooh, I want 10,000 bucks. 10,000 bucks. Oh, 10,000 bucks. My God. The next thing you know there's ducks everywhere in this bar. There are ducks. This bar is filling up with decks. There's duck feathers, duck shit, they're eating peanuts. They're all over the people there to keep biting on people. There's 1000s and 1000s of ducks in this damn bar. They don't know what's going on. This guy comes over he goes Wait a minute. He says What the hell's going on here? He said I wish for 10,000 bucks. He says you think I wish for a 12 inch pianist? No, that's too bad girl. You just kind of sneak that one just snacker right in. But I have another one that's specially tailored for our friends in Bryan College Station and it is commonly is that K us people up there. We have one for you tonight that are going to knock your socks off.

o

23:27

Okay. Oh, Kami. Yes.

P

Peter 23:30

Being the fact that you're the expert in Les Boney ins coming out. Do you have anything to tell us about? Yeah, Ellen degenerate, degenerate. That has our friends. Caller

o

23:45

Yeah. Did you guys see the show? 2020 Diane Sawyer did an interview with there.

P

Peter 23:51

I think every tape that I think every gay person in the world saw Diane Sawyer.

J

Jimmy Carper 23:56

I gotta I gotta say this. Yeah, I gotta say this. Didn't Barbara Walters asked the most dumbass question in journalism history. Which one when Barbara and Huber and Diane were talking at the very end and barbers said well, you know are they really smart to do this with the coming out thing because after they do the coming out? What will they do for a plotline? Ah wah wah Isn't that the most dumb ask question you ever

♀

24:32

ever time she just didn't Allah we have

J

Jimmy Carper 24:35

a life isn't gonna be any different. It's just that she's gonna be a lesbian doing the same stuff. She's always done right? How love

P

Peter 24:44

Barbara Let's see now if you were lesbian, what would you do?

♀

24:49

Barbara obviously wasn't with it too much last night because I don't know if you noticed that ugly shade of pink lipstick she

P

Peter 24:54

had Oh my You wouldn't know that Connie Linda? Was she It's just retro. She was retro.

♀

25:02

He was retro wrong retro wrong.

P

Peter 25:05

It has been spoken by Kami. She has retro wrong. But anyways,

25:09

I'm working research department.

Peter 25:12

We have a massive research staff. They number into the 1000s.

25:17

Right and pulled together this little article. Ellen tells Rosie come on out of the closet.

Peter 25:24

We have found this in print. As you can see right before your eyes in green. It's in green in the dark a microphone so hold up the microphone, sir. But

25:33

let's let me just read you a couple lines. Ellen DeGeneres is urging Rosie O'Donnell to declare she's gay and join her outside the closet. But the talk show host is afraid the move would wreck her career.

Peter 25:44

Now listen, the world knows that Rosie O'Donnell was one of you got me? Well. One of the first

25:53

quote Ellen told Rosie what's the big deal? Do you think you're really fooling anybody and insider disclose? You know? I don't know. I I mean, are we positive about rose?

Peter 26:04

I think so.

26:05

I mean, it my dreams. Definitely lesbian.

J

Jimmy Carper 26:08

Are we positive about Lily Tomlin?

♂

26:11

Hello. Wow.

♂

26:13

It even says here that Rosie had a quiet affair with actress Michelle Blakely for two years. And this

P

Peter 26:19

is in print lace. Jamal, we are not golf the thing?

♂

26:23

We never would We never would have got somebody who has been telling to me a joke.

P

Peter 26:32

Hey, and listen, but that now is not Rosie. Don't you think Jim? Miss Rosie? Oh, yeah, thank you. I mean, like, Who does she think she's kidding.

J

Jimmy Carper 26:41

I really like the stick she did with Ellen about a month ago about coming out as left. That was good. And they both admitted they were

♂

26:53

the only thing that kind of makes me doubt the validity of this particular article is that she told her friend, now that Ellen has come out she's trying to make everyone else feel guilty. She doesn't have to worry about anyone but herself. I have a little boy to support. And you know, when I watched the interview with Diane Sawyer, I got a really clear message that she's not into guilting anybody? She didn't want to be the poster child, you know, just about being honest with her life. Yeah. So I don't you know, perhaps Rosie is, you know,

J

Jimmy Carper 27:24

J Jimmy Carper 27:24

and the whole idea that once we're pretty sure America is over the shock of her coming out, they're going to settle down. Just like when you tell your parents they have this coming out process. And anyway, I want to hear what America

P Peter 27:36

gets over the shock that she was on Time magazine cover for God's sake. When is America you couldn't buy the way you could not find a Time Magazine inside the loop. I know it. I had to send a friend of mine clear to Pasadena It was incredible. Our friends would look wherever there was no I was not a Time Magazine for sale. Anywhere in this

J Jimmy Carper 27:57

town. Stop at grocery stores. No for him and Rob's

P Peter 28:02

you with now I can get you on. They're on sale in Pasadena Friendswood. Out galena park up down. You know, they're everywhere out there. But you try and find women Montrose. You play No, but they're going for big money. As

J Jimmy Carper 28:16

soon as America gets over the shock. They're gonna settle into Okay, well, okay, she's. She's funny, like she used to be.

♀ 28:23

Okay, can we just talk about the collection? Or hushpuppy? She's gotten Oh,

♀ 28:28

it has every

♀ 28:29

color. Some stuff I've never seen before. That is incorrect. It's Rosa. Rosa.

J Jimmy Carper 28:34

Is that a fact? It is more genes than I have.

28:38

Thank you. A closet just for dress pants. It's

P Peter 28:43

I mean to tell you that says laid being all over. And our research do you have more on on? Our lovely friend.

28:54

That's pretty much it for Ellen right now. We know everybody I'm sure will be tuned in.

P Peter 28:58

Do people send in for their party packet for the Ellen show? I don't know. I didn't. Well, a friend of mine did and it's GLP sees please join us send us your contributions. There's a few invitations to come to your house with please collect a lot of money and send us that that was the Party Pack. It's lovely purple, but you're no no hats. No horns. No popcorn with them. Thank you, boy. A great

29:25

campaign on this right yeah, work

J Jimmy Carper 29:32

well, because I was afraid it was gonna be

29:35

right. It was just terribly free. And what else is going on?

P Peter 29:39

Well, you know, our research staff found a little a little hot bit here on Michael Jackson. Now we need to keep him you know, up in front of everything. Michael was, you know, he's over in Paris.

J Jimmy Carper 29:53

Oh, now that he has a baby. Of course he couldn't be gay. No, of

∅ 29:57

course not. No, I'm

∅ 29:59

okay with just Thinking that Michael Jackson is asexual.

P Peter 30:02

I would rather think I think there's something in scripture that says I'm a worm and not a man. Anyway, Michael Jackson angrily demanded that his wife, Debbie Rowe fly all the way from California to Paris to visit him, so he could dress her down for seeing her old boyfriend. Now, why would she want to do a thing like that? If Mike was on as it were on top of the situation, hello, anyway,

J Jimmy Carper 30:29

what does he mean by

∅ 30:31

performing his husbandly duties?

P Peter 30:32

Well, not a she's an heiress unless it's things bigger than I thought it was. Oh, anyway, the singer blew his stack it says here in print when he heard reports the Debye had turned to their former boo bill as Brooke or whatever his name is a handsome phone installer for love and comfort. Oh dear baby after Michael left for France with the baby he left with the baby Michael took the name Michael took the baby hold obviously weight

∅ 31:06

weigh the options here. Michael million dollars life a luxury phone installer. Hey, this isn't for me.

P Peter 31:17

Peter 32:17

No, but guys probably gets good sex. Anyway, so he called Debbie and told her I want to see you in Paris. Now, when when? Oh, it says here with big X on the inside reveal. So Debbie left on a flight got over there. Debbie puckered up her mouth expecting a welcome kiss and a hug. But she was shocked when angry Michael pushed her away. Don't lie that quote unquote. He shouted at her. Don't come over here trying to make out with me. I've got my name and my reputation to protect. And I don't want my wife of Michael Jackson running around with some other guy. That'd be shot back. What about you? I'm supposed to be Mrs. Michael Jackson. And then you've got you've got to act like a husband. Hello. That's why we have a phone boy. The climbs poles, you have got stopped running around the world doing young boys and settle down to married life. She says quote unquote, public airport. Oh my god. So they talked for a long time while Debbie then Debbie went to sleep in the adjoining suite. So they

Ω

32:21

didn't sleep in the same

P

Peter 32:22

Oh my mom, I guess he didn't call over for anything we want to do.

Ω

32:26

And that's probably normal at their house.

P

Peter 32:28

The next day, they took a little prance out for a walk in the park just like the regular little parents and Debbie Cutler, baby. Now get this children. This is the third time that she had seen the baby since giving birth in February. Where's it been? With my giyani I don't know if Mikey's nursing or what but anyway, then on Sunday, Debbie told Michael to get out get back Go ahead. Just gotta go back to work. Go ahead. Well, I'm back to work see it work. I don't know what she's does. But anyway working? Why? Yeah, she assumed she was gonna stay in Perry with Mikey and the baby. But Michael told her to get on the plane head on back home. We don't need you anymore, baby. And there's a picture of her telephone pole boy here. Who let me tell you is let me hold me hold this. Yeah, this is the boyfriend the poem. Phone pole climber who's pretty helpful.

J

Jimmy Carper 33:23

Right? My pole.

P

Peter 33:24

Thank you. We knew he could. And he is when he got down off your pole, he can jump on mine.

Anyway, Debbie flew back to Los Angeles without her baby, ending an amazing weekend trip better, you know, kid and another source disclose that Michael was just furious. And he instructed his aides to tell Debbie, the former lover to stay away from her, and et cetera, et cetera. So there's this big stinky going on, you know?

33:54

What I want to know is who does the baby look like? And if it looks like Michael, does he have Michaels nose and is it pre op or post?

Peter 34:03

I believe that the baby's nose would probably be pre op. Judging from But Debbie moaned to an insider. I knew that Married Life with Michael Jackson would never be

34:16

normal. Well, come on. I mean,

Peter 34:20

it goes on. I never realized that it would be bizarre

34:25

if she looked at a newspaper in the past 10 years. Exactly.

Peter 34:29

Hello, woman. Let's get alive here. Oh my god. And you know what, Jimmy? We found another little clever article right here on our own very Houston Chronicle. Yeah, that they now have found an anesthetic cream to ease circumcision pain. For all you people out there who would like to have the big number done. Well,
