Oh yes, you've tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgendered people and their friends. Hear it after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life, and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston and college nation and welcome to after hours queer radio with that attitude. I'm Jimmy Carper. And I want to tell you about the music you just heard. Right before our show went on. That last one was by Tori fix fit xx and it's called Ken, who can you run to about teens on the street? And before that was Jeff crasner. Doing a song called maybe level makes sense to me. And that's off of the new soundtrack from the mute the movie trick. Coming to a theater near you soon, and here we go. Didn't give you a cue did I hear you go?

♀

02:42

Boys and girls. How are y'all doing?

J

Jimmy Carper 02:44

Fine. Fine, fine. Fine. That looks like Lexi to me on and Peter's over there doing something with headphones. This is I don't know we're trying

P

Peter 02:55

to find a pair that work would be it's a personal thing. I see. I see. Trying to find a pair that work. It's like underwear. Jimmy's got to get him on some point. Oh, great. These don't work

either.

J Jimmy Carper 03:08

Is that better?

P Peter 03:09

Do you have this on or what? Gym guy have you on? Why can't I hear myself?

J Jimmy Carper 03:14

How can we can hear you?

P Peter 03:17

Oh good. Well, I can't hear me. So this is gonna make for a very fun thing. Okay, why don't you figure this out for us while boy?

J Jimmy Carper 03:31

Why they're only here once a month, folks. You know what can

P Peter 03:34

work and so screw the headphones.

♂ 03:37

You don't need them anyway. Not you anyway. Now.

P Peter 03:41

I guess we don't because we can't hear anything. Anyway. So

J Jimmy Carper 03:43

to help. So how have you been? Just

P

Peter 03:47

a little piece of heaven, honey, if we got any better I'd be wet. Yeah, imagine that. You pick them up and listen to them. Because if you can hear anything out of them, you're beyond me, girl. They've all been turned on. I know how to do this part of the show. Talk amongst yourself. Ah, come on while we fix this, oh yeah, you go ahead and fix that moment. We love both neither one of those two are working at the moment so you can unplug them both as far as I'm concerned. We don't want me Jimmy Are you familiar with a little Taco Bell? Chihuahua thingy? Yes. Do you love that little taco bell like the little chihuahua? Yeah, well Bell spice

J

Jimmy Carper 04:37

it with all my heart and soul. You do? Yes. Fine. Why? Because Oh, he's just disgusting.

P

Peter 04:45

Here unruly. Thank you. Anyway, the Taco Bell Chihuahua and a Doberman and a bulldog are in a doggie bar and they're having a cool one. Then when a good looking female Collie comes in and you know sort of Sonders up to the bar and get yourself a cocktail. And she says whoever can creatively say liver and cheese in a sentence can have me. Oh, so the Doberman says,

J

Jimmy Carper 05:14

I love circumcised.

P

Peter 05:18

The government says I love liver cheese and the guy says, I'm sorry, that's just not good enough big bone. And the Bulldog says, I hate liver and cheese. And she says, that's not very creative. And finally, the Chihuahua says, Leave her alone. Cheese mine. Don't just leave it alone. T is mine. For that

♂

05:45

I like you have Hispanic by chance. D by injection. Yeah, I

P

Peter 05:51

hope so. It's been a while I think I'm losing my

J

Jimmy Carper 05:56

I don't think so my Hispanic now it's still there.

P Peter 06:00

I forgot who to say was the de Puerto pavord large Dickie. I said my great friend. We started right at the mining company with and he was It was so fun. And he used to

J Jimmy Carper 06:13

go down the toilet already. Already.

P Peter 06:16

And he goes, I go hey, what's going on? Man? He goes, I'm looking for a B. D. If I could just speak Spanish that well, I'd be

o 06:27

I would I would have a complaint in the world which

P Peter 06:29

we have some really fun stuff we do for you tonight. Ladies and gentlemen. Be some beauties. And all you queens in Houston. We have got some fun fun stuff. Now y'all remember last month, by the way, do you bring my tape to me? Yes, somewhere. Oh, good. Well, probably in the back. I certainly hope so. We have once again tapped into the Landover Baptist Church. Right. But the Landover Baptist Yeah, they're their cute little group I found on internet thing. And they have they put out their special little church bulletin. Last month we did the they had this big thing and as a lead story on the front cover of their bulletin about the Jar Jar Binks doll that was some sort of new sex toy for the young children in the universe. Right? Well, yes. Now you remember why remember that? Why three orifices? Yeah, seven foot tongue. At 220. In the morning, I told everybody they should throw out whoever it was. They're driving home and immediately run over to the all night Walmart and grab one because it would be obviously they wouldn't have to make a coffee in the morning, right? Anyway, this week. The Landover Baptist crowd has once again has a lead have a lead story on their little newsletter thing and it is about your friend and mine. Ricky Martin,

J Jimmy Carper 07:53

Ricky Martin.

P Peter 07:54

Reg key Martin. What's

J

Jimmy Carper 07:56

he been up to?

P

Peter 07:58

Well, he's happy that a 10 year old girls are getting pregnant by listening to his new song Living La Vida Loca which translates to living for the devil, but not really if you know anything about Spanish. But anyway, yes, the title of this article would be devout Satanist, Ricky Martin orchestrates a sexually motivated invasion on American route. So we have that today. Scare me and then not only did I keep looking through their bulletin this month, but you are not going to believe what I have found what I have found, according to the Landover Baptist, people that land over ladies expose the truth about tampons, ah, vow to quote stop Satan from pulling the strings. They call a tampon Satan's little cotton fingers are ungodly temptations. And when you play with fire, you always get burned. So we have a little we're going to read you those little fun things. So you all will know that case your mother your wife is using those you'll know like no, there's tons of Satan in the spawns of Satan spawn of Satan. And we have we have just hot hot hot hot, hot, so hot to get touch. The baby was burning Darwin Awards for 1999 More Darwin's the dark. Well, the dark this I guess evidently what we did the last time was the last year's top 10 I guess would be the Darwin nominees are again and the award is to bestowed upon the people who removed who are best removed from our gene pool. And now the top 10 This is for 1999 So we'll run through the those that will be voted on this year. And one of these will obviously win the highlight of the year. So we have a few those we have a few little joke ads. Cute little joke. It's better than the better than the lever alone cheese man joke that that most people didn't like but I thought was very cute. Leave it alone Cheeseman

Ω

10:20

any way to go. Yeah, but we are looking for that. But just see we are

P

Peter 10:25

looking for a liberal lunch is mine.

Ω

10:28

And she's available if anybody's interested. Yes, she

P

Peter 10:31

is. And she needs it. And

10:35

boy does. It sounds.

Peter 10:38

Did you? Did you know that? The police investigated this little thing this week? The police have just been way too cute. Of late. What was the there's another big mess going on our police department and where did I read about just last night? What happened? Some of the big mess over and above breaking into jerris? Twice. That all started back in June. Then they had the big meeting. Yeah. Then they came into a housing facility here in the city. On the auspices of investigating a 911 call. I wish the staff of this facility told him there was no 911 They went to the place open doors. Oh went into rooms unannounced without being led around by staff present. Oh, yeah. So they're just having a really great time on that one. And then they did something again the other day. Oh, God, I wish I could remember it was written in the paper and I thought you know you kids are boys, they matter rammed a guy's door was on the news last night. A black guy and his wife were in bed, they beat his door and came in toss the house. Did the whole nine yards, accused him of all this drugs that there wasn't it wasn't anywhere. It was a wrong apartment. No, let alone whatever, refused to believe him standing down that you know, had him and I mean, the whole nine yards and it was the whole wrong wrong apartment complex. It was like supposed to be like Willow something and it was Windover something new. Yeah. So they're just on a roll of being stupid. Wow. Yeah. So

J Jimmy Carper 12:18

I see many lawyers in the future. Oh, yeah. And they deserve it. Oh, god. Yeah.

P Peter 12:27

So this, this guy is asleep in his bed with his wife. And when there's a rat a tat tat on the door. And he rolls over and looks at his clock. I'm like, God, it's half past three in the morning. We go damn, I'm not getting out of bed for this, you know? And he thinks, Well, you know? So the NOC gets louder and louder. And she's his wife says, Why aren't you going to answer that door? So he drags himself out of bed and goes downstairs opens the door and there's a man saying his door. And it didn't take the homeowner long to realize that the guy was drunk. Oh, hi there. Hear me. I'll push. No, get lost. It's half past three. I'm in bed, and he slams the door. So he goes back upstairs and get some beers and tells his wife what happened. And she says Now Dave, that one very nice. Remember that night we broke down. It was pouring rain kit. We were trying to pick up the kids from the babysitter and you had to knock on that guy's house to get us started again. What would have happened if he had told us to get lost? But the guy's a drunk. Well, it doesn't matter. Now honey, you know, he needs our help and what would be the Christian thing to do? So the husband gets out of bed again and gets dressed goes downstairs and he opens the door and not being able to see the stranger anywhere. He shouts Hey, you still want to push? Here's a voice crowd. Yeah, please. So still being unable to see the screenshots. Where are you? He says I'm over here your swing when fighting and screaming

14/05

14:05

to have a little talk with you later.

P Peter 14:09

Oh, my baby. Liver launches mine.

14:14

Yeah.

P Peter 14:19

And we have a top 10 signs that you are in the wrong church. Oh, that'll be coming up. I'll bet

You're not gonna believe but I didn't get from it. But hang on. That's coming. What a friend of a friend of mine was telling me now get this. Yeah, children. You need to be safe out there. You need to be very safe out there. They were sitting just you know on the car. are having a smoke and finished cocktail with some was getting ready to leave. Yeah. Over on clay behind right behind Kroger and the big ol River Oaks. Yes, just there. came along 10 o'clock at night just saying goodbye to a friend who had stopped by jumped knife at the head who robbed Yes. Was clay and it is tacky because it was a couple of spinning people love Jesus anyway but then there was them and they came by and they park a lot of cars there from last stop and other places. Yeah. And some nice cars I mean when you're talking trash dumps we're talking to him W's and things and they think that they were looking like to find somebody walking into their car or blah blah or whatever. And nailed him right then there's got to be careful technical got

J

Jimmy Carper 20:58

to be careful. That's why we got to

P

Peter 21:03

say yes, they said the thing to do is not to yell help them but to yell fire. And they did indeed yell fire and three people have called 911 before they ever Wow. You know, so that was quite a

flop. I'd say also, we'll come to 7719 before they would come to seven seven double oh six. Oh, I don't know. They come a lot quicker to Brooks. I mean they do to face it. Please, you know,

♂ 21:31

he knew give him the benefit of the doubt got to

P Peter 21:33

oh yeah, that's why they know

J Jimmy Carper 21:36

we're frustrated with the graphs like really do and Q patrol of course always needs help and LA's call 713528 safe 5287233 and volunteer your time it's fun.

There's lots of camaraderie and you know we have fun going you know going around the bar area and and you know every once in a while there's somebody whose car doesn't you know has trouble or you know, or they're afraid or something so you know, we get to do stuff

P Peter 22:27

with three blocks away. Yes. dangers? Yeah, it's up to you to really volunteer. Yeah, and I have almost enough time to do that.

♂ 22:36

We might be able to meet somebody that I don't

P Peter 22:38

have any problem anybody. I don't have to go to Fort Worth and not getting paid to do it. Oh,

22:46

that's academy that kind of girl anyway.

P Peter 22:49

When did this change? I was like wait, listen, Jimmy. I've got to tell him this. Okay, I'm ready then saw that girl working it job at Miss paradise. Oh, honey, she Oh, Lord. I said baby at Paradise. She was a tramp at a home.

P Peter 24:46

Or favors? Or you know whatever.

Ω 27:52

Wait, I'm sure you would like to favor

P Peter 27:54

J Jimmy Carper 28:06

P Peter 28:12

Yeah, and then we ruin it having chocolate cake. does not need Oh, excuse me, believe it or not is 999

28:24

I think so. The get lucky to get

P Peter 28:30

ready for the Darwin Awards for 1999. This they'll be judged on here very shortly. Okay. These would be the awards that are bestowed on people who are best removed from the gene pool so they don't manufacture themselves anymore because stupid begets stupid. So the number one nomination is from San Jose Mercury News. An unidentified man using a shotgun like a club to break a former girlfriends windshield accidentally shot himself to death when the gun discharged blowing a hole in his tummy. He I bet she's glad he's gone. The number two nominee is from the Kalamazoo Gazette. James burns 34 years old and mechanic from Alamo Michigan, was killed as he was trying to repair what police describe as a farm type truck. Burns got a friend to drive the truck on a highway while burns hung underneath so that he could ascertain the source of a troubling noise burns close caught on something doing the speed thing right? Imagine that burns closed caught on something however, and the other man found burns wrapped in the drive shaft.

29:51

Pity and a ride.

P Peter 29:55

Really, I mean, you can imagining that you're going down the road This guy hanging out and he tried to figure out where the noise coming from the sounds hickory daily record, Ken Charles Barger 47 accidentally shot himself to death in Newton, North Carolina, which is right close to

the lead of a Baptist awakening to the sound of a ringing telephone beside his bed. He reached for the phone and grabbed instead a Smith and Wesson 38 Which discharged when he drew it near his ear.

30:31

Just a little bit. You know, you wonder why people are on this list.

Peter 30:37

Oh, no, we're so glad they're gone. Yeah. The number four nominee was the UPI from Toronto. Police said a lawyer demonstrating the safety of windows and a downstairs Toronto skyscraper, crashed through the pain with his shoulder and plunged 24 floors to his death. A police spokesman said that Gary hoy 39 fell into the courtyard of the Toronto Dominion Bank Tower early Friday evening, as he was explaining the strength of the building Windows to a visiting a law student. Coy previously a law student I love this hype.
