speaking of white are lovely friends and down in wherever. I think I think I want to do the Landover Baptist thing about the tampons first. We'll save Ricky Martin for just a little while longer since we all know and love Ricky Martin. We all know that he's really not the spawn of Satan.

16:53

However, Knights husband

16:57

in your dreams, but it loves day one. Yeah. Okay, baby. Well, listen, the Landover Baptist site which read you about Georgia brings last time in North Carolina pap Drebin pasture, Ebenezer Smith. I have once again our great research community has tagged in to their Sunday bulletin and we have found this little piece of whatever and it's really wonderful. There's a little picture here a little team picture. And this is about tampons and it says Satan's little cotton fingers. Why are ungodly temptations and when you play with fire you always get Burton this this lady putting a little tampon with little flames coming up around her little Dinah. Anyway, so the Landover ladies, this is the title of the article from Landover Baptist newsletter. The Landover ladies expose the truth about tampons. Vow to stop Satan from pulling the strings. Ladies of the Landover men ladies of Lando remember Miss Taffy Davenport Crockett visiting the Landover Christian pharmacy.

did once upon lifetime, visiting the Landover Christian pharmacy recently, to refill the church's tract display happened upon a shocking sight. A young woman was visibly upset and arguing loudly with the pharmacist and the main Martin. What Miss Crocker discovered was next sickened her and to the point of nausea worked, quote, The young woman was trying to buy tampons. Miss Crockett said, barely able to hold back her tears. I snatched the girl by the hair pulled her outside, there were children present. Can you imagine how they'd been damaged by hearing such evil ideas? I explained to this young lady that we were not to carry such phallic devices as tampons. And when she is and when attending her when I explained to this young lady that we do not carry such phallic devices as tampons, and when attending to her monthly curse, Martin said, adding that Satan himself controls the manufacture of those things. The young woman then began to verbally abuse her godly woman is only to use maxi pads Miss Crockett stated why they even have them with the little angel wings now and handed her a box and told her unless she wanted my handprint across her face. She was never out of that evil T word again. And when she went to vide woman then fled the store and humiliation. Landover security sketch artists are preparing a likeness to aid the identifying the young woman. Her salvation status is unknown. But based on this event, it's likely that she is hell bound. Can imagine talks Shock Syndrome is God's way of punishing the unsaved harlots who choose Satan's cotton fingers over a godly pad. Pastor deacons, Fred, stated upon hearing of the event, these playthings of Satan are created under the guise of the ladies hygiene product to bring the unsuspecting women and young girls into the fold of the towel. I can hear Fred say, I can church members are commanded to talk to their teenage daughters in search of their rooms, and to search the rooms to see if they have any souls are at stake and God is taking names added Pastor Smith. Miss Crockett has organized the ladies of Landover phonebank to spread the word and has called for both a letter writing protest campaign and a boycott in all stores who are found to carry the satanic sexual devices. manufacturers who create such vile products will be targeted for salvation, or failing that closure. Yeah. Miss Crockett has secured a cig have secured 624 foot trucks for us in her new ministry. Stop Satan from pulling the string. She and the other ladies have Landover plan a nationwide tour going city to city pulling what she calls the devil's delight from store shelves once clerks are distracted. Upon lady's return Miss Crockett plans a huge bonfire. We shall pray over the flames as we watch these evil devices. Go back to the fiery pits of hell from whence they came the fingers of Satan. Mrs Crockett said during your church news conference adding these things are created by Satan for pleasure and the young woman are succumbing to the Devil Without even realizing it. This is one battle statement not when her statement drew a standing ovation from the congregation. All church members are encouraged to join. Oh, you're gonna love this. All church members are encouraged to join in the barbecue and bring a covered dish as we will celebrate yet another victory over Satan. Marshmallows for roasting over the bonfire will be provided by the ladies of Landover Oh my due to the nature of the event the roasting of hot dogs will be prohibited for obvious reasons.

22:33

25:50

maybe blue? Maybe we're at if we're lucky.

25:55

Oh, and you know what? What? I don't think this is really what really, really, really screamingly funny. But one day Superman was feeling a little bit horny, so I began to ask his superhero friends. Friday is where he could get a bit of action. Do you hear this me? And Batman? He said hey, Batman, who's good in the sack. While Superman everyone knows that Wonder Woman's the best sex in comic land once you try her. I'd love to but Wonder Woman and I are friends and I don't really want to take advantage of her and darn shame, said Batman as he waved goodbye to Superman and drove off. 10 minutes later, Superman was flying over LA over the city when he saw the Green Lantern, patching up a building and he flew down he goes Hey, GL. I'm looking for the lakshan you're swinging sort of battle guy who's the best babe in comic land. To lengthen Hey, Superman, everyone knows that Wonder Woman is far and away the best of the comic land wants to try her. So when we're sort of friends, and you know, you know, I didn't want to realize she'd gotten around so much and he kind of flew off. 20 minutes later he flew. He was flying over a field when he saw Wonder Woman lying naked in the middle of a field with her legs apart up in the air. Well, Superman was tempted he goes Damn, doctor himself. I'm faster than a speeding bullet. I can be in and out. Before she even knows I'm there. So with a blur and a sonic boom, he was down and gown in and out. One woman laid staring up in the sky dazed. What was that? She exclaimed. I don't know said the Invisible Man. He rolled a room My ass is killing me.

27:43

Theater baby speeding bullet

27:44

sort of like Mustermann you have right misogyny.

27:48

You know, as Peter was saying, yeah. Tell me what's going on in your love life like

27:58

what's going on in your life?

28:00

I've taken a vow of celibacy. Right? Now celibacy on purpose. Why? It's time to. I mean, all this Landover Baptist stuff has just been gotten to me. I've decided then that maybe it's time for just abstinence and really getting right with Pastor Ebenezer. Having a spiritual moment, sort of letting it all go not being bound by the sexual promiscuity ease and Peter sort of being the HoH that Leslie is. Here No, no.

28:42

Should I take a temperature now? Maybe I think I can take it well.

28:47

Here's what really here's what just a complete Oh, all right. I didn't know I had a choice.

28:53

This is what you're trying to do.

28:55

This is what I think turned me in to my moment of sexual turn off. Yeah, time to sit back. Take inventory. Devout Satanists, Ricky Martin. That was just to keep orchestrates a sexually motivated invasion on America morality. One of the devil. This is again from our Landover newsletter, and he really isn't. Well, you know, the satanists, Ricky Martin laughs and is happy that young 10 year old girls are getting pregnant by listening to his new song. I don't understand all this anyway. One of the devil's favorite ways to corrupt a soul is through music. The Bible tells us that Lucifer was an angel of light, and that as he sat by God's side, he struck the sacred guitar before legions of angels, and it was he who was in charge of organizing

heavens hymnals I didn't know that. But anyway, but he was fell from glory. And since that ill fated day nothing has been but a boil on the backside of God for every fearing America. Canna Christian in this country, the Christians we need to keep our eyes peeled open for the devil's next move. He's a slick one. But for the Christ centered man he's easily to catch recently Satan has begun to raise the stakes in the holy culture war, in which we are currently engaged. In case you didn't know. Ricky Martin is the devil's latest innocent appearing way to sidetrack the faithful digital the

30:25

Miller did. He is He didn't have at the last of my song.

30:29

Well, he was you dated him? That's right. You told us that, and one that has possibly already snuck into your home and invited Ricky Martin's latest song living in lovey to look up. Land over linguists translate this as living for the devil in God's English. It's causing young girls to have sex and get pregnant at the age of 10. He didn't know that either. This Latin heartthrob recently dedicated his life to Satan reports recent reports indicate that he puts a banana in his pants and goes on stage what young impression it really doesn't young impressionable girls are then intoxicated with a frightening satanic frenzy. He has people staying up all hours the night dancing and sleeping until noon. This ringleader of immorality was blessed by the pope himself. I didn't know that either. pub called him an angel, my memory. We know that Mr. Martin is nothing more than the devil superstar recruited for Satan's army and after compromising his artistic integrity by leaving a satanic Children's Music Group Me noodle, which translates roughly to the intestines cooked in the soup as an offering to Satan. He hatched a devil's unplanned plan of unparalleled scope. He's orchestrating a sexually motivated invasion on the Protestant morality that has kept this nation intact for nearly 300 years. Imagine time for a new breath of life, I'd say. Anyway, this invasion, the invasion of the Beatles was a tiny threat compared to this one. Oh my we all know what that's all about. Racism is when someone knowingly and willfully does try to destroy a God ordained nation. The sex worshipping maniac is truly guilty of racism. He does the devil's work by twisting God's country into a model of his own polluted Sodom. Oh my god, this man. We have seen what influence has done this young man in Mexico and we don't care to have a done to America's youth. I tell you Yes. The devil has placed members of this hate cult in the highest parts of our liberal unholy government and entertainment industry. Here they brewed to hatch plans amongst their own kind. It's a wake up call America. Yes, it should be we need to stop these races. Try your local congressman tell them we are Christian Americans and will not sit idly by for the browning of America.

32:57

Be like chicken

33:00

can you believe this crowd? What will they think of next? Just only imagine? I mean? I mean, I mean. I mean. can you believe it? Ricky Martin the spawn of Satan. I would never have known

mean, I mean, can you believe it? Ricky Martin the spawn of Satan. I would never have known this.

33:12

Well, you know, when I had my cute he was just me. And

33:16

33:36

33:38

Do you know that after a long study, the National Science Foundation announced the following results of a corporate America's recreational preferences. Yes. 35:34

I have a Jewish husband.

35:35

I know. We go across the board to make sure that everybody is equally offended. At the theater. That is our point in life do our best we do we do if we can't then we can make it all happen here. Oh, here does an Irish family go on vacation.

35:57

Oh, I love that one. I've used that one before. Yeah, on this show. Ah, we've already been there on that one. Yeah. All right.

36:06

Where did they go? To a different

36:07

bar?

36:08

Very. Did you hear about the Chinese couple that had to retire to baby know what? They named them something wrong. See, now we're gay. Not gay. What do you call an Italian with one arm shorter than the other one? A speech impediment.

36:27

That's what happened to you love it.

36:29

Why aren't there we're just getting everybody in tonight. We want to make sure that everybody has. Why aren't there any Puerto Ricans on Star Trek? Why they don't want to work in the future either. What do you call an Alabama farm where the sheep under each arm?

36:47

36:50

liberal launches. What is the difference between a northern fairy tale and a southern fairy tale?  
I

38:13

don't know I'm afraid to ask.

38:16

That is dangerous

38:18

a northern fairytale begins once upon a time and a southern fairy tale begins with ya gonna  
... ..

believe this year

38:30

Peter Peter Peter What are we gonna do?

38:32

Say one of the magic words come to me at minimum Sorry for bad please come in with Colin

38:45

never to be Peters next husband.

38:48

Maybe if big Roy screening calls I'd be scared. Yes, the ground carry

38:57

that out does anything I've got to get sure

39:03

that we would just offend across the board. Hey, yeah, I mean, this show is meant to do those sorts of things. All you little queens out there and lala land on your covers. Yes.

39:14

And we

39:16

know that there's cranes everywhere kids Guess what? They're not allowed. And all you boys sitting down there and those you've H dusty dirty. Dorm Room. Smelling your roommates, dirty underwear.

39:33

Especially if you're an athletic dorm bar

39:38

for you to there's no yes how you stay weapons running around the track

39:42

once you get out of school to get those underwear you

39:50

get Peter you don't want to turn out like Peter.

39:52

Oh a

39:53

lot of people would love to not like Peter.

39:57

Oh, and how many how many have you turned out Peter? Your

40:01

babies although I look like cake the did.

40:08

Christina called and she said she it's great that you're talking about that website.

40:15

Yay Christina,

40:17

you need to go visit this thing. It is the absolute. Do you have the web address? Well, no, I just

know this is like Landover back Landover Baptist. And somehow or other I find it in our research staff was the first one that turned me on to it and then I realized that this was way too good to be true after I found out that the majority of them well and after we told the majority of the people last week driving home from the barns that they should throw that ugly monkey out sitting next to him in the seat and go to the 24 hour What's that story this days 24 hours and have most people that don't work they have no teeth in it what does that place they

40:59

when you go there most of the people don't you know the one I hope you 3d Anyway go Jar Jar Binks lifesized doll and when I found out about

41:10

anything I would have been taken over the bar at that moment would have been drawn out on the corner of Allen Parkway in Montrose Boulevard is either headed from my nearest thing and you don't have to make a coffee in the morning and you'll be there the next night the next night the next day don't get lucky. Oh, it's fabulous. Yes, three holes. Hey, shoe offices. That's what it said. It said here writing the thing was a big write up on it. Yeah, yes, he's right it from Landover Baptist. Someone walked in found a little son with his white hiney I might add those what it said I thought that was the best part of the day in the air and this Jar Jar Binks style I call me rich people can afford life size little animals but evidently but there are none on the shelves this entire town ever since last November since last month. Last month. We talked about this or and we're not going anywhere. And then

42:03

live in a small town our staff has

42:05

gone to everywhere from needless markup to Walmart and cannot find one of those anywhere. At any price at any price. No. Nope. So evidently,

42:16

well, I won't sell mine to you either.

42:19

Tell you maybe miss snap. Was that a gift from your husband to keep you busy while he was away? We're not going out of the bookstores

42:33

going to work.

42:37

I'm going anyway. I'm taking my family with me money returned at Goldman here with my little friend. Why can I bring my stuffed animal in here? Because we are bloody Barone. So when are you going to take me honey?

42:56

When do you want to go? Well, I

42:57

kind of asked you before a couple times because I just don't think I could ever do that alone.

43:01

Oh, there's nothing to it. You wouldn't be the first person I've taken. There's

43:06

nothing to it. She says the large big smirk on her face and a mouth formed in a round oval position. What do you mean there's nothing to?

43:15

Yeah, just riding a bicycle.

43:18

I'm not even gonna go there. I'm not even gonna go there. Loved ride bicycles are that long skinny seat. I say a lot of things at

43:29

the top. But riding a bicycle has not been one of them.

...

 43:33  
They don't have an exercise bike.

 43:36  
Please, please. Now it's all free weights. You get over here? Yeah.

 43:47  
You probably need a queen size bed. Queen size bed

 43:51  
to get to the executive room.

 43:55  
In the corner. Oh, see, she knows she knows. Me like to throw around. Once I will fall off a single bed certainly

 44:02  
one with a video screen. And it

 44:06  
really got to you have a real live person when you need a video for?

 44:11  
Well, maybe because you've walked the halls and not getting a rewrite. That's why

 44:20  
stay all night when you go there.

 44:21  
Well, that's only for six hours at a time.

44:25

And what do they do come and punch your card or something or what? bag and put you out on the street. And if you don't come and then well you're busy. Yeah. And then and then

44:40

page at least twice. Yeah. And you're in your condition, you probably won't be busy.

44:47

So what if they what if they go I mean, so they paid you and you don't come in the regime to go with them, but they automatically charge you for another six hours? Yeah. Oh, yes. So you're right in the middle of a hoody did time and they're gonna I urge you again for

45:01

six damn hours to get

45:05

it tasty six hours

45:08

and six minutes look just get your pop quickly and it's over and done and out the door I doesn't mean everybody some people know how to make the

45:19

45:28

On certain nights certain nights so you could go like on show night and watch the show and yeah, have popcorn. Yeah, whatever first. And then you're done with that and then they go. undercover people come to the office of broker gloves or as they sit them outside in the bag or something

46:00

closer in your room? A Wi Fi in your locker and your locker.

46:06

I see. And nobody bothers to

46:09

know Yeah, the key. I see you're the only one with a key right? I see

46:14

except for the guy running around with all the towels right? Yes. Who changes the sheets after you leave?

46:21

And when his case he probably need to Hey big brown stains anyway Oh. For whatever I thought those were skid marks. You know they could be

46:37

split up across the disgusting state of affairs. And all I asked you to do was take me with you for an evening. Have fun and look where this is generated

46:49

and it is a lot of fun because especially at Midtown, there's wonderful huge pool almost the Olympic size and a large large hot tub. dry sauna, wet sauna, and midtown. Yes you

47:05
