Hey, would you like to do something interesting? I know what a lesbian. Yes, I do. There's these two pretty lady that lived down the block that green house with three dogs in the yard. And I asked them why there's no daddy at their house. So they said it's because they must be Ed's. They told me it. Yes. And I've seen them kiss each other goodbye on their porch yesterday. I wouldn't ask mama if she knew what a lesbian was. She said she didn't know. So I told her she knows now. I think I will change by April either they have to lesbian or fake it sounds cute. And that's the truth.

It's a very very old one by Elton when he was still in the closet, but he does get the point across Ooh, squeeze that Big Dipper daddy. That was Elton John, in a very old song from his album. Gosh, a single man. How long ago was that? Gosh, that was 78 kids. Whoa, that is old. Ah, you're listening to after hours queer radio with attitude on KPFT Houston and KEOS College Station.
