 Scott Lewis 00:50

And you've tuned in to after hours a continuing tradition on world weird whatever radio 90.1 FM KPFT. To sassy for words. I'm in the bitchiest mood tonight. So I just want to bitch about everything. Like he's example. Like these earphones are too loud. For one, they're much better. What are we going to do tonight, Michael?

 Michael Crawford 01:20

I don't know. We're going to be playing lots and lots of music.

 Scott Lewis 01:24

And why is that? Because I didn't play.

 Michael Crawford 01:27

Yes, yet another unprepared queen, but lots of Martha wiced

 Scott Lewis 01:32

Oh, that's right. We have a Martha wash giveaway. Tonight we're going to have how are we going to do that? What are we going to do? Because we have some Martha wash cars, singles, some posters. 12 inch, 12 inches singles 12 inches fee.

 Michael Crawford 01:56

I think we can give it away to various ways. trivia question seems to be the you know the mode of the day.

 Scott Lewis 02:01

Okay. So we'll we'll be doing that. I have some passes to heaven. Some some comp passes to heaven.

M

Michael Crawford 02:10

We won't say what he did to get those ill or who?

S

Scott Lewis 02:16

What else do we have? We also have coming up. We're not going to play one this way out tonight. Because it found its way out the door. We're going to play an interview that Brian Bradley did with David mitzner who is Bill Clinton's aide or advisor on gay lesbian issues. And

M

Michael Crawford 02:36

he really took the lead in terms of raising funds for Bill Clinton when he was running for president. And recently he slammed the hell out of Bill Clinton in the press for our Clinton suggesting that well, maybe we can segregate those queers from the heterosexual soldiers.

S

Scott Lewis 02:50

Did you see em TVs? weaken rock today? They did a deal on a spot on gays in the military. Well,

M

Michael Crawford 02:56

I must say that I probably the only queer in the history of the world. That does not have MTV. Oh, Jimmy doesn't have it. But well. YEAH.

S

Scott Lewis 03:09

Jimmy gets VH one There you go. We're also I mean,

J

Jimmy Carper 03:14

I know dear I don't own a television machine.

S

Scott Lewis 03:18

Oh, that's That's right. Well, you know, he he thinks it's a phase he thinks they're never gonna make it actually.

J

Jimmy Carper 03:23

— Actually I do for my video.

 Scott Lewis 03:28

The art. Oh, the video collection. Where do you get that video collection Lobo or Richmond news and video? Which one? Is it Jimmy? The closest one to where I live in that the French Quarter.

 Michael Crawford 03:41

I know they rented they don't

 Jimmy Carper 03:44

know Bo and there's we deliver right here in the Montrose

 Scott Lewis 03:47

for all your adult entertainment needs.

 Michael Crawford 03:51

Yep. And I've kind of decided I'm gonna declare myself, you know, resident after hours art bag. And so we're gonna be promoting cultural events this evening.

 Scott Lewis 04:01

Oh, okay. That'll be kind of festive. Yeah. Well, let's go to the queer music zone, which is always my favorite part of the show. Well, maybe

 Michael Crawford 04:10

if you get your ass out of that seats.

 Scott Lewis 04:15

I can take a hint.

 Jimmy Carper 04:17

Whoa. Where are those cats tonight? Who needs Brian Bradley when we've got Scott and

Michael together.

 Scott Lewis 04:28

I need to mention that Brian is not here because he has taken her as that bitch. She's in her car. Oh, she's in her car on her way to the March. No. Yeah. And well, you know when you get a little older like Brian is you don't drive as fast. Why say it takes you a little bit takes a little bit longer and it's a 24 hour drive and well he gets tired. A good week. That's right. So he's driving three hours a day so hopefully he'll make it on time. And I only say that because I know he's out of town and can't hear this And I'll

 Jimmy Carper 05:01

give him a copy of the day. Hi, it's Jimmy with QMZ, the queer music zone, right here on after hours a continuing tradition. KPFT Houston, 90.1 FM World Radio for the people. Yeah. And tonight, we're gonna kind of start, we're just going to start off a little slow. Play something that you're familiar with. And we're going to do a couple of things that you're probably not too familiar with. So starting out, is our good friend, boy, George. And Yap, you know what it's going to be. It's going to be the crying game. So let's get to that, shall we? Whoo. Yeah. Boy, George, in the crying game.

 Michael Crawford 06:03

And can we say that Scott Lewis actually spent 12 bucks \$12 to buy that. That record

 Scott Lewis 06:11

released that was six months ago when it wasn't available here to just come out and some one of our listeners had called in and said, I want to hear something boy, George. And I told him, Well, he has this new single out with the Pet Shop Boys. I said, I'll play it for you next week. So I went and bought it. And I had no idea that it would actually be a hit all and remember how much we hated it.

 06:33

We did. We thought it was really lame. We hated it. And we played it once. And that was it. And we said we'll never play it again. Okay, you know, we can be wrong. You can tell we're volunteers. That's how we we knew better. We'd get paid. We can be wrong. We can be wrong. Yeah. Well, usually I like to play a couple in a row. The QMZ Queer music zone where we feature Oh, oh, I'm impressed. Thank you feature music by gay lesbian or bisexual artists or queer artists as that but everybody that I'm playing tonight needs a little introduction because you may not have heard of them or you may not realize that they're queer. If you didn't know bar Georgia square, then I need to come in every Yes.

M Michael Crawford 07:20

Okay. The drummer from Culture Club. Yeah, on Monster cute when they were boyfriend's.

J Jimmy Carper 07:26

Yeah, yep. But but he was like in the closet or something. Right? And he was like, didn't want anybody to know and we're just kind of stuff and it's like,

S Scott Lewis 07:35

George had an affair with George Michael and then George admitted it to the New York Times. Michael denied it right.

M Michael Crawford 07:42

So I did like, way back when when Joey Stefano was paid by David Geffen to have sex with him. Really Joey Stefano? Yes and then he came out and told everybody it's like he did this to me and this and this and this and we all know the joys to find him it's probably like the best bottom and all the porn

J Jimmy Carper 07:59

Oh, absolutely. Absolutely. So and he's been he's been the best bottom for as he was the one that's that that proved that you can be a bottom and be successful in the porn industry usually it was like okay if you become a bottom then you make two movies and you're over with but he's been in there for several years now.

S Scott Lewis 08:20

What so what else did he do like this and this and this be more specific I want to know choice to follow is too cute.

M Michael Crawford 08:27

Well David plugged him here and here and here while plugged him up the but in the mouth and virtually any orifice that a boy can you know be plugged in. Wow.

S Scott Lewis 08:41

Any figures mentioned.

M

Michael Crawford 08:42

Now it didn't mention figures but he said that he was paid and he was you know,

J

Jimmy Carper 08:47

well these guys are not making porn just for the movies. I mean that it's the guys that make porn movies. These they don't make money at it. They make like \$500 today and that really is just the advertising for their

M

Michael Crawford 09:03

escort services. Yes,

J

Jimmy Carper 09:05

thank you. Wow, okay, we got through that one. Now. Let's go. Go on to someone we featured last week because she's out of the closet. Melissa Etheridge finally came out of the closet. And we did a did one from her from her last week and I want to do one from her. See which album Melissa Etheridge album okay the red one. So she's got to look it up in the sky. Keisha, have it there. Anyway, I want to dedicate this one to Sally over at Inklings, because this is Sally's very favorite Melissa Etheridge number and I kinda like it too. Mm. Yes, yes. So here we go.

♂

10:03

Whoo hoo yeah Melissa Etheridge doing Sally's favorite Sally over it Inklings. Bring me some water. We'll be featuring a lot more Melissa cuz she's a really great rocker. What do you think Scott?

S

Scott Lewis 10:20

Well, I've never seen her rock but she sure sounds good. And if salamander over there at Inklings likes her, she has to be

♂

10:26

good. Okay. Okay.

J

Jimmy Carper 10:30

If you've been listening to after hours lately, you've known that you know that we've been featuring some queer punk music that we want to be on the edge of, of all the new artists that are coming out, but I got to thinking, you know, how, how about some of the artists that were

are coming out, but I got to thinking, you know, Hey, how about some of the artists that were around a couple of 100 years ago that were queer? Some

∅

10:50

of the ones you dated? Hey,

S

Scott Lewis 10:52

but Jimmy, we don't want to be too on the edge. Because there's some people listening out there that would come push us over. Just get rid of us.

J

Jimmy Carper 11:02

Well, I have something special tonight. Because you've met this artist. Yes. As a matter of fact, a couple of 100 years ago. Well, the artist, not the composer, but it's a double whammy. We've got a bet it was virtual Fox doing well he virtual Do you know what virtual Fox was? I saw the

S

Scott Lewis 11:23

pictures that you have a department but I don't think we can talk about those on the air.

J

Jimmy Carper 11:27

No, no, no, not that one.

S

Scott Lewis 11:31

That's a different one virtual farm they just all blend together to her to

J

Jimmy Carper 11:34

Fox was a great, great organist. Pipe Organ.

S

Scott Lewis 11:40

Yeah, I'm sure he knew how to play with your five certainly.

J

Jimmy Carper 11:46

And he's doing he does this piece by Marcel do pray Prelude And Fugue in G minor. I can hear

everybody groaning on on the other end. Hey, wait a minute. Wait, wait before you hear this. This is virtual Fox. I mean, this. This is like nobody you've ever heard before. And I'm doing this because Marcel to pray was gay. The writer and Virgil Fox was certainly gay. I met the man about 25 years ago. He died in 1980. But he was in town and he did a concert and he was just fab who apps lately. I mean, just imagine in the late 60s Some guy doing a concert at First Presbyterian Church downtown because they have this great organ and he comes flying out onto the altar in this black cape lined in red now whoa la Liberace? No, it was great. It was

S

Scott Lewis 12:43

large Do you think he could be

J

Jimmy Carper 12:45

Yeah, no but he cared he cuz he's so great. So hey, this is kind of a neat piece it's it's a little like I no no don't it's not exactly alike. But it's similar to you know, you know, Tina Turner doing the the famous Proud Mary routine where she does you know, she starts out really slow and they do this kind of this Proud Mary and she does it as this this kind of bluesy ballad and then she breaks out and all hell breaks loose. That's the way this is it starts out really slow and pretty. And I mean just just imagine this guy up here is playing with you know, like both hands and both feet are working this Oregon and he's he's going slow and then all of a sudden he breaks out and gives it I mean all hell breaks loose. So where

∅

13:42

do I line up here we go.

J

Jimmy Carper 13:45

Virtual Fox doing the Marcel do pray Prelude And Fugue in G minor.

S

Scott Lewis 13:55

And when he's done with that he can come play my work and

J

Jimmy Carper 14:06

Whoa, there we go. That was Marcel to pray to Prelude And Fugue in G minor done by virtue of Fox

S

Scott Lewis 14:15

boy he certainly knew how to work his fingers around that Oh yeah. Honey fingers on his feet at

the same time. You don't know what that does to a person well, you do you met him?

J

Jimmy Carper 14:29

I have a lover at the time.

S

Scott Lewis 14:32

Oh, like that stuff. She now I know. Oh, God. Oh, thank god Stanley's in Finland. Station goes far but not that far.

J

Jimmy Carper 14:42

I was in a sassy mood that day. I see Well, I just kind of pissed that we were promo in this woman who didn't even send us tickets to give away or anything but if Lucci is involved in it's okay with okay. Okay, now I just want to pitch tonight. Yeah.

Yeah, and you should really get that issue not only because Johnny Depp's on the cover, not only because of the suede interview, but also because the it goes on about how military drag is the new fashion statement. That's

J

M Michael Crawford 18:13

this is a point of pride a minute of gay and lesbian history. April hosts the birthdays of talented and historical gays and lesbians. The Danish storyteller Hans Christian Andersen was born on April 2, almost 400 years apart. Leonardo da Vinci and American novelist Henry James share a birthdate on April 15. Playwright Thornton Wilder creator of our town has his birthday on the 17th and on April 25, in 1284, Edward the second king of England was born. The last day of April marks the birthday of a woman best known for her lover Gertrude Stein. April 30 is the birth date of Alice B Toklas. This has been a point of pride, written by Mike Cheswick.
