 **Scott Lewis** 00:03  
lamb Pickens,

 **Michael Crawford** 00:05  
I said that we go and take up a cafe Brazil. Hey, good friend, Dan Levy.

 **Jimmy Carper** 00:10  
Is that clear room?

 **Scott Lewis** 00:11  
It is cool.

 **Michael Crawford** 00:12  
It's not queer own, but they're cool. And it's the best coffee house in town, so we might as well go no, I

 **Jimmy Carper** 00:19  
have never been there. Oh, it's great.

 **Michael Crawford** 00:21

Really cute. Or is it was Dunlavy

S

Scott Lewis 00:22

at Westheimer okay, but you know what, you're never gonna get them out of Charlie's. You're never is. And I can't believe queens go in there. It's the ugliest damn restaurant you've ever seen those bright orange Denny's looks better than this. And food's horrible and the service is worse now. Now

J

Jimmy Carper 00:37

now it is the gate that he's abused. Well, before that we didn't have any

M

Michael Crawford 00:42

but but you know what it is now?

S

Scott Lewis 00:44

It's totally it's just like this whole thing we were talking about earlier have taken the crumbs because they wink at us from across the room and we take this garbage of a restaurant down here on Westheimer that is just a trash dump. And we go in there and we throw money at them. We get crappy food. We get crappy service we get a crappy atmosphere and honey the carpet blind for me it's so bright now. Novel we and we just keep going back and and

J

Jimmy Carper 01:19

it was last night. You know after after the show I do on Friday nights esoteric adventures. I went out with Jim and we went to the house of pies and we had awful food and rotten service and yeah, we left the place thinking you know well you know Charlie's isn't so great has surprised us and so great. But where are you going to go to eat at three in the morning? Well my house

M

Michael Crawford 01:40

I think the thing we should do is we need to flood Barnabus Cafe what two or three? Fairview yeah Fairview we could flood Barnum B's at all hours of the day, you know and go up to 11 we already are flooding him the manager's name is Yeah, tell him that we need a queer place at 24 hours a day we do and to stay open 24 hours all the waiters are cute. At least the boys are. I haven't. Okay

S

Scott Lewis 02:10

20 is still works there Yeah. Beautiful

20 IS STILL WORKS THERE TEAM. BEAUTIFUL.

**M** Michael Crawford 02:14

Yeah, so I mean there are some cute you know dykes and some cute fags, you know. And it's art on the walls. There is

**J** Jimmy Carper 02:23

art there is old pictures of Greta Garbo. Greatest absolutely the greatest chocolate dessert ever made. Ever Made. It's that that rectangle that rectangular thing. That rectangular thing with

**S** Scott Lewis 02:39

the Belinda bone on? Yeah, that that began

**J** Jimmy Carper 02:42

eat the whole thing. You have to share it with somebody so good. I

**S** Scott Lewis 02:49

love it. When you find a bone. That's so good. You can't eat. You just have to share it with somebody else. Friend. Yeah. If you have a bone that needs to share, you need to share with someone five to six KPFT right now we're taking care of you know that we were talking about getting them to do something or getting them to come out or getting them to, you know, do say something or not going to charge whatever, you know, we give stuff away over the radio, we give them things and they don't even call in. So do I sound too much like Buddy Johnson? No, no,

**J** Jimmy Carper 03:25

no, not yet. I'll just I'll just go off and sloppy when? It's because I didn't know the answer to the question, dear.

**S** Scott Lewis 03:35

Well, no, I know. But still, but I don't know,

**J** Jimmy Carper 03:39

either. What we've been talking about the March on Washington. And I don't know that we've

we've given enough focus. That is the march for gay lesbian and by and transgender all the

**M** Michael Crawford 03:54

way way way we should talk about the transgender report. Yes. reactionaries in the queer community didn't want the word trans general to be in the official title really? And I don't know that it is it stopped by and that kind of, you know, pissed me off and pissed off some other people. They didn't want to include transgender roles in the title in the Title it's it's it's on the platform. Which I'm sure is one of the reasons that Republicans are not going to be there forever.

**J** Jimmy Carper 04:24

Is it because you know, it makes the title too long and like one more

**S** Scott Lewis 04:29

word I mean, it's already the March on Washington for gay lesbian and bisexual equal rights and protections no and liberate and liberate whatever one more word is not going to kill them. It's

**J** Jimmy Carper 04:41

the march Mary okay.

**M** Michael Crawford 04:43

For everybody. Well, except for us because we're not going to be there.

**J** Jimmy Carper 04:46

Yeah. We will be represented and we will be here holding down the fort. Anyway, my point being is that we there's not a whole lot of music out there for bisexual people.

**S** Scott Lewis 05:00

There's not a whole lot of anything out there for bisexual. I know it's a community that's unaddressed.

**J** Jimmy Carper 05:04

Not only that there are there's a big faction in the gay and lesbian community that doesn't

believe that bisexuality even exists.

**S** Scott Lewis 05:12

And there's a big segment of the heterosexual community that doesn't believe the bisexual community exists.

**M** Michael Crawford 05:17

We all know Randy fields, right? Yeah. Randy fields as bisects Yeah. Yep. I added him on there. Good. But I did see this. Oh, he's

**J** Jimmy Carper 05:26

talked about that. Oh,

**M** Michael Crawford 05:28

I'm sorry. I've always wanted to ask somebody

**J** Jimmy Carper 05:30

to read. Oh, sorry, I didn't steal your thunder.

**M** Michael Crawford 05:34

I saw this story, I think was on day one. It was about bisexuals. Okay. And it was really bad because the whole focus was bisexual men as a way of infecting women with HIV. No, I saw I mean, I had problems with the premise. But then the woman kept referring to like the homosexual acts being homosexual liaisons. They weren't homosexual relationships. They weren't homosexual sexual things. They were homosexual liaisons because

**S** Scott Lewis 06:05

in her mind, they only ever happened in a bookstore or in a park or in a back room of a dirty dark bar.

**M** Michael Crawford 06:12

Yeah. And the whole show was oriented towards these really dumb guys. I mean, there wasn't like a lot of stuff on bisexual women, which I found it offensive. So now they're having their entire show, which is coming out what later today. The entire hour is dedicated towards Jeffrey

Dahmer. So I think we can listen, you know, into that and hear another round of

S

Scott Lewis 06:39

psychotic homosexual beats. Oh, as something else I want to bitch about tonight. Did you say that these s o bees that attacked this queer in the queer bar and said beat him up saying Clinton has to pay were acquitted. Yes, I

J

Jimmy Carper 06:56

know. I know. Yeah.

M

Michael Crawford 06:59

And you kind of wonder, why did we write the way folks did in LA when the people who beat up Rodney King work with it last year? Because

S

Scott Lewis 07:06

girl they're having 25 cent cocktails tonight, and I don't have time. Probably something else I want to bitch about. I

J

Jimmy Carper 07:17

know, is it? Is it the fact that it was a port defense or, or? Well, good. The judge

S

Scott Lewis 07:24

says supportive. They said the prosecutor is not present their case. Something else I want to bitch about, okay, the judge in the pub or Sarde case has just postponed once again. We are to friggin years down the road. And we have four convictions out of 10. Two years later.

J

Jimmy Carper 07:49

That's not very unusual for this judicial system. Well, actual lawyers for for those kids. I mean, it's their job. To get it.

S

Scott Lewis 08:04

Actually two years is unusual. You a year is usual, a year is normal. But two years is unusual. And while

 Jimmy Carper 08:18  
maybe you know more about

 Scott Lewis 08:20  
I mean, it does drag on for a long time. But it is especially in a in a high profile case like this is it's unusual that the Sicily when case that happened at the same time, it was resolved nine months later. So the judges postponed it again, from the first of May to the first of June, which is no good for the DA. So now they want to postpone it till the first of July, which is no good for Paul's mother who doesn't want to go through that kind of garbage on the second anniversary of his death. Which means it's probably going to be postponed till August. And I'm getting tired of waiting

 Jimmy Carper 09:02  
and they're all They're all hoping that's just gonna just go away or something.

 Scott Lewis 09:06  
And another thing that pisses me off. Yes. Remember? Did y'all ever listen to one? Oh 6.9 When it was talk, it was a talk right? Oh, yes, it was so off. It was talked for like two weeks.

 Jimmy Carper 09:18  
And yeah, they would record length and play them over again.

 Scott Lewis 09:23  
Yeah, it was pretty sad. But she would have loved this one girl Her name was Laurie. It was so funny. Diane waves had a crush on her. What ever

 Michael Crawford 09:34  
woman say it sad

 09:37  
Wileman

S

Scott Lewis 09:38

Wellman with a why Okay, does that make even happier that I say? Thank you. Um, she would have pissed piss you off Tuesday. And so you'd call into your show and tell her what pissed you off. It was great. I loved it. I tuned in every week.

J

Jimmy Carper 09:58

Every Friday Two weeks for both of them for both Oh, why don't we go

S

Scott Lewis 10:07

ahead, you know sad as KPFT gets better ratings let's do speaking of bisexuals as we were Yes, let's go to a song by living Kelvin color called guests take a stab in the dark. What do you think it is called? Come on try

S

Speaker 17 10:37

this is a point of pride a minute of gay and lesbian history 1000s gathered for the March on Austin for lesbian and gay equal rights on April 30 1989. The marched to the state capitol was the main draw, but many other events occurred. A mock trial outside the Supreme Court criticized officials for bad records on equal rights and aids issues. Harvey Brett the gay San Francisco City supervisor spoke at the main banquet. Other events featured Texas MCC churches, gay and lesbian atheists, the people of color caucus, the names project and the blood sister blood drive. In April 1993. The spirit continues with a monumental march on Washington. This has been a point of pride, written by Mike Cheswick a public service announcement from the gay and lesbian switchboard of Houston.

S

11:36

Hey, would you like to know something interesting? I don't know what a lesbian is? Yes, I do. There's these two pretty lady that lived down the block that green house with three dogs in the yard. And I asked them why there's no daddy at their house. So they said it's because they are must be Ed's. They told me it. Yes. And I've seen them kiss each other goodbye on their porch yesterday. I would ask mama if she knew what a lesbian was. She said she didn't know. So I told her. She knows now. I think I will change my day from either bad to lesbian. I think it sounds cute. That's the truth.

S

Scott Lewis 12:23

I just love that thing. And I love Lily Tomlin is just I don't know this thing. She's a great. Well, I found out that there are a lot of you out there who don't have broken fingers. Because when I said give us a call if you don't have a broken finger, the phone lines lit up. So I'm happy to know

that no one has any broken hands. And we've had a lot of fun taking these phone calls. So if you're out there and you still and you as well don't have a broken finger. You can call us at five to six KPFT it's amazing what you have to do to get them to call.

 Jimmy Carper 12:56

Oh, I know. I know. Not to change the subject but I wanted to mention we were out at a place tonight. A new bar. Larousse Yeah, over on OS t 4107. Os T It's called Le Ruse

 Scott Lewis 13:13

and we she just set us up because we got we got t shirts and

 Michael Crawford 13:20

of course God got extra large windows cat

 Jimmy Carper 13:26

right behind you but it's a it's a fun bar at tonight was opening night and there's going to be drag weekends and there's a dance floor and boy what great music

 Michael Crawford 13:41

and it's different from what we used to hear in the bars. It wasn't disco.

 Jimmy Carper 13:46

And it's not in the Montrose it's you know, 4107 os two

 Scott Lewis 13:50

is tea. And just a wonderful it's a her name Stephanie. That owns it. And she's on the phone here. I want to talk to her just a minute. She's on the phone. Oh for just a minute about Yeah. No, she's not on the phone.

 Jimmy Carper 14:12

Oh wait.

S

Scott Lewis 14:13

I've been misled. I thought it was really neat because it's out it's not in the Montrose it's kind of out a little bit. I don't know where it was. We got there. I don't know how we got there because we were all lost on our Old Spanish Trail but it's out on Old Spanish Trail and just a neat lots of tables and you can sit around and the music was great. I loved the music. She's

J

Jimmy Carper 14:38

looking for a very mixed crowd or you know, men and women Yeah, really black and white. She said everybody bar and I really

S

Scott Lewis 14:45

liked that I really like and I really liked the t shirt she gave us because it said it said opening night opening night at Larousse here's what we have on our laurels Houston, Texas Grand Opening Saturday, April 17 1993 I was there where were you exam? I love it. I love it. So sassy. I'm in necessity mood tonight. So if you're in a sassy mood, you can call us at five to six KPFT and we'll be sassy together. Oh my

M

Michael Crawford 15:15

God make an announcement please anything. Thank you. I got a call from a really cool gentleman who thanked us for saying nice things about bisexual Oh, but he was wondering if anyone out there would be interested in putting together a car caravan to the Martin Washington and, you know, meaning historic event when the bed is a great place to get paid. And if you're

S

Scott Lewis 15:39

an if you do that, you know you're going to be equal with me and maybe over my point system.

M

Michael Crawford 15:43

When I go into the market, I'm not getting laid until you do again. But if you're I would be interested in getting together with this person on you know, caravan into the march in Washington. Call us at the station at 526573852 6k P F team.

J

Jimmy Carper 16:01

Okay. And it's good.

S

Scott Lewis 16:04

And if you're not interested, call us at five to six KPFT just call us call a Cisco wireless. We want to talk to you. We have things to say we know what you want. We know what you need. Not World Radio. Okay. This

**J** Jimmy Carper 16:20

I don't know. I'm just trying. Just trying to do that husband hunt stuff, you know, and I you know, I keep saying no, honey, you can't do that. No more.

**S** Scott Lewis 16:30

Huh? Did work the first time? Oh, yeah. Look where I got me the first time. You know what,

**M** Michael Crawford 16:34

let me tell you wait, but Eric couldn't the last show that we did? Yeah. I

**S** Scott Lewis 16:38

met a guy. Oh, yes.

**M** Michael Crawford 16:41

Well, wait a bit I probably shouldn't be telling.

**S** Scott Lewis 16:46

A guy called in in the last show. His name was Michael. And he. Eric started talking to Eric said, Well, hold on. And he went out in the lobby on a talk for ever out there. What's happened since I haven't talked to him. Well,

**M** Michael Crawford 17:01

Michael has a great record collection. And I'm not saying anymore.

**S** Scott Lewis 17:05

You don't have to where does he keep his records in his bedroom?

**M** Michael Crawford 17:10

 Michael Crawford 17:10  
I'm not telling Eric will kill me. He's my best friend. But he will kill me.

 Scott Lewis 17:13  
So say you can you can make a match.

 Jimmy Carper 17:17  
I don't know what I can say in the situation like this, you know, because we don't get paid for doing this. This is all volunteer, you know. So normally, I would say don't get your meat where you get your bread baby.

 Scott Lewis 17:28  
But we're getting any bread. Okay.

 Michael Crawford 17:30  
And you remember last week? Among my guests were Lesley. Yeah. Okay. Now Liz is a photographer in addition to being an Asian diet and a really cool political activist. But apparently, some woman heard her on the air and wanted to meet her. Oh, and I think they had their first date night. I haven't talked to Liz.

 Scott Lewis 17:50  
Do you want to call us five to six KPFT

 Jimmy Carper 17:53  
Stanley's you know, at a town until May and I go home alone every night.

 Scott Lewis 17:58  
Oh, you the only reason you go home alone every night is because you take care of business while you're out. And I've never heard that out of your mouth until now.

 Michael Crawford 18:09  
How does that explain why you go home alone?

**J** Jimmy Carper 18:12  
Yeah,

**S** Scott Lewis 18:14  
I think it's by choice. Or I'm too choosy. Or nobody's called.

**J** Jimmy Carper 18:21  
Gotta have romance and all of that. You know, she's got to have about 10 dates before she puts out.

**M** Michael Crawford 18:27  
Well, I only need 10 minutes.

**J** Jimmy Carper 18:31  
Baby if you don't put out on the first date you don't get a second one so we haven't wide yet about making a match. He said. Oh,

**M** Michael Crawford 18:49  
here we go again. What are we gonna do? Let's go for him in a coma please. Right up here.

**J** Jimmy Carper 18:55  
The top one.

**S** Scott Lewis 18:56  
That's the tie. Who's the top? Oh God, do we have to go through this again? Are you the top or am I the bottom? Oh, girlfriend in a coma? Yeah. Is this about Walker Riley's wife and wow, that was that was um, girls in the nose. I tell you. Those girls are so sassy. Those girls in the nose girls. Now you know they're going to be at the Texas lesbian conference.

**J** Jimmy Carper 19:33  
Speaking of that verse, that Texas information what app

 Scott Lewis 19:38

it's May 2122 23. It's at the Stouffer President day hotel. And girls in the nose are going to be there. sexpert, Seabright, Susie sexpert her and I need to talk. poet and author Akash to haul Dr. Nancy lead Josie just all sorts of people didn't didn't Denise Frankie, the therapy, the therapy sisters are going to be there. Yeah. Well, no, that's a hell of a double bill the therapy sisters and girls in the nose. And roommates are roommates. roommates are \$79 for up to four women. room rates are \$79 at the Super Presidente Hotel, which I went to. That's okay. Well, that should be fun. Phyllis Lyon and del Martin, who authored lesbian women are going to be there so that's gonna

 Jimmy Carper 20:41

be okay. I want to do one more song and it's an oldie, but it's, I want to dedicate it to all those folks that are going off to Washington for gay, lesbian, bisexual and transgender all rights. Okay,

 Scott Lewis 20:58

okay. What's it called?

 Jimmy Carper 21:00

It's Gladys Knight doing something.

 Scott Lewis 21:03
