Jewel Gray 00:03

You are a bold and courageous person afraid of nothing high on a hilltop near your home. There's Dan's a dilapidated old mansion. Some say the place is haunted, but you don't believe in such myths one dark and stormy night a light appears in the topmost window in the tower of the old house you decide to investigate and you never return? Of course you know what a fuse he is, it's a long piece of cord impregnated with gunpowder. When the strike a match and lightened, it burns fitfully sparingly to its end of which there is a little surprise I would blow it either life thought there was going to be a huge explosion didn't. Once as a child you were frightened by a huge snarling dog. So the dog is called Man's best friend by me. You have hated and feared dogs all your life. One night, as you lie in your lonely room in a stone hut on the Moors. You are weakened by a sound in the dust Peace. You are an expert woods and you have a very long and very sharp saw under your arm as you go out into the woods to ply your trade. Noting a handsome tall tree, you climb up into its branches and seating yourself comfortably on a limb you begin to work. From the time of the ancient Egyptians until today, many people have been tap dancing as you are such a person. Your cat is a big, beautiful black animal. His appearance as much like a panther is a cat. Your pet is a very friendly one. Each day as you come home from work, he shows you His affection by Peri and rubbing his sleep for against your legs as you reach down to scratch his head until one day. Are the master of a giant passenger liner? You carry hundreds of happy souls on a holiday cruise. Along rocky coast, you encountered dense fog Are you too near the shore with its crashing surf and jagged rocks? Then proceed cautiously. You leave the bridge to go below and reassure the passengers leaving the bridge and attending only for a Moment You are exploring a rugged, mountainous region of jagged peaks and yawning chasms stretched across one black and bottomless Canyon is a wooden suspension bridge. You must reach the other side and carefully you step out onto the bridge it's weighs dangerously with your weight but it seems safe enough Okay we're back. Yeah, Jim is gonna have foursome. So we're gonna give away some tickets. Are you already out there we are. And we're gonna give these tickets away. Make sure to tell the ticket winners that the tickets can be picked up starting Monday November 1 during an only during the regular business hours nine to five here at 1400 for 90 or 19 for just 1400 for 19 Love it at the KPFT radio station. sound like a guy who's stuck it? Leather night to rip cord I love I love it. Okay, so three callers three, four and five. We're gonna give away set of tickets. So give his call of that album for free. We got to get a rattle got a metal rattles I mean, that's me. Okay, better. Maybe it's my earphones. We got Rocky Horror Picture Show. **J** Jimmy Carper 15:32

Yeah. We basically did a whole southwest area Katy buffalo, whatever.

**J** Jewel Gray 15:36

And actually, I was just joking about whether there are gay and lesbian people out there. I know several people who own little small little what they call spreads out there five acre ranches. You know, they and they think they've gotten away from it all out there. But we know that it's just a matter of time before bottling near annexes them out there. So. So very soon you guys will be part of Houston.

**J** Jimmy Carper 15:58

Alright, group from 13 to 21 By the way, 13

**J** Jewel Gray 16:01

to 21 Great. Another team group. I really like that. Have you connected with any other team groups and hats? And how's that been going?

**S** Scott Lewis 16:11

Oh, supposed to go the meeting? I think it was yesterday, but I couldn't get right down there.

**J** Jewel Gray 16:16

What a drag. It's a drag being young and without wheels. Let me say Okay, good. Well, thanks Scott for giving his call and there's no about galore and send us some information here at KPFT. Your flyer, and we'll certainly talk about it when we're doing community news. Okay, thanks, god. Okay. Bye bye. All right. That was Scott with galore.

**J** Jimmy Carper 16:36

No, that was Joseph. I'm

**J** Jewel Gray 16:37

sorry. I'm thinking about school. Yeah. That was Joseph with Glor and you can reach them. Their support group out there and Richmond Rosenberg Avineri for a leaf. A leaf. Alvin's on the other side. Yeah, a leaf area. And they're a teen support group for 16 to 21. Did he say? Believe? 1414? That's right. He did 14 to 21. So that's a big group out there. I'm sure there's a lot of young people out in that area who

**J** Jimmy Carper 17:05

I wish there had been a group like that. When I was a teen. There was

**J** Jewel Gray 17:08

barely anything when I know we come from generally same area, we had to learn it on the streets. Yeah, exactly. And on the streets in the bar, yeah, the hard way. So you can get in touch with Gloria by calling 3423519. Or you can contact any of the organizations that Joseph was talking about. To find out more information about Gore, they have it. So that was cool. Anybody else out there who wants to talk to me tonight? Feel free? I have about 15 minutes. Okay, I

**J** Jimmy Carper 17:38

wanted to do another song. In fact, I have a couple of songs I want to try to squeeze in. Okay. Yeah. QC tonight. No, I didn't. And that's, that's why if you had listened to, or if you happen to listen to this way out last week, there's a very short interview by Mr. Elton John. And we're, he just kind of put it right out there. I mean, there's there's no doubt no doubt, no, no bisexual No, nothing. He comes out and says I am a gay man. Because he's talking about a song on his new album. It's called the last song. And all of the proceeds from this song as a single, he is donating to AIDS research. Because he feels that it's something he needs to give back to his community. Cool. It is really cool. Not cool. Not only that, but the song itself is really beautiful. Because it's, it's to me listening to the lyrics. It's a man dying of AIDS, who comes to terms and becomes friends again with his father. Now I know we all say that there's something about gay men and their mothers, but there's also something very special about gay men and their fathers. And that's the big acceptance thing. That Yes, Dad, I'm your son. And that's what this song says. And we're going to play it just about right now.

**J** Jewel Gray 19:16

He's got a desk across the room

**J** Jimmy Carper 19:24

and it's getting pretty, pretty close. So you know what that means. Here at after hours.

**J** Jewel Gray 19:32

I'm arguing with a bigot. I'm sorry, I'm arguing with a bigot. You know how fun that is? I'm sorry, I'm sorry. He was he was fun. He was fun. It was it was a debate that I I readily won. He questioned my motives in talking about Lena Guerrero and stuff so it was really fun. I want to thank Jim and Jimmy tonight for their efforts for our Halloween show. And thank you for

listening and tolerating our Right are levity tonight Gloria was on the back of a yellow paper. Okay, let me read. We gave out Joseph number wrong. Glor is number is 3422519. Please make an adjustment. If you wrote that down the number for Glor, which is the support group for young teenagers between 14 and 21. Out in road Richmond Rosenberg and a leaf area gelora. A leaf. That's right, go lower rock. And that number is 3422519. Dolly, I'm going to be there. Are you there Dolly? Talking to the dog? I'm talking to the dog. She responds really? Well. Well, I'm kidding. No, she actually jumps up down thinks I'm right there. So dolly Dolly.

 Jimmy Carper 20:55

No, it's amazing. We always say the fifth Saturday of the month is gonna be a music show. And we don't really play that much. We have something against that there. Yeah, there's there's always stuff going on. It's really great.

 Jewel Gray 21:09

Well, I feel fortunate that we had Randy fields and Ray Hill and Tom Richards here tonight to talk to us about their struggle to get some debate going about our religious freedoms and religious rights in the community, and to educate us all in the issues going on. I want to thank them for coming down here tonight. I wish that Diane had been here with us. We had a great time. And basically, I'll be on next week catch me I don't know what we will be doing. But we'll have a good time doing whatever it is. So Oh, yeah, the after hours. It's you've been listening to after hours continuing tradition on KPFT Houston, 90.1 FM. You can write us at after hours care of KPFT 419. Love it that 7706. Stay tuned for the BBC News, followed by the carbon dating game with Eric, do you think I'd have this memorized by now? Next week? I'll try to have it memorized. So come back and see me next week. We'll have a good time. And we'll talk about the winners and losers. Yeah. Tom Regan, The losers and we're on top I just know. Yeah, that's that I shouldn't have done that. Because I predicted the Oilers would win the Super Bowl. I'm dangerous.

 Jimmy Carper 22:32

Okay, thanks, Jewel . It's been fun. I've enjoyed it.

 Jewel Gray 22:35

Okay. Have a good night.

 Jimmy Carper 22:36

You bet.
