R Roy McCarthy 00:01

Yeah certainly did.

J Jimmy Carper 00:03

What was it like?

R Roy McCarthy 00:04

Oh man, it was fantastic is very impressive. The first day when the first exhibits that I saw when I went in there was off to the right. They had a FurReal pink triangle, not a copy or a photo, but they actually had a cloth strip from the from the camp. There was a pink triangle followed by a bunch of numbers it and alongside the walls I didn't mention this before. But on the walls they have all these different laws that had been passed down through the centuries or not centuries but in, in Germany, concerning concerning the Jews, and if you had just taken the word Jew out of there and replace homosexual with it or lesbian, you'd have the same thing that people like well fried and the religious right and pew Cambridge and the rest of them are saying about us. So well when it really, really wait for so.

S Scott Lewis 01:13

Well worth attending. Definitely. And it's free. Oh, wow. Oh, I hear your phone ringing. 5264000 go grab that Roy. Oh, okay. And I take my steak medium rare.

R Roy McCarthy 01:24

Oh, you take your meat anyway. Bye, bitch.

S

Scott Lewis 01:28

Five to six 4000 We're taking your phone calls 5264000 will get you directly into the studio. If you're interested in making a pledge. It's 526573852 6k PFT you are listening to Miss Scott Lewis. S

Scott Lewis 01:58

But you know what? One tiger that hair and it'll pop right off. I can pull those teeth right out of your mouth and then there's a big difference.

J

Jimmy Carper 02:06

Yeah, give better heads.

S

Scott Lewis 02:09

Well, we knew we could take a survey out that we could 2000 People responded. Mind you'd have to get to the barrio and yours. We'd have to get down to the French Quarter. What track are we gonna play number five number five from Bronski beat I spoke to Steve Bronski today from his Amsterdam home and I'm only going to interview him tomorrow. Oh cool. And you know he's performing at the pride fest absolutely free amazing yeah, just amazing. And as a matter of fact he works with Carell who was here to open no recall you know corral, who was in his dressing room and recall was upset because hers was so far away from the stage and she came down and they tried to get a grip on what's your dressing room you know we need to corral said sorry honey if my name on the door good for him and slam the door on him. So Carell was working for free as well. As a matter of fact, so did paying consented spectrum dancers. The only people that got paid off the whole thing were RuPaul and ellaby schwa Okay, we are going to go to Bronski be doing I love the night I love this song. Yeah, that's kind of almost weird saying brand new Selena. Yeah, that is that recorded three weeks before she was killed. And it's just wonderful. Really one of the best songs on the CD it is the sounds of West Side Story which they've done several big promotions in the gay bait gay markets here they did one at one at Atlantic is doing Jr's-.

J

Jimmy Carper 04:43

I can't imagine. Yes. And it's not just gay artists, but gay friendly artists because we're not sure about everything but the girl I mean, they've been on gay compilations, but I don't know that they're gay.

S

Scott Lewis 04:56

That she's not a lesbian. I don't know. What is it And he's just I think he's asexual.

J

Jimmy Carper 05:02

Yeah. Well, I don't play Bob Moog either, and he's, he's gay, but he just doesn't want to talk about it.

S

Scott Lewis 05:09

Who's Bob Mould? He isn't even related to Bob Gulay.

J

Jimmy Carper 05:12

Now he was lead singer and who's Purdue? And I just couldn't get into their music.

S

Scott Lewis 05:20

You know, you couldn't get into their pants.

J

Jimmy Carper 05:22

R Roy McCarthy 07:42

Oh, yes. He is really good right now, kid if you are out there and listening, which I'm sure you are. Oh, yes. I would like to say the problem you had with it was the fact that you either use a a stick pan instead of a nonstick pan or maybe you press down too hard.

J Jimmy Carper 08:04

I hate when they press down.

S Scott Lewis 08:05

Yeah, I don't think there's such a thing as pressing down too hard, Roy.

J Jimmy Carper 08:08

Well, then whatever we're just meant, I just mentioned that one of your recipes was in the voice.

R Roy McCarthy 08:19

Yes. But it's really a very, very good restaurant recipe. And every time that I've served it, I've gotten lots and lots and lots of coffee and-.

S Scott Lewis 08:33

-dessert because he eats the whole damn thing before anybody gets there. Hey, do you rock you know, I think we should introduce a new segment Roy's recipes. Oh, and this week he got the fruit pizza. And for all us fruit. It's appropriate because he is afraid-.

J Jimmy Carper 09:30

Waiting for your call at 5265738 for yours. pledge of support to after hours and KPFT hmm. And we had a first time listener calling in from way down Wharton way.

S Scott Lewis 09:45

Was that for some listener is that no that's a no I know what a first time listener is Mary Morton way down Wharton way is that one of your old saying like when you were dating Lewis and Clark?

J Jimmy Carper 09:57

 Scott Lewis 10:17

I bet you have lots of woods, I'm sure. If you were hanging out, what were it so that's like down 45 or so-.

 Jimmy Carper 10:24

I mean, somebody who lives in Wharton and it's questioning their sex or their gender or, or sexuality, you know, doesn't have too many people to talk to. You know? I'm going to slap her into next week.

 Scott Lewis 10:42

So what was the point of that? All right.

 Jimmy Carper 10:44

No, no, I was just mentioning that as a as a.

 Scott Lewis 10:48

I mean, David. Monologues lately have been more interesting than that

 Jimmy Carper 10:52

precursor to the barbecue dinner that's being held at melas Tohono country. Today, Sunday, May 19. Barbecue dinner three o'clock PM, presented by the Latino pride gala can meet committee-.

 Scott Lewis 11:10

I think I might need to head over to that one.

J Jimmy Carper 11:12

Yeah, proceeds from all events the benefit of a Latino pride Gala. Instead, you know, there's not going to be a ballet this year.

S Scott Lewis 11:23

No, Diana's no bolo glue fell apart. Oh, no, you left that we just want it to focus. Yeah, that's just I just I'm not even gonna touch that one. That's just so obvious. Anybody can pick up on that one. Glue fell apart. Yes. Well, they did actually. So there won't be about glue GL HL de has Elmer Elmers glue has fallen apart and lesbian Hispanics you need us? Why did they fall apart? What happened? All these organizations are just going nuts. Isn't that strange?

J Jimmy Carper 11:58

And so there won't be a ballet but there'll be a Latino pride Gala.

S Scott Lewis 12:03

You know, the Pride Parade next year is going to be at night. Go figure nine o'clock at night. Wow. Down Montrose Boulevard. Know what that means? Lots of lights. Right. Kind of like the New Orleans. Won't that be fine? Yeah, well-.

J Jimmy Carper 12:17

And I look better at night too. Don't say, don't even go there.

S Scott Lewis 12:23

I don't ask too. I mean, everybody in town already knows I make us work in the studio in the dark. Let's play this song. Yeah. by who? Which one? What's this called? Find it. It's called blinded. Who is this guy? He's this guy that like follows me around and-.

J Jimmy Carper 12:45

Don't say that stuff.

S Scott Lewis 12:48

But anyway, what's his name? Mason? Mason. That's me. He doesn't know how to spell it yet.

J Jimmy Carper 12:56

I know. That's me. Yeah. Yeah. So we're like house like in French ma sol. Sol like maze. Oh, yeah. Scott, this is not a pronounced see.

S Scott Lewis 13:13

That does have the off button. So to speak as a house. We have bigger waves. So you've been to France. Right. You are on the Yes. You are on the santur. The painter the one that I have been to France. Where does she think she is France.

J Jimmy Carper 13:37

So and Mason is a sinner? That's right.

R Rainbow de Clown 13:42

J Jimmy Carper 13:52

I had to get that. Sorry. That's tacky. tacky, tacky, tacky. Okay.

S Scott Lewis 13:58

And yeah, I have a feel there's a lot of that going to be being said.

R Rainbow de Clown 14:04

And on June 23. When you're at the gay pride parade. Yeah, following that the festival. Oh, I'm open up for suspension and wants to be so cool. Cool. Well, right now it's just, you know.

J Jimmy Carper 14:19

So you have the CD. And how many songs are on it?

R Rainbow de Clown 14:23

Well, right now it's kind of like a demo CD. I'm I got like two songs on there. One's called blinded, and the other one's called come inside. And I think I played that last time was on that. I think you did. And, but I'm just getting ready to do the shows and stuff. And I would like if there's anybody out there. I mean, I'm looking for dancers right now to go with me to Dallas in here in Houston. As far what I'm looking for, I'm looking for really athletic, you know, people like like six foot like it wasn't Yeah, yeah. Yeah. Oh, yeah. I'm pretty tall. I want people to be up there with me. So looking for Team Two guys and two girls. So that's about it it's the music you listen to it if you like it and you can dance to it it's very rave and underground and you know a little alternative to you know what the show is going on you know the shows usually, you know.

 Jimmy Carper 15:13

So who did the back who did the music?

 Scott Lewis 15:16

Background singer? What did you say? Where's that song you were doing called Miss Lewis.

 Rainbow de Clown 15:21

I'm working on a song called note Miss Lewis it's not it's about a big free drag queen to go on and all she does is go after little Latin boys jail Washington Street.

 Jimmy Carper 15:35

Last year and the drag queen part-.

 Rainbow de Clown 15:36

I- no big questions. I did clean outside. I'm sorry- actual- but I'm I'm working on it. Okay, obviously he's blinded. So well, hey, I'm joking. A Song for Scott. It's gonna be sweet. Okay, just like you. But the song's called blind. And it's about you know, a lot a lot of people just go through life you know their eyes with blinders on and not really looking at the whole thing and not really enjoying life to its fullest and saddest thing about it and it was produced by Mike iceburg from like iceberg productions. Also working with a lady named cat Jones who who does a lot of pink stuff. So so looking forward to this summer and she come out like I said on the 15th and Dallas Dallas and here on the 20/23 Houston and if you're a dancer, give me a call and I'm just my voicemail so just give me a call leave a message and the number is 9418254-.

 Scott Lewis 16:48

The no no it's not on their attorneys single nobody got it. That's the problem with free to be is not new. It's on wakestyle deadweight stock right. Well Darn it. See, let's see. Let me see that CD will play set my fair mistake thing has to have her recall what the hell was she don't have

anything new because she doesn't have a label I mean, they might have asked-.

J Jimmy Carper 17:27

Would you like to turn on my microphone? I played the hell out of Woodstock when it first came out but hey.

S Scott Lewis 17:34

do from highbrow toys in association with Lynch frost productions. I think this is the body over here wrapped in plastic. Ready? Oh my god, it's Laura Palmer. Better get an autopsy. When peaks action figures. There's Laura Palmer complete with her own plastic shroud and the black wig. Back collect them all. The log lady Sheriff Harry S. Truman, Audrey Horne, pose them any way you want. Bury them in shallow graves make them hallucinate. This map of Tibet will help us solve the case. But first, give me a slice of that wonderful cherry pie. Critics agree that the performance of the Special Agent Cooper plastic figure is far more realistic and believable than that of Kyle McLachlan. Jelly. Where's we oh, he was doing right here on the floor. When peaks action figures, each comes complete with a doughnut and terrible secret. Put them in your Leo's truck carrying case and take them out to the woods with a really awful stuff happens. Turn your backyard or your bedroom into a town full of adult risk murderers, perverts and timber barons with Twin Peaks action figures. All 129 major characters each sold separately from high brow toy.

S

Scott Lewis 21:52

You don't have to rush back over Jimmy, I know what that does to your arrhythmia. I'm just going right back to another song and then we'll do this little Spock thing. And we'll still take your phone calls 5264000 If you went directly into the studio 526573825 to six KPFT if you have a request for Roy in the kitchen, or if you want to make a pledge I'm going to get a flag from Charles just Charles-.

100% 00:00 00:45

J Jimmy Carper 22:45

We did get a pledge from Charles. I'm taking over that chair if he can't do engineering.

S Scott Lewis 22:53

I just don't think you have anything worthwhile to say. Hey, hurry. Yeah, so Charles gave him a play.

J Jimmy Carper 23:01

Yes, Charles pledge to After Hours. And we want to thank Charles.

S Scott Lewis 23:05

Thank you, Charles. I don't give out last names over here. Okay, well, that's good. Did he want any of the special premiums like phone sex with me or Roy?

J Jimmy Carper 23:14

He especially did not want any special premiums from stuff

S Scott Lewis 23:31

And look at that big grin. Those things are gonna pop right out at any minute and he's sitting on the counter like they were last week.

J Jimmy Carper 23:37

Hey, don't remind them.

S Scott Lewis 23:39

Oh, I tell you what. Is that a note? You need to read or? Okay, so that was I'm gonna do a song. Yes, please. Because I do not know what this note means. Okay, that's because it's in English modern day. Hey, and you're still talking in Shakespearean tone. And what a tongue it is. Something you can Yeah, I bet she did. But I don't eat leftover. Oh, since we're little save that for my little Michael giggle Just for a minute. Just for a minute. Okay, what's the deal here? Who wants it? Brandy? For anyone who's ever heard of brandy? No. You know, I have a weakness for black women singing? Yes, I do. Everybody knows that. They have this little diva like divas. This woman 15 years old records a multiplayer I think four or 5 million copies have sold it's incredible, incredible album.

J

Jimmy Carper 24:42

I just try to keep up with the queer music-.

S

Scott Lewis 24:44

You keep up with the dance music. And you know we were over at Michael and I, one of the things we like to do is like to go over to Hermann Park and kind of just walk through the park. We'll take a little bottle of wine and drink it or something. And we have said We always stumble onto something that's going on over at the Miller outdoor. And tonight was some sort of it was almost like a straight black rag show except everybody's the women were real. And they weren't lip synching. Does that make sense?

J

Jimmy Carper 25:18

I've seen what it will look like drag queens.

S

Scott Lewis 25:20

Yes. But, but it was a saint and they were doing it was like a tribute to really famous African American entertainers. Oh, yeah. And they had like they would come they would go in. Please welcome Tina Turner. And then some woman came out and did Proud Mary. Oh, but she's but she's saying alive. And then they did Aretha Franklin and they had a little boy that did Michael Jackson, little boy, six, seven years old, saying incredible. The Commodores. Who else today? We just had some Arizona
