- C** Chris Harrison 00:00  
But unfortunately, here's two things with it. All this stuff, the people who listen to this radio station have heard this because that Pacifica is one of the few networks that covers this kind of things. Right? And it may be some people going well, what in the world was a bunch of queers talking about this? Well, you know, we pay taxes. And as long as you're closeted, you can go over to Iraq. Or even if you're not closeted right now, because, you know, they need body bag fillers, and you know, what, a queer fills a body bag just as well as a straight person.
- R** Roy McCarthy 00:31  
But gay people are not one horse, one issue type people, we, you know, we covered the whole gamut of things. And
- C** Chris Harrison 00:40  
we're not we're not I mean, you know, we're, we're Americans, we're citizens. And then, you know, we're going to talk about other things. So, and
- B** Bobby 00:47  
that's the and that's and why, and that's the main thing is like, Guess what, what, why do queers talk about because were American citizens too.
- C** Chris Harrison 00:58  
All right, we're gonna take a step out here. We're going to play some track of music that Jimmy wants me to play. We're going to come back and we're gonna do the MBB letters. We're going to do some of the other stuff. Other discussion. We'll get into more queer topics here. He has,

we'll be back in just a moment. You are listening to after hours queer radio with attitude, and this is KPFT 91. Oh yes, we're back. That's some dance remix version of Rock Me Amadeus. Falco's one hit wonder. And I liked that wasn't Twitch we just got to watch. If you're watching VH one they had William Shatner discussing that one hit wonders there although I do love his one hit that he had on there when I listen to XM when he used to they had his song followed up by I forget exactly what he sang. But that was Mr. Was Mr. Tambourine Man, Mr. Tambourine Man used to listen to the stuff on the online before they shut down you're getting to hear the actual thing where

B

Bobby 02:15

the video stations was doing a whole bunch, you know, reunite the bands thing. And one of the bands they tried to reunite was Frankie Goes to Hollywood. Speaking of controversial groups,

C

Chris Harrison 02:26

have you ever seen the unedited version? The European video for? No actually I haven't.

o

02:31

I hear it's pretty cool. Yeah.

C

Chris Harrison 02:34

If I ever get the CD back from my brothers, I've had a bunch of them on there, including the gay pimps. One soccer price. Why would you do me a favor and pick that mic? quit breathing heavy into two mics just choose one.

o

if you're going to the community center there make sure you can always park in the parking lot if they're having the valet services. Just tell them that you are there for the community. Senator, you're not there for the club. And you won't get you won't get to you won't have to be paid for parking.

B

Bobby 03:44

You know, and you know, I know why he never has any money. Why? Because the only kind of math he does is inches not in inches, not dollars. Not number you know,

R

Roy McCarthy 04:01

where are we going with this?

C

Chris Harrison 04:02

Right now we're looking at we're going to have at least 150 big men and their admirers Wow, coming here to Houston. And we're going to be doing a live remote, we're gonna be discussing, you know, what's it like to be a person of size and society in general? What's it like when you get into a superficial society, like the queer community, and, you know, find out some of the experience or what people go through, they're from around the country, we're expecting people from other countries as well. And it should be an interesting little debate or discussion or debate. It's kind of a town hall meeting. And looking forward to doing that, and hopefully, we'll be getting a bigger event here in a couple years from that. So we just want to let everyone know but that little bit of programming and

 Jimmy Carper 05:50

and don't forget super happy fun land, is do it for the whole month of March is a show of Pentel fine line drawings by David Luiz June, called attend to the deathless. Jordy there's two ways you can get a hold of us you can send out the traditional snail mail at after hours care of KPFT at 419 Love it L O V E TT, Houston, Texas 77006 It's not just a zip code it's a lifestyle and

she's sleeping with the game and so

**i** 09:19  
now that was sleeping with a gay man.

**C** Chris Harrison 09:23  
Yeah, but that's why Brittany slept with Justin she's I mean, she's trying to be Madonna. So

**J** Jimmy Carper 09:27  
she wanted to sleep with a gay man is that it?

**C** Chris Harrison 09:30  
So what we'll do is letter

**i** 09:31

**C** Chris Harrison 09:34

Roy McCarthy 10:48

many decades ago? Hey,

10:50

I

 Chris Harrison 10:50  
just located Chicago doesn't exactly count

 Jimmy Carper 10:53  
the original production Peter Allen. Musical. That's right. Okay, I've played that.

 Chris Harrison 11:01  
Sam's coughing so much on that one.

 Jimmy Carper 11:05  
That's better than choking. Each jokes on the big ones.

 Chris Harrison 11:12  
Man. My teeth are still permanently attached.

 11:16  
Most of them are.

 11:19  
Oh, that was just so wrong. Why?

 Chris Harrison 11:24  
It's Chris not Roy. You're gonna get bitch slapped for we're confusing the two of us.

 Roy McCarthy 11:29  
He's a bigger one. This lapped by both of I mean, I may be big right. But he's in even bigger grid.

 11:30

 11:35  
All right.

 Chris Harrison 11:39  
Don't you have a straight boyfriend and I would find

 Bobby 11:44  
it turns into this. By the way, Jimmy, having looked at your pictures earlier, you were really cute when you were young.

 11:53  
I didn't even get to see them.

 Jimmy Carper 11:55  
They're in an album on the table. He gets

 Bobby 11:58  
progressively older in the in the pictures. It's kind of like the portrait of Dorian Gray. I know.

 Chris Harrison 12:04  
Some of the pictures. You look British. Really? Yeah. Yeah. Well, roofing. When you got the the turtleneck, you've got the kind of the almost like a Beatle haircut. And your two front teeth sticking out like that. You're British. Yeah.

 Jimmy Carper 12:20  
That's the early 70s. And

 Bobby 12:22  
there's that whole frilly shirt thing that you were doing with the jacket, and it's sort of, I don't know.

 Chris Harrison 12:30

Pirates or something hard to pin Sansweet century 21 or something like that.

 Jimmy Carper 12:35

That was that was Halloween and I was a Prussian military.

 Bobby 12:41

You look good guy was fabulous. There was a couple of them in there that I thought you look like Luke Skywalker. That's that. Yeah, that's true. The haircut everything there.

 Chris Harrison 12:50

They use the same soup bowl.

 Jimmy Carper 12:51

No, no, actually. Actually, when when when Star Wars first came out, a lot of people told me that I looked like Luke.

 Chris Harrison 13:02

I mean, you showed him your lightsaber.

 Bobby 13:07

Tried to hopefully today they're not telling you that you now look like Yoda.

 Jimmy Carper 13:14

But But yeah, anyway, I heard it from a lot of people. It was kind of an ego thing. It was kind of nice. And you're still

 13:22

gorgeous. Oh, come on.

 Roy McCarthy 13:26

Well, you are the boss, so we got to say exactly.

 Bobby 13:32  
Yeah, so bad looking for a man who just had his 56th birthday. Yeah, that's the one

 Roy McCarthy 13:39  
we were you on the arc with. Watch

 Jimmy Carper 13:41  
it. You're not that much younger than me.

 Bobby 13:46  
That's treading on. Thin Ice. You ain't that far behind.

 Roy McCarthy 13:51  
I will always be behind. Okay.

 Jimmy Carper 13:53  
MVP Chris's hand.

 Chris Harrison 13:59  
I'm just looking at ROI and we

 14:02  
didn't get a lot of letters this week. Oh, got to throw blame

 Chris Harrison 14:05  
that will blame the postman on that. Yeah. Lee and David smiling Dave. Let's see David. Open everyone finds herself in spirits are as high as mine while we're still some of us are still fighting the cough and then Oh yeah. I can't wait to get tied to a tree in the free and workout with a cat of nine tails while at the same time and I can't go any further.

**J** Jimmy Carper 14:33  
I see. Yeah, sounds like a job for Miss Indigo.

**C** Chris Harrison 14:39  
I thought I thought I was reading the Scripture passion to my only critique of that my only criticism of that movie is you know if a guy is gonna walk around half naked wearing less than a speedo why covered with all that blood?

**B** Bobby 14:55  
About the whole thing is they, they you know griped about all the violence in that Movie and I'm sitting here going they nailed them to work Ross people. Yeah, I

**C** Chris Harrison 15:04  
mean, well, I mean, Mel Gibson said it easily on Jay Leno. He goes, You know, it's an R rated film. It shouldn't be an R rated film, but if you read the Bible, it's R rated. It's alright. Yep. Then he calls himself a Catholic Catholics don't read the Bible. Actually,

**J** Jimmy Carper 15:16  
he is a he has formed his own Catholic sect, and they are much more conservative than the Roman Roman Catholic.

**R** Roy McCarthy 15:28  
Oh my god.

**B** Bobby 15:29  
possible, the guy who plays Jesus, if anybody has more of a right to be devoutly Catholic, that man does. Oh, the man got pneumonia. He got hit by lightning. During the filming of this smoke. You're kidding. During the Sermon

**C** Chris Harrison 15:49  
on the Mount portion, he was struck by lightning. He got pneumonia. he dislocated his shoulder carrying the cross. Yep. When they did the actual lashing scene. Yeah, the lead melt Mel Gibson screwed up and told the guy said, instead of whipping him like you, they were told him to go over hand. And the guy missed the board. And he actually got struck twice. And cut them open

that I think of required stitches. Oh my gosh. And, you know, in the fact is this, they were this guy said that before he got off. I mean, he went in to speak to Mel Gibson, about starring in a surfing movie. Yes, I heard that. And this was supposedly so ordain because some woman came up to him one time before all this happened. And she goes, You will play Jesus and all of a sudden he gets this film. And so I mean, he goes to Mel Gibson was talking about a surfing film, and all of a sudden he decides he's Jesus. Well, I guess the casting counts counts. The casting couch works in mysterious ways as well.

16:51

I want to play some.

Roy McCarthy 16:52

I just want to say, Thomas, I got your letter. And they moved commerce to way up north. Oh, yeah. We have northwards, really cold.

Bobby 17:03

Got your letter, all six lines of it.

Roy McCarthy 17:09

At least he wrote more than which is more than what I can say I've done for him. Yeah, at least he's written this. So sorry. Mia culpa. Mia. culpa. Just write the letter. Okay.

Chris Harrison 17:20

Darren, enough of the Catholic talk. Okay. Well, let's see. David says, Bobby, I'm glad to hear you're back in the mix. And can tell you're feeling better. Sorry. He didn't get sent you get well card. Forgive him. He was thinking about us. I do. Everyone speaks well of us. Okay, but I'm scanning down to find my name.

Roy McCarthy 17:46

Did they miss putting in Chris's? No,

Chris Harrison 17:48

he put the button. And David did include some articles in there. Okay. And of course, we have smiley, who is hopefully going to be returning to our listening. I thought he would be. Well, he's supposed to be coming up this next well, the first one this weekend. It supposedly is but he

said that, you know, they're a little slow getting back their stuff to people. So so. I'm not sure if that's going to be happening. Yeah. Once again to the whole group. So I'm talking about Stacy. So Stacy, if you're listening. You're in deep

 Jimmy Carper 18:18  
right now. I haven't seen Stacey in weeks as

 Roy McCarthy 18:21  
you create one thing, Chris and some of the others were talking about. Where has she been?

 Jimmy Carper 18:27  
I don't know.

 Chris Harrison 18:28  
No, we were talking more about where Joseph and

 Jimmy Carper 18:33  
Brett. Brett? q1, Brett. Yeah.

 18:36  
Yummy. Well,

 Chris Harrison 18:38  
I'll be honest, I keep getting confused between Brett and Brent. And I didn't want to screw it up. I didn't want to screw it up. Like I didn't want to Maverick. I didn't want to screw it up and call him someone else like he does to other people. Oh, don't give me that signal. I give you the signal. There's the signal. The wrap up signal for

 18:58  
quite the way. I don't think that's

 Chris Harrison 19:03

tracked what He always plays track one.

Jimmy Carper 19:05

Well, it may be different one week, you never know. Yeah. And

Chris Harrison 19:09

Bush will actually show up being concert passionate. Ladies and gentlemen, we're coming dangerously fast here to the end of another edition of after hours. Queer radio with attitude. And I think we filled in the queer part and I'm pretty sure we got a bunch of attitude in there. ain't sure about the radio portion of the dial. The dial stopped working sometimes.

Roy McCarthy 19:31

You like an IRS audit?

Chris Harrison 19:35

Well, you wouldn't know anything about an IRS audit because you have to have income to be audited.

19:39

Ooh, ouch.

Chris Harrison 19:41

So we are coming to the end. Remember, you can send us your information that for 19 love it and
