Citizens, good citizens all parade into voting booths and in self righteous saying to the ex away our right to life. I do not believe at some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask Where will you be when they come? They will not come a mob rolling through the streets, but quickly and quietly move into our homes to remove the evil the queerness the faculty from their myth they will not come clothed and brown and swastikas are buried and chest heavy with gleaming crosses the time and need

for such Rousses are over. They will come in businesses to buy your home and bring bodies to fill your jobs. They will come and robes to rehabilitate and white coats to subjugate. And where will you be when they come? Where will we all be when they come and they will come? They will come because we are defined as opposite perverts and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of perversion. Every time we heard I don't mind gays. But why must they be blatant and said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the courtrooms. It was an act of perversion. Every time we let straight Let's make out in our bars. While we couldn't touch because of the laws, it was an act of perversion. Every time we put on the proper clothes to go to the family, weddings and left our lovers at home, it was an act of perversion. Every time we heard who I go to bed with is my personal choice. It's personal, not political, and said nothing. It was an act of perversion. Every time we let straight relatives bury our dads and push our lovers away, it was an act of perversion, and they will come for the pervert. And it won't matter if you're a homosexual, not a faggot, lesbian, not a dike. Gay, not queer. It won't matter if you own your own business have as a job or an SSI. It won't matter if you're black, Chicano, Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls. It won't matter if you're Butch or FIM not into roles monogamous, non monogamous. It won't matter if you're Catholic Baptists, atheists, Jewish or MCC, they will come they will come to the cities and to the land, to your front rooms and in your closet. They will come for the pervert and where will you be when they come?
