o

03:06

You should talk to you cow. Anyway.

o

03:11

Getting started early. Oh,

P

Peter 03:13

o

03:30

Oh, that's right. We're mad.

P

Peter 03:33

Why are we mad? I have to tell you. Oh, that's okay. Thanks, Pat. Anyway you from a little private well,

o

03:40

I've been forgetting a lot these days. She

P

Peter 03:42

didn't show up last month. Another one that I've been wanting to ask that

o

03:48

you know that the crew season was winding down I had to get one last one last one

P

Peter 03:54

one last midnight before

♀

03:57

we can always find one of them.

♀

03:59

Oh girl she's been going over then chances

P

Peter 04:05

are we had fun anyway without you but we missed you. We fight and carry on and cut up like Regis capital we missed you. And I had to do

♀

04:16

much more fun to talk about your when you're here. We get reactions. You know we can work off of that

P

Peter 04:23

we work. Oh, we have a show tonight. Oh, do we ever? Oh do we? I mean it has been such a full day. And we know that we have this huge large audience out there tonight because everybody is so tired from walking up and down that street at the old Westheimer art festival. Festival

♀

04:46

was last weekend downtown. This is Westpac.

♀

04:48

Well, this Yeah, yeah. Were you there. Were you there

♀

04:53

were here today today. No, I haven't been Yeah, I'll be there tomorrow. You will know I make it every year twice.

P

Peter 04:59

I'll bet you don't go there at least once here whether she wants to or not. Anyway we if I saw one more albino boa constrictor wrapped around wrapped around their god girl or son of a guns neck

o

05:18

yeah a lot of flesh showing you know,

P

Peter 05:21

there was more damn snakes to it has just lost something I walked up and down the middle of the street did you want to go to booth? It was the most incredible it is just

o

05:30

you know, a lot of flash ly Yeah.

P

Peter 05:33

I mean the sights were good often. But you know the deal is it's so funny. We're walking up and down the middle of the street and I'm thinking you know you're you're surrounded by by Spike hair color peers you name it. Everything's out there. Boa Constrictor. snake oil with those lizard things hanging on their head and using blend way too close together because it in fact, when you first started out there right at Mary's and Charlie's, you had somebody out in front of Charlie's doing country western, he was really good. And then on top of Mary's of course, was a drag show, right? And there were a number of black drag queens doing numbers and it was sort of like, you know, Conway Twitty does Aretha Franklin, the blends and sounds are just more than anyway. And then there was you know, people doing bongos and things and then as you move down the street you never like quite ended one before the next begins. He had this moosh Moshe sound I've wanted to give up on music for walking down and we're right in front of cuties. And there's this Oh, my favorite. That's one of my favorites. Deep vegetables.

o

06:45

That's when that's when those girls are outside and they need to be inside in the dark. Light is

P

Peter 06:51

harsh. Harsh the day Yes, there was a lovely black drag queen out there with the longest legs on any one person I'd ever seen. I wasn't sure who it was, but they went all the way up to her butt and

07:03

your legs generally.

07:05

I mean, but

07:06

you was really high.

Peter 07:09

There's two kinds of people in this world don't you know? Oh, what are they there's the kind that have their nose in everybody's business. And then there's the kind you have their business and everybody's nose. She was one of those tallest thing I've ever seen drink water out there on a barstool with these legs everywhere. And going on about come on in and diseases show. Yeah, and this guy and his wife you see you know guys lives in the baby carriages and it's a miracle. Yeah. And they're all these strange they love with their love it. Weird reptiles hanging off their body. Oh my God, God, I go to the wrong fair.

07:43

No. Justice either way.

Peter 07:46

Anyway, guys going down. He's with his wife, obviously. And I'm pushing a baby carriage with a little kitten. And he goes, check with a dick.

07:56

You know what I said? You're in the middle of mine.

Peter 07:59

What in the hell did you expect to see the Italian weirdo

08:09

spin on the beltway and just stay in suburban. What he wanted to

08:13

do. He thought he was being cool. He wanted you to know if he went to those adult bookstores. He saw those titles.

08:19

Really? Yeah.

Peter 08:20

I mean, I was going I said oh, it is time to go home and the people here don't know what they're here for. It's time to leave. So I don't know I was I went today and I that'll probably be it.

08:29

That's what I'm not sure what that festival is about anymore. If it's like the strange people if it's the regular looking people checking out the strange looking people or if it's more the other way around. I don't know checking out the suburban

Peter 08:42

some of the strange people in another world most of them I

08:46

thought they were that's the whole idea. You know, just parade your weirdness it

Peter 08:50

was it was just a parade of weirdness. Really good. I love it. I love it. Oh, it's fab out. Oh, it was wonderful. Yeah, really? Oh, and so we have loads of jokes. In fact,

09:02

do we now? Well, we

P Peter 09:03

do and you even have one I hear. Yes. I have sort of a we have accidentally a religious No, not religious. I become a harsh word. Yeah. Well, I don't know. It is kind of religious theme. He all of our jokes have something to do with God or something like that. It's just sort of strange. So we're gonna have some of those.

∅ 09:22

Maybe it wasn't accidentally maybe it was divine intervention.

P Peter 09:25

Oh, Connie, has been flooded with full moon. Yes, it has been. But we have loads of little things about St. Peter and all kinds of things. We have some non jokes and racist jokes. We have some, oh, we just have some wonderful things. And I have an obituary. Well, how did we get there? Well, I mean, we've been going on about, you know, the divine and all and I have this obituary. I know, did you I have some sad news. What? Well, did you know that the Pillsbury poppin fresh She little creature died.

∅ 10:01

The Pillsbury Doughboy died. Yes. What happened? Well,

P Peter 10:08

I this is what it read. The veterinarian Pillsbury spokesman. poppin. Fresh died Wednesday of a severe yeast infection. Oh, he was 71. He was buried in one of the biggest funerals in years. Dozens of celebrities turned out including Mrs. Butterworth the California Raisins hungry Jack Betty Crocker and hostess Twinkie or to the gray side all your friends the crave side was piled high with flowers as longtime friend Aunt Jemima delivered the eulogy describing fresh is a man who never knew he was needed. Fresh rose quickly in show fresh the best and poppin fresh Oh, you're

∅ 10:49

on a roll rose

P Peter 10:50

quickly in show business. But his later life was filled with turnovers. He was not considered a smart cookie and wasted much of his dough on half baked schemes. Still, even as a crusty old man he was a role model for millions fresh is survived by his second wife. They have two children and one in the oven

11:17

was about as sick as little

11:18

everybody from the lobby to come in here form a line and we're all going to take our turn slapping

Peter 11:24

oh my god if I didn't know that at a long time ago thank you Jeremy. I love my producer. Oh good.

11:33

Oh they're reading

Peter 11:40

Oh, jesus boy. Somebody ring a phone call make your pledges. This

11:45

pledge is pledge yes pledge tonight

Peter 11:49

and we want boy to quit beating on me and get out in the other room and answer phone really somebody go work

11:55

last night of this year that Oh my Jesus you listeners have after hours are going to be able to pledge

Peter 12:03

or we really need you to show it. Yeah, it's gonna work then tonight kids because I mean, you didn't want to hear us don't you some more? Please, if you don't call, it's gonna look like we

can't do our job, Please. I'm begging is that a guilt trip? Five to six KPFT 5265/38.

12:20

And of course, that's 713. We're inside. Yes, we

Peter 12:23

are inside the loop. Thank you, Jesus. Yeah, really. We're out here with the albino what tickles anyway,

12:31

and we've got wonderful premium we do we do. And

Peter 12:34

you just need to call and it's not so much that everybody's calling in. I mean, who needs a bumper sticker or a mug or whatever, although they're lovely. T shirts and briefcases and all kinds of great things and a midnight funk sampler album. CD made

12:47

really late for KPFT made only for us. Kenny in two days ago. Yes,

Peter 12:52

there is really, really neat stuff. But the bottom line is the reason people are doing it is because they want to see this kind of radio continue. That's

J Jimmy Carper 12:59

right. And in 5000 hours of radio in Houston per week. Wow. There are only four hours devoted to the queer community. Three of those hours are right is right. And the other hour is lesbian and gay voices This is it the only station in town. You can get queer radio. That's this is it, folks? This

P Peter 13:19

is it. And we're only you know, because I was listening. I mean, I listen to keep you tuned in right now. Because there's no commercial sounds. I love it. But beyond that, I was I was kicking around and once you call it our FM station that plays all classical stuff, they're doing their big

thing they need like \$50,000 I mean, some 500,000 Yeah, huge, huge. All we need is 115,001 15. Yeah, 115 period. I mean, you know, you were in the studio people, you would see there's like holes and see that we do it on scrape budget heat are gone.

J

Jimmy Carper 13:52

We have like 555 or six paid staff that's that run this whole thing and the rest. Most of the people you hear on the air are volunteers. This is comedian Connie,

P

Peter 14:06

Lingus are absolutely. We love volunteer our time we have so much fun. We don't know what to do with

o

14:11

it. I know. And can you imagine what Peter and Connie could be doing on a Saturday night? If they weren't?

P

Peter 14:15

I know what Gandhi be doing. I'm not sure what I'd be doing. But

o

14:18

you imagine what we could be charging if we were getting paid to do this?

P

Peter 14:24

Oh, yeah, right. But I will tell you, this is like to fun. And uh, y'all listen during the day to that fabulous blue show on Sunday. I mean, I never noticed that. There is just too many good things going. So now if you don't like to support this, and especially like this particular hour, the segments, you know, you're going to tell them, You're telling management, you're telling the world that this is what you need to hear and listen to right. And if you don't want to do \$35 from them or sticker \$60 for a T shirt or \$60 for the midnight funk sampler or all that stuff, give whatever you can, I mean, we'll take 10 bucks. That's cool. Well, we just got to make some quotas. And we got to do it and we got to make it we got denied a

o

15:04

show. So let's do it after hours has raised more money than any other Midnight Show. We have a leadership person, we have a leadership circle member, we have been in the vanguard and I want to keep it that way. Yeah, please,

P

Peter 15:17

people keep us that way. Okay.

♂

15:19

And you know, now's a chance for people maybe who are in the outlying areas who are having a hard time reaching out to the gay community and maybe after hours is their only connection there to look in their wallets and see what they can give back. And maybe that's their first step in reaching out to the community, saying thanks for being there when maybe they're having a hard time. But they are. So

P

Peter 15:41

y'all get busy about that, because we have some wonderful things. We already have

♂

15:45

a previous member to thank Paul. Oh, really appreciate after hours. The Blues broad and BBC News. Hey, and

♂

15:54

we appreciate Thanks, Paul. We

P

Peter 15:56

appreciate Paul.

♂

15:57

We sure do. We really do. So this is kind of our pre Halloweenny

P

Peter 16:01

pre hollow weenie show will

♂

16:04

tend to only kind of when he I like

P

Peter 16:08

any when you were anyway. So we have loads of loads of wonderful stories and

o

16:14

jokes stuff a lot of strange and unusual news. strange and

P

Peter 16:17

unusual news. The hard working research department may even have some top 10 things the one that we didn't get in last time we may have.

o

16:27

Oh, I have a true to life. Very scary. Halloweeny story to share. Oh,

P

Peter 16:35

we can hardly wait for all that.

o

16:36

You'll just have to but very scary. Scary. Frightening,

P

Peter 16:41

frightening.

o

16:42

We'll talk about it later. I have writing

P

Peter 16:43

I can't think of anything more frightening than looking at you as your top

o

16:50

UC:QT

think there's a lot of people who would love

Peter 16:51

to Oh and speaking to people that job I must have talked to four people today. There was some gal out there today. If she's listening now it was but she had on a see. What do you call that kind of cloth material? You can kind of see through currently mesh? No, no like like, like chiffon or something. I mean, you can Shavon like a mega J stuff. What do you make that? Anyways, you can see through it. And since you can see through everything. I guess it's some washi tape. What crossed her boob or progressed? Yeah, big X in this brown. Never

17:27

wear a regular shirt. Nobody wants to see brandy brown

Peter 17:30

day because you have a big ol hooter nipples she could she could show you right up there girl.

17:41

Nipple it?

Peter 17:43

Is there a nipple edge law? I don't know. It's an interesting question. I can show mine. Girls can show there's well she had him. I don't know. Maybe she was. I don't know what the deal was. I know that. You could see everything else. Anyway.

17:59

Good thing you didn't wear your shirt like that. It really is.

18:03

I don't have to tape that

18:12

I have some music. Okay,

P

Peter 18:14

can we dedicate this first? Can we? Yeah to painting. big roll of tape fail

♂

18:21

roll, let's say must be two inches wide.

P

Peter 18:23

We dedicate this to my little friend Brian.

♂

18:25

We can do that. Okay, this is new, old music, new old, new to After hours, but it's from an album I've been looking for for about 10 years. Okay, it's by a man named Steven Grossman. It was the first openly gay album put out by a major record company put out by Mercury Records in 1973. And it's all openly gay music. And this is my favorite from that album. It's called out and you're listening to it. KPFT Houston and ke O 's College Station. This is after hours queer radio with attitude. And I want to thank especially JD for supplying this tool. Okay, okay, let's go with it

♂

19:23

after midnight, and you're hearing it right here on KPFT Houston, and ke O 's College Station. What? Well, you see the the cassette players on the same mic as Connie, you know you have to push a separate button.

P

Peter 19:43

I'm just glad you're pushing buttons. Now what was that? I was pushing by. Was that after midnight a man after it give me a man.

♂

19:53

Man after midnight. That'll work.

P

Peter 19:54

Yes after midnight. It certainly is. Hello out there. I know.

19:59

Man Yeah, man in my life. I don't have to look. I mean, lucky you say you can interpret that anybody lucky said that girl.

P Peter 20:11

What that first song? Was that what you call it's coming out song like John Mellencamp head or somebody that used to do you talk to you?

20:22

I haven't fallen mayor. I

20:24

mean, it sounded like, Grossman, it's 1973.

P Peter 20:26

I know. I was just so surprised. And you said in New Orleans, I really that's exactly what it was. Yeah.

20:32

That's amazing. Yeah, that's just that's just a pretty little folky song. keetsa Pizza, kid. You know, it was at that point that people just couldn't even say the words and it was like, right at the end, he just finally said, gay. And that was a revelation. In 1973.

20:54

Yes, absolutely. Well, that

P Peter 20:56

was a nice little, like, 10 year span II

20:59

thing. Yeah. And we go from that to this one. Like, give me

21:04

a difference. Yeah. Yeah, I'm

Peter 21:07

sort of like the quiet little shy type was given to me. Oh, I think it's the other way around.

21:12

I have seen him in action.

21:15

Oh, I

Peter 21:16

don't recall that. That's the

21:21

reason you don't recover?

Peter 21:23

Probably glad I don't. Well, guess what, what? I had this great line I heard today. This friend of mine, called me and he said, You know these, you're a philosopher. James is a man of study and wisdom. You know that? You know, how they used to always sit around and argue about like, if a tree fell in the forest, and no one was there to make us and no one was there. Would it make a sound? Well, if you're in a in a relationship and and your guy is out in the middle of nowhere, and he says something. And his lover wasn't there to hear it.

22:06

Does it count?

Peter 22:08

Is it still wrong? Is he still wrong?

22:16

Have you ever see Yeah, okay, there we go. There we go. Okay, I

P Peter 22:22

got a little slow night buttons and all.

22:25

Slow all week. Now. I've got to say this. I've got to say this over the air publicly,

22:31

you owe somebody apology. I

22:35

want to know, I want you to know that Shame. Shame. I don't know. It was about a month ago or more. I went over to two peas. And I saw these tickets sitting there for the hatch awards dinner. Uh huh. Which was Friday night. And I was I was excited. I said, Oh, Carolyn, you know who owns two pieces? Right? She said, Oh, we just got these in 15 minutes ago, and I said, Oh, I gotta have one. I gotta go to this. I have the first ticket. Ticket Number 101 Unfortunately, I still have the whole 101 Because Friday night came and you know I don't know dementia something hit Oh, Moon I just honey I'm so embarrassed because you did what? I was asking the hatch kids about this awards dinner before they knew that much about it.

P Peter 23:25

And you got an award and you didn't show to get it I am so embarrassed. They're all out now before everybody

23:35

not only that, but did you see the program very loved they gave the whole back pain. It was gorgeous. And they designed it themselves and you didn't go

23:47

and it was really a lovely function. I was there you

23:51

were there yeah Robin Oh bitter oh

Peter 24:08

honey was in town so you know suppose that anything to do with the day well we aren't

24:12

fighting over my MasterCard bail but you know that's that's something

24:15

I'm sure that most of

24:19

you will not go yeah, we've been discussing money this week. New Music for about you know until it goes habitat again. watched this one time in history. He's listening to the show.

Peter 24:38

Well, now your whole life is all out of airwaves. Not only did you miss the big dinner and awards banquet for years, but but

24:46

not my whole broadcast adjourned. Not my whole life. Oh, because my boyfriend isn't here tonight. That's my whole life.

Peter 24:58

Connie when they come by and drive by the front. I'm glad that his is the one with the glass in it for drive bys and not ours. Were to study really Jesus. But oh,

25:09

last night really was very nice. And I just wanted to say that catch did a great job and there's a lot of people there. Nice Parker was there and Sheila Jackson Lee and wow, yeah, it was beautifully decorated. Lots of good food and really nice kids. And everybody did a good job. And

so I enjoyed myself. And I was looking for Jamie, but

P Peter 25:29

she called me before after

∅ 25:35

I walk into your well,

P Peter 25:37

high waist, you got laid on more Nike and say, Oh, anyway, did you hear what that bill this? We just did the Pillsbury Doughboy obituary. But we have some other crisis news tonight. No. Why? Well, Bill and Hillary and Al Clinton. I just found this out before I walked in, we're all for Al Gore. When I say Alkalyn Bill Clinton and Hillary and they're not weren't close. But they didn't take gotten married. They didn't take tip of the dog. But they were all in a plane. And the plane crash? No, that's all been killed. Yes. And I hear that they went up to heaven, and there was God sitting on his throne. Uh huh. And he says to owl, tell me what you believe in? And I said, Well, he said, You know, I believe that the combustion engine was the beginning of the downfall of the environment. I think that the chlorofluorocarbons and all that have we've just about ruined ourselves with them, and our ozone is bad. But if we all really work hard, and we can have an environment as you created and gave to us, and said, Oh, very good. Well, he said, Come and sit on my left. He said, and Bill, what do you believe in? And he said, Well, he said, I believe that power to the people that mentioned be telling each other what to do, that we should care for one another. And if we really, really work hard at it, we can have a peace and harmony the way you meant to be. And when he said, Oh, that's fine. He said, Come and sit on my right. And he said, and Hillary, what do you believe in? And she said, Well, I believe you're in my chair.

∅ 27:21

But you know, there's been a lot of that a

∅ 27:24

lot of Heaven thing. Yeah,

∅ 27:25

you know, this busload of nuns went over the cliff,

P

Peter 27:28

there's a lot of people die.

o

27:31

Yeah, so all of these nuns are up in heaven, you know, all in a single file lined up at the gate and St. Peter comes to the gate, and says, okay, not all you know, it's, I'm gonna have to ask you a question before I can let you in. And so the first one comes up, and he says, Have you ever known a man and then thinks about it and says, Well, once when I was doing hospital duty, I touched a penis. And so St. Peter said, okay, okay, you're honest. Stick your fingers in this holy water, and then you can go in. So the next one comes up, and he asked her the same question and she says, Well, I was doing hospital duty, also. But I held one in my hand. And he said, Okay, put your hand in the holy water, and then you can go into the gates of heaven. from way back at the end of the line. This nun steps out and says, Hey, St. Peter. Do you mind if I gargle before St. Sister Mary Teresa has to sit in that I screw that

o

28:54

almost

o

28:57

funny just to say

o

29:00

we'll be getting calls on that one. It's five to 65738.

P

Peter 29:06

And why you call? What do you think about it? Yeah, and why you talked to talk about that tasteless joke. You almost screwed up. Also, just go ahead and pledge because we are in our fun drive. Go ahead and give you a little pledge five \$10 Where else could you hear this kind of bull? Yeah, we had promised to we promised to clean it up if you lay up.

o

29:27

We have been people have been calling and we got from John and Webster, John. All right and on MasterCard to

o

29:36

Oh, John baby. A lot of KPFT

29:39

he enjoys Democracy Now we the people Celtic the Celtic music after hours. This must be a real

P Peter 29:47

joke like that. He's going back to democracy computer program

29:50

with Jay Lee which I believe Tuesday or Wednesday night but others a man of eclectic taste, and that's all the discussion shows.

29:57

What other kinds of radio stay She would put the Peter and Connie Lingus show.

P Peter 30:03

trouble anyway. But I was thinking about that earlier this evening. And you know, I have been the producer of this show for six years now, the show has been on the air for 10 years, I have been the producer for six years. And not one time in those six years. Has management ever said, Don't do this or don't play that segment. And anytime I have gone to them and said, You know, I want to do such and such, they have always said yes, go ahead. And that

P Peter 30:52

was until you told that last Joe

conversation while waiting. They wonder if they could possibly get married and heaven. You know, they were on their way to the justice of the peace. Oh, okay. Yeah. Okay. St. Peter says, I don't know, this is the first time anyone's ever asked. Let me go find out and he leaves. The couple sits waiting for a couple of months and in conversation they

P Peter 32:43

call cool. I know. I was calling, um, can't

∅ 32:51

contain themselves in that period

∅ 32:52

of Well, hey, they start wondering if they should really get married and have an after all, they have some concerns. So they asked St. Peter, when he comes back, what if it doesn't work? What if it doesn't work out? Are we stuck together forever? Well, St. Peter returning after the third month finally comes back with an answer and says yes, you can get married and heaven. That couple is really excited. They're like, great, great. But if it doesn't work out again, St. Peter, do you think we could get a divorce in heaven? St. Peter, whose red face he's really frustrated, he slams his clipboard onto the ground. And he says What's wrong? shouts at the couple. And, you know, they kind of look at him puzzled, and he says, Listen, it took me three months to find a priest up here. Do you have any idea how long it's going to take me to find a lawyer

P Peter 33:42

love it. So that's what the three C bus loved the linens and they probably would have got their answer sooner. But the mystery has been solved. Oh, well, we're not we're not dying. Now. Remember, we did some creation jokes a while back? Well, it seems that when we're I don't you run a religious role. I mean, I guess we're trying to clean up after the West time or

whatever. Fair. That'll take weeks. Well, I know. But I mean, it was such a decadent thing that I guess maybe we're trying to appease the hires. Anyway, it seems that when the good Lord was making the world, he called Man aside, and he bestowed upon him 20 years of normal sex life 20 years 20 years and man was whenever that mean? Well, you know, normal sex. Man was horrified but the Creator refused to budge. Then the Lord called the monkeys, and and he gave them 20 years. But I don't need 20 years said the monkey 10 is plenty. Well man spoke up and said May I have the other 10 and the monkey agreed and Lord called on the line he gave him 20 The lion only wanted 10 And again the man spoke up gonna have the other 10 He said well of course at the Lion then came the donkey and he was given 20 and like the rest he only wanted 10 And the man asked for his tan and got him. So this explains why man has 20 years of normal sex life 10 years of monkeying around 10 years of lying about it and 10 years of making a jackass of himself you will have chips out there

35:29

you will have chips out there

Peter 35:32
