P Peter 00:02

but it doesn't have to be the big stuff if you want just whatever you've got just to let us know that things are cool. And you want us to continue our frivolity and stupid.

J Jimmy Carper 00:11

all this fun stuff. And so if you don't get to hear anywhere else

P Peter 00:14

you will have you certainly didn't get to hear that ninjak anywhere else, and you're good. Save you the rest of the three. We have some we finally have gotten some other wonderful things here that we're going to share with you after some music. So call in while we're doing this little ditty. Give us some money, give us a little pledge. Now that things are cooking. And now we only need a mere a measly 115,000 make this thing roll for a whole year that's not asking for that. The big classical station 500,000 whatever they need, we don't need that much. Don't need it. We don't need that my new tower or Brighton pretty and clear. And it's all roll our and let's just do just get in. Now let's see if we can pay for every day a few bucks for the ceiling tiles. Well, I don't feel like I'm gonna get followed on. Let's do music. And let's hear those phones ringing on me.

J Jimmy Carper 01:03

Okay, this is also from the 70s put out by Motown first dance hit openly gay. I was born this way. You're hearing it on after hours. Queer radio with attitude on KPFT Houston, and ke O 's College Station Ooh, yeah. Carl bien. Who is born this way. And actually there's another. There's another version of that. That's not a dance. Song. It's just a regular song.

P

Peter 01:39

It can dance around a dance version. Oh, God,

J

Jimmy Carper 01:42

I was born this way by Valentino. Which is the same man.

P

Peter 01:47

Oh, okay. Yeah, that

∅

01:49

was much more Peter and Connie than the first. Yeah. And we heard that

P

Peter 01:53

was a lot more Peter and Gumby than the first? Absolutely, absolutely. Because we're Wow. chilled. We

J

Jimmy Carper 01:59

are we are Wow. And we are just as happy as pigs in chiffon.

P

Peter 02:04

Do we are? Yeah, we have our little pieces of tape across her movies. We do for Connie, because we have to she couldn't get to the microphone if we didn't. Anyway. I have been waiting for this, waiting for this waiting for this. Now Peter, and Connie. Lingus have what we

J

Jimmy Carper 02:22

have to say that we are after hours, we have to say we're after hours on KPFT here on KPFT. Houston and KEOS college College Station, Queer radio with attitude

P

Peter 02:34

when our numbers five to six. KPFT 5265738

J

Jimmy Carper 02:39

That's right. I did our beer heater and then there's con a heater and Connie Lingus show and we're doing financing and we're

P

Peter 02:45

we're ahead of ourselves. And that's okay. Anyway, and we didn't hear a lot of phones ringing during that last

J

Jimmy Carper 02:52

thing we did they were all dancing. Yes. Is that what they were doing?

P

Peter 02:55

Well now that you've just pooped your little selves right out get to the phone with your last held by falling and I can't get up breath and get over there and call in and give us something that is great. I

J

Jimmy Carper 03:05

do hear we got ringing

P

Peter 03:06

we do hear the phone ringing thank you Jesus. Somebody did put dancing and jumped that telephone. What you know what in our since we've started out so tastelessly is by keeping with our tradition, I was gonna say terribly tasteless different than this is different than what Yeah, and your point is anyway, that I was waiting for these I thought I really seriously thought that jokes about Princess die. Were or you're not going to we're not there because of the great and you know, I mean, she was a really wonderful lady and humanitarian. We haven't heard lunchboxes about Mother Teresa either, but you know I have Oh, I haven't, but that's okay. Maybe they're good. Like the nuns on the bus. Anyway, when you might want to tell that. I don't think so. Okay. I was. I was thinking there just wasn't we gonna get tasteless? We are gonna get tasteless. Wait. I didn't think there was any. Until this hot Internet fax came to me. Oh, no, from no less than San Francisco at 11:49pm. Last evening, hot off my internet hot off my email. Weapon 14. It's what it says you're looking for a friend of mine out there who we did. Well, I was. In fact, I've been home a lot lately. And if there's any little spendings out there that want to change that I'd be happy to change that. Anyway.

o

04:33

This subject was lines are lining up now.

P

Peter 04:36

Yeah, I wish they're finally here. It says yes, we have tasteless. We have tasteless Dianna jokes that finally made it all the way from the West Coast. Now our research staff we do have we do have people stationed at Mecca in San Francisco waiting to bring us their every little news thing in here they are for all you people in Houston who obviously haven't heard these because I Haven't heard that and God knows I'm out there anyway. Okay kids here we are ready set go. What we're Diana's last words to Dodi What do you want to stay at the Hilton or just crash here? tasteless? What did die on the side of the paramedics? Why did she say Don't touch me I'm a bloody princess

J

Jimmy Carper 05:28

and what was Diana take the money away for oh

P

Peter 05:30

no please if you want to stay so let's look into what was Diana wearing the night of the crash crushed velvet. Really my all time most favorite in the whole wide world favorite out of these? Well, there's this one. The one coming up is the absolute ultimate favorite joke I've heard. Wow. What did the queen give Fergie for her birthday?

J

Jimmy Carper 05:55

Fergie. Fergie, you

P

Peter 05:57

know the real Yeah, the one that nobody really wants. A new Mercedes Benz and a trip to Paris.

J

Jimmy Carper 06:04

Oh I do like that one.

P

Peter 06:12

Oh, God, we finally Oh, yeah. So I mean, I just feel since KPFT is on such a cutting edge. And I have not literally heard even on some of those weird morning shows where they have jokes they titties and thing really, really tasteless jokes. I have yet to hear anyone. And so I thought well make

J Jimmy Carper 06:30
us look like Masterpiece Theater here. Much

P Peter 06:33
be charging forward, braving New Frontiers and all that appy jazz, the

♀ 06:39
envelope of tastelessness.

J Jimmy Carper 06:40
That's what we like to do right here.

P Peter 06:44
Just one more time to the envelope of tastelessness. Well,

♀ 06:51
speaking of tastelessness. Oh,

P Peter 06:52
Connie, I knew I could be out done. Take that tape off your titties and give it to us, girl.

♀ 06:59
maybe now's a good time for my scary real true to life Halloween store. Oh, I believe it is. Oh, yes. Wow. This was some time ago that this happened or once upon a Halloween? Yes, it was. It was a Halloween. And I witnessed one of the scariest things I've ever seen. Oh, and what was that? And Peter was there in fact, he was the scary thing together. Quite some time on how

P Peter 07:26
we she's gonna tell them.

J Jimmy Carper 07:28

Oh, you know? Ah. Oh, he is turning red. Folks. This must be really good. Color radio.

P Peter 07:35

Don't you love it?

♂ 07:37

We were gathered at a friend's house helping helping everybody get ready for the Halloween festivities. Everybody was coming out in their finest Halloween costume.

J Jimmy Carper 07:46

I want you to know folks. He's wearing a green t shirt. His face is red. He looks like a Christmas tree

♂ 07:56

everybody comes out looking fabulous. And then and then outcomes. Peter? Yeah. All his loveliness. Looking like the mother of the bride. What? Ready for his trick or treating? debut? I'm not sure what he got more of that night drinks and treats but it was horrifying. It was scary. I'm still frightened when I think of it to this day. Peter in a blue mother the bride happened with some white lace trim. With full mustache.

P Peter 08:36

No, don't you remember what happened? Don't you remember what happened that day? It was a day of debauchery. The only thing Connie came to paint us Yes. Oh, she just wanted to see us naked anyway. I can assure you there were three you liked one anyway though. I remember that's when Connie was just a young little Nipper just hatch age 16 Anyway, they I was gonna leave my stash and hair on because you know this was my first ever have doing this. We had to go to some benefits

J Jimmy Carper 09:14

the first time you're wherever and drag Yeah, ever.

P Peter 09:17

We I was the agency that I was working with for had to go to these things, benefit things. And one of the people that was there has since gone to see Jason's along with the busload. That person was really made up well. Then there was more. Now the story was even funnier getting this Blue Frog This is I went to the bluebird shop down here close on Alabama. Yes. And they

made me they're hot. They're hot at Halloween. Although with blue haired old ladies in there. I don't think they go I thought it was funny. But anyway, here I am in the Tryon shop but they made me take these dresses from the back which it was changing right? They're no I had to come all the way up front to this door to the men's part. Oh, I got in one and couldn't get out without ripping the dress or the dressing room in the dress.

J Jimmy Carper 10:12

Okay, get the dress off, couldn't get

P Peter 10:14

it on couldn't get it off. Starting to rip so I had to open the door and have this friend of mine come and pull it off over my head there I am at all my negative front of the store with that was first when we finally found this cute little frock that I had. Now all these people said, Oh, just come on onto our house. No problem. We're gonna wash wigs paint nails. We're all here. Blah blah. Have good old day. Get a little heal prior to the parties. I said, Okay, that's cool. So Out we go. Counties there.

10:40

Yes, this overhaul. I think we probably started around 11 o'clock in the morning. A

P Peter 10:44

lot of overhaul this where they jumped me and cut my mustache up and made me shave it all off. Looks so awful. So then Miss Miss Lingus Connie lingos puts puts war pain on me I mean puts us base I don't know what they do. I don't know there's

11:01

none of pancake makeup in the world. But we worked with what we had

P Peter 11:07

pancake mix is what we use. It was like all over but I looked in the mirror and I was really really white I mean really white I mean that look like that you know the style now with the real dark hair and white thing and yeah, the goth kids I said oh god I look sick. I said can we make this a little darker to look I mean a little more I just you know oh yeah, we can do that. So they use the next shader to down I don't know. While hunting I got all dressed up and walked out that door I was like a black tie it wasn't Oh with my beautiful blue dress over heels. Whatever. We just reduced you

11:49

need some more color

Peter 11:55

she did I was colored.

11:57

Well we had to shade

Peter 11:58

dark light. Anyway it was it was a fun night. And they did before pictures during pitchers and after pitcher

J Jimmy Carper 12:08

was at the after picture. Well,

Peter 12:10

the during is pretty ugly too. But the one of the people who thank God I hope this all went along with the bus trip to heaven and with him. He went in one car and the three of us a rather large tall blonde guy in the prom dress that he always wanted to be going to the prom in me and some hooker thing from New York look like street drive from New York. We were in one car well, the car got the other guy got broken to me is his gym bag got stolen, which had everything all the pictures so somewhere in this world may be developed our pictures of Peter looking really bad and scary, scary bad. We got to the love it in where the first function was. And the we're standing in line for cocktail, which we really probably didn't need. But there we were, and we were all in line and this guy looks. I'm standing right next to the other one who's gone to see Jesus. And he looks at me and he goes, Oh my god, I can't believe you. So where's we'll call this guy, John. So where's John, who was standing right next to me that shows you how good he looks. They didn't even recognize that. The night goes on, but the highlight of the night. I need to say this is where I gained my great devotion to the lesbian community. Oh, after walking from the left in up to Pacific Street area in high heels which we never had on our feet before. And by this time these dogs are screaming we get up there we go

J Jimmy Carper 13:47

that these guys always get shoes too small all the way up

P

Peter 13:52

and they were just you know, I'm not used to having my heels up my butt. Anyway. My heels up my butt. Anyway. So we go to the BRB and Miss prom queen and I enter a dance contest and win. Yeah, do fun. Here's this out there to step in. Big Red net dressing me and my but it was Britain anyway, but by that time we were just half dead and some lesbians were there and took me over in the corner and I sat on a big stack of beer cases. And she took off she was probably dressed as a hobo anyway, and took off my heels and gave me a foot massage. Whoa, honey, I mean to tell you it was better than any sex Ever. Ever.

J

Jimmy Carper 14:42

Did you get her name?

P

Peter 14:43

I don't. She will be forever in my prayers, okay, this man was let's be allowed me to go. allowed me to live on that evening till 4am When we showed up at Charlie's look and real pretty bad. that are all bad. Yeah me and the prom queen.

J

Jimmy Carper 15:02

Were the last diehards there and you're in some blue number mother.

P

Peter 15:06

You want to hear the real funny part of this whole line story is the real funny part of this is wasn't long after that I had to return home to where I am originally from because it was a health crisis in the family. And I had to go back home and when I got home I went into my old room trying to find a place to hang my handbag. And my mother has obviously taken over the entire house now because she's there alone and so she was willing to crisis so I'm home finally getting in there I shove all these clothes aside trying to find room for my handbag. And as I push these things of hers down a little bit there is the exact same dress I wore on Halloween like my God never that said true. You know, I thought well if the old girl dies I have Halloween costume here in this closet

J

Jimmy Carper 16:03

you have to become your mother

P

Peter 16:08

something every Queen ever wanted to be anyway I just got this note Peter thank you for ordering the pancake makeup we could feed the homeless for a week

16:20

P Peter 16:24

16:27

P Peter 16:29

J Jimmy Carper 16:37

I've got a piece of music I've got to play Okay, okay. Because it was request requested last week and I didn't have the piece of music and I promised I bring it in this week and now I do have it oh thanks to my boyfriend

P Peter 16:54

J Jimmy Carper 16:55

P Peter 17:01

P

Peter 17:30

Yeah, well one of these days Buckley you are going to be deep trouble. And if you think you're having trouble over finding ah

P

Peter 17:58

Yeah, give us a little song. Come on. I mean, yeah, like, here we are baring our little

J

Jimmy Carper 18:01

souls, and everything out and

P

Peter 18:03

everything else. The whole world knows more about our lives. There's things I haven't told my therapist that people just

J

Jimmy Carper 18:13

tell it all. Oh,

P

Peter 18:14

and yeah, guess who called me this week? Oh, Howard. Howard of old Howard fame. Yeah.

Howard fame. Yeah. The old show. Me and how we used Howard. Yeah. A couple of years ago

Howard lame. Yeah. The old show. Me and now we need Howard. Yeah, a couple of years ago. Yeah. Yeah. He's in Chicago and terribly, terribly homesick. Ah, but a new job

J Jimmy Carper 18:32

in Chicago. Well,

P Peter 18:35

I told him I said, Honey, when you feel down, go out and get pizza. And then I said, Well, I guess maybe everybody there's nothing. So you know, but he'll be doing fine. I promised I would mention.

J Jimmy Carper 18:46

Lots of people will appreciate that. He still miss him. Anyway, Thomas from the 1960s area. Oh, thanks, Tom. Yes, he wanted to hear helpless. The Jeffrey soundtrack and I have it and he wants to dedicate it to Bill. Oh,

P Peter 19:02

send us money honey for this one.

J Jimmy Carper 19:05

Bill and whatever. Okay, so Thomas, here it is just for you. Oh, yeah. From the Jeffrey soundtrack that was helpless. I don't know what to do without you. And that was for Thomas in the 1960 area. And he wanted to dedicate that to Bill. You're listening to it on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. And I want to thank Fran for her pledge to KPFT Fran. Fran and she wants to pledge this amount in honor of Peter. Because

P Peter 19:52

Oh, isn't that sweet? She

J Jimmy Carper 19:55

drove him the night he was in drag.

P Peter 20:00

I thought that was the second time. That was for the most recent one. Oh, that was a real

pretty either. And

J Jimmy Carper 20:09

also a note here. Connie, who I don't quite understand this, but maybe you will. caller is claiming false advertising because he couldn't get a request made through you on the air. Oh, do you know what that's about?

⌚ 20:28

I have no idea. Maybe he'll call back.

J Jimmy Carper 20:30

I hope he will. Or she whoever I don't know if it was we love

P Peter 20:36

satisfied listener.

⌚ 20:37

Please call back and clarify that my musics. 5738

P Peter 20:40

Well, you know what, what I got a call on on. Well, that song was playing. And they said that they that I should ask on the Air Force A J suggestions. For what I should dress up as this Halloween

⌚ 21:00

shamon

P Peter 21:04

I'll just borrow your costume from last year.

J Jimmy Carper 21:09

I know you are but what are you? I know I am. But where do you I don't know when you are but

what am I? How's that?

P

Peter 21:15

One of those? I still don't get back on the bus at the end. Anyway. No, this person said there. They they are I know who this person is. And they're trying to figure out what I'm going to be going as this Halloween. And so they said obviously since I've put no thought into it so far, maybe it'd be a good idea if we opened it up to the KPFT listeners. And they would call in with suggestions what Peter could go as this year. So if anybody out there has got a great idea outside of Connie and Shamu, which I think is just pushing you. Well.

∅

21:53

Maybe we could get you in a Kpf t shirt and you could go as a billboard.

P

Peter 21:58

Connie, I believe that up to you. If I'm looking at your

J

Jimmy Carper 22:02

that's a good idea, Connie, you know because the KPFT t shirt has the logo as the license plate so we can wear the t shirt and go was a car.

P

Peter 22:12

Headlights are bigger than mine. She's got to bear a headlight so knock your socks off. I think that license plate right above those headlights. And we don't if we can take the tape off and she can shine at night.

∅

22:25

And you too can get a game PFD for just \$60 By the

P

Peter 22:32

end of this madness Hey, listen, I got I've

∅

22:35

got to come walk behind Peter and be a con boy.

P

Peter 22:39

I mean, you could walk behind me and be the tail end of a director.

♂

22:44

Late everything's lesson

P

Peter 22:45

bits done starts up you can't stop. Hey, get this Jimmy baby. A man with a winking problem is applying for a position as a sales rep for a large firm. How can you have a winking problem? Well, you're twitching your eyes. It's got a name. I don't know why, you know little Winky. Little tick. Yeah, that's the old tick. And the interviewer looks over his papers and says, you know, this is phenomenal. I mean, like you've graduated from the best schools, your recommendations are fabulous. Your experience is unparalleled. And normally, we'd hire you without a second thought. However, a sales representative has a highly visible position. And we're afraid that this constant winking is going to scare off our customers and so I'm sorry, we can't hire you. Oh, that would be a little strange. But wait, the guy said if I take two aspirins, this winking stops, oh, it's easy enough. Really? I think I said, Great. Well show me so the applicant reaches into his jacket pocket and he begins pulling out all sorts of condoms, red ones, and blue ones and ribbons and flavored. And finally at the bottom of the pocket, he finds an aspirin. He tears it open and he swallows the pills and is winking stops. Well, the interviewer says, you know, that's all well and good, but this is a respectable company, and we'll have none of our employees womanizing all over the damn country. Guy says womanizing, what do you want to talk about? He says, I'm a happily married man. I said, Well, how do you explain all those condoms? He says, Oh, that is have you ever walked into a pharmacy winking and asked for an aspirin? Kids another one for your babies. Who loves your mama let

J

Jimmy Carper 24:33

you know how I've been talking about the music that we've been playing a couple of pieces that I called? Old New. Yeah, yeah,

P

Peter 24:41

I know about the first one. Yeah,

J

Jimmy Carper 24:42

JD called and wanted to know what I meant by that. He's the one who gave me this music. And that's what I mean is that it's old music, but it's new to After hours.

P Peter 24:51

That's what you meant. And I thought you explained that perfectly. And then when I heard it, I was and you realized it was old and then I knew what you were talking about. Okay,

J Jimmy Carper 25:02

so there JD that's it. I almost have everything copied

o 25:10

so listen, our Army, our research department.

P Peter 25:13

Oh honey, what

o 25:14

have they found us now busy. They've gotten news from all over the country for us and this is out of Virginia Prince William County, Virginia

P Peter 25:22

Prince William County, Virginia new the

o 25:26

well prosecutors recently dropped ripened sodomy charges against a 45 year old man and I know you're wondering what's funny about that? Yeah, here we go on stick in. The man

P Peter 25:36

don't say stick into a 45 year old man arrested on side of the journey. Well, he told police that hang in may be sticking though.

o 25:46

Yeah. One of the victims multiple personalities had consented to have sex with one of his multiple personalities. We're talking fruitcakes kind of a sticky situation. So it's

P

Peter 25:59

45 years old dealing with multiple personalities doing sodomy says

∅

26:04

citing insufficient evidence the prosecutor said that the says the man had explained and that he and the met the woman had met in group therapy for their multiple personality disorders. And apparently one of her personalities had fallen in love with one of her personalities his personality is with her yeah hers with his the charges were dropped in

P

Peter 26:30

other words you got off because they're fucking crazy. Oh, word again. Oh, I did it. I said it will quit after one o'clock hopefully the FCC or FAA or FA T or whatever the hell they are all went to bed.

∅

26:50

Probably the little alarms went off.

P

Peter 26:53

We won't say it again. I promise.

J

Jimmy Carper 26:57

It's the fu CC coalition unnecessary commission.

P

Peter 27:04

Foods commission. But that is that I mean, they're just

∅

27:08

strange. What other little juicy

P

Peter 27:10

another bit do we have? We we don't call them tidbits with Connie doesn't. I mean look at the size of those bits. They're not Oh no. Maybe that ain't a bit enough. You know, whenever you

27:25

ever occasion in the back next to like the booty pads, you can order through the mail. There's always the peanut penis enlargement. Yeah.

P Peter 27:35

One of those. I thought it was a blood pressure cuff.

27:40

You always see him you always

J Jimmy Carper 27:41

put that thing on and it raises your blood pressure. Really? Who orders

27:45

them and how do they work? Well listen, this 50 year old your 54 year old truck driver in Tennessee is filing a \$10 million lawsuit against one of the companies that manufactures those things. Oh, apparently he got a defective penile implant defect. Want to defect on you? No, no. He says that it took all the manhood from him. It did the poor guy said he suffered suffered from blisters, bruises, infection, and most of all embarrassment. According to his own attorney, he could be just walking down the street and the thing would erect on its own.

P Peter 28:25

By God, I think that's happened to everybody

28:28

the thing you know if I was on that jury that I would just have a problem with it. The dollar amount he was asking for I mean, obviously his penis wasn't working in the first place so not sure it's worth 10 mil

P Peter 28:40

million when it works too much.

28:42

I'm thinking he gets his money back he was probably embarrassed before

Peter 28:50

real sorry about the whole damn thing.

28:54

One more strange and wild wacky

Peter 28:56

Oh another piece of news where do you find his news all over the country department there they are out there. I mean, they're facts in me at 11 o'clock at night from San Francisco. They are

29:07

this is at a Key West Florida where we know strange things happen. Up apparently Patricia Wyatt called police to report that a stray potbelly pig was courting her husband's brand new Harley Davidson apparently used to be

Peter 29:24

that real slow this is key was Florida.

29:27

Hello Patricia looked out the window and says Dre potbelly big

Peter 29:32

according Arlie I've seen a couple of pigs on I've seen a couple of pigs on

29:43

those girls and have been on them

P

Peter 29:46

not all not each other. Anyway, it was a real scary

so anyways, this this pig was trying to have sex with the motorcycles front wheel, and apparently somewhere in all the confusion The 50 pound pig scratched the paint and tore the bikes fabric cover. So it costs about \$100 worth of damage. And animal animal control officers tried to enforce that the pig should be neutered, and the bike owners was was not satisfied with that kind of punishment that they want pork chops. In the defense of the pig, the pigs owner said, Hey, we don't even know if it's a crime to have sex with the Harley. So that's even prosecutable. I'd have to check those.

You know, like, it's time that the Jews and Catholics set everything aside. And, you know, either Jesus is red, and we killed him. I mean, all this stuff. Let's all set it aside. Let's challenge and challenge you to golf game to our golf game golf game. And the winner of the golf game. That's the decision. I guess it's better than normal. Well, really. And so the Pope was a little upset because he said, Geez, I don't play golf, you know. So the Cardinals I got to get they said, Hey, listen, I got a great idea. Let's make Jack Nicklaus a cardinal and he can play for you. Terrific. Well, everybody thought that was divinely inspired. So they called Jack and of course, he was just honored as hell to be me. Yeah, so that was fine. And the day of the match. Nicholas was to report back to the Vatican what happened so he came back in and he informed the pope At the success of his match, and he said I came in second Your Holiness Oh, and he said second you came in second is Shimon Peres he said no to Rabbi woods you get a tiger you know how long it took me to get that way to
