00:00

Henke freak on in you're listening to it on after hours queer radio with attitude on KPFT Houston, and ke O 's College Station. I'm Jimmy Carper. And right now we're going to the news with Roy, and Michelle's here, and I'll probably have a little something to say about that. Okay, what do you got? Right?

Big Roy 00:19

Well, I want to start off with a somber note here, okay. The founder of the African American Lesbian and Gay Alliance of Houston. He passed away who? KENNETH Burrell? No, yes. KENNETH Harris, actually, Burrell's, his middle name, Kenneth Harris. He had a he passed away from AIDS. No, I did not know that. Yeah. And he was only 29. He passed away last Sunday. And he's really going to be sorely missed getting that community who was a big activist, and

Jimmy Carper 00:59

that is an incredible organization that has just grown phenomenally in the couple of years that they've been around.

Big Roy 01:08

Really, and

Jimmy Carper 01:12

and they're already at the point where they want to put together a community center.

B Big Roy 01:16

Yeah, that sounds really good. And it's really needed. Yes, it is. It's really needed in the community. I also want to mention that the Houston area Women's Center is offering free counseling for lesbian and bisexual survivors of domestic violence. And it's a free group, and it has individual counseling for the survivors of this violence. And lesbians who are battered, you know, they have to overcome a lot of obstacles that many of their straight counter parts face, including, you know, fear for their own lives and lives of their children, the plus the lack of resources and isolation and many other things. And so, you can call the center at area code 713-528-2121. And they'll schedule an appointment for you. I also like to mention that the Metro is going to be offering free rides to the polls on election day, Tuesday. And the service is good, it's gonna be free and all the routes between 7am and 7pm. And all you have to do is just show your voter registration card. And that's going to be pretty interesting. And the crew of Olympus is going to be sponsoring. Did de muertos. Oh, dear dad, that's the Day of the Dead. And that's going to be Saturday, November 1, that's the day after Halloween day the dead. It's going to be at the venture in Oh, and God gives us another chance to dress up again. And there's going to be dancing and food and you can call the venture in to find out the time because I do not have the doesn't have the time. I do not have the time. Okay.

J Jimmy Carper 03:16

Well between now and then. Well, we'll be talking about Sure.

B Big Roy 03:19

Also, I'd like to mention that the Montrose clinic is now operating the frost eyecare clinic? Oh, yes. Between nine to five, five days a week.

J Jimmy Carper 03:30

No kidding. Yeah, the only one day a week because that's where I go to have CMV. The CMV checked.

B Big Roy 03:37

And the clinic is also going to be adding pediatric eye care to their list of services. Good, good, good. Good. You know, this is a really good thing, a really good clinic because, you know, they began in 1955 Oh, yeah. I mean, 95

J Jimmy Carper 03:52

Actually, they began much earlier than that, because I used to go to the clinic. it before it's been under different hands and, and different places. But it's been around a very long time in the community. It started out to serve STDs, right in the 70s. Oh, yes. And I remember I would go every few months just to get an STD check. That was the day of free sex and you know,

things happened, right then as times changed, and as diseases changed. It has adopted adapted for, for what's going on today. And now I go there to get my eyes checked every few months for CMV because when you're HIV positive, that's that's a that can occur

 B Big Roy 04:42

right there. As a very important thing to be taken care of that

 J Jimmy Carper 04:46

you bad and it's a great it's a beautiful place you're treated with with a lot of dignity. If you can pay fine if you can't pay that's okay too. Great.

 B Big Roy 04:56

Now if you want to make an appointment Just call them at area code 713-830-3000. Yeah, that's 830 3000. And

 J Jimmy Carper 05:10

there's other HIV things that they have going on. And if you happen to have HIV, or, or, or what you want to find out if you have HIV, right, give them a call.

 B Big Roy 05:21

And it well, let's put it this way. If you haven't been tested in the last six months, and you've had unprotected sex, you should go get yourself checked yet.

 05:32

Yes. Or the, you know, sometimes the rubber breaks, right? So you need to check and make sure. And this is not just gay man. We're talking straight people. We're talking aliens, you name it. And an HIV is out there. And it's not just from the gay man. There's a lot of there's there's a lot of transmission through through needles, and then those people have sex partners. And you know, you can get it a lot of different ways now.

 B Big Roy 05:59

And unfortunately, while the gay community has gotten the message, we still cannot let our guard down. You bet. The according to the CDC, the Center for Disease Control, the fastest growing group is among straight people, women and among them, it's women women. Yeah, so definitely go in and get yourself checked through that. And going along to this aids line, the Houston names project in collaboration with the Harris County Hospital District. Last week, they

installed a seven by four foot Lucite box at the Thomas Street Clinic. Yeah. And inside it is going to have one panel of the AIDS Memorial Quilt. And every week, it's going to be changed. Oh, terrific. So stop on by there and take a look at that. And I'm sure there'll be more than happy to take any donations that you want to give them. And I also want to mention that last weekend's great party was a resounding success. Oh, I'm sure it was and they raised much needed funds for local aids charities. And this week, they're operating pet water stations along the west our festival speed festival. Free watering spots for your pet.

07:24

Yeah, I never thought about that. Yeah, I

B Big Roy 07:27

was talking with one of them today. And I said I promised him that I mentioned that they're out there and I did my thing. Now decadence you know is going to outrageous present decadence Now this happens yeah. This is going to be happening next Saturday the 25th

J Jimmy Carper 07:49

Okay, at

B Big Roy 07:53

riches isn't riches right? And the proceeds are going to be benefiting Stevens house call we project the body positive Wellness Center as well. And there's going to be open bar complimentary well drinks a costume contest.

J Jimmy Carper 08:09

Oh, and costume. Right?

08:14

Totally content. Yes.

J Jimmy Carper 08:16

That's what we're looking for. And

B Big Roy 08:18

— tickets are available at basic brothers body power positive Lobos enriches Yes. And,

08:27

you know, even if you'd like to do, if you can't go it would be nice for you to buy a ticket to support this organization because they support you know, wonderful organizations like Stephens House coffee house, just like the PWA holiday charities. Now that started out as the lady victoria last PWA holiday fund, and that is to provide something special to PWA. During the holiday seasons for those who can't afford anything. What they do is they provide a little bit of cash for a PWA to spend any way they want during the holiday seasons. And to do to do this they have fundraisers during the year. Now, what they're extremely, extremely proud to announce that the PWA holiday Charities is having an open house at their new offices, oh marries naturally, of course. It's Saturday November, November first from four to 7pm catered by Carter Carter and Cooley. Thank you very much. Okay. And that's some classy stuff with special event pricing for for cash bar. And this is an organization that has people from all walks of life here we've got the President is Chairman and President Don Gill. Oh, Mr. Everything. Really vice president is Bob Wooten who last time I heard was president of the Renegades? Another great organization. Jerry Moran is the secretary who's active with the court. Ken Parker is treasurer, treasurer. And David Sawyer is a board member at large. Oh, great. Oh, this is a wonderful opportunity to find out more about the PWA holiday charities because they will be very active. The next coming months actually, they're active all year round. Oh, really? Because it's not just Christmas. They, they're, they're interested in all the holidays. Easter Thanksgiving, right?

B Big Roy 10:32

Yeah. So and you know, and holiday time, people that are suffering from AIDS, and HIV. It hits all of us if we're, you know, if we're single, but I can imagine that people who are suffering from HIV and AIDS, suffer, you know, it hits him even harder, you bet. And

J Jimmy Carper 10:55

you back, because, especially if you're not doing well, with age, you think you know, how much more time do I have? Maybe this is my last Christmas. Maybe this is my last Thanksgiving.

B Big Roy 11:06

It really that's,

J Jimmy Carper 11:07

that's a pretty tough thing.

Big Roy 11:08

**Big Roy 11:09**

It really is. I also want to mention, for all our Hispanic listeners out there, and we do have quite a few Oh, I hope that now on Wednesday nights at heaven, it's going to have a mixture of our Latin house music and progressive house music. They're getting a DJ is going to be direct from Kiss 98.5 D. J. vv. J. Kamikaze is going to be there at heaven. And finally, I want to wrap up the news with some things from the Texas Association for transgenders. Their next meeting is going to be October 25. Well, actually, it's an unmuting. Of Vanessa Edward Foster's at 7pm. And Michelle, can you tell us more about this?

**11:58**

Oh, wow. It's one of our taxes, taxes, the Texas Association for transsexual support. Ah, yes. And this is we have meetings twice a month. And this is the second this is the fourth Saturday of the month. And we have what's called the unmeaning, we used to have a meeting that we had called the feelings meeting, which was we all sat around in a circle and just talked about our feelings. And so people had problems with that. So we've just said, well, we don't have an unmeaning talking about whatever comes and we just talk about whatever and we have something to eat. We started about seven o'clock, and we usually go to about 10. And then when we adjourn, nothing really official what when we adjourn, we all head off to someplace else, and have some fun, anyone wanting to who thinks they are interested in joining the Texas Association for transsexual support, can call area code 713-827-5913. And you'll be able to talk to Alexandra and just please tell Alexandria that you heard this on KPFT on after hours. Yes.

**Big Roy 13:16**

And I'd like to close out with the actual you're not going to close out on closing. Okay, but go ahead. Before you close it out. Yes. My little segment here. I'd like to close out with something I read from the TAs new tats newsletter, okay. And it actually had me almost in tears in the lobby. And that's

**13:34**

tears of laughter not sadness. The

**Big Roy 13:38**

microphone, the microphone, Microsoft slogan. Apparently Microsoft made a minor mistake in translating. It's where do you want to go today and quote marketing slogan in the Japanese. Oh, roughly translated back into English it became if you don't know where you want to go, we'll make sure you get taken

**Jimmy Carper 14:05**

one more thing I want to talk about Houston pep people exchanging power which is s&m social group they meet they will be having their their monthly meetings at Tantra will be the first Saturday of the month. For additional information you can call Alexandria at area code 713

Saturday or the month. For additional information you can call Clay Harris at area code 715-921-1816. That's 9211816 where our friends at pep hour we're gonna go to a piece of music can

Q

14:38

I give one other telephone number? Anyone interested in coming out and walking the Montrose with Cubitron Oh, yes. Area code 713528 safe. That's 5287233 and leave your name and telephone number on our answering machine. And I will call you back and tell you about Q patrol and how to join and how to come out and walk with us. We do help make the community safe. But we do it. Because we walk around and have fun people see us and people remember that it's their responsibility to look after each other, and to help each other. Whenever there is any problem around.

J

Jimmy Carper 15:33

That's right. Q patrol is a visual deterrent.

P

Peter 15:39

A visual deterrent?

Q

15:40

Yes, that's right. Now we're gonna go to a piece of music before we bring Peter and Connie back. New Music by Tommy Sally. Guys, obviously from New York, and it's called Managing your monster.

P

Peter 15:55

Can I say one other thing real quickly, you while this little piece of music managing your little monster, why don't you do a little thing with managing your little money. Ah, we need your five to six KPFT that's our little phone number 52657385738 Give us a little call and give your last little pledge and it's getting down to the wire now almost broken our little record. We're getting there, all we need is just a little dab more. And we will break our little thing and record and we'll break down a little thing Oh goal that says, reach our goal. And do that. And if you would just during this little piece of music, run over to the phone and have one of those little inspiration bursts like that one lovely lady had. And get that right on in here. That spontaneous combustion or option have it and do it and call us and whatever. And if you can do 35 That's the basic thing with the bumper stickers and whatever. And that's fine too. And if you want to be a leadership circle person, we'd have a brand new one of those, that would just be so fab. So if you could do that, we'll come back and have another little joke for in some whatever. And if you like what you hear on this radio station, not just this timeframe, our but all the other things. Let us know. And let us know especially for this one too. And we'll reach our little goal tonight. You

17:20

bet. One other thing that I'd like to mention about about pledging, there are a lot of organizations and companies that do matching grants, you bet if you happen to be working for a company that will do a matching grant on get that little piece of paper, get it in here, and you will normally double your contribution to KPFT by doing that, now is a great way to really, really increase your impact

J Jimmy Carper 17:52

in the community. And if you're in the closet, and work for like Texaco or something and want to do this matching grant, the paper will work will come in that says KPFT it will not say after hours it will say KPFT

18:05

you can say oh I listened to Jerry Brown all the time. There you go. We're safe probably

J Jimmy Carper 18:09

won't like that Texaco either you're listening to after hours we're radio with attitude on KPFT Houston and ke O 's college station now Tommy say Le S H E L I

18:24

J

Jimmy Carper 19:11

Managing isn't a Wawa.

P

Peter 19:13

Whatever I feel like it'd be a full time job what fine if we had any more fun tonight and did any more tasteless disgusting things but did you hear it's a big gift? Did you hear about these four Catholic mothers that are here we go that are all sitting around Oh with the religion? Well it's been a religious thing. It started off with Jimmy's. All these nuns in a bus going over a cliff and we went from there to Diana trashy Diana jokes. We went from there through just the thing. Yeah, those were trashy. Oh, they were but that last one was awfully good though. The last one was good. And I mean, you know, we do open this envelope of tastelessness weekly on the Peter and go Don't you think it's right or, or monthly or whatever it is like for Catholic mothers are sitting around bragging, bragging about their sons, each of whom is a priest. And the first mother says, well my son's a Monsignor and when he walks into the room, people greet him with Good Morning Monsignor. Um, the other one is her playing bridge says, Well, my son's a bishop and the people greet him with good morning, Your Grace. And the other lady grace the table says, Well, my son is a cardinal and people greet him with Good Morning, your eminence. Wow. And the fourth lady pauses for a minute and finally she says, Well, my son is six feet nine inches tall, weighs 300 pounds and it's pure muscle. And when he walks in a room people greet him with oh my god that's good. That was to make up for the tasteless day in a lot of rooms. But are really good one was the Hillary one. No, that was that was good. That was very good. I tried hard. I tried real hard.

J

Jimmy Carper 21:09

Do we have a top 10 List tonight? Well, we should have asked you off the mic.

P Peter 21:16

Some kids were walking down the street on their way home from school and thought it would be fun to pull his pants down and then they painted his bat blue and stuck a daffodil between his cheeks. First he gets locked out of his house. Then he's stuck in the category to make matters worse some kids people that have Phantom Pains but blue

P Peter 29:44

J Jimmy Carper 29:55

They

c Connie 29:56

can't hold on wait, there's more. They came back later. Um I put put a sign on his bed saying an essay in street art. Please give generously so people cheered and threw money. And it was only after two days of being stuck in this cat door that a neighbor called after a dog had licked his private parts. Poor guy.

P Peter 30:21

Maybe that was the high point of the day, maybe

J Jimmy Carper 30:23

two days you think you might have lost enough weight to fly

P Peter 30:27

or do you think or do you think he might have or do you think some boards have gotten said guys to Alex to take police to get their help I fall in I can't get up and you're there a week. Well,

c Connie 30:41

some some good news. i Happy ending on the end of the story. Yeah, collected quite a bit of money in his underpants. So he said the time wasn't entirely wasted. Well, glad it turned out all right. And he got licks

P Peter 30:56

I was reading a handwritten note here. What what did what happened after he they did all that? I mean, they they private parts. And

c Connie 31:04

then they hung a sign on him saying to please give generously. 3000 Whatever's Deutsche Marks. Wow,

J Jimmy Carper 31:10

P

Peter 31:17

somebody called in and felt like that, Connie, and Peter, that we should go as Oprah and Rosie Oh,

♀

31:25

I know who I am. Well, that's

P

Peter 31:28

J

Jimmy Carper 31:34

P

Peter 31:39

J

Jimmy Carper 31:42

So there you go.

P

Peter 31:46

Okay, Rosie, maybe we'll start a new show here instead of the beat and Connie Lingus show we may do they'll bring

C

Connie 31:54

that gives new meaning to Oprah's slogan Make the connection.

J Jimmy Carper 31:58

Or does it? Video Yeah,

o 32:01

is that oh,

c Connie 32:03

she's got a little video vignette out. Video went yeah, no kin you know anything ever does people just run out You bet. Well,

P Peter 32:11

I haven't done that. But that's nice to know that happens.

J Jimmy Carper 32:17

You know, we haven't had a caller

P Peter 32:19

in a while. We haven't gotten a call or in a long while

c Connie 32:23

the clubs and you're on your way home pick up the cellular phone. Or the car phone.

J Jimmy Carper 32:28

That's right. And make your pledge to after hours and KPFT KPFT

P Peter 32:33

5265738 A little bit we'll put his over where we need. Uh huh.

J Jimmy Carper 32:41

THAT'S RIGHT. REALLY DO GOOD DO GOOD BECAUSE THAT WILL TELL EVERYONE THAT WE NEEDS YOU --

That's right. Really be cool. Be cool, because that will tell management that we made her go absolutely crazy now people people like this show. Absolutely.

C Connie 32:49

And we know you do. We sure do. Well, we

P Peter 32:52

know you do. Because there have been a lot of calls, but I've been calling you with the weirdest stuff like what we had to go directly wanted to go. And then other jokes and then things that were seen on T shirts on West Ham was Oh,

J Jimmy Carper 33:03

yeah. Sure that you can say over the SE but I guess I mean, what's the big F word?

P Peter 33:09

No, I've said the F word already. So I guess we might as well say this.

33:12

Richard in Kingwood

P Peter 33:16

that he saw this wonderful t shirt which I think I saw two hanging on the thing it said mean people suck. Nice people swallow another piece of tasteless humor from the beater and Connie Lingus show. I've always liked that. I wouldn't know anything about what you people are talking about.

33:36

So it's been so long. Yeah, really? It really doesn't.

P Peter 33:40

You I mean I do have

J Jimmy Carper 33:42

a I've had a musical request if we want to go to that. Sure.

∅ 33:46

We could do that. And we

P Peter 33:47

could also go to and remind everybody that we had this little dab left to do if you could please please please do that. We need a few you don't have to do the 35 for the bumper sticker. Or, but you really may want to get this make midnight funk Sam Yeah. Looking at that some great art a myriad of artists made a talent myriad of a lot of things

J Jimmy Carper 34:09

that you hear on on on KPFT crossroads. Right have donated their talent for the special CD that's only available from KPFT only available during marathon.

P Peter 34:21

Well and here it is and now's your time to give it your bad couple of T shirts for 90 briefcases you name it leadership circle which would be a really big hit for 500 bucks I mean when do you get newsletters if your leadership thing you get gifts subscriptions for friends you get breakfast club and tours KPFT you get especially invites throughout the year you get navy blue golf shirts, special CDs, special CDs, lots of other stuff so I mean, you know it's a nice deal. It's a big deal and the our leadership person comes down here a lot when we're on the ad that

J Jimmy Carper 34:56

he's not here tonight because

P Peter 34:58

on so that's cool. I mean, you know, that'd be that'd be kind of neat. And that would really throw us over the top.

J Jimmy Carper 35:03

And that would be great. So we can do that for you can and even if

P

Peter 35:07

you only got 10 bucks, that's cool, too, because we've gotten a number of people Connie dearly, who have called him with \$10 pledges. And that really, really helped you because you're just almost there. Yeah. And we need to get there. And it's like, you know, it's not just about this show and this craziness, but it's about the morning blues tomorrow morning. It's about a load of fun things on the station. Yeah. Especially shown here. Just

J

Jimmy Carper 35:32

my favorite show is tomorrow afternoon between three and six, which is Joe's Roadhouse. Man, that's rockin blues. It's my kind. That's my kind of blues. I really liked that.

P

Peter 35:44

Why do I have the hiccups? I haven't had enough. Anyway. Are you guys all in different date? Yeah, it would just be great. If I met this. I'll

J

Jimmy Carper 35:51

be available after let's see next. Let's say when to Stanley go back home. I

♂

35:58

thought he was something. No, no, he's here. Oh, yeah. Oh,

P

Peter 36:01

I met this really neat guy. His name's Pete.

♂

36:05

Yeah. But he hasn't called me yet. Yeah. Yeah. That would really be cool if he was the son, okay.

J

Jimmy Carper 36:11

Now to Peters together.

P

Peter 36:14

Oh, that would be my hope.

36:19

We take cash, we take checks, we take credit cards, you name it, you know, whatever the major credit card you have, or electronic funds transfer is something kind of new we're doing here. And that's really nice and painless, because you sign up for a certain amount to cover a year and then they divided it up by 12. And take it out, you know, on a monthly basis. It's just an automatic thing. That's cool. And it comes out, you know, 567 dollars a month. Wow.

36:47

That's good. That's easy. Cool. That's really

P Peter 36:49

easy. And I don't have anything really pressing early in morning. So somebody wanted to call in. We could still go out tonight and have coffee. See meet

C Connie 36:58

at Charlie's music. This is shameless self promotion.

J Jimmy Carper 37:02

I can't stand just trying to get ladies.

P Peter 37:08

Your honey is hot at work and we'll be ready to come blazing home in the morning. After a hard night at the job.

C Connie 37:14

I don't know I just talked to him when there wasn't a whole lot blazon Oh, but anyways,

P Peter 37:20

anyways, so let's do music

J Jimmy Carper 37:25

...

that we're talking about

P Peter 37:26

is is this is this your part of the life that gets back up on the air right now?

o 37:32

No life to speak of bear at all girl.

P Peter 37:34

Oh, don't do that. At all. Oh my Lord. Oh, take the tape. Tape them. You're able to work listening earlier. That's about this lady we saw at the West timer's Jeep fair today who had tape across just their needs with the seat top on it. I just couldn't understand. Yeah,

J Jimmy Carper 37:54

you're gonna wear a see through top. Why are you just taking up your let

P Peter 37:58

them go? Let blade Yes.

J Jimmy Carper 38:00

Yes.

P Peter 38:02

Okay,

o 38:03

what are we going to be listening to?

J Jimmy Carper 38:04

It's a request by FEM to fam group we haven't heard much from in a long time. And this is one of their hits from yesterday gear, which is always been a fun song.

38:18

I remember when they were here for the day. Yeah, yeah, that was a couple of years ago.
Pretty

J Jimmy Carper 38:24

nice. I'm proud to play it because I really liked this music fan to fan switch.
