The following program contains images of a phrase or sensitive nature which may be considered objectionable by some listener discretion is advised. Oh yes, you've tuned into after hours queer radio with attitude right here on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news interviews, dialogue and music geared for gay, lesbian, bisexual and transgendered people and their friends. Hear it after hours. We may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of age job or frame of mind. That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston and college station and then welcome to the April 1 edition of after hours. Yes, it's April Fool's Day and so we're only going to have a two hour show.

**G** Gigi 02:18

Only two hours of Nate radio

**J** Jimmy Carper 02:22

that's not an April Fool's joke because Miss GJ snake and yes, it's naked radio because that's my sexual night. And the magic here tonight is that two o'clock be it becomes three o'clock. Ah, yes.

**G** Gigi 02:39

So we will now yeah, no.

J Jimmy Carper 02:41

But I want to tell you what you heard in that little mini concert that I started out with. Usually play two songs but I kind of squeezed in for tonight. That was Jamie Anderson with I wanted to be a straight guy off of her latest album drive all night. Then something local from SRO live 9099 from the sports bar and cafe. That was Tim, What's his last name? Here it is Walker doing the Klondike song. I like that. I like the the last line too. Then from a compilation of out loud. That was Diana Jones, who, incidentally is from Austin. So good Texas woman doing The Ballad of Joe and Libby and starting it out with Juliet with rogue Amazon because she doesn't want to be a man. She just wants to be a strong woman. And we identify with that. Gee, indeed and Dave, let's see, we've got hellos from Buddha.

B Bobby 03:52

Buddha sends his best. And his food.

J Jimmy Carper 03:56

Yeah, we have all kinds of wonderful goodies. Thanks to cafe vino and Buddha. And if you want to go there tomorrow nananananana they're closed on Sundays and Mondays.

B Bobby 04:10

But he has other things he attends.

J Jimmy Carper 04:14

DD Yes, indeedy. Oh, let's see. Let's see. Let's see one other little thing I want to talk about is everyone makes sure you listen in next week for next week's show. It is the transgendered show. And Sarah dipalma will be the co host. And she is going to have Christie Littleton live in the studio. Oh, wow. Christine, little tip, who you may remember and I know you do, JJ? Oh, yes. Was in a court case. She is a transgendered woman and was married for six years her husband got sick and went into the hospital and died. So she decided to bring wrongful death To the hospital and the doctor, and the lawyers for the hospital and Doctor argued that since she was transgendered, that her chromosomes must be male. And that as such, she was in a illegal marriage. And she had no reason to bring a rough wrongful death. And as we know, and the judge said, Yes, agreed with it. So, you know, everybody thinks that chromosomes are on the x, x and x y. Well, let me tell you, how many pairs are there?

G Gigi 05:42

Many, many,

J Jimmy Carper 05:43

**J** Jimmy Carper 05:43

many, many, many, many. And you will be surprised to find out, folks, you may have been in a marriage for 20 years and have grown children and if you've been mean to those kids, and your spouse dies, you may not get anything. If they can prove that your chromosomes are not x, x and x y. Yeah. So we're gonna go through that. And, and for the first time in the history of after hours, Phyllis Randolph Frye will be here in the studio. Oh, wow. She Phyllis is now Christie's lawyer.

**G** Gigi 06:23

Yeah, heard about that. Yeah. And it's gone. They're taking it to the Supreme Court.

**J** Jimmy Carper 06:30

Go go all the way. And Phyllis is just the one to do it. Oh, yes. Betcha You betcha. She has the tenacity of a cat's claw. Once it does not come out until she's finished. And, and the reason that Christie is going to be in town is very important. date next Saturday night, which is the unity banquet. All of the transgender organizations get together once a year and have a big banquet. They're having it. Cut, I don't have the information right here in front of me. But you'll hear more about it in the new segment, because I gave information to big Roy Yeah, you can still get a ticket. And if you tickets are like 30 \$38, I believe it's a little pricey. So even if you don't want to go, you might consider purchasing a ticket and donating it because there are quite a few transgenders who can't really afford \$38 but should be going to this bank when it's for them. They had about 130 Last year expect 175 this year. I push this hard and I'm very, very disappointed. Because I am going to be in San Diego next week. I know last week, but no. Yeah. I'm going there for there's there's a man who who was whose family to me. He's a combination of Father, uncle brother, friend. Yeah. And I've known this man since 1969. I lived with he and his wife for 26 years. And now he's moved off to San Diego and next week is his 70th birthday. And so I am going to be there. You know, you gotta be there for family. Yeah. So I'm missing the Unity banquet, unfortunately. Oh, but I did buy a ticket and I did donate it. Oh good. Because it's the thing to do. Yeah, it is the thing to do. I can't I'll be there in spirit.

**G** Gigi 08:42

Yes. That's how it has to be sometimes. Yes, I

**J** Jimmy Carper 08:45

know. So here we are 20 minutes into the program and you haven't said a word yet except law that I did. Ah and it's new Gradius

**G** Gigi 08:55

well, actually tonight I was gonna talk a bit about by camp 2000 which is coming up may 19 20th and 21st and when I camp

J Jimmy Carper 09:07  
Yeah 2000 Is this like in the woods type game? Yes,

G Gigi 09:10  
we're gonna be camping in tents girlfriend. We're gonna have a campfire and we're gonna have a drum circle and dancing around the fire. Oh, cool and pagan rituals. And we're gonna be doing a drag king and queen show. Oh, that sounds like fun. Oh, yeah.

J Jimmy Carper 09:31  
Of course clothing optional if

G Gigi 09:32  
I No no, no, it's the campgrounds rules. You have to have clothes. You have to have clothes on. Oh, except inside your tent. Wow. Wow. So you know we're basically gonna be

J Jimmy Carper 09:43  
inside GG stands for the show.

G Gigi 09:49  
Oh, I promise. How good is good. But um, I wanted to talk a little bit about it because you know by campus something brand new to the gym. And

J Jimmy Carper 10:04  
you're wrong in there. What?

G Gigi 10:09  
Jamie?

J Jimmy Carper 10:10  
Are you bisexual or why?

 Gigi 10:11  
Jamie? Let me wake up something for you.

 10:17  
Go watch the thunderstorm. Hey. You can see the thunderstorm here. No no no. Like real light hang out there.

 Gigi 10:28

 Jimmy Carper 10:41

 Gigi 10:50  
Well, Scott had an emergency come up. Last minute. He got some action now.

 Jimmy Carper 10:57  
Come up. Yeah, well

 Gigi 11:00  
I figure speech this time. Things did come up but anyway, yes. So he couldn't make it. I'm sorry. Jay was some bags going around town and she got it feeling under the weather today.

 Jimmy Carper 11:17

 Jimmy Carper 11:58  
I missed

 Gigi 11:19  
you know she we've got something coming up in the next couple of months. We're not sure when but Deb Conde who's kind of the mother of Barnes USA has just written them back really? And it's due to come out. April 7. Okay. It's by spirits. Bisexual I forget the exact title bisexual people of faith and thing but anyway, that works. Jay is gonna do the book review on that and then quanti is agreed to do in live interview right after that. Oh, great. So I think that's gonna be a very special show.

 Jimmy Carper 12:00  
No kidding.

 Gigi 12:01  
It's not often you get to do a book review and have the author there so that they coming up saying Oh, good fun. Yeah. But the we haven't even gotten the book the book comes out April 7. So once we get the book and Jay gets has time to read it and out Jay

 Jimmy Carper 12:20  
you know Jay will read that and read books and like an hour. Evelyn somebody's speed reading course would rattle

 Gigi 12:37  
I know you saw the bookshelf I put in for its fall. It's full. Big stack everywhere.

 Jimmy Carper 12:44  
of shelves. I mean, not just a couple I'm we're talking floor to ceiling and the length and width of the room. library like that in the room used to be a garage so you can imagine the width.

 Gigi 12:57  
And the thing is stuff on the backs all over the place. Put in a whole wing and Blackberry.

 Jimmy Carper 13:10  
.....

Overnight, I can see actually you'll have one of those kinds of you know those racks that kind of move together. Then you open them up.

**B** Bobby 13:20

I could just see that. Oh yeah. And Voltaire. Yeah.

**G** Gigi 13:23

Well, we bring we bring new bisexuals in to the house for parties from time to time in Houston I've noticed and they come and they see Jays book collection and just drool.

**J** Jimmy Carper 13:35

Yeah. Jake probably has the largest bisexual book collection of anyone I know by n trans and trans two. Yes, yes. And

**G** Gigi 13:47

lesbian erotica,

**J** Jimmy Carper 13:49

oh, specialty. volumes. Mr. Jim, I'm sorry that Jay isn't here for you this evening. Well, yeah, I'm a little disappointed tonight

 14:07

we go we get together for Xena night.

**G** Gigi 14:09

Okay, yeah, and we did yeah,

**B** Bobby 14:12

I'm a little disappointed that Scott isn't here after all the last time he was here. I did get to see more of him than I ever thought I was.

**J** Jimmy Carper 14:20

Bobby He gets

**G** Gigi 14:21  
to see more of me

**B** Bobby 14:28  
Oh no, I'm so glad even opening What do you know?

**G** Gigi 14:38  
I think the poor thing is turning about six shades

**J** Jimmy Carper 14:44  
so so what else has find that doing? I know you're you're meeting different players meeting at the hobbit cafe? Yeah, located on Richmond between Kirby and green bar if you know where the galleon used to be just go there. Yeah. And um Just go to where all the cars are hidden

 15:01  
back in Richmond is

**G** Gigi 15:06  
the sign on Richmond they

**J** Jimmy Carper 15:07  
do you have to like drive through this parking lot. On the other side. Yeah. I love that. But it's worth it.

**B** Bobby 15:14  
That's named after a token character. Okay.

**G** Gigi 15:19  
The really nice thing though about meeting at the hobbit hole, they give us our own room. Yes, I noticed that that it's been really good. We're not have to talk over everybody else around the

I noticed that that it's been really good. We're not have to talk over everybody else around the restaurant. Overwhelmed. Of course, when we do start talking about penises and vaginas, the rest of the restaurant gets real quiet.

J Jimmy Carper 15:41

That's not all you talk about?

G Gigi 15:43

Oh, no, we talk about all kinds of things. Yes. What?

J Jimmy Carper 15:45

By nets? Do a Yeah. And what festivities are going to be going on? Oh, and by camp coming to camp coming up and let's not forget. What is it? It's an Uber conference in October? Yes.

G Gigi 16:03

We're gonna be Austin as agreed to do the conference next year. Right? They have a steering committee of 17 people planning this thing. Damn. 17 To 20 Something like that. It may be a couple too many don't know, what they're putting together is amazing. Oh, okay. They're gonna have different people do different things. Yes. Unlike are planning to add one extra workshop session per breakout. And have things like canoeing on Town Lake Oh, really, by canoeing or bicycling, or I haven't seen all the details yet that I saw the brainstorming board they put up. And they've got some really interesting things. They want to be able to take some people that are coming in from all over the country, kind of tour them around Austin to the interesting hotspots. Oh, nice. So that'll be part of the conference. So it's, you know, what started is just growing. Oh, that's wonderful. Because I know, you really had a lot on your back last year. Oh, yeah. Yeah. And I did the whole conference last pretty much. Yeah, I did get some a lot of help from that Dixon in Dallas and a few other people there. But for the most part, it was on me. Yeah, I know. And so this is really cool. Oh, yeah. I haven't had to do a thing yet except give them information where to go and what to get. And

J Jimmy Carper 17:33

then they have a basis of knowing how many people to expect.

G Gigi 17:37

And the nice thing is that everybody that came to the conference last year agreed to come next year. If it's held in Austin, we're gonna get Carol Queen back. Oh, good. And we're gonna get so much fun. Oh, yes. Oh, I know you had up in that little party Baron. When the sprinklers went off

 Bobby 18:02  
but I missed a part. Yes, you did.

 Jimmy Carper 18:05  
Yes, you did. And then

 Gigi 18:07  
we're also getting Fritz Klein back. Good. Good. Good. Good. Having wine Brian back and a bunch of folks from Boston. I couldn't believe how many people from Boston came.

 18:19  
Last year there was the Boston to Austin connection. Yeah, they're the people who lived in Boston, but now live in Austin. And, and all that. Yeah. It was like, what four there are a group of four there at least. That was the Boston, Boston Boston, the

 Gigi 18:36  
US and we even had someone come drive in. They didn't realize that Texas was so far from New York City. Wound up at the conference on Sunday.

 Jimmy Carper 18:49  
Sunday, Sunday, Sunday. We're here finally got here.

 18:53  
Yeah, it was a couple they said Well, we made it great. Here take us down into a bad idea. The country was that big.

 Bobby 19:08  
Exactly how far it is from here to New York.

 Jimmy Carper 19:13  
I was dizzy.

Gigi 19:18

And we've got we've already got someone registered for by cam. Yeah, Berkeley,

Jimmy Carper 19:23

California. Oh, nice. Nice. Nice. Nice.

Gigi 19:27

We're drawing crowds from all over the region, but the United States

Jimmy Carper 19:32

this is gonna be like intense and stuff people bring their own. People bring their own

Gigi 19:35

tans those that are coming from out of town. I've got two big tents and then a pep tent that I'll be sleeping in two big tents for overflow. And then I'm gonna be seeing if we can get some other people to bring extra 10 are shared. Yeah, yeah. We'll make sure everybody may. Yeah, it's May 19 to the 21st

Bobby 19:57

The 19th It's my birthday.

19:59

Ah, Oh,

Gigi 20:01

and they'll be it'll be located at the rainbow ranch campground. Where's that? It's about an hour south of Dallas. And I did want to say something that you touched on something a little earlier about, you know, this conference we did last year really was a springboard it was. So that's what we've got now a group forming in New Orleans. Oh, we've got a group forming in Baton Rouge. We've got groups forming all over Oklahoma and Arkansas of all places.

.. - - - -

**J** Jimmy Carper 20:31  
Hey, you know, bisexuals are everywhere.

**G** Gigi 20:37  
It's taking off. Yeah. And I think, you know, one of the things I wanted to talk a little bit about, and Jim can certainly touch on this a bit. The conference and the retreats really created something called bi space Sure does. And it becomes a magic you get that many bisexuals together and all of a sudden the environment changes. Nobody has to be modest about who they are, like I ever was.

**J** Jimmy Carper 21:10  
No, but it is it's it's very akin to a gay or lesbian person going into a gay bar for the first time. It's like, oh my god, I'm surrounded by my own. You know, I don't have to pretend Yeah. And, and just like, just like that. You don't have to pretend you can kiss boys and girls at the same time. Oh, yes. My favorite activity. You are a good kisser. You know me, I'll tell it all.

**B** Bobby 21:46  
You know, that's interesting, because somebody that's a good friend of mine this week came by, to me this week really was one of the first people he told I was like, oh, you know, hey,

**J** Jimmy Carper 22:00  
you must know you're here with the show or something?

**B** Bobby 22:02  
No, he, he knows that. I'm as queer as a \$3 bill. You know, he's just, well, you know, just a very good friend of mine and I love him dearly.

**J** Jimmy Carper 22:12  
I guess it's a person to person thing because I'm the first to admit as a gay man, I know there is by phobia in the gay community. Yeah.

**G** Gigi 22:24  
I do like to say here is that my camps not just open to buy but anybody that's by friendly whether they're straight and not narrow or gay or lesbian, everybody we've had at the conference we had several lesbians attend with their part by partners we had

 Jimmy Carper 22:44  
careers like yours all kinds of

 22:49  
sexual places. Yeah. Went to the SM ball last

 Jimmy Carper 22:54  
and certainly did.

 22:58  
made another appearance at the SM bowl. And it was cool. It was very cool. They had the the Nygma was their guy who has all these puzzle pieces tattooed all over his body his entire body looks like a giant puzzle piece or a giant puzzle. But he's doing sword swallowing acts and and all kinds of things and and he did this thing where he put this you know the swallow disorder and he brought it back out again. Oh

 Jimmy Carper 23:26  
my crazy I can imagine.

 23:30  
I said do are you busy after the show

 23:38  
just pointed out me

 Jimmy Carper 23:41  
to my little prince

 23:46  
when when when he was pretty cool. Pretty cool. A lot shorter than I thought he was gonna be. I don't know. TV and somehow people look bigger on TV on TV. Yeah, he's been on TV. The guy who had the puzzle pieces all over his body tattooed Yeah. And he has these like little horns on

who had the puzzle pieces all over his body tattooed. Yeah. And he has these like little horns on his forehead that are like permanently in there.

**G** Gigi 24:11

Oh, horns. Really?

 24:13

Yeah. Wow. He calls himself the Enigma I can't imagine the next final episode and he's been beyond bizarre. And his wife they are they are billed as America's strangest married couple is his wife is has a tiger stripe tattoo all over her. And she has like these permanent whiskers coming out of these huge whiskers coming out of her

 24:48

doing their own thing. Yeah, I love it. I love it.

**B** Bobby 24:51

I have a friend with a pair of permanent Fang Hey, Bond into his teeth

**J** Jimmy Carper 24:59

Hey, Hey, why not? Wow of course life is to be live. Yeah, that's right. Moderation is for monks.

 25:09

And they also had a guy there called the electronic cowboy. Oh, he had, he had well, he had several piercings all over the place and he had these huge earrings that were like, you know these huge loops in his ears.

**J** Jimmy Carper 25:23

Oh, okay, like Ubangi into natives and Africa.

 25:29

Yeah, well, they weren't that big but they were pretty good size. But he had neon lights put through the loops in his ears. Wow. And he had them turned on so he was like it was a dark place. Wow. Wow. Yeah. There were some scary looking people there were all kinds of jewelry interface.

Jimmy Carper 25:51

Let's go to a quick piece of music Okay. And we'll come back and talk more about this and And, folks, this is that magic night two o'clock becomes a class and boy with all that lightning and thunder and it's raining so how about some Kinsey six with gay straight or bi? Oh cool. And you're listening to it on after hours queer radio with an attitude on KPFT Houston and ke O 's College Station. You
