02:42

Roy 02:51

To hear about what happened at that home out there in Richmond. No. One what are their people, one of their staff members went on a shooting spree in another house. In Richmond.

03:02

What I heard on the news was that happy about some Ativan half that two co workers were in.

03:09

Yeah, it was a lumbar spat was just straight people. It's so so hetero.

03:13

One

03:14

guy shot the other than turn the gun on himself, too.

03:18

The next letter. So this one is from a Robert. And it's typed so and there are some typos. But he's begged our forgiveness because he says he's just learning how to type.

03:31

Not a problem. A

03:33

you know, it's legible. So you can look past the misspelling, it's fine. He said, Yes, he did. This is my first time writing. And I will do so until I parole discharge or die. Well, let's

03:46

hope it's the first two. For sure.

03:47

Me and my pagan brother Draven. Wanted to write and just say hello. We live in isolation with no human contact. I heard the last show about Smiley's letter.

04:03

Oh, he's the guy who knows Smiley. Right? Yeah. So

04:04

he's talks about no and Smiley from the ex gang line. And he also talks about smiling. Release and let's just go over the Hello. I am so and so. I am Hello. SO and SO. Your show was wild. I like it. The open minded views that are shared on the show. I like to laugh and the show does the trick. Does it ever? Plus it gives insight to the world of gays and other sexual types. Has there been shows with hermaphrodites transsexuals transvestites? I find them very interesting. Yes,

04:43

yes, yes. Yes, yes. Yeah. The first one is Gigi segment. Correct. That's

04:50

the Yeah, her bike. That's the bike group. Next Next week is the transgender segment

04:56

transgenders will be on next week and then um, yeah and some are very pretty from the photos I've saw in Batman magazine which you're able to get anymore

05:06

No You certainly won't be able to get that one

05:09

and I have worked for a few in society helping them collect

05:18

I don't I don't want to know

05:19

why either do I collect what money

05:25

for services rendered apparently it's the gist of that it doesn't go into specific detail.

05:31

You don't want to cop to a crime.

05:33

I whose cop into what crime I'm ima 35 year old white male six foot one inches tall 190 pounds. Oak brown hair. Oak brown eyes tattoos handsome smile. Here's some photos of me and yes there are Hello.

05:52

He's got a paper cut on his tongue now I'm I'm just

05:55

so enamored with some of these photos. And I'm loving the tattoos

05:59

a Jimmy YEAH. To see him.

06:01

I think he did. And

06:03

somehow I pride about

06:04

the ones that are from the right a prisoner.com Hello, yes. Handsome man. Stacy

06:14

wants to wants to stick them up on his wall and he's not gonna use a thumbtack

06:19

I don't use them tax it creates holes so

06:32

he just goes on to talk about some issues with when he got out and working for an X working with disabled children when he was in society and was a part of a part of my community and no crime and no gangs. He's been sort of an ex gang member now for several years. And he said when he was out he made friends with the right people and they all got together when he got locked up again to help phone calls and letters and just the plain truth so he's not quite sure why he's going through what he's going through due to some choices to being a gang member at one time

07:15

and part of that could also come from the fact of the gang society there's a lot of that for some of those tattoos are probably gang related and you can't remove those if

07:24

they want me in they would say some of mine are and there's no affiliation with any of them they just that's one of the check marks if you're covered you're just automatically check marked as probable. Chihuahuas

07:35

I tell you hang with a Mexican clan

07:37

I'm saying stay with me maybe well

07:40

when you have a lot of them they just don't don't even look at him they just tend to go okay

07:43

there's got to be something in there wrong you know exactly. I'm

07:47

talks about being on the Connelly unit. And he is my name is Wolfgang or it is my grand mom's name on her side of the family. So I use it as an artist name poet named songwriter name etc

name on the side of the family. So I use it as an artist name poet named songwriter name, etc. Yes, I'm a singer songwriter of heavy metal and new metal music. My band I'm forming is called criminal system once free again. Has a big view of a lot of things so bear with him smile. Oh, he's talking about as a hit. And my Wiccan brother Draven has a real political and has a big view about a lot of things so bear with them smile. We are both ex gang members from the same BS gang. And we hate those people for good reasons. Well, I've run my head for long enough thank you for reading my letter and being kind to me here's some photos of me that can be seen at RDF press in the March issue Harry better the editor was kind to run my ad and the prison pages I'm looking for a she smile. Well guys and girls. Take it easy and I'll roll on sincerely, Wolfgang. PS FIA spelled something wrong or did not type it right bear with me. I'm just learning to type keep the photos and pass them around. Oh, there'll be passed around. And thank you for your letter for the

09:03

laminated before you give it to Stacey again.

09:06

You think you're getting them back?

09:10

No chance in hell yes.

09:12

Okay, I got a letter here. Someone's looking for a pen pal. name is William 36 year old bisexual male.

09:25

He's hoping you Why are bi

09:28

Bisexual male William if, if anyone's interested in trying to contact any of our MBBS the address is going to be on the closing promo. I mean, they close out music send us a Send us a letter send us an email or call us during the show at 713526 KPFT. And we'll see what we can do to hook you up. 10:27

You bet. We've announced that many times, and we're happy to do it.

10:31

So who's got another letter?

10:34

I have one from RJ. Okay. Stacey, good morning there sweet thing. How's everything going? Hopefully? Well, it's 410. And I'm about to head off to work. But I wanted to start off the day by telling you Good morning, and that you're all on my mind. Always looking to go back to sleep. And have you next to me. But since that can't be your reality. At least I can dream of it. Who knows maybe if I'm real lucky it can happen. So far, you've been such a dream come true. A savior in the midst of evil. Have a great day. I'll finish this later this week. Sweet dreams you deserve them all. And I am eternally grateful and forever faithful RJ it's Christmas Eve Eve and I've been cold all day long got stuck on a horse about five miles from the unit running some dogs in a downpour burr talks about all they had was a jacket to keep them warm. And it got wet. So that didn't work. I wish you were here to warm my bones or bone. I guess that's part of the job. That sucks. But it's got to be done. Oh, well. So I'm glad the holidays are over. Once Christmas is done. I'll go through the new year and my countdown to my date to see parole isn't until January 2006. But generally speaking, they review cases three to six months early, which that's that would be great. And yes, my fingers are crossed. So he asked me to keep my fingers crossed. And he wants to draw a picture of downtown for me as a makeup picture for my Christmas card. And he tells me all kinds of wonderful things that I can do to him. Oh, and then there's a entry on 1225 Merry Christmas sexy. I wish I could give you a Christmas gift see above, which is For My Eyes Only. I'm excited. I made another Saturday so I can hear you. Thank God. My relief. I need it and talks about the dinner. And I'm just looking at this thing called a hammer roll and thinking wait till you get out. We'll fix that. And he wrote a little joke. Hey, did you blow bubbles when you were a kid? He's back in town and he's looking for you. And then he says Follow our fart walking around in women's underwear. What a crazy song. Yeah, it's one of my favorites. It's 130 The show is on. And Hatch has been talking about a possibly gay Jesus. I guess anything is possible. And those were some lonely times back then with 12 Hot men. Sounds like an orgy. I hope I don't go to hell for that. Anyway, it's pretty good. He has a visit from his mom and his dad on the 26th which sounds good to me. And he's happy about so that's good. And other than that, I guess is I'm gonna I'm gonna go take good care of yourself right back sometime I'll keep you keep writing you and missing you have sweet dreams. You deserve all of them. I'll see you in mine. Until next time I remained faithful and forever RJ so how's about them pictures? And this is the shortest letter yet I don't mind the long letters. I'm just joking when I talked about the long letters, but it is this is he's cut it in half. This isn't I

13:56

didn't say it on there but I'll say it now cuz you brought it up. I was when you said you had to learn from RJ looked over at Jimmy I go. Well, we only have 24 minutes left. Well, I

14:05

you know, I can't help it.

14:07

Here's another one. He's verbose. Well, you've seen the other picture so you don't have her BOCES

14:15

I want to see more.

14:18

And I do believe that uh, just reading over this letter a little bit. I found that other prisoners that I think Stacy's gonna be writing a letter to this is a new listener. New rider to our show. Slave Oh, four. He was listening to the show. We enjoyed the hat segment. The headphones good issues. He also loved the song I know what boys like the tired ass dance mix. It was great. He was shaking his little button loved it. Oh, how little Oh, just wait.

14:50

Are there pictures?

14:52

No, no pictures. Use your imagination. I am he enjoyed the leather segment. He loves leather And when the senator crossdresser came in he was like oh how tasty tasty indeed. Oh, I wish you could see I

15:09

could show you some tastiness, I'll say

15:12

and then Max was wearing a strap on that was his favorite. I don't need this strap on. And here we go. Here's that here's the stats on on slaver for 25 year old, bisexual, Wiccan English, six foot tall, 160 pounds, Hazel allies, dirty blonde hair. He has tattoos all over his body and have 20 body piercings in all he doesn't leak water well, not all the time. There he is, I guess to the state and he's done five he's he's got to to go on that and he's trying to get a gay bisexual, transgendered pen pal. And he's placed as he's written a ton of letters, no avail. He wants to help. He wants to try and help he's tried very hard. He's very cute. I just don't understand it. He does poetry and artwork, musician. He did industry he did some industrial bands back in Wichita. such groups as spiral flesh, vomit, the soul and my stigmata Earth.

16:30

He's a man cat from the same cloth. What is his name?

16:38

His real first name is Jeffrey what are they signed it slave oh four. And he says he's not a psychic vampire that's seeking money his family's quite well off. It's not an issue. And he sees deceitful people when he's not there. Here's what he seeks. He wants someone to share all of his thoughts and sexual desires within someone to share theirs with me. See, I'm going to be leaving sometime between now and 2007 and seek someone to begin a friendship with perhaps one that could be something more something sticky. Right me he's got a letter in here a little part in this of a story. Personal a little experience he had in the past.

17:24

How do you tell? Oh, I can't.

17:27

Okay, read it later. PG

17:29

13 it.

17:30

I don't think I could PG 13 Let's put it this way the curtain comes up on an adult theater called sassy ease and \$5 worth of tokens and certain holes in that and interesting. What happens when the curtain goes down. It's okay, let's just put it this way and the costume for this little

play. Very tight black leather shorts. Very short. I may add fishnet stockings latex boots up to my knees. And a skin tight pink shirt touched on my shirts. The shirt said Daddy's little whore. We'll see that one later.

18:13

Just pass it on over to Stacy said he's,

18:15

he's looking for a he's looking for a pen pal. And he goes I'll send pictures to whoever you get to write me.

18:21

Does anybody have paper towel?

18:25

Can we say this drawer

18:26

so sleeve slave for he's made Stacy wet. Very wet. Thank you. Was there any other letters up off the floor?

18:38

Covered David. De covered.

18:40

So now it's time for smiley who still can't hear us say before doesn't know smiley but he's heard of him. So Smileys reputation continues to grow. letter number 90 Gong girl happy new year hope it's been all it can be and a bag of carb friendly Cheetos. Yeah, honey, because all the people in here that carb CARB is not an option. We're gonna go to the storage of hers unfortunately still can't listen to KPFT supposedly they have confiscated his radio. So he's trying to figure out what you could do 58 days until he is out. He talks about a new game music group called his job wrath. He heard about it in Spin magazine for January oh five. I looked it up. Joe breath isn't new. Job RAF is been around

19:35

a while and

19:36

artists from the 70s basically another androgynous rock singer from England who's actually been dead since before the show came on the air. So it's it's been a while since he's had a career. I guess some of his songs written a little popular again, but uh, I looked up on the internet. I had never heard of them. Jimmy's probably Got vinyl love it. So the kind of vinyl you play not where right? Some of the articles he has that smiley sent us an interesting thing you put on here of a some letters that were sent some racially biased letter a racially oriented hate mail targeting black students at a when it gets out to the Catholic High School in the Cleveland area that was the renouncing interracial relationships and other things. And the signs were the letters were usually signed, angry white woman or angry Caucasian woman. And you know, it's poolparty though he's putting on there saying, you know, these letters were mostly not written by a woman but a man because what kind of woman would sign and they don't have a C letters postmark they direct the men to end such relationships, or quote they're going to be castrated shot or set on fire. Lovely Little Christian thoughts coming through there.

21:05

Sounds like a good night at the ripcord

21:08

that's only on special nights. No

21:10

wonder Christian religion.

21:14

Talks about the Ohio recount which it's over. Now. They've he certified it and I think it all becomes official on it sometime this week. I think it's the sixth is when the official it becomes official the Congress meets and they go through all the votes and agree to it. And not haven't heard anything yet. If the Congressional Black Caucus is planning on doing like they did in 2000 of trying to protest and invalidate the Ohio ballots or not. But unfortunately, it also takes a one senator, to at least agree to hear it. And the question is see if Barack Obama follows the Democratic Party or the people who put him there. So he's saying we need to concentrate on 2008. Now. He also unfortunately just received word that recently the Kay Bailey Hutchinson is looking to run for governor who's the Democratic Representative. Well, they haven't picked that lamb to go to the slaughter. Unfortunately, so they haven't come to that part yet. Since the Focus on the Family, people are coming here to Houston. There is a little magazine that was from someone this one is it's Pentecostal Evangel of the focus on the fan. A pair of

conservative Christian organizations are urging the Borg followers to boycott Procter and Gamble products, because what they believe is a tactic supporting homosexual marriage. Focus on the Family told supporters to stop buying Crest toothpaste and Tide detergent. Two of the top sellers also says don't buy Pampers. Procter and Gamble donated \$10,000 to support a November ballot issue in Cincinnati to repeal a 1993 amendment that forbids city from enacting or enforcing sexual orientation bias laws. Procter and Gamble says the amendment makes it more difficult to attract potential employees and subject homosexuals to potential discrimination in the workplace in housing. And so September Focus on the Family founder James Dobson urged radio listeners to boycott Procter and Gamble products. Another problem they had as a downy wrinkle release had an advertisement in a homosexual magazine that showed two men in bed, their clothing on the floor and the caption, you are more concerned with taking them off than folding them up? I usually am.

23:46

Jimmy Have you tried that wrinkle release?

23:50

It doesn't work.

23:54

I think you're putting on the wrong wrinkles. Yep. Now one thing one smiley party. There's mostly how hard would it be to have James Dobson on the Show Me and him in an open debate on homosexuality. I'll decimate Mr. Dobson orally and then he'll get on the microphone. I can quote the Bible just as well along with the Qur'an I can prove of extortion from Christian organizations at hand and can refute every point aspect from evolution to gay adoptions. I came to realize that these people to focus on the family let's ignore why swapping and American Family Association let's show the gay funerals waving. God Hates Fags banners. Well labeled me an antichrist. So I would love to see if we can get someone from the focus in the family when they come to Houston next month. I think it would be fun. They hate us. Oh, yes. Well, we don't have to tell them. We're a gay show. We're here. We're here promoting a community sense of value and pride and organization come on to our show. May when they get here. We'll play God is wide and all the others

24:58

and I can wear my red fishnet shirt.

25:02

And that's it. Oh, is it a songbird? They're singing that God is a queen? Oh yes. And if there is a God, there is a queen. A couple who did such a good job decorating, decorating the Earth

25:16

has maximal cooling and scare the crap out of them.

25:19

They have a little quotation section in here reflections of today's culture. The gay characters on TV are not authentic representations. We deserve to have a place of our own. And that was MTV entertainment President Brian graden, who is developing the logo cable network, which is allegedly going to be launched in February. At the station for homosexuals, I can hear them on my headphones. Can you hear them too? Yes, yes. Hey, loud mouths in the lobby. Tony Kushner Tony Kushner when he won the Emmy made this comment. And thanks to my wonderful husband, Mark. Someday we will we'll get a marriage license and I can make you can make an honest homosexual out of me. And these were little quotes they had in the past of the before there's the Pentecostal Evangel.

26:08

playwright, right? Angels in America, right.

26:10

Okay. That's what he one is. Yeah. This is the Pentecostal Evangel of the Assemblies of God. You know, they feature quotations for a broad spectrum of people, including non Christians in order to give readers a snapshot of spiritual state both positive and negative. And they invite your response I thought it was clipping this out the first time I saw their thought who's looking at the picture of Dale Earnhardt Jr. who got in trouble for saying a word he dirty on the air.

26:41

That was over. What do you Yeah.

26:46

Yeah, that's a if anyone was offended by the four letter word. I said, I can't imagine they would have turned into a race in the first place.

26:53

Thank you. You got fined for it and yeah, he was and and

26:57

20.57

penalty point and receive points off at

26:59

six a bunch of grace points.

27:06

And Alexa smiley will be here. It will be out in 58 days. Yay. She has no radio security reason. I think I said that.

27:18

Into the radio station.

27:19

I need to make sure I can practice that for RJ. Hurry up smiling. Oops.

27:26

Well, thank you for your thoughts and holiday and this holiday and your gift of nothing was wonderful. Okay, I won't start. I know you think of me as annoying?

27:34

No, we don't. We don't let my lunch you get a letter from us. You'll know.

27:41

Jimmy Chris with Michael Stacy. Scott, Bobby, Roy, and Joel. All my love. Scott was supposed to be here. He was supposed to be here. boyfriend got sleepy. Oh, is that the story? Yeah. Well, he's got a big plate of food. I'm like, God. That's

27:56

his story. And that's and he's sticking to it. Yeah. Yeah,

28:00

I ran at him. I didn't know I had his back turned to me when I walk by he yelled out to me at the restaurant. So Canadian High court rules in favor of same sex marriage and then bailout the first divorce.

28:13

The more reason to move to Canada. And French Canadian boys.

28:19

Oh, yes. Hey,

28:23

French Canadians, you know, they're they're going to be in town if they're not already

28:28

through Cirque du Soleil. Oh, that's right. Yes. As seen the advertisement. So yes,

28:33

Mary. They've raised their tent. And it's not the evangelical tamp there.

28:37

No, but I'll go to a revival with them

28:39

any day? Yeah. It's worth it.

28:41

You just want the laying on of hands. It's not

28:43

cheap, but it's worth it. It's so worth it. Yeah. I do want to mention that folks who listen to Pat Rosen's night sounds which is Sunday at midnight. Till 5am They're gonna have a special tomorrow night. Friday Night with Ericos. That's right. Live music on KRET with Ericos Top Music

TOMORROW NIGHT. LADIES NIGHT WITH FRISCO. THAT'S RIGHT. LIVE MUSIC ON KPPR WITH FRISCO JEN. MUSIC from The FIOM female perspective all night long. And that will be 1am till 6am. Oh, did that change? What? Monday? 1am till 6am. Hmm. I don't know. That's what it has to o'clock when they normally come on. Is Frisco Jen. The first go Jen. I think yes. Oh, good.

29:28

Look at me for Okay.

29:32

Well, that'll be good because Frisco Jen not only does live music but she normally does. Authentic vinyl. So that's going to be a great show. And when she's done a couple of ladies nights before and they're really good. She knows women's music. Okay.

29:54

Anything else we've got? I'll

29:56

see you in February.

30:00

The voyage. Thank you. By the time he gets back here, he won't have a tan left to flaunt at us. That may be true. After Hawaii,

30:08

I've got a last weekend in January. I've got a board retreat for I see awaits and so

30:15

he's going to Galveston.

30:16

No, it's at Galveston. It's camp hope. It's two hours in the opposite direction.

30:22

⌚ 30:23

A board retreat. Yeah. And we get bored to retreat.

⌚ 30:28

It's the working weekend.

⌚ 30:32

shameless self promotion here. Yeah. When we're talking about big man's group there this next Saturday, the Houston big men's club is having their second Saturday social good for the Houston GLBT community center. Fun festivity, frivolity birthday party celebration there. And you'll help us decide on how we're going to make our drinks for Louis weekend. So come to be a guinea pig.

⌚ 30:57

That sounds scary. Yes.

⌚ 30:58

So we've got all that. Friday night we're going to be doing our chuck burgers hopefully out on the patio and we'll come up we're gonna have a fundraiser with those as well. A special one.

⌚ 31:11

Rob burgers were at the

⌚ 31:12

ripcord or 10 to one on Friday night.

⌚ 31:16

Okay, kind of bends. Are you serving them on big buns? They

⌚ 31:21

are. But they're not the biggest buttons. They're just a little more. It's easy, you know?
