Yeah, some of those FCC words and he says it's like not the worst quote unquote. Where did it go? It's full of racist homophobic idiots who think prison rape is hilarious and that's not the worst rants about the the commercial issue without hearing mine. And I think it may be less scary for everyone involved if I refrain from gushing over Mr. sexy voice besides type and I hate being rejected. Lol. Who's Mr. sexy voice?

03:29

Bobby 04:21

There you go. This

C

Chris Harrison 04:22

this is this. So I tell you what the most impressive that we have right now is really Smiley. I mean, I'm not knocking anybody else's. But he managed to get a hold of some really good color. So I don't know if it's markers or the outside of m&ms that he dissolved. But it's fabulous.

B

Bobby 04:40

So looks like colored pencil. colored pencil. It's beautiful and it's just like a guide to me. Every last one of these people should be like an artist. It appears because that's all I'm saying. So I had

C

Chris Harrison 04:55

a guy that so clearly the the cut the food coloring off The outside of m&ms I did a fabulous painting on a handkerchief wow the ants loved it I'm serious but he I mean like the color was absolutely beautiful it's

05:12

it's probably crayon he probably got hold of crayon somehow that's that's the lines are too close to be crayon that's that's got to be colored pencil well waxy this was pencils colored kind of waxy it's probably

Bobby 05:29

just adorable it's just like

05:31

we had four artists in the tank I was in so

Bobby 05:36

did oh the holidays be said for cute. Oh the Hollandaise Hollandaise

C Chris Harrison 05:43

can somebody bring me an egg Benedict please I'm in the mood for cheese covered pork

05:52

06:10

06:15

Bobby 06:18

So next week is Christmas is our Christmas show and everything we're

06:22

06:26

I'll be here hello

Bobby 06:27

06:28

she'll be here Saturday night

Bobby 06:30

That our night I better not be anywhere but right here because I don't care how late Christmas goes this is where I'll be if this show is on.

C Chris Harrison 06:40

I mean unless Santa slides down my I have to go buy a house first. So that I can have a chimney for him to slide down. But that's okay

B Bobby 07:01

you know what can I say? I was I like most children was kind of like how exactly does Santa Claus get down a chimney who's the hole of witches only the diameter of the you know the pipe on the back of the car you know the

C Chris Harrison 07:18

circumference of some toys I have

B Bobby 07:23

well, we know how you get down those but

C Chris Harrison 07:28

they're not necessarily for me

B Bobby 07:30

or other people get down those in your Yeah, yeah, those are different Christmas presents all together.

C Chris Harrison 07:37

I know. I tell you to come to my house for Christmas. You're guaranteed to get your stocking stuffers

C Chris Harrison 07:47

Honey, I'm a good boy. I got my bag of switches early. said you've been really good. You get your bag of switches in your limp call now.

07:59

Take a little musical break here while we regroup. Okay, folks, some more queer Christmas carols a

c

Chris Harrison 08:14

bunch of things there ah this is after hours queer radio with attitude. What was that Jamie

o

08:20

that was the Seattle Men's Chorus with course thing down merrily on high before that we wish you a Merry Christmas and started it out with Christmas comes a new all by the Seattle men's course

c

Chris Harrison 08:36

came in to course because we haven't been playing enough of that alright it's back up all right. It was the week before Christmas and all through the station you guys are nuts trying to be

o

08:55

nice. Which II

c

Chris Harrison 08:58

is gonna be fun next year. Because you know Jimmy Last week I asked you if we if you ever did a show we ever got the New Year's Eve show Yeah, guess what? Next year 2006 We got New Year's Eve which means we also got Christmas Eve

b

Bobby 09:13

muster have had Yeah, we

c

Chris Harrison 09:14

can stay up all night and wait on Santa.

o

09:17

Oh ho

c

Chris Harrison 09:19

Yeah, more than that. This

**B** Bobby 09:20

shows 17 years old well that must have happened at least once or twice before. Oh, he

**C** Chris Harrison 09:26

doesn't remember Did you do any?

**B** Bobby 09:33

He gets to recover from Christmas by going away?

**C** Chris Harrison 09:37

Yeah to Hawaii. Did all that all of it. Yeah. So let me sound surprised.

**B** Bobby 09:46

Shocked but not surprised he did it all. I

**C** Chris Harrison 09:48

was still surviving. Lime sherbert punch at the time.

**B** Bobby 09:54

You poor thing.

**C** Chris Harrison 09:56

He rather enjoyed himself.

**B** Bobby 10:00

pens. Where was that lime Shermer. And who was it on?

**C** Chris Harrison 10:05

It was the room that was in it.

**B** Bobby 10:08

Everybody's got to have the thrill, I suppose.

**C** Chris Harrison 10:11

Yeah, one thing there was one of the lines from smile had a little article in here about a photographer, Henri Cartier Bresson who passed away recently. I heard about and he died on Monday or whenever this word this was and have a picture in the newspaper here of apparently Truman Capote

**10:33**

when he was about Travis's age.

**B** Bobby 10:37

Truman Capote was Travis's. Hey,

**C** Chris Harrison 10:40

Jimmy look. Wow. Yeah, very odd. Is

**B** Bobby 10:44

there a destroyed almost?

**C** Chris Harrison 10:44

I mean, the hairstyle a little different. Travis could play Truman Capote and this before we turn

**B** Bobby 10:52

Yeah. For wanting here. Yeah, might have a point there. Although I don't ever want to hear Travis speaking in Truman's voice that's just that Oh, no. He sounds like somebody somebody's mixed helium and oh, I don't know battery acid.

**C** Chris Harrison 11:12

Okay. We're off to the next question in right. I'm gonna take a quick break and then we're gonna go

Okay, website or yours isn't coming up right. Hormones, valium and hormone we source we need to go to the store our national resource for news and information daily rotten. Yeah.

♂ 11:25

had anything good?

c Chris Harrison 11:27

Let's type it in there daily. rotten.com. Find out the cutesy stories to get us ready for cutesy Clockwork Orange open on this day in 71.

♂ 11:44

Yay. It's one of my favorite movies. Everybody should see it.

B Bobby 11:48

Not surprised.

♂ 11:50

Have you seen the music video minutes? Maybe you see the music video don't over by Mr. Zombie.

♂ 11:57

No man. No, he's not Kubrick. So I don't care.

c Chris Harrison 12:03

Just watch it for the new today.

♂ 12:06

The first time I watched it was around you Chris.

c Chris Harrison 12:13

Back when the bad bad old days? Yeah.

 **Bobby** 12:18

Anything gay at all.

 **Chris Harrison** 12:22

Scout leader charged with child porn. Well,

 12:25

we'll find out straight.

 **Chris Harrison** 12:26

Oh, wait, wait hold on.

 12:29

The majority of child molesters are heterosexual anyway. Yeah,

 **Chris Harrison** 12:32

suicide by train over HIV fear. Police believe the driver who caused a train disaster was convinced he was HIV positive. They're trying to determine whether this guy contacted a doctor shortly before he car truck parked his car on a crossing causing the derailment.

 12:50

Wow.

 **Chris Harrison** 12:54

See, we can't even say no. Say the title of that one on the air. You know it's about the officers and naughty things they

 **Bobby** 13:04

do. Take it from those of us in the room. Who are you? You know you can live with this.

C

Chris Harrison 13:13

Oh, hello, we winner. Oh, yay. Yes. Us. Yeah, this is the kind of story that you're only going to hear on KPFT and Pacifica, US soldier murders Iraqi boy after gay sex. A North Carolina National Guard member thought to be the first US soldier convicted of murdering an Iraqi said he snapped and shot the 17 year old boy after they had consensual sex. According to court martial records this week released this week is a gay pant this gay panic motive was the third pant was the furthered motive that the office the soldier offered in this case. First it was he was demanding money at gunpoint and then he killed because the boy force didn't have sex and then he used the gay panic defense.

B

Bobby 14:13

Oh yes, when all else fails gay panic.

C

Chris Harrison 14:16

What's next? Was there too many Twinkies in the PX? God I couldn't. It's an interesting little thing. It's

B

Bobby 14:27

one of these people.

C

Chris Harrison 14:30

Of course and now here's

o

14:32

here's where he admitted to consensual sex. He said the 17 year old forced him to have sex. Which is funny because the soldier was probably the one that the guy well obviously shot a man.

C

Chris Harrison 14:43

Oh, well. One interesting thing is to the newspapers that that reported the story One was the would have been this the private Federico Daniel Marina has his local paper, the Raleigh observer Okay, and North Carolina the other the other newspaper that carry the story was the Scotsman which I'm going to guess until the website comes up here. The Scots I think I need to say the Scotsman

B

Bobby 15:14

has something to do with all the news under Ireland. Well,

**C** Chris Harrison 15:20

let's see center is spelled with our E. Yeah. Damn. Yeah, who blocked these there?

**B** Bobby 15:30

And yeah, that's examples of why we should be somewhere else besides a rack

**C** Chris Harrison 15:37

he was sentenced to 25 years in prison for what he has done

**B** Bobby 15:41

home for the holidays. Yeah, exactly. Good idea. And he

**C** Chris Harrison 15:45

has a wife and toddler son. So up so I guess, I guess he's only getting he's only getting 25 years. You know, it's a good thing. He's got a wife and a son that you know, because any only got 25 years for killing the kid rather than being kicked out for homosexual conduct. Oh, gee.

**♂** 16:02

So not only to kill a kid, but he also probably ruined his wife and son's life.

**B** Bobby 16:08

Okay, committed murder, right? That you kill somebody in this fat? That's murder, right? Yeah. Um What is Is there no death penalty in the military anymore? Or anything? Let's

**♂** 16:26

see what did you know, free country of Iraq, not the Republican Texas. He pled

**C** Chris Harrison 16:31

guilty. He pled guilty to murder without premeditation and two counts of giving a false

statement. Well, honey, if giving a false statement to the police, that's what got Martha Stewart thrown in the claim?

 **Bobby 16:46**

Yeah, well, you know, you know, if everybody who gave out false statements got thrown in the clink. Our entire Congress, including the executive branch of the government would be in jail right now.

 17:06

They have technical reasons why they didn't say the right things. Right.

 **Chris Harrison 17:13**

He was protecting his wife back home.

 **Bobby 17:15**

Yes. I'm sure his wife was so thrilled to hear that is

 17:20

he couldn't use the defense. He didn't understand that. I wonder what she was more

 **Bobby 17:23**

upset over the fact that he was barfing a boy or the fact that he killed the child. However, did it mention how old this kid was?

 **Chris Harrison 17:35**

17 the 17 year old was murdered. But how old was the guy that killed him? 2121?

 17:45

Well, not a very large difference in age. Hold on, let

 17:48

me just use in Texas I've heard for two men is actually 21. I

 Chris Harrison 17:54

keep saying seven

 Bobby 17:56

said amazing to me in this world that they'd rather be known as a murderer than to be seen as being queer. But it's getting near time isn't

 Chris Harrison 18:08

even if it's straight sex. Yeah, Iraq, the age of consent is 18. If a minor is between 15-18 years old and does not resist the sexual act, the adults may be punished with imprisonment up to seven years.

 Bobby 18:20

It's a rack. I'm guessing there's no age of consent for homosexual? Well,

 Chris Harrison 18:25

there's just a question mark on the charts for that.

 18:29

But, you know, open to interpretation, right. But

 Chris Harrison 18:32

then again, you know, that's that's the cause in Iraq as of 2001. There has been a slight little change in policy and procedure there. Maybe they can get the guy on the sexual tourist law. He's in North Carolina, so under his law where he's at it still says illegal on it. Texas, Texas. What Yeah, what number is that in? All right, you guys have got 30 seconds at the start of this music to finish your shout outs. Goodnight, RJ. Much love everyone. Happy you Merry Christmas. See you next week. Shout out to those Huntsville homosexuals. Hi, guys. Christmas, everybody.

 19:14
