SPEAKERS

Roy McCarthy, Jimmy Carper, Jewel Gray

- J** Jimmy Carper 00:03
Dudley Saunders with for his EP. And that was take me back home again. I like I like the sound of that that's that's pretty music. He'll be here in Houston at the guava lamp on Thursday September the 16th. Then like I said, but the show before we'll be giving away a CD by him, but before we go back I want to play somebody else but I don't have them queued up yet.
- J** Jewel Gray 00:42
So we should what are they? What are they talking about
- J** Jimmy Carper 00:45
yourself? Yeah, yeah. Yeah, talking about yourself for a minute here
- i** 00:49
while he's Murmur, murmur I don't know. Am I on? Oh, okay. Murmur murmur.
- J** Jewel Gray 00:57
I can't hear anything. No, I'm not on so yes. Well, you gotta turn down against
- J** Jimmy Carper 01:03
me it doesn't matter because you're going off again. Okay. Yeah, cuz he has a queued up by now. Yeah, I have teared up and this is a couple of little things by a group called scot free and they're more on the nunkish side. But this is kind of the softest stuff on their their CD called did

they're more on the panicky side. But this is kind of the scott-free stuff on their show. CD called and getting off scot-free co-host

J Jewel Gray 01:24
down here scot-free used to co-host down here Danny

 01:30
somebody Scott's ghost through here?

J Jimmy Carper 01:32
No it Gosh. It's hard to keep up with them all. Anyway, scot-free two little pieces here ones I think I believe his spoken word called prayer and the one after that is called nothing happened. And you're still hearing it on after hours KPFT Houston and ke O 's College Station yes a little scot-free and tune called nothing happened and before that was there what was called a prayer and as we as as Jewel dubbed it

J Jewel Gray 02:09
drew Oh, I'm sorry. What was oh the bless the red Republican Party Plan Yes, there you go. Well, did that sound like the Republican Party pledge to you damn close

J Jimmy Carper 02:18
to it. Oh, I'd

J Jewel Gray 02:19
like to play that again. So we know

 02:24
was that the Contract with America?

J Jimmy Carper 02:27
And while we were listening to that, Chris from the after hours news and views rip something off from the AP wire here on her religious the wire religion round up. Yes, indeedly. Nevada, Nevada government Governor refuses to sign Gay Pride proclamation. The irreverence of the Sisters of perpetual indulgence is too much for Nevada, Nevada Governor Kenny Gwynn,

02:54

Nevada, Nevada, Nevada

Jimmy Carper 02:57

where it'll give me Yeah, Nevada, where it's legal to be a prostitute. He won't sign a proclamation for Saturday's Gay Pride event in Reno because the habit wearing drag queens are participating. A spokesman for the governor says Gwen supports any group celebrating its lifestyle. But he had a problem with this particular event. And let me remind the governor that you know painting your bedroom blue is a lifestyle being gay is a life Hello. The Sisters of perpetual indulgence, mostly gay men from San Francisco dress up as nuns and stage events such as a hunky Jesus contest and the mock church service in which condoms instead of communion wafers are passed out. And I think the right to do more of that

Jewel Gray 03:49

personal Jesus going on in the background? Yeah. Yeah. Got it. Yeah. Yeah. No, good. Yes.

Jimmy Carper 03:57

Good stuff happening all over folks. And we noticed what would be in the offering plate. He went there. He did.

04:12

Somebody had to lay it out there.

Jewel Gray 04:15

Do you see what this rich man adopted his lover?

Jimmy Carper 04:20

Well, let me tell you know that that is a legal legal thing that you can do. Let's write it because

Jewel Gray 04:27

in a state where it's legal to adopt, yes, yes. In fact, yes. Unfortunate misfortune is that he adopted his lover in a state where gay people can adopt. Oh, he's no 72

 Jimmy Carper 04:42
It's a way you know, because

 Jewel Gray 04:44
he's 88 his lovers 72. Wow. Adoption.

 04:50
Boy, that's a long time to be an orphan. Yeah,

 Jewel Gray 04:52
squeezing out the nice in line for a hefty insurance of more than half a million dollars.

 Jimmy Carper 04:58
What you see that's that's the thing. saying, if you don't have a ironclad will and all kinds of other things. Thanks

 Jewel Gray 05:05
Stanley adopt you.

 Jimmy Carper 05:07
We've talked about it. We have talked about it. Make sure because it makes it a lot easier.
Yeah, right. Yeah.

 Jewel Gray 05:13
Right. Because that puts you in just like you were a child, right line for whatever if,

 Jimmy Carper 05:18
you know, if I'm in the hospital, he can come see me because he's part of the family and blah, blah, that kind of stuff. And if you're if you are gay, and you don't do that, then you have each one of these little things you have to have a special legal paper for

 Jewel Gray 05:35
I say, Screw adoptive children. let's adopt each other. Yeah,

 05:39
I fed him he followed me home. I think I'll adopt him.

 Jewel Gray 05:44
I've been adoptions cheaper I you know, that's that's what we ought to do. Just flood them with us adopting each other, then they'll give us marriage. I mean, you know, it'd be bugging them one way they might as well give us the marriage certificate tablet.

 05:57
People really think about the the legalities of marriage. I mean, you know, the gay marriage thing, you know, would be great and all but when marriages don't work, there's a bunch of you know, legal things come in, listen with

 Jimmy Carper 06:15
the divorce rate.

 Jewel Gray 06:17
Nobody goes into a man well, not very few people go into a marriage. No one it's not gonna Well, right. But some do. I'm sure

 Jimmy Carper 06:22
what the divorce rate of 50% is, right? You got to possibly do anything but help it.

 06:28
But I mean, you know, I just just the whole legality of marriage, how

 Jewel Gray 06:33
you get to a point where you feel so strongly about someone that just saying words is not enough. You have to do some kind of ceremony or some kind of you've been there. Yeah, sometimes. The words just aren't enough. You know, they, they were enough up to a point and

sometimes. The words just aren't enough. You know, they, they were enough up to a point and they just weren't enough. I had to do something else to express how much I wanted this person in my life. 88 and 72 just not the fact they're adopting shows that the fact that they still are lovers. Yeah,

 Jimmy Carper 07:03
yeah. Nice. That's really nice.

 Jewel Gray 07:08
Forces probably we met last year. They were out as he's been. They've been lovers for a long time. They were out at the briar patch. Yep.

 Jimmy Carper 07:18
Doing the show twos. And their hands.

 07:24
What? There's something making noise in there. So

 Jewel Gray 07:30
is there a new lesbian bar? Oh,

 07:33
yeah, that's what

 Jewel Gray 07:35
somewhere within a curve.

 07:37
Yeah, yeah.

 Jimmy Carper 07:39
The rainbow lovely. Rainbow something few comfortable sounds like it's in the new building

that was just kind of a kind of a semi strip center.

 Jewel Gray 07:54

Somewhere where there's a chance somebody will get naked. I don't think it's gonna happen. It doesn't have to happen just that there's a chance a woman or a man Well, you know, somebody

 08:03

there's a chance people could get nekkid anywhere. I don't think nobody gets it just depends on the the odds, you know, have

 Jimmy Carper 08:11

been naked. Well,

 Jewel Gray 08:12

you know, I've seen Glenn come in here almost Nick. Yes. Who wrote you know, talk about heating up lesbian? Boy, you

 08:20

know, we didn't really talk about the the silly shark movie that you that you like quit this Elise Hart. But I know, I mean, it was alright. But I kind of missed most of it. Because there were two people making out in the theater and I found and I found them more interesting than the movie.

 Jewel Gray 08:41

Take your little camera with you. You have

 08:43

your after live in a right there like in the row in front of you.

 Jimmy Carper 08:47

Well, I don't understand that. Then you've got all those other movies at home.

 08:51

Yeah, but man, those but those, those movies, okay, those movies are like immortalized. I can always like rewind them. You know, but when it's live, and it's happened right in front of you. And you're gonna have to, I'm gonna have to pay attention to it because I can't rewind them. I can't say Hey, hold on, hold on. Can you do that again?

 Jimmy Carper 09:14

While he may want to do

 Jewel Gray 09:16

you know, I want to see the sharpies when in fact, and there was a screaming baby in there. I thought Why would people do this? A baby a baby in there. And it was screaming not just crying. You know? What that's worth framing and I kept wanting to say something. And I thought no, I don't want to say anything because there's 12 of them. It's just one of those lesbian things. You know, you learned you know that lesbian on the street lesbian kind of stuff. Tell them and one

 09:46

usually is if you see 12 people dragging one child to movie is usually like a cartoon or some Disney thing. Yeah, where it's like, you know, we have to justify this by dragging this kid along who probably doesn't want to see it anyway.

 Jewel Gray 10:00

So I wouldn't see a Song of the South with five little kids so I can see when a man I was yeah, the shark movie I liked it. You know what I liked it I told you I liked it because it had died first. Oh yeah. Star The big guy he died for the rocky

 10:23

Yes. The person you've seen before in movies? Yeah, first, you know, he's like the second one to go.

 Jimmy Carper 10:29

They couldn't afford to pay him for the whole movie. Is that it? Probably.

 10:32

Yeah, he's probably getting paid more, give yourself a

J Jewel Gray 10:35

pep talk. After all, everything is falling apart here. He standard giving him a pep talk about how he'd been through this before and he wasn't gonna let these people pull him down and dammit, they were gonna make it out. We're gonna stop this firing. Shaw just barely got started in the real adventure. And he's going through what you expect? And that's what they were

 11:00

doing to they're like, oh,

J Jewel Gray 11:03

because they were riding ready to take him for leader.

J Jimmy Carper 11:05

It's like genuinely getting it in the shower. But yeah, you know, you always expected

J Jewel Gray 11:09

one of these movies that one of the women is going to be saved by the hero whose death? Oh, you should have known by hand. None of the women came out of this. I mean, even laid the woman star who

 11:18

was billed as the the Yeah, but she was kind of the evil. The evil one. She was the

J Jewel Gray 11:22

one who was doing the Yeah, making the Yeah, she was the one. But you know, you expected one of the women to come out of it. No, no women, just these guys and one of them is the cook. And he is he's funny. The whole movie. He's funny. He's like the comic relief. Oh, yeah. It's trapped in his oven. What? The sharks flood the place. Okay, so this guy with a shark outside the oven. Tried to bust the door. Damn, I'm gonna die mon oven.

 11:53

Matching, he has this little hatchet. That's the only thing you could find was this little tiny

matching, he has this little hatchet. That's the only thing you could find was this little tiny hatchet.

 12:00

He's sitting there and you guys, he got his forehead burned on 11 wall there. You know, and he's going, you know, that. He says, You know, I noticed the irony of this situation. I will not be killed. I will not be cooked in my own oven. And he's like, yell hacking at the ceiling of the thing with the hatchet, you know?

 Jewel Gray 12:21

And there was a lot of Unreal stuff. You know? I mean, there's no question just leave that that's you know, suspension of disbelief

 Jimmy Carper 12:27

kind of kind of like Chef on South Park. He's the only this was a roundly one on that program. Who's level headed?

 Jewel Gray 12:37

He this guy was one of the rappers. I want to say ice cube or something like that. Oh, really? I know. The rappers he's wanting to say he's got a show on TV. Yeah. I don't know his story. He had a show on TV. With a representative waistband. Funny. No,

 12:52

no, no, no, no, no.

 Jewel Gray 12:54

He's funny. Yep. He's genuinely funny. Oh, that's fun. And then

 12:57

he found this this video camera there. And he's like, moments, moments. last moments on Earth.

 Jewel Gray 13:05

He sure they're all here. This is it. So he finds his video camera and aims at himself. And then

he's talking to himself about what my last moments were kind of put on. And then he goes

13:16

the perfect omelet. Know how to make the perfect omelet. And he says two eggs not three. Adding milk for volume. This is a mistake.

Jewel Gray 13:27

The word he's a he's this whole shows kind of funny too. And he's bird dies. The bird that called him a fantastic man. It's way ahead Oh, yeah, it was funny. It was worth my money. Well,

Jimmy Carper 13:48

movie sounds a whole lot more funny. You told me about it.

Jewel Gray 13:52

You called me the next night to go see the Blair Witch. And I couldn't remember. And when I when I was talking to you I couldn't remember if I'd seen it the night before the night before. Right? Yeah, that was

14:05

the haunting was cool to

Jewel Gray 14:06

miss that so far too. We that was pretty cool. You liked it? Yeah, it was leaving. Okay. I was thinking maybe they really overplayed that role with him you know I mean a way to different kind of actor for that role. I was kind of thinking

14:21

No, no. Yeah, he worked he worked well. I mean it's not as good as like you know dark man I really liked liked him and dark

Jewel Gray 14:29

you know I liked him in the one was share where he was the the street man who they thought it killed a congressman secretary, you remember that?

14:38

No. You lost me on that one.

Jewel Gray 14:42

One of the known Carradine? Yeah, she was she was a prosecutor or he was defending him. And it didn't speak he was mute, deaf and mute. And he was real covered and love to hear kind of kind of like you when I shaved him off and it was leaving me as Then remember that I'm gonna say the deception or deceit? Yeah, we've seen that. Yeah, yeah. Okay, okay. What are you?

15:13

And Rob Roy, of course. Okay, this great movie.

Jewel Gray 15:18

In empires. I mean, in Star Wars,

15:22

The Phantom Menace? I think, well, nobody. I think he was good enough. No, I think he was the most easily corruptible Jedi of any. Well. I mean, because he was, he was just every couple of minutes. He's turned around trying to take over some lesser minded thing. You know? I mean, that was my problem with him. It was like, What's the difference between taking over something's mind and saying, Give me a transport. And just stealing it? It was just the same, you know? I mean, yeah. That was my thing with that. I was just wondering, but the little blue flying guy was brilliant. Man. There's in he's like, Hey, what are you doing with that Jedi thing? It's not gonna work on me.

Jimmy Carper 16:10

Jam, Jewel. Thank you.

Jewel Gray 16:12

I know. It's at that time already. Time. God. Yeah, no, it

Jimmy Carper 16:15

just time flies.

 Jewel Gray 16:16

I had a good time. Yeah, good. Good. And we'll be back in three weeks.

 Jimmy Carper 16:21

Well, yeah, four weeks. Yeah. You get the third Saturday of the month. First half. Reminder i
Yeah. Well, I have to think about this myself. I've got it

 Jewel Gray 16:35

marked on my calendar for a year I'm planning something

 Jimmy Carper 16:45

like this week, I forgot to call Nancy. You know, she said, you know, if you want me you have to call me you have to remind me and I forgot. No, good. I know. It's my fault. Anyway, thank you. And we'll see you next month. And now I'm gonna play a little song before we go to Chris and big Roy with after hours news and views. This is from a woman by the name of Robin Renee. We we've played it before. We've played a couple of things of hers before. But let's see. Let's see. Let's see. Let's see. If you would like this tape. Yeah, got an email from her just wanted to let you know that I had some more brand new woman demos made up. If you happen to play that tape on your show. You can let people know that a limited edition demo style cassette single is a brand new woman and magnet and steel is available for four bucks postpaid from Minaj a Music PO Box 204 Atco A T C O New Jersey. Oh 804 and I we don't normally give prices out over the air but you know for four bucks she's not making any money. Now she just wants to get this music into the hands of people who will enjoy it and I think you will enjoy this. Robin Renee. And this is a cover by the way. Magnet in steel and you're listening to it on after hours queer radio with attitude on KPFT Houston and KEOS College Station

 Roy McCarthy 18:25

okay let's welcome everyone to this week's edition of after hours news and

 18:29

you aren't on yet.

 Jimmy Carper 18:31

You're on Now shut up.

 R

Roy McCarthy 18:34

like to welcome everyone to this week's edition of after hours news and views I'm big Roy and with me is Chris and before we begin as always like to say hello to all of our friends out there in the far flung reaches of the Lone Star State. Randy down there in Beaumont, Tony way up there and Midway and all the other ones Rick and Janet and all the rest of them.

 R

18:58

All of your captive audience fans,

 R

Roy McCarthy 19:00

you know anyways like to start off this week's edition with what's the number one news story all across the Gulf Coast and that is Hurricane Brett. Which is a category four hurricane with means it which means it has sustained winds of 135 miles an hour. And Well folks, they thought it was going to go to the west. But it has not it's still in a direct nor northerly direction

 R

19:34

west northwest was the last last report not on that one it was on the previous especially pull this off the AP wire folks that were sending real official this time. I was heading west northwest at last count at midnight and this is the way the current coordinate set 1am

 R

Roy McCarthy 19:50

and 1am the current coordinates estimated be latitude 25.5 North longitude At 95.4 West, or about 130 miles east southeast of Brownsville, Texas. It is still taking that mostly northern direction. If it goes toward the west like a west northwest direction, it would be bad news for Galveston Houston because that would put us on the on the bad side and the direct path, the door, the bad side of the Southern, the east, the eastern portion of the hurricane, which is the portion that has the most wind and the most rain. So folks, keep your radio tuned right here to KPFT for further updates. And as they come along, will we get that we the broadcaster's here will be keeping everyone informed,

 R

20:58

especially with it. There are some predictions that there will be some troughs or a low pressure system that may kick that directly in our path.

 R

Roy McCarthy 21:05

One thing we do have going in our favor though, like Jimmy and I were talking about tonight is

that we do
