he got tired of it. Not dealing with himself and his internal feelings and everything. And he came out got a fantastic program on how to deal with this, how to use the non VA nonviolent information that he's and stuff that he's learned from Dr. King and from Gandhi says, gonna be inspirational, not religious, inspirational, personal, inspirational. At five o'clock,

Roy 00:36

I hear something else that's going to be a little inspirational. At the litter room downstairs, they're presenting alternative music. And that's set in a small bar. And RJ Sol script offers witty commentary on the single scene and the bar life in general. Now, for this, not for this particular program, all the theater theater seats are removed. And a bar is built around which the audience sit with cast members and interact side by side. Now, only 25 patrons per show are going to be allowed in. So reservations are strongly recommended. Also, while you're there, check out Ray hills, the prison years, and that's still playing at the little room downstairs. And that's on Wednesdays, June 17. through July 8.

01:26

Yeah, that's a kind of a good show. That's a good one. Let's see Ray Hill. Well, we mentioned Pride Week, and I just wanted to let you know, in case you didn't, June 27, is that they have the pride parade. Right now. The Pride Parade has more than 100 entries. Wow. Yes, it's more than ever before in our history. So quarterback a great event. Recommend you get out there US Representative Sheila Jackson Lee. Councilwoman, nice Parker will be there. There are high ranking officials within and they're gonna participate in the electric track. I guess what is it called? Read my T shirt. What is it called?

Roy 02:10

Unified, diversified and electrified. That's it.

02:16

There's got to be very festive and better than last year. Last year. There were 50,000 spectators. This year. They're hoping for something like 70 and in conjunction with that, I'd also like to mention that Monday June 22. The Imperial Court is hosting martial reception. We're going to honor the grand marshals of the prey Jackie Duvall. Bah bah bah barber Winston and the Texas gay Rodeo Association Houston chapter and we're going to be it's it's going to be a January's. There is no cover. There's never a cover. Gentry is is located at 2303. Richmond for For more information call area code 7135 to go 1861. These three individuals and this organization are our grand marshals and deserve our support. For example, The Texas gay Rodeo Association of Houston has collected over the last 14 years, more than two or \$3 million and every penny of it has gone back to the community. Fantastic.

Roy 03:30

That's more than I can say facilities, churches and other things. Moving right along here with the Pride Parade. Yours truly, then Jimmy Carper and others from after hours and lesbian and gay voices will have an entry in the float. I'm not sure where we're going to be. We'll have an entry in the parade.

03:53

Oh, that's great.

Roy 03:54

So we will be there. And also going to be there is international porn star from the Falcon studios. Mr. Tom Chase will be writing on the alternatives of adult video megaplex float. So you can go out there and see Mr. Tom Chase

04:20

there's someone else gonna be out there for the break. Oh, that's Southwestern Bell Telephone

Roy 04:26

right there and we're calling all Southwestern Bell Telephone employees active or retired to come out and show your colors by proudly supporting the Houston lesbian and gay pride parade. Now, you or your family and friends are more than welcome to come out with this event. And they're the attire for the Southwestern Bell Telephone employees is going to be dark shorts with white tops with the company logo if possible. Now, if you are interested in being a part of this spectrum, you in it of the parade, please call well at area code 713-871-

05:30

And they were formerly known as aware. So in case you don't recognize spectrum it used to be called aware. Tomorrow at there's the community dance outreach, outreach wrangler pride show. The rainbow wrangler dance club and Cultural Arts Council of houston and harris county will be having a show it's free. The price was river bottom, the BRB located at 2400 brochures. So come watch them structure stuff and dance with pride in this Country Western Dance exhibition. So that's where we are on that one.

J Jimmy Carper 06:09

Can I interrupt and ask folks remind folks that we have movie tickets to give away for the movie high art starring Ally Sheedy, which is the story of a lesbian photographer, and the lesbian couple, she breaks up. And it opens on Friday at the landmark Greenway theater, however. Point one FM KPFT Houston, and the voice is sponsoring. Pre opening on Thursday, June the 25th at 730. Ah, for free tickets. Give us a call right now. At 526573852 6k PFT. Chris we'll take your name and number and name and address and and we'll get you the tickets put you on the list.

07:09

Wow. Now that you mentioned art, yeah, talk about pumped up on? Oh, yeah. Oh, yeah, footwear, um, the rich and famous. He's coming out of the closet for this unique social and fundraising event. There is a lot of artists who have used shoes as they're at or pumps as the centerpiece for their art. And this is a private art collection valued at about \$30,000. And pieces of the collection will be sold during the night as part of the silent auction. Now and the beneficiary is the pride committee of Houston, the folks that are putting on the parade, the address 711 William Street Gallery, and the contact phone number is 713-529-6979. I also want to mention that the cost is a \$10 donation at the door, and the suggesting attire is semi formal. That will occur on Friday, June 26. So that's another thing about art. Now why we're talking about art? Oh, sorry about that.

08:27

There it is. I lost a piece of paper sorry.

08:31

Well, with all those, I mean, it's just a maze of papers in there.

R

Roy 08:36

I know that this news does get really something else now. But that's great. That's great, though.

o

08:42

Tell him about the free HIV HR workshop.

R

Roy 08:46

Oh yeah, you should know that there is a free HIV AIDS art workshop. R

Roy 09:34

okay, go right along with that. There is the artists with disabilities to display, perform or sell their artwork at the Metropolitan multi Service Center. This is for people with disability.

o

09:50

So if you're an artist and you're disabled, on August 1, there's going to be a big exhibition of your art. Cool.

R

Roy 09:59

Now They're looking for painters, sculptors, entertainers, ceramics, dancers, singers, photographers, comedians, comedians, poets, musicians,

o

10:09

o

10:11

10:11

Oh, yeah, take a corner. You bet. Yeah. Oh, he's gonna He does great stuff.

10:18

He does the best Elton John. Oh, he looks like Elton John. And he does. He really does. That's the great, great Elton John. Oh, yeah.

Roy 10:27

People who see JJ for the first time he's made that comment. Anyways, but this place is located at the Metropolitan multi Service Center. 1475 West gray. Now that's right across from the River Oaks Plaza. And so come on out there and

10:46

across the street from that, that that multiplex cinema thing right over there.

Roy 10:50

And talking about the disabled people. I'd like to mention that there is a gay magazine out here for disabled gay people. It's called Abel together. And it's a forum for men with and without disabilities. And it's a wonderful magazine. They have wonderful artwork and stories and just musings by people. You can reach Abel together at peal box 460053 That's peal box. 460053 San Francisco, California. 94146. That's 94146.

11:40

And before we leave this thing on cable and art, I can't remember whether we mentioned the number to call for those artists who are disabled and want to participate in this thing at the Metropole. Oh, okay, I don't I don't think we did. For more information on the same disabilities art festival call Nick Cavaleiro or Lois Miller at area code 71328 for 1973 That's to meet for 1973

12:13

Okay that publication that yeah, the the April publication there's a little thing in there because JJ heads up April quiere which is a for the most part a group on online he hasn't been able to get a bunch of people together in person yet. So they're they're all working online together. And you know, it's working, because I have noticed a vast increase of wheelchairs in the in the Montrose river on the streets going down the sidewalks. And I think it's got to be all due to Jay Jay's efforts with his April career group.

R

Roy 12:58

I believe so Oh, yeah.

Ω

13:00

Okay, I got a film I want to mention on TV. Oh, okay. Okay, channel 8k Hu T. Next weekend, June 27. At midnight go. So get your tape recorders out and tape this so you can still listen to it. On the radio very good. But filmmaker Arthur Dong presents a provocative and disturbing, candid exploration of the motivations behind a plague of violence that's sweeping our nation, particularly hate crimes against the queer community. This was here in Houston last year, it was a fantastic film. Yes, it is. If you have a chance to see it, I recommend you watch it, or tape it. If you didn't get a chance to see it last year, this is a good chance to tape it and watch it again.

R

Roy 13:55

I'll tell you something about this movie Licensed to Kill an awful lot of the material that they use in that movie. On the stuff that that was in this movie that can I've seen it and they have a section in there about that. The hate killings that happened here in Texas, and just about everything that they got from there came from the Texas Monthly Magazine, which I have and the reason why I bought that Texas Monthly magazine. I have to confess it was not for any politically correct reason. It just said on the cover of Texas Monthly was Brad Pitt and I just automatically bought it.

Ω

14:31

Okay, why whatever. While we're on the subject of hate crimes, let me give you the hate crime hotline number. Area code this is the Houston Police Department hate crime hotline number. Area code 713-308-8737 That's 308 8737 another TV show. This is the BI monthly in this life show which is shown things on gay you A passion that comes on every two months, covers everything in the in the gay, lesbian, bisexual and transgender community covers all classes of careers, all countries with queers. Their june july show will be on looking at gay participation, some of the most traditional social institutions in America society, such as the military marriage to church to family, so, that's coming up. It will be shown Sunday, June 21. And it will be shown at midnight. Okay, that's tomorrow night. And that's on KU H. Now, that's not, yes, that's tomorrow night. HT channel eight. Okay. Now, let me just mention this to everybody. I'm going to editorialize. Okay. The showing of these two films is important. And I congratulate koh t for showing. However,

J

Jimmy Carper 16:03

I have to say that I agree with you there because in years past, we have really been disappointed with K UHD for not showing a lot of gay material.

16:14

However, they're showing up late, or the latest showings of any airtime on public television in this country. Most of them show them eight o'clock, nine o'clock, 10 or 11. Nobody else shows up at midnight. So if you wish, the station phone, where if you want to say show this stuff earlier, get it in primetime. The station phone number is 713-748-8888. At the same time that you tell them you'd like to see him earlier. Please tell him, thank you very much for showing up.

16:50

Absolutely. Because we haven't had it in the past. And we want that and we want more of it. As a matter of fact, we would like channel eight to turn into the Sundance station.

Roy 17:04

Yeah. Okay, now wrapping up.

17:06

Well, before we wrap up, excuse me, I am going to jump in before we wrap up. I just wanted to mention that there's a release party for the Harvey Milk CD. It shown in the product guide is Friday, June 26. Or however, I know that it's actually going to happen, I think when Thursday, June 25.

17:28

Okay, and that's Harvey Milk opera. You'd hear a couple of years ago.

17:33

Yes. And so that's a crossroads. Oh, really? Yeah. I think that's where they're going to show it. But anyway, it's it's on Thursday instead of Friday. Yeah, it's crossroads. So that's a correction from the pride guy.

Roy 17:50

Okay. Let me wrap this up here, which is mentioning that if you haven't gotten this cop, this week's edition of The Houston voice, please make sure you pick it up. Because it has a big, wonderful story on our very own Jimmy Carper. Right here on the front page. And it's, it's a reflections on Pride is the headline of the article. And it says it's the city's first nighttime parade left its grand marshal, dazzled. And for those of you who do not remember, let me refresh your memory, the first Grand Marshal of the nighttime gay pride parade to be held anywhere ever.

18:32

In the Northern Hemisphere,

Roy 18:34

with our very own, Jimmy Carter, who almost fell flat on her face right in front of Mary's

18:40

Yes. And it's all there in the article. Right here. I have to brace Steve, Steve Underwood, who wrote the article. He sat down with me with a tape recorder. We talked for an hour. And afterwards, I thought, oh my god, what would he possibly pull from that? But he he wrote a very, very lovely article. And what I really liked about it more than anything else is in newspapers on TV, when you listen to the news, and the voice does carry news, it's usually bad stuff. This is such a very positive article, very uplifting. So thank you, Steve.

Roy 19:20

And I do want to say that, Jimmy, all those actors were just so proud when you got chosen as the Grand Marshal, it was just, it couldn't have happened to a better end, you are the first

19:32

and this year's Grand Marshal male Grand Marshal Bob bouton is equally out. He's actually more wonderful than me. He's involved in more organizations and I can even count he's been around doing things for a very, very long time. So I hope everyone will go out there and scream at him as loudly as they screamed at me.

19:53

Yeah, this is probably this is pride month. This is pride season. You got it. Let's go out and support each other let's be out there next Saturday night. The parade starts at nine o'clock sharp and it will start sharp at nine o'clock if you're in the parade, you have to be lined up at eight o'clock. If you're part of the organizing of your section of the parade, you got to be there at 630 So this is me member let's all be out here. Let's get where we supposed to be. Let's enjoy ourselves and let's let's be electrified with pride. And don't

Roy 20:29

forget to tune into after hours next week because we will be on the air right after the parade. Yes,

20:35

giving you a wrap up. Okay, that's been the news with big boy and Michelle. Good night,

20:40

everyone. Good night all.

20:42

And now a couple of pieces of music before we bring hatch on. This is something that again, didn't get a chance to play during the first segment. It's by a lesbian comic named Lynn Laughner. She wrote a she and others wrote a musical called ladies don't spit and holler. And this is some some very positive music for women. You're hearing it on after hours queer radio with attitude on KPFT Houston and ke o s College Station. We are the sound of Texas

Jason 21:25

Okay, that was a really nice song

Jimmy Carper 21:31

Yes, that was Lynne Laughner. She is a leather lesbian comic who writes writes music and does comedy and that was a an old show, ladies don't spit and holler. And those were two very female positive songs. And that's the kind of thing I want to play, especially during pride month. You know, a celebratory stuff.

Jason 22:05

So you're saying my musics not like? No, no,

Jimmy Carper 22:07

no, no, no, I'm not saying that at all. What I enter when it comes to hatch music, I kind of stay out of it. Because there definitely is a generation gap. And as much as I like to keep up with music I have I'm gonna have a different taste than you are. Then you have.

Jason 22:27

Yeah, yeah, we are. But we do. Oh, yeah. I'm out of it. I'm sorry. I've had no sleep. Okay. We are hatch. I'm Jason. I'm not.

22:42

I'm Jeremy,

Jason 22:43

and Jimmy in there. If you'd like to get in touch with hatch, whether to become a member or to have if you have questions, dial Area code 713-942-7002. And that is a voicemail line. And all calls are returned confidentially.

23:05

So what does hatch up to these days,

Jason 23:07

hatches up to what every other gay organization in this city is up to? And that's Pride Parade. Although we just had our prom we had our annual prom and it went fabulous. I thought did it what did you think Jeremy?

23:23

I thought it was pretty nice. The theme was secret garden and there was a lot of flowers and a lot of good music. So we had really we had a lot of fun. And I guess a special things to the love it in for giving us that great rate for prom, so we could have it at such a really nice place.

23:44

Love it in is beautiful, isn't it? It is really beautiful. That's nice. How many folks shout out.

23:53

There is at least 50 go wow. Oh, yeah.

23:57

Were they all teenagers?

23:59

No, most of them? Well, most of them were but the biggest part about the hatch prom is also it's a fundraiser, one of the biggest fundraisers Hatch has for the year. And they a lot of the

adults pay for you know, very expensive ticket. And that in turn, donates money to hatch which helps fund things like the prom and the pride parade and other functions through the year that hatch dies. So it's really good to have that good good good.

J Jason 24:33

For Jeremy, I'm dumping all this like making him do all these public announcements.

J Jimmy Carper 24:39

Hey, well, you know it's promoting hatch and that's what we want to do here. That's that's part of it. It's giving a voice to teens career teens, cuz I can talk about being a teenager but I ain't didn't one in a hell of a long time. We won't you know, yeah. And and folks out there, teens out there are not going to listen to an old geezer like me.

J Jason 25:06

Of course, what's scary is that neither one of us are teens anymore.

♂ 25:10

Wow. I mean, you know, you're just we're still not old enough to drink. You're barely over the edge.

♂ 25:15

That's right. I'm 20 and a half.

J Jason 25:19

Yeah, but in like, July the fifth, my nephew turns five. So I'm beginning to feel like oh, yeah, right. Yeah, right. But when I realized that I've been driving for five years with my net, I drove to the hospital when my nephew was born. I'm like, oh, legally. Yeah, I had, I had a hardship license.

♂ 25:41

Oh, okay.

J Jason 25:44

So yeah, it was legal. Well, we had planned on talking about homophobia in schools tonight.

And we had, we interviewed and he's Parker, and we've got the recording.

♂

25:58

However, however, as as life goes,

J

Jason 26:03

complications have fouled up. So we're just gonna kind of wing it tonight.

♂

26:09

Well, we can have fun. We can talk about what is the what is the hatch float going to be like? Do you know?

♂

26:14

Yeah, we kind of do. That's kind of more up my alley there.

J

Jason 26:19

Yeah, I've I've been a bad hat steering committee member lately and haven't been to the last couple of Friday night meetings. So

♂

26:26

that's okay. Because Jason's really stuck in there. For the last quite a few years. He's probably one of the oldest hatchlings that we have. They're not oldest

J

Jason 26:34

age wise, but seniority.

♂

26:36

But anyhow, the theme this year of the our float in the Pride Parade is going to be it's our time. And it's going to be really pretty, we're going to have a big grandfather clock and a chicken coming out of it to the hatch thing, all lit up in pretty with lights. And we're urging any youth who would like to come out in March with hatch to come on down and you can contact me I'm

Jeremy, on the hatch line at once again, area code 713-942-7002. And leave me a message I usually answer it within the same day or two. Can you make it be discreet? Just let me know. Yeah.

J Jason 27:16

Yeah, we do follow any calling instructions.

∅ 27:19

Like, you know, if, for example,

J Jason 27:26

my friends stay, I want you to say that my friend Stacy called if you get my mother or when you when you answer ask for

∅ 27:33

we go to school together and such and such school. Right?

∅ 27:36

And let me also say that it's really important that I know you're going to be shy. And believe me I was in it's hard to believe now. But I was one of the shyest people that I've seen come down forever. And when I called, but you have to speak up. I'll give you an example. I answered the phone line, probably about last week. And I think the guy's name was Derek and his brother's name was Eric. Well, he was speaking so softly that I asked for the wrong brother and wound up just making a big ass out of myself. Because immediately I like hung up the phone. I didn't know what to do. Oops, oops. So

∅ 28:14

well, you know, when you have two names like that, yeah. You know, it's mistakes will happen.

J Jason 28:23

So, anyway, I think we should have fun tonight because you know, it is the week before Pride Parade. And Pride Parade. What is pride parade? It's a celebration.

∅ 28:34

Of what? Stonewall ver Very good.

J Jason 28:39

You can tell him a hatchling there. You can tell I'm a fifth year hatchling, you know your career history? And wasn't last year the 25th? No. What am I talking about? It was long time ago. Yeah. Actually, how long ago was 25

J Jimmy Carper 28:51

years ago? Next year will be the 30th anniversary of Stonewall codes. It was June 27 1969. I'm just No, I wasn't there either. I just know

J Jason 29:05

that no, I'm just I'm out of it. Just if I like slip up to light ignore me. I've had six hours sleep.

J Jimmy Carper 29:14

Well, you you know things happen in people's lives. And you've had some tough things happen in your life. But we're gonna get we're not going to talk about it over the air. But and yeah, yeah, that's the whole point of it. I've always, I've always said that this show is three hours of your life. Yeah. And you have ups and you have downs. And you know, maybe this is not the best. But next weekend will be Oh, yes. And you know, I've lived I've talked to a whole lot of people this past week, who are going to be involved in the parade because I was thinking, you know, we're doing this this float for after hours and KPFT thinking oh my god, you know what? haven't done this. We haven't done that. But he's

J Jason 30:02

done it, you know?

30:03

Exactly. We talked to so many people, and it's all the same thing.

J Jason 30:11

We're queens, wait to the last minute. That's that's why we can't get anywhere on time because we're waiting to the last minute.

30:17

Well, you see, we ought to have more lesbians involved because they're always on time. So and they have the best tools,

J Jason 30:24

any lesbian listeners out there who would like to help? Give us a call. I guess we had to throw out that

J Jimmy Carper 30:32

number. Hmm. Well, actually, while we're throwing out this number, I want to remind people that we have movie tickets to give away for a high art the new movie with Ally Sheedy, who's who portrays a lesbian photographer, and it opens Friday, but KPFT and the Houston voice are sponsoring a pre opening on Thursday, June the 25th at 730 at the land, Mark Greenway, theater, five Greenway Plaza. And we're giving tickets away for everyone who calls that 526-573-8526 KPFT. The after hours crew will be there so you'll get to see us. If that's any incentive, or maybe I shouldn't say that, you know, okay, we're not going to be there. So you won't have to look at us as that. Anyway, let's

J Jason 31:31

not give away what we look like. Because, you know, in some people's minds, we may be like, No, Gods. No. No, I can dream can't lie. Oh, we have we have like people calling for

31:45

good, good, good, good. All righty, five to 657385 to 6k P F

J Jason 31:52

T. And it is 713 area code.

31:56

So when we get to a piece of music, I'm thinking so too. I have you have some you have something new, don't you? Well,

J Jason 32:03

I've played Junior Vasquez on here before I've played from the CD. And but this time actually brought the CD case so I can tell you what song it is. I

32:12

was going to mention that to you.

J Jason 32:15

If you noticed when I walked in, I walked in with the bag. Oh, yeah. Okay, so yes, yeah, instead of just

32:20

CD. It's always nice to be able to know the title of the song you're gonna play.

J Jason 32:25

Yeah, this is off Jr. Vasquez's latest CD, Volume Two, and it's on the B disk. And it's it's kiss you all over? Oh.

32:39

Well, I've actually hit hit me with that. I'm sitting here I'm sitting here 15 In the morning, you know, looking

J Jason 32:45

at the back of this and this thing is all numbered wrong because the intro is actually numbered on just B and it's not numbered on the CD. Oh, so I have to sit here and cross references. I just like

32:54

to say first of all that Jason is picking out the music so any of my near and dear friends out there? I am not a prereq

J Jason 33:02

this is it's actually very beautiful. It's actually a very beautiful song. Oh, it's it's it's by no mercy and genius quiz. You know, did his little magic with it. And so let's listen to it. Okay. All right. Enough for the business.

33:20

Oh, you're on eight. Oh, that's great. I know when you said kiss me all over. I didn't realize I knew that song. And but what a fabulous remix. Yeah,

J Jason 33:29

I Junior Vasquez is fabulous. Fabulous. Man. That was good. And he's good friends with Madonna, which makes it even more fabulous.

33:37

So what what is what? What is that CD by just the name of it.

J Jason 33:43

It's named volume two. It's his latest CD. Okay. If his own stuff, right? Well, not really his own stuff. He he's a DJ. So Right. I mean, he makes his own mixes. Yeah. And it's all mixed together, which is really cool. Where did you get it? I got it from sound waves. Okay, over in the Montrose sir. Yeah, of course. Because you know, I wonder if crosswords carries? I don't believe so.

34:06

I have no comment at this time.

J Jimmy Carper 34:09
